Permit me to issue and control the money of a nation, and I care not who makes its laws."

The History of the House of Rothschild

By

**Anonymous Andy and Daryl Bradford Smith, updated Feb
2006**

Definition of Zionism: *an organization of Jews whose goal is to create a nation for Jews.*

Definition of Judaism: *Jews collectively who practice a religion based on the Torah and the Talmud.*

The Rothschilds have been in control of the world for a very long time, and I produce my evidence for this below in a timeline.

The Rothschilds have, with their founding of Zionism, betrayed the principles of the Torah and as you will see in this timeline, the people who have suffered the most at the hands of these Zionists are the Jews.

I name individual Rothschilds where I can, but due to the secrecy which they shroud themselves in, naming the exact Rothschild is not always possible.

They are known to have intermarried into the following elite bloodlines: the Astor's; the Bundy's; the Collins'; the duPont's; the Freeman's; the Kennedy's; the Morgan's; the Oppenheimers; the Rockefeller's; the Sassoon's; the Schiff's; the Taft's; and the Van Duyn's.

Any marriage between the Rothschilds and other known elite bloodlines is merely a business deal and they are really just one big happy family. They also sire many children secretly that they can put into positions of power when required. I also wish to point out that this article is not criticising everyone with the name Rothschild, simply the criminal element of that group that have carried out the treachery I detail below.

Furthermore as stated above, a large proportion of this criminal element no longer carry the name Rothschild and there is a great deal of evidence pointing to the fact that those people currently in control of the United States, British and Israeli governments are in fact Rothschilds.

1743: Mayer Amschel Bauer, born Frankfurt, Germany, the son of Moses Amschel Bauer, a money lender and the proprietor of a counting house. Over the entrance door he places a red sign. This sign is a red hexagram (which geometrically and numerically translates into the number 666) which under Rothschild instruction will end up on the Israeli flag some two centuries later.

1753: Gutle Schnapper (future wife of Mayer Amschel Bauer) born to respected merchant, Wolf Salomon Schnapper.

1760: During this decade Mayer Amschel Bauer works for a bank owned by the oppenheimers' in Hanover, Germany, he is highly successful and becomes a junior partner. Whilst working at the bank he becomes acquainted with General von Estorff.

Following his father's death, Bauer returns to Frankfurt to take over his father's business. Bauer recognises the significance of the red hexagram and changes his name from Bauer to Rothschild,

after the red hexagram or sign signifying 666 hanging over the entrance door (“Rot,” is German for, “Red,” “Schild,” is German for, “Sign”).

Now Mayer Amschel Rothschild, he discovers that General von Estorff is now attached to the court of Prince William IX of Hesse-Hanau, one of the richest royal houses in Europe, which gained its’ wealth by the hiring out of Hessian soldiers to foreign countries for vast profits (A practice that continues today in the form of exporting, “peacekeeping,” troops throughout the world).

He therefore makes the General’s re-acquaintance on the pretext of selling him valuable coins and trinkets at discounted prices. As he plans, Rothschild is subsequently introduced to Prince William himself who is more than pleased with discounted prices he charges for his rare coins and trinkets, and Rothschild offers him a bonus for any other business the Prince can direct his way.

Rothschild subsequently becomes close associates with Prince William, and ends up doing business with him and members of the court.

1769: Mayer Amschel Rothschild is given permission by Prince William to hang a sign on the front of his business premises declaring that he is, “M. A. Rothschild, by appointment court factor to his serene highness, Prince William of Hanau.”

1770: Mayer Amschel Rothschild marries Gutle Schnapper.

1773: Amschel Mayer Rothschild born, the first of Mayer amschel Rothschild’s sons. He like all his brothers who follow him, will enter the family business at the age of 12.

1774: Salomon Mayer Rothschild born.

1776: Mayer Amschel Rothschild draws up plans for the creation of the Illuminati and entrusts Adam Weishaupt with its organization and development.

Weishaupt soon infiltrates the Continental Order of Freemasons with this Illuminati doctrine, which it is claimed is nothing less than a new order for the human race under the domination of Lucifer and his followers.

This concept spreads and is followed within Masonic Lodges worldwide to the present day.

1777: Nathan Mayer Rothschild born.

1788: Kalmann (Carl) Mayer Rothschild Born.

1791: The Rothschilds through Alexander Hamilton (their agent in George washington’s cabinet) set up a central bank in the USA called the Bank of the United States. This is established with a 20 year charter.

1792: Jacob (James) Mayer Rothschild born.

1796: Amschel Mayer Rothschild marries Eva Hanau.

1798: Nathan Mayer Rothschild leaves Frankfurt for England, where with a large sum of money given to him by his father, he sets up a banking house in London.

1800: Salomon Mayer Rothschild marries Caroline Stern.

1806: Napoleon states that it is his, “object to remove the house of Hess-Cassel from rulership and to strike it out of the list of powers.” On hearing this, Prince William IX of Hesse-Hanau, flees Germany, goes to Denmark and entrusts his fortune valued at \$3,000,000 at that time to Mayer Amschel Rothschild for safekeeping.

Nathan Mayer Rothschild marries Hannah Barent Cohen the daughter of a wealthy London merchant.

1808: Nathan Mayer Rothschild has his first son born Lionel Nathan de Rothschild.

1810: Sir Francis Baring and Abraham Goldsmid die. This leaves Nathan Mayer Rothschild as the remaining major banker in England.

Salomon Mayer Rothschild goes to Vienna, Austria and sets up the bank, M. von Rothschild und Söhne.

1811: The charter for the Rothschilds Bank of the United States runs out and Congress votes against its renewal. At the time Andrew Jackson (who would become the 7th President of the United States from 1829 to 1837) says, “If Congress has a right under the Constitution to issue paper money, it was given them to use by themselves, not to be delegated to individuals or corporations.”

Nathan Mayer Rothschild is not amused and he stated, “Either the application for renewal of the charter is granted, or the United States will find itself involved in a most disastrous war.”

Andrew Jackson’s response to this is to say, “You are a den of thieves vipers, and I intend to rout you out, and by the Eternal God, I will rout you out.” Nathan Mayer Rothschild’s reply to that being,

“Teach those impudent Americans a lesson. Bring them back to colonial status.”

1812: Backed by Rothschild money, the British declare war on the United States. The Rothschilds plan was to cause the United States to build up such a debt in fighting this war that they would have to surrender to the Rothschilds and allow the charter for the Rothschild owned Bank of the United States to be renewed.

Mayer Amschel Rothschild dies. In his will he lays out specific laws that the House of Rothschild were to follow: all key positions in the family business were only to be held by family members; only male members of the family were allowed to participate in the family business, this included a reported sixth secret bastard son (It is important to note that Mayer Amschel Rothschild also has five daughters, so today the spread of the Rothschild Zionist dynasty without the Rothschild name is far and wide, and the mixed offspring of a Jewish mother is Jewish); the family was to intermarry with it’s first and second cousins to preserve the family fortune (of the 18 marriages by Mayer Amschel Rothschild’s grandchildren, 16 were between first cousins); no public inventory of his estate was to be published; no legal action was to be taken with regard to the value of the inheritance; the eldest son of the eldest son was to become the head of the family (this condition could only be overturned when the majority of the family agreed otherwise).

This was straightaway the case and Nathan Mayer Rothschild was elected head of the family following his father, Mayer Amschel Rothschild’s death.

Jacob (James) Mayer Rothschild goes to Paris, France to set up the bank, de Rothschild Frères. Nathaniel de Rothschild, the son in law of Jacob (James) Mayer Rothschild, born.

1814: With regard to the \$3,000,000 Prince William IX of Hesse-Hanau had entrusted to Mayer Amschel Rothschild for safekeeping, for an account of what happened next we turn to the Jewish Encyclopaedia, 1905 edition, Volume 10, page 494, which states,

“According to legend this money was hidden away in wine casks, and, escaping the search of Napoleon's soldiers when they entered Frankfurt, was restored intact in the same casks in 1814, when the elector (Prince William IX of Hesse-Hanau) returned to the electorate (Germany). The facts are somewhat less romantic, and more businesslike.”

This last line indicates the money was never returned by Rothschild to Prince William IX of Hesse-Hanau. The encyclopaedia goes on to state,

“Nathan Mayer Rothschild invested this \$3,000,000 in, gold from the East India Company knowing that it would be needed for Wellington's peninsula campaign.”

On the stolen money Nathan made, “no less than four profits:

- i) On the sale of Wellington's paper which he bought at 50 cents on the dollar and collected at par;**
- ii) on the sale of gold to Wellington;**
- iii) on its repurchase; and**
- iv) on forwarding it to Portugal.”**

1815: The five Rothschild brothers work to supply gold to both Wellington's army (through Nathan in England) and Napoleon's army (through Jacob in France), and begin their policy of funding both sides in wars.

Due to the fact that these brothers had banks spread out across Europe this also gave them the opportunity to set up an unrivalled postal service network of secret routes and fast couriers, and the post they carried could be opened up by these couriers and their details given to the Rothschilds so they always were one step ahead of current events.

Furthermore, these Rothschild couriers were the only merchants allowed to pass through the English and French blockades. It was these couriers who also kept Nathan Mayer Rothschild up to date with how the war was going so he could use that intelligence to buy and sell from his position on the stock exchange in accordance with that intelligence.

At that time British bonds were called consuls and they were traded on the floor of the stock exchange. Nathan Mayer Rothschild instructed all his workers on the floor to start selling consuls. This made all the other traders believe that the British had lost the war so they started selling frantically.

Therefore the consuls plummeted in value which was when Nathan Mayer Rothschild discreetly instructed his workers to purchase all the consuls they could lay their hands on.

When news came through that the British had actually won the war, the consuls went up to a level even higher than before the war ended leaving Nathan Mayer Rothschild with a return of approximately 20 to 1 on his investment.

This gave the Rothschild family complete control of the British economy, now the financial centre of the world following Napoleon's defeat, and forced England to set up a new Bank of England, which Nathan Mayer Rothschild controlled. Nathan Mayer Rothschild would later state,

“I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply.”

The Rothschilds also use their control of the Bank of England to replace the method of shipping gold from country to country and instead used their five banks spread across Europe to set up a system of paper debits and credits, the banking system of today.

1816: The charter for the Bank of the United States is renewed for another twenty years with the Rothschilds in Control of the American money supply again. The British war against the America therefore ends with the deaths of thousands of British and American soldiers, but the Rothschilds get their bank.

1818: Following the French securing massive loans in 1817 in order to help rebuild after their disastrous defeat at Waterloo, Rothschild agents bought vast amounts of French government bonds causing their value to increase.

On November 5th they dumped the lot on the open market causing their value to plummet and France to go into a financial panic. The Rothschilds then stepped in to take control of the French money supply. This was the same year the Rothschilds were able to loan £5,000,000 to the Prussian government.

1821: Kalmann (Carl Mayer Rothschild was sent to Naples, Italy. He would end up doing a lot of business with the Vatican and Pope Gregory XVI subsequently conferred upon him the Order of St. George.

Also, whenever the Pope received Carl, he would give him his hand rather than the customary toe to kiss, which showed the extent of Carl's power over the Vatican.

1822: The emperor of Austria made the five Rothschild brothers Barons. Nathan Mayer Rothschild chose not to take up the title.

1823: The Rothschilds take over the financial operations of the Catholic Church, worldwide.

1827: Sir Walter Scott publishes his nine volume set, The life of Napoleon and in volume two he states that the French Revolution was planned by the Illuminati (Adam Weishaupt) and was financed by the money changers of Europe (The Rothschilds).

1835: President Andrew Jackson (the 7th President of the United States from 1829 to 1837) starts depositing federal funds into banks directed by democratic bankers rather than in the Rothschild controlled Bank of the United States.

An assassination attempt is made on President Jackson and he would later claim that he knew the Rothschilds were responsible for that attempted assassination.

The Rothschilds acquire the rights in the Almadén quicksilver mines in Spain. This was at the time the biggest concession in the world and as quicksilver was a vital component in the refining of gold or silver this gave the Rothschilds a virtual world monopoly.

1837: Following his years of fighting against the Rothschilds and their central bank in America, President Andrew Jackson finally succeeds in throwing the Rothschilds central bank out of America. It would not be until 1913 that the Rothschilds would be able to set up their third central bank in America, the Federal Reserve.

1836: Nathan Mayer Rothschild dies and the control of his bank, N. M. Rothschild & Sons is passed on to his younger brother, James Mayer Rothschild.

1838: Amschel Mayer Rothschild states,

“Permit me to issue and control the money of a nation, and I care not who makes its laws.”

1840: The Rothschilds become the Bank of England’s bullion brokers. They set up agencies in California and Australia.

1841: President John Tyler (the 10th President of the United States From 1841 to 1845) vetoed the act to renew the charter for the Bank of the United States. He goes on to receive hundreds of letters threatening him with assassination.

1844: Salomon Mayer Rothschild purchases the United Coal Mines of Vítkovice and Austro-Hungarian Blast Furnace Company that would go on to be one of the top ten global industrial concerns.

Benjamin Disraeli (who would go on to become British Prime Minister twice) publishes Coningsby, in which he characterises Nathan Mayer Rothschild as,

“the Lord and Master of the money markets of the world, and of course virtually Lord and Master of everything else. He literally held the revenues of Southern Italy in pawn, and Monarchs and Ministers of all countries courted his advice and were guided by his suggestions.”

1845: Andrew Jackson (The 7th President of the United States) dies. This Great Patriot leaves instructions in his will to have, “I Killed The Bank,” inscribed on his headstone, a reference to the fact he banished the Rothschilds second Central bank in the United States from the US in 1837.

Jacob (James) Mayer Rothschild (who by now had married his niece, Betty, Salomon Mayer Rothschild’s daughter), now known as Baron James de Rothschild, wins the contract to build the first major railway line across the country.

This was called the Chemin De Fer Du Nord and ran initially from Paris to Valenciennes and then joined with the Austrian rail network built by his brother (and wife’s father) Salomon Mayer Rothschild.

1847: Lionel De Rothschild now married to the daughter of his uncle, Kalmann (Carl) Mayer Rothschild, is elected to the parliamentary seat for the City of London.

A requirement for entering parliament was to take an oath in the true faith of a Christian. Lionel De Rothschild refused to do this as he was Jewish and his seat in parliament remained empty for 11 years until new oaths were allowed.

1848: Eva Hanau, Amschel Mayer Rothschild’s wife dies.

1849: Gutle Schnapper, Mayer Amschel Rothschild’s wife dies. Before her death she would state,

“If my sons did not want wars, there would be none.”

1850: Construction begins this decade on the manor houses of Mentmore in England and Ferrières in France, more Rothschilds Manors will follow throughout the world, all of them filled with works of art.

1852: N.M. Rothschild & Sons began refining gold and silver for the Royal Mint and the Bank of England and other international customers.

1853: Nathaniel de Rothschild, the son in law of Jacob (James) Mayer Rothschild, purchased Château Brane Mouton, the Bordeaux vineyard of Mouton, and renamed it Château Mouton Rothschild.

1854: Caroline Stern, Salomon Mayer Rothschild's wife, dies.

1855: Amschel Mayer Rothschild dies.

Salomon Mayer Rothschild dies.

Kalmann (Carl) Mayer Rothschild dies.

1858: Lionel De Rothschild finally takes his seat in parliament when the requirement to take an oath in the true faith of a Christian is broadened to include other oaths. He becomes the first Jewish member of the British parliament.

1861: President Abraham Lincoln (16th President of the United States from 1860 till his assassination in 1865) approaches the Rothschilds to try to obtain loans to support the ongoing American civil war.

The Rothschilds agree provided Lincoln allows them a Charter for another United States central bank and are prepared to pay 24% to 36% interest on all monies loaned.

Lincoln was very angry about this high level of interest and so he printed his own debt free money and informed the public that this was now legal tender for both public and private debts.

1862: By April \$449,338,902 worth of Lincoln's debt free money had been printed and distributed. He went on to state,

"We gave the people of this republic the greatest blessing they ever had, their own paper money to pay their own debts."

That same year The Times of London publishes a story containing the following statement,

"If that mischievous financial policy, which had its origin in the North American Republic, should become indurated down to a fixture, then that government will furnish its own money without cost. It will pay off debts and be without a debt. It will have all the money necessary to carry on its commerce.

It will become prosperous beyond precedent in the history of civilized governments of the world. The brains and the wealth of all countries will go to North America. That government must be destroyed or it will destroy every monarchy on the globe."

1863: The Rothschild banking house in Naples, Italy, C. M. de Rothschild e figli, closes following the unification of Italy. The Rothschilds use one of their agents in America, John D. Rockefeller to form an oil business called Standard Oil which eventually takes over all of its competition.

1864: President Abraham Lincoln discovers the Tsar of Russia, Alexander II (1855 – 1881), was having problems with the Rothschilds as well as he was refusing their continual attempts to set up a central bank in Russia.

President Lincoln asks the Tsar for help in the Civil War and the Tsar sent part of his fleet to anchor off New York and the other part off California.

The Tsar made it clear to the British, French and Spanish that if they attacked either side, Russia would take the side of President Lincoln. Lincoln subsequently won the Civil War.

1865: In a statement to Congress, President Abraham Lincoln states,

“I have two great enemies, the Southern Army in front of me, and the financial institution in the rear. Of the two, the one in my rear is my greatest foe.”

Later that year President Lincoln is assassinated.

Nathaniel de Rothschild becomes Member of Parliament for Aylesbury in Buckinghamshire.

1868: Jacob (James) Mayer Rothschild dies, shortly after purchasing Château Lafite, one of the four great premier grand cru estates of France. He is the last of Mayer Amschel Rothschild's sons to die.

1870: Nathaniel de Rothschild dies.

1873: The loss making Rio Tinto copper mines in Spain, are purchased by a group of foreign financiers including the Rothschilds. These mines represented Europe's largest source of copper.

1875: N M Rothschild & Sons undertake a share issue to raise capital for the first channel tunnel project to link France to England, with half of its capital coming from the Rothschild owned Compagnie du Chemin de Fer du Nord.

This year the Rothschilds also Provided Prime Minister Benjamin Disraeli the finance for the British government to acquire a major stake in the Suez Canal. This deal was done in great secrecy by Lionel De Rothschild.

1876: Otto von Bismarck states,

“The division of the United States into two federations of equal force was decided long before the civil war by the high financial power of Europe. These bankers were afraid that the United States, if they remained in one block and as one nation, would attain economical and financial independence, which would upset their financial domination over the world.

The voice of the Rothschilds predominated. They foresaw the tremendous booty if they could substitute two feeble democracies, indebted to the financiers, to the vigorous Republic, confident and self-providing.

Therefore they started their emissaries in order to exploit the question of slavery and thus dig an abyss between the two parts of the Republic.”

1879: Lionel de Rothschild dies.

1881: President James A. Garfield (The 20th President of the United States who lasted only 100 Days) states two weeks before he was assassinated,

“Whoever controls the volume of money in our country is absolute master of all industry and commerce...and when you realize that the entire system is very easily controlled, one way or another, by a few powerful men at the top, you will not have to be told how periods of inflation and depression originate.”

Edmond James de Rothschild has a son Maurice de Rothschild.

1883: After 6,000 feet of tunnel in the channel tunnel project being excavated, the British government halt the project citing the fact that it would be a threat to Britain's security.

1885: Nathaniel Rothschild, son of Lionel De Rothschild, becomes the first Jewish peer and is takes the title of Lord Rothschild.

1886: The French Rothschild bank, de Rothschild Frères obtains substantial amounts of Russia's oil fields and forms the Caspian and Black Sea Petroleum Company, which quickly becomes the world's second largest oil producer.

1887: The Rothschilds finance the amalgamation of the Kimberley diamond mines in South Africa. They subsequently become the biggest shareholders of this company, De Beers, and mine precious stones in Africa and India.

1888: Noémie Halphen, future wife of Maurice de Rothschild born.

1891: The British Labour Leader makes the following statement on the subject of the Rothschilds,

“This blood-sucking crew has been the cause of untold mischief and misery in Europe during the present century, and has piled up its prodigious wealth chiefly through fomenting wars between States which ought never to have quarrelled.

Whenever there is trouble in Europe, wherever rumours of war circulate and men's minds are distraught with fear of change and calamity you may be sure that a hook-nosed Rothschild is at his games somewhere near the region of the disturbance.”

Comments like this worry the Rothschilds and towards the end of the 1800's they purchase Reuters news agency so they can have some control of the media.

1895: Edmond James de Rothschild the youngest son of Jacob (James) Mayer Rothschild visits Palestine and subsequently supplies the funds to found the first Jewish colonies there, this is to further their long term objective of creating a Rothschild formed country.

1897: The Rothschilds found the Zionist Congress and arrange its first meeting in Munich. However due to local Jewish opposition this is re-arranged for Basle, Switzerland and takes place on 29 August. The meeting is chaired by Theodor Herzl, who would state in his diaries,

“It is essential that the sufferings of Jews....become worse....this will assist in realization of our plans....I have an excellent idea....I shall induce anti-Semites to liquidate Jewish wealth....The anti-Semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. The anti-Semites shall be our best friends.”

Herzl is subsequently elected President of the Zionist Organisation which adopts the, “Rothschild Red Hexagram or Sign,” as the Zionist flag which 51 years later will end up as the flag of Israel. Edward Henry Harriman becomes a director of the Union Pacific Railroad and goes on to take control of the Southern Pacific Railroad. This is all financed by the Rothschilds.

1898: Ferdinand de Rothschild dies.

1901: The Jews from the colonies set up in Palestine by Edmond James de Rothschild, send a delegation to him which tell him,

“If you wish to save the Yishuv (The Jewish settlement) first take your hands from it, and...for once permit the colonists to have the possibility of correcting for themselves what needs correcting.”

Edmond James de Rothschild is very angry about this and states,

“I created the Yishuv, I alone. Therefore no men, neither colonists nor organisations have the right to interfere in my plans.”

The Rothschild banking house in Frankfurt, Germany, M. A. von Rothschild und Söhne, closes as there is no male Rothschild heir to take it on.

1902: Philippe de Rothschild born.

1905: The Jewish Encyclopaedia (Vol. 2, p.497) states,

“It is a somewhat curious sequel to the attempt to set up a Catholic competitor to the Rothschilds that at the present time the latter are the guardians of the papal treasure.”

1906: The Rothschilds claim that due to growing instability in the region and increasing competition from Rockefeller (the Rockefeller family are Rothschild descendants through a female bloodline) owned Standard Oil, this is why they sell their Caspian and Black Sea Petroleum Company to Royal Dutch and Shell. This is another example of the Rothschilds trying to hide their true wealth.

1907: Rothschild, Jacob Schiff, the head of Kuhn, Loeb and Co., in a speech to the New York Chamber of Commerce, warns that,

“Unless we have a Central Bank with adequate control of credit resources, this country is going to undergo the most severe and far reaching money panic in its history.”

Suddenly America finds itself in the middle of another typical run of the mill Rothschild engineered financial crisis, which ruins as usual ruins the lives of innocent people throughout America and makes billions for the Rothschilds.

1909: Maurice de Rothschild marries Noémie Halphen.

1911: John F. Hylan, then mayor of New York, states,

“The real menace of our republic is the invisible government which, like a giant octopus, sprawls its slimy length over our city, state and nation. At the head is a small group of banking houses, generally referred to as international bankers.”

Werner Sombart, in his book *The Jews and Modern Capitalism*, stated that from 1820 on, it was the, “Age of the Rothschild,” and concluded that there was, “Only one power in Europe, and that is Rothschild.”

1912: In the December issue of, “Truth,” magazine, George R. Conroy states of banker Jacob Schiff,

“Mr Schiff is head of the great private banking house of Kuhn, Loeb, and co, which represents the Rothschilds interests on this side of the Atlantic.

He has been described as financial strategist and has been for years the financial minister of the great impersonal power known as Standard Oil.

He was hand in glove with the Harrimans, the Goulds, and the Rockefellers in all their railroad enterprises and has become the dominant power in the railroad and financial power of America.”

1913: The Rothschilds set up the Anti Defamation League (ADL) in the United States designed to brand as, “anti-Semitic,” anyone who questions or challenges the Global Elite.

Strangely enough, the same year that they do this they also set up their last and current central bank in America, the Federal Reserve. Congressman Charles Lindbergh stated following the passing of the Federal Reserve Act on December 23,

“The Act establishes the most gigantic trust on earth. When the President signs this Bill, the invisible government of the monetary power will be legalized.....The greatest crime of the ages is perpetrated by this banking and currency bill.”

It is important to note that the Federal Reserve is a private company, it is neither Federal nor does it have any Reserve. It is conservatively estimated that profits exceed \$150 billion per year and the Federal Reserve has never once in its history published accounts.

1914: The Rothschilds have control of the three European news agencies, Wolff (est. 1849) in Germany, Reuters (est. 1851) in England, and Havas (est. 1835) in France.

The Rothschilds use Wolff to manipulate the German people into a fervour for war. From now on the Rothschilds are rarely reported in the media, because they own the media.

1917: The Rothschilds order the execution by the Bolsheviks they control, of Tsar Nicholas II and his entire family in Russia. This is the Rothschilds revenge for Tsar Alexander II siding with President Abraham Lincoln in 1864.

It is extremely important for them to slaughter the entire family including women and children in order to show the world, this is what happens if you ever attempt to cross the Rothschilds.

1919: Following the end of the First World War, the Versailles peace conference is held to decide reparations that the Germans need to pay to the victors.

Also decided at this conference is the confirmation of Israel as a Jewish homeland, with the control of Palestine being given to Britain (Britain rules Palestine, and the Rothschilds rule Britain) whilst this handover takes place.

At that time less than one percent of the population of Palestine was Jewish. The host of this conference is its boss, Baron Edmond de Rothschild.

On March 29th The Times of London reports on the Bolsheviks in Russia,

“One of the curious features of the Bolshevist movement is the high percentage of non Russian elements among its leaders. Of the twenty or thirty commissaries, or leaders, who provide the central machinery of the Bolshevist movement, not less than 75% were Jews.”

It is reported that the Rothschilds were angry with the Russians because they were not prepared to allow them to form a central bank within their nation.

They therefore gathered groups of Jewish spies and sent them into Russia to drum up a revolution for the benefit of the common man, which was actually a takeover of Russia by a Rothschild controlled satanic elite.

These Jewish spies were given Russian names, for example Trotsky was a member of the first group and his original name was Bronstein. These groups were sent to areas throughout Russia to incite riots and rebellion.

The Jewish Post International Edition, week ending January 24th 1991, confirms Vladimir Lenin was Jewish. Lenin is also on record as having stated,

“The establishment of a central bank is 90% of communizing a nation.”

These Jewish, Rothschild funded Bolsheviks would go on in the course of history to slaughter 60 million Christians and Non-Jews in Soviet controlled territory. Indeed the author Aleksandr Solzhenitsyn in his work, “Gulag Archipelago, Vol 2,” affirms that Zionist Jews **created and administered the organized Soviet concentration camp system** in which these tens of millions of Christians and Non-Jews died.

On page 79 of this book he even names the administrators of this the greatest killing machine in the history of the world. They are Aron Solts, Yakov Rappoport, Lazar Kogan, Matvei Berman, Genrikh Yagoda, and Naftaly Frenkel. All six are Zionist Jews. In 1970 Solzhenitsyn would be awarded the Nobel Peace Prize for literature.

N. M. Rothschild & Sons’ are given a permanent role to fix the world’s daily gold price. This takes place in the City of London offices, daily at 1100 hours, in the same room until 2004.

1920: Winston Churchill (whose mother, Jenny (Jacobson) Jerome, was Jewish – meaning he is Jewish as he was born of a Jewish mother) writes in an article in the Illustrated Sunday Herald, dated February 8th,

“From the days of Illuminati leader Weishaupt, to those of Karl Marx, to those of Trotsky, this worldwide conspiracy has been steadily growing.

And now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America, have gripped the Russian people by the hair of their heads and become the undisputed masters of that enormous empire.”

1926: N. M. Rothschild & Sons refinance the Underground Electric Railways Company of London Ltd which has a controlling interest in the entire London Underground transport system. Maurice de Rothschild has a son, Edmond de Rothschild.

1933: Rothschild controlled IBM supply machines to the Nazis which produce punch cards to help organize and manage the initial identification and social expulsion of Jews, the confiscation of their property and their extermination.

On August 7, in the New York Times, Samuel Untermyer states the following,

“Revolting as it is, it would be an interesting study in psychology to analyze the motives, other than fear and cowardice, that have prompted Jewish bankers to lend money to Germany as they are now doing.

It is in part their money that is being used by the Hitler regime in its reckless, wicked campaign of propaganda to make the world anti-Semitic; with that money they have invaded Great Britain, the United States and other countries where they have established newspapers, subsidized agents and otherwise are spending untold millions in spreading their infamous creed.”

Interestingly Untermyer was a Zionist credited with helping bring the USA into World War 2.

1934: Swiss banking secrecy laws are reformed and it becomes an offence resulting in imprisonment for any bank employee to violate bank secrecy. This is all in preparation for the Rothschild engineered Second World War in which as usual they will fund both sides.

Edmond de Rothschild dies.

1938: The Rothschilds Austrian banking house in Vienna, S. M. von Rothschild und Söhne, closes following the Nazi occupation of Austria.

1939: I.G. Farben the leading producer of chemicals in the world and largest German producer of steel dramatically increases its production. This increased production is almost exclusively used to arm Germany for the Second World War.

This company was controlled by the Rothschilds and would go on to use Jews and other disaffected peoples as slave labour in the concentration camps. I.G. Farben also created the lethal Zyklon B gas that was used to exterminate the Jews.

1940: Hansjurgen Koehler in his book, "inside The Gestapo," states the following, of Maria Anna Schicklgruber, Adolf Hitler's grandmother,

"A little servant girl.....came to Vienna and became a domestic servant.....at the Rothschild mansion.....and Hitler's unknown grandfather must be probably looked for in this magnificent house."

This is backed up by Walter Langer in his book, "The Mind Of Hitler," in which he states,

"Adolf's father, Alois Hitler, was the illegitimate son of Maria Anna Schicklgruber.....Maria Anna Schicklgruber was living in Vienna at the time she conceived. At that time she was employed as a servant in the home of Baron Rothschild. As soon as the family discovered her pregnancy she was sent back home.....where Alois was born."

1942: Prescott Bush, father of future American Presidents' George Herbert Walker and George W, has his company seized under the, "Trading With The Enemy," Act. He was funding Hitler from America, whilst American soldiers were being killed by German soldiers.

Jews are also being slaughtered by these same soldiers. Interestingly the ADL never criticizes any of the Bushes for this.

1943: February 18th, Zionist, Izaak Greenbaum, head of the Jewish Agency Rescue Committee, in a speech to the Zionist Executive Council states,

"If I am asked, could you give from the UJA (United Jewish Appeal) monies to rescue Jews, I say, no and I say again no!"

He would go onto state,

"One cow in Palestine is worth more than all the Jews in Poland!"

This is not a surprise, the whole idea of Zionist support for the slaughter of innocent Jews was to scare the survivors into believing that their only place of safety was Israel.

How else do you think the Zionists could ensure Jews leave the beautiful European cities in which they live, in order to settle in a desert!

1945: The end of the Second World War. It is reported that I.G. Farben plants were specifically not targeted in the bombing raids on Germany. Interestingly at the end of the war, they were found to have only sustained 15% damage.

The tribunals held at the end of the Second World War, to investigate Nazi War Crimes, censored any materials recording Western assistance to Hitler.

1947: Information collected by the ADL in its spy operations on US citizens is used by the House Select Committee on Unamerican Activities. Subcommittee Chair Clare Hoffman dismisses the ADL's reports on suspected communists as "hearsay."

1948: In the Spring of this year, the Rothschilds bribe President Harry S. Truman (33rd President of the United States 1945 – 1953) to recognise Israel (Rothschild owned Zionist not Jewish territory) as a sovereign state with \$2,000,000 which they give to him on his campaign train.

They then declare Israel to be a sovereign Jewish state in Palestine and within half an hour President Truman declared the United States to be the first foreign nation to recognise it.

The Flag of Israel is unveiled. Despite tremendous opposition the emblem on the flag is a blue coloured version of the Rothschild, "Red Hexagram or Sign."

This angers many Jews who realise this Hexagram was used in the ancient mystery religions as the symbol of, "Moloch" (described as a demon of unwilling sacrifice and is also interestingly the name of the stone owl the elite worship at Bohemian Grove), and Astaroth (described as the Lord Treasurer of Hell).

The Hexagram was also used to represent Saturn, which has been identified as the esoteric name for, "Satan." This indicates that anyone killed in the name of Israel is actually a sacrifice to Satan. These dissenting Jews believe the, "Menorah," the oldest Jewish symbol should be used and pointed out that the Hexagram is not even a Jewish symbol, but of course as the Rothschild Zionists use it that is what ends up on the Rothschild, I mean Zionist, I mean Israeli flag.

David Ben-Gurion, one of the father founders of Israel and its first Prime Minister, describes Zionist aims in his diary (21 May 1948) as follows,

"The Achilles heel of the Arab coalition is the Lebanon. Muslim supremacy in this country is artificial and can easily be overthrown. A Christian State ought to be set up there, with its southern frontier on the river Litani.

We would sign a treaty of alliance with this State. Thus when we have broken the strength of the Arab Legion and bombed Amman, we could wipe out Trans-Jordan, after that Syria would fall. And if Egypt still dared to make war on us, we would bomb Port Said, Alexandria and Cairo.

We should thus end the war and would have but paid to Egypt, Assyria and Chaldea on behalf of our ancestors."

1950: John Davitt, former chief of the Justice Department's internal security section notes that the Israeli intelligence service is the second most active in the United States after the Soviets.

1951: On 1 April the Israeli Secret Intelligence Agency the Mossad, which will go on to terrorize the world, is formed. The very peace loving motto of the Mossad is,

"By Way Of Deception, Thou Shalt Do War."

1953: N. M. Rothschild & Sons found the British Newfoundland Corporation Limited to develop 60,000 square miles of land in Newfoundland, Canada, which comprised a power station to

harness the power of the Hamilton (later renamed Churchill) Falls. At the time this was the largest construction project ever to be undertaken by a private company.

1954: “The Lavon Affair”. Israeli agents recruit Egyptian citizens of Jewish descent to bomb Western targets in Egypt, and plant evidence to frame Arabs, in an apparent attempt to upset US-Egyptian relations. Israeli defence minister Pinchas Lavon is eventually removed from office, though many think real responsibility lay with David Ben-Gurion.

A hidden microphone planted by the Israelis is discovered in the Office of the US Ambassador in Tel Aviv.

1955: Edmond de Rothschild founds Compagnie Financiere, Paris.

1956: Telephone taps are found connected to two telephones in the residence of the US military attaché in Tel Aviv.

1957: James de Rothschild dies and it is reported (by the Rothschild owned media) that he bequeaths a large sum of money to the state of Israel to pay for the construction of their parliament building, the Knesset. He states that the Knesset should be, “a symbol, in the eyes of all men, of the permanence of the State of Israel.”

According to L.G. Pine, the Editor of Burke’s Peerage , Jews, “have made themselves so closely connected with the British peerage that the two classes are unlikely to suffer loss which is not mutual. So closely linked are the Jews and the lords that a blow against the Jews in this country would not be possible without injuring the aristocracy also.” (see Tales of the British Aristocracy, pg 219)

Maurice de Rothschild dies in Paris.

1962: de Rothschild Frères establishes Imétal as an umbrella company for all their mineral mining interests.

Frederic Morton publishes his book, The Rothschilds, in which he states,

“Though they control scores of industrial, commercial, mining and tourist corporations, not one bears the name Rothschild. Being private partnerships, the family houses never need to, and never do, publish a single public balance sheet, or any other report of their financial condition.” This attitude reveals the true aim of the Rothschilds, to eliminate all competition and create their own worldwide monopoly.

1963: On June 4th President John F. Kennedy (the 35th President of the United States 1961 – 1963) signs Executive Order 11110 which returned to the U.S. government the power to issue currency, without going through the Rothschilds owned Federal Reserve.

Less than 6 months later on November 22nd , president Kennedy is assassinated by the Rothschilds for the same reason as they assassinated President Abraham Lincoln in 1865, he wanted to print American money for the American people, as oppose to for the benefit of a money grabbing war mongering foreign elite.

This Executive Order 11110, is rescinded by President Lyndon Baines Johnson (the 36th President of the United States 1963 to 1969) on Air Force One from Dallas to Washington, the same day as President Kennedy was assassinated.

Edmond de Rothschild establishes La Compagnie Financière Edmond de Rothschild (LCF), in Switzerland as a venture capital house. This later develops into an investment bank and asset

management company with many affiliates. He also marries his wife Nadine and they have a son, Benjamin de Rothschild.

1965: Israel illegally obtains enriched uranium from NUMEC (Nuclear Materials and Equipment Corporation) Corporation.

1967: On June 9th The State of Israel illegally occupies the Golan Heights which it seizes from Syria. This area goes on to provide Israel with one third of its fresh water.

Israeli General Matityahu Peled, is quoted in Ha'aretz (19 March 1972) with the following statement,

“The thesis that the danger of genocide was hanging over us in June 1967 and that Israel was fighting for its physical existence is only bluff, which was born and developed after the war.” He may as well just quote the very peace loving motto of the Mossad, “By Way Of Deception, Thou Shalt Do War.”

de Rothschild Frères is renamed Banque Rothschild.

1968: Noémie Halphen, wife of Maurice de Rothschild dies.

1970: While working for Senator Henry “Scoop” Jackson, Richard Perle is caught by the FBI giving classified information to Israel. Nothing is done.

British Prime Minister Edward Heath makes Lord Victor Rothschild the head of his policy unit. Whilst he is in that role Britain enters the European Community.

1973: In his book, None Dare Call It Conspiracy, Gary Allen states,

“One major reason for the historical blackout on the role of the international bankers in political history is the Rothschilds were Jewish...”

....The Jewish members of the conspiracy have used an organisation called The Anti-Defamation League (ADL) as an instrument to try and convince everyone that any mention of the Rothschilds and their allies is an attack on all Jews.

In this way they have stifled almost all honest scholarship on international bankers and made the subject taboo within universities.

Any individual or book exploring this subject is immediately attacked by hundreds of ADL communities all over the country. The ADL has never let the truth or logic interfere with its highly professional smear jobs...

....Actually, nobody has a right to be more angry at the Rothschild clique than their fellow Jews...

....The Rothschild empire helped finance Adolf Hitler.”

George J. Laurer an employee of the Rothschilds controlled IBM, invents the UPC (Universal Product Code) barcode which will eventually be placed upon every item traded worldwide and bear the mark of the beast, 666. The Book of Revelation states, “no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”

The whole Satanic aims of the Rothschilds are now in full view of the world, everything bought or sold carries the mark of the beast, 666.

N. M. Rothschild & Sons British Newfoundland Corporation, Churchill Falls project in Newfoundland, Canada, is completed. N. M. Rothschild & Sons also create a new asset management part of the company which traded worldwide. This eventually became, Rothschild Private Management Limited.

Edmond de Rothschild, a great-grandson of Jacob (James) Mayer Rothschild, bought the cru bourgeois estate of Château Clarke in Bordeaux.

1978: Stephen Bryen, then a Senate Foreign Relations Committee staffer, is overheard in a Washington D.C. hotel offering confidential documents to top Israeli military officials.

Bryen obtains a lawyer, Nathan Lewin, and the case heads for the grand jury, but is mysteriously dropped. Bryen later goes to work for Richard Perle.

1979: The Egyptian-Israeli peace treaty in 1979 was underwritten by United States aid which pledged \$3 billion annually to Israel from the United States taxpayer (not even a drop in the ocean when you consider the amount they make off the Federal Reserve).

Shin Bet (the Israeli internal security agency) tries to penetrate the US Consulate General in Jerusalem through a “Honey Trap”, using a clerical employee who was having an affair with a Jerusalem girl.

Baron and Baroness Phillipi de Rothschild in a joint venture with Robert Mondavi, begin the construction of a pyramid in Napa Valley, California, where the leader/founder of the Church Of Satan, Anton LaVey, was based. This is known as Opus 1 (which means, the first work), and the front for this temple is that it is a winery.

1980: The global phenomenon of privatisation starts. The Rothschilds are behind this from the very beginning in order to seize control of all publicly owned assets worldwide.

1981: Banque Rothschild is nationalised by the French government. The new bank is called, Compagnie Européenne de Banque. The Rothschilds subsequently set up a successor to this French bank, Rothschild & Cie Banque (RCB), which goes on to become a leading French investment house.

1985: Eustace Mullins publishes, “Who Owns The TV Networks,“ in which he reveals the Rothschilds have control of all three major U.S. Networks, then: NBC; CBS; and ABC.

The New York Times reports the FBI is aware of at least a dozen incidents in which American officials transferred classified information to the Israelis, quoting (former Assistant Director of the F.B.I.) Raymond Wannal. The Justice Department does not prosecute.

Richard Smyth, the owner of MILCO, is indicted on charges of smuggling nuclear timing devices to Israel.

N. M. Rothschild & Sons advise the British government on the privatisation of British Gas. They subsequently advise the British government on virtually all of their other privatisations of state owned assets including: British Steel; British Coal; all the British regional electricity boards; and all the British regional water boards.

A British MP heavily involved in these privatisations is future Chancellor of the Exchequer, Norman Lamont, a former Rothschild banker.

1986: Mordechai Vanunu a technician at Dimona, Israel's nuclear installation, from 1976 to 1985, discovers that the plant was secretly producing nuclear weapons.

His conscience made him speak out and in 1986 he provided the London Sunday Times with the facts and photos they used to tell the world about Israel's nuclear weapons programme.

His evidence showed that Israel had stockpiled up to 200 nuclear warheads, with no debate or authorisation from its own citizens. On 30th September 1986, Vanunu was lured from London to Rome. There he was kidnapped, drugged and shipped to Israel.

After a secret trial he was sentenced to 18 years for, "treason," and, "espionage," though he had received no payment and communicated with no foreign power.

He goes on to be held in complete isolation for 11 years, only allowed occasional visits from his family, lawyer and a priest, conducted through a metal screen. Although he completes his sentence, the Israeli government continues to hold him against his will.

1987: Edmond de Rothschild creates the World Conservation Bank which is designed to transfer debts from third world countries to this bank and in return those countries would give land to this bank. This is designed so the Rothschilds can gain control of the third world which represents 30% of the land surface of the Earth.

On April 24 the Wall Street Journal reveals the, "Role of Israel in Iran-Contra Scandal Won't be Explored in Detail by Panels."

1988: Philippe de Rothschild dies.

1989: Many of the satellite states in Eastern Europe, through the influence of Glasnost, become more open in their demands of freedom from Communist governance in their Republics.

Many revolutions happen in 1989, most of them involving the overthrow of their respective Communist governments and the replacement of them with Republics.

Thus, the hold the Communists had over Eastern Europe (the Iron Curtain) becomes very weak. Eventually, as a result of Perestroika and Glasnost, Communism collapses, not only in the Soviet Union but also in Eastern Europe.

In Russia, Boris Yeltsin (A Jew whose wife is the daughter of Joseph Stalin's marriage to Rosa Kaganovich) and the Republican government takes steps to end the power of the Communist party by suspending and banning the party and seizing all their property.

This symbolised the fall of Communism in Russia, and resulted in the start of a mass exodus of 700,000 Jews from the former Soviet Union to Israel.

In the Israeli Journal, Hotam (24 November 1989), there is a report of a speech that then Israeli Deputy Foreign Minister, Benjamin Netanyahu, gave to students at Bar Ilan University in which he states,

"Israel should have exploited the repression of the demonstrations in China, when world attention focused on that country, to carry out mass expulsions among the Arabs of the territories."

The London and Paris Rothschilds announce the launch of a new subsidiary, Rothschild GmbH, in Frankfurt, Germany.

1992: In March, former Federal Reserve Board Chairman, Paul A. Volker became Chairman of the European banking firm, J. Rothschild, Wolfensohn and Co.

Stephen Bryen, caught offering confidential documents to Israel in 1978, is serving on board of the pro-Israeli Jewish Institute for National Security Affairs while continuing as a paid consultant, with security clearance, on exports of sensitive US technology.

“The Samson Option,” by Seymour M. Hersh reports,

“Illicitly obtained intelligence was flying so voluminously from LAKAM (a secret Israeli intelligence unit, a Hebrew acronym for Scientific Liaison Bureau) into Israeli intelligence that a special code name, JUMBO, was added to the security markings already on the documents. There were strict orders, Ari Ben-Menashe recalled, “Anything marked JUMBO was not supposed to be discussed with your American counterparts.”

The Wall Street Journal reports that Israeli agents apparently tried to steal Recon Optical Inc's top-secret airborne spy-camera system.

On September 16th Britain's pound collapses when currency speculators led by Rothschild agent George Soros, borrow pounds and sell them for Deutsche Marks, in the expectation of being able to repay the loan in devalued currency and to pocket the difference.

This results in the British Chancellor of the Exchequer, Norman Lamont, announcing a rise in interest rates of 5% in one day and as a result drives Britain into a recession which lasts many years as large numbers of businesses fail and the housing market crashes.

This is right on cue for the Rothschilds, after they had privatised Britain's state owned assets during the 1980's, driven the share price up, and then collapsed the markets so they could buy them up for pennies on the pound, a carbon copy of what Nathan Mayer Rothschild did to the British economy 180 years before, in 1812.

It cannot be overstated that the Chancellor of the Exchequer at that time, Norman Lamont, prior to becoming a MP, was a Merchant Banker with N. M. Rothschild and Sons, who he joined after reading Economics at Cambridge.

1993: Norman Lamont leaves the British government to return to N. M. Rothschild and Sons as a director, after his mission to collapse the British economy to profit the Rothschilds is accomplished.

Former Congressman, Paul Findley publishes his seminal book, *Deliberate Deceptions: Facing the Facts About the U.S. Israeli Relationship*.

In this book he lists the 65 United Nations Member Resolutions against Israel from the period 1955 to 1992, and the 30 United States vetoes on Israel's behalf which if not made would have seen Israel have 95 resolutions against them at this point.

No matter, even with Israel's puppet the United States helping them terrorise others, the 65 Resolutions passed against Israel are more than all the Resolutions passed against all other countries combined.

Not that Israel care too much about the views of the United Nations when you consider that less than two weeks after Israel's attack on the USS Liberty (an attack designed to sink the Liberty and blame it on Egypt prompting the USA into a war with Egypt on behalf of Israeli Lies, remember the Mossad motto, “By Way Of Deception, Thou Shalt Do War”), the Israeli Foreign Minister, Aba Eban, stated of the United Nations,

“If the General Assembly were to vote by 121 votes to 1 in favor of, “Israel,” returning to the armistice lines (pre June 1967 borders), “Israel,” would refuse to comply with the decision,” New York Times – 19 June 1967.

The ADL is caught operating a massive spying operation on critics of Israel, Arab-Americans, the San Francisco Labor Council, ILWU Local 10, Oakland Educational Association, NAACP, Irish Northern Aid, International Indian Treaty Council, the Asian Law Caucus and the San Francisco Police.

Data collected was sent to Israel and in some cases to South Africa. Pressure from Jewish organizations forces the city to drop the criminal case, but the ADL settles a civil lawsuit for an undisclosed sum of cash.

1995: Former atomic energy scientist, Dr Kitty Little claims the Rothschilds now control 80% of the world's uranium supplies giving them a monopoly over nuclear power.

The Defence Investigative Service circulates a memo warning US military contractors that,

“Israel aggressively collects (US) military and industrial technology.”

The report stated that Israel obtains information using,

“ethnic targeting, financial aggrandizement, and identification and exploitation of individual frailties,” of US citizens.

1996: A General Accounting Office report, “Defence Industrial Security: Weaknesses in US Security Arrangements With Foreign-Owned Defence Contractors,” found that according to intelligence sources, “Country A,” (identified by intelligence sources as Israel, Washington Times, 22 February 1996),

“conducts the most aggressive espionage operation against the United States of any US ally.” The Jerusalem Post (30 August 1996) quoted the report,

“Classified military information and sensitive military technologies are high-priority targets for the intelligence agencies of this country.”

The report described, “An espionage operation run by the intelligence organization responsible for collecting scientific and technologic information for (Israel) paid a US government employee to obtain US classified military intelligence documents.”

The Washington Report on Middle East Affairs (Shawn L. Twing, April 1996) noted that this was,

“a reference to the 1985 arrest of Jonathan Pollard, a civilian US naval intelligence analyst who provided Israel's LAKAM espionage agency an estimated 800,000 pages of classified US intelligence information.”

The GAO report also noted that, “Several citizens of (Israel) were caught in the United States stealing sensitive technology used in manufacturing artillery gun tubes.”

An Office of Naval Intelligence document, “Worldwide Challenges to Naval Strike Warfare” reported that,

“US technology has been acquired (by China) through Israel in the form of the Lavi fighter and possibly SAM (surface-to-air) missile technology.”

Jane's Defence Weekly (28 February 1996) noted that, “until now, the intelligence community has not openly confirmed the transfer of US technology (via Israel) to China.” The report noted

that this, “represents a dramatic step forward for Chinese military aviation.” (Flight International, 13 March 1996).

Amschel Rothschild, 41, is strangled with the heavy cord of his own towel robe in his hotel room in Paris. French Prime Minister orders the French Police to close their investigation, and Zionist, Rupert Murdoch instructs his editors and news managers around the world to report it as a heart attack, if they need to report it at all.

1997: An Army mechanical engineer, David A. Tenenbaum, “inadvertently,” gives classified military information on missile systems and armored vehicles to Israeli officials (New York Times, 20 February 1997).

The Washington Post reports US intelligence has intercepted a conversation in which two Israeli officials had discussed the possibility of getting a confidential letter that then-Secretary of State Warren Christopher had written to Palestinian leader Yasser Arafat.

One of the Israelis, identified only as, “Dov,” had commented that they may get the letter from, “Mega,” the code name for Israel’s top agent inside the United States.

US ambassador to Israel, Martin Indyk, complains privately to the Israeli government about heavy-handed surveillance by Israeli intelligence agents.

Israeli agents place a tap on Monica Lewinsky’s phone at the Watergate and record phone sex sessions between her and President Bill Clinton. The Ken Starr report confirms that Clinton warned Lewinsky their conversations were being taped and ended the affair. At the same time, the FBI’s hunt for, “Mega,” is called off.

On 29 October Edmond de Rothschild dies in Geneva. Interestingly on the exact same day Anton Szandor LaVey, the founder of the Church of Satan also dies, who in his book, “Satan Speaks,” he states in relation to The Protocols Of The Elders Of Zion,

“The first time I read the Protocols of the Elders of Zion, my instinctive reaction was, So what's wrong with THAT? Isn't that the way any master plan should work? Doesn't the public deserve - nay, demand - such despotism?”

Kofi Annan becomes Secretary General to the United Nations. He is married to Nane Lagergren, A Rothschild, who he wed in 1984.

1998: The European Central Bank is set up in Frankfurt, the city from which the Rothschilds originate.

2000: George W. Bush is elected (so they tell me) President of the United States. Bush and his family claim to be descendants of the House of Plantagenet which is descended from the Royal House of Judah.

2001: On September 11th the attack on the World Trade Center is orchestrated by Britain, America and Israel under the orders of the Rothschilds as a pretext for removing the liberty of people worldwide in exchange for security, just as they did with the Reichstag fire in Germany where the citizens were lied to in order to give up liberty for security.

They also will use the attacks to gain control of the few nations in the world who don’t allow Rothschild central banks and so less than one month after these attacks, US forces attack Afghanistan, one of only 7 nations in the world who don’t have a Rothschild controlled central bank.

Less than a week before the 9-11 attack on 5 September, the so-called lead hijacker Mohamed Atta and several other hijackers made a still-unexplained visit onboard one of Pro Israeli lobbyist, Jack Abramoff's casino boats.

No investigation is undertaken as to what they were doing there. It is discovered that US drug agents' communications have been penetrated. Suspicion falls on two companies, AMDOCS and Comverse Infosys, both owned by Israelis. AMDOCS generates billing data for most US phone companies and is able to provide detailed logs of who is talking to whom.

Comverse Infosys builds the tapping equipment used by law enforcement to eavesdrop on all American telephone calls, but suspicion forms that Comverse Infosys, which gets half of its research and development budget from the Israeli government, has built a back door into the system that is being exploited by Israeli intelligence and that the information gleaned on US drug interdiction efforts is finding its way to drug smugglers.

The investigation by the FBI leads to the exposure of the largest foreign spy ring ever uncovered inside the United States, operated by Israel. Half of the suspected spies have been arrested when 9-11 happens.

On 9-11, 5 Israelis are arrested for dancing and cheering while the World Trade Towers collapse. Supposedly employed by Urban Moving Systems, the Israelis are caught with multiple passports and a lot of cash.

Two of them are later revealed to be Mossad. As witness reports track the activity of the Israelis, it emerges that they were seen at Liberty Park at the time of the first impact, suggesting a foreknowledge of what was to come. The Israelis are interrogated, and then eventually sent back to Israel.

The owner of the moving company used as a cover by the Mossad agents abandons his business and flees to Israel. The United States Government then classifies all of the evidence related to the Israeli agents and their connections to 9-11.

All of this is reported to the public via a four part story on Fox News by Carl Cameron. Pressure from Jewish groups, primarily AIPAC, forces Fox News to remove the story from their website. Two hours prior to the 9-11 attacks, Odigo, an Israeli company with offices just a few blocks from the World Trade Towers, receives an advance warning via the internet.

The manager of the New York Office provides the FBI with the IP address of the sender of the message, but the FBI does not follow this up. The FBI is investigating 5 Israeli moving companies as possible fronts for Israeli intelligence.

JDL's Irv Rubin arrested for planning to bomb a US Congressman. He dies before he can be brought to trial.

One week prior to the WTC attack, the Zim Shipping Company moves out of its offices in the WTC, breaking its lease and costing the company \$50,000. No reason has ever been given, but Zim Shipping Company is half owned by the State of Israel (The Rothschilds).

2002: Webster's Third New International Dictionary (Unabridged), re-printed in 2002, provides a new definition of Anti-Semitism which has not been updated since 1956. It reads,

“Anti-Semitism: (1) hostility toward Jews as a religious or racial minority group, often accompanied by social, political or economic discrimination (2) opposition to Zionism (3) sympathy for the opponents of Israel.”

It was definition (2) and (3) that were added in the 2002 edition, just before the USA decide to invade Iraq under orders from the State of Rothschild, I mean Israel. Surprise, Surprise!

The DEA issues a report that Israeli spies, posing as art students, have been trying to penetrate US Government offices. Police near the Whidbey Island Naval Air Station in southern Washington State stop a suspicious truck and detain two Israelis, one of whom is illegally in the United States. The two men were driving at high speed in a Ryder rental truck, which they claimed had been used to, “deliver furniture.”

The next day, police discovered traces of TNT and RDX military-grade plastic explosives inside the passenger cabin and on the steering wheel of the vehicle. The FBI then announces that the tests that showed explosives were, “false positived,” by cigarette smoke, a claim test experts say is ridiculous.

Based on an alibi provided by a woman, the case is closed and the Israelis are handed over to INS to be sent back to Israel. One week later, the woman who provided the alibi vanishes.

2003: The United States invade Iraq on 19 March, the holy, “Day of Purim,” in the Jewish calendar. This, “Day of Purim,” is a day the Jews celebrate their victory over Ancient Babylon, now based within the borders of Iraq, how interesting.

Ancient Babylon, I mean Iraq, is now one of six nations left in the world who don't have a Rothschild controlled central bank. This war is mainly about stealing Iraq's water supply for Israel and is being fought with the blood of the American military which the State of Rothschild, I mean Israel control.

Israel has always struggled for water, it had to steal the Golan Heights from Syria which provided Israel with one third of its fresh water 36 years before, yet still in Israel water extraction has surpassed replacement by 2.5 billion metres in the last 25 years.

This means the water is far more precious to them than the oil reserves which are the second largest reserves of oil on the planet.

Malaysian Prime Minister Mahathir Mohamed states in a speech,

“Jews rule the world by proxy. They get others to fight and die for them.”

The Police Chief of Cloudcroft stops a truck speeding through a school zone. The drivers turn out to be Israelis with expired passports. Claiming to be movers, the truck contains junk furniture and several boxes.

The Israelis are handed over to immigration. The contents of the boxers are not revealed to the public.

Israel deploys assassination squads into other countries, including the United States. The US Government does not protest.

2004: Two years into an investigation of AIPAC's (The American Israel Public Affairs Committee – the largest political lobbying group in the USA with over 65,000 members whose only purpose is to use the USA for the purposes of Israel) possible role as a spy front for Israel, Larry Franklin, a mid-level Pentagon Analyst is observed by the FBI giving classified information to two officials of AIPAC suspected of being Israeli spies.

AIPAC hires lawyer Nathan Lewin to handle their legal defence, the same lawyer who defended suspected Israeli spy Stephen Bryen in 1978. Larry Franklin worked in the Pentagon Office of

Special Plans, run by Richard Perle, at the time Perle (who was caught giving classified information to Israel back in 1970) was insisting that Iraq was crawling with weapons of mass destruction requiring the United States to invade and conquer Iraq.

There were no WMDs, of course, and Perle has dumped the blame for the, “bad intelligence,” on George Tenet. But what is known is that the Pentagon Office of Special Plans was coordinating with a similar group in Israel, in Ariel Sharon’s office.

With two suspected Israeli spies (at least) inside the office from which the lies that launched the war in Iraq originated, it appears that the people of the United States are the victims of a deadly hoax, a hoax that started a war using the blood and money of American citizens for the purposes of Israeli oppression.

The leaking of the investigation of AIPAC to the media on August 28th, 2004 gave advance warning to other spies working with Franklin. The damage to the FBI’s investigation was completed when United States Attorney General John Ashcroft ordered the FBI to stop all arrests in the case.

Like the Stephen Bryen case and the hunt for, “Mega,” this latest spy scandal seems destined by officials who have their own secret allegiances to protect, barring a massive public outcry.

Police near the Nuclear Fuel Services plant in Tennessee stop a truck after a three mile chase, during which the driver throws a bottle containing a strange liquid from the cab. The drivers turn out to be Israelis using fake identifications. The FBI refuses to investigate and the Israelis are released.

Two Israelis try to enter Kings Bay Naval Submarine Base, home to eight Trident submarines. The truck tests positive for explosives.

2005: On 7 July the London Underground Network is bombed. Israel’s Finance Minister, Benjamin Netanyahu is in London on the morning of the attacks in order to attend an economic conference in a hotel over the underground station where one of the blasts occurred, but stayed in his hotel room instead after he had been informed by Israeli intelligence officials attacks were expected.

There are now only 5 nations on the world left without a Rothschild controlled central bank: Iran; North Korea; Sudan; Cuba; and Libya.

Physics Professor, Stephen E. Jones of Brigham Young University publishes a paper in which he proves the World Trade Center buildings could have only been brought down in the manner they were by explosives. He receives no coverage in the mainstream media for his scientific and provable claims.

2006: The Edmond De Rothschild Banque, a subsidiary of Europe's Edmond De Rothschild family bank group in France, becomes the first foreign family bank that has obtained approval of the China Banking Regulatory Commission and entered China's financial market.

David Irving resides in an Austrian prison awaiting trial, and Ernst Zundel resides in a German prison awaiting trial. Both of these men are to be tried under charges of, “Denying the Holocaust.”

In both these countries it is an offence carrying a lengthy prison term if they are found guilty. It is abundantly clear, that Jews were put through unimaginable suffering and subsequently mass-murdered by the Nazi regime, and unlike Izaak Greenbaum, the Zionist who said in 1943,

“One cow in Palestine is worth more than all the Jews in Poland,”

we all have a moral duty to fight any kind of persecution on the grounds of a person’s race in the future.

However, when the majority of documents pertaining to the Holocaust reside in Austria and Germany, it is unacceptable for researchers like Irving and Zundel not to have access to those documents in the name of free speech.

It is also very suspicious that these documents are kept in a country where to cast any doubt on the official version of history, which sadly, more often than not has proved to be a pack of lies, carries a sanction of up to ten years in prison.

You can deny the existence of God, you can deny the existence of Jesus, but any question into the official history of the Holocaust and you face ten years in prison. Welcome to the free world!

Resources

[Here is a link](#) to 6 pages of autographs from the 1929 Zionist congress with some very interesting names on it.

**THE NEW CHRISTIAN CRUSADE
CHURCH**

CALLING THE PEOPLE OF BRITAIN

At last the bible makes sense!

At last we know its meaning.

Its the book of the RACE

**"For out of Zion shall go forth the law, and the
Word of the Lord from Jerusalem"
(Isaiah 2:3)."**
