Comments on The Book Ban of The Legions of Satan By Jonathan Williams

General Cornwallis Surrendering His Army

JONATHAN WILLIAMS RECORDED IN HIS LEGIONS OF SATAN (1781) that General Cornwallis revealed to General Washington during the signing of the Article of Capitulation signed by Cornwallis at Yorktown that:-

"A holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown."

Cornwallis went on to explain what would seem to be a self contradiction,

"Your churches will be used to teach the Jew's religion and in less than two hundred years the whole nation will be working for Divine World Government.

That government that they believe to be divine will be the British Empire All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry."

It is certain that **Senator Joseph McCarthy** did much research on the Communist conspiracy. He came too close when **he discovered British Israel and its Kingdom Message propaganda**. The following quotes are from an article with the title:-

GEORGE WASHINGTON'S SURRENDER

And many of the people of the land became Jews. Esther 9:17. The confession of General Cornwallis to General Washington at Yorktown has been well hidden by historians. History books and text books have taught for years that when Cornwallis surrendered his army to General Washington that American independence came, and we lived happily ever after until the tribulations of the twentieth century.

Jonathan Williams recorded in his LEGIONS OF SATAN, 1781, that Cornwallis revealed to Washington that "a holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown."

Cornwallis went on to explain what would seem to be a self-contradiction: "Your churches will be used to teach the Jew's religion and in less than two hundred years the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry." And indeed George

Washington himself was a Mason, and he gave back through a false religion what he had won with his army.

Cornwallis well knew that his military defeat was only the beginning of world catastrophe that would be universal and that unrest would continue until mind control could be accomplished through a false religion.

What he predicted has come to pass. A brief sketch of American religious history and we have seen Masonry infused into every church in America with their veiled Phallic religion. Darby and the Plymouth Brethren brought a Jewish Christianity to America. Masons Rutherford and Russell started Jehovah Witnesses' Judaism which is now worldwide with their message of the divine kingdom.

Mason Joseph Smith started Mormon Judaism with its Jewish teaching of millennialism. At the turn of the twentieth century there appeared the **Scofield Bible with a Jewish interpretation of the prophecies.**

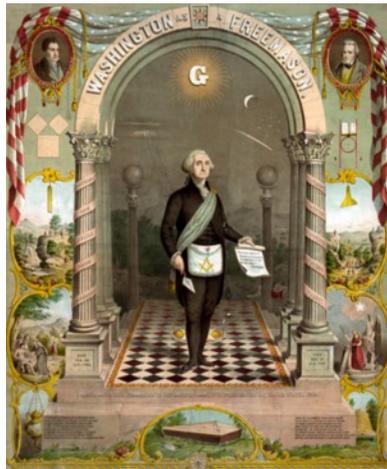

With wide use of this "helpful" aid all the American churches have silently become synagogues. We now have Baptist Jews, Methodist Jews, Church of God Jews, apostate Catholic Jews, and many Protestant Jews throughout America. We are aliens in our own country because of false religion. All are praying for divine deliverance into that **"Divine Government" which Cornwallis knew to be the British Empire.**

Publisher's Note: The word Jew was never in the original Scriptures, nor in the first edition of the KJV Bible, until it was revised in 1825, when the word "Jew" was added to sow confusion, while at the same time the Apocrypha was removed, together the translators' preface. The Jews took over the English Masonry in the late 1600's and still later the continental lodges, which retained knowledge of our Israelite origins. On taking over Freemasonry added their Edomite Kabala and funny handshakes! They then convinced the gullible lower degrees that they would rule the world and by associating them with their evil deeds, would ensure the

Caucasians at large would never come to discover their real identity!!

A false religion has been used to deceive us into allegiance to our enemies of Yorktown and Bunker Hill. No! Not a gun has been fired but the invisible and malignant process of conquering America with the Jew's religion has gone on unabated. The Union Jack has been planted in our hearts with religious deception.

All has happened "legally," "constitutionally," "freely" and completely within our most sacred trust -- our churches. **Religious deception is painless inoculation against truth.** It cannot be removed from the conscience with surgery, yet it is the motivator of our actions and directly controls our lives.

Once man gives over to false religion, he is no longer rational because he originates no thought. His life is controlled by whomever controls his religion. The veil of false religion is the sword of Damocles and its power to control humanity defies even the imagination of tyrants who use it. This is not to say that George Washington was a traitor willingly, or knowingly. **He was beguiled into a Satanic religious order that insidiously controls men's minds.** So have American statesmen and military leaders down through the years given aid and allegiance to the

enemies of the United States because they did not have knowledge of the invisible subterfuge that stalks this land. My eyes were opened the day my colleague from Ohio handed me **Wagner's freemasonry an interpretation**. If every American would read it, they would no longer ask why and how it has happened.

On
Jonathan Williams

Regions of Saturn highlights an important historical truth in respect of what was recorded by Jonathan Williams (1750-1815) in his 1781 book, *Legions of Satan*. Williams - a dedicated American patriot - wrote of a warning that had been given to George Washington by General Charles Cornwallis after Washington, along with his French allies, had secured the surrender of Cornwallis at the Battle of Yorktown, on 19th October, 1781.

History has since accredited Cornwallis as being responsible for the loss of British-held colonies to continental forces. Cornwallis knew, however, that his military defeat was but the genesis of a world catastrophe, and that civil unrest would continue unabated until such times as mind-control could be accomplished via false religion. And what Cornwallis predicted over two hundred years ago has now finally come to pass.

The removal of Legions of Satan from the U.S. Library of Congress ought to ring alarm bells within all Americans of good conscience simply because this act of public censorship is part of the ongoing effort to erase the tracks of those who are or have been actively engaged in the subversion of the U.S. Constitution and the Bill of Rights.

The removal of such an important historical document from the public record was done, in our opinion by, James H. Billington who, since 1987 has been head of the Library of Congress. Prior to that, Billington, a Rhodes scholar, was director of the Woodrow Wilson International Centre for Scholars; yet another tax-exempt foundation actively engaged in the rewriting of American history either through lies, distortions, or the omission of pertinent facts.

Billington wrote a book titled Fire in the Minds of Men which was published In 1980. The book is an important work insofar that it deals primarily about pre-revolutionary Russia and a secret society of nihilists. Billington is evidently relating this particular period of history with what is currently happening not only in America, but globally. One should easily spot the similarities if one is able to perceive how these people think and operate within their network.

The Evil Eye

The following quotation has been lifted from Jonathan Williams' book Legions of Satan. This, in our opinion, is the most probable reason for the book subsequently being removed from the U.S. Library of Congress, and why Legions of Satan is not included on the list of Williams' published works that has been posted on the website of the Department of Mathematical Sciences of the United States Military Academy.

Cornwallis revealed to Washington that: "A holy war will now begin on America, and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown."

Cornwallis then went on to explain what would appear to be a self-contradiction:

"Your churches will be used to teach the Jews' religion, and in less than two hundred years the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry."

The Masonic Dollar

Cornwallis was no prophet though. He merely understood how the B'rith (British) Empire for world domination worked because of his close ties with the power-structure within the upper levels of the British establishment. Yet despite Cornwallis being made the 'scapegoat' for the apparent loss of British colonies, he nonetheless continued to enjoy the confidence of the British establishment, and as such, was made a member of 'The Most Noble Order of the Garter' in 1801.

Just five years after his 'incompetence' at Yorktown, Cornwallis was appointed Governor-General and Commander-in-Chief of India in 1786. Cornwallis had been envoy to the court of Frederick the Great of Prussia the year before. Cornwallis used his authority to 'secure', or rather, steal land on behalf of the British crown by whatever means he and those under his command saw fit. This usually meant genocide.

Cornwallis was subsequently appointed to the position of 'Lord Lieutenant of Ireland' in June 1798, shortly after the outbreak of the Irish Rebellion. This appointment had been delayed until this point by Lord Camden. In between these two major appointments, Cornwallis was also given the title of Marquis Cornwallis in 1792 as a reward for him having personally led the campaigns that secured British victory in the Third Mysore War.

In his capacity of 'Lord Lieutenant of Ireland', Cornwallis was responsible for the further suppression of the Irish people, and was directly involved in the executions that took place during and after the Irish uprising against the British. After the Battle of Ballinamuck, some 200 prisoners of war - and that in reality, was the precise status of those who had been captured - were relocated to Carrick-on-Shannon, St. Johnstown - now known as Ballinalee - whereupon most of these POW's were executed in a place known locally as Bully's Acre.

Although Cornwallis could be perceived in much the same way that one would perceive any of Hitler's or Stalin's henchmen, Cornwallis, in this age of mass deception, is presented as if he were some kind of 'hero' who bravely fought for King and country. In 1801, Cornwallis along with both Robert Stewart, the 2nd Marquess of Londonderry - Viscount Castlereagh, Chief Secretary for Ireland - and Lord Camden - John Pratt, 1st Marquess Camden and Cornwallis' predecessor as 'Lord Lieutenant of Ireland' - was given the grand honour of being appointed as a Knight of the Garter, Cornwallis being listed as the 608th member of the order.

Arthur James Balfour

Attention is drawn to yet another infamous historical character who was also made a member of 'The Most Noble Order of the Garter'. The man in question is Arthur James Balfour who, in November 1917, authored the infamous Balfour Declaration addressed to Lord Rothschild informing him of the British governments sympathies with Jewish Zionist aspirations vis a vis Palestine. Balfour became president of The Society for Psychical Research in 1893. His term as president was sandwiched between two periods as vice-president - from 1882 to 1892, and from 1895 to 1930. The objectives of The Society for Psychical Research were as follows:

1. An examination of the nature and extent of any influence that may be exerted by one mind upon another, apart from any generally recognized mode of perception.
2. The study of hypnotism and the forms of so-called mesmeric trance, with its alleged insensibility to pain; clairvoyance and other allied phenomena.
3. A critical revision of Reichenbach's research with certain organizations called sensitive and an inquiry whether such organizations possess any power of perception beyond a highly exalted sensibility of the recognized sensory organs.
4. A careful investigation of any reports, resting on strong testimony regarding apparitions at the moment of death, or otherwise, or regarding disturbances in houses reputed to be haunted.
5. An inquiry into the various physical phenomena commonly called spiritualistic; with an attempt to discover their causes and general laws.
6. The collection and collation of existing materials bearing on the history of these subjects.

The early activity of this society was devoted to an experimental investigation of 'thought transference'. The society concluded to their entire satisfaction that such a phenomenon was a matter-of-fact. Equally important to this particular discovery was the discovery by the authors of Phantasms of the Living, that between death and apparitions, there exists a connection that is not attributable to chance alone.

A report of The Committee on the Census of Hallucinations drew precisely the same conclusion. That hypnotism came to be officially received by the British Medical Association is largely attributable to the research conducted by The Society for Psychical Research. Hysteria, haunted houses, Reichenbach's phenomena, the divining rod, multiple personality,

automatic writing, and trance-speaking were further fields of study where further research was later undertaken. (Source)

Weizmann

In 1906, a meeting took place in Manchester between Chaim Weizmann (left) and Lord Balfour. Balfour, who was much-impressed by Weizman's personality, enquired of him why Palestine, and Palestine alone, should be the basis for Zionism. "Anything else would be idolatry", Weizmann protested, adding, "Mr. Balfour, supposing I were to offer you Paris instead of London, would you take it?" "But Dr. Weizmann", Balfour retorted, "we have London", to which Weizman rejoined, "that is true, but we had Jerusalem when London was a marsh."

Besides both men being 'Knights of the Garter', Balfour had something else in common with Charles Cornwallis. Between 1887 and 1891, Balfour was the Chief Secretary for Ireland. Under his governorship, the extremely harsh Perpetual Crimes Act (1887) - otherwise known as The Coercion Act was introduced. This draconian legislation was authored by Balfour with the aim of preventing boycotting, intimidation, and unlawful assembly in Ireland during what became known as the "Irish Land War".

Far from being a "war", the 1870's through the 1880's and 1890's was a period of agrarian dissatisfaction by farmers in rural Ireland, who became agitated in respect of their ever-increasing tax burden and exploitation by the land-owning class, most of whom were British aristocrats who had rarely even set foot on Irish soil let alone having actually ploughed it.

The revolt against British colonial rule was led in-chief by the Irish National Land League who actively sought to improve the position of tenant farmers and ultimately, a fair redistribution of land to tenants from landlords - especially those absentee landlords who lived in palatial luxury at the Irish farmers' expense.

Balfour was also renowned for his strident opposition to any efforts made by the Irish Parliamentary Party regarding Home Rule, or self-rule. In 1925, Balfour agreed to be a guest of honour at the opening of the Hebrew University of Jerusalem. Whilst in the region, Balfour visited Palestine where he was greeted enthusiastically by the Jewish population. Sensing the imminent death of their homeland, the Palestinians welcomed him with black flags. Balfour was impressed by the flourishing Jewish settlements. He viewed these settlements as being demonstrative of the strength and vigour of the growing 'Jewish homeland'. In 1928, Balfour's anthology of speeches on Zionism was translated into Hebrew.

The Great Palestinian Land-Grab

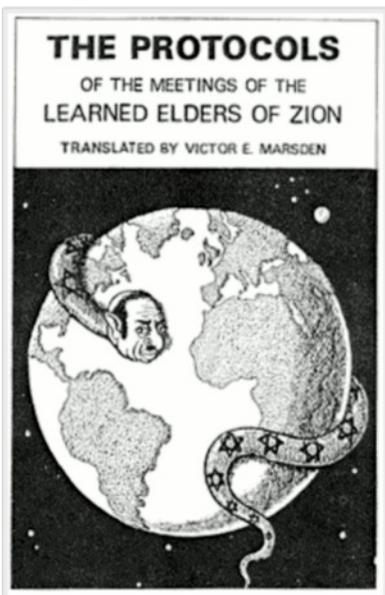

Interest in the Zionist movement was to remain a tradition within the Balfour family. Balfour's nephew, Robert Arthur Lytton, 3rd Earl of Balfour, supported Youth Aliyah. In 1939, Balfour offered his family property and his house as the centre for the education of Jewish refugee children from Germany. Balfour's niece, Blanche Dugdale, worked in the political department of the London office of the Jewish Agency, alongside Chaim Weizmann.

Balfour was much like Cornwallis. He too was nothing more than a common thief, an oppressor and a dictator. In acknowledgement of the service which Balfour had rendered unto the Crown, he was rewarded with the grand appointment to be inducted (initiated) into the 'The Most Noble Order of the Garter'. Indeed, when one actually researches this "most noble" order, one discovers that its' membership comprises of upper-crust criminals who are/have been actively engaged in genocide, theft, and usury or endorsement thereof. Should anyone be under the delusion that the supposed 'Christian' Monarch of Britain is actually acting on 'our best behalf', they are then required to answer this one simple

question: since usury is strictly forbidden by all the major faiths including Christianity, Judaism and the Muslim religions; as is stated in all of their respective writings; then how come we the people, the supposed "subjects" of the British Crown along with the Americans (the unwitting "subjects" of that same Crown) are subject to the usury as practiced by the Bank of England and the Federal Reserve?

The Protocols of The Learned Elders of Zion

With regard to the Protocols of the Learned Elders of Zion, the charge that they are a "forgery" begs the question: "forged from what?" If the protocols were forged, it would then stand to reason that the "forgery" must have been based upon an original text. The question then becomes one of who wrote that original text rather than one of whether or not the original text exists. The Protocols of the Learned Elders of Zion however, are no forgery. If one removes one's rose-tinted glasses and takes a long, hard look at the world as it is today, one cannot fail to see the stunning accuracy with which the protocols describe the world in which we currently live. If the Protocols of the Learned Elders of Zion are a "forgery", then the author was quite evidently blessed with not only quite extraordinary powers of "forgery", but of clairvoyancy too.

Protocols of The Meeting of The Zionist Men of Wisdom

It is an established fact that the Rothschild agent, Colonel Edward Mandell House, Huis being his birth name but subsequently changed so to obscure the fact that he was Jewish, had a copy of the protocols titled Protocols of the Meeting of the Zionist Men of Wisdom (mp3) - a copy that was/is completely different from all the other copies we know of that are available today. House had a copy of the original document. It is also an established fact that despite never having been elected to any official

position within the U.S. government, House nonetheless exercised complete control over presidents Theodore Roosevelt and Woodrow Wilson. Put simply, nobody communicated with either of these two presidents without first having gone through Colonel Edward Mandell House.

George Washington's Surrender: The Confession Of General Cornwallis To General Washington At Yorktown Has Been Well Hidden By Historians After the Revolution of 1905, the Czar had prudently prepared for further outbreaks by transferring some \$400 million in cash to the New York banks, Chase, National City, Guaranty Trust, J. P. Morgan Co., and Hanover Trust. In 1914, these same banks bought the controlling number of shares in the newly organized Federal Reserve Bank of New York, paying for the stock with the Czar's sequestered funds. In November 1917, Red Guards drove a truck to the Imperial Bank and removed the Romanoff gold and jewels. The gold was later shipped directly to Kuhn, Loeb Co. in New York.-- *Curse of Canaan*

Did The Legions of Satan Ever Exist?

Well, in reference to Brian Noe's review of February 2009, I can tell you that the ONLY quote (hereafter referred to as the "Cornwallis Passage" in this review) I have been able to find from this "book" is the one he supplies in his review. You can search, search, and search for this book until you die and that's the only reference to it's existence.

There was one other reference I found that did not quote that passage, and it was regarding the existence of the book. I was one of those old forum entries, you know the type that exist forever on the Internet. You can find forums that go back to the 1990's, and this one was old, but I don't remember what date. Anyway, it was between two scholarly types. Person A was a librarian and wanted to find if there was a copy available for a library patron. Person B was a university type who knew his way around databases and could not find a copy. Person B further consulted colleagues and did some calls to no avail. Their discussion was inconclusive but they believed that the book probably did not exist.

So Here Are Three Challenges For The True Believers:

CHALLENGE 1 regards the Cornwallis Passage, the only apparent evidence of Legions of Satan. **CHALLENGE:** Someone find the earliest known reference to the Cornwallis Passage. Anyone can make up a quote and a book title (I did it myself for a book report in 12th grade American Government back in 1987-1988), and anyone can copy and paste without proper citations. Who can trace the sources back to the primary source?

CHALLENGE 2 regards whether Legions of Satan consists of anything beyond the Cornwallis Passage. **CHALLENGE:** Someone find another quote from Legions of Satan **THAT PREDATES THIS REVIEW** dated May 19, 2009. In fact, the earlier the better. There must be other good stuff if it indeed is a whole book. You will add credibility if you can explain the general topic covered by this book, i.e. is it mostly religious, political, historical, etc.

CHALLENGE 3 would prove the existence of the book. **CHALLENGE:** Someone who owns a copy of the book can anonymously (or through a trusted agent) take it to a librarian, a notary public, etc., for a disinterested 3rd party to confirm the existence of the book. Okay, if you are paranoid, then use the anonymity of the Internet to post a video of someone holding and flipping through the book, or at least a photocopy of the title page submitted to Amazon. Amazon is known not to supply 1099 forms to its sellers and I would say that they probably will not tell anyone who submitted photos for this product detail page. This challenge requires a 1st edition of 1781, or at least some copy dated before 1850. Please no Photo-shopped images. I have books from the 18th century and I could photograph just the cover and say that I can't reveal what's inside because someone will seize the book. Please don't do that.

So other than the oft-copied-and-pasted Cornwallis Passage, and a local bookseller saying that it does exist (she says a lot of things to make you think she knows more about books than you do), and aside from the rumours of men-in-black seizures (they must have traced the RFID tag issued with the book when new in 1781!), someone PLEASE offer some real evidence for this “legendary” “book” that seems only to exist in a [couple paragraphs](#).

The Truth About The British Surrender At Yorktown

Today, it would be hard to find a history book that would relate the following story. When Lord Cornwallis surrender his sword to George Washington, after his defeat by the American army, he was too cowardly to bring it himself.

Instead he sent the sword by a servant, who also had a message for George Washington. Jonathan Williams recorded in his book ‘Legions of Satan’, (1781) that the messenger made the following statement.

“A holy war will now begin on America and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown. . . . “Your churches will be used to teach the Jew’s religion and in less than two hundred years the

whole nation will be working for Divine World Government. That government that they believe to be divine will be the British Empire.

All religion will be permeated with Judaism without even being noticed by the masses and they will all be under the invisible All-seeing Eye of the Grand Architect of Freemasonry.”

Well, George Washington, was a third degree Mason but he dropped out of it completely for some strange reason.

This book can no longer be found—did it exist?—if it did—and its correct its astounding as it was written in 1781—and I quote again:

A holy war will now begin on America and when it is ended America will be supposedly the citadel of freedom, but her millions will unknowingly be loyal subjects to the Crown.—“Your churches will be used to teach the Jew’s religion and in less than two hundred years the whole nation will be working for Divine World Government. That government that they believe to be divine will be the British Empire.

All religion will be permeated with Judaism without even being noticed by the masses and they will all be under the invisible All-seeing Eye of the Grand Architect of Freemasonry.”
