World Order**

## Canadian Premier Probably Murdered in 1943 for Opposing NOW

(William Aberhart, December 30, 1878 - May 23, 1943)

**"BIBLE BILL" WILLIAM ABERHART, THE SOCIAL CREDIT PARTY PREMIER OF ALBERTA FROM 1935-1943**, died just two weeks after he urged his listeners to "oppose, expose and resist by every means in your power this audacious and evil conspiracy by the Money Powers to set up a World Slave State." He noticed that since 1939, "there has been a steady stream of propaganda, carefully organized and well-financed, to win support for setting up a World Federation of Nations under an International authority."

Aberhart- "There is absolutely no question about it that this plot, this evil conspiracy; to set up an international totalitarian dictatorship with control over every aspect of our lives and armed with overwhelming forces to impose their will upon us, can be traced to that small group of men which comprise International Finance...."

**The Plan for World Control (Broadcast May 6, 1943)**  
by William Aberhart  
(Excerpt by henrymakow.com)

**Suppose that you pick up your newspaper some evening** and read bold headlines such as these: *"World Totalitarian Dictatorship by Finance Proposed as New Post-War Order - Confidence Expressed British Em-*

*pire and American Governments Will Be Hoaxed Into Acceptance of Plan."*

What would be your reaction to that news? Would it make your blood boil? Would you feel indignant that anybody should dare to put forward treason like that while your son or your brother or your husband is over there risking his life for the ideals of democracy and our traditional British freedoms?

Well, my friends, let me tell you frankly, you have read that news in your papers, but it was not stated nearly so boldly. Possibly because what you read was complicated or was couched in altruistic language, and since you had no definite information on which to form an opinion, you just had to guess what it meant. And you probably guessed that there was nothing very sinister about it. That is what you were intended to do.

A short time ago you may remember reading in your newspaper that plans for an International Monetary Reform were published on the same day in both London, England, and in Washington, by the British and the United States Governments. These two plans were presented in the newspaper reports as simple and innocent expedients for making it easier to re-establish international trade after the war - a most desirable and worthy objective...

Let me draw to your attention some of the main features common to both the British and the American plans for an international money system. Both advocate setting up an international unit of money, based on gold. In one case the name "Bankor" is suggested; in the other the term "Unitas" is put forward. But what does the name matter anyway, since both plans involve control of the international money system by an international authority, which will likewise control international trade? You see it is all international - centralization of power, etc.

Both plans suggest that some such system should be set up in a hurry. Both plead its necessity on the grounds that it is essential for the purpose of averting confusion in world trade after the war. How plausible! How

persuasive! "Will you come into my parlour said the spider to the fly," sort of manner.

**Lord Keynes**

Lord Keynes, a director of the Bank of England, is reputed to be the author of the British scheme. He is reported as having stated that such an international monetary system might be used to finance a World Police Force. All Totalitarian Powers evidently need a Gestapo. We are not told who was the author of the American plan.

On the face of it there seems to be nothing in those schemes to unduly alarm people, does there? But that is only because the people haven't the information which would enable them to understand what an international money system controlled by an international authority, backed up by an international Police Force, would mean to them.

### **GLOBALIST PROPAGANDA CAMPAIGN DURING WWII**

Listen carefully, Ladies and Gentlemen! For the past three years - in fact ever since the outbreak of war - there has been a steady stream of propaganda, carefully organized and well financed, to win support for setting up a World Federation of Nations under an International authority, to which all Nations would surrender control of finance, international

trade, their armed forces and their citizenship rights. How long is it going to take for the people to realize what is going on and what it will mean to them?

In the first place it would mean that the people of Canada would no longer be sovereign. They would no longer be the constitutionally supreme authority in their own country. By giving over control of finance to some alien dominated international dictatorship, they would be giving that authority complete control over every aspect of their national life. You see, control of finance would mean control of the money system - and that in turn controls every phase of production and distribution.

Stripped of all its camouflage, the final result will be a slave state, worse than anything as yet proposed by our bombastic dictators. Is that what our brave soldiers are fighting and dying for? Do you, as a true Canadian, desire such conditions? Then I ask, what are you doing about it?

Now is the time to act. If we wait until the bonds are welded and this dreadful totalitarian order set up, the people of Canada will then be helpless to do anything about it if they do not like the harsh conditions that are imposed upon them. Remember that in addition to control over finance, the international authority would also have control over the Armed Forces and the citizenship rights.

If any individual dared to challenge the authority of the international dictatorship he might find that they had deprived him of his citizenship rights. And if the people as a whole started to kick over the traces - well, they would be unarmed and helpless while the international over-lords would have control of all the Armed Forces and the World Police Force. So it would be just too bad for the people.

Do you consider it fantastic to imagine that anything like that could happen? How can you when the very idea I have outlined has been put forward seriously as the basis of our Post-War Order?

### **NWO PLANS HAVE BEEN PUBLISHED**

In the first instance, two books on the subject were published. One of these was written by a man connected with a newspaper which, on the evidence of a British Ambassador to the United States, was controlled by the banking institution that is the Headquarters of International Finance. The other book was by the son of one of the founders of the Money Power on this continent.

There is absolutely no question about it that this plot, this evil conspiracy - to set up an international totalitarian dictatorship with control over every aspect of our lives and armed with overwhelming forces to impose their will upon us, can be traced to that small group of men which comprise International Finance.

If ever that scheme should be put over, it would mean the end of democracy, the end of the British Empire, the end of freedom. On the other hand, it would be the establishment of a World Slave State more ruthless and vile than anything which the evil genius of the Nazis have (sic) as yet

conceived. Yet poisonous propaganda in favour of this diabolical idea is being openly scattered far and wide in Canada - and that in wartime also. I assert that it is treachery of the worst kind that, even while all the suffering and sacrifices of this present war are going on to overthrow totalitarianism, anyone should even suggest that we do away with all that our brave lads are fighting to defend.

It is most important that we realise that the proposals for inveigling us into an international dictatorship are not put forward in an obvious, above-board manner. No, indeed! They are carefully wrapped up in an attractive, and subtle propaganda form. You are told that international control of money is a means for ensuring orderly world trade. You are not told that immediately you hand over constitutional control of finance to an international authority, it will be impossible for the people of Canada ever to change their unsatisfactory monetary system. That fact is kept hidden.

Again, you are told that international control of the Armed Forces is necessary to maintain world peace. The plausible term used to describe it is "an international police force." It sounds more innocent. You are not

told that such a force would place the people of all nations completely at the mercy of the international authority which controlled that force.

And remember where you have a concentration of power in a few hands, all too frequently men with the mentality of gangsters get control. History has proven that. As the British peer, Lord Acton, put it so aptly: "All power corrupts; absolute power corrupts absolutely."

**I warn you, Ladies and Gentlemen, with every ounce of sincerity and vehemence I possess; for your own sake, for the sake of the brave lads who are fighting so heroically to overthrow tyranny, for the sake of your children, for the sake of the future of our country - yes - for the sake of everything you hold dear, oppose, expose and resist by every means in your power this audacious and evil conspiracy by the Money Powers to set up a World Slave State.**

### **Comment From Robert K**

This phenomenon came about as a result of the desperation engendered by the Great Depression ("great", that is, for the "repossessors" of farms-which they had never possessed in the first place!). In a matter of months, Aberhart's popularity through his radio broadcasts got 56 Social Crediters elected in a 63-member legislature in 1935. Being a dedicated high school principal, he had no personal political ambitions and didn't run himself. He was pressured to take on the party leadership and, being a man of integrity in the swamp of finance/political corruption, it probably resulted in his murder. Sudden death, no autopsy, cremation, remains interred outside the province of which he was premier, etc.

With Aberhart the battle lines were firmly pitched in Alberta for a fight for freedom from the Money Power, and the infection was spreading to other provinces, including most notably Quebec, creating a common cause for English speakers and French ones. Vicious campaigns were waged against him in the nation's, and indeed the world's, press. The Canadian Bankers' Association paid the world-famous Canadian humorist and McGill professor Stephen Leacock large sums to mount a cam-

paign of ridicule against Social Credit, but for all the cash Leacock honoured Aberhart's personality after meeting him personally.

Aberhart apparently was a man with a deep religious faith, a great sense of humour without a trace of narcissism, and childlike enthusiasm for any challenge he undertook.

Because Social Credit monetary proposals are the antidote for centralized power, Aberhart's death was very opportune for the banking establishment.

### **RE writes-**

Has nobody noticed, that this plan by the elite, is already a plan in progress? Most of the western police forces already wearing universal black uniforms.

Compared to a few years ago, when each country's police force had their own distinguishable uniforms, but no more. Even the military has succumbed to it.

It may be already too late, unless enough people wake-up and with God's help are willing to do something about it. Otherwise N.T. prophecy will come to pass.
