

# DUCHESS MEETS POPE IN VATICAN PILGRIMAGE

The Duchess of Kent was received into the Roman Catholic Church on Friday, 14th January 1994.

## Royal Humiliation

The picture on the front of this tract depicts the visit of the Duchess of Kent, to the Vatican. It is now twelve months since her Royal Highness became a convert to Rome. She was the first member of the Royal Family to do so.

This event, provoked some Roman Catholic Clergy to comment with some jubilation, that the Duchess of Kent's conversion signalled the conversion of the British Throne back to Vatican Rule! They may be a little bit premature in their celebrations; But there is no doubt that there is a move in our Nation both Politically and Religiously, and this move is leading us back in to the Roman Fold.

Rome has a tradition that those who are non-Catholics and especially if they are women, that they must dress in black if they are having an audience with the Pope. This no doubt is to convey their inferiority to the Pope, who claims to be Christ's earthly representative.

When anyone, whether they be Royalty or not, who submit to the authority of the Pope they are upholding one of the great errors of the Church of Rome; which is the Doctrine of Papal Infallibility and the Papal claims that the Pope is the Vicar of Christ. There is a clear lesson to be learned. No one can turn away from the truth without being engulfed in a greater error.

Papal Infallibility is not only unscripturable but it is also repugnant. But the claim that the Pope is Christ's Vicar, is blasphemous. No one who has had a personal relationship with the Lord Jesus Christ and who is indwelt by the Holy Spirit, (who is the real Vicar of Christ) could ever countenance such a blasphemy.

We were all saddened by the Duchess of Kent's conversion to Roman Catholicism; but when you consider the attitude of her former church; which was the Church of England, and the comments which emanate from its leaders. It is all too obvious that they have already one foot in Rome.

## Duchess Meets Pope in Vatican Pilgrimage

When Dr Carey was visiting Northern Ireland recently, he was asked about the relations between Anglicanism and the Roman Church. He replied that he and "The Holy Father" have a cordial relationship. He used the term "Holy Father" quite a few times in the discussion.

Surely it is obvious that the Established Church is no longer the worthy successor to its Anglican Forebearers. It is no longer the religious system which in times past stood for the great and mighty principles of the Word of God.

The Duchess of Kent, looked a lonely person. No doubt the private audience which she was granted by the Pope, was one which brought her some religious gratification. But what a difference it would be if she had a living relationship with the real Head of the Church, the Lord Jesus Christ, instead of being with one who is an imposter. Do not pity the Duchess of Kent, but rather pray for her that one day she might be able to say like one of old "Once I was blind now I see".

In the Day of Judgement, it will not matter whether we are Royal or Common. Whether we live in palaces or humble dwellings. We shall all be judged on — what have we done with Christ. Pilate asked "what then shall I do with Jesus who is called the Christ" (Matthew ch 27 v 22). We know what the Jews said. We know what the Roman Soldiers did. But reader Friend what have you done with the Lord Jesus Christ? Is He your Saviour? Is He your Lord and Master? Is He your only hope for Eternity? Is He the One whose guiding hand is upon you day by day? Reader remember this. Jesus is still the Friend and Saviour of sinners make sure He is yours — TODAY.

## **IRRELEVANT CHRISTIANITY**

As we look around our towns, cities and villages, we see so many Church Buildings, that were once used; for the preaching of the Gospel; today they are empty shells.

## **GOD'S WORD**

There are in all probability, services held in them Sunday by Sunday. But for many these services contain an irrelevant Christianity. Once the word of God was paramount. Once the Creeds and the Commandments of God, were presented with an awesome feeling that this was God's word.

Today many of these magnificent buildings have become places of idolatry and the Gospel is a sacramental one. In some places non-Christians are allowed to use them to worship their false "god's."

## **GOD'S GLORY**

It is no wonder that people are turning to Rome for comfort and help. The glory of God has departed from these places, where He was once worshipped. Surely it would be better if they were pulled down and not remain as symbols of a Christianity that is no longer believed.

## **GOD'S INSPIRATION**

How relevant is our Christian Faith today? Is it a living faith, founded upon the indestructible inspired word of God? Is it a faith that we can, by word and deed, convince men and women of its reality? May we not possess a stagnant faith; but rather may we be possessed by a lively faith. May our faith be strong as it is based upon Word of God. May we be a people who know the Lord and the power of his Holy Spirit. Let us seek to restore to our Nation something pertaining of God's Glory as it is revealed in the Lord Jesus Christ.
