Dear Reader,

## The Enemy's Attack on The Tree Cover in The UK and Europe to Make Way for The Planned Lethal 5G

### Thousands of Trees Felled in Sheffield

Before the final (?) covert attack on true Israel, first the attack on our trees both in the cities and rural areas, to make way for the lethal 5G military battlefield technology, despite warnings from experts of its dangers.

There is also the necessity to make populated areas suitable for remote patrolling by drones and the introduction of driverless vehicles.

We are warned in the scriptures, "...And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened." (Matthew 24:22) We are in those days now!

This is not only just occurring in the UK, but reports are coming in from our correspondents in Sweden, Poland, Germany and Canada, that the same thing is happening in their countries too.

Already attacked are large swathes of woodland felled under the pretext of returning woodland to its former pristine heath-land state. Such areas were under the guardianship of the National Trust and Surrey County Council, to name but a few.

The Woodland Trust admitted that they were responsible for sourcing infected common ash with "Ash Dieback", which is now devastating the UK's common ash population. This acknowledgement is tucked away in small print in a remote part their website.

A reader of this magazine, also a member of the of the Woodland Trust, phoned this organisation to enquire about the large number of trees being cut down, as they inhibit 5G signals. To his surprise, he received the answer that there is no problem with 5G and trees! Have they not read Surrey University's white paper on the subject?

The good news is, that more and more are waking up to the machinations of the enemy, for its days are numbered! Praise Yahweh!

(Aristobulus II deposed his brother, Hyrcanus III; but he was later poisoned by Antipater, father of Herod, thus restoring Hyrcanus III to the throne.)

the Pharisees began to infiltrate the priesthood of Judah at all levels.

The historian, Josephus (who was not a Jew but a Judahite whose family was of the first of the 24 courses, hereditary families in the service of Israel and Judah!), tells us that, with regard to the ruling priesthood, Herod had all of the racial Judahites murdered and replaced with Edomites!

Now do you see how the transition from Hebrewism to Judaism really took place? It all started shortly before the time of Christ.

The modern parallels are, again, very striking, as the anti-Jewish Christian priesthood was replaced by the Judeo-Christian priesthood during the 1960's, with the advent of Judeo-televangelism and "Christian" Zionism: the scum that go by such names as Jerry Falwell, Pat ("Let's take out Chavez") Robertson, Billy Graham, Tim La Haye, Jack van Impe and let's not forget Rush Limbaugh and Sun Yung Moon.

I feel very secure in declaring that American Israel has a much more accurate view of our true history than British Israel. The British

Empire has been a lackey of Jewish international finance since before the American Revolution.

Remember, folks, the Jewish bankers were the ones who instigated King George against the Colonies. It was Jewish debt money imposed upon the Colonies that was a major reason if not THE major reason for the revolt of the Colonies. The Americans did not want to be the debt-slaves of the Bank of England.

American Israel is under no illusions about economic reality today. We know that the Federal Reserve System is just another Jewish banking fraud; and we are not going to deny our mistakes, in the interests of nationalism, to make ourselves look good.

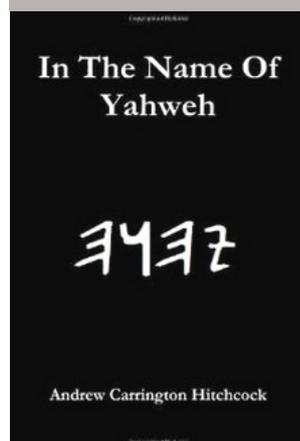

Having established the fact that the ancient House of Judah absolutely contaminated itself with Babylonian teaching at the time of John Hyrcanus, the question still remains as to what extent the House of Judah allowed Babylonian teachings to creep in at any time before this during the Second Temple period.

### **By Andrew Carrington Hitchcock**

*mouth.*

Doesn't this accurately describe the revolting politically correct liberal society the Israel nations have become today, and won't it be a blessing when the promoters of this ungodly doctrine are removed from this world, as prophesied here.

**R**EVELATION 3:15 – *I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot.*

**Revelation 3:16** – *So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my*

**Revelation 12:9** – *And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.*

So Satan and his angels deceive the whole world.

Is that happening today?

Let's think, what does the Jewish media promote: debt (which is economic slavery) as a normal way of life; race-mixing; homosexuality; abortion; materialism; making idols of sports and film stars; globalisation etc etc ad nauseam.

-----  
**Revelation 12:15** – *And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.*

**Revelation 12:16** – *And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.*

**Revelation 12:17** – *And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of Yahweh (God), and have the testimony of Jesus Christ.*

The war between the children of Yahweh and the children of Satan intensifies.

The serpent or dragon, previously identified as Satan, sends water after the woman, identified in Genesis 3:15 as Israel.

What is this water sent by Satan, which is like a flood?

The water that makes this flood is an influx of non-Israel people into the Israel nations, this is identified in Revelation 17:15,

*“And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.”*

This influx of other races is only happening in the Israel nations and its promotion by Satan’s blood lineage of Jews controlling western governments and the media prove it for what it is, an attempt by Satan to commit genocide on Yahweh’s children through racial mongrelization.

Satan’s war against Israel has been going on for quite some time, the basis for the importation of these other races in the Israel nations, was the world wars financed by the same Jewish interests on both sides in which Israel were pitched against Israel.

You take an event like the so called, “Battle of the Somme,” in which over a million Israel people were killed running towards each other,

only to be cut down by their racial brothers’ gunfire.

It was a turkey shoot, and subsequently recognised by military historians as, “bad military planning.” Was it really, or was that not the plan all along, to get as many of Israel killed giving the governments the excuse afterwards to say, “we don’t have enough people to maintain the country, we’ll have to import some.”

At the outset Israel’s concerns that these races would overtake them, were brushed aside by slick Jewish diatribe and promises that these races were only here to do the work Israel people did not want to do.

On that basis would someone please explain how fast these races ended up being prioritised over the native Israel populations in tandem with the dumbing-down of the education system, and the introduction of the hate-laws, so these races could compete on a now un-level playing field with the native Israel population, then tell me if the lies you were told back then were true.

Going back to Revelation 12:16 we can see the branch of these Genesis 1:27 races that choose to flood the Israel nations will be no more.

This is when the audacity of those races who express apoplectic indignation when they are told to, “go back to their own country,” will be shown as folly, as they come to realise how much of a blessing that advice was, when the earth opens up and swallows them, making them wish they had not taken up permanent residence within the Israel nations in the first place.

The destruction of these Genesis 1:27 races in disobedience to Yahweh for living off the labours of His children in their land, enrages the Jews as these races have been so easy for the Jews to manipulate into fighting their battles against Israel so effectively for so long.

Having no-one left to do their dirty work, the Jews subsequently make war on their own with what is left of Israel.

Why, “what is left,” or a, “remnant,”?

Simple, because Satan and his children, the Jews, have got the majority of Israel following them instead of Yahweh in these, the last days.

**This war is described in:**

**Ephesians 6:12** - *For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high [places].*

See also:

**Psalm 83:1** – (A Song [or] Psalm of Asaph.) *Keep not thou silence, O Yahweh (God): hold not thy peace, and be not still, O Yahweh (God).*

**Psalm 83:2** – *For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head.*

**Psalm 83:3** – *They have taken crafty counsel against thy people, and consulted against thy hidden ones. And consulted together against Your sheltered ones.*

**Psalm 83:4** – *They have said, Come, and let us cut them off from [being] a nation; that the name of Israel may be no more in remembrance.*

**Psalm 83:5** – *For they have consulted together with one consent: they are confederate against thee:*

-----

**Revelation 18:4** – *And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

**Revelation 18:5** – *For her sins have reached unto heaven, and Yahweh (God) hath remembered her iniquities.*

**Revelation 18:6** – *Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.*

Here Israel is instructed to come out of the godless societies in which their nations have become. They are also required to inflict upon the Jews double the suffering which they have inflicted upon Israel.

This is echoed in the book of Obadiah. See:

**Obadiah 1:15** – *For the day of Yahweh (the LORD) [is] near upon all the heathen: as thou hast done, it shall be done unto thee: thy reward shall return upon thine own head."*

-----

Revelation 22:16 – *I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, [and] the bright and morning star.*

# Old Testament

## “ Word for Word” Part 16

### Translation by Stephen Howard Anderson

## Chapter 26

1. And there was a famine in the land, besides 905 the first famine that was in the days of Ab'raham . And walked Yits'chaq to Abiymelek 40 king of the P'lish'tiym 1643 at G'rarah 1642.

2. And appeared to him Yahweh, saying, "**Do not go down to Mits'ray'mah 4714, dwell 7931 in the land that I say to you.**

3. **Sojourn in this land, and I will be with you, and bless you; for to you, and to your seedline, I give all these 411 lands, and will raise up the oath 7621 that I swore 7650 to Ab'raham your father.**

4. **And I will make to multiply your seedline as the stars of the sky, and will give to your seedline all these lands, and will bless by your seedline all nations of the land,**

5. **because 6118 that listened Ab'raham to My Voice, and kept 8104 My charge 4931, commandments 4687, statutes 2708, and laws 8451."**

6. And dwelt Yits'chaq in Gerar.

7. Asked 7592 the men of the place of his wife; and he said, "My sister is she," because he feared to say, "She is my wife," lest kill him the men of the place over Rib'qah, for fair of appearance was she.

8. And it was, when a long time 748 was he there in days, looked 8259 Abiymelek the king of the P'lish'tiym out 1157 a window 2474 and

saw, and behold, Yits'chaq was fondling 6711 Rib'qah his wife.

9. Called Abiymelek for Yits'chaq and said, "Surely, behold, your wife is she! Why did you say, 'My sister is she?' And said to him Yits'chaq, "Because I said, 'Lest I die over her.'"

10. And said Abiymelek, "What is this you have done? Might 4592 have lain one of the people with your wife, and brought upon us guilt 817!"

11. Commanded Abiymelek all the people, saying "He that touches this man and his wife shall surely die 4191/4191."

12. Then sowed 2232 Yits'chaq in that land, and secured 4672 in that year a hundred 3967 measures 8180, and blessed him Yahweh.

13 Grew great 1431 the man, and progressed 1980/1980, and grew 1432 until he was very 1366 great 1431.

14. and was his possession 4735 of sheep 6629, and possession of oxen 1241, and many servants; and envied 7065 him the P'lish'tiym,

15. and all the wells that had dug the servants of his father in the days of Ab'raham his father, had stopped up 5640 the P'lish'tiym and filled with loose earth 6083.

16. Said Abiymelek to Yits'chaq, "Go from us, for you are mightier 6105 than us greatly 3966."

17. Walked from there Yits'chaq, and pitched his tent in the wadi of G'rar, and dwelled there.

18. Returned Yits'chaq and dug the wells of water, that had been dug in the days of Ab'raham his father and had stopped up the P'lish'tiym after the death of Ab'raham, and called them the names after the names that called them his father.

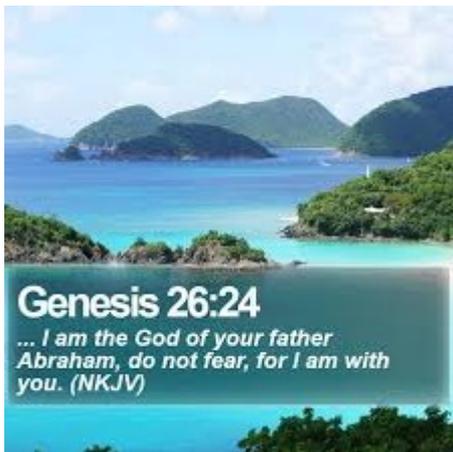

19. And dug the servants of Yits'chaq in the wadi, and found there a well of living 2416 water,

20. and strove 7378 the herdsmen of G'rar with the herdsmen of Yits'chaq, saying, "Ours is the water!" And he called the name of the well Eseq 6230, for they contended 6229 with him.

21. They dug another well, and strove also over it: and called he the name Sit'nah 7856."

22. Left 6275 he from there, and dug another well; and they did not strive for it, and called he the name R'choboth 7344. Said he, "Because now has made room 7337 Yahweh for us, and we shall be fruitful 6509 in the land."

23. He went up from there to B'er-Sheba 884.

24. Appeared to him Yahweh the same night, and said, "**I 595 am Elohey 430 your father Ab'raham. Do not fear, for with you am I, and will bless you, and will multiply 7235 your seedline for the sake of Ab'raham My servant.**"

25. He built there an altar, and called on The Name of Yahweh, and pitched there his tent; and dug 3738 there the servants of Yits'chaq a well 875.

26. And Abimelek came to him from Gerar, and Achuzzath 276 his friend, and Piykol 6369 the captain of his army.

27. And said to them Yits'chaq, "Why come you to me, as you hate 8130 me, and have sent me away from you.

28. And they said, "We saw certainly 7200/7200 that is Yahweh with you; and said we, 'Let there be now an oath 423 between us, and between you,' and let us make a covenant with you;

29. if you will *not* do us harm 7451, as we have not touched you, and that we have done to you nothing except 7535 good 2896, and have sent you away in peace: you now are blessed of Yahweh."

30. He made for them a feast 4960, and they ate and drank.

31. And they rose early in the morning, and swore 7650 as one man to his brother : and sent them away Yits'chaq, and they walked from him in peace.

32. And it was that same day, that came the servants of Yits'chaq, and told him about the well that they had dug, saying to him, "We have found water!"

33. And he called it Shib'ah 7656; and upon this the name of the city is B'er-Sheba until this day.

34. And was Esaw forty years of age when he took to wife Yahudiyth 3067 daughter of B'eriy 882 the Chitty 2850, and Bash'math 1315 daughter of Eylon the Chitty;

35. which were a bitterness 4786 of spirit 7307 to Yits'chaq and Rib'qah.

## Chapter 26 Notes

Verse 2 - Yashar (Jasher) 28:2;

Verses 3,4 - Gen. 22:16-18;

Verses 2-5 - The Covenant is reaffirmed with Yits'chaq and his seedline;

Verse 7 - Gen. 12:13; 20:2 - Yits'chaq copies what Ab'raham did, and claims his beautiful wife is his "sister".

Verse 8 - Abimelek (*same king as with Ab'raham*) sees him fondling 6711 - *conjugal caresses* his wife and is upset. Yahweh

punished him the last time, and he does not want to anger Yahweh again.

**Verse 12** - Yits'chaq sows for crops, and receives one hundred times what he sowed. A HUGE crop.

**Verse 15** - 6083 here means the P'lishtiyim dumped all the loose dirt that came out when the well was dug right back into the well, and filled it up again.

**Verse 16** - Yits'chaq has prospered so much, and has so many people with him, that the P'lish'tiyim are both jealous and afraid of him, and the king tells him to leave.

**Verse 20** - 6230 means "contention".

**Verse 21** - 7856 means "hostility".

**Verses 26-31** - Abiyemelek finally realizes all the prosperity of Yits'chaq comes from

Yahweh, and makes a covenant of peace with him. They swore an oath, probably using seven lambs, as did Ab'raham, thus giving rise to the name of the well in Verse 33.

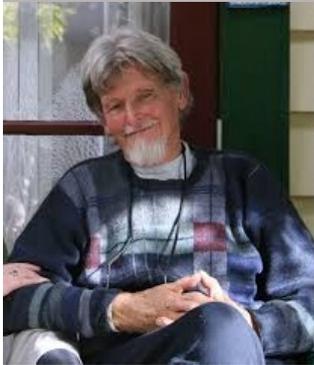

**Verse 33** - B'er-Sheba means "Well of the seven" (*lambs?*) Some call it "Well of the Oath", but that is less accurate. Gen. 27:46; 28:1.

**Verses 34, 35** - Here Esaw mixes his seedline with the Canaanites, and goes directly against Yahweh. All through Scripture Yahweh says "**I have loved Yaaqob, but Esaw I have hated.**" This is why the Edomites still hate pureblood Yis'rael today. Esaw "despises" his birthright, and this is because Yahweh chooses Yaaqob over him, even though he was the firstborn son. Gen. 27:46; 28:1.

## British Israel Doctrine Problems

By:  
**Arnold Kennedy**

### Introduction.

**I**T SEEMS that the entire Israel-Identity movement is corrupted in the UK, the traditional identity view held by most British

Israelites being supplemented by the following beliefs:

That the Bible had a definite plan for the "restoration of all earthly things to the perfections of the Garden of Eden".

### That all mankind came from Adam?

That the blessing God made by covenant to Abraham, is also available to believers in Jesus Christ from all other races.

That Israel's purpose is "to save the world".

These views can be seen to be contradictory because the all over effect is that ultimately there is no difference between Abraham's seed and the seed of all other peoples, in regard to God's blessing.

It is not proposed to consider points (a) and (b) here in any detail, or to discuss the universal reconciliation that belief (a) infers. We are not considering any doctrines such as the USA-Zion concept, and that is a separate issue. The latter two points are what we will look at in more detail.

### QUOTATIONS FROM BRITISH ISRAEL SOURCES.

To get a feeling for what is presented by British Israelites, some of their quotations will first be given.

Through the blessing upon Jacob-Israel, God will bless all the other nations of the earth.

When Israel should show some signs of becoming a colonising people and company

of nations, they would also show signs of bringing the blessings of the Gospel on a world-wide scale to the nations of the earth.

Only in the recognition of the Anglo-Saxon peoples as modern-day Israel, with the Throne of David in their midst, can a definite plan be seen for the redemption of all mankind, by God from the original sin of Adam, back to the perfection which pertained in the Garden of Eden, prior to the 'fall of man' "

The prophecies relating to modern-day Israel-Britain, the more it appears evident what a tremendous debt our nation and the world owe to Jesus Christ.

Christ died for the redemption of the Israel nation, as well as for the salvation of every individual in the world who accepts Him as the Son of God and as their personal saviour.

Israel is God's servant nation to perform His will, so that through us blessing will be brought to all people.

This personal salvation is of course open to all individuals of all nations.

Jesus Christ is the redeemer who, through His one great sacrifice has ensured the ensured the eventual complete success of the Plan of God,

in spite of the sin of the Israel nation, and the sin of the world.

Israel's purpose is to take the message to the very ends of the earth.

Israel is instrumental in the calling out of the Church – those believers from all nations who are over comers.

### THE SOURCE OF THESE DOCTRINES.

British Israelites, in tune with their churches, take their cue from the wording translators have given to what is often named, "The calling of Abraham".

Genesis 12:1-3 Now the LORD had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee:

And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:

And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

The majority of versions have something very similar to the phrase, "and in thee shall all families of the earth be blessed". The Young's Literal translation reads, "And I bless those blessing thee, and him who is disesteeming thee I curse, and blessed in thee have been all families of the ground".

So we need to review this traditional understanding as it contradicts many other passages. We will start with the same passage as quoted in the New Testament.

Gal 3:7-9 Know ye therefore that they which are of faith, the same are the children of Abraham. And the scripture foreseeing that God would justify the heathen through faith, preached (proclaimed) before the gospel unto Abraham, saying, in thee shall all nations be blessed. So then they which be of faith are blessed with faithful Abraham.

This verse together with and the verses below, are favoured by universalists because they seem to present a universal gospel for all races.

“Nations” is sometimes translated emotively as “Heathen” to try to add weight to the universal argument. To understand any passage of Scripture it is necessary to look at it as a whole by going back to the prophecy behind it to see what it is fulfilling. To Abraham:

**Gen 12:2,3** And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing; and I will bless them that bless thee, and will curse him that curseth thee, and in thee shall all families of the earth be blessed.

**Gen 18:18** Seeing that Abraham shall surely become a great and a mighty nation, and all the nations of the earth shall be blessed in him?

**Gen 22:18** And in thy seed shall all the nations of the earth be blessed; because thou hast obeyed my voice.

#### To Isaac:

Gen 26:3 Sojourn in this land, and I will be with thee, and will bless thee; for unto thee, and unto thy seed, I will give all these

countries, and I will perform the oath that I swore unto Abraham thy father.

#### To Jacob:

Gen 28:14 And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed.

#### To Israel:

Psalm 22:27 All the ends of the world shall remember and turn unto the Lord: and all the kindreds of the nations shall worship before thee.

Here are six important verses that are used to support the doctrine of universal racial salvation. Indeed, they do appear to give valid support on the surface. But do they actually say what the religious translators make them say? Is this the problem here?

## Why Today's Churches Are Ineffective Against Evil (Part 9) From Our USA Correspondent

**A** **L O N G**  
**W I T H** other  
**S c o f i e l d**  
**n o n s e n s e**  
“dispensationalists”  
preach that Christians  
will be "raptured" off  
the planet at the tail  
end of the "grace  
administration" prior  
to the great “tribulation administration” in  
which the "Jews" will be purified in Israel. It  
all sounds so wonderful and is a great tool for  
building big, starry eyed congregations. The  
problem is, it is false theology.

The word "rapture" is not in the Bible. We have provided a PDF of the Bible below. Feel free to search through it for the word “rapture” if you don’t believe us. The tribulation is going to occur in order to try God's people,

Jacob/Israel, in the fire so that they will turn back to Him. The “Jews” are the instrument of this tribulation. Unfortunately a lot of suffering will have to take place before God’s people start taking Him seriously.

Most Israeli citizens are atheists or agnostics. Even worse, “Judeo-Christians” are so badly brainwashed they cannot even see what is right in front of their eyes. God is supposed to be blessing our nation, they believe, because they keep donating to "the chosen people" in "Israel", and yet nothing of the sort is happening!

Our nation, these days, appears to have been CURSED. Anyone who has been around for a half century or more can attest to the fact that (unless you were born with a silver spoon in your mouth) it is WAY more difficult to make ends meet now than it was, say in the 1960s

when the “Jews” didn’t have quite as much of a stranglehold on us as they do now.

There is even more government corruption, more disease, more confusion brought about by massive waves of immigration, our cities are decaying, our infrastructure is crumbling, food prices are rising, debt has become unbearable, corporate consolidation and monopolization has all but killed small business, there are more billionaires than ever and yet there are more people living on the edge or in abject poverty than ever, and a scant 1% of the population owns and controls about 90% of anything and everything – the banks, the money, the corporations, the real estate, the commodities, the farmland, the government on all levels, and so on.

If the truth be told, the richest people in America at this time are -- you guessed it: "Jews", the so-called “chosen of God” according to our dumb dog preachers who fall EXACTLY into this category:

Isaiah 56:10-11 His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand, they all look to their own way, every one for his gain, from his quarter.

Let’s face it: the “Jews” control Hollywood, they control most of the multi-national corporations, they control the Federal Reserve, which controls the Federal Government. They control the very flow of information through the major media which they rule absolutely. All of the major networks and newspapers are owned by “Jews”.

They control the CIA, the FBI and all of the other “alphabet” agencies of government and

they control all mainstream "Judeo-Christian" church denominations because they have skilfully infiltrated and woven their Talmudic web of lies into them AND they control the seminaries that train the preachers, promoting a bogus form of Christianity (Judeo-Christianity, a.k.a. Christian Zionism) that is but a shadow of what the Bible actually teaches. Chosen-schmozen. If these conniving money grubbers and power mongers are chosen by anyone it is "their father the devil", as Jesus has informed us! The so-called “chosen people” have all but destroyed the former REPUBLIC of America and converted it into a vile “democracy” under the thumb of international bankers -- in other words a utopia for themselves, where they can profit magnificently off of OUR labour while reducing us to slavery under the iron boot of corporate monopolization, pervasive government intrusion and debt at every level. Christians, wake up, wake up, WAKE UP!

This author has had the experience recently, of speaking with a couple Cubans who came to America to escape from communism under Castro. Interestingly, these individuals preferred Trump over Clinton, whereas most minorities in America, out of ignorance, and an “entitlement-complex” brought about by “Jewish”-leftist mass brainwashing, prefer socialist-communist politicians who promise them more government handouts.

Thomas Jefferson once said “the government that is big enough to provide all of your needs is big enough to take everything from you”. Why the discrepancy in belief systems between Cubans and other minorities?

Because these Cubans knew first-hand that Hillary Clinton (who is Jewish) is a communist and Donald Trump at least is NOT in his heart a communist and wants to do some good for the working people of America so he was at the very least the “lesser of two evils”, which is about the best we can expect from national politics these days. Since the Castro coup Cubans have experienced the frustration and pain of living under the iron boot of a “Jewish”-communist system of government.

It is not possible for the average Cuban family to own a house, because the government owns ALL of the real estate, and of course, “Jews”

own the government. The standard of living is low. The people are poor. When Fidel Castro took over he promised everything and delivered nothing but misery when all his cards were laid on the table.

Fidel Castro was worth a couple billion dollars and had his hoard of filthy loot stashed in Swiss banks. He followed the same program as his predecessors, satanically inspired dictators like the Soviet Union's Josef Stalin, Bela Kun (above) of Hungary, Jacob Berman of Poland and Anna Pauker of Romania.

ALL of these dictators were "Jewish"! Castro also was a "Jew"! Are you beginning to see a pattern? Castro was once interviewed by mega "journalist" Barbara Walters of Today Show fame, who was practically drooling over the arch communist dictator as if she would have him as a lover. Barbara Walters is "Jewish" as are many of our famous broadcast "news reporters".

Those who aren't "Jewish" have achieved success in the field because they publicly support a leftist-socialist-communist philosophy. Their job security absolutely depends upon it. The secret motto of today's leftist-socialist "journalists" is: "The news is what WE SAY it is". There are six "Jewish" owned and controlled mega-corporations that control 90% of the so-called "news". We encourage you to research it.

National "news" in America is, sad to say, is nothing but carefully crafted propaganda – "programming" for the masses designed to ram the "New World Order" "Jewish"-controlled system of oppression down our throats. Amazingly, the U.S. government which was

historically considered to be "anti-communist" supported Castro over Batista who would have established a more benign representative form of government in Cuba.

Why did this happen? -- because the U.S. government has been controlled by "Jewish" central bankers for well over a century and Communism is the preferred political system of "Jewish" elites. Communism is Judaism in practice. The well known late rabbi Stephen Wise once proclaimed that "Judaism IS Communism".

That certainly hits the proverbial nail on the head. Pure "capitalism" as a system is not much better and in fact "capitalist monopolization" is the same system as Communism. In both cases, billionaire elites, most of them "Jews" control the government and all of the corporations. Mussolini-type "Fascism" also is a system in which the government and big corporations are in collusion.

These systems were all invented by the satanically inspired Rothschilds as tools to gather the entire wealth of the world into their hands and make the people of the world their slaves for life. "Progressivism" and "Neo-conservatism" are simply new words for the same old "communist", "fascist" and "monopolist - capitalist" economic-governmental systems.

David Rockefeller, whose grandfather J. D. borrowed his seed capital from Rothschild banks, once stated that he preferred doing business with communist governments because "they always pay their bills".

This is true because a communist dictator, always supported by "Jewish" financiers, will extract payment from the citizen slaves one way or another, even if it means starving them to death.

Karl Marx's ten planks (stepping stones) as stated in the Communist Manifesto have all been implemented to varying degrees in America, thanks mostly to "Jewish" revolutionaries, intellectuals, programmers, media moguls and financiers who have aided and abetted the enslavement of America all along. And yet, these gold plated traitors are the "chosen of God"?

Are you KIDDING? Marx, whose real name was Mordecai Marx Levy, was – you guessed it – a “Jew”, the son of a rabbi. The “Jews” and communism are inseparable and wherever “Jews” constitute 1% of more of a host population, their infiltration will ultimately lead to loss of freedom for the people and the steady implementation of a socialist system of government, which when fully consummated will be communist. Under communism the government owns and controls EVERYTHING and the people own and control NOTHING. There is little to no freedom under such a system and our people cannot possibly be happy under such iron booting tyranny. Is this what YOU want? Isn't it time to start waking up some people to the TRUTH?

America is but a gasping old shadow of its glory days, when we were a FREE people. The “Jews” have enslaved our nation, body, mind and soul and yet due to the enormous blanket of propaganda almost no one understands it and especially not the average “Judeo-Christian” who persists in believing that “Jesus was a Jew”.

And so, the parade goes on and on. Schoolchildren come home to their parents spouting half-truths and outright lies learned in the government-controlled propaganda mills we refer to as “schools”. They learn all about the evil of Hitler and the Nazis and the Hollow Hoax and yet learn nothing whatsoever about the real Holocaust that occurred in Russia (1917-1945) and the mass starvation of the Holodomor (1932-33) in the Ukraine (instigated by Stalin’s communist regime).

It might interest our readers to know that after the Communists took over Russia within one year 95% of the top government posts were held by “Jews”. A reporter of the era, Victor Marsden, stated that the revolution had a very “Yiddish” character to it. This is because the language of the Khazars was Yiddish and Russian “Jews” were descended from them. Yiddish is the international language of the “Jews”.

It would probably be shocking to discover exactly how many top bureaucratic posts in America are now occupied by “Jews”. At least 60-100 million Caucasian, mostly Orthodox Christian Russians and Ukrainians were

slaughtered or died of mass starvation to usher in the Bolshevik revolution.

Life under the Christian Czar, who was brutally murdered, along with his entire family, was a picnic compared to life after the revolution. The standard of living for Russian peasants dropped to a fraction of what it was under the Czar. Marxist-Communist “Jew” change agents stood on street corners proclaiming that that the working people had a terrible deal under the Czar and that life would be much better after the revolution. The truth was exactly the opposite, and millions of these peasants paid for their gullibility with their very lives. Are the “peasants” of America any smarter or less brainwashed? We would tend to doubt it.

The hollow hoax was a historical ruse designed to cover up the real “Jewish”-instigated bloodbath and mass starvation events in Russia and the Ukraine and extract undeserved sympathy and reparations payments for the tribe of devils that has elevated deception to an art form and propelled themselves to the top of the material world heap.

We won't bother to delve into an argument of how many of “God's chosen” died at the hand of the Nazis but it is laughable considering that there were not that many of them in all of Europe. Despite that, laws have been passed in

European countries to make it a CRIME to tell the truth about the matter, no matter how much meticulous research is provided!!

Think about it. This is pure tyranny and antichrist “Jew” devils would love to see such legislation passed in America so as to beat us down even more.

Many revisionist historians have tackled and utterly destroyed the Hollow Hoax myth with their research. A little known fact is that the event was in reality punishment for those Orthodox “Jews” who refused to become Zionists. Concentration camps were run by Zionist Jews, and the narcissistic dupe Hitler was financed by the Warburgs and Oppenheimers, international “Jewish” central bankers allied with and related by blood to the Rothschilds.

The American side of WWII was financed by the Federal Reserve, which is mostly owned by Rothschild controlled banks and has always been run by “Jews”.

The whitewashed historical fantasy our schoolchildren are subjected to also does not mention that Hitler joined his National Socialist party at the hip with Zionists in order to gather more momentum for his movement. The “ZI” letters in “Nazi” stand for Zionism!! Thus, Hitler flew to power on National Socialist Zionist party wings!

He was also aided and abetted by powerful “Jews” all along, and was instrumental, believe it or not, in getting the Israeli state established. Adolph Hitler was the perfect scapegoat for overall Zionist goals. Regarding those “Jews” who died in WWII -- arch-Zionists have no problem sacrificing a few of their “lesser brethren” if it forwards their plans for world domination. They are just that wicked -- like the black widow spider that eats its own mate.

Certainly, all of the material in this essay will be branded as “anti-Semitic” and “Jewish” Internet trolls will work hard to have it banned from search engines and vilified in one way or another. But, wait a minute! Herein is the number four BIG lie of the “Jews”. They are NOT Semites at all! They are descendants of Canaanite-Edomite Turko-Asiatic-Mongols. If there is any Semitic blood at all in “Jews” it is

because of intermarriage with Caucasians. These “Jews” can never, in a hundred generations, be pure blooded representatives of the house of Jacob. They will always be “the house of Esau” or Edom. Aside from “knowing them by their fruits” the Bible gives us a clue as to how to recognize them:

Isaiah 3:9-11 The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul! for they have rewarded evil unto themselves. Say ye to the righteous, that it shall be well with him: for they shall eat the fruit of their doings. Woe unto the wicked! it shall be ill with him: for the reward of his hands shall be given him.

Antichrist “Jews”, “chosen” by their father the devil to do his work on planet earth, are master deceivers and the persistent, outrageous lie that “Jews” are Semites is yet another powerful weapon in their arsenal of propaganda. It is regularly used to stifle criticism of “Jewish” treachery, subversion and crime by attacking the messenger.

Anyone branded an “anti-Semite” is automatically considered by the brain-dead “Jewish”-programmed masses to be a bad person who should be shunned and ignored if not popped in prison for daring to question the lies of the “Jews”. Other buzzwords used by “Jews” to stifle truthful discussion and “program” the masses for servility are “homophobe”, “Islamophobe”, “hater”, “bigot”, “Nazi”, and so on. Every time whites attempt to stand up for themselves and resist the enemy in their midst the “Jew” think tanks invent or retool a word to stifle them.

The word Semite is derived from the name “Shem”, who was one of Noah’s three sons. Shem’s bloodline remained pure and

unadulterated over the centuries, all the way to Abraham, Isaac and Jacob (all white men). Jacob, as you know from your Bible, was renamed "Israel" by God and sired twelve sons who became the patriarchs of the twelve tribes of Israel, all of whom were white, pure-blooded Shem-ites. The word "Shem-ite" has been shortened to "Semite". So, if you ever get accused of being an anti-Semite, remember (if you are white) that you ARE a Semite, and you are certainly not going to be anti-yourself!

Preachers and other readers, we hope this expose' has been useful to you. Jesus Christ is not going to reward willful ignorance. Until you start preaching the TRUTH, beginning with the fact that Jesus was NOT a "Jew" things will keep getting worse for our people.

God is not going to help or even listen to the prayers of those who do not love Him and tell the truth. Do you remember reading in the book of Hosea that "Our people are destroyed for lack of knowledge"? How long will our people have their heads in the sand, refusing to see evil when it is creeping in all around us? Improvement in our condition cannot and will not be possible until you stop believing the lies of the "Jews" who wish to destroy us.

You must pray and open your mind to the truth. Only then will God step in and deliver us from the coming Tribulation for our people. Be a warrior for TRUTH!

## **Harold Slough Notes Invisible London And How It Disappeared From a Paper Alan Hassell**

**R**ETURNING TO LONDON AFTER spending half your life in Australia you notice many changes, it's a normal sort of thing that happens with every major city and its so called re-development. .

The old gets replaced with the new and the city of London takes on a new clean appearance.

I happened to visit St. Pauls a few years ago in hope of finding a stone that had been recovered in the grounds of St. Pauls during renovations or an Archaeological dig. Whatever, the reason this mysterious stone had disappeared and no one knew much about it. .

I was doing some research myself at the time and taking my cam-corders around with me to record scenes that might be included into a documentary feature I was working on.

St. Pauls is at the top end of Fleet Street and it used to be my old stomping ground years ago. Fleet Street used to be known as the Inky Way years ago because it was the home of virtually all the Newspapers where I was trained in my profession as a photo-journalist. .

Between St. Pauls and the Daily Express building was Ludgate Circus and it was a hive of activity there with many pubs offering cheap meals at lunch times. But Ludgate was well known because the Place got its name from one of Britain's most famous Kings who was known as King Llud. .

One of the things I had put down as a matter of interest was the great statue of King Llud and his two sons that had been a feature at this spot for centuries.

As a child I was taught that this King Llud had built London and he had two son's who were positioned, one either side of him. The problem was this statue that was dedicated to the man who virtually founded and built London had simply disappeared into thin air. .

From memory Llud had built a huge gate that was part of the defences of the City of London and this Gate had been named after him hence the name Ludgate. It was said that when he died Llud was buried near his great gate.

Without the Llud memorial statue I was wondering how I was going to tell the story of

Llud and was finally told about drawings of the statue was in Guildhall so off to guildhall I go in hope of getting to see the pictures.

**King Llud Centre with his two sons**

There I was told that the statue had been moved to Regents Park so off I go on a merry go round that went nowhere and several hours and sore feet later still came up with no results. .

Asking anyone in London what had happened to the statue was fruitless because most Londoners today wouldn't have a clue who he was or why he was famous. .

Well for starters he lived at a time when Julius Caesar had just defeated Gaul into submission and thought he would expand the Roman Empire by including Britain too. .

Llud had a brother the Roman's called Cassivelaunius who was none other than Caradoc..

Caesar made two attempts to defeat the British and on both occasions he was given a good hiding every time he tried. Caesar had not counted on the tides and inclement weather which destroyed half of his fleet or the cunning way the British decided to fight their battles. .

Caesar had not counted on the British use of Chariots which they might have been familiar with in area's but did not expect the British to use them on the battle field with good effect. .

One of Laud's sons sought out Caesar on the battle field found him and took Caesar on in a

fight to the death. During the fight Caesar thrust his sword into Nennius's shield and because it was made of several layers of leather try as he may Caesar could not recover his weapon. .

In those days if the leader lost his sword the battle was over and they lost the fight. However it didn't end there because Nennius received a fatal blow in which he would die three days later from blood poisoning because they used to use arsenic when making the sword. .

With the sword in British hands it was paraded all around London and the country. In fact they even included it on the City of London Coat of Arms and it has been on it for centuries in the top left quadrant where it can still be seen. .

Caesar made two attempts to defeat Britain and he failed on both occasions. .

Here's the interesting part, numerous battles took place from Deal to the South side of the River Thames opposite the Houses of Parliament. .

Now if you visit the Houses of Parliament at Westminster you will find a huge memorial to Boadicea the Iceni Queen who had another row with the Romans. .

That's another story though; now imagine 4,000 of those chariots all lined up in formation on the North side of the River Thames which can only be crossed at low tide and with great difficulty because of the fast flowing water of 10 knots or more. .

How many Romans died when the archers filled the skies with their arrows as the Romans attempted to cross the fast flowing water? .

Ok you have the picture, now go to the Museum of London and in the first gallery you come to you will find a huge cabinet full of all sorts of Weapons that would normally be associated with a huge battle. .

However you forget this is England and no such battles ever took place so you have the inventions of Votive offerings that the London Establishment of highly trained professional historians and Archaeologist state they are. .

Can anyone take anything any academic, be they Historian or Archaeologist seriously when they do stupid and ridiculous remarks such as this and fail to identify the truth and give it to us? Even a 10 or 11 year old child would have a better comprehension of real history than educated clowns which is what they are.

It makes one wonder what these so called academics are taught if they don't know anything about British History or where they were Educated even. Maybe they send them to Ireland who knows because they know stuff all about Llundud . .

Finally if you have your nose to the grindstone long enough and you do your research you finally get a lead and I finally tracked the missing statue of Llundud and his two sons down to a Church next to the Law Courts in the Strand which is the top end of Fleet Street. .

Tucked away out of view and concealed in a part of the church that no one even thinks of looking is the elusive statue of Britain's Hero who kicked Caesar and his legions back to Rome.

In Trafalgar Square there is an empty plinth that today is used for all sorts of stupid events that morons like to call arts. One year it was for a statue of a very pregnant woman which in my opinion was disgusting and offensive. But that's what they call art these days. .

What more fitting place could there be at a time when Britain is trying to promote brutishness than to clean and restore Llundud's statue and put it on the plinth because of all people he deserves it because he fought off the Romans and founded London as a Founder he is entitled to that position instead of a load of jokers.

## **Sowing The Seed John Trotter Winmalee, Australia**

**Isaiah 56 : 10 - 12 ; Matthew 7 : 6 ; 13 : 45,46; 1 Corinthians 3 : 6 - 8; 2 Peter 2 : 1 - 22.**

**T**HERE IS NOTHING NEW under the sun (Ecclesiastes 1: 9). The difference today, is that everything is acted out on a global stage. Corruption and moral decay has

impacted upon every facet of society. No matter how much we try to escape the impact we have all been tainted with the result that we all show little emotion or concern even with a murder in our own street. The outcome of the Same - Sex - Marriage vote has not only hardly raised any ongoing discussion but is a true reflection of the immoral standard of this country. The more important question would have been, "Do you agree with the Scriptural definition of marriage?". Have we arrived at a time in history, where what is holy and the pearls of Kingdom Truth are being trampled underfoot by dogs and swine? Time will tell.

The matter of God's Sovereignty is generally not seriously considered. It is within God's personality and plan to create what He likes, even a flawed piece of clay (Jeremiah 18: 4). Even though the clay is flawed due to disobedience, God may not take away the evil that can be used by God to instigate a turning from apostasy.

I dare to say that God is allowing Lucifer to play his part in a way that he does not realise, he is also a servant. May be, this thought is

behind the verse "that I create evil "(Isaiah 45: 7).

From the beginning of Israel's existence Lucifer and his human agents have planned to cut off Israel so as her name may be no more in remembrance (Psalm 2: 2; 33: 10; 83: 4). By pursuing the error of Balaam (Jude 1: 11, Josephus Book 4, Ch. 6, Section 6-8) regarding the mixing of races it is finally intended that there will occur a total disregard of the first Commandment. It is then hoped that what will follow is another rebellion like that which occurred at Korah (Numbers 16), where God's authority is expected to be usurped. As Karl Marx once said "My intention is to dethrone God" (Isaiah 14: 12 - 17).

In a world that is being more regulated and where governments are becoming masters rather than servants of the people, how are we to function to help preserve the existence of Israel? (Jeremiah 31: 35 - 37; Malachi 3: 6; Romans 11: 1, 28). It is an undeniable fact that the vast majority of the great men and women of Christian Faith have been of United Kingdom stock.

The question that needs to be asked and answered is: "Why and how did God preserve down through history such a people?". It is a sad fact that the leaders of the western world generally reflect the words of Isaiah 56: 10 - 12 and also that of Isaiah 28: 15 which says: "Because ye have said, We have made a covenant with death, and with hell are we at agreement: when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge and under falsehood have we hid ourselves". Our leaders have also become epicurean in lifestyle (Isaiah 22: 13, Ecclesiastes 8: 15 and Acts 17: 18).

Are we to give that which is holy unto the dogs, or cast our pearls of the Kingdom to the swine? (Matthew 7: 6). Are we to love those who hate the Lord? (2 Chronicles 19: 2), or are we to sow the seed (1 Corinthians 3: 6, 7) in the minds of those who might reach out for the meat of the word? (Hebrews 5: 12 - 14, 1 John 2: 14 - 15). Are we to seek out those who are genuinely seeking a deeper understanding, like the Bereans who searched the Scriptures (Acts 17: 11), to see if it were so? As governments move from crisis to crisis we are going to see

more people asking more questions as regards long lasting solutions. We have to be wise and learned enough to answer their searching questions.

Without being Bible "bashers", or even quoting Scripture , we have to drop into the conversation little pearls of Truth , in the hope that the mind will be stirred to seek further understanding. We in the meantime have to be humble, believing that the Holy Spirit will guide us into all Truth, not give us all the Truth (John 16: 13).

As the Pearl of Great Price (Matthew 13: 45, 46) relates directly to the Good News of the Kingdom, the scope for discussion becomes much more widely based for discussion. The discussion is not just about a relationship with Christ, as so many sermons centre upon.

The Kingdom Message is about economics, money matters, government, morals, and society at large: it is a total way of life from the cradle to the grave. Such a message is not only enriching to the soul, but it contains real life - long solutions. For example, let's say there is no word "mortgage" which means death pledge or grip in the dictionary.

Also lets assume banks cancelled all debts every 7th year, according to Divine Law, which God gave to Israel to obey. At the same time there was no interest charged upon the loans, other than possibly an administrative charge. Just imagine how these 2 Laws alone, if obeyed, would benefit society. No more will the "love of Money" (I Timothy 6: 10) rule society. No more will it be necessary to invest money on the stock exchange because money of itself will have no value but will be used

only as a means of exchange for services rendered.

Paul in his writings infers that the Coming of Christ was to occur during his lifetime. In the meantime 2000 years have passed. There are at present a number of flash points that could turn into a catastrophic event. We are told in Matthew 24: 22, "And except those days should be shortened (cut off), there should no flesh be saved: but for the ELECT'S SAKE those days shall be shortened ".

We are living during the events of this verse. Again we see the promise mentioned, relates to the "elect" who are Israel (Isaiah 45: 4). This has nothing to do with the church but rather to the "assembly" or called out ones. In the meantime we are to have our lamps full of oil (Matthew 25: 1-13), so as we will be the wise virgins or bridesmaids.

The olive tree is a symbol of Israel as a nation. Olive oil is used as a symbol of comfort, spiritual nourishment and prosperity. It is also a symbol of the Word of God and its riches. All these features can be expressed in our endeavours to fulfil the words of Isaiah 61: 1-3. This is a great responsibility. To perform this task, study of the Scriptures is vital, for we must be approved of God (2 Timothy 2: 15).

The sowing of the seed and watering will provide hope for the future. This is our Kingdom duty as servants. We are to be wise to the counterfeits of Lucifer as expressed in 2 Peter 2: 1 - 22 and wise as serpents (Matthew 10: 16), so as we can know and understand the wiles (trickery) of the devil (Ephesians 6: 11).

Discerning the difference between the tares and wheat of the Kingdom (Matthew 13: 24 - 32) is essential. Once we have been able to discern between good and evil, we will not give that which is holy unto the dogs, neither cast the Pearls of the Kingdom (Matthew 13: 45,46), to the swine who will trample them under their feet. If we sow the seed, God will bring forth the increase as stated in 1 Corinthians 3: 6, 8 which says: "I have planted, Apollos watered; but God gave the increase. So then neither is he that planteth anything, neither he that watereth; but God that giveth the increase. Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour". May we be worthy in the sowing of the seed. John T. of Winmalee.

## Uncommon Law - Defence Against Its Dark Arts By A Lawyer

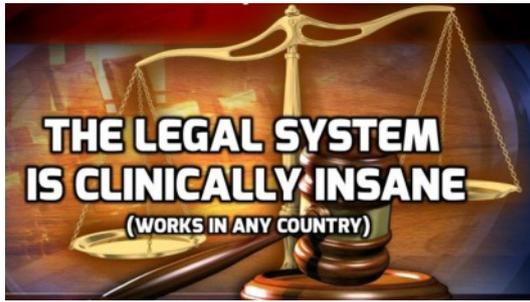

Of all the posts I have made, I consider this article the most important one. And that's why

I have set it as the front page – the first “port of call”. Why? Instead of just defeatist whinging and moaning and groaning about the Yid – as is the case with so many websites and blogs – it gives you a solid weapon to wield against him! **The Law!**

Think of it as a “**Defence Against The Dark Arts**” lesson, i.e. the dark arts of lawyers – most of whom are either Jews or Freemasons or both!

It may be of interest to anyone who is concerned about the threat to our freedom of speech, or to someone who finds himself charged with a “hate/thought crime” by the Jewish thought police, like the ADL, or some other bleeding-hearts do-gooder's.

It may also be of interest to anyone who understands that the Psychopaths That Be and their whores in law enforcement (i.e. police and “jewdiciary”) are just plain insane and needs to be reined in!

Insane! And a total fraud! Some essential sound byte: **The article is for purposes of information only.**

**It is not intended to be legal advice!**

Having this disclaimer out of the way I nevertheless want to point out that the legal principles **ARE** sound and I have personally applied them and they work!

### **The True Nature Of Courts**

In ages past rulers were not only makers of law but interpreters of law and dispensers of justice as well. Subjects would journey to the place where the ruler was domiciled, i.e. the “court”, in order to present petitions, to settle disputes and to seek his decision on a variety of matters brought before him. A court was thus

**a) the dwelling of a sovereign ruler and his retinue and**

**b) the place where justice is administered.**

As civilization became more complex, the authority to determine controversies and to dispense justice was delegated to an organized body, with defined powers, meeting at certain times and places for the hearing and decision of cases and other matters brought before it. We still refer to both these organized bodies and the places where they meet as courts. Now as then, however, a court’s power to adjudicate is **NOT** inherent but derived – from the sovereign!

“Who then is the sovereign?” you may ask. You are! You were born free and unless you

have **KNOWINGLY, INTENTIONALLY** and **VOLUNTARILY** signed away your sovereignty and your inalienable rights and agreed to be the subject/slave of another man or group of men, you are still a Sovereign. It is almost certain that you are completely unaware of it because this fact is intentionally hidden from you!

**A court has absolutely no authority to initiate legal action!**

**Its authority is derived from sovereign men and women!**

### **IT IS PEOPLE WHO CREATE THE COURT!**

For a court to take up a matter one party must make an accusation against another. The accusation **MUST** be backed up a) by an **AFFIDAVIT**, i.e. a statement as to harm suffered, sworn under oath and signed by the plaintiff or b) by a **lawful contract**, signed by the parties to the contract. Without either of these the court cannot proceed – at least not lawfully!

It is important to note that **ONLY** living men and women can sign an affidavit. A commercial corporation, for example, or a government agency such as police, **cannot** sign an affidavit.

But this is not all! Even when someone has created a court by filing a writ or claim the court is not free to do as it pleases. More people power is needed: **ALL** parties **MUST** agree to accept the court’s ruling. If one of the parties refuses to authorise the court’s action then the court cannot lawfully proceed!

### **Bluff and Bluster**

Given the plainly obvious corrupt nature of governments – any government – and their agencies, such as police and judiciary, would any sane and self-respecting man or woman grant consent to jurisdiction if they knew that it is within their power to withhold it? Of course not! Your “consent” is therefore obtained by devious means.

Because consent is vital “authoritative” processes have been put in place to mislead,

intimidate and manipulate you into accepting the role of the court. One of their most beloved tools to manufacture consent is to trick you into “agreeing” with something they say in what you think is English when in reality they are speaking **legalese**, a language designed to confuse and mislead, a language where even the most innocuous everyday word can be made to mean something entirely different. Intimidation and manipulation, misinformation and misdirection, lies and subterfuge, denial of due process and other criminal practices – all in a day’s work for lawyers.

**A typical court room**

Such things as a summons, court order, judgement, penalty and fine convey the impression of authority, don't they? The fact is: they are rarely worth the paper they are printed on. A summons, for instance, is made to appear to be a court order that you must obey, on penalty of arrest, when it really is nothing more than an **invitation/offer** to enter into a contract with the court in order to do business. Invitations can be lawfully declined! A threat to have you arrested if you do not accept the “invitation” is actually an offence! **Bluff and Bluster** is the name of the game they are playing!

### **Court Room Architecture**

Court rooms are divided into two sections: a) **the public gallery** (where the audience sits and where the defendant waits until his case is called) and b) **the area where the proceedings take place**. The boundaries are always clearly marked by some sort of barrier. The two sections are connected either by a simple opening as shown below or an actual gate.

Unfortunately, too few people are aware of the significance of this architecture. The treacherous legal fraternity is hiding something from you.

And this is what they conceal from you: The public gallery represents “**dry land**”. Here you are under the jurisdiction and protection of **Common Law**, also known as the **Law of the Land**. Under Common Law you are presumed to be innocent until proven guilty and furthermore, you have the inalienable right to trial by jury.

The other part of the court room represents a “**sea-going vessel**”. Here you are under the authority and jurisdiction of **Admiralty Law**, aka the **Law of the Sea**. Things are turned upside down: you are considered guilty unless you can prove your innocence and the right to trial by jury has been abolished.

Unfortunately, too few people are aware of the significance of this architecture. The treacherous legal fraternity is hiding something from you. And this is what they conceal from you: The public gallery represents “**dry land**”. Here you are under the jurisdiction and

protection of **Common Law**, also known as the **Law of the Land**. Under Common Law you are presumed to be innocent until proven guilty and furthermore, you have the inalienable right to trial by jury.

The other part of the court room represents a “**sea-going vessel**”. Here you are under the authority and jurisdiction of **Admiralty Law**, aka the **Law of the Sea**. Things are turned upside down: you are considered guilty unless you can prove your innocence and the right to trial by jury has been abolished.

You will be asked to step from the public gallery into the other part of the court room. Quite a simple and harmless request, isn't it? Wrong! If you cross the barrier that separates the two parts of the room you are considered to have **boarded a ship**; you now come under the jurisdiction of admiralty law, administered by the captain of the imaginary vessel, the magistrate/judge.

Needless to say: no member of the legal profession will tell you about this fraudulent switch of jurisdictions and that includes your own lawyer – if you have one! Telling you would give the crooked game away, wouldn't it? – and anyway, your lawyer's allegiance is to the court, you come out second best!

This imaginary ship is flying false colours, i.e. it is making itself out to be a lawful court when it is actually nothing more than a commercial outfit operating for profit/plunder. Put bluntly: you have fallen amongst pirates!

If you, from the safety of the public gallery and the protection of Common Law, **clearly** and **unequivocally** tell the magistrate/judge that you do not consent to the court's jurisdiction – guess what – it does not have jurisdiction! The court will almost certainly attempt to manipulate you into thinking that you are misinformed. You may also be threatened with arrest or with a **contempt-of-court** charge. That is nothing but more of their bluff and bluster.

**Contempt of court** is an invention of the judiciary designed to gain control over anyone who challenges them. Should that happen ask them: “**Is this criminal or civil ?**” A criminal offence needs to be based on an affidavit of

probable cause (who was harmed? what is the harm done? what is the remedy sought?) A civil offence needs to be based on a lawful contract. Needless to say they will not be able to produce either an affidavit or a contract to back up an offence that does not exist. Stand your ground!

You **ARE** free to walk out! If they touch you after you have denied consent in order to drag you into their jurisdiction they are committing a crime, i.e. **ASSAULT** and **KIDNAPPING**.

How does the above information relate to, let us say, a charge of holocaust denial or causing offence to a Jew by making critical remarks about Jews and Judaism and/or Zionism and Israel? I am not a lawyer and do not give legal advice. Furthermore, there are simply too many variables involved to give a one-size-fits-all solution.

What I can do, though, is to give you pointers and outline the strategy and legal principles I would use myself and, in fact, have used before. It is up to you what you do with this information. Do not take anything I say without checking and double-checking!

These principles apply in any and all legal actions in Common Law jurisdictions such as: the UK, Scotland, Ireland, the USA, Canada, Australia and New Zealand (these are the countries I am sure about).

Common Law is the only true law there is! It cannot be abrogated by anybody! Let nobody fool you into thinking that Common Law no longer exists!

Let's assume then that I have written an article on my blog which is deemed to be anti-Semitic by the Jewish thought police such as the ADL or its equivalent here in Australia. Or perhaps I have publicly voiced doubts concerning the

holocaust and someone decides to drag me into court on charges of holocaust denial.

Let me begin by clarifying what I definitely would **NOT** do:

**A)** I would **not** hire a lawyer! It would be a waste of time, money and energy to hire a defence lawyer; his loyalty is first and foremost to the **BAR** association, i.e. his professional organization and to the court. In view of the fact that a disproportionate number of the members of the legal profession (probably most of them!) are Jews or Freemasons (and oftentimes they are both) I could not reasonably expect a fair trial because both elements operate outside natural justice, to wit: Jews have the duplicitous [Kol Nidre](#) and Freemasons have their equally duplicitous secret oaths.

They cannot be trusted with something as valuable as truth and justice! Period! Furthermore, a Jew could not be considered unbiased in a case that touches on things Jewish, could he?

**B)** I would **not** invest any of my precious time, money and energy going into court to defend the case on the basis of truth. That has been done before and does not work. Modern courts are commercial outfits.

They are in the business of making money for their principal, the government. They are not especially concerned with truth and justice. Just ask David Irving, Ernst Zundel, Robert Faurisson and Frederick Toben and a host of innocent victims of our perverted “jewdicial” system! The holocaust is a matter for historians and forensic scientists to deal with. Not for courts.

There are two kinds of legal actions: **CRIMINAL** and **CIVIL**. In a nutshell:

criminal cases are based on a breach of the peace; that means I need to have harmed somebody. Civil cases are based on contracts and breaches thereof. To establish whether there is a criminal or civil case to answer I need to ask some questions.

**First Question:** Is holocaust denial a crime? Let’s see! Who is the plaintiff? The ADL? The Jewish People? Both are not living beings, cannot sign an affidavit and therefore have no standing in the matter! No! It’s Mr Goldberg who claims to be the victim of a crime! Oy gevalt! Well then, did I breach the peace by causing him **genuine harm and injury**? If so, what exactly is the harm done? Mind you: we are talking about real harm here. i.e. **harm to life and limb and/or property**.

Did I perhaps defame the plaintiff, destroy his reputation, thus causing him real suffering and measurable harm? Please note: his bruised sensitive Jewish ego does not count!

**NO VICTIM = NO CRIME = NO  
CRIMINAL CASE**

Please note: if there has been a breach of the peace, i.e. you have caused harm to somebody and/or his property, there is a victim, of course, and you do **NOT** have the option of withholding consent to jurisdiction – but you always still have the right to demand a trial by a jury! Not granting you such a trial is a denial of due process of law and an offence!

**Second Question:** Is there a lawful contract? Did I sign an agreement with Mr Goldberg to accept the holocaust as an established and hallowed truth? Do I have a contractual obligation never to ask awkward questions about it?

**NO CONTRACT = NO BREACH OF  
CONTRACT = NO CIVIL CASE**  
**I would proceed as follows:**

You can probably imagine that going to court can be an expensive, time-consuming and nerve-wrecking business. But why would I go there if I do not have to? As I have not committed a crime and as there is no contract there is neither a **criminal** nor a **civil** case to answer. A summons is an invitation. I will politely but firmly decline it.

I do **NOT** have to physically appear in any court. **Everything** can be done in writing, either to the plaintiff, his legal counsel and/or the court. In fact: it is the paperwork, the affidavit process, that actually constitutes the court!

**If, however, I decide to go into the court building, for whatever reason, here is, in a nutshell, what I would or would not do:**

I never walk into a court room without witnesses, i.e. the general public + the friends I bring along.

Given half a chance the crew of the pirate ship will tamper with official records; therefore I always make sure to independently record the proceedings or get my witnesses to record them I do not enter a plea (**not even “not guilty”**; by pleading I would accept the court’s jurisdiction)

I do not carry out any order or instruction (that will give them jurisdiction!).

I do not take anything they say at face value (they speak legalese ; I compel them to use my language).

I do not enter their jurisdiction by stepping from the public gallery onto their pirate ship but remain in the public gallery, i.e. under the protection of Common Law.

I do not argue with them nor discuss anything (remember: they have no case and therefore there is nothing to discuss!).

I clearly and unequivocally deny them consent to jurisdiction.

After denying consent I will warn the court not to touch me nor to interfere with my leaving. I then walk out of the court room and no longer

respond to anything more coming from the court.

You may ask: “It can’t be that simple, can it?” Lawyers would have you believe that the law is a complex maze or, perhaps, a dangerous minefield that only they can successfully navigate. They would say that, wouldn’t they? The longer the journey through their fantasy world, the more they like it – because you pay for it! You are their meal ticket! You pay for their bread and butter – and Mercedes, beach villas, ski chalets and mistresses.

And yes, it is that simple! All I am doing is to assert my rights! Isn’t it time you did the same for your rights?

Not convinced? Here is the link to a description of my wife’s court case, complete with audio clip wherein consent to jurisdiction is denied. This was not a “hate crime” but, as I explained above, the principles apply in any and all legal actions.

The aftermath of this case: My wife and I have placed Commercial Liens on the cops involved, the magistrate and some of their higher-ups in the public service and government. These Liens, although I have not yet been able to collect, are still valid and will remain valid for a very long time! [See Here](#).

[Here](#) is a document I have designed for use should the thugs in the “justice industry” ever get the idea again to drag me into their kangaroo courts. Feel free to use it as a template ... **but ONLY if you are absolutely sure you understand everything in it**. I am not responsible for anything you choose to do!

Here is the link to an audio clip in which I am arrested, well, sort of. The whole incident took about 40 minutes or so; I have edited out the many long stretches when nothing of consequence is being said.

I have deleted the blog that the clip was originally linked to. But just listening will tell you most of what happens here: the cop arrests me, I deny him authority and jurisdiction, refuse to comply with instructions, close the window to prevent him opening the car from within and nearly pin him down – intentionally!!!

After some to-ing and fro-ing and lengthy consultation with his headquarters he “allows” me to continue (isn’t that generous?) with the hilarious explanation that I am an old man and he doesn’t want to hurt me.

Actually, I was an old man just forty minutes earlier when he stopped me and threatened to break into the car and drag me out! I was issued two summonses to appear in court which I declined in writing on the grounds that I have no contract with the police and do not consent to any court’s jurisdiction. That was the **END OF THE STORY!**

### A Prohibition Against The Enlarging of The City of London

Sir, Whilst reading Rapin’s History of England, I came across an interesting note where Elizabeth I, made a proclamation, restricting the expansion of the City of London

and referring to it as a “Monstrous Head” to a moderate body. She also restricted the number of families being in one dwelling to 1 only. perhaps the Edomites were coming into London, even during this period of our history! See below:–

**1580 AD] The City of London increasingly excessively**, to the detriment of the rest of the towns, the Queen thought it necessary to remedy this inconvenience. She published therefore in the beginning of the year 1580, a proclamation, prohibiting any new buildings within three miles of the gates of the City, upon pain of imprisonment, and forfeiture of the materials (9). It were to be wished for England, that this prohibition had been punctually executed even to this day, since the City is so

enlarged, that it is grown a monstrous head, to a body of a moderate size, to which it bears no proportion. It was also ordered, that no more than one family should dwell in a house. Camden, p. 476. **Yours truly, June James, Co. Durham, UK.**

**Newsletter From Forvik  
Challenging the authority of  
Scotland and the UK in Shetland**

**Sir**\_\_, It has been a long time since I last wrote, but that's not to say I've been inactive – just that sometimes I like to keep things a bit quiet.

After completely flawed proceedings, including an appeal where the Sheriff (judge in Scotland's lower courts) admitted he was 'in uncharted waters' - in other words he didn't know what he was doing, I was found guilty of vandalism at the Cunningsburgh shop.

Although The Sovereign Nation of Shetland claims ownership of the shop via our undisputed claim for the allodial title for the whole of Shetland, the question of ownership was not considered worthy of attention despite my protests. Of course, any allegation of vandalism falls if we own the shop.

As a measure of their desperation, bail conditions were imposed preventing my fundamental right to challenge the jurisdiction of the court and normal procedure was completely mangled. I was also tried and convicted for contempt of court in my absence, with a back-dated prison sentence. Things are getting pretty interesting.

Having paid the monthly instalments under duress for the fine imposed for the vandalism 'offence', I have just written saying that in view

of the fact that the proceedings were void, I cannot in all conscience continue to pay it. I risk being sent to jail for contempt, but that will only add to the catalogue of abuse I have already suffered - grist to the mill.

They have now dug a deep enough hole and it has reached the stage where I am preparing to report various people to the police for crimes committed against me over the past seven years.

While the police have previously brushed such reports under the carpet, I recently discovered that they must follow a set procedure when a crime is reported and must produce an audit trail. Brushing it under the carpet is a crime in itself. In the firing line is everybody from judges down to individual police officers.

We'll see what happens, but my prediction is that the legal phase of this project will end this year around July or September.

Requests for documents from the courts, prosecution, police and prison reveal discrepancies and omissions supporting the criminal evidence against them. Ones from the Crown Prosecution Service are heavily redacted, but their redactions pinpoint areas of sensitivity I was unaware of. A good shot in the foot.

So, Happy New Year everyone – it's going to be a good one.

**A Letter to Theresa May UK Prime Minister**

**Sir**\_\_, Your might be interested in this letter I sent to the PM - See below:

Dear Madam, We built the world's largest empire because of our shipping, which is just as important today.

As a retired merchant seaman I am particularly concerned about our merchant service, Royal

Navy, fisheries and shipyards. We built the finest and fastest ships in the world such as the Cutty Sark, the Queen Mary and the Manxman class cruiser. The latter were employed during World War II supplying water and essential stores.

When under enemy controlled airspace the Manxman cruiser could sail at 40 knots. Without these Malta would have fallen, with great consequences.

Since joining the Eurination (Punch gave us this precise definition) our shipyards have been shut. Swan Hunters were one of the 4 yards building ships for the Navy, where the highest quality is essential. It is now shut and the equipment sold abroad to foreign competition.

Stopping payments to the Eurination would release huge funds enabling Swan Hunters and others to be reopened. The Germans were not so foolish as us. Our cruise liners have been built there and the Queen has been obliged to perform the "naming ceremony" when the liner first arrives here.

The fisheries are a sad case, Grimsby once had 700 fishing boats and is now down to less than 20. I heard the two gentlemen at the British league of housewives, who told us the only nation which obeys Common Market rules is the UK.

We are a law-abiding nation. We must leave the Eurination to protect our fisheries. May I suggest, that tax breaks be granted to ship owners, with conditions, to hasten the restoration of our shipping, both merchant and fishing.

My mother living in Leeds, was a member of the anti-common market league. She collected over 2000 signatures for a petition against it, with only one refusal. However, four of her many friends she did not ask. One couple had travel agency and thought their business would improve. The other couple were members of the Labour Party who were told that trading with Europe will reduce the cost of living.

I told them that freight by sea to Australia was £10 a ton and 6 pounds a ton to Poland. Could Europe supply all the wool we need? But they

had been so well brainwashed that it was impossible to reason with them.

The Labour Party were in opposition at the time, and it is the duty of her Majesty's opposition to oppose government propositions (A failure of democracy). On Heath's, say so the petition probably ended up in the furnace at number 10, ignoring the voice of the people and therefore was not a Democrat.

Neither is Mr Blair-Blare, 2 million people marched against the proposed war with Iraq, but he went ahead anyway. Later Mr Brown stated that this war was not necessary. I thought this was a signal for the Conservative government to impeach him so that he could explain himself, as a democratic right, but the party were led by Euro fanatics at the time.

Now Mr Blair-Blare and Mandy say MPs can ignore public wishes on Brexit. This specimen is certainly not a Democrat.

When Heath became Prime Minister, authority was granted to him by her Majesty the Queen. But he made us join the Common Market, and accepting a foreign authority over. Which is high treason the penalty for which then was death.

With your coming new position you will have a multitude of demands made upon you, so I'll send this letter as it stands although I have some more to make myself. Yours truly, **An Ancient Mariner.**

### **Monika Schaefer Arrested in a German Court While Witnessing The Trial of**

### **Lawyer Sylvia Stolz**

Monika Schaefer was arrested on January 3 2018 in the very heart of "Holocaust country" while attending, as an observer, the bizarre

inquisition hearings against the courageous Sylvia Stolz. This "trial" was for illegal words that Sylvia Stolz had spoken at the "Anti Censorship Coalition" (AZK) in Switzerland in 2012. The twisting nonsensical accusations of the inquisition was beyond bizarre. What the snake that calls itself the "State Prosecutor" did, will be something that will amuse future generations when studying the "witch" trials of 2018.

45 minutes into the inquisition the "State Prosecutor" snake called for a surprise break, which was then used to arrest my courageous sister Monika. The only thing Monika did was watch quietly as the inquisition was dealing with Sylvia Stolz. These people have us under close observation and figured it was a good opportunity to demonstrate their "power", and intimidate us.

Another snake masquerading as a "State Prosecutor" accompanied by 3 heavily armed thugs handcuffed Monika and dragged her away. When my sister protested that she is a free person from Canada and had done nothing wrong, the "State Prosecutor" snake told her, "if you wanted to stay free you should have stayed in Canada". (Welcome to Holocaust country)

Now they have moved Monika Schaefer to the high security prison in Munich and will keep her there indefinitely. Monika is accused of making an apology to her own dear mother. The title of the video was "Sorry Mom, I was wrong about the Holocaust".

What has angered the Jews is the fact that this one little video has undone hundreds of millions of dollars worth of their psychological warfare that most of us had become victims of. They thought that their ridiculous "Holocaust" program was now firmly wired into our brains, and then, along comes Monika and blows it out of the water with a simple apology to her Mom. That really surprised them.

This is happening at the same time that our borders are open and millions of young men from Africa and Asia are flooding into our European countries with a free pass to do whatever they want. This is something that the Jews had planned for the European countries for a very long time. In the end our cities are

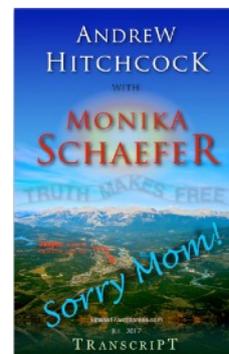

supposed to turn into Lagos or Calcutta type slums that can no longer resist Jewish hegemony.

The sick perverted criminals that ordered Monika arrested are people that put a pancake on their head and nibble the foreskins off of little 8 day old baby boys thinking that this odd behaviour somehow gives them the privilege to rule the planet. These perverts are the same ones that tried to silence me a long time ago already, but have failed. Here they are: B'nai Brith Canada

To put Monika Schaefer in prison because she apologized to her Mom is making many people very angry and not helping people "like" the Jews very much. In fact, this may give Jews who want to come clean and join humanity, the opportunity to help us get Monika out of prison. So, if you are a Jew, we have many JEWdicial costs to cover, and helping Monika out of prison can be used as proof that you are a "good" Jew. Just contact me and we can work in together. **Yours truly, Alfred Schaefer**

## A Letter to The German Ambassador in London

**Sir**\_\_\_, For readers' information a copy of a letter sent to the German Ambassador in UK Others might care to do the same.

Dear Ambassador, I wished to write to you concerning a human rights matter. I note that your website has a highlighted section on human rights, so perhaps you will intervene and report back to those concerned in your country about a lady held in a high security prison in your country whose human rights are being violated.

Continued next page

Her name is Monika Schaefer. Her 'crime' is that she made a video which was sent to her mother which concerned an opinion that others disagreed with. She has not caused any harm or loss to another.

I write to inform you that in the opinion of many in this country, the particular human rights of this lady and other who are being treated in a similar way demonstrates that there is an evil force operating in your country. The fact that this force is allowed to continue indicates that the government itself is either behind it or is too frightened to control it. This is damaging the mutual friendship between Britain and Germany and makes a mockery of the human rights part on your website. Thank you for your time. **Yours truly, John Timbrell**

### **The Interesting Origin of Using VC (*Vi Coactus*) Indicating A Signature is Given Under Duress**

Vi Coactus, abbreviated to V. C., is a Latin term. Wikipedia cites the definition of *vi coactus* as: “constrained by force”. Used when forced to sign (“or else ...”).

Perhaps the most famous use of *vi coactus* when signing a document was that of Cornelius de Witt.

Alexandre Dumas captured the event as follows: The Grand Pensionary bowed before the will of his fellow citizens; Cornelius de Witt, however, was more obstinate, and notwithstanding all the threats of death from the Orangist rabble, who besieged him in his house at Dort, he stoutly refused to sign the act by which the office of Stadtholder was restored.

Moved by the tears and entreaties of his wife, he at last complied, only adding to his signature the two letters V. C. (*Vi Coactus*), notifying thereby that he only yielded to force. That ominous mob got its spectacle this date in 1672, lynching the Dutch Republic’s longtime de facto head of state, Johan de Witt along with his brother Cornelis/Cornelius.

The Edomites in control of the first central bank in Holland, had plans to takeover the UK and in order to do this it was necessary to revise the post of Stadtholder. Cornelius de Witt refused, do not being aware of their plans.

After the post of Stadtholder, was revived which was taken by Willem Hendrik, whose wife would give birth to William 8 days after his death. William his son would be promoted to the post of Stadtholder, later to become know as William Prince of Orange and whom in the UK would be referred to as some, as that “hooked nose monarch”! Yours truly, CBP, Sussex, UK.

## **Croatian Migrant Felt Unsafe in Sweden - Left To Go To ‘Amazing’ Poland – Interview**

### **Darko Crncevic: Tell us something about yourself and your family**

**I** LIVE IN POLAND with my wife and my kids. We moved here from Malmö, Sweden, for about two years ago. I came to Sweden with my parents and my siblings when I was a small child. We came from Croatia.

I loved growing up in Sweden: It was clean, safe and everyone was nice to us (well, there of course were some idiots – there always are). I grew up with hard working parents and had a great childhood. It was a good time in my life. My parents did start with nothing and slowly built a life for us.

Sweden allowed me to get an education and a career. I currently work as an IT/tech-specialist at a US-based company. I also have some small

side projects involving helping people in Sweden to cope with their situation. I moved my parents over to Poland and my wife's parents will come here in 2019.

## **Darko Crncevic:**

You left Sweden to go to Poland, why is that? Well... it's obvious for most people I think. Sweden has been in decay for quite some

time now. The schools are terrible, simple medical help takes a long time, the violence is increasing on every level and I simply don't recognise the country I grew up in anymore.

One other reason was that I felt utterly alone in speaking up about what's going on in Sweden. On a party almost everyone thinks the same but officially you're pretty much alone. People are afraid to speak up because those that do are branded racists or populists, It's very disturbing.

**Swedes know that something is terribly wrong but no one speaks openly about it.**

Swedes KNOW that something is terribly wrong but no one speaks openly about it. The media seems to be on the side of the politicians all the time. The people know that migration has led to more crimes, more rapes, more violence, more gangs but the government and media just wants people to focus on the good things about migration.

They told the Swedes that migration would save their elderly and would generate billions for the country... and now it seems it's the opposite that has happened.

But still... the migration must go on. It's pure madness. Like today – they have “sold” the

idea that Sweden has a normal migration rate but no. It's still very high and society can't keep up with housing, schools and jobs. Sweden is – and I think most outside Sweden knows this – REALLY BAD at integration

Another thing was that I travelled a lot for my work and always got a lot of questions about Sweden. People outside Sweden are much more aware than most Swedes can imagine. At first, people talked about how great Sweden was when I started travelling.

But lately it's a different story: people now talk about Sweden as something very weird and disturbing. That was an eye-opener and that happened in less than eight years. You tend to go somewhat blind about stuff when you live in the middle of it. I – thanks to my job – never became that docile.

**The future of Europe stands here. Central Europe is the future**

In Poland people talk like adults. Even about difficult subjects. This is still surreal to me after my time in Sweden. The discussion is totally different here: people are not afraid to talk. At the same time it's REALLY weird – living here – and then to listen to, or to read Swedish media and what they say about Poland. It's so much better here and it kind of feels like envy from the former – oh so glorious – Sweden.

The future of Europe stands here. Central Europe is the future. No one in Sweden talks about this. A “Three Seas initiative” or maybe a Central European Union? I don't know. But for the first time in a long time I feel like I'm home.

**What is the difference between Sweden and Poland?**

It's a lot of things. First the culture and history and this is important. They are proud of their

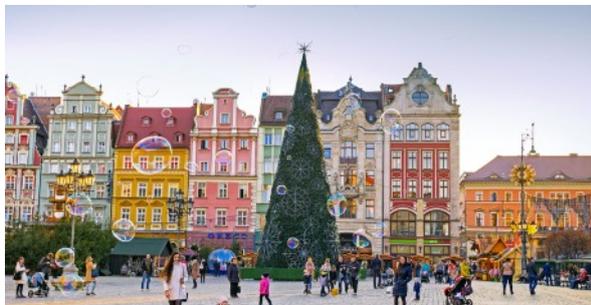

heritage. This is not the fact in Sweden. To be a “proud Swede” is racist. I’m an atheist myself but here I tend to go to many church events. Most Poles I know do so as well. I do it because it’s a part of their culture.

I don’t have to believe to find the churches beautiful or the rituals engaging. This is the glue that binds everyone together... and it’s very humbling and beautiful to have the opportunity to be a part of that.

I didn’t know I needed it this badly to be part of something until I came here. It’s important to celebrate history. This is not encouraged in Sweden. But I now know why it’s so important. I’ll never be a true Pole but I will fight for this country if needed. I know... that sounds kind of strange but this is what I feel. Thank you Poland for making me feel like this.

The skills of the people are another example. I work in a tech industry and there’s a lot of talent and a vision here. Much is changing and it’s full speed ahead. Poland is rising, fast, and to be here to be a part of this is awesome. There are a lot of investments going on and I kind of feel the same way I did in Sweden when the IT-era started when everything was possible. It’s easy to find people here with good skills and grit.

The schools... wow. Our kids were pretty wild in school back in Sweden. A lot of whining about homework and they got away with a lot of crap. Swedish schools are like that. It’s all fuzzy and pink clouds and feelings. In Poland... there was none of that.

## Wroclaw, Poland

**The real winner is the society. It is safe here, everywhere. No gangs roaming the streets.**

Today all kids are doing really well. All grades are up. An interesting thing was that the teacher here in Poland had never had such a hard time with new students before. In Sweden... kids in schools get away with pretty much everything. But they love it now and would never go back to their old school in Sweden.

Medical and dental: This is amazing in Poland. Fast, efficient and of very high quality. In Sweden we could be at the emergency room for 12 hours with one of our kids. Here... we’ve never waited for more than 15 minutes. The real winner is the society. It is safe here, everywhere. No gangs roaming the streets. To watch young Poles greet each other on the street is amazing. You can be out until 3 am and then walk home.

That safety was the real thing for me. I hate worrying when my kids are out or when my wife goes to town with her friends. In Sweden I always feared that one phone call that would make me become an animal. I don’t fear anything when it comes to keeping my family safe. Here I can completely turn that part of me off. And I like that. Here... I can just be me. Father, husband... simply... me.

The people are very friendly and open here. I feel really humbled to the way we’ve been accepted here. Open arms all the way. Poles are awesome. And the food.... Just wow. Watch out for that if you visit. It’s... ehm... easy to get carried away and eat too much. I know because I had to ramp up my training quite a bit to keep up. Eating less was not an option. The food is too good. And it’s clean here. No one throws stuff on the ground. It’s amazing. Everyone just does their part and I love it.

People don’t get offended all the time and cry about it here because adults rule Poland. And it really shows. I also like the architecture, the people, the beer, the gardens and the nature. But also how buses and trains work (they don’t in Sweden). I’m totally in love with this country and its people.

**Is there anything you would like to say to native Swedes?**

“Stand up!” Sorry... but that’s what it is about. The time is up and there’s not much time if you

want to have a country that you kind of want to live in (it's now about making the best of what you have – old Sweden is gone). I tried but it was pretty lonely. At the time before we left – most of the people who really talked out loud were pretty fed up people. Racists and idiots, the ones who did not care and some nationalists with good intentions. Otherwise the standard Swede was absent... asleep, as I call it.

**Also – and I can't stress this enough – don't hate or be an idiot against migrants.**

This was one of the reasons I left. My wife was actually afraid her boss would see my Facebook posts and lose her job over it. The articles were nothing bad: from Swedish newspapers, blogs and some of my thoughts. Ha ha ha... and all my likes were from friends from the Balkans. Ha ha ha... to brand me as a racist is so dumb but still... that happened.

Also – and I can't stress this enough – don't hate or be an idiot against migrants. They're just trying to make it by their own. Respect that. Redirect your anger, clean it up with good rhetoric and use it against politicians who are behind all the weak laws and who failed to act in time – they are the one who you should be dealing with. Demand answers. When they don't answer – keep asking.

Read **ALL** the newspapers and read **FOREIGN** newspapers. And stop entirely to watch or buy access to mainstream media in Sweden. Hit them where it hurts... their visitor numbers and their ad revenue. Which newspapers are ok to read, you might ask? Don't. That's part of the problem in Sweden. Go find out yourself. Read everything and form your own opinion. And most important of all: **STOP** being afraid. Speak up wherever you can. It's **YOUR** opinion and it matters. Each

time you stand up for your beliefs you will become better at expressing it. We all want people to have a good life – we just have different opinions on how to achieve it.

There really are no right or wrong opinions here. If someone calls you a racist, populist or any other dumb emotional crap word – demand to know why. Call the Postmodernists out on everything they direct against you.

**Stop being afraid. Stand up!**

And STOP being afraid. Stand up. And read up on Postmodernism. It's the new red. Watch out for that and be ready to tackle it. Find others who think like you and try to change things. If you know 100 people... tell them... and then they in turn can talk to their friends. You're not a grain of sand whose voice doesn't matter... you're a part of a larger network that you can influence. You matter, exponentially. There is this cliché that really fits here. "It's better to die on your feet than living on your knees".

**Warsaw Poland**

Of course you don't die in Sweden if you speak up (but you can lose your job)... but if you don't you certainly live on your knees if you're silent. So... Stand Up.

# The Illuminati Takeover of European Masonry Following Congress of Wilhelmsbad 1782

By Eric A. Samuelson

## Wilhelmsbad Castle - Conference Venue

**I**N 1782 [the Duke of] Brunswick decided to solve his doubts by holding a final Conference or Convent of the Order at Wilhelmsbad, near Hanau in Hessen. True to its aristocratic origins, the last gathering of the Strict Observance was a blue-blooded affair" (Peter Partner, *The Murdered Magicians*).

In August 1781 Dohm, under the influence of Moses Mendelssohn, published *Upon the Civil Amelioration of the Condition of the Jews*, which produced a great wave of pro-Semitism (Nesta H. Webster, *World Revolution*, (1921), p. 32).

The historian Graetz wrote that C. W. Dohm's book painted the Christians "as cruel barbarians and the Jews as illustrious martyrs" (ibid). It is a fact of history that the convention triumph of Weishaupt's Illuminati in 1782 occurred simultaneously with the admission of the Jews to Masonic lodges.

Masonry had existed decades at least before the Illuminati (Nimrod was the first to teach the arts of masonry. William Josiah Sutton, *The Illuminati 666*, (1983), p. 103. Estill wrote: "Undoubtedly Masons were employed at the creation of the Tower of Babel, where, as we are informed in some of our rituals, language was confounded and masonry lost."

hn Holbrook Estill, *The Old Lodge*, (December 17, 1885), p. 3. An old rhyme says: "If history be no ancient Fable - Freemasons came from the Tower of Babel." Esther Forbes, *Paul Revere & the World He Lived In*, (1942), p. 58. The ruling motives for building the Tower of Babel were pride, selfishness and vain glory. Rev. M. F. Carey, *Freemasonry in All Ages*, (1896), p. 25. "The attempt at universal empire

was completely put an end to by this extraordinary interference of God." Rev. M. F. Carey, *Freemasonry in All Ages*, (1896), p. 26). But after the 1782 Congress, European Masonry was "dominated by the super-secret Illuminati" (Cushman Cunningham, Part II, *The Secret Empire*, (2005), p. 67-68). Albert Mackey called the Congress "the most important Masonic Congress of the eighteenth century" (A. Ralph Epperson. *Masonry: Conspiracy Against Christianity*, (1997), p. 319).

Nesta H. Webster said "(its) importance to the subsequent history of the world has never been appreciated by historians . . ." (Nesta H. Webster, *World Revolution*, (1921), p. 31). It was held "at Meyer Amschel Rothschild's castle in Wilhelmsbad" (Juri Lina, *Under the Sign of the Scorpion*, (2002), p. 38). The Congress included representatives "of all the Secret Societies - Martinistes as well as Freemasons and Illuminati - which now numbered no less than three million members all over the world" (Nesta H. Webster, *World Revolution*, (1921), p. 31).

The history is clouded due to oaths: "What passed at this terrible Congress will never be known to the outside world, for even these men who had been drawn unwittingly into the movement, and now heard for the first time the real designs of the leaders, were under oath to reveal nothing" (Nesta H. Webster, *World Revolution*, (1921), p. 31).

Jean Willermoz (BI/M) presided at two of the Great Mason Conventions - that of Les Gaules in 1768 and that of Wilhelmsbad "at which was voted the death of the King of France" (Lady Queenborough, *Occult Theocracy*, (1933), p. 353.

A decision was also made to murder Emperor Leopold of Austria. He was poisoned on March 1, 1792 by the Jewish Freemason Martinowitz. Gustavus III of Sweden was murdered the same month (Juri Lina, *Under the Sign of the Scorpion*, (2002), p. 38; *Architects of Deception* (2004), p. 96, 486). Jean-Baptiste Willermoz, a Mason since 1753 and a wealthy silk manufacturer from Lyons, undoubtedly

moved in the same circles as Mayer Rothschild. Willermoz, who also claimed to receive instruction from "unknown superiors," stayed for a time with the Prince of Hesse-Kassal. A member of the Masonic "Rite of Elect Cohen," Willermoz was a moving force during the 1782 Wilhelmsbad Conference and is considered by many to be a founder of modern spiritualism. Willermoz was also an intimate friend of Louis Claude de Saint Martin (January 18, 1743-1803) (John Daniel, Vol. I, *Scarlet and the Beast*, (1994), p. 173).

The first question of the Grand Master of the Templars was: "What is the real objective of the Order and its true origin?" At the Wilhelmsbad Convent, the main Illuminati representative was Dietrich von Dittfurth who recruited Bode who, soon after, recruited Prince Charles of Hess, who had succeeded the Duke of Sudermania in the direction of the Strict Observance (John Morris Roberts, *The Mythology of the Secret Societies*,(1972), p. 124).

The Illuminists carried the day by saying that the Strict Observance Lodges were not in fact descended from the Knights-Templars and by arguing that the Observance Lodges were secretly controlled by "unknown superiors" who were in fact Jesuits in disguise. Christian Bode was a friend of Lessing and was Weishaupt's "leading associate in the final political stage of Illuminism" (James H. Billington, *Fire In The Minds of Men*, (1980), p. 96-97).

Mackey wrote of Bode "(A)t the Congress of Wilhelmsbad he advocated the opinions of Weishaupt. No man of his day was better versed than he in the history of Freemasonry, or possessed a more valuable and extensive library; no one was more diligent in increasing his stock of Masonic knowledge, or more anxious to avail himself of the rarest sources of learning."

Weishaupt did not personally attend but gave his coadjudicator Knigge full authority: "Vanquished by the powerful rival, the Strict Observance ceased temporarily to exist and Illuminism was left in possession of the field."

Gary Allen wrote: "The power and influence of the Illuminati achieved a great leap forward through a formal alliance with continental Freemasonry that was sealed during the Congress of Wilhelmsbad which began July

16, 1782, when representatives of some three million members of Europe's secret societies met and adopted organizational plans formulated by the Illuminati" (Gary Allen. *"Illumunism, The Great Conspiracy," American Opinion*, (June, 1976), p. 47-49). On July 16, 1782 the Illuminati merged with the Order of Freemasons:

"Illuminism was injected into Freemasonry by indoctrinating the Masonic leaders. . ." The alliance between the Illuminati and Freemasonry "was finally sealed" (Nesta Webster. *World Revolution*, (1921), p. 31). The wedding between Continental Masonry and the Illuminati took place in July 1782 (William T. Still, *New World Order: The Ancient Plan of Secret Societies*, (1990), p. 82).

At Wilhelmsbad Weishaupt and von Knigge presented quite an enticing promise of the secrets which the Illuminati had to offer. The response of many of the Italian, French, and German delegates was to join. They then took the doctrines of the Order, its degrees and discipline back to their respective lodges.

### Duke Ferdinand of Brunswick-Wolfenbuettel (1721–1792)

The two leaders of German freemasonry, Duke Ferdinand of Brunswick and Prince Karl of Hess, joined the order, thus bringing the whole of German freemasonry, the German Grand Orient, in particular, under the control of the Illuminati (William H. McIlhany II, *Evidence of a Master Conspiracy* (Individualist Research Foundation: 1992).

The events have been summarized: "At the grand convention of Masonry held at

Wilhelmsbad in 1782 the Order of the Strict Observance was suspended, and Von Knigge disclosed the scheme of Weishaupt to the assembled representatives of the Masonic and mystical fraternities.

Then and there disciples of Saint-Martin and of Willermooz, as well as the statesmen, scientists, magicians, and magistrates of all countries, were converted to Illuminism" (*Edinburgh Review, Illuminism and the French Revolution*, (July 1906), p. 57). The name "Strict Observance" was changed to "Beneficent Knights of the Holy City."

The congress, attended by Gotthold Ephraim Lessing (1729-1781) and a company of other Jews, also passed a resolution by which henceforth Jews would no longer be excluded from the lodges. For the first time "Jews were admitted into the Order. Previously, Jews had only been admitted to a division of the Order called 'The Small and Constant Sanhedrin of Europe'."

Lessing was a poet, critic, dramatist and philosopher. He was also a leading figure of German Enlightenment who believed that Christianity "was a superior development of Judaism but thought it too would be replaced one day by rationalist enlightenment" (Joan Comay, *Who's Who in Jewish History*, (1995), p. 230). Lessing lent his powerful support to the anti-Christian league (Lady

Queenborough, *Occult Theocracy*, (1933), p. 372).

At the conclusion of the Congress the members of the Illuminati were "completely satisfied." Knigge reported to Weishaupt afterwards: "All of them," he said, "were enchanted with our degrees of Epopot and of Regent (*The Cause of World Unrest*, (1920), p. 17). The Comte de Virieu, however, returned from the Congress and refused to say what had been decided: "I can only tell you that all this is very much more serious than you think.

The conspiracy which is being woven is so well thought out that it will be, so to speak, impossible for the Monarchy and the Church to escape from it" (Gary Kahl, *En Route to Global Occupation*, (1991), p. 25-26). The Comte de Virieu thereafter "could only speak of Freemasonry with horror," according to his biographer M. Costa de Beauregard (William T. Still, *New World Order: The Ancient Plan of Secret Societies*, (1990), p. 82). The Wilhelmsbad Congress "made it possible for the revolutionary tool of the Asiatic financiers to control the continental set-up." After the Wilhelmsbad Congress, the headquarters for illuminized Freemasonry was moved to Frankfort (Fritz Springmeir, *The Top 13 Illuminati Bloodlines*, (1995), p. 173).

## **15% Of Vet's Money Is From Vaccines. 65% Is Dealing With The Resulting Sickness**

### **Mike Adams**

**PET HEALTH WARNING: Veterinarians are wildly overdosing small dogs with toxic vaccines, causing devastating side effects.**

**Note: This is no different with humans and the medical 'services' we suffer from.**

**V**ETS around the world are seeing horrific reactions from over-vaccinating, yet many pet owners remain unaware of the problem and continue to bring their pets in for yearly shots without questioning the risks.

All pets are given the same vaccine dose regardless of their size, which means a cat that weighs five pounds will get the same dose as a 150-pound dog. The same, incidentally, is also true of humans. It's mind-boggling to consider a kitten getting dosed with the same amount of neuro-toxins as a 150-pound Great Dane. Small pet breeds have a 10-times higher likelihood of experiencing negative reactions

to vaccines, and they can show up anywhere from two months to ten years after the pet is given the jab.

Therefore, it's little surprise that vaccine reactions in pets have reached an all-time high, with 10 percent of UK dogs and cats experiencing adverse reactions to vaccines.

Dr. John Robb is a Connecticut vet who has 34 years of experience saving pets' lives, and he has not been shy in voicing his concerns about pet over-vaccination. He and other vets are asking the government to change the rules so that smaller doses can be given to smaller pets in order to reduce their risk of side effects.

In an eye-opening [YouTube](#) video, Dr. Robb passionately presents scientific evidence of the dangers to Connecticut state officials, who respond by laughing at him and ignoring him. Several of those in attendance can be seen playing with their smartphones while he presents documents that show the dangers.

Sadly, it's not unusual for pets to experience adverse reactions after getting vaccinated. Some of the potential issues include lethargy, immuno-suppression, changes in behaviour, weight loss, sarcomas, arthritis, abortion, oral ulcers, respiratory disease, and hair loss.

Writing for Dogs Naturally, veterinarian Patricia Jordan calls attention to how dangerous and unnecessary annual vaccination is for dogs. She cites research from top veterinary immunology researcher Dr. Ronald D. Schultz that shows how a round of core vaccines when they are puppies can protect most dogs for many years, if not for life.

She also points out that respected bodies like the American Veterinary Medical Association, the World Small Animal Veterinary Association, and the American Animal Hospital Association have all publicly declared

that yearly vaccinations are not necessary and even potentially harmful. However, this continues to be standard practice for many vets, with around 60 percent pushing clients to get their dogs vaccinated each year.

In her years as a practicing vet, Jordan has personally seen hundreds of serious vaccine reactions in pets, including lifelong chronic illnesses, cancer, autoimmune diseases, and fatalities. She also warns people against getting the Lyme disease vaccine for their pets due to its low efficacy and high risk. In fact, she said it was so dangerous in tests on humans that it was withdrawn, yet dogs are routinely given the shot despite their low risk of getting the disease in the first place.

### **Pet vaccines a big money-maker**

Of course, it's all part of business, with the global veterinary vaccine market worth \$5.5 billion in 2015 and growing. Jordan sums up the issue when she says: "My experience in veterinary clinics shows that about 15% of most clinics' income is from vaccines—and then another 65% is spent addressing the vaccine-induced diseases that result. When your dog develops chronic disease from vaccination, that's a lifetime of income for the clinic. It's easy to see why they want you to vaccinate."

If you have a pet, it's important that you keep this in mind and avoid exposing your furry friend to unnecessary vaccine exposure. While you do have to comply with laws regarding rabies vaccines, for example, be sure you are only doing the minimum required – the three-year rabies vaccine is actually the same shot as the one-year version, so opt for the former.
