

## The New Ensign No. 114 February 2019 - Editorial Extension

Above a picture from a Sputnik article on Brexit - [Click here](#) for source article confirming a member of the Brexit, e-mail list's statement that the Brexit Negotiations are being strung out on purpose up to 2020 when the Lisbon Treaty kicks in, which makes it impossible for any EU nation state to leave!!

To the right of Big Ben, can be seen Portcullis House, where besides other uses, the main being thrashing out directives from the City of London to its Brussels office.

Belgium is City of London territory, following an act of the Westminster parliament creating the State of Belgium following The Treaty of London, being the spoils of the Battle of Waterloo Victory!!

Left: The British Lion atop an artificial hill at the battle site near Brussels.

# The Brexit Deception

## Why is Nobody Talking About The Lisbon Treaty, The Treaty That Comes into Force 2020

**IT IS FAR WORSE THAN THE SO CALLED 'DEAL' - currently up for debate in Westminster!**

**IF 99% OF THE BRITISH THINK THE CURRENT 'DEAL' IS BAD, JUST LOOK AT THE LISBON TREATY!**

**PEOPLE NEED TO KNOW..... LEAVERS AND REMAINERS.**

**Spread this around far and wide - even on Facebook.**

**The youth of this country needs to know the truth.**

**This below is what young folk think we are stealing from them!**

**What will happen if we stay in the "EU" is a question no remainder will ever answer.**

**Well, here it is, warts and all**

- 1: The UK along with all existing members of the EU lose their abstention veto in 2020 as laid down in the Lisbon Treaty when the system changes to that of majority acceptance with no abstentions or vetoes being allowed.**
- 2: All member nations will become states of the new federal nation of the EU by 2022 as clearly laid out in the Lisbon Treaty with no exceptions or vetoes.**
- 3: All member states must adopt the Euro by 2022 and any new member state must do so within 2 years of joining the EU as laid down in the Lisbon treaty.**
- 4: The London Stock Exchange will move to Frankfurt in 2020 and be integrated into the EU Stock Exchange, resulting in a loss of 200,000 plus jobs in the UK because of the relocation. (This has already been pre-agreed and is only on a holding pattern due to the Brexit negotiations, which if Brexit does happen, the move is fully cancelled - but if not and the UK remains a member and it is full steam ahead for the move.)**
- 5: The EU Parliament and ECJ become supreme over all legislative bodies of the UK.**
- 6: The UK will adopt 100% of whatever the unelected EU Commission and ECJ lays down without any means of abstention or veto, negating the need for the UK to have the Lords or even the Commons as we know it today.**
- 7: The UK will NOT be able to make its own trade deals.**
- 8: The UK will NOT be able to set its own trade tariffs.**

- 9: The UK will NOT be able to set its own trade quotas.
- 10: The UK loses control of its fishing rights
- 11: The UK loses control of its oil and gas rights
- 12: The UK loses control of its borders and enters the Schengen region by 2022 - as clearly laid down in the Lisbon treaty
- 13: The UK loses control of its Planning Legislation
- 14: The UK loses control of its armed forces including its nuclear deterrent
- 15: The UK loses full control of its taxation policy
- 16: The UK loses the ability to create its own laws and to implement them
- 17: The UK loses its standing in the Commonwealth
- 18: The UK loses control of any provinces or affiliated nations e.g.: Falklands, Cayman Islands, Gibraltar, etc
- 19: The UK loses control of its judicial system
- 20: The UK loses control of its international policy
- 21: The UK loses control of its national policy
- 22: The UK loses its right to call itself a nation in its own right.
- 23: The UK loses control of its space exploration program
- 24: The UK loses control of its Aviation and Sea lane jurisdiction
- 25: The UK loses its rebate in 2020 as laid down in the Lisbon treaty
- 26: The UK's contribution to the EU is set to increase by an average of £1.2 billion pa and by £2.3 billion p.a. by 2020

This is the future that the youth of today thinks we stole from them? They should be on their knees thanking us for saving them from being turned into Orwellian automatons, if we escape from control of the EU.
