

# Christians or Nobles

By  
**Willie Martin**

## Christians or Nobles Willie Martin

**T**HERE ARE THOSE WHO BLAME CHRISTIANS FOR ALL THE EVIL THAT HAS BEEN COMMITTED SINCE TIME BEGAN. And in doing so, they have also laid the blame on our Israel people; commonly known to the world today as the Anglo-Saxon, Germanic, Scandinavian, Celtic, Nordic and kindred people.

The following was originally written by J. Marie Z. I have changed it just a little and have inserted instead of the word Aryan to Israelite and Christian; because not all Aryans are the descendants of the ancient Israelites. And if J. Marie reads this I respectfully hope that she will not be offended for my using it and making the small changes.

We all know that there are evil men in the world, yesterday and today, who have posed as Christians so as to hide their real identity and place the blame on those they hate. The Jews are the most notorious murders in all of history and have created or caused almost every single war that has resulted in the slaughter of hundreds of millions of our brother and sister Israelites.

The present President is one of these evil men, who hides his Jewishness and presents himself as a Christian. But by his actions and deeds we know that he is no part of a Christian but is true to his Jewish heritage.

The United States; some people mistakenly call Mystery Babylon; don't stop to consider that the Protocols mention that the Jews would use the United States as one of their military arms; the Japanese being another and China as the third. They did not mention Russia but it has been their base of operations in this century, or at least since 1917 when they took total control of that country. Yet those who would accuse America, which many of us, believe is the New Jerusalem and New Zion as mentioned in the Scriptures never refer to Russia as Mystery Babylon, even though Moscow sit on seven hills. Nor do they mention Tel Aviv which is presented as the seat of Jewish power today. One wonders why they don't do that?

It is true that there have been many wars in the last two thousand years, and many of them have been blamed on Christians. Some have been created and caused by the Catholic Church which has destroyed untold millions of our brother and sister Israelites in their efforts to force their pagan religion upon our people. But they have always eventually been defeated by our True Israelite Brothers and Sisters.

Each one of those wars was NOT started by Christians because the religion of Christ does not allow that. If someone who professed to be a Christian, other than the Jews, and started a war which killed thousands, hundreds of thousands or millions of our brother and sister Israelites; they were not Christian they were followers of Satan. Just as the Mason who claim to be followers of Christ; but in truth, are followers of Lucifers. Most of which are totally oblivious to this fact, and are too lazy or stupid to even try to examine the Masonic books, such as Morals and Dogma which was written by the Grand Satrap of Scottish Rite Masonry Albert Pike.

The United States has had 7 known Jewish presidents:

**Abraham Lincoln**

**Theodore Roosevelt**

**Woodrow Wilson**

**Franklin Roosevelt**

**Harry Truman**

**Dwight Eisenhower**

**William Clinton**

—-and during the term of each one of these we have gone to war against someone; usually against our own brother and sister Israelites and many millions of our people were murdered and killed by Jewish treachery and treason. Even now the present president is selling our military intelligence

to the Chinese, it has already been given to the Russian Jews; and the Scriptures show clearly that these two countries will lead a great war against us wherein that many hundreds of millions and even billions of people will be destroyed in it.

"Thanks to the terrible power of our International Banks, we have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and make more room for us Jews. WARS ARE THE JEWS' HARVEST: THE JEW BANKS GROW FAT ON CHRISTIAN WARS. OVER 100-MILLION CHRISTIANS HAVE BEEN SWEEPED OFF THE FACE OF THE EARTH BY WARS, AND THE END IS NOT YET." (Rabbi Reichorn, speaking at the funeral of Grand Rabbi Simeon Ben-Iudah, 1869, Henry Ford also noted that: 'It was a Jew who said, 'Wars are the Jews' harvest'; but no harvest is so rich as civil wars.' The International Jew: The World's Foremost Problem, Vol. III, p. 180). This admission is by a Jew rabbi.

In Disraeli's "The Life of Lord George Bentinck," written in 1852, there occurs the following quotation: "THE INFLUENCE OF THE JEWS MAY BE TRACED IN THE LAST OUTBREAK OF THE DESTRUCTIVE PRINCIPLE IN EUROPE. AN INSURRECTION TAKES PLACE AGAINST TRADITION AND ARISTOCRACY, AGAINST RELIGION AND PROPERTY. Destruction of the Semitic principle, EXTIRPATION OF THE JEWISH RELIGION, whether in the Mosaic of the Christian form,

THE NATURAL EQUALITY OF MEN AND THE ABROGATION OF PROPERTY ARE PROCLAIMED BY THE SECRET SOCIETIES WHICH FORM PROVISIONAL GOVERNMENTS AND MEN OF THE JEWISH RACE ARE FOUND AT THE HEAD OF EVERY ONE OF THEM ...JEWS CO-OPERATE WITH ATHEISTS; THE MOST SKILLFUL ACCUMULATORS OF PROPERTY ALLY THEMSELVES WITH COMMUNISTS; THE PECULIAR AND CHOSEN RACE TOUCH THE HAND OF ALL THE SCUM AND LOW CASTES OF EUROPE; and ALL THIS BECAUSE THEY WISH TO DESTROY--Christendom...AND WHOSE TYRANNY THEY CAN NO LONGER ENDURE." (Waters Flowing Eastward, pp. 108-109)

Now we know where the people who call America Babylon and those who blame Christians for all the crimes since the beginning of time.

The Israelites past is spectacular: We were the originators of pictographs and writing; we built Arkaim in Russia, the ancient (Israelites; The White Race) capitol of the world; we were the ancient Atlanteans; we were the original inhabitants of ancient Egypt, as the earliest frescoes and statues depict blue-eyed, Christians (Israelites; The White Race) people; we were the original Royal Priesthood of Melchizedek in Egypt; we were the builders of the Great Pyramid of Giza with Freedom Labor inspired of God in mathematics which tells a story to whomever will open their eyes to it (Isaiah 19:19-25), this edifice intended as an altar unto the Lord, with a little passageway on its inside time line, going from the "Descending Chamber" to the "Ascending Chamber" right at A.D. 33; the Egyptian Sphinx is also ours, written in Sanskrit, the language of the Russians.

We were the builders of ancient Assyria and Babylon; its hanging gardens, until corrupted by corrupters; we were the blue-eyed Medes-Persians, the originals of present-day Iran, we were Israelites; The White Race; we were the Greek "Danaoi," and the Spartans, who were descendants of Abraham; we were the Greeks who founded ancient Byzantium; we were the Greek Alexander-the-Great, who conquered more territory in his short life-span than any other conqueror, becoming the richest man in personal wealth to this day to have ever lived--even more than the Jewish Rothschild's and Rockefeller's--our Alexander was the conquer who was initiated into the ancient rites of Osiris in Egypt, who contributed Greek culture to the world, who married a princess, and who made plans for the library at Alexandria; we were the Ptolemies who built that library; we were the philosophers Plato and Aristotle; we were Cleopatra, who gave her life for her people; we were the Romans who contributed Roman culture to the world; we were the builders of the 1,000 year-old Christian Byzantine Empire.

We were in China first, as the Chinese have dug our blonde and red-headed blue-eyed ancestors up in the lowest strata--Hungarians, Serbs, Goths, Cossacks from the Don River, Turks, Swedes, Macedonians, and Czechs; we were the Phoenicians who ruled the seas; we were the Phoenician-

Hebrews that settled in Britain, the Phoenician British, we ruled the seas again, and supplied the materials to build Solomon's Temple; we were "Isaac's Sons," hence the term "Saxons"; we were those known to the Romans in Britain as Germans, from the Latin *germanus*, meaning "genuine"; we were the ones who brought the Hebrew language to Britain, of which the English language is 75% derived from; we were the British who later absorbed the Israelite tribe of Ephraim; we were the Israelites of old, who after Assyrian captivity, as recorded in II Esdras, landed in "Arsareth," present-day Germany. We were known as the Scythians, or Latin "*germanus*" for genuine, as in the germ, or core, of wheat; we are the blonde, blue-eyed, and tall Nordics of the Israelite tribe of Naphtali that are buried in thousands of tombs in present-day Russia.

We were from the Israelite tribe of Dan who named the Danube River and Denmark and settled in Ireland and named Dunkirk, and other Irish places after Dan; we were the prophet Jeremiah who visited Ireland; we were the Vikings of the tribe of Benjamin that conquered and invaded, and left its culture everywhere we went. We are the ones that carried Benjamin's wolf symbol with us. We are the ones who fulfilled Genesis 42:27: "Benjamin shall ravine as a wolf: in the morning he shall devour the prey, and at night he shall divide the spoil"; we were Zebulon, who handled "the pen of the writer" (Judges 5:14), who became Holland and developed the printing press.

We are the ones who carried all of the symbols of Israel to Europe which exist still to this day as a witness and clue of our origins, with the Royal families of Europe from Israel; we were the early Church Fathers, including St. Augustine, who was inspired to write the "City of God"; we were those that Jesus, the "I am that I am" and the Lion of the Tribe of Judah, was speaking of when he told his disciples: "But go rather to the lost sheep of the house of Israel" (Matthew 10:6); we were those who became Christianised when Paul visited us in Britain, and evangelised us, including Britain's Royal family; we were the Druids who built Stonehenge.

We were the Crusaders who brought the book of Enoch and more culture to Europe, hence the Age of European Enlightenment; we were the ones

who built church edifices across Europe, we were the German Catholic Luther who stood up against the Pope with corruption charges, who dared to defy ecclesiastical tyranny, who announced "justification by faith," and who gave the German people a Bible so they could read the truth; we were the other Protestant reformers, protestors of tyranny.

We were French woman Joan d'Ark; we were Scotsman William Wallace of "Braveheart" who cried "freedom" rather than "mercy," and this is how our people live; we were the Pilgrims to America; we were the various sea and land explorers, and those who later landed on the moon; we were the classic composers Bach, Beethoven, Mozart, Wagner, and Handel, the latter who shut himself up to compose "Handel's Messiah," and who attested to all of heaven opening up to him while finishing this inspired work.

We were the originators of the "rights of man" and the Magna Carta, using the Bible as our blue-print for freedom; we were John Locke, and Thomas Paine; we were the Founding Fathers of America, the tribe of Manasseh: General Washington, who God protected while in battle; the genius, Jefferson, who penned the inspirational Declaration of Independence, who was proficient in Greek and Latin, who hated all "tyranny of the mind," and who built beautiful Monticello; Madison, the father of the American Constitution; Patrick Henry who declared, "Give me liberty, or give me death"; the patriot rider, Paul Revere; Nathan Hale, who regretted having only one life to give for his country; we were also the women who stood by these men.

We were also the brilliant anti-Federalists, who believed in self-government and state sovereignty as written in the Articles of Confederation, and we were the South who stood for these principles during the American Civil War, or the War-Between-the-States. Another war caused by the Jews; their plan was to divide America into two parts and place one of the Rothschilds over each part. But the Russian Czar, who was a Christian, prevented it by sending two fleets of ships to America. One to New York and the other to San Francisco, with orders to attack every single nation on earth if necessary to prevent the destruction of America. The purchase of Alaska was a plan whereby America could pay Russia for its help.

We were the geniuses of innumerable inventions; we were the builders of the Washington Monument, an edifice inspired by the original Egyptian obelisk pointing upward towards the sun; we were Lawrence of Arabia who gave freedom to the Arab people; we were the American Amelia Earhart, the first woman to fly across the Atlantic in 1928, and who later flew solo in 1932.

We were American patriot Charles Lindberg who took the first solo flight across the Atlantic, and German patriot Rudolph Hess, imprisoned for life for pursuing peace during a peace flight to Britain; we were the statesman Adolph Hitler who stated that the world would rise from the ashes and know that he was right.

As Jesus stated in the Beatitudes of Matthew 5:11, persons such as him would have all manner of evil spoken against them falsely because of what they stood for; we were those executed at Nuremberg unjustly after being tortured into confessions and evidence falsified. Just as the narrator in "Braveheart" states, "history is written by those who hang heroes"; we were the classic writers Jane Austen of "Pride and Prejudice," Margaret Mitchell of "Gone with the Wind," and Taylor Caldwell of "Captains and the Kings."

This world, despite all its present darkness, is on the verge of a new dawn breaking forth. It is in upheaval as the present world system moves towards collapse. The earth is leaving the 2,000 year-old age of Pisces, the fish or Church age, and entering into Aquarius, the water bearer, an age of the Spirit and Truth.

WE ARE THE RACE WHICH HAS CREATED EVERY SINGLE CIVILIZATION WHICH HAS EVER EXISTED. The Black, the Jews, and all the other races have never been able to create or form a civilization; they can only destroy. No America is not Babylon in spite of what those that hate it claim. I and many of my brother and sister Israelites will be proud of the fact that they were born in America when they stand before the Great Judge of All.

Psalm 87:5-6: “And of Zion it shall be said, This and that man was born in her: and the highest himself shall establish her. The LORD shall count, when he writeth up the people, that this man was born there. Selah.”
