TITBITS:

(Patrick J. Buchanan:)

**T**HE ISRAEL LOBBY OVERPLAYED THEIR HAND AS THEY WENT AFTER PRESIDENT BUSH BECAUSE HE ASKED FOR A DELAY IN THE 10 BILLION DOLLAR LOAN GUARANTEE. Time after time as James Baker arrived in Israeli he had his nose rubbed, for all the Arab world to see, in new settlements in Arab territory. Thus the Arabs were to see the importance of the U.S. to have anything to say about how their money given to Israeli was to be used. In January as the subject comes up again, if the President demands, no new settlements in Arab territory he will have a fight on his hands. The Jewish vote will be lost if the President wins.

Actually that 10 Billion is for roads, houses, utilities, and so forth half way around the world when our own infrastructure is crumbling. Does no one recall that the Balfour Declaration when Britain promised a homeland for the Jews in Palestine, that nothing was to be done which would interfere with civil and religious rights existing in Non-Jewish communities in Palestine? Does no one recall that the 1947 US Partition plan allowed for a Palestinian and a Jewish State? After the Urgan massacre at Deir Yassin in April of 1948, 600,000 Arabs fled the Jewish sector never to return, and with the 6 day war, another 200,000 fled into Jordan and only 14,000 re- turned.

1.7 million Palestinians now live in 22% of Palestine. Half the West Bank, and 1/3 of its water has been confiscated by Housing Minister Ariel Sharon, as Israeli has made it a crime to sell, or lease land to any Palestinian. 'For 200 years', writes Dr. Israel Shahak, Chairman of the Israeli League of Human Civil Rights, 'Jews have been demanding equality in every country in which they happened to live, with the notable exception of Israeli, where they have always based their institutions on the **DENIAL**

of equality to non-Jews'. This is what stands behind the public anger of President George Bush. Any Peace that leaves millions of Palestinians locked up in a pocket in the West Bank means eternal enmity and endless war. Even if President Bush loses this war with the Israeli Lobby he will have won high marks for the courage, and exposé of Congress for what it has become, a Parliament of whores incapable of standing up for the U.S. National interest.

## **The coming Exoneration of John Demjanjuk**

The Soviets have turned over the documents that proved that Mr. Demjanjuk was not the guard called, 'Ivan the Terrible', by the Jews in the camps. The description of this guard was: a man of dark hair, dark eyes, thick lips and with a scar on his neck. Mr. John Demjanjuk had at 22 years of age, blue eyes, blond hair, thin lips and no visible scars. The Israeli's have accepted this new evidence, but they are not going to let John demjanjuk leave Israeli alive. They now say, if he was not Ivan the Terrible, then he should die for other things that he may have done. If a fearful America has turned her back on her adopted son, perhaps a free Ukraine will stand up for Truth and Justice.

The Washington Inquirer: Normally Banks in Washington D.C. charge \$35.00 for a check of insufficient funds. The House of Representatives has a personal taxpayer subsidized Bank for lawmakers that chases checks for the present and former House members, their staff and their Press. And the names on the Bounced checks cannot be published.

The G.O.A. reports that as of June 30, 1990 the House of Representatives had bounced a total of 8,331 bad checks. Nearly 1/3 of them are for \$1,000.00 or more where as some are in excess of \$10, 000.00. The good news is that since the Legislators voted themselves a pay raise they are writing less bad checks. This is the story behind the new scandal which is hitting the Congress, as the Senate has been trying to establish such a bank for themselves as well.

The Soviets are removing 5,000 troops from Cuba, that just leaves 8,000 still there.

The ANC in South Africa is bringing in members from other South African nations. Their aim is to destroy the Zulu blacks who are strong anti-communists.

Under Supreme Court Judge Renquist, this Court no longer sees itself as the Defender of Civil Liberties, Civil Rights, and the Champion of the Minority and Individuals. Gone is this Court Majority that put these Civil Rights of Individuals before the police, and removed religion from Public Schools, pushed a President into resignation, and swept aside the rights of an unborn child. This Court shaped by Ronald Reagan and George Bush is becoming an Institution that sees its duty as upholding the Will of the Majority. This Court feels that Government officials should exercise the Will of the Citizens who elects them. This is also part of the story behind this battle for the conformation of any suggested nominee of this and the previous Administration.

Communism as an Ideology may have fallen as a 'danger' in the world, but did you notice that not only did President Bush send Robert Strauss to Russia as Ambassador, but Allen Greenspan, head of the Federal Reserve System is also there to **HELP** reform the Russian economy! One wonders, will the ordinary Jew of Israeli be sacrificed so as to obtain the main Zionist goal of controlling the Monetary System of the One World Order?

Robert Gates is an Aryan, who would the enemy rather have at the head of the CIA, Kissinger?

The same old boys, Senator Metzenbaum, and Pat Monyehan, for instance want to again get rid of the Central Intelligence Agency, saying since everything is now fine in the Soviet Union we do not need it. Do they have their heads buried in the sand, since there are still all those nuclear weapons still in place, or are they trying to do the work of the enemy, and once more destroy the defence of America?

Yes, America is still in the trap which was baited with the system of Usury, Subsidies, Government Guarantees and so forth, to trap our people into a false prosperity, which is now unravelling. A false Peace was proclaimed,

but under this trap our people were also to forget their God, thus came the great attack on our Faith. Today people have more faith in Insurance companies, government programs, doctors, lawyers, and so forth than **YAHSHUA**, the God and Saviour of Israel. Are we thus in the time period where it is said of that time in Luke 18:8 (F.F. Version) 'Will he find THIS faith still on earth?' Is it also the time of Matthew 24, 'The Time of Sorrows', meaning the time of Birth Pangs? (of the Kingdom of God in Earth).

For 30 years Liberal Black Political Leadership has held the Blacks in America under control, in the guise of helping them rise in American Politics. Yet all the time, the message of opportunity has been drawing more Blacks, than the message of Institutionalized Dependence. The percentage has zoomed from 13% in 1986., to 21% in 1990 of the voting Blacks in Congressional elections. With this battle for the Conformation of Thomas to the Supreme Court this has shown up.

Today, the Balkans must guard against what has happened in Poland. Under Communism the money flowed into Communist Party pockets. With the retreat of Communism, the former Communists, having the money, then moved to take over all money making projects, and the people are even worse off under this type of freedom.

Things are starting to unravel in the best kept secret in history, as to how Washington D.C. knew that the Japanese planes were going to hit Pearl Harbour. They are now trying to lay the blame on Winston Churchill, not President Roosevelt for not informing Pearl Harbour Army Chiefs. We remember that Roosevelt's son-in-law at that time told a different story. In time this will also be cleared up pushing other scandals into the background.

Remember when we were doing a Book Review and found the carving of the letters, BEN, the meaning was pictured as different for the one we find now? These letters BEN mean the Hebrew word for son. Sometimes the vowel is not written in Hebrew, and then it means, separator, or between. When considering Psalm 8., Goliath was the type of all great 'deifiers' of God, or a man who thinks he is independent of God. Goliath had 6 pieces

of Armour, and 6 is the number which characterizes him. He was 6 cubits and a span in height, his spearhead weighed 600 shekels of iron, whereas David was a man of Adam's race, a believer in **YAHWEH**, later termed a 'man after God's own heart', thus you have the difference between the two seed lines. No six for the earthly, and the Human or Adam man who carries the symbolic number 7.

The man of Sin is also stamped with the concentrated form of 666. In Psalm 8., we see that **YAHWEH IS ALSO YAHSHUA**, our Saviour. His greatness extends over the Heavens and the Earth. In I Samuel 18., again we find these same thoughts as David is delivered from the hand of Goliath. Why? So that all the earth would know that there is a God in Israel (Verse 46). In Psalms 144., the thought is the same, as in the Epistle to the Hebrews (2:5-9) and we see the further revealing as to David's Greater Son or 'the son of man' who comes, a root from which David Springs. Symbolism, the meaning of Phrases helps thus in understanding the meaning of the Scriptures.

What is clear is that there are two World Orders which are trying to emerge as leaders on this globe on which we live. As Communism seems to be dying, don't be misled since there is still a great threat that hard liners will seize control in the USSR before this winter is over. These are some facts: the Soviets have over 4 million men under arms.

They have built up a powerful Navy even increased submarine production 33% in 1990. In long range nuclear capability the Soviets outrank the U.S. 3 to 1. Their ICBM'S Submarine launched Missiles could destroy the U.S. main population centres. Their so called War of National Liberation in Africa, Asia, Latin America, and the Middle-East continues. The support of Cuba continues although they are as we have said, pulling some of the troops out of there, even as they beg and blackmail the West for multi-billions in financial aid to keep their bankrupt system afloat. Thus Communism, the ideology fades, but the threat remains, Leopard's cannot change their spots.

We wonder why some people here in our nation still believe in Communism, and they really hated to see the system fall, and in fact are

still working to bring it to the forefront here in our nation? We also see that some people are remembering the 'Dark Colonel' who we pointed out earlier, as sitting in the wings so to speak, and they also do not believe that the Soviet power is over as the Media would have you to think.

Do not look for a quick solution to the BCCI scandal, or swift Justice, Senator John Kerry is faced with Party loyalty, and the only thing he is interested in is those things which may embarrass G.O.P. Politicians, and especially the President, but of course we do have a Presidential election coming up which will influence everything that those in Washington D.C. do.

Did you ever wonder why that Phil Donahue, Ted Koppel, and Larry King always gave air time to such men as Vladimir Posner so that he would tell the Western World that the victims under Communist rule were not longing for liberation. And now that Communism is falling Mr. Posner is still given air time, but now he is hailing the fall of the system which he once praised?

## **From the Atlantic Times:**

How can Communists come to the U.S. out of the Soviet Union, and qualify for 'Refugee Aid?' Who are these so called 'Refugees' who are not coming in and learning how to get a drivers license, how to find those 250 lawyers who will handle their affairs free, as to how to change their names, to become citizens, to find all these sources of 'Refugee Aid' and on and on??? Is it not time to ask such questions?

It looks like the Wallenberg story may also be about to unravel. This was the Swedish man who is said to have helped many Jews escape and then he disappeared behind the Iron Curtain.

Perhaps the Congressmen are about to notice that the average Americans are fed up, it has just announced that the Congressional Bank will be closed. Yet they do not want to publish the names of those Congressmen who have been writing the Bad Checks. Even the Speaker of the House, Mr. Foley may have been guilty of such things. Did you notice with this

eruption of this scandal that we have many lawmakers who cannot balance their own chequebooks up there supposedly running the government?? And yet they think they know what is best for the rest of us?? And did you also notice that the Congressional Restaurant has been also taken advantage of, after all what had not been abused and used against us at this time in the Great plan of Our Saviour??

If all things work together for good, then the results will be, disclosure of everything which hurts the Kingdom.

## Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers.

His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.”

Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching these truths

to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.
