BEAST-CHAYAH-NEGRO

The word beast appears throughout scriptures and often appears as simple "Beast," or "Beast of the Field," or "Beast of the Earth." Three different Hebrew words are translated into the English word **BEAST** in the Bible. The Hebrew word **CHAYAH** means **LIVING CREATURE**, the word **BEHEMA**, meaning quadrupeds (like cattle), and **BEIR** meaning **BRUTE BEAST**. The Greek word **ZOON** translated **BEAST** means **LIVING CREATURE**.

In tracing this word down through scriptures, it is important to note that the Bible speaks of both quadruped (four-footed) beast and biped (two-legged) beasts. If you have failed to distinguish between beasts (quadruped) and beasts (biped) in the Holy Bible, you have missed a great deal of truth. We are concerned with the Hebrew word **CHAYAH**, which means **LIVING CREATURE**, and which we feel refers to the following biped (two-legged) beasts.

As you study the following scriptures and provide an answer to each question, perhaps the full implications of the Bible biped beast will become clearer to you.

It is interesting to note that in all of these scriptures we find reference to a **BEAST** that is apparently biped (two-footed) and who can talk, riot, commit adultery, co-habit with man, work in vineyards, use his hands, wear clothing, cry unto his creator and sow his seed with other races. Those who have clearly traced this Hebrew word **CHAYAH** through the scriptures under the English word beast, know it is speaking of the **NEGRO!** If this truth were known and taught from the pulpits of our churches, it would stop the mad race toward racial suicide and mongrelisation of the races dead in its tracks.

WHAT IS THE NEW CHRISTIAN CRUSADE CHURCH AND THE IDENTITY MOVEMENT?

It is rarely denied that the Old Testament of the Holy Bible is the story of the people of Israel. The New Testament is a message to the people of Israel.

The Christian Identity Movement believe that by reading the Holy Bible diligently all the features attributed to Israel apply to the white races of the world, and certainly not to the Jews of modern day Israel.

This proposition may sound preposterous, but nevertheless, study will confirm all the claims made by the Identity Movement. More information can be obtained by writing the address below.
