The Statue of (sic) Liberty

By Willie Martin

IT IS MY FIRM BELIEF WE HAVE HAD SAVAGE AND IGNORANT PEOPLE, such as Mr. Thurgood Marshall, and they are those who belong to organizations that want to do away with a document that, through the Grace of God, has kept us free for over 200 years. We, as a people, had better realize it's going to take a made up mind and a desire to follow after God and Jesus Christ in sincerity and in truth.

So our Television Commentators are saying in effect; "Give us your tired, your poor, your huddled masses--Your wretched refuse--your alien gods--your idols of wood and stone--your heathen temples and synagogues--your alien Philosophies--your Trojan Horses (Your traitors) of subversion--give us anything and everything--"

And this is what America has opened its gates to over the last several decades -- anything and everything. The purpose for which France presented the United States with the Statue of Liberty in 1886 was inscribed thereon: "A gift from the people of the Republic of France to the people of the United States. This statue of Liberty Enlightening the World commemorates the alliance of the two nations in achieving independence of the U.S., attest to their abiding friendship."

The Statue of (sic) Liberty - Willie Martin

The Statue of Liberty had nothing to do with immigration as poet Emma Lazarus apparently assumed according to her poem, which was inscribed on the statue in 1906. It had nothing to do with phasing out Christianity and turning our nation into a humanistic, homogenized melting pot of White, Black, Yellow and Red Heathens as many would like to believe.

Definition of an American: "A person who is a slave to the International Bankers and Zionist elite, but believes he is free, because they can voice their opinions; as long as the government agents don't hear it".
