God's Controversy with the Nations

Dr. Wesley A. Swift

16th March 1966

THIS IS A SUBJECT THAT HAS BEEN VERY OFTEN **OVERLOOKED** because many think of God as a pacifist and as they think this way, they do not for a moment consider what God has in mind to do.

Jeremiah 25: "Therefore prophesy thou against them all these words, and say unto them, The Lord shall roar from on high and utter his voice from his holy habitation; he shall mightily roar upon his habitation, he shall give a shout, as they tread the grapes, against all the inhabitants of the earth. A nose shall come even to the ends of the earth; for the Lord hath a controversy with the nations, he will plead with all flesh and give them that are wicked to the sword, saith the Lord."

Now, I do not think you have to much room in this passage, because he does not only plan to war against the darkness, but to drive it from the face of the earth. Well, significantly he makes it very clear that he has a controversy with the nations, and what is that controversy? In the first place, this controversy is the people who do not want His Kingdom to be in power. Who do not want the establishment of His Household, and His race. Remember, that the one thing that the book we call the Bible covers, from its opening in Genesis one to the last verse of Revelations, is the transplanting of the people from heaven to earth. His Household as such, He has placed them here to carry forward truth, knowledge, wisdom and understanding. And with this truth, knowledge, wisdom and understanding they are to build a tremendous civilization, with great power they shall accomplish the work he has ordained, with this in mind we turn to Isaiah 2.

And the word came to Isaiah, the son of Amoz, as well as peoples of earth, concerning Judah and Jerusalem.

“And it shall come to pass in the last days, that the mountain of the Lord’s House shall be established in the top of the mountains, and shall be exalted above all the hills; and all nations shall flow into it, and many people shall say: Come Ye, and let us go up to the mountain of the Lord to the House of the God of Jacob; and he will teach us of his ways and we will walk in his paths; for out of Zion shall go forth the law, and the word of the Lord from Jerusalem

So it is this purpose that we are interested in because this is God’s purpose, this is His plan. To understand what it means when he says, the mountain, if you will go to the Book of Daniel to the 2nd chapter, the 35th verse, you will read:

“Then was the iron, the clay, the brass, the silver, and the gold broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: And, THE STONE that smote the image became a great mountain, and filled the whole earth.

Thus it is that the program of God is to build a Kingdom and this Kingdom is to have pre-eminence over every Kingdom on the face of the earth. That this kingdom shall be one of righteousness and its standards are righteousness. That there is no period thought out the program of the development of his Kingdom when God does not stand for His position of righteousness. If his own people get out of line and follow Satan he chastises them, and he pours out judgements upon them until they return, be he does not cast them away, nor does he intend to do so. His purpose, therefore, is the building of a great and mighty Kingdom.

We look out over the world today, and there is no question concerning the fact that the nations of the Kingdom of God can be visible and can be seen. That the Kingdom of God is all embracing, of those who are His household and who are his children, who are heirs of salvation, who are the heirs of His Kingdom, and therefore it is through them and out of them, and by them that He brings forth His Kingdom, which is a real and visible force in the midst of the earth.

We point out to you that this passage in Isaiah 2 is only the beginning, for God looks out and makes this declaration: Many people shall come forth and they will want to know and to learn from the house of God. This is to ultimately take place, but before that, he also says, "I want you to know that I am somewhat displeased with my own people", verse 6, "Here in Judea, You have forsaken thy people, the house of Jacob, and become replenished from the east, from the south, from the soothsayers like the Philistines." They now seek to please themselves with the children of strangers. Thus God makes this declaration, that this land has been tampered with by the strangers, where they have moved to the very structure of the nation. With this entrance into the nations of the Kingdom of God, they have taken over your economy, have taken away your silver, your gold, and the very substance of the nation.

Isaiah 1:7, "Your country is desolate; your cities are burned with fire, your land --- strangers devour it in your presence, and it is desolate, it is overthrown with strangers."

But God says, "This is still my mountain in the midst of the earth, and instead of permitting My Mountain to be destroyed, I shall wage war against the origin of their enemy, against that source and against their power, and I shall bring them down." Now, all through the book of Isaiah, and through the 2nd chapter, especially, it is declared: (verses 12 - 17)

"The day of the Lord of hosts shall come, and all those who have lifted themselves up shall be brought down. For they have lifted themselves against me, and my people."

Verses 19 - 21: "And they shall go into to the holes of the rocks, and into the caves of the earth, for fear of the Lord, and for the Glory of His Majesty, for he shall arise and shake the earth."

Now we believe and we believe absolutely, that Christ can re-enter the world. The word Christ means to be christen, or to be in the flesh, to be embodied, to exist. We know that God has had a body and has had it at all times. We recognize that he has Spirit, soul, and body. You in his image have Spirit, soul, and body. You are real and also tangible. So also

shall God tangibly re-enter this world, because he as Almighty Yahweh can do anything he pleases. There is nothing to hinder the Almighty God from re-entering the entire field of human affairs. Every once in a while we run across people who have no knowledge that God will re-enter the field of human affairs, but he will, and some laugh when you reiterate that he will. But the Bible makes it clear and none can gain say that He has stated He will return. If you are a Bible believer, then you are faced with the fact that God intends to wage war with the forces of evil and he shall deliver his people.

Now, there are those who believe that war is a most terrible thing and we should do anything to avoid it. We have been fed all sorts of propaganda in this nation. This day there are sermons preached all over this land praying for Peace. I saw one newspaper with many topics of Sermons, all praying for Peace even if we walk away or turn the other cheek, any way, any price, Just Peace. Well, those with this declaration of Peace should lay down their program for life and living and take a look at the scriptures because the scripture tells us that there will be no peace. "For when thy cry Peace, Peace, come judgement and sudden destruction." (Jer 6"14)

I realize that to some that this is not the kind of doctrine that they would like to listen to because they have been filled with all kinds of entertainment and amusement and they do not wish to be upset or disturbed, but it is important that something be done to save your society. You are aware as a great nation of God's Kingdom of the greatness of your land, and the greatness of your way of life has come directly out of the guiding influence of the Most High God. That every thing that is vital and everything that is good, and everything that is true, has come forth out of the purposes of the Eternal One.

Now we read in the book of Isaiah, chapter 2:21:

"They shall go into the cliffs of the rock, and into the tops of the ragged rocks; for the fear of the Lord, and for the Glory of His majesty, when He ariseth to shake terribly the earth." Why?

Because people have permitted His land to be infiltrated with the enemy. When you lowered your immigration barriers, they poured in like a flood. The enemy has done exactly as the book of Isaiah chapter 2 told you they would do. They have left you with only the emblem of the wealth you once had.

Look at this great nation, which can produce anything we need, but we are told we have no money and are deep in debt. Well, where did the money go? It has been confiscated and taken out of your land. This is one of the most fiendish plots of all times, and it is within the structure of the Federal Reserve system, which is a private banking system and its not a part of the program of God's Kingdom. It is a part of the program of Darkness. Think, here in America it is even a felony to have a silver certificate. This, after they removed your gold and silver coins. But the thing which is significant is that the standards of God's Kingdom in this instance have been forsaken, and God says that He is going to do something about this situation also.

Now when God says he has a controversy with the nations, he carries this to completion. He is not going to destroy the people he wants to save; he is going to destroy those in your midst. Out of the midst of the land of Israel, out of the midst of the nations of God's Kingdom will he come and he shall destroy and the power of darkness, no more shall they live as parasites on you.

What does the scripture say? In this day, when He comes, they will fear him, not only His appearance, but the Glory and Majesty that surrounds HIM. No one has ever witnessed anything in earth that is as beautiful and as radiant and filled with light as shall be the person of Jesus Christ. They have little concept to realize this. If they are enemies of God's Kingdom, they do not anticipate it and many today do not believe it will happen. We listened to Eddie Cantor. He said, "Now I don't believe in the return of Jesus Christ, but if these flying saucers we are hearing about, means the return of Jesus Christ, then we have had it."

When he comes they will be running to the rocks and to the mountains, to hide from His Presence, because they never saw a light like this one.

Now someone says, "Will this be a problem, and a time of trouble?"

Well, in the 39th chapter of Ezekiel, we read: "Therefore, thou son of man, prophesy against Gog, and say: Thus saith the Lord God: Behold! I am against thee, O Gog, the Chief Prince of Meshech and Tubal. And I will turn thee back and leave but the sixth part of thee when I bring thee upon the mountains of Israel."

The word Mountains is plural, not singular. When the powers of darkness then move, they move against the structure of God's Kingdom. This is not one nation, it is many nations; though pre-eminently, you stand as one of those nations, and stand as one marked in the 39th chapter of Ezekiel as a land of un-walled cities. This is your stance today and this also holds true for western European nations as well as south Africa. These are also un-walled cities. They have a type of society that you hardly ever find in the heart of Asia, or the rest of the pagan world.

Now: (Ezekiel 39) "Therefore, I shall smite the bow out of thy left hand and the arrows shall fall out of thy right hand. Thou shalt fall upon the mountains of Israel, thou and all thy bands, and the people that is with thee: I will give thee unto the ravenous birds of every kind and to the beasts of the field, to be devoured."

Yes, He said: I, Yahweh God, am going to give you to the birds of prey when you come against My land, and you shall be destroyed.

Now let's turn back to this great image described by Daniel. This great power of darkness is to be smashed and then arises this great Stone Kingdom which has smashed the great powers of Darkness. This is outlined by the Prophet Daniel in the second chapter. For Nebuchadnezzar is the symbol of ancient Babylon with its manipulation of gold and silver, and its manipulation of people, and the great armies raised by this power of darkness and denounced in that second chapter of Daniel. But one power, one force, one people, one stone that is plated into the earth, grows into a mighty force, a Holy people. This stone Kingdom is the

Kingdom of God, the household of God, the Adamic race, the nations of God.

Now the ultimate plan for that Kingdom is for the people of that Kingdom to fill the whole earth. But before it reaches such a glorious day, we still have a few things that are between us and that area of administration from one end to the other end. And that is what we have today. The powers of darkness, and almost all nations considered non-white are in its groupings as Great Babylon, with the possible exceptions of a few areas of resistance such as Formosa under Chaing Kai Shek.

Then there is also Korea. Now you say but these are not white people, No. But they are, especially on Formosa, are a people who have approached unto the Most High God, and are Christian with their limitations to understand. There are more people in South Korea who embrace the religion Christianity. Any other religion, and this holds true also in the Phillipines as well. We must remember that though these people may not go as far in areas of their Faith as does the household of God, but still they have approached to worship HIM as God.

There have been many things taught by the church that are narrow, and there are many things today for which these people are not responsible for, because they did not originate the areas of error. Rather they were taught the areas for error. It doesn't not mean that because they have become Christian in their capacity and are walking toward the one true God, that they are your true brothers, and it does not make them and you, all one race.

God has a controversy with the nations because men have tried to mingle the races, one with another. In the book of Jeremiah, as well as in other places in the scriptures, God says that he considers these people who are mongrelised not as servants as mine even though they have become followers. They are not to mongrelise for He considers people who are mongrelised in their flesh like the flesh of horses and of beasts. In other places he says that He considers those whose blood is mixed like the dung of horses and cattle.

I bring this out and some will consider the God says something the is very, very harsh, but his is not harsh when you recognize that it is the maintenance of Divine law, and the procedures by which progress can come to the nations of God's Kingdom. I also point out that God intends to bring this Kingdom to fruition, and he does not intend to permit it to be defeated in this operation.

I take a look at this design today and I see how they want to bring it to one world status as fast as possible. They want to see it established first, with the union of Western Europe, as these nations you would accept as a first step. Then this would be only the wedge to move you further into the one world, a society of nations, then finally the world society of nations.

Then they promise no more wars, for there would be nothing left to fight about, so they say. The only excuse for NATO, is the feeling that those of your society could stand better together, until Jesus comes, but you don't have to be a part of an alliance, or an integrated society or one world when Jesus comes. If you think that you need any of this, you are completely mistaken. By this process you would loose your sovereignty. You would loose your freedom. You are to stand as a Great nation in the nations of God's Kingdom and fulfil your destiny.

Now the Son of Man shall come, and notice this Son of Man is symbolic as the embodiment of God. He shall come with his Holy angels, or administering spirits to sit upon the throne of His Glory. He intends to come, He intends to operate on the foundation of his own prophecy, and His own word. He is to take the throne of David, he is to take the British throne, and since British means covenant man, then there is no question that the British throne is the throne of David. This throne is representative of symbols and of functions that will be carried out by God, Himself. This does not mean that the British have a pre-eminence above you or the rest of Israel, but it does mean that they have kept alive this throne, and it still stands today.

I noted on Friday how unhappy the children of the darkness were, when Princess Beatrix of Holland was to marry the German prince, they didn't

like it at all. Now this was not the true people of Holland who cried out, it was the strangers in their midst that did not like this marriage. But God will destroy these out of Holland for they are strangers in that land, or they would not have made such an outcry when the Princess married the German, and they called him a Nazi.

They probably do not want to get caught in Holland a second time, cause those crying out were descendants of the diamond merchants from Amsterdam and Rotterdam. These were the people who produced the betraying catastrophe back in WWII and if the people of Holland had understood before it happened instead of afterwards, then that tremendous retaliation would not have taken place. But in WWII, there had been no abusing of the people of Holland, until certain people violated certain areas of Divine law and let strangers come into their midst.

The Queen temporarily left the land and agreements had been made for the occupation of the land to hold a temporary line and as the planes came in to land, a Jewish officer who had great influence in their army ordered machine guns set up and the Germans were killed as their planes came in and landed under the previous agreement that had been made. This was the place where the Germans were to hold their front line, and it was necessary to them, but a double-cross occurred, and only one plane got away.

As this plane returned to Germany with the word that something was badly wrong, and it did not take long to figure what was the matter, for the Germans knew of the double-cross by the Jews. So word went out to all but certain areas of Holland, and the planes came over and wiped out those areas where the diamond merchants and their people lived. Then the other day we find that the descendants of the Jews still do not want an alliance with the house of Orange, and with Germany.

I want to point out to you that the program of God's Kingdom will continue, even though the police in Holland had to come in with clubs to stop the rock throwing at a Royal wedding, the other day. The same thing continues to be true however for these in the royal wedding are a part of the household that God has established as a people in the midst of the

earth. God has said that He is going to sit upon His throne, and though there are other thrones besides the one in Britain, still they are all related. But we don't talk about pouring them all together because each will be identified by their house, and by their tribes, and by their background.

He will gather the nations before Him, and He is to separate the nations, the sheep nations from the goat nations. He shall set the sheep on the right side and the goats on the left. This is right and proper for there are right things to be done. Those on the right will destroy the powers of darkness if they must to keep the standards and the principles of the Kingdom. Those on the left are the powers of darkness, and forces of evil who work against the Kingdom, and they will carry out the strategy if they can. So don't think this can continue forever, without a conflict.

Remember this, Therefore the King says to His Household, to those on the right, "come ye blessed of My Father, inherit this Kingdom, prepared for you from the foundation of the world."

Let us for a moment go to the book of Revelations and here again we will find under this declaration that there are things that have been laid down by the most High. Rev. 16:14. "And I saw 3 unclean spirits like frogs, come out of the mouth of the dragon and out of the mouth of the false prophets --- These are the spirits of devils, they are working miracles, seeking to gather the whole world, the whole world order to the battle of that great day of God Almighty."

Now, I don't have to tell you that these are Jews. I just tell you that they are spirits of devils, they want to wage a war. Jesus could identify them pretty fast. He just looked at them and pointed them out, just like he pointed out Judas Iscariot as a devil. He referred to the powers of darkness as devils, so we have no obligation to please them, and so we do not try to.

These devils here in Revelations are the basic symbols of the Kingdom of darkness. The symbol of Luciferian power is the dragon. Lucifer is the great dragon when he appears as a military force, with the military force of Asia and Africa, then he is the dragon. So his political philosophy is

his ability to conquer you. Out of the mouth of the beast is the world order, and this is not the human race, and not of the spirit. You may think they are human, but they are not. If they were Human, they would be out of the Spirit of the Living God, and out of the living household of the Almighty. Instead they are the Enosh, and as such they are called beast. The word Enosh has been translated beast in the Greek and then over into the English, still as beast. So here you have the blue print of darkness. The evil powers shall come out of the dragon, out of the beast, and out of the mouth of the false prophet.

Now, here is organized Jewry at its height (Zionism). “Out of the mouth of a false prophet.” What is all this for? To gather people to a great day. He says: They will gather together the world order; to attack you and this battle shall be called Armageddon. Now there are many people who have looked at these passages, and have evaluated the contents as much as they were able and then they said that they didn’t think this matters very much, what it says in the book of Revelations because the book is filled with all kinds of symbols, and images and idols and all kinds of things that no one understands.

I listened to a minister say that he thinks the time has come when we should take the book of Revelations out of the Bible because no one understands it. Well, this minister didn’t understand it because he does not know that the spirit of the Living God unveils the contents of the book and guides a person to know the content of the Book of Revelations. He cannot know because of his background and because of his race, and he should not have been placed as a minister in a Methodist Church. I point out again that I attended a conference inside the Methodist Church, it was called a ‘congress for racial understanding’.

It was a part of the Methodist federation for social action. There they said that their greatest problem would be to separate people away from certain areas inside the books of the Bible. They didn’t call it separating them from areas inside the Word of God. But they were telling us that inside the word of God are things that they don’t like and we have to remove those things and then they could tell the people that these things were placed there by bigots, and therefore do not belong inside the scriptures.

So the important thing in their view point is that we not know the truth and then we are in trouble. They overlook the words of Jesus when he said, "Ye shall know the truth, and the truth shall set you free."

Again, we go to the scriptures: (Rev 19:11) "And I saw heaven opened and behold a white horse; and he that sat on him was called Faithful and True --- His eyes were as flames, and on His head many crowns; and He had a name written that no man knew, but He, Himself --- He was clothed with a vesture dipped in blood; and His name is, The Word of God."

Now, who is the word of God? "He is the Fullness of God. Hear ye O Israel, Yahweh thy God is one Lord --- Him only shalt thou serve."

Understand this: He is the sovereign Eternal God. "And the armies of heaven followed him upon white horses, and out of His mouth goeth a sharp sword that he will use to smite the nations. With it He shall rule the nations with a rod of iron; and he treadeth the wine press of the fierceness and wrath of Almighty God."

Now some say, but what is the winepress? Go back into that passage of Isaiah that we read earlier to you and then go into the controversy God has with the nations and you discover that he calls this the Grapes of Wrath. Now some will think of that book and picture the grapes of wrath, but his is a poor pattern, although this book was pointing out things that were corrupt. Still this is not what the scriptures, the winepress of the fierceness and wrath of God, means.

I point out to you that the Grapes of wrath are all those races of societies that shall hurt My Holy Mountain. God says, "I shall cut all those down, and throw them into the winepress, and trample those grapes of wrath." There are those grapes of wrath today, who have come forth and are in all the nations of the earth, where they have been planted, but they are wild, parasite grapes and are of no use.

So therefore God said that He was going to tread the winepress in the fierceness of the wrath of the Almighty God. "And on his vesture and on His thigh a name written, Kind of Kings, and Lord of Lords."

Now I am not going into full interpretation of all these passages, but I want you to see clearly that Christ is returning, He is re-entering the processes of this passage of the horses is understandable as there are horses coming in, in many ways. But the significant thing is that this is the symbol of authority and of power and Jesus the Christ possesses this power. More than this, (verse 19) “And I saw the beast, and the kings of earth, and their armies, gathered together to make war against Him who sat on the white horse, and against his army.”

Now, in the book of Joel, 2:11, it says, “And God sounded his voice before his army, and it sounded like a trumpet and his army came forth, a great army.” Why does he sound his voice before his army? Because he has a controversy with the nations. God says, “the nations will not have me to rule over my own world. But I own this World, I built this world by myself and here I have people who say I cannot rule it. I will not put up with this situation any longer. I have sent my sons into the world and they have developed into a people and a household and I am going to give unto them, the administration of this world that I planned from the beginning.” (Matthew 21:43) Now what would be better for the world than to be administered to, by the Highest. For when that day comes, the highest shall think as he thinks and know as he knows, because they shall be developed in a way which the scripture says, “In the twinkling of an eye, into those who shall know as he is Known.”

Now the beast is taken and with him the false prophet and all that wrought their miracles, and those who received the mark of the beast, and those who worshiped the dragon, Lucifer. And they are thrown into a condition of a kind of Shekinah Glory, which purges out, and destroys the areas of evil. This will purge and carry out in an area which you and I do not have to contemplate. We do not know how this will take place other than that this will be a work of the Most High God, which in the fullness of time will put the darkness into the fullness of light, and righteousness. But in the meantime to eliminate this parasite from the areas which they control is the very work of God.

Under this policy we go back to the declaration we find in the book of Romans, for it is one of those situations in which we are told that we are

not to be conformed to this world, but to be transformed, but the renewing of our minds, that we may be able to prove that which is good, that which is acceptable, and that which is the perfect will of God. (Romans 12:2) There never has been a period when it was not a point, that you should know the truth. "For now it is high time to awake out of thy sleep for now salvation is nearer than you believed. The Night is far spent and the day is at hand, therefore, let us put off all works of darkness and put on the armour of Light, and let us walk honestly. Let us not walk like those who riot in the day time, but let us walk as triumphant sons and daughters of God. And be prepared to defeat, and to put down the forces of darkness, forever." God calls for leadership and for you to take a stand, but not to be defeated.

When we talk about the nations of God's Kingdom, I think it is very important that we make it very clear, that these nations God's Kingdom are not to include the US and Britain, alone. These are two of the mighty mountains of God's Kingdom, but they are not all of his great mountain. You notice in the second chapter of Isaiah, there we read about God's mountains. I want you to know that the United States of America is a great mountain but today we have been polluted by the forces of darkness. By those who have been advisors are surrounding presidents and leaders inside our great society.

With this declaration that American and Britain are a part of the house of Joseph, but that is only a small part of the house of Israel. The house of Israel are 12 tribes, or 13 if you count Joseph as 2 and count Levi. The design is today, according to scripture, to destroy the mountain of God. Australia is a part of God's mountain as well as South Africa and Rhodesia, and through the western world where Adamic man is found, such as Western Europe and Scandinavian countries, and the Germanic people, and the Slavic countries, even though some are in captivity. But the scripture says that 1/3rd of the nations of Israel will be in captivity as one of the situation at this period. However, we are to save the tents of Judah first.

What people do not understand, unless they are fully aware of the strategy taking place, is that the desire of the enemy is to tie us down in far places

so that we cannot move with speed to save portions of Europe as the red hoards strike.

The picture will be surprising to some because we are to destroy the powers of darkness in Asia and we shall destroy them in Europe. There is no doubt in my mind but that we shall accomplish this. I am also sure that some will say, but this is impossible, but you just wait until the sky is filled with fleets of the Most High, as he moves into the earth to see that we have sufficient power to overthrow the darkness. Though we are only 1/6th of the worlds population, yet think what it will be like when the leader of your race will be radiant and glorious. His majesty shall out-shine that which has been witnessed by any individual and we shall know HIM, as John on the isle of Patmos, for the Names of The Lord and exiled by the Jews, knew. John heard a voice saying, I am Alpha and Omega, and John turned and looked and he beheld the majesty of Yahweh, thy Yahshua, and he fell on his face, but HE said for John to stand up, for you did not fall before when you walked with me by the sea of Galilee. John, you do not have to worry because I am the same Yahweh, thy Yahshua, the same power.

Therefore you will be happy as a race and as a people to see the re-entry of God. If tonight you would like to put off this re-entry, then you need to be renewed in the consciousness of your mind, and adjusted to this great pattern.

Now some have said, "why would you speak on this subject, of the controversy?" After all, there are a great many people who do not like the Gospel of the Kingdom or the identity of it. Well, we do not care what they like, we are only interested in one thing, and we are going to make known that the Israel of God is in the world today. It is made up of nations, of great nations, and every white nation in the world today is God's Mountains, the Israel of this bible. We can establish this so clearly, because God has ordained this from the beginning. He has ordained that his people shall be found. His Christian people, in their Christian nations, companies of Christian Nations in the midst of the earth. Thus with this declaration, I want you to know that God says: "I have a Controversy with the nations." They do not wish me to raise my sons and my daugh-

ters in my own way, they want to mutate them, to absorb them. Thus, I have a controversy.

So as a parent you have a responsibility such as God has that your children and grandchildren be not mongrelised. Your job is to see that your enemy with these ideas is exposed and driven from you land.

Then God says: "It is my job to see that my family is not integrated and mongrelised, and I will correct this situation that has occurred. This is the pattern in detail.

I listened to one of these speakers the other night on TV and every time he made a joke that degraded the white man, a great amount of laughter arose. Let me tell you something, anytime you let a Negro make fun of your race, you should be ashamed of yourself. Your TV, radio, your society should not permit for one moment someone to use these facilities for an attack upon your race, or upon your background. This is what the controversy is all about. It is this attempt to place those who are not of his household, those without the vision, ABOVE AND OVER HIS PEOPLE. It is the refusal of the world order to be ruled over by the Kingdom of God. And the Kingdom of God will show them that it can and will be accomplished, this is destiny.

The hour has come, you are in the end of the age. No man knows the exact date, but it can be very close and it can be much closer than you think. It will come with the manifestation of the Son of Man, and with it will be the previously shown manifestations of the many sons of God. Therefore, the word, Son of Man, means the embodiment of God in the flesh. So I believe and I am sure that the scriptures tell us that the return of Christ is not only imminent, but it will be a triumphant hour of victory. And he does not come as a pacifist, he comes to make war on evil, until that which is evil has been destroyed, defeated, or surrenders. And this is the declaration of God's controversy. He says that He has a controversy with the nations, and He will assist His people.

I don't think they are going to grind up Rhodesia or South Africa, oh they may try it, but they aren't going to make it. The people who are to be used

for this purpose are going to grind up each other. (Ha) The Negro is not all of this situation, behind the scene are those who use the Negro, Jewry (Zionism) and Russia is still the great power in the saddle, they are the most powerful nation to be used against God's Kingdom. With this realization, I then turn to this declaration in which God says: This is my controversy.

I Have this controversy with the nations, therefore it shall come to pass that a noise shall come up from the ends of the earth. He will give a shout and the grapes of all the inhabited places will be tread in the winepress. Then a whirlwind shall rise, shall gather those who work to destroy inside my mountain. Then therefore; You false shepherds, who told the sheep that mongrelisation, integration was my plan, you shall also be destroyed. God will take his judgement upon those who would cut down, and destroy His Holy mountain. He will take his judgement upon those who would cut down the people in his mountain that would not surrender, who stood for divine law, and those who stood for righteousness.

This is an interesting and complete picture given in scriptures that God has a controversy with the nations, and he intends to bring this to fruition. He intends to see that the powers of darkness are no triumphant. Never had we had a period of time like this one, filled with so many strange developments as we see today. It has a climax, and that climax will come, for the world order, and His Holy Mountain.
