**Y**ES, IT WAS A BOMB WHICH BROUGHT DOWN FLIGHT 103, Terrorism in action. Of course did you notice that right away the TV tried to suggest that it was a PLO group which did it? We expected that the New Administration is more pro-Arab, could this be true? I am also reading that the power of the CFR is also abating.

From the Will Loy Newsletter: Mr. Loy sees great catastrophic changes coming in 1989 and on into 1990 that will totally change the world, our Nation and our lives. He also thinks these changes are survivable for those who prepare themselves. How do you do that? In the way you think and believe. Therefore in 1989 begin to change, adopt a new attitude, don't continue doing things the same old way just out of habit thinking the years just ahead will be just like they always have been.

In other words the year 1989 could be the last year for certain things to be, AS IS. But remember also that being a survivor is not running away but preparing to go through the coming events as we have also been telling you. Mr. Loy also thinks this New Congress will be the worst Congress in our history. They will pass terrible new laws, make some terrible decisions and really mess things up in a bad way, but then remember that people voted them back into power, so they asked for it.

We tell you that this is just a sign of the times. Mr. Loy also thinks this year of 1989 will be a very critical year for the Soviet Union as well as the United States. Mr. Loy foreseen that Congress will be unable to keep their hands off the Social Security reserves that are now building up to take care of the coming rise in people eligible for this retirement. Congress will propose all kinds of schemes to further tax, cut or revise Social Security in 1989 so that they can tap this build up of funds. If they do then the fund will be right back in the shape it was in 1980, and we would say

that this will stir up a Political firestorm. Mr. Loy suggests that the Major News Media is expected to call 1989 the 'Peace Year'.

We remind you that the powers that be are moving to establish a One World situation in Europe by 1990. Mr. Loy says that 1989 can be a wonderful year if you put aside temporary problems and are interested more in spiritual reality.

We would then think that more and more knowledge will be coming forth but it will take a change in your thinking to be able to absorb it. Mr. Loy thinks that Vice President Quayle will be much in the news during February of this year. We can now tell you that there are plans in Washington D.C. even among some of the more liberal Republicans to help discredit the New Vice President.

According to 'Human Events', Dan Quayle can have the last laugh if he can build a record of serious contributions to a successful Bush Administration. Bush was reaching out to the so called 'Baby Boomers' when he picked Dan Quayle. These are the younger people just coming into their 40's. They are the wave of the future, Dan Quayle is 42. But the older, entrenched Congressmen feel threatened by these younger men coming to the front in political life.

In Congress they have managed to keep them in check, but with one as Vice President, and felt to be a conservative in his thinking, a man believing in America first in Defence then Dan Quayle is seen as a big threat. After all he might be in line for the Presidency in time, at an early age, thus the thinking of the Eastern Establishment is 'Stop him Now'.

One of the charges now being hurled against this New Vice President is that he used marijuana when a young student, one time. Mr. Loy predicts that a lot of the World will come unglued as South Korea, Israel and other nations hit the skids here in 1989, causing a big adjustment in many way. We are wondering then if it really will happen if the U.S. were to pull back from total support of Israeli? This will be an interesting development to watch. It is said that James Baker, Secretary of State has always been leaning more toward the Arab side of the mid-east struggle. Time will tell

how this develops. We do know that George Bush did all the right things to gain the Jewish vote, but he also did not get it, but this has been the case for a long time.

Mr. Loy closes with this prayer: (Quote) Oh Lord guide us through the days of this year. Show us the right way so that we may trod the path of your desire. Prepare our way so that we will not slip into the pit of error. Give us spiritual sight, so that we may look forward with hope. Show us the way O Lord, and we will follow thee through all the Universe of Time.'

Now; in the last election three more states passed initiatives making 'English' their official language, raising to 17 the number of states that have adopted such measures. Looking at the map which portrays this we see that most of these states are the ones that have had a great increase of aliens into their population. It looks as though the 'Bilingual' crowd advocates may have been stopped for the time being at least

I also noticed that the population in our nations still continues to shift to the south and the west. This is bad news for the Liberal Eastern block who are going to perhaps try one more time to regain their control. Behind the scene they seem to be planning to use Mike Dukakis and Jesse Jackson in a four year push to take over this country once more. We are wondering if this won't run into trouble, after all who of those two men will be top dog??

I will be busy for a while with tax work so this tape and newsletter is being mailed out early.

## Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers.

His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.”

Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching these truths

to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.
