## Elizabeth Dilling 1894-1966

**Mrs. Elizabeth Dilling**

**E**LIZABETH DILLING was an American anti-communist and later anti-Jewish, anti-war campaigner and writer from 1932 to 1966. She was indicted by the Roosevelt Administration and charged with "sedition" in what was called the Great Sedition Trial of 1944.

She was the author of four political books. She said that the Jews created Marxism and Karl; Marx was a Jew and that that Marxism was Jewish.

She believed was anti-Communist and supported Gen. Francisco Franco of Spain during the Spanish Civil War because he fought Marxism in Spain.

She claimed many prominent figures were Communist sympathizers, including Eleanor Roosevelt, Mahatma Gandhi, Franz Boas and Sigmund Freud.

She was born Elizabeth Kirkpatrick in Chicago, Illinois. Her father, Dr. L. Kirkpatrick, was a physician of Virginian, Scots-Irish, Presbyterian ancestry. Her mother was Elizabeth Harding who descended from a long line of Anglican bishops. She was raised as Anglican but attended a Catholic girl's school. She attended the University of Chicago, where she studied music and languages.

Dilling became a concert harpist after having been a pupil of the renowned harp virtuoso, Alberto Salvi. In 1918, she married a lawyer named Albert Dilling.

Due to her affluent relatives money was not a problem for because of the wealth she inherited from her mother and aunts. Albert was also the chief engineer of the Chicago Sewage District. Her marriage to Albert produced a son, Kirkpatrick (1920-2003) who was a famous Chicago lawyer and a daughter, Elizabeth Jane who was also a lawyer.

In the 1920's she joined the Chicago based Reveres until she had a falling out with the leader of the Reveres, a retired Army Lt. Col. Edwin Marshall Hadley.

Lt. Col. Edwin Marshall Hadley had organized a number of chapters of his anti-Jewish organization The Paul Reveres in the Chicago area and he wrote three books on the Jewish origins of Bolshevism.

Dining attended several of his meetings but disagreed with him on the issue of the Jews. At that time she believed that Communism was not Jewish even if the majority of leaders of the Communist Movement in America were racial Jews.

Later the Dilling family travelled widely, and visited the Soviet Union. They spent a month there, and she filmed what some of the atrocious conditions and anti-Christian activities of the Jews in that country. Especially alarming to Dilling was their Soviet guide's proclaiming, "Our world revolution will start with China and end with the United States!" When she returned home to Illinois, she went on a tour showing her movies and telling those attending her lectures that the Soviet "workers' paradise" was anything but a "paradise".

Dilling's own views about Jews were soon to become much more pronounced than Hadley's.

After breaking with Hadley she threw herself into collecting facts on Communism full time. The result was published as ***The Red Network***—A Who's Who of Radicalism for Patriots (1934)c which was an exposé of Communist front activity in the U.S. The book was widely circulated and she claimed that she had published 100,000. In her book, in she exposed Albert Einstein, and his involvement with several Communist

organizations. Dilling noted that Freud was married to a Soviet Jewess. She justified the German confiscation of Einstein's property in Germany, saying it was because he was a Communist. She described Eleanor Roosevelt as a "Socialist sympathizer and pacifist".

She then wrote *The Roosevelt Red Record and Its Background* in 1936, condemning the New Deal, Franklin D. Roosevelt and officials in his administration, claiming they had strong links to the Communists. In *The Octopus* (1940), a book which she wrote under the pseudonym Rev. Frank Woodruff Johnson, she attacked the Jewish Anti-Defamation League and linked the Jews to communism. She placed her emphasis on the Jews being responsible for all the world's problems, based on her reading their Talmud.

After being inspired by the radio Priest Rev. Charles E. Coughlin and his exposing the Jews who were getting us into WW II she became an activist in two organizations which had been inspired by the anti-Jewish Detroit-based radio priest Father Charles Coughlin and The Mothers' Peace Movement, [Women's Voice] which was founded by Mrs. Lyrl Clark Van Hyning, and We the Mothers Mobilize for America, based in Chicago. She was also involved with the America First Committee and associated with Col. Charles Lindbergh, Frank Lloyd Wright, and other prominent isolationists and opponents of the war.

After the Pearl Harbor attack, Dilling was indicted, along with 28 others, which led to the Great Sedition Trial of 1944. The case finally ended in a mistrial after the death of the presiding Judge, Edward C. Eicher.

In Chicago, Col Robert McCormick had been an American diplomat in Czarist Russia and saw the atrocities carried out against the Russian people by the Jews. When he reported this to the half Jew, Teddy Roosevelt, he was recalled to America and taken out of the diplomatic corps.

Of the Sedition case his Chicago Tribune said it was one "one of the blackest marks on the record of American jurisprudence". The Smith Act which the Sedition Case used to persecute patriots was later found to be unconstitutional in several rulings by the Supreme Court.

In the 1950's, Dilling was a frequent contributor to Conde McGinley's newspaper *Common Sense* which was the largest weekly newspaper in the United States exposing the Jews as being Communists, and her name often appeared in *Common Sense* as open letters to members of the United States Congress.

Her second husband, Jeremiah Stokes was also a lawyer and author who paid for publishing an edition of her book *The Plot Against Christianity* which included over 200 pages of photo copies from the *Soncino edition of the Talmud*.

She became seriously ill and died in 1966. One of her most dedicated supporters was Robert C. Olney MD. He helped her keep publishing her material while she was being treated by him for cancer and passed away.

Dr. Olney continued publishing her material in newsletter format and also reprinted two editions of her book *The Plot Against Christianity*.

**T**HIS week, I bought another parakeet. Standing in front of a cage full of them in a dime store, I asked the clerk. How much are these parakeets? He said "\$2.98 and \$3.98—most of them are \$2.98".

I asked "Well, what is the difference?" He said "the difference in breeding, the difference between the mutt and —".

"Tut, tut!" I interrupted. Don't talk like that! That is **discrimination!** If you don't look out this store will be picketed!"

"Well, if this store is going to be picketed it's got to be picketed by parakeets", said he.

## **Editors must be paid and trained.**

Of course, training the parakeets would be a long and costly job, and the only ones interested would be those who would like to wreck or run the store's business in their own interest! Of course, the pretence would be that the, injured, crest fallen \$2.98 parakeets could no longer endure their secondary rating! The cruel badge of being a \$2.98er was too, too much. They **MUST** revolt!

## THE SOVIET REVOLUTION WAS FINANCED BY MILLIONAIRE JEWS

Most of us absorbed tons of twaddle concerning the Jews in Russia. It was a revelation to me when I began reading Jewish histories to discover that the Jews living in Russia broke every law in Czarist Russia with utter disregard, and they wanted to control every breath drawn, by Russian Christians.

And how was that accomplished? By hundreds of millions of dollars spent under the direction of the Jewish banker, Jacob Schiff and his company, Kuhn, Loeb and Co.

Max Warburg dispensed the money from Jewish bankers in America to Lenin and Trotsky and this is documented in my book *The Plot Against Christianity*. Max Warburg of Germany was married to the daughter of Jacob Schiff who was the Chairman of and owner of Kuhn, Loeb and Co.

In 1939, Max Warburg came to the United States and was placed on the American Jewish Committee's "Post War" committee for the reorganization of the world thru the United Nations. This was before World War II and before their UN was formally established in 1945. Now, with the US disarming while giving billions to the United Nations Dictatorship, world power along the Communist model is within view, as planned.

Under the guise of humanitarianism, millionaire vultures can exult, as written about by Cholly Knickerbocker in his society column in the NY Journal America of Feb. 3, 1949. He wrote "Today it is estimated by Jacob's [Schiff's] grandson, John Schiff [who is] a prominent member of New York society, that the old man sank about \$20,000,000 dollars for the final triumph of Bolshevism in Russia." [**Editor's note 2012.** In 1904, Jacob Schiff loaned the Japanese Government a total of \$250,000,000 so they could go to war against what Jacob Schiff called "the anti-Semitic Czarist Government"].

"And the Jewish Communal Register for 1917-18, put out by the organized Jewish Kehilla (Community) of New York, while lauding its executive committeeman, Jacob Schiff the head of Kuhn Loeb & Co, stated: "Mr. Schiff has always used his wealth and influence in the best interests of his people: [race] He financed the enemies of autocratic Russia and used his financial influence to keep Russia from the money markets in the USA. All factions of Jewry hailed him for this."

There are 19 full page reproductions from the State Department book of Papers Relating to the Foreign Relations of the United States in Three volumes.

In the hundreds of pages running all thru hundreds of other pages in the same volume, are glimpses of the economic collapse caused by the Jews in Czarist Russia—a planned collapse led by Jews, as soldiers and sailors led the revolt backing the Bolsheviks.

By the time Kaiser Wilhelm realized that he had been used by the Jews in Germany he was in exile in Dorn, Holland and it was too late. To quote Henry Ford's Dearborn Independent article of July 9,1921;

"It is a most significant fact that, as in Washington the most constant and privileged visitors to the White House were Jews In Berlin the only private telephone [telephone line] wire to the Kaiser was owned by Walter Rathneau the Jew who wrote the Constitution of the Jewish controlled Weimar Republic. Not even the Crown Prince could reach the Kaiser except thru the ordinary telephone connections. It was a family enterprise this international campaign. Jacob Schiff swore to destroy .Russia. Paul Warburg was his brother in law; Felix Warburg was also a brother in law to Jacob Schiff's wife and daughter. Max Warburg had as much to do with the German war government as his family had to do with the United States war government."

## **INTEGRATION A ONE WAY AFFAIR**

"There is a ludicrous contrast in that the whole Jewish press in America screams against Jewish intermarriage with non-Jews, "for fear of

"assimilation" and of "losing our Jewishness", and the ferocity of their demands that no Christian should preserve his separate culture and no club school or organization may bar Jews. However, Jews can bar others, and all of this incessant propaganda with nary a smile, as it were, at the inconsistency.

## **JEWRY'S BASIC DOCTRINE**

Jewry's basic doctrine, from one end of the Babylonian Talmud to the other, is that the non-Talmudist, non-Jew ranks as a non-human and without human rights. It is expressed for example in Kethubuth which holds that we are the [non-Jew] are people who are like an ass who are considered the Jews property and **slaves** and are considered the property of the master." [The Talmudist]

### **“MAIMOIDEAN CODE”**

One of the stars of Talmudic life is Maimonides [Moses ben Maimon] who, while posing as a Mohammedan, and living in Morocco, was venerated for putting over the Jewish philosophy on (Dumb Love) . He was a Talmudic star and wrote the 613 precepts one of which is that it is a crime to free any slave unless he be a **Jew**.

To quote the 1905 Jewish Encyclopaedia on the "Anti-Slavery movement in America"—certain precepts in the Maimodean code of laws were specifically antagonistic to the emancipation of non-Jewish slaves and pecuniary and political considerations frequently dictated the attitude friendly toward slavery among Jewish citizens" (p.. 649).

The Greek and Roman Empires became familiarized with the Jews as never before, and the Jews viewed slavery as a gigantic and indispensable system. In this as in other fields of commerce Jews became conspicuous and it is therefore not surprising to find numerous explicit references to Jew as slave traders and possessors of slaves. Particularly in the history of Rome and Spain there are references to Jewish slave dealers and slave owners prior to 800 of the common era. **Note “common era” is always**

substituted for "A.E, in anti-Christ literature since AE stands for Anno Lominir Year of the Lord." (p..651.)

## Into the USA

When African slavery was introduced in America early in the sixteenth century, we again find Spanish, Portuguese, and Dutch Jews engaged in the slave traffic, and holding slaves.

The old divide and rule technique is ever in use. One can start an insurrection as an excuse to use troops and then use this to set up a dictatorship, as it has been successful again and again and against our enemies as FDR said.

My mother's people had a country home and farm some 12 miles from Cleveland, at Strongsville. Next to it was the Humiston farm where John Rockefeller lived. Old John Rockefeller used to ride in on the milk wagon and go to school at nearby Berea. Mother knew him well. While my husband and I were in Florida, she left us to visit at the Rockefeller Florida place. His cousin; Fanny Humiston , was in charge of his home. It was the fashion in my girlhood to describe John B. as an old scrooge who gave dime tips to his golf caddies, ground down his laborers, etc. That lasted until the Rockefeller wealth was safely in Jewish control.

My mother died in 1937. Before that I had visited Red Russia and was horrified at the awful anti-Christian activities, slavery, and general conditions. I had soon launched into reading Communist literature with its ranting against RICH men. Novy Mir a Communist periodical financed by, the red Garland Fund had a ripping poem calling for the Rockefellers to "drink **not** to the New Year but to their **last** New Year's dinner, as barricades were to rise in the streets and the Red Flag to triumph."

## A Vain Warning

In my book *The Red Network* (1934) six pages of data may be found showing that the red Garland Fund financed every phase of revolutionary

activity in Russia and the Daily Worker, Anarchists, and church Reds. The main donor and manager of this fund was Rabbi Mannes, a millionaire. Its officers included the tops of the Communist Party and Robert Morss Lovett of the University of Chicago—a **Rockefeller** subsidized affair.

I decided to write the son, of my mother's old friend, John D., a letter asking him if he knew that Prof, Lovett was, directing the Garland Fund which subsidized Novy Mir and its cries for Rockefeller blood and red revolution.

I received a very brief formal note from the Secretary stating that they tied no strings to Rockefeller gifts—period.

No thanks. No sympathy. I was surprised at the attitude. Had I been giving millions to an institution to spread revolution, my relatives would not have liked it, was my thought.

I was to learn that many RICH men either play along with the Jewish power brokers that or they cease to be rich men, or even continue to function as businessmen at all. But **that** took time for me to discover.

Read the Ford Foundation and Rockefeller Foundation's reports and about their gifts to Marxist organizations. It is in the millions. These rich men are subsidizing the communisation of all liberty and property. How they got locked into serving red causes is another story.

Louis Marshall of the American Jewish Committee high command of world finance and industry, bragged about his part in. bringing Henry Ford to his knees. Harry Bennett, Ford's personnel director with whom I used to visit told me that Ford while driving his car was driven off the road and almost killed as a warning and of how his wife insisted and give in to Jewish demands and live.

FORD never changed his mind on the Jewish problem. He gave me \$5, 000 in 1939, when I prepared an 80 page report for him on red influence at the University of Michigan. That year I spent \$12, 000 to help run my

office. That year, Rev. Gerald Winrod one of my fellow "seditionists" in the "sedition trial" received \$20,000 from Ford when he was running for the US Senate in Kansas. He told me this while at the same time Harry Bennett was issuing a public statements that Mr. Ford had never had any dealings with so-called "seditionist" or anti-Communists. At that time Jewry aimed to prove that anti-Communists were either Nazis or Fascists".

After persecuting American patriots for four years during the sedition trial, their frame up failed, when in 1944 the "Sedition" case was dismissed by Judge Bolitha Laws. He denounced the Sedition Case as being a crime against the defendants who were on trial the prosecution having a single piece of evidence in to be used to try to prove the accusation.

How the prophetic words of Scripture gleam! In describing the red anti-Christ seventh world government we are now in, and its world control of all trade, industry, etc, we are warned that the Babylonian whore like mind running it shall have "the great men of the earth" as its merchants (Rev.18:11-24 ) and that is a fact.

The Black agitation movement has been bankrolled by Jewry from the start.

An article was published which read Mr. Currier assembled an impressive group, including representatives of both the Ford and Rockefeller Foundations. Among the 90 guests were Mrs. Max .Ascoli, wife of the editor of the Reporter Magazine and a benefactor of assorted left wing causes. Mrs. Marshall Field, mother of the Chicago published Lloyd. Garrison, lawyer and one-time chairman under Franklin D. Roosevelt of the National Labour Relations Board; and Frederick Warburg, who doubled s as a partnerin Kuhn Loeb & Co. an investment banking firm, and an adviser to the **Urban League**, an organization for Negro rights which was also financed by the communist Garland Fund. "The guests shared three things in common: An interest in Negro rights and access to large sums of money, and an almost total ignorance of what the meetings were about."

"They soon learned. In blunt terms, three of America's most influential Blacks, Whitney Young of the Urban League, Roy Wilkins of the NAACP, and James Farmer of the Congress of Racial Equality explained that the Negro leadership faced a painful, if somewhat ironic dilemma. The Negro revolt, which they as leaders had encouraged, was in serious danger of getting out of hand.

"Revolutions, they said, have a distressing way of devouring their leaders, and this one was no exception. Their aim was not to stop the movement which they had so long been committed but their aim was to discipline it, direct its energy and control over 18,000, 000 impatient Blacks. And for this task they needed money.

"The Negro leaders made their point. By the end of the meeting \$550, 000 had been raised, and according to insiders, the total sum is now close to \$850, 000.

"Meetings a. of the principals continued all last week when Martin Luther King flew to New York and at a night meeting endorsed the idea. By the next week formal machinery will have been established to collect and distribute funds to the major rights groups.

"Thinking now to model the group on the United Jewish Appeal, which acts as a central collection agency. In all likelihood it will include four of the major Negro leaders Young, King, Fanner, and several whites.

John Morsell who was Mr. Wilkins assistant at the NAACP said "There's a lot of money available to the Negro movement."

The first week's contribution of \$850, 000 is obviously a large and generous suit of money. How do the Negro leaders plan to use it? It is easy. To speak in vague terms of channelizing frustration and discontent, which is one of Mr. Farmer's favourite phrases, or guarding this revolution of expectations, which is one of Young's favourites. And as there are differences in tone, so too there are differences in technique. The NAACP emphasizes leg action to end discrimination. The Congress of Racial Equality fathered the sit in tactic, organized the freedom bus rides, and is

committed to a policy of mass protest, and plans large scale demonstrations in Northern cities this summer. Martin Luther King's Southern Christian Leadership Conference relies on mass marches and mass jailings."

## SOME OF THE "MYSTERY GROUP"

The rich donors to Negro agitation included **Mrs. Max Ascoli**, wife of the editor of the *Reporter Magazine*.

She is the daughter of Julius Rosenwald to whom the Jewish encyclopaedia devotes the most fulsome and lengthy praises. Negro agitation was Rosenwald's specialty, along with donations to Israel. The several thousand Negro schools he was instrumental in setting up, the ramifications of his giving would make a book. He is a hero of Jewry for his furtherance of one of the most prejudiced anti-human aims in history of the world—Pharisaism, the basic teaching of which is that all non-Jews rank as non-humans, and as the Talmud says "people who are like an ass—slaves who are considered the property of the master" (the Pharisee Talmudist Kethuboth 111a) as the Babylonian Talmud, or written form of the Tradition of the Pharisees, puts it. "The Talmudist who marries a non-Jew is mourned, for example, as one who is dead.

That the only supreme law of life of the so-called "Jewish" religion is the Babylonian Talmud and it is, fortunately for the conspiracy, a little known fact among the victims soon to be slaves.

It is likewise unknown that enslavement by means of the false promises and revolutions of Communism are the successful method by which so large a part of this world has now been enchained under the scarlet coloured flag, which is the flag of the dominant parties of Israel.

Melting all races and religions into one or none, making a "bowl of stew" out of mankind, all in the name of "brotherhood" and "interfaith" of course enables the world financial, political Talmudic strength so well described in Christ's Revelation 18 beginning with verse 11, to bring about world government, and world dictatorship which now seems imminent.

**Mrs. Marian Rosenwald Ascoli** was in 1947 a member of the Executive Committee of the Bureau for **Intercultural** Education which has established for the next year in five Philadelphia schools a program to combat "**Predjudice**" in young children—meaning; of course, in non-Jewish children. Prejudice against NON-Jews is the basis of Pharisaism and she had spoken: at a luncheon meeting of the high moguls of world Jewish power, the **American Jewish Committee** which combs and surveys and tries to run the whole world with its boundless wealth. The above was reported in the *American Hebrew* of 6/13/47.

She signed a statement that was enclosed with a NAACP letter of 8/14/43-20 years ago.

According to the *Jewish Sentinel* of 3/21/40 her husband, **Max Ascoli**, had been exiled from Fascist Italy.

He was head of the faculty of the centre of Jewish Marxism the New School for Social Research in New York City, and was head of the Mazzini Society (*Jewish Sentinel*, 10/23/41). If ever a place was an organization steeped in the depths of Marxism, the New School is it. I wrote a lot on it in my book, *The Roosevelt Red Record And Its Background*.

Max has been a lecturer for leading Marxist societies, such as the League for Industrial Democracy founded on the teachings of the Communist Manifesto and tied to the Socialist Party at the Labour Temple, etc., where he held lectured on Mazzani and the Italian revolutionary. His article, in praise of the red Jew Harold. Laski as a "Moralist" appeared in the "advocate of revolution and Socialism," the *New Republic* 10/7/36.

This reminds me of President Roosevelt who studied under Laski at the London School of Economics. Laski endorsed the Communist Manifesto as a "classic". The **Dies Committee**, of Congress (Appendix XI) lists Max as supporter of the American Committee for Emergency Aid to the Soviet Union, etc. Max lead this society in honouring the revolution Mazzani and helped to raise \$850;000 for a Negro hoped for revolution, as heralded by the Communist Party.

**Mrs. Marshall Field**, was named as another member of the rich 'mystery group'. She represented a family which publishes the Chicago Daily News and Sun Times and directed the First National, Bank, etc. The **Dies House Committee** lists Marshall Field a member of the Communist (Negro-agitating) National Committee to Abolish; the Poll Tax, which the report stated, held a testimonial dinner for Ferdinand C. Smith, secretary of the Communist-dominated National Maritime Union.

Smith who is an alien had been in the USA for 26 years without attempting to become an American citizen. The Communist Party's Daily Worker hailed the event naming among its "Notables"(who)" which sponsored tributes to Ferdinand Smith a "Negro Leader" was first of all Marshall Field, then Walter White, secretary of the National Association for the Advancement of Coloured People, and Negro Communist Paul Robeson. Notices for the event were posted on the bulletin board of the London School of Economics where our President studied, when I visited there a few years ago.

When papa Field died in 1956, the press called him one of the richest men in the world. The estate ought to provide limitless opportunities for Negro agitation.

A full page ad in the Washington Post owned by the Jew, Eugene Meyer of the all-powerful American Jewish Committee (1/2.0/48) and signed by Rabbi Stephen S. Wise, demanded abolition of the House Committee on Un-American Activities. Wise had hailed the Red Revolution, which took over Russia and then turned it into a Christian slaughter pen, as the greatest accomplishment of Jewry. When the American Jewish Committee changed the Jewish "line" to conceal Jewry's authorship and sponsorship of Communism, Rabbi Wise, in the American Jewish Year Book stated (vol. 51,19.50, p.517-) "refused to hush on his praises of Soviet Russian Communism."

Another of the signers of this full page demand was **Mrs. Marshall Field** of the **Southern Conference For Human Welfare**. Henry Wallace who ran on the Progressive ticket which was sponsored by the Communist Party, was to speak at a meeting sponsored by the Southern Conference

for Human Welfare. The House Committee on Un-American Activities issued a blast that was reported in the *Chicago Tribune* 6/15/47. The communistic galaxy, surrounding the Southern Conference and the Wallace affair included that associates of the Southern Conference. Listed were **Mrs. Marshall Field**, Channing Tobias (with some 27 Communist front listings in the Dies Report) of the NAACP and Henry. Wallace.

To quote the Jew George Sokolsky: "Earl Browder definitely identified the Southern Conference for Human Welfare as a 'front' organization, and James W. Ford, the Communist candidate for Vice-President, spoke of it and the Southern Negro Youth Conference in these terms: "The Communists through their pioneering work in the South, may justly claim to have laid the foundation of these great social movements' (The *Communist* magazine 9/38, p. 828)" (Chicago Herald American. (2/18/47).

## "The Great Men of the Earth"

That the **Communist Party** does the organizing is clear. Not so clear is the fact that the **Financing** of this Red Revolutionary movement comes from "merchants" who are "the great men of the earth", as Christ foretold (Rev.18:23).

Totalitarian government means complete control for the powerful. Opposition to the powerful may mean their giving from their financial, power. The Carnegies, Rockefellers, Fords, etc, found that out very, clearly.

An active supporter of the American Association for the United Nations, is Mrs. Marshall Field who was listed on the letterhead of the very leftist, **Jewish Americans For Democratic Action** as a member of its National Board. The Vice-Presidents, was listed in the same column included the Jew Frontiersman Arthur M. Schlesinger, Leon Keyserling, Senators. Wayne Morse and Hubert Humphrey and their ecclesiastical pal Rev. Reinhold Neibuhr as well as **Herbert H. Lehman** of the Jewish world command, the **American Jewish Committee**, who also sits on the directing board of the NAACP. This, tycoon of the **Lehman** bankers has held a string of powerful governmental posts and has operated thru and

helped run the Jewish conceived and organized **National Conference Of Christians and Jews** to "good will" Christians into unconsciousness of what is happening. There are a few more of the "Mystery Group" cited.

There must have been something chummy about the meeting, with Mrs. Marshall Field and Lloyd K. Garrison both who were there since Garrison shines as director, of the. Field Foundation and, presumably helped to ladle out the Field millions for mutually congenial objectives.

Garrison lists himself in Who's Who in America (1962-1963) as having held the position of Vice-Chairman of the communist aiding American Civil Liberties Union since 1937; and as treasurer of the National Urban League from 1926-32, at which time the now defunct communist Garland Fund was handing out great sums to the National Urban League and National Association for the Advancement of Coloured People (of whose National. Legal Committee Lloyd Garrison was chairman). He adds that he was president of the National Urban League from 1947 to 1952 and director since and was trustee of the New School for Social Research from 1948-52. He was a member of the kosher law firm of Weiss, Rifkind, Wharton and Garrison since 1946 and a; trustee of the black college Howard University (a black university). He was Dean of the University of Wisconsin Law School, 1932-45, where the Red flag has many friends and was often displayed on May Day.

The **Garland Fund** was the popular name for the American Fund for Public Service founded by a radical, Charles Garland, who served a term in the penitentiary for running a free love farm. As stated in my *Red Network* concerning this millionaires Fund.

The Fund has been the life stream of the Red Revolutionary movement in the USA, having sustained all the leading Communist, Socialist and the I.W.W. [International Workers of the World] activities. It was practically exhausted by 1934. Communists Wm. Z. Foster, Robert W. Dunn, Elizabeth Gurley Flynn and Roger Baldwin said of his activities "Communism is the goal", along with Norman Thomas, Sidney Hillman, etc who were directors and officers. They financed the Daily Worker, the American Civil Liberties Union (legal battering ram for all phases of the

Red Movement) etc, etc. For close cooperation between Garrison's outfits, the ACLU and the National Urban League and the NAACP, see my **Roosevelt Red Record And Its Background** (pp. 230-3, etc)

## **The Marshall Clan And The N. A. A. C. P.**

To get an idea of the network of millionaire Jewish power brokers, one may read in the 1928 edition of Who's Who in American Jewry, about old **Louis Marshall** as President of the Jewish Commission of the Jewish Delegations to the Peace Conference in Paris. Their efforts resulted in treaties with Poland, Romania, Yugoslavia, Czecho-Slovakia and other countries which were "of benefit to Jewry" to quote. He was **President Of The American Jewish Committee**, the High Moguls of Jewish banking, political, industrial world power (well described in Rev. 18:11). World War I laid the groundwork for World War II and World Government under the Jewish lords, of which Louis Marshall was a forerunner. His sons James, George and Robert did their bit. In the two-volume work entitled **Louis Marshall - Champion of Liberty** —Selected Papers and Addresses: put out by the American Jewish.

Committee in ,1957, may be seen the power which caused the US Senate to break the Russian Trade treaty as preliminary to crushing Christian power there and the humbling of Henry Ford (pp. 103;415,376,388, etc). The boast of Louis Marshall that he was a director of the **National Association For The Advancement Of Coloured People** along with Julius Rosenwald, whose daughter was married to **Max Ascoli** one of the "Mystery Group" who put up \$850, 000 for the Negro revolutionaries to stage aging a march on Washington 8/28/63 (p. 463).

**The House Committee On Un-American Activities** (Dies, Vol.17,1944, p.1550, 54), under the title **Robert Marshall Foundation**, starts its 4 page analysis with this: "Millionaire Foundations Pay Communism."

"For some years there was an element of mystery in the ability of the Communist Party to finance it's extensive network of front organizations. To a large extent the Special Committee on Un-American Activities has unravelled that mystery. The principal source of the by which liberal

Communist front organizations are able to operate today is a network of foundations which have been established primarily by rich Jewish radicals." "Among these foundations, first place belongs to that which was set up by the will of the late Robert Marshall.

His estate was left to the son of Robert, son of millionaire **Louis Marshall**, humbler of Henry Ford, etc, was George Marshall, his brother.

In a page and a half of fine print the report itemizes communistic recipients of the **Marshall Foundation** funds. These include the Communist Party paper, American Guardian; the communists American Youth Congress and National Negro Congress, and its president Max Yergan of the National Federation for Constitutional Liberties; the National Religion and Labour Foundation (which ran Soviet cartoons representing Christ as the Judas goat of his victims, the "workers"); the Southern Negro Youth Congress International Juridical Association the Methodist Federation for Social Service (whose head, Harry Ward headed the Communist American League Against War and Fascism. I heard him introduce the Party head Earl Browder as needing no introduction -"our Vice Chairman at the Highlander Folk School where **Martin Luther King** studied according to pictures and reports, King of the "**Mystery Group**" **Warburg**.

The three front Negroes are interwoven with the whole revolutionary movement. Whitney Young of the National Urban League was formerly financed by the same Garland Fund which supplied the Communist Party newspaper, Daily Worker and is called one of "America's three" most influential Negroes" by the National Observer report previously cited. **Frederick Warburg** is identified as one "who doubles as a partner in **Kuhn Loeb & Co.** and as an adviser to the **Urban League**, an organization "for Negro rights". Back of Young Warburg is **Roy Wilkins**, executive secretary of the National Association for the Advancement of Coloured People, which has a red record a yard long.

Roy Wilkins is one of the three most influential Negroes. He has been active in Marxism and the League for Industrial Democracy which has spread communist doctrines throughout our colleges and trained personnel for the "Jew Social Disorder" in high governmental posts. He was active

in behalf of the Red church burners in Spain, whose mostly Jewish members were collected from all over the world by Jewry (See Soldier in the *Universal Jewish Encyclopaedia*, 1943). One of his communist front listings in the Dies Report is his activity in the communist International Labour Defence "United Front for Herndon" the Negro Communist and another is his connection with the International Juridical Association.

Norman Thomas, who has been executive director of the League for Industrial Democracy hitched to his Socialist Party and a founder of the legal hatchet for all phases of the Red movement, the American Civil Liberties Union, and was also a founder and director of the communist Garland Fund which financed all branches of Marxism. **Thomas** is at this moment, according to the radio, is with the red run gang of marchers on the Capitol, Wash., DC, furthering the "Negro revolution" disguised as "Civil Rights". Wilkins was not only on the executive board of the reds own "Spanish Refugee Relief Campaign" (*Daily Worker* 1/17/40) but also a supporter of the 1935 march of the communist American League Against War and Fascism, according to its letterhead. (7/22/35).

I attended some of their huge mass meetings. Their avowed aim was to undermine any war by this country, by sabotage and mutiny, and to turn it into a Red Revolution and then to hoist the Red Flag over the USA. Now he is serving what is called the "Negro revolution". In my files is an old Communist Party pamphlet called *The Negro In A Soviet America*.

## James Farmer

Another of these three most "influential Negroes" is James Farmer, who has been even active in the Norman Thomas League for Industrial Democracy, as its Student Field Secretary and on their board of directors for years. He has played the Christian front also as member of the executive committee of the National Council of Methodist Youth (1938) and vice president of the United Christian Youth Movement, etc. Aitho his name appears on the CORE letterhead as "national director", he is sustained by a tried and true "Advisory Committee" including Rabbi Roland B. Gittelsohn who was, listed in the Dies House Committee Report for his sponsorship of the Communist American League Against War and

Fascism which had Earl Browder as its vice chairman. He works with Charles S. Zimmerman, an officer of the Jewish Labour Committee which now, as when I wrote my *Octopus*, numbers a half million red Jews, officered .by Jews exiled from Russia because of their red revolutionary activities.

Then there is **Sidney Hollander** with not only eight communist front listings in the House Committee Dies Report, but who boasts in *Who's Who in America* (1963) that he has been a member of the American Jewish Committee the moguls of world finance, industry and political power since 1940 and that he received a special award from the communist aiding American Civil Liberties Union of Maryland; and he received the **Stephen Wise Award** from the American Jewish Congress in 1960 and cites his "race relations" activities including the National **Urban League** since 1945.

Rabbi Stephen S. Wise, founder of the American Jewish Congress is the one who hailed the Russian Red revolution, which put Christian Russia under Jewish liquidation and slavery, "as the greatest accomplishment of the Jews". (See N. Y. Times report: pp. 39-40-41).Wise did not miss a Red connection.

When the Dilling family attorneys had him on the witness stand in our libel suit against the **JEWISH SENTINEL** of Chicago (which paid us \$2,000) his lips twitched with rage as the Dillings pointed out one Communist connection of his after another. When they tried to get him to identify the photostats from the *Talmud*, as such, in my book the *Octopus* he broke forth: " **I know it, I have, I use it!** He is my **Friend!**" (presumably the translator or Rabbi J. H. Hertz of England, author of its Foreword was really irked!

## **Will Maslow**

**Will Maslow**, another guiding influence listed on the CORE letterhead is a Russian born Jew, listed for communistic activities by the Dies Committee and on the Legal Commission of the Wise founded American Jewish Congress since 1945.

To cover the Red activities of the host of radicals listed on the **National Urban League** and C.O R E. letterheads would require another book. There is **Walter Reuther** and **Abraham J. Muste** and **Algernon Black**, with 8 and 17 Dies Committee listings respectively and more in my writings.

There such good kosher characters as **Theodore W. Kheel**, trustee and past president of the National Urban League is the son. of Samuel and Kate Herzenstein, who is married to Ann Sunstein. There is **Louis J. Glickman**, vice-president, and according to *Who's Who*, director of Rogosen Industries of Israel, and Founder of the school of medicine named in honour of the atheist communist **Albert Einstein** a trustee of Yeshiva and Brandeis Universities of anti-Christ culture (Louis D. Brandeis was the largest single contributor to the little communist training school at Mena, Arkansas ) etc. **Lester B. Granger**, was the Executive Secretary of the **National Urban League** since 1941 and has 13 red listings in the Dies Report alone. And so on and on and on.

## THE MYSTERY GROUP

But to solve another "Mystery", in the report quoted from the *National Observer* concerning the secret breakfast, at New York's Carlyle Hotel June 19. The meeting was largely the handiwork of **Stephen Currier**, a young, obscure New York multimillionaire whose Taconic Foundation has contributed heavily to civil rights causes.

## Who Is Stephen Currier?

If you want the above question answered, just look in *Who's Who In World Jewry* of 1955 in which Barry Goldwater had asked to be listed by them and was turned down as he had not been prominent enough in strictly Jewish organizations. The Jewish press listed one of the **Mystery Group: Frederick M. Warburg**, and learned that he was with M. M. Warburg, of Hamburg, Germany in 1921-1922. **Max Warburg**, his uncle, was pay off man to Lenin and Trotsky when the money was being poured into that end by Jacob Schiff, who was then the head of Kuhn Loeb .& Co. Max Warburg came over here to draw up the vehicle for Jewish world government, the **United Nations** and its Charter, in 1939. We are told in

that Frederick M. is the son of **Frieda Schiff** (daughter of Jacob) and Felix Warburg. **Jacob** was his grandfather. He was with. Lehman Brothers 1927-30 Herbert Lehman sits as always on the board of the **NAACP** and has been with Kuhn Loeb since 1922. **Edward M. M. Warburg** who, like Frederick M. Warburg lists himself as the son of Jacob Schiffs daughter. Frieda and of Felix Warburg. They are brothers. Edward, listing his children, gives the name of **Stephen Currier** his stepson plus two of his own. Edward lists his position as Chairman of the colossal **Joint Jewish Distribution Committee** which poured millions to the Jews **Revolutionaries** in Soviet Russia. It was established by the High Commission and the American Jewish Committee, and after distributing more than \$600,000,000 now receives funds from the **United Jewish Appeal** of which Edward Warburg has been the "general chairman" since 1950.

Yes, there is plenty of money for. **Negro** agitation, just as there was to pay soldiers aid sailors to riot and mutiny in Russia. so that Jewry could take over and the same outfit seems to be busy now, as then.

## Winthrop Rockefeller

In the mail this week came a full page ad signed by **Winthrop Rockefeller**. It appeared in the Ort Smith, Ark., *Times Record* 8/15/63.

Scrawled across the upper part in imitation hand writing is this: "To my Friends In **Arkansas**"

There is nothing on the whole page except a big "**Winrock Farms - Morrilton, Arkansas**" on the bottom and the outline of a supposed letter in the middle of the page with the same heading and this maudlin sweetness, dated August 14, 1963". "**To My Friends In Arkansas**":

"As you know, it is not by accident but by choice that I am an Arkansan! I am proud of this choice, and grateful to those who have welcomed me here. It is my sincere hope and expectation that Arkansas will be my home for the rest of My days (There is more of same two full paragraphs). Then: "In closing, I would like to say that Mrs. Rockefeller, our children, and I look forward with great enthusiasm to working with you on a variety of

projects through the coming years for the continued betterment of our beloved state, Arkansas.

"Again, many thanks for all that you 'nave meant to us, with all good wishes," Sincerely, **Winthrop Rockefeller**"(written and printed)

One of my readers who sent in the full page ad wrote on it "How pukey can we get? This ad has been in three different Arkansas papers!"

## **The National Urban League**

Would the vast holdings listed in Who' s Who in America directed by Winthrop Rockefeller in oil, banking, the Rockefeller Center, Rockefeller Fund, all interwoven with Talmudic power, have any bearing on Winthrop's name being on the **National Urban League** letter head along with the Zimmer-man's kosher crowd "advised" by Frederick Warburg, as one of the trustees? Would his plans for **dear** Arkansas have anything to do with all this?

Watch and see? Winthrop, like Laurence, David, and Nelson and Aldrich **Rockefeller** are sons of John D., Jr. and Abby Greene (Aldrich) Rockefeller. All are loaded with banking, oil and high governmental positions.

Christ told the Pharisees "ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves" (Matthew 23:15).

And when the 7th world government (we are in) the Red Babylonian Pharisee run, last worldly world government, falls, Christ says: "thy merchants were the great men of the earth and as he accused the Pharisees of being the children of them that **killed** the Prophets who would go on until guilty of all the righteous blood shed from the: foundation of the world, when He faced them (Matt. 23:31-35) He says when their 7th world government falls, the whore like. Babylonian mind. running it: "in her was found the blood of the prophets, and of saints."(Rev. 18:24).

## SUMMARY

It is not I who accuse "them which say they are Jews of being "**Pharisees**". All Jewish authorities today echo the Universal Jewish Encyclopedia statement under "**Pharisees**" and the Jewish religion as it is today traces its descent without a break thru all the centuries from the Pharisees; and its greatest work is the *Talmud*.

## RUSSIAN REVOLUTION and the NAACP

The State Department papers on **Russia** in the 1918 House Document 1868, from which re productions appear in the *Plot Against Christianity* reveal that the Kuhn Loeb money funnelled thru Germany, by their Hamburg relative, Max Warburg, financed the Jewish Kerensky-Bolshevik takeover of Russia. The planned **confusion** is reflected in the reports of our Ambassador David R. Francis to Secy. of State Lansing. Then he discovers the complete synchronization of efforts between Kerensky and the Lenin-Trotsky faction. The Consul at Petrograd, North Winship, in a long report to our Secretary. of State Robert Lansing (5/15/17) cites the "ovations and demonstrations" all being made by people of the middle class not "workers", and the complete Socialist control exerted over workmen, and messages and proclamations being issued by "**American Socialists**" William Walling being named (Vol. I, p. 55). The **YMCA** was also being used as a revolutionary arm and **Jews** ran it all.

## How The National Association For The Advancement Of Coloured People Began

The above is the title of a pamphlet reprinted in 1954 by the NAACP, with the notation, "First Printing 1914", written by Mary White Ovington. In it she tells how she had read an article by William English Walling in 1908, entitled Race War in the North. She wrote and they met in the first week of 1909. "With us was Dr. Henry Moskowitz. It was then that the NAACP was born".

Note: the late Moskowitz was a Rumanian born Jew and has a lengthy sketch in the 1928 Who's Who in Jewry, showing his political power in the Teddy Roosevelt administration and in that of N.Y. City, and the colossal **Joint Distribution Committee** which shovelled millions to the Jews of Russia, sustaining their take over

Mary continues her narrative:

"Mr. Walling had spent some years in Russia where his wife, working in the cause of the revolutionists, had suffered imprisonment".

Walling's wife, Anna Strunsky was a Jewess born in Babinotz, Russia, 1879, and was evidently a congenial partner in Soviet Socialism, as was the eulogist of Mary White Ovington. In 1939 she, in was pleading, along with the Negro Communist Langston Hughes, etc, for "Closer cooperation with the Soviet Union;" and in Jan, 1943, was as treasurer of the NAACP, signing a "Message to the House of Representatives", opposing renewal of the Dies Committee (*Dies Report*, Vol;17,1944) which is easy to understand.

**A Book** could be written about the **Red** activities of the **NAACP** directing officers and committees named by Mary as initiating the **NAACP**, as well as those ever since.

The Jew **Joel Spingarn** headed the **NAACP** until he died. Since then his brother **Arthur** has carried on as President and **Herbert Lehman** of Lehman Brothers Bankers always sat on the **NAACP** directors board while operating huge Jewish enterprises. To the hordes financed through **UNRRA**.(1943-6) the red aiding anti-Christ Jewish Theological .Seminary. The Seminary works on the Christians thru the National Conference of Christians and Jews; and he has his hands into the Boy Scouts, like other prominent Jews.

He is married to Edith Altschul of the Lazard Freres international banking family, and it was under his banking outfit that Frederick **Warburg**, king of the **Mystery Group**, served an apprenticeship, after he did his stuff with his Hamburg banking relatives, headed by **Max**. He was the payoff

man to Lenin and Trotsky. It is all so cosy! Add the Seligmans, Rothschilds, etc, etc, all intermarried into a worldwide web and you can easily see that Communism in America has was financed and led by rich Jewish bankers from America and that is the Key to the Mystery.

The Hidden Hand behind world revolution as took place in Russia and Germany was organized and financed by rich Jews who were instinctively acting on their anti-Gentile racist beliefs.

Marxism was a revolution financed and guided by the Jew which has used white working class labourers as their means of overthrowing non-Jewish leaders who opposed their quest for world power.

It was that way in the beginning and will be that way in the future. Either the Jews will run everything or they will destroy what they cannot control.
