**Maj. Gen. Count Arthur Cherep-Spiridovich**

**T**HE FRENCH GENIUS, VICTOR HUGO WROTE "When a people forgets **God**, He sends earthquakes". That is why the U. S. must expect a political earthquake, because the Americans are "spitting" at **Christ** and thus angering God **His Father**.

Even the New York Times of Jan. 14, 1923 published a letter entitled Christless Christianity. At least 90%, of Americans of standing reject **Christ's** words implying: that they know better [than **Christ**] and believe that there are good Jews. In vain Chicago is building 70 or more churches—: there will be no **Christ** in them, as long as Americans "know better" or pretend to be less intolerant than **Christ** or "less prejudiced" than **Our Savior**.

As soon, as one says anything critical of the Jews he is classified as an "anti- Semite." You can insult the English; German, or French nations and nobody cares. But do not dare proffer a word against the Jews.

"Licking their boots" and extolling them—is the only thing allowed. "If the true spirit of **Christ** was alive, Christians would not turn against the Jews as they do" wrote H. M. Troch.

The truth is just the reverse: "if the true spirit of **Christ** was alive "Christians would think about the Jews just as **CHRIST** stated. Americans depart from **CHRIST'S** warning because of the possibility of receiving from the Jews their bribe of "30 pieces of silver."

The constant efforts of the "sons of the devil" for the last 150 years-has made the U. S. a part of Christless Christianity. The Jews control through their advertisements some most of the important daily newspapers. Sen.

William Jennings Bryan exclaimed: "Newspapers do not give the facts: they regularly fool the public.["*N. Y. Times*" May 1, 1921]. And not one single voice has challenged Bryan's statement.

How is it that everybody found this situation quite normal. Nobody grasped the terrific danger of having the "moulders of public opinion" in the hands of murderers and liars. Nobody dares to ask: "Why are the Jews Edward Rothschild, Millerand-Kahn, Bronstein [Trotzkv] Masaryk, Venizelos, Sassoon Rothschild in Frankfort, Rothschild in Vienna, Mustapha Kemal, Herbert Samuel, Viscount Reading [Rufus Isaacs] etc. the dictators of the World—France, Russia, Czecho-Slovakia, Greece, Italy, England, Germany, Austria, Turkey, the Holy Land, India, etc.?"

Even the Chicago Tribune on July 27, 1922 wrote "that Judge Brandeis ruled the White House by telephone."

In 1863 Tsar Alexander prevented the ruination of the U. S. by the Hidden Hand and in retaliation and full of hate, every writer of the major newspapers in the United States were overjoyed to write slanderous articles against the Tsars. A campaign of hate and slander was carried on against them since 1863. The order of the Hidden Hand is still in force. Thus Sen. Hiram Johnson in the N Y. Times, which is owned by a Jew, Adolf Ochs carried an article on Jan. 14 saying that it found it "useful" to blacken Tsar Alexander. When Ochs's Jewish writers said "Czar Alexander is a strange mixture of mysticism, altruism, egotism, intrigue, duplicity and deceit" it had questioned his Holy Alliance. The best historians have shown Alexander I to be one of the finest men. He offered European nations a "League of Nations" with CHRIST, not the alien Jews.

The Jews poisoned Alexander at a lunch in a Synagogue. Why did the Senator misrepresent and slander the uncle of Alexander who saved the Union from a European invasion in 1863? Because Sen. Hiram Johnson let himself be willingly used by the Jew, Emanuel Lasker who inspired President Harding to "cancel" **Christian Religious Events. Christian ceremonies were "cancelled"**. Harding and Sen. Johnson understood nothing of this tragedy. When two Jews C. Shapiro and Lifschutz were

asked whom they would like to have for President, both said: "Hiram Johnson" [*Chicago Tribune*, Dec. 1]. Real Christians ought to avoid him.

## THE JEWS CLAIM THE NEW BIBLE WAS FALSIFIED

**Christ** proved to be **God's Son**, as is said in St. John 8:44. But the incurable morons are muttering "Yes! But there are good Jews". The story of the boycott of **Christ** was stated by Miss Christabel Pankhurst in the *Chicago Tribune* on December 3.

Rabbi Edgar I. Magnin of Los Angeles said: "Hand in hand with the good work of the Anti-Defamation League that strives to curb the forces of anti-Semitism we must control any Christian spiritual awakening."

He bragged that the Anti-Defamation League would protect the Jewish body but they needed something to preserve in all its integrity the Jewish soul and "give our version of the Bible to the world as something to be proud of [and] unless we function [as a separate race] we shall gradually melt [mix with] the peoples among whom we live."

Is that a reason for letting the 300 Jews of the Hidden Hand run the U.S.? Christians must be anti-Jewish in practice. No other Nation but the Jews advises its citizens to live in America and at the same time to preserve its "soul". What is their reluctance against becoming Americans? The Jews claim that the Old Testament was given to them. Houston Stewart Chamberlain told us things in it were falsified by them. The Jews claim to comprise only the descendants of Judah, who sold his brother Joseph into slavery. He was the fourth son of Jacob. It is wrong to pretend that Jacob and his ancestors were Jews or that what was done by them or by his other 11 sons and their posterity has was done by "Jews." Even Jacob pointed out that Judah and his posterity should be leaders until **Our Redeemer** would come and that the Jews should obey. But they did NOT obey, and even murdered **Christ!**

Moses, Aaron, David and most of the great figures of the Bible were not Jews. Of the Apostles of **Christ** only one—Judas, who sold Him out for

30 pieces of silver, was a racial Jew. Again the Jews pretend to want to become good Americans, and in the Jewish Sentinel of Chicago, they falsely try to assure us that Bernard Baruch, who is an arch crook—is 100% American. Baruch, Eugene Meyer Jr. and A. Shapiro—three Jews who caused the loss of 32 billion by American farmers.

## HOW THE JEWS FOOL US REGULARLY

I cannot believe that a people which claim the Torah was given to them the and claim the Old Testament was inspired by them possess something that makes them distinct from other people! Call it chauvinism. They claim to be a prophetic people which does not expect any material reward. They say "what we give we give, because we cannot help ourselves. We heard the call and are pursuing it."

The Jews claim they have done more for the advancement of the world's civilization than any other people. This confirms my "Theory of the Satanic forces who were created and led by Pan-Judaism. By saying "distinct" the Jew means superior. A Jew never claims equality—he aspires to superiority." [Israel Zangwill].

## JEWS MERIT WORLD'S DISRESPECT

They dream of a Messianic Day, wherein wars will cease. The Jewish people as a whole claim they are a **sympathetic** people. The Jews claim they have a way of understanding the psychology of all races. They blame the Christian world for [their own] Jewish racism. Unless the Jew will suppress his negative feelings towards others and cease being a victim of materialism he will merit the disrespect and the suspicion of the world. Let the Jew look to the synagogue.

History, at least of the last 150 years, proves that the Jews were at the bottom of every bloodbath in the world. This was foretold by **Christ** and confirmed by the leading Jews such as D'Israeli. Dr. Oscar Levy, R. Groos, Abbe Lemann. This is the opinion of the Jews themselves and satanically plays on the feeble heart strings of a credulous humanity. It is a calumny against CHRIST. The rabbis claim that thousands of years before Christ

the Jews had unceasing troubles with their neighbours. If the "finer feelings" of the Jews really exist, it has never been perceived by me during my 50 years of observing them, though I have met great numbers of them, and my intuition is regarded by a score of editors as being unparalleled.

The synagogues are teaching the Talmud with all its horrors: Yes! Christian civilization is doomed unless their "spitting" at us and their assaults on the Christian religion cease.

The Jews did all in their power to destroy Christians. They have done. this among the Christians, especially by promoting "birth control" Thus a Jewess Rachelle Yarros is the main advocate of birth control in Chicago, where she is supported by a Jew, Circuit Judge Harry Fischer [Chicago Tribune, Nov. 4] Another Jewess Rebecca Hourwich is working to destroy family life. The world needs the Jews about as much, as it "needs" tigers, scorpions and flies. "Jewish influence has led the Russian revolution into the by-paths of wholesale murder, torture and rapine ("*New Witness*," Aug. 1, 1919).

**50% of the criminals in New York are Jews** said Maj. Gen. Theodore Bingham, a retired army general who became the Police Commissioner of New York. He stated, that the Jews "supplied 50% of the criminals in New York". To get the real number of Jewish criminals in New York you must add to this' figure numerous criminal Jews camouflaged as "Russians," "Poles," Europeans etc.

In the past I wrote how the Jew Max Adler of Chicago deflowered a girl 15 years of age. Being a Jew, he was released by a judge at once with apologies. However, he risked the fury of the "mob." Another Jew, Solomon Moshul of Chicago was as vicious, but more cowardly. He raped a 14 year old girl, but in a way which would condemn only her. He promised to give her everything "honestly," as his "wife," and induced her to declare herself as being of legal age for marriage. They were married.

When the Jew tired of her and when he had found another girl to ruin, he filed a suit in the Circuit Court where the Jewish Judge Harry Fisher, a protector of murderers and imbeciles annulled the marriage because his

"wife lied about her age" [Chicago Tribune Nov.] Surely this modern Solomon will be implored by the Chicagoans to become President of the Board of Education, and candidate for the Presidency and Americans will appeal to him for advice and- protection.

A third Jew—Zealous [the Jew Venizelos's is his real name is "Ben-i-Zealous) Hirsch of Chicago: "has been charged with rape. Twenty angry women, led by Mrs. Benjamin Menn claimed her two daughters, aged 15, and 17 had been maltreated by Hirsch during a period of several years. She and her friends invaded the state attorney's office and their voices could be heard throughout the criminal court building.

The mother of Rosalie Bauskamp 9 years old, said she would charge Hirsch with taking indecent liberties with the little girl. But Zealous Hirsch is a Jew and zealous in raping girls of 9, and the court let him continue his "hobby." Another Jew, Edward J. Ader of Chicago, was convicted of a "packing scheme. He appeared in Court. His secretary, Jewess named Goldie Skolnik was convicted, but pardoned. Could a Jewess have remained un-pardoned? She helped Ader to disappear, and then she "vanished" with him. Goldie Skolnik reminds us of the "famous" Jew, "Goldman, the "receiver," who plundered hundreds of Chicago people out of their savings. This constant connivance of the Justices with criminal Jews should provoke a revolt here.

## CONNIVANCE ENCOURAGES CRIMINALS

I asked Rev. James M. Gray, Dean of the Moody Bible Institute of Chicago, to introduce me to one single Christian, who does not think: (a) that we ought to be more "tolerant" than **Christ** and "less prejudiced" towards the Jews and not so "full of racial hatred," as He (b) that he ought to be "better" than **Christ** and (c) that he [(Gray)] "knows better" than **Christ**; (d) a man, who would consent to be as "bad" as **Our Lord Savior**. Rev. Gray had entrusted a prominent Jew, Dr, Birnbaum to answer me. Dr. Birnbaum wrote to me that: "Our duty as Christians is to preach the Gospel to the Jews and to make of them men like Peter and John, and I see in this the only way to do away with what you call The Jewish Peril."

It is my belief that St. Peter and St. John were Galileans, not Jews. Somebody said, that to transform one Jew into a Christian costs his weight in gold, The Jews are preparing the Second World War and there is no time to try to convert them, even if it were possible, which I believe it is not. The **only** thing to do to fight the Jewish Peril is to believe in **Christ** and to follow the wise advice of the American genius, Mr. Henry Ford. **Christ** attacked all Jews who follow Talmud then and they are still teaching it up to this day **Christ** gave us no special directions as to how to treat the Jews, therefore, we must regard them as **He** did [i.e.] as the sons of .the devil which name they merit even today. "He that believeth not shall be damned." This puts down all this sheep like babbling, that we "must love" even **His** foes. Thus the Jews are already condemned.

Rev. Birnbaum seems to demand from me documentary authority from **Christ** certified by a Notary Public.

Such I have not. But History proves, that HE is superhumanly right. It is not to condemn the Jews, that I am working, but to prevent the destruction of the White Race by "disarming" the 300 Jews, composing the Hidden Hand. There is now no shadow of doubt that alien agents, chiefly Russian and German Jews, have been busy in our great industries, cunningly stirring up trouble and working for industrial chaos." [Morning Post, July 3, 1919]

Dr. Birnbaum continues his letter: "Our task is clear. Our Lord commanded us to love out enemies, to bless and curse not". Whatever. false conception the Jews may have with regard to **God** and their own relations to the Gentile world—our relations as Christians to them is perfectly clear. The Jews may not love the Samaritans, but the Samaritans love for the Jews is commanded as Christ like. The spirit revealed in your pamphlet is Judaic—an eye for an eye etc."

"What profit is there for the Kingdom of **God** whether this spirit prevails in the non-Jewish or Jewish camp Those Excerpts of the Talmud [sent by me] are the, fruits of a certain age when the Jews themselves were treated with less consideration than cattle, and so they return the compliment In the legal enactments of the various countries you can find similar things.

But they certainly no longer represent the thought of the Jews and Gentiles of the present time."

My spirit is not the. Judaic "an eye for an eye" and I challenge Rev. Birnbaum to find one line advocating the murder of Jews in my writings, though they have murdered millions of Russians. What I demand is to prevent the Jews from ever repeating the crimes they committed against non-Jews in Russia and here in the United States. Is there any excuse for permitting Jew Dictators to misgovern so many Christian countries, when these Jews cannot show one single act to prove their reason for it, while thousands of facts and the chaos the brought in Europe demonstrate the terrible harm they do? It is still less profitable for the Kingdom of **God** to leave our youth ignorant of the fact, that Jews are purposely "murdering" it.

To discuss: "who first began to be unjust—Jews or Gentiles—is to discuss whether—"the egg has laid before the hen or the hen before the egg." History is mostly "anti-Jewish." Even Torquemada, was a Jew, who purposely became a Catholic in an effort to prevent the assimilation of Jews by the Spaniards, who treated them most kindly. A Jew, Max Nordau stated. "The Jews boast they are torturing Russia in revenge of the Spanish Inquisition, though it was run by a Jew. Even if the Gentiles have ill-treated the Jews, there is now in no legislation or Christian land on what the Jews are teaching today in every synagogue: The Jewish Talmud says "Kill. Destroy the Gentiles". If the Jews are not the "sons of the devil," let them abolish the Talmud, as we have done regarding our historical writings which they claim are displeasing to Jews. Dr. Birnbaum seems to imply: "As the Jews were ill-treated, let them now stage wars and revolts as remuneration".

Dr. Birnbaum ended his message, saying: "The bitterness of spirit that has arisen of late between nation and nation—and Jew and Gentile as a result of the world war is one of the most disheartening features of our times, I pray to **God** that this flood maybe assuaged and the Gospel of love have free discourse among the children of men." His bitterness among the nations is nourished by the Jew-controlled press. Because the world has finally grasped that this war [WWI was staged by the Jews from A. to Z.

A Russian proverb says: "Pray to **God** and rely upon HIM but be watchful especially of the Jews." My readers can perceive that Jews who are very learned and clever, cannot deny one single fact of the thousands, which I have stated. As **always** my opponents have one argument at their disposal, which sounds: "As bad as the Jew is, **Christ** admonished us to love him."

If those, who say that if we would really love the Jews, would do their best to prevent the Jews from committing new crimes against Christians. Instead these fake friends of the Jews are encouraging them to continue their satanic activities.

By endeavouring to open the eyes of non-Jew and Jew, I am acting like a true Christian: "The most unpleasant truth is a far safer companion than the most agreeable falsehood" [Emerson]. In London there are not as many murders yearly as in Chicago weekly, because there justice cannot be bribed by the Jews and every deliberate murder is adequately punished. When in France some crazy men demanded the abolition of the death penalty, some wise man objected: "Yes, but let the assassins first stop murdering."

Likewise let the Jews: stop teaching: "Kill our enemies." They are killing us physically, morally and mentally.

If Dr. Birnbaum should meet a tiger, would he not resist, because GOD created the tiger, would he not let it devour him?

The Rothschilds have proved to be more sanguinary than tigers. My plan would yet avert a wholesale "pogrom" against the Jews. Those who have read my articles have become "Statesmen". No more "mysteries" for them.
