Dear Reader,

## COVID 19 Martial Law

More and more people are beginning to question the so called pandemic and are coming to realise that there is something far more sinister going on behind this global scam than initially meets the eye.

There are indeed dangers to be aware of, namely, the increasing intensity of electro magnetic frequencies, the most dangerous of all 5G. military battlefield technology, being rolled out at an alarming rate. Although hidden from the general public, the authorities have long known that such transmissions are damaging to health. Colds and flu are a consequence of being exposed to EMF, but the so-called virus is the body removing damaged cells and as such can't be transmitted to anyone else, except if injected directly into the bloodstream, which is dangerous because of its DNA contents.

Italy was severely targeted with the CV, due no doubt, to the fact that it was planning to leave the EU, which would cause a very damaging decline in Vat revenues it receives from Italy's large automotive industry. The high number of deaths in Italy, the vast majority of whom were elderly, was a consequence of a vaccination campaign to guard against diseases brought in by the immigrants. Not only that, northern Italy has an enormous number of 5G transmitters.

Remember also 2020, was the year in the Lisbon Treaty when EU nation states would cease to exist. In hindsight it is now possible to see how this was to be achieved by the virus scam, predicted with the dancing nurses at the opening ceremony of the 2012 UK Olympic Games. The real cause of the pandemic i.e. 5G being shown in disguised form on the new issue of £20 notes and coincidentally issued in March just in time for the outbreak!

During this time of testing we have seen all the Christian Churches bow the knee to Baal, and close their building without the slightest wimpier of protest, but then they have been worshipping him under the name of "Lord", which is another name for Baal. Yahweh said, And it shall be at that day, saith the LORD, that thou shalt call me Ishi; and shalt call me no more Baali. (Hosea 2:16)

## A Demonstration of The Deceptive Use of Words

### By The Rabbis of Judaism

#### By Pastor Eli James

#### People/Children

**A** MOS 3:1-2—  
"Hear this  
word that  
Yahweh hath spoken  
against you O  
children of Israel,  
against the whole

family which I brought up out of the land of Egypt [the subject here is the literal children of Israel, for **no other people were brought out of the egyptian captivity**], saying, **you only have i known of all the families of the earth:** therefore will I punish you for all your iniquities."

This is the voice of a father chastising His children, because He loves them and wants to see them obey His Commandments. These words apply to **NO ONE ELSE** but the literal children of Israel.

I Kings 9:51-53 tells us, "For they be thy people, and thine inheritance, which thou broughtest forth out of the land of Egypt, from the midst of the furnace of iron: That thine eyes may be open to the supplication of **THY PEOPLE ISRAEL**, to hearken unto them in all that they call for unto thee. For thou didst **SEPARATE** them from among all the people of the earth, to be **THINE INHERITANCE**, as thou spakest by the hand of Moses..."

The special relationship between Yahweh and His Children, Israel, is repeated hundreds of times throughout Scripture, in both the Old and New Testaments. By ignoring verses such as these, the Universalists can pretend that their theology is Scriptural. By deliberately redacting or distorting these crucial verses, they make God out to be a liar. Talk about chutzpah!

Nowhere in Scripture is this special relationship changed or annulled. **NOWHERE!** The only circumstance that was to be changed was the nature of the priesthood. (Jer. 31:31-33. Dan. 9:27.) The Book of Hebrews talks extensively about this change in the nature of the priesthood,

from the rites of blood sacrifice (Levitical priesthood) to a return to the Priesthood of the Order of Melchizedek. (Gen. 14:18; Psalm 110:4; Heb. 7:11-12.) Many have speculated as to who Melchizedek was, from the Archangel Michael to a previous incarnation of Jesus Christ Himself.

According to Stephen Jones, in his book, *The Laws of the Second Coming*, "Judah was to provide the kingly line of rightful rulers of the earth from Adam to Jesus Christ. The dominion had been entrusted to Adam (Genesis 1:26) who passed this authority down to the next generation as a kingly birthright. The birthright was passed to Noah and then to Shem. Shem outlived Abraham in the city of Salem (Jerusalem), which he built and ruled under the title of Melchizedek." -- (p. 117.)

From the Biblical compendium, *The Chronology of the Bible*, we read, "Melchizedek was the priestly name for Shem—Shem an antediluvian whose righteousness allowed him to outlive two great judgments, lived 503 years after the Flood (Gen. 11:10-11; was born 98 years before the flood), and lived 52 years after the destruction of Sodom and Gomorrah, and 150 years of Abram's life. At the time Abram paid tithes to him, Shem was the oldest man living upon the face of the earth. He was priest of the Most High 'God' (Gen. 14:18)" (Quoted from an Internet article by Charles J. Voss.)

Those who call themselves "New Testament Christians" need to understand that Yahshua Messiah Himself acknowledged the exclusiveness of the children of Israel from the other local inhabitants. Let us look at the episode recorded at Matt. 15:21-28:

Leaving that place, Jesus withdrew to the region of Tyre and Sidon. A Canaanite woman from that vicinity came to him, crying out, "Lord, Son of David, have mercy on me! My daughter is suffering terribly from demon-possession." Jesus did not answer a word. So his disciples came to him and urged him, "Send her away, for

she keeps crying out after us." He answered, "I was sent only to the lost sheep of Israel." The woman came and knelt before him. "Lord, help me!" she said. [Now, listen very carefully, folks:] He replied, "It is not right to take the children's bread and toss it to their dogs." "Yes, Lord," she said, "but even the dogs eat the crumbs that fall from their masters' table." Then Jesus answered, "Woman, you have great faith! Your request is granted." And her daughter was healed from that very hour.

Yahshua did not grant the Canaanite woman's request until after she acknowledged that He had come specifically for His Own People, Israel. The other races ("dogs") get the table scraps. Universalist interpreters of this passage are at a loss to explain why Jesus and the Apostles spurned her! Doesn't Jesus **love everybody**? Aren't we supposed to **LOVE EVERYBODY**? The simple answer is "No." WE have no obligation to "love" those who are outside of our family. On the other hand, we are commanded to treat them honestly and fairly. "Oppress not the stranger." (Ex. 23:9)

As with any **INHERITANCE**, the estate goes to the rightful heirs. It is not intended for non-family members. It is also a sad commentary on our own Race, most of whom have no idea who they are, being completely unaware of the inheritance that is being held for them! The Estate is ready to be delivered to the heirs, but they are walking around like zombies in a religious trance, which has been compounded by the distractions of the electronic media. (If you want to know what a zombie looks like, don't bother looking up at the movie screen. They're sitting in the aisles! You can also see them milling around at your mainstream church. The deadest ones are the Christian Zionists.)

This episode of the Canaanite woman also explains how the other races will benefit when we officially receive our inheritance. When we use our inheritance (DNA) properly, the entire population of the Earth will benefit from what we accomplish then, just as the Earth has been blessed many times over from the historical accomplishments of the White Race in the areas of technology, philosophy, music, art, science, medicine, theology, political science, agriculture, etc. But, first, the inheritance

(Covenants) must be given to the **TRUE HEIRS**. This is the point of the Second Coming!

## Seed

"But thou, Israel, art My servant, Jacob whom I have chosen, the SEED of Abraham my friend." (Isa. 41:8.)

"Now to Abraham and his SEED were the promises made. He saith NOT and to seeds, as of many; but as of one, and to thy SEED which is Christ [anointed, Strong's #5547]."(Gal. 3:16)

The Hebrew word zarah (seed) is used of Abraham and Israelites repeatedly. It is never used in a spiritual sense. It is always used for offspring, descendants, and children in the flesh. Isa. 41:8 clearly states that a **SEED**, a **RACE** of people has been chosen.

Gal. 3:16 affirms the statement made in Isaiah. Paul goes even further, explaining that only **ONE SEED** (one particular Race, not many races) has been anointed, and no other race. (The last word of the Paul quote is a poor translation in most Bibles, the KJV translators assuming that the word anointed is a reference to the individual, Christ. The Bible clearly states, hundreds of times, that the Covenants were made to Abraham's descendants, namely, the children of Israel, in their entirety, not to just one person, Jesus Christ.

What Paul is actually saying is that **our one and only racial seed** is anointed, meaning all Israelites have been dedicated to His service. It is still up to us as individuals to perform as those anointed / predestinated. As translated, the KJV is saying that only Jesus Christ is the recipient of the promises; but that is clearly ridiculous. The Redeemer came to redeem the **SEED** of

Israel, the people of Israel. He did not come to redeem Himself, as this ridiculous translation implies! As the Sinless One, He had NO NEED of redemption! Comprehend? The Redeemer was promised to the SEED, the children of Israel!) Paul is actually affirming the exclusivity of Israel. One of the promises made to Abraham's SEED was that they would become an innumerable multitude. (Gen. 22:17.) Was Jesus Christ an "innumerable multitude"? This is just another example of how sloppy scholarship has made mincemeat of the Bible. Since True Israel has been prophesied to become a KINGDOM OF PRIESTS, everyone one of us will have the opportunity, as the head of a household of Israelites, to become anointed as a King-Priest.

In Genesis 22, where Yahweh asks Abraham to sacrifice his "only son," Isaac, we are thrust into a dramatic juncture of history. What this episode actually represents is a real life pantomime of the sacrifice of Yahweh's Only Son, Yahshua (Jesus Christ). But, actually, Abraham had eight sons, including one from Hagar, and six from Keturah. But Isaac was the ONLY SON of Sarah. Isaac was the seed of the promise.

That promise was passed on to Jacob. When Yahweh saw that Abraham would obey His command to sacrifice his "only son," Yahweh knew that Abraham was an obedient servant. As Abraham raised the sacrificial knife, the angel appeared and told him to sacrifice the ram/scapegoat instead. Thus the seedline that would result in the Messiah was preserved. The genetic link between Adam and Jesus would

have been severed, had Isaac's life been sacrificed. There would have been no Jacob, no David, no Solomon, no Mary, no Jesus. That would have officially ended the seedline and the promises. It would have, in fact, ended the existence of the White Race...no Parthians, Greeks, Germans, Slavs, English, etc.

When Yahshua made His sacrifice for us, there were already millions of us (Abraham and Sarah's SEED) in the world, and He took the place of the scapegoat, being the sacrifice for Israel's sins. Abraham's near sacrifice of his son, Isaac was a real life, prophetic metaphor of the Messiah's own future role as the Scapegoat for Israel. Since the Law was delivered exclusively to the Abraham-Isaac-Jacob seedline, Yahshua's sacrifice was only for the people of His own Race/Nation/Tribe. Only we, the Nation of Israel, had broken our promise to Yahweh, so only we needed to be redeemed.

"And Moses went up unto God, and Yahweh called unto him out of the mountain, saying, Thus shalt thou say to the House of Jacob, and tell the children of Israel; Ye have seen what I did unto the Egyptians, and how I bare you on eagle's wings, and brought you unto myself. Now, therefore, if you will obey my voice indeed, and keep my Covenant, then ye shall be a peculiar treasure unto me above all people; for all the earth is mine: And Moses came and called for the elders of the people, and laid before their faces all these words which Yahweh commanded him. And all the people [of Israel, and no one else] answered together, and said, **all that Yahweh hath spoken we will do.** And Moses returned the word of the people to Yahweh." -- Ex. 19:3-8.

Thus, the children of Israel, our White, Israelite ancestors, made an exclusive Covenant with Yahweh to **OBEY HIS LAW**. Yahweh did not ask any other people to do this, therefore, no other people on the face of this earth are a party to this Covenant. And no other people needed to be redeemed for violating the terms of this Covenant.

Ultimately, all races will benefit from Yahshua's sacrifice for His People, Israel, because evil itself will be vanquished at the Second Coming, when Yahweh's universal

order will be restored, with the government being turned over to the Elect of the **RESTORED** Twelve Tribes of Israel.

All of these Biblical stories go to prove that we are a servant race of **ONE SEED**, not a servant "church" (in the modern sense of the word) of many different peoples. There is no Scriptural justification for taking the race factor out of the equation. If there is to be a servant church, it will be composed exclusively of His servant Race. Denominational organizations that claim to have universal religious authority make a fraudulent generalization from the Israelite **SEED** to a non-Israelite **CHURCH**.

Just as the Jews fraudulently claim to be Israel, Judeo-Christianity, in like manner, fraudulently claims to be the ecclesia (Greek ekklesia). The true ecclesia is the community of Israelites. It is not a reference to a hierarchical priesthood. The fact is that the modern word, church, represents something completely different from ekklesia. A modern church is composed, on the one hand, of a company of priests and clerics who decide what religion should be, and, on the other hand, the congregation of church attendees. As such, the church hierarchy tends to be divorced both from their congregations and from reality. It is an authoritarian structure, in which the clerics tell the congregation what they should believe, with little or no feedback from the flock!!

Yahweh's Melchizedek priesthood is not to be divorced from the family life or the community of Israel. In the Kingdom, every male head of a household will be a king-priest. There will be no such thing as priesthood that is divorced from the congregation. In fact, this is the way it was in the early days of the emerging Christian church, before the Papacy. The early Church was composed of patriarchal Bishoprics, the Bishops being the consensus representatives of the congregation, family men who were elected / selected by their peers.

In the Greek, the word seed is translated from sperma (#4690), the meaning of which should be obvious to everyone. It is not a term that has any spiritual connotations, unless you believe in "spiritual sperm"! Zerah and sperma are biological, genealogical words, having no spiritual connotations whatsoever, proving that

the Bible is talking about literal progeny, offspring, **NOT "SPIRITUAL** Israel."

Gen. 3:15 represents one of the most important prophecies of the Old Testament. In this verse the devil's **SEED**, Cain, is foreseen as being in constant **ENMITY** with Eve's **SEED**, Seth, until the Day of Resolution/Judgment. The entire Bible is a record of the constant struggles between the devil's **SEED** (the Cainite {Kenite}, Canaanite, Edomite, Shelahite, Idumean, Jewish people) and Adam and Eve's **SEED**, which is the Adamite / Shemitic / Hebrew / Israelite / Caucasian race. Gen. 17:7-9 declares that the Covenants are established between Yahweh and the **SEED OF ABRAHAM**, not to any mythical church or multicultural cast of "believers."

II Corin. 6:16-18 is a concise list of many of the Covenants made between Yahweh and the children of Israel. At verse 17, Paul affirms the Law of Separation: "Wherefore, come out from among them, **and be ye separate.**" All of you "New Testament Christians," who think that the Old Testament Covenants have been amended or universalised, have to explain why **EVEN PAUL** asserts our separateness! This NTC cult loves to credit Paul with their apostasy, but **Paul did not consider the Old Testament to be irrelevant.**

He quotes the Old Testament profusely in all of his Epistles! And every time he does so, he affirms the exclusivity of Israel. In complete contradiction to his teaching, universalists claim that Paul is the champion of feel-good amalgamation, as if he would be marching, arm in arm, with the likes of Martin Luther King and Jesse Jackson!!!! **I DON'T THINK SO!!!!**

**Matt. 13** is a chapter detailing the differences between the Good Seed versus the evil seed. These verses hearken directly back to Gen. 3:15, where the enmity between the Adamic Israelites and the Cainite Jews is declared.

**Matt. 23** is a thorough denunciation of Judaism, the religion of the Edomite Pharisees.

**Question:** If the Jews are the Israel of the Bible, why do they violate Yahweh's Law of Separation by mixing their own seed and by

encouraging and agitating other races to do likewise? Or are the Jews, as we two-seedliners assert, the offspring of the very fallen angels, who are the arch enemy of Adam and Eve's seed in Gen. 3:15?

I know. They didn't teach you this in Sunday School...or in the Synagogue!!!!

### "Word for Word" Deuteronomy Part 7

#### Translation by Stephen Howard Anderson

## Chapter 9

1. Hear, O Yis'rael: You are to pass over this day the Yarden, to go in and dispossess 3423 nations greater 1419 and mightier 6090 than yourselves, cities great and fortified 1219 to the sky.

2. A people great and tall 7311, children of the Anaqiyim 6062, whom you know, and of whom you have heard said, 'Who can stand before the children of Anaq 6061?'

3. Know this day because Yahweh Eloheycha is He that goes over before you; as a fire that consumes He shall destroy 8045 them, and He shall subdue 3665 them before you: you shall dispossess them, and destroy 6 them quickly 4118, as that which said Yahweh to you.

4. Do not say in your mind 3824, after Yahweh Eloheycha has driven them out 1920 from before you, saying, 'For my righteousness 6666 has brought me Yahweh to possess this land': but it is for the wickedness 7564 of these nations that Yahweh dispossesses them before you.

5. Not for righteousness, or uprightness 3476 of your heart, you go to possess the land: but for the wickedness of these nations Yahweh Eloheycha dispossesses them from before you, so that He may perform 6965 the Word that swore Yahweh to your forefathers, Ab'raham, Yits'chaq, and Yaaqob.

6. Know, because not for righteousness does Yahweh Eloheycha give you this good land to possess; for a people of hard 7186 necks 6203 are you.

7. Remember 2142, and do not forget 7911, how you provoked to anger 7107 Yahweh Eloheycha in the wilderness, from the day that you went forth from the land of Mits'rayim until came you to this place, you have been rebellious 4784 against Yahweh.

8. Also in Choreb 2722 you provoked to wrath Yahweh, so was angry 599 enough Yahweh against you to destroy 8045 you.

9. When I ascended 5927 the mountain to receive 3947 the tablets of stone, the tablets of the Covenant that made Yahweh with you, then I abode 3427 upon the mountain forty days and forty nights, and bread I did not eat, and water I did not drink:

10. and gave Yahweh to me the two tablets of stone, written 3789 by the finger 676 of Elohiym upon them all the Words that spoke Yahweh with you in the mountain from the

midst of of the fire in the day of the assembly 6951.

11. And it was at the end 7093 of forty days and forty nights, that gave Yahweh to me the two tablets of stone, the tablets of the Covenant.

12. Said Yahweh to me, "Arise 6965, get you down quickly 4118 from there; because have corrupted themselves 7843 the people that you brought forth from Mits'rayim, and have turned aside 5493 quickly 4118 from the way that I commanded them; and made 6213 themselves a cast image 4541. "

13. Said Yahweh to me, saying, "I have seen these people, and behold, a people 5186 of hard necks are they:

14. withdraw 7503 from Me, so I may destroy 8045 them, and wipe out 4229 their name from under the sky: and make you a nation mightier and greater than they."

15. So I turned 6437 and came down from the mountain, and the mountain burned 1197 with fire: and the two tablets of the Covenant were in my two hands.

16. I looked, and behold, you had sinned 2398 against Yahweh Eloheychem, and had made you a cast 4541 calf 5695: you had turned aside 5493 quickly 4118 from the way that had commanded Yahweh to you.

17. I seized 8610 the two tablets, and cast them 7993 from my two hands, and broke 7665 them before your eyes,

18. and I fell down 5307 before Yahweh, as at the first 7223, forty days and forty nights: bread I did not eat, and water I did not drink, over all your sins 2400 that you sinned 2403, in doing evil 7451 in the sight of Yahweh, to provoke Him to anger 3707.

19. For I was afraid 3025 from the presence of the anger 639 and displeasure 2534 by with was wroth 7107 Yahweh against you to destroy 8045 you. But listened 8085 Yahweh to me at that time.

20. Against Aharon was enraged 599 Yahweh enough to destroy 8045 him, and I prayed 6419 also for Aharon at that time.

21. And the sin 2403 that you had made, the calf, I took, and burned 8313 it with fire, and crushed 3807 it, and ground 2912 it fully 3190, until it was beaten 1854 into dust 6083, and I cast 7993 the dust into the brook 5158 that came down from the mountain.

22. And at Taberah 8404 [a], and at Massah 4532 [b], and Qib'roth-haTaawah 6914 [c], you did provoke to wrath Yahweh.

23. When sent you Yahweh from Qaddesh-Bar'nea 6947, saying, "Go up and possess the land that I have given you,": then you rebelled 4784 against the Words 6310 of Yahweh Eloheychem, and did not believe 539 Him, nor listen to His voice.

24. You have been rebellious against Yahweh from the day that I knew you.

25. So I fell down before Yahweh forty days and forty nights, as I fell down at the first; because had said Yahweh He would destroy you.

26. I prayed 6419 to Yahweh, and said, 'Lord 136 Yahweh, do not 408 destroy Your people and Your inheritance 5159, that You redeemed 6299 by Your Magnificence 1433, which You brought forth from Mits'rayim with a Mighty Hand.

27. Remember Your servants, Abraham, Yitschaq, and Yaaqob; look not to the stubbornness 7190 of this people, to their wickedness 7562, or to their sin 2403 :

28. lest say the land that they came forth from, 'Was not 1047 able 3201 Yahweh to bring them

into the land that He spoke of to them, and because He hated 8135 them He brought them forth to put them to death 4191 in the wilderness.'

29. They are Your people and Your inheritance that You brought forth by Your great 1419 power 3581 and by Your stretched out 5186 arm.

## CHAPTER 9 NOTES

Again Mosheh rebukes and reminds Yisrael of their past rebellions. He reminds them clearly that only the Grace of Yahweh is why they were chosen, not their own attributes. He reminds them of his own efforts to keep them from Yahweh's destruction. This a very passionate and moving account. It continues in Chapter 10.

## The Fictional Character Dracula By Willie Martin

David around the neck of Bela Lugosi, who plays Dracula.

**M**OST ARE FAMILIAR with the science-fiction movies on the "Vampires" with Dracula being the most common one seen on TV.

The fictional character Dracula was created in the 1800's by the author Bram Stoker, whose description of this vampire would fit the typical Jew. In fact, the story of Dracula is about the Jews. Stoker was a member of several small esoteric organizations which were in part anti-Jewish.

The next time you view one of the Dracula movies on TV. (the first one or two, made in the 1930's) look for the Star of

You will note that in the movies Dracula Must return to his abode before daylight. This is reminiscent of the Jews who were locked in the ghetto every evening and allowed to leave in the morning. The Jew going after Christian blood for his ritual murders had to sneak out at night undetected and return undetected before dawn when the Jews were counted by the authorities. If he were found missing, he would likely be arrested and tried for ritual murder.

Another thing you will note in the Dracula movies is that the vampire cannot see himself as others see him, but always, rather, as the benefactor of humanity who is hounded, tricked, abused, and betrayed by those whom he seeks to help. He never sees himself as the meddling parasite and outsider whose aid and advice are not wanted by those among whom he exists.

Dracula always takes his coffin (and dirt from his natural habitat) with him wherever he goes. This represents the Orthodox Jew who, until recently, always carried dirt from Palestine in a leather pouch around his neck wherever he went, as a reminder of his eventual return to the "Holey Land."

The victims of Dracula fall into two classes: Those whom he drains of their blood (money) and immediately destroys, and those whom he attacks and contaminates by mixing his blood with theirs.

The vampires then drink each other's blood as well as the blood of others in order to continue their existence. This has two meanings: The proselytes the vampire wins (seduces) Become like him and prey on others while he preys on them.

**Count Dracula's Castle Romania**

Also, those women of different races with whom he mingles his blood, he forever separates from their people and makes them Jews like himself. In real life, the result of the vampire's mixing his blood is in the half-breed Jewish offspring that come from the adulteration of the blood.

We note that Dracula only operates at night. This is typical of the Jew who never works out in the open, but always by craft and stealth behind the scenes.

The vampire Cannot enter into any place where he is Not invited. The early Catholic Church forbade Christians to let Jews enter their homes and admonished Christians to stay out of Jewish places. The Jew cannot take Christians for all they are worth if he cannot get their confidence. If he is not allowed to associate with them, then he cannot work his treachery against them.

Finally, the only protection Christians have against the vampire is strict adherence to the true Christian religion, represented by the Christian Cross. As long as the intended victim has the Cross evident, the evil one is held at bay. The vampire always tries to get his proselytes to compel the intended victim to give up the Cross.

You will notice that whenever he has a Cross around his neck, Dracula gets someone whom he has hypnotized (a proselyte) to cause the intended victim to part with the Cross so that he can do his evil work. The vampire knows that the Christian Church has been the protection for the non-Jews since early times. This is seen, as the unwavering absolute display of the Cross causes him to recede in terror.

Now, the next time you watch a Dracula movie, you will know that Dracula the vampire represents the anti-Christ Jew.

## America, Britain and NATO

**N**OW THAT WE KNOW WHO THE PEOPLE OF ISRAEL are in prophecy. What will their role be in this new NATO alliance. Will America and the British Commonwealth be part of this NATO expansion? God says No!

Jeremiah writes: "All thy lovers ["allies" Moffat Translation] have forgotten thee; they seek thee not ["care nothing for you"];" (30:14).

This mood is already a foot to get rid of the U.S.A in Europe and NATO.

"NATO Secretary-General George Robertson said that the EU's reliance on U.S. military power in the Kosovo campaign showed "Europe should do better--Robertson concluded: 'NATO remains the cornerstone of our security and defence policy. But Europe must be able to field a stronger and more coherent contribution to it.'" (London, 9 September 1999 (RFE/RL).

Newly elected President George Bush want America to only go out and fight for American interest abroad. The American public in general want the American soldiers to come home! NATO will end!

U.S.A dominance in Europe will soon be over. The United States, Canada, and Britain will be out and Russia, and the other Eastern European nations will move in to be the "King of the North" of Daniel 11:44-45. They will move into the Middle East and Occupy it. Momentous events are coming in the near future for the setting up of the Kingdom of God.

## Captives From Elam

After the return of Jesus Christ to set up a world ruling government on this earth, we are told that the remnant of the captives of Israel will return from "Elam" Isaiah 11:11, in modern slave camps, themselves victims of "ethnic cleansing" reminiscent of concentration camps in Nazi Germany and in use by modern Serbo-Croats during the war of the early 90's

We at British-Israel are admonished to watch world events in the light of Bible prophecy, and continue watching knowledgeably and be prepared for the return of Jesus Christ to rule this world (Luke 12:35-40; 21:29-38).

## God's Judgement on Elam

God promises that Elam will not go unaccounted for their sins. God will judge the people of Elam, especially the king and the other rulers for joining the Beast, and trying to fight Christ at his coming, Rev 19:12-14. Jeremiah writes:

"The word of the LORD that came to Jeremiah the prophet against Elam in the beginning of the reign of Zedekiah king of Judah, saying,

"Thus saith the LORD of hosts; Behold, I will break the bow of Elam, the chief of their might.

"And upon Elam will I bring the four winds from the four quarters of heaven, and will scatter them toward all those winds; and there shall

be no nation whither the outcasts of Elam shall not come.

"And I will set my throne in Elam, and will destroy from thence the king and the princes, saith the LORD.

"For I will cause Elam to be dismayed before their enemies, and before them that seek their life: and I will bring evil upon them, *even my fierce anger*, saith the LORD; and I will send the sword after them, till I have consumed them [as a "distinct nation" JFB Critical, Experimental, Practical Commentary:]

"But it shall come to pass in the *latter days*, that I will bring again the captivity of Elam, saith the LORD" (Jer 49:34-39). Yes God will forgive Elam of their sins after they learn a harsh lesson from God. Thank God for his grace and mercy, and love.

# Did Christ and His Apostles Keep The Food Laws?

## Part 2

### Nothing Unclean of Itself

Not to be deterred in their disobedience, our opponents will go on to quote the words of the Apostle Paul in Romans 14 verse 14:

"I know and am convinced by the Lord Jesus, that there is nothing unclean of itself."

Once again it is essential that we do not allow a text to be removed from its context to make it a pretext. Therefore we need to read the whole chapter and in so doing we find the key to the subject matter:

"For one believeth that he may eat all things: Another who is weak eateth herbs (vegetables)" - Verse 2.

Paul is in reality telling the members of the Church of God at Rome, not to judge each other over the question of vegetarianism. He goes on in verse 21 to state that as Christians we should do nothing that would cause another Christian to stumble, even if it is something not contrary to God's Law.

As for the word unclean as used in verse 14, it comes from a Greek word *koinos*, in the original, more frequently and more accurately rendered in most other passages of Scripture as 'Common', whilst the more correct Greek word for unclean is *akathartos*. Hence we can see that this text has nothing to do with any supposed cleansing of the

food prohibited as unclean in Leviticus and Deuteronomy.

### Nothing to Be Refused

The final Scripture used by those who reject the Divine Food Laws, is found in I Timothy 4, verse 4:

"For every creature of God. is good, and nothing to be refused, if it is received with thanksgiving"

Just try serving some mice, rats or snakes to our pork-eating friends, ask them to give thanks and eat, quote them this much misquoted Scripture and see the reaction. It will be a real test of their faith and sincerity.

All levity aside however, this verse once again as in all the other cases quoted, is being removed from its true context and misapplied in order to justify disobedience. Paul is writing to young Timothy concerning those who had fallen away from the faith to follow the doctrines of demons. One of the marks of this apostasy and declension was:

"to abstain from foods which God created to be received with thanksgiving by those who believe and know the truth" - Verse 13

In order to find out which foods God did create to be received with thanksgiving, we must return to Leviticus 11 and Deuteronomy 14, the only Scriptural guidelines. No amount of prayers of thanksgiving will purify, cleanse or make acceptable for human consumption those foods including pork, which God has declared to be unclean.

### Conclusion

Our Lord Jesus Christ and His Apostles kept the Commandments of God, and as faithful Christian Israelites, we must do likewise if we would follow in the footsteps of He whom the Scriptures declare to be: "the Captain of our salvation"

Whilst disobedience to the Divine Food Laws will not deprive you of a place in. God's Kingdom, which is accorded on the basis of saving faith and repentance, such disobedience, like smoking and the excessive use of alcohol, will rob your body (the temple of the Holy Spirit) of good and abundant health.

For the guidance of our readers, we reproduce the following chart, setting forth in simple form God's Divine Food Laws. May your obedience to the Lord's command produce health and blessing in your life.

Jesus said:

"If ye love Me, keep My Commandments"

## How The Jews Took Great Britain By Nathanael Kapner

Socrates Scholasticus, in his Ecclesiastical History, 7:16, recounts an incident about Jews killing a Christian child:

—“At a place near Antioch in Syria, the Jews, in derision of the Cross and those who put their trust in the Crucified One, seized a Christian boy, and having bound him to a cross they made, began to sneer at him. In a little while becoming so transported with fury, they scourged the child until he died under their hands.” —

Here are a few examples which led to the English expulsion of the Jews in 1290 AD:

**I**T ALL STARTED with The Edict of Expulsion of 1290 AD.

The Jews would have us believe that their expulsion from England by Edward I (reigned 1272-1307) was due to their money lending endeavours. The real reason was due to the Jews' crime of blood ritual murders. The Orthodox Christian historian of the 5th Century,

**1144 A.D. Norwich:** A twelve year-old boy was crucified and his side pierced at the Jewish Passover. His body was found in a sack hidden in a tree. A converted Jew to Christianity named Theobald of Cambridge informed the

authorities that the Jews took blood every year from a Christian child because they thought that only by so doing could they ever return to Palestine. The boy has ever since been known as St. William.

**1160 A.D. Gloucester:** The body of a child named Harold was found in the river with the wounds of crucifixion.

**1255 A.D. Lincoln:** A boy named Hugh was tortured and crucified by the Jews. The boy's mother found the body in a well on the premises of a Jew named Jopin. 18 Jews were hanged for the crime by King Henry III.

**1290 A.D. Oxford:** The Patent Roll 18 Of Edward I, 21st June 1290 contains an order for the Gaol delivery of a Jew named Isaac de Pulet for the murder and blood letting of a Christian boy. Only one month after this, King Edward I issued his decree expelling the Jews from England. (See Sources #1 Below )

**Oliver Cromwell & the Beheading of King Charles I in 1649** Financed by the Jewish Bankers from Amsterdam, led by the Jewish financier and army contractor of Cromwell's New Model Army, Fernandez Carvajal and assisted by Portuguese Ambassador De Souza, a Marano (secret Jew), saw an opportunity to exploit in the civil unrest led by Oliver Cromwell in 1643. A stable Christian society of ancient traditions binding the Monarchy, Church, State, nobles and people into one solemn bond was disrupted by Calvin's Protestant uprising. The Jews of Amsterdam exploited this civil unrest and made their move. They contacted Oliver Cromwell in a series of letters:

Cromwell To Ebenezer Pratt of the Mulheim Synagogue in Amsterdam, 16th June 1647: — "In return for financial support will advocate admission of Jews to England: This however impossible while Charles living. Charles cannot be executed without trial, adequate grounds for which do not at present exist. Therefore advise that Charles be assassinated, but will have nothing to do with arrangements for procuring an assassin, though willing to help in his escape." —

To Oliver Cromwell From Ebenezer Pratt, 12th July 1647: — "Will grant financial aid as soon

as Charles removed and Jews admitted. Assassination too dangerous. Charles shall be given opportunity to escape: His recapture will make trial and execution possible. The support will be liberal, but useless to discuss terms until trial commences." —

Cromwell had carried out the orders of the Jewish financiers and beheaded, (yes, Cromwell and his Jewish sponsors must face Christ!), King Charles I on January 30 1649. Beginning in 1655, Cromwell, through his alliance with the Jewish bankers of Amsterdam and specifically with Manasseh Ben Israel and his brother-in-law, David Abravanel Dormido, initiated the resettlement of the Jews in England. ### Jews Get Their Central Bank of England

**William Stadholder**, a Dutch army careerist, was a handsome chap with money problems. The Jews saw another opportunity and through their influence arranged for William's elevation to *Captain General of the Dutch Forces*. The next step up the ladder for William was his elevation by the Jews to the aristocratic title of William, Prince of Orange.

The Jews then arranged a meeting between William and Mary, the eldest daughter of the Duke of York. The Duke was only one place removed from becoming King of England. In 1677 Princess Mary of England married William Prince of Orange.

To place William upon the throne of England it was necessary to get rid of both Charles II and the Duke of York who was slated to become James II of the Stuarts. It is important to note that none of the Stuarts would grant a charter for an English national bank. That is why murder, civil war, and religious conflicts plagued their reigns by the Jewish bankers.

In 1685, King Charles II died and the Duke of York became King James II of England. In 1688 the Jews ordered William Prince of Orange to land in England at Torbay. Because of an ongoing **Campaign of L'Infamie** against King James II contrived by the Jews, he abdicated and fled to France. William of Orange and Mary were proclaimed King and Queen of England.

The new **King William III** soon got England involved in costly wars against Catholic France which put England deep into debt. Here was the Jewish bankers' chance to collect. So King William, under orders from the **Elders of Zion** in Amsterdam, persuaded the British Treasury to borrow 1.25 million pounds sterling from the Jewish bankers who had helped him to the throne.

Since the state's debts had risen dramatically, the government had no choice but to accept. But there were conditions attached: **The names of the lenders were to be kept secret and that they be granted a Charter to establish a Central Bank of England.** Parliament accepted and the Jewish bankers sunk their tentacles into Great Britain.

**Enter the Rothschilds, Mayer Amschel Bauer opened** a money lending business on Judenstrasse (Jew Street) in Frankfurt Germany in 1750 and changed his name to Rothschild. Mayer Rothschild had five sons.

The smartest of his sons, Nathan, was sent to London to establish a bank in 1806. Much of the initial funding for the new bank was tapped from the **British East India Company** which Mayer Rothschild had significant control of. Mayer Rothschild placed his other four sons in

Frankfort, Paris, Naples, and Vienna. In 1814, Nathanael Rothschild saw an opportunity in the **Battle of Waterloo**. Early in the battle, Napoleon appeared to be winning and the first military report to London communicated that fact. But the tide turned in favour of Wellington. A courier of Nathan Rothschild brought the news to him in London on June 20. This was 24 hours before Wellington's courier arrived in London with the news of Wellington's victory. Seeing this fortuitous event, Nathan Rothschild began spreading the rumour that Britain was defeated.

With everyone believing that Wellington was defeated, Nathan Rothschild began to sell all of his stock on the English Stock Market. Everyone panicked and also began selling causing stocks to plummet to practically nothing. At the last minute, Nathan Rothschild began buying up the stocks at rock-bottom prices.

This gave the Rothschild family complete control of the British economy – now the financial centre of the world and forced England to set up a revamped *Bank of England* with Nathan Rothschild in control. (See Sources 4 Below)

All about the Jewish Vatican (**As much as that is possible given Rothschild secrecy**) a **Private Financial Corporation** exists today in England known as "The City." It is also known as *The Jewish Vatican* located in the heart of Greater London.

A Committee of 12 men rule *The Jewish Vatican*. They are known as "The Crown." *The City* and its rulers, *The Crown*, are not subject to the Parliament. They are a Sovereign State within a State.

*The City* is the financial hub of the world. It is here that the Rothschilds have their base of operations and their centrality of control:

- 1 The Central Bank of England (controlled by the Rothschilds) is located in *The City*.
- 2 All major British banks have their main offices in *The City*.
- 3 385 foreign banks are located in *The City*.

4. 70 banks from the United States are located in *The City*.
5. The London Stock Exchange is located in *The City*.
6. Lloyd's of London is located in *The City*.
7. The Baltic Exchange (shipping contracts) is located in *The City*.
8. Fleet Street (newspapers & publishing) is located in *The City*.
9. The London Metal Exchange is located in *The City*.
10. The London Commodity Exchange (trading rubber, wool, sugar, coffee) is located in **The City**.

Every year a **Lord Mayor** is elected as monarch of **The City**. The British Parliament does not make a move without consulting the **Lord Mayor of The City**. For here in the heart of London are grouped together Britain's financial institutions dominated by the Rothschild-controlled **Central Bank of England**.

The Rothschilds have traditionally chosen the **Lord Mayor** since 1820. Who is the present day **Lord Mayor of The City**? Only the Rothschilds' know for sure— (See Sources # Below )

**JEW'S CONTROL** the world. Here's how it happened:

**1649:** Jews finance Cromwell's beheading of Charles I. Cromwell reciprocates by allowing Jews to return to England.

**1694:** William of Orange, King of England, asks Jews for financial help to keep the Stuarts at bay. Jews issue bank notes on interest to William of Orange and first central bank has its beginnings.

**1697: London Stock Exchange** becomes the world's largest "purse." Twelve ruling seats are reserved for Jews only.

**1750:** The Jew, Mayer Amschel Rothschild, becomes prime money lender to the Crown. This is established.

**1753:** King George II, a pawn of Mayer Rothschild and Amsterdam Jewish bankers, passes a **Naturalization Bill** allowing Jews to become British subjects.

**1808:** Napoleon becomes master of Europe. He issues a decree which the Jews termed the **Decret Infame (Infamous Decree)**. The **Decret Infame** placed many justifiable restrictions on the Jews. Jews plan their revenge.

**1814: The Battle of Waterloo** signifies the end of Napoleon's heroic anti-Jewish rule & the Christian domination of Europe. Both James Rothschild of France and Nathan Rothschild of England finance Wellington's victory over Napoleon at Waterloo.

# The Life and Philosophy of Pythagoras Part 2

## By Ella Rose Mast

### Based on Dr. Wesley Swift's Studies and Library

construct, and the accurate drawing of the Pentagon necessitating a rather elaborate application of the Pythagoras great theorem. Plato put it this way, This the Deity employed in tracing the plan of the universe. (see your diagram).

**P**YTHAGORAS TAUGHT THAT **EVERYTHING** in nature was divisible into three parts, that no one could become truly wise who did not view every problem as being diagrammatically triangular. He said: "establish the triangle and the problem is 2/3 solved, for all things consist of 3's. He divided the world then into three parts, supreme, the superior, and the inferior, thus", YAHWEH, the kingdom and the world, or that which is both true and false.

Pythagoras was then a very illuminated man, he is said to have caused things to happen by the exercise of mental influence. He was gifted with second sight, being able to see things at a distance, and accurately describing incidents that had not yet come to pass.

Pythagoras in his explanation of the numbers considered the digits one and two as super mundane spheres, then #3 was the triangle and #4 is the square, and you then have number 10 the great number of all things, the archetype of the universe, or as the ancient Doctrines of Israel proclaim, the completion of the kingdom.

Now; there are 39 symbolic sayings of Pythagoras and ten of them are listed here in the old big book. These are said to be with a hidden meaning which you are to search for. I will list them for you and give you a meaning as I see it, and then you see what you think.

The Pythagoreans were to maintain that symmetrical solids were thus of great importance, and since a solid must have an equal number of faces meeting at each of its angles, these faces must be equal, regular polygons, or figures whose sides and angles are all equal, and there is only 5 such solids, the middle number of from 1 to 10 of the mysteries.

**1** Declining from the public ways, walk in unfrequented paths. we say that those who desire wisdom must seek it in ways not thought of by the world order.

Thus they taught that the material universe was composed of 4 elements which were fire, water, earth and air, then add the Deity of the Only One, and by these elements HE created the Universe. The earth particles were cubical since the cube possessed greater stability. The fire particles were the lightest solid thus tetrahedral. Water particles were listed as between the two and called octahedral. Then there were the mystical solids, the most difficult of all solids to

**2** Govern your tongue before all things, follow the Gods; We say:-sometimes your words instead of representing, do misrepresent you, so if in doubt as to what to say, be silent, and follow the teaching of those called Gods (Psalm:82) for the kingdom is to rule and reign.

**3** The wind blowing, adore the sound; We say the fiat of God is heard in the voice of the elements. All things in nature manifest through harmony, rhythm, and order, which are the attributes of Deity.

**4** Assist a man in raising a burden, but do not assist him in laying it down. We say assist anyone in their work for the kingdom in any way that you can, but do not assist them if they are backing away from the truth of the kingdom and its cross. Never assist anyone who is trying to evade their responsibilities.

**5** Speak not about Pythagoric concerns without light. We say that those of the world order should not attempt to interpret the mysteries of God for you, the secrets of science and such, for no one should without spiritual and intellectual illumination be able to do this.

**6** Having departed from your house, turn not back for the furies will be your attendants. We say anyone who begins a search for truth, and having attained part of the mystery then becomes discouraged, or attempts to return to his former ways of vice and ignorance will suffer exceedingly for it is better to know nothing about the mysteries of God, than to learn a little and turn from it. After all the warning of the end of this situation is that it will be with suddenness.

**7** Nourish the cock, but sacrifice it not; for it is sacred to the sun and the moon. We say that there is a two fold lesson here. Adam-man is sometimes pictured as a White Rooster. We will tell you this in a later tape. But the body of Adam-man is sacred to the sun (the symbol of YAHWEH), to the moon

(the symbol of the earthly kingdom) and should be guarded, for this body is the temple of the Holy-Spirit. And that holy spirit is the most precious possession which Adam-man possesses.

**8** Receive not a swallow into your house. We say that the seeker of truth should not allow drifting or small thoughts, after all it is the Eagle and the Phoenix which carries the message. Therefore surround yourself with inspired thinkers, and conscientious workers for the kingdom, or you will be seeking the easy way, and never reach for the heights in your thoughts and mind.

**9** Offer not your right hand easily to anyone. We say that the right hand represents authority and truth, thus offer not truth to those who are inca-

pable of receiving it, or understanding it. The right hand represents authority, YAHWEH who raise's those who have fallen into ignorance. Many of the unregenerate do not desire wisdom, and they will cut off the hand that is extended in kindness, to those, the completion or #10 alone can effect the redemption of the ignorant.

**10** When rising from the bed clothes roll them together and obliterate the impression of the body. We say to those who have awakened from their sleep of ignorance, to then eliminate from their recollection all memory of their former spiritual darkness. This is so that those following in your footsteps will not stop at some point and use some error to keep someone in ignorance.

Always stress the fact that there is much more to learn. After all there is this "WAY", and it is to the cross and the understanding as to why HE hung there. This "WAY" leads you backward to knowledge and forward to completion. You must come to this point in understanding. The CROSS is there and you then realize that you cannot back away from this knowledge, for it is the only way which leads through this Great Mosaic to HIM.

According to Pythagoras the study of astronomy was essential in understanding the mysteries. The knowledge he thus acquired enabled Him to make predictions requiring 2000 years to check, and tells us why Plato and Aristotle so highly esteemed the knowledge of the ancient mysteries. Platonic astronomy taught that physical astronomy was the science of shadows, from behind it in Philosophical astronomy was the science of realities, thus through the study of nature you learn to look beyond to the real meaning found -in the spirit.

Pythagorean Mathematics, the key to this seems to have been almost lost since the death of Pythagoras, to this science, however fragments found through the years tell us that this knowledge does exist.

The 47th. theorem is stated this way:- in a right angled triangle, the square described on the hypotenuse is equal to the sum of the squares described on the other two sides. The picture here is of three sizes of squares, their points

touching so as to form a triangle. The Egyptians called the triangle the universal nature, and this triangle is of course 1/2 of a rectangle.

The triangle is of course a figure of three angles, and three is the first number composed of both an even and an odd number or  $1+2=3$ . Then 4 is the square whose side is equal to the even #2, but 5 being generated out of 3 and 2 is still more important. And out of the simplest lines the whole secret emerges. Here then is pictured a youth, a man and a girl. Here we see YAHWEH with Adam and Eve, the circle complete for the development of the kingdom. Everything moves out from YAHWEH in a circle, thus beginning and end is controlled.

But the triangle was looked upon as the beginning of the generations, the development of the kingdom. And this is a right angled triangle of unequal sides, one right angled and two acute angles. The three squares that form the triangle are marked in the checker-board fashion, but the squares are all in blue instead of the black and white signifying this started in the heavens. The black and white squares signify the world as yet under both light and darkness, thus still the battle between the children of darkness and the child of light. This triangle has sides marked 3-4-5, add them and this is the mystery of numbers in symbolism or the divine #12.

The 47th, theorem was always marked in close connection with the "master builders" art and was referred to as the carpenter's theorem. It is believed that many of the complicated mathematical details of the Great Pyramid were based upon the now unknown applications of this theorem. This is also the key to the relationship of the three major parts of Adam-man which are spirit, soul and body. To the Alchemists this 47th, proposition sets forth the proper proportions of salt, sulphur and mercury necessary to the formation of the Philosopher's stone.

By the time of Albert Pike, many things of the mysteries had been lost. Albert Pike the great Masonic symbolist of Free Masonry admitted that he did not understand the symbolism of the cube, the square, the rectangle and the circle. He seemed to realize that different numbers were in themselves symbolic, but decided that Pythagoras

concealed the meanings of his symbols with a veil that was impenetrable, without his oral explanations. We say that the reason he could not understand is because he expected those without the capacity to explain the scriptures, and these symbols.

Here in the old big book they have a chart, to use in trying to find the numerical power of words. 1 is the names of the Hebrew letters. 2 is the Samaritan letters, 3 is the Hebrew and Chaldean letters, and #4 the numerical equivalent of the letters. #5 is capital and small Greek letters, and 6 is the letters marked as those brought by Greece from Phoenicia by Cadmus.

7 is the names of the Greek letters, and 8 is the nearest English equivalents to the Hebrew, Greek and Samaritan letters. A note at the bottom says: when used at the end of a word, the Hebrew TAU has the numerical value of 400. The Capital Greek letter for TAU of the Hebrew is the symbol of the Pythagoreans, and the same as the sign of Aries of the Zodiac, the Ram the Great shepherd of the sheep.

I noticed that the writers here in the old big book were having trouble with their translations. They say that they must go back into the most ancient tongues for their seeking for the numerical value of names, but then they try to come up with the Divine name of Jehovah which only adds up to #26 and that is not the divine name, and the Israel doctrine of the name adds up to #72. They also come up with the #9 as the basic number, where as the Pythagoreans of course used #10 in their calculations.

The Pythagoreans demonstrated that arithmetic was prior to astronomy, for the latter is depend-

ent upon both geometry and music. The size, form and motion of the Celestial bodies is determined by the use of geometry, their harmony and rhythm by the use of music. Therefore if astronomy be removed neither geometry or music be injured, but if geometry and music be eliminated then astronomy is destroyed. Thus arithmetic is prior to all, it is primary and fundamental.

In numbers there is then both even and odd, for some are divided and some cannot be divided, for it always remains indivisible. It thus becomes the centre of all things. Of the other odd numbers, if divided into two parts, then one will be an odd number and one an even number. The Pythagoreans called #1 evenly odd, and considered it both male and female. Audaum was thus considered as both female and male, and YAHWEH was also considered as ONE and masculine, but considered as comforter or holy spirit as having the compassion of the female.

The Pythagoreans then called #1 the supreme Deity, and #2 was called audacity because it is the first number to separate itself from the ONE. They gave the symbol of the Sun to the Supreme ONE, and the symbol of the moon to #2 as did the ancient Egyptians. They considered #2 in its separation from #1 then as being both male and female, thus Adam and Eve, the seed for the kingdom in earth, and said that later #1 would be crucified in earth where the kingdom now resided.

He would be crucified between two thieves because of the sins of Adam-man. #3 they called wisdom, it was the nature of 1+2, thus Adam-man under guidance of the ONE would organize the present, foresee the future, and benefit from the experience of the past. #3 is thus the cause of wisdom, understanding,

knowledge, music, geometry, astronomy, the science of the Celestial and the terrestrial.

The symbol of #3 is the triangle, Since #3 is made up of 1+2 then this symbolizes the fact that YAHWEH gave birth to His worlds out of Himself. He is termed 'The MONAD' having the nature of both male and female. #4 is termed the perfect number or symbolically it is the parent of progeny. YAHWEH then called the number of numbers, because  $1+2+3+4=10$ . #4 then becomes the first geometric solid and symbolically they say of the soul of Adam-man, and consists of mind, science, opinion, and sense, all provided by #1 for the completion of the picture of number 10.

When considering the colours, then #3 represents the primary colours, and major planets. While #4 represents the secondary colours, the minor planets, and one compliments the other. Thus from the first triangle (YAHWEH) comes the seven spirits, symbolized by a triangle, and a square, these together formed the ancient Masonic apron.

#5 is thus 3+2, the symbol of light, the balancer, and between 1 and 10, only 5 and 6 when multiplied by themselves represent and retain their original number as the last figure in their products. #5 sometimes is referred to as the High Priest of the Mysteries, the basis of vitality and life. Thus the 5 pointed star was then the symbol of vitality and health.

The Philosophers used the symbol of the Dragon as the evil of earth, and as they went forth to slay the Dragon they were in symbolism declaring victory over the kingdom of darkness, the victory of the spiritual nature over the material nature of the world order.

The four elements of earth were thus fire, air, water, and ether, and were symbolized in early biblical writings as the four rivers which poured out of the garden of Eden, yet under the control of the Almighty spirit or #5 of the mysteries. And carried further, the body of Audaum was formed from the elements, which are now translated dust of the earth, and we then say: -"ashes to ashes, dust to dust" but there is so much more to that picture.

#6 represented the creation according to the prophets of the ancient mysteries. Those created and given a spirit, a created spirit, not a begotten one as was given to Adam and Eve. Number six then represents time, a time measure of duration, and in this time period, here in the world with both good and evil Adam-man would establish the kingdom, thus this number is a balancer, a number also that contains immortality, for when considering the different races established on this earth through time and eternity, Adam is listed as #6 who is to reach the perfection of #7 in his work toward immortality, the kingdom in place.

#7 according to Pythagoreans was called, "Worthy of veneration." It was held to be the number of Faith, or religion because Adam-man was said to be controlled by seven Celestial spirits, to whom it was proper for him to make offerings. We then remember this is the seven fold nature of God, not 7 different spirits which are symbolized by the Rainbow.

Today they are using the rainbow as the symbol of the New Age of Lucifer's victory, thus this symbol has gone almost full circle, and now stands to be corrected as Lucifer's satanic nature is erased. #7 was called the number of life, thus a baby born in its seventh month of embryonic life usually lives.

We know #7 as Adam's number in completion, in the ancient mysteries. One author called #7 the motherless virgin, but out of the crown of the head of the Father, the Monad. The key words associated with #7 are fortune, occasion, custody, control, government, dreams, voices, sounds and that which leads all things to their end.

We have now from the Pythagoreans given you more meanings for the numbers of 1 through 10 of the ancient Israel doctrines. And they then

explain further: -that among many ancient nations #7 was a sacred number. That the Elohim of the Hebrews was #7, that spirit, mind and soul descended into the world, then #4 of the mystic nature of Adam-man consisting of the 3 fold spiritual body which became a four fold material form, symbolized by the cube, which has 6 surfaces with a mysterious point or connection within.

Thus in the midst of Adam-man is the father of directions, the dimensions of the distances, the maker of the law, with the sevenfold spirit. Here then in the old big book they do explain #7 without acknowledging that this represents Adam-man as we have understood the picture, but they do confirm what we have learned before from the mystery schools of Enoch and Jobs time.

#8 carries the same message as we have told you before, only under the guidance of the Pythagoreans they explain that this number was the first cube which had 8 corners, and was the only evenly-even number under 10. That it can be divided into 4's, into 2's and each 2 into 1's, therefore re-establishing the Monad. Among the key words associated with #8 was a mysterious number, associated with the Mysteries in Greece, and called the little Holy number.

#9 was the first square of an odd number (3x3). It was associated with failure, and short because it falls short of perfection which is #10. In other words #9 is not associated with #7 it means judgement, and is considered associated with #6, is in fact an inverted 6, a part of the world order, thus judgement on anything which hinders the kingdom.

#10 according to the Pythagoreans is the greatest of numbers, not only because it is the 10 dots (the tetractys) but because it understands all arithmetic, and harmonic proportions. Pythagoras said that #10 is the nature of all numbers, because all nations must reckon with it, and when they arrive at it, they return to the Monad. #10 is called both heaven and the world because it is a perfect number, it is because the former includes the Latter. Because it is applied to those things relating to age, power, faith, necessity and the power of memory. It is called un-

wearied, and tireless, thus associated with the ONE God, and to a lesser degree with Atlas, for he carried the world or the numbers on his shoulders.

Now; after all we have learned from this article, I had to laugh at the last paragraph in this article. I thought of all the knowledge our ancestors possessed, way back there, and this paragraph reads (quote): - We believe that the so called decimal system can probably be traced back to the time when it was customary to count on the fingers, this being the most primitive calculating device, and still in use today among many aboriginal people. (unquote) We then believe that the so called intellectuals of today are in for a surprise when they learn of the knowledge possessed by our ancient forefathers, clear back to Adam.

Now; lets see what the Pythagorean Theory of music and colour has to reveal. As we have told you before NASA will be studying as to where the sounds are coming from, out in space. We are sure that the ancients knew more about this then we do today.

Music and colour play their parts in life, and only when everything is in Harmony can things be beautiful. Here in the old big book the writers think the philosophers gained their knowledge of the philosophic and therapeutic aspects of music from Hermes, who we say was Enoch.

Even Plato spoke of the songs and poetry of ancient Egypt, and said that only Gods, or God-like men could have composed them. In the mysteries the "Lyre" was regarded as the secret symbol of the human constitution.

The body of the instrument was said to represent the physical form, the strings the nerves, and the musician the spirit. Playing upon the nerves, the spirit thus created the harmonies of normal functioning which forever became discords if the nature of Adam-man is defiled. All the Adamites down through the ages, to the Greeks, employed both vocal and instrumental music in their religious ceremonials to compliment their poetry and drama. The pagans also used music in their religious ceremonies, but the type of instrument and music that harmonizes with the type of nature of the individual can be altogether different.

Pythagoras is said to be the one who raised the art of music to its true dignity by discovering the scale. I would say that he had learned the Divine theory of music from the Priests of the mysteries, but he did develop it more and left a record which they were finding as they prepared this old big book. Pythagoras left a diagram showing in circles the distances between Earth, moon, Mercury, Venus, the sun, Mars, Jupiter and Saturn, and the sphere of the stars. The distances are whole or half tones, and they total 6 octaves.

### Satanic Syndicate

Sir \_\_\_, Your readers may be interested in a review I came across recently — The *Satanic Syndicate* by Chris Everard.

Did you know the Boss of the MI5 Spy Network was a member of Aleister Crowley's elite Satanic Society called the 'AA'? Did you know the Deputy Director of MI6 used a fake name "Peter Henderson" and was a member of a club trading **child pornography**? Did you know the former leader of the **labour party** was a disciple of Aleister Crowley, and was the executor of Crowley's last will and testament? Chris Everard's new digital book is a fully illustrated expose of the **satanic syndicate** in **Westminster** - it blows the lid on the Pedo Cult at the root of Government.

My grandfather was a diplomat and a member of the Sovereign Military Masonic Order of the

Knights of Malta. My grandfather explained to me that the embassies around the world are nothing more than spying stations. Insider trading and industrial espionage are the central main reasons why those embassies exist - as a general rule of thumb, the embassies don't give a damn about their own countrymen abroad...

In fact, most people who rise to prominent positions of power at Westminster are hedonists - they HATE the general public - and take great pleasure in violating and sexually raping children from the Working Classes - that is not an idle accusation - my new digital book is packed with tons of evidence which links Cameron's government to a *satanic syndicate* of child rapists, swindlers and corrupt gangsters...

A 'diplomat' is basically a 'spy'. And many of the spies were paedophile - in fact, Maxwell Knight who was the head chief of MI5, was a man in a lavender marriage who used to have a regular gay blow job in his garden shed whilst his wife entertained guests with Earl Grey, lemon and served in the finest bone china. Maxwell Knight, being a pervert, of course, recruited men who he could get sexual favours from - the entire George Smiley Tinker Tailor Soldier Spy network portrayed by the BBC has this important component sorely missing from its fictional narrative.

Maxwell Knight was personally initiated into Aleister Crowley's AA secret cult - which was an offshoot of the sex-magic coven called the Ordo Templi Orientis. Members of these covens and cults have formed a *satanic syndicate* at Parliament - which has seeded members into the current Cameron government.

After leaving Oxford [without qualification], the paedophile poet, Tom Driberg, (left), extended his social circle, reporting on the antics of High Society which included Evelyn Waugh and Aleister Crowley. Evelyn Waugh's diary entry for 30 October 1927 records: "I went to

church in Margaret Street where I was discomposed to observe Tom Driberg's satanic face in

the congregation". And Satanic it was - Tom Driberg became a Labour Party Lord-Baron and paved the way for a whole hotchpotch of paedophile aristocrats to control the reins of power in parliament on behalf of Buckingham Palace. <https://gumroad.com/l/XGmrd>

Driberg was not just a Lord-Baron, but also a Marxist-Communist - his first paid income [apart from 'favours' which he received remuneration for], was writing the **William Hickey** column in the Daily Express newspapers [which are now owned by socialite publisher Richard Desmond]. Driberg was a predator of young boys and men - something which was supposedly forbidden and against the law in England until 1967.

Driberg used the William Hickey column to promote queer and tirelessly anti-social characters such as Betjeman, Nancy Mitford [acquaintance of Hitler] and Peter Quennell. The William Hickey column became most well known for exposing society parties at the bath house and swimming pool in Buckingham Palace road where the HQ of Google and News International / 20th Century Fox now stand...

In this Digital Book, Chris Everard shows that prominent members of parliament are Satanists following a vicious plan of attack on the **family values** and the fabric of society itself. **Yours truly, Alex Philips, Derby, UK.**

### The Prophetic Day

The Abbot Joachim Abbas in the thirteenth century felt these mysterious numbers signified years for two reasons among others:

a. In Ezekiel IV-6 the interpretation is twice given (see margin) "a day for a year a Year for a day".

b. The great prophecy in Daniel IX tells us to measure 70 "weeks" from the decree to restore Jerusalem (457 B.C. Ezra VII) to Messiah the Prince or Christ, and this in years brings us to the times of our Lord's ministry and His atoning death "in the midst" of the last week of years in which He should be cut off, but not for Himself but for all the faithful (Dan. IX v. 25, 26, 27).

A great number of Protestants after the days of Luther and even before 1600 saw that if you add the mysterious 1260 years, or Time (360) Times (2 X 360) and a half (180) to any crisis in the rise of the Papal tyranny you would come to a crisis in its downfall thus:-

**312 AD**

Union of Church & State under  
Constantine

+1260

**1572 AD**

Massacre of the Huguenots shocking all  
Christendom

**533 AD**

Church supports Roman Law in  
Edict of Justinian

+ 1260

**1793 AD**

French Revolution against Roman Law tyrannical  
and genesis of Communism

**607-610 AD**

Decree of Emperor Phocas that Pope should  
be Temporal Head of Christendom

+ 1260

**1867-1870 AD**

Vatican Council - Infallibility Decree -  
Franco-German War End of Papal Temporal  
Power. Dan. VII v. 11 & 26.

**663 A.D. 1923 AD**

Emperor Vitalian decrees Latin for all Christian  
Church worship.

+ 1260

**1923 AD**

Mussolini takes power, pays £18 million to Pope to support his power in return for supporting Fascism. This fails

Clearly these early interpreters were on the right track as events proved their interpretation long after they fell asleep in Christ and we have lived to see this.

Robert Fleming in 1701, in his book "The Rise and Fall of Papal Rome" foretold the French Revolution in 1794 also the great anti-Papal revolution in 1848-1866 and said that the Vatican would be reduced in power as foretold by the spread of Scripture Truth (Dan. VII v. 26 and 2 Thess. 2 v. 8) but destroyed only by the **Brightness of Christ's Coming**.

During the eighteenth century a great astronomer De Cheseux discovered that the mysterious time units in the books of Daniel and Revelation were **Eclipse** cycles, accurate to the day over thousands of years.

We know that eclipses occur every 18 years - that is, if we have an eclipse in 1966 we shall have a similar one in 1985 when sun and moon come back to the same positions. But 70 such periods (70 x 18) come to the 1260 mysterious years which are read in symbolic days in the **Book of Revelation:-**

**XI** - 2 Forty two months (42 x 30 = 1260)

**XI** - 3 1260 days

**XII** - 6 ditto

**XII** - 14=Time, (2) Times and a half (360 + 720 + 180 = 1260)

**XIII** - 5 - Forty two months (42 x 30 = 1260)

This, mysterious 1260 day-year period is mentioned 7 times in Sacred Scripture .Astronomy confirms our interpretation thus:

1260 units in symbolic days, as above in Ezekiel IV and Dan. IX the period symbolized is 1260 years.

These years can be either SOLAR (our) years or LUNAR (Mohammedan) years. 42 months can mean "MOONths". Dr. Grattan Guinness during the last century showed that the 1260 year period is half of a great Seven times (7 X 360) period dating from events in the captivities of Israel and Judah reaching to crisis eras in

modern times that is 2520 years from 700-500 BC.

The Bible splits this into two (1260) and the middle dates mark the rise of the Papal Temporal Power in Christian times.

He also saw that the Seven times of our Western solar calendar lasts 75 years than if we measured by the moon.

Our year has 365- days whereas the lunar (Hebrew and Mohammedan in the East) has only 354 days so that 2520 lunar years = 2445 Solar years.

Thus 1260 + 1260 + 75 Lunar years covers the whole Solar Seven Times: but the last two numbers (1260 + 75) add up to 1335 lunar years and this is found in Dan. XII v. 12.

Dr. Guinness saw that the Lunar years were usually connected with Palestine, Jerusalem and the Middle East and the Solar years with the Christendom in the west - for example:

During the years 607-604 BC, Babylon under Nebuchadnezzar besieged Jerusalem in. 607 604 + 2520 years = 1914-1917 A.D. which starts with World War I and ends with the Deliverance of Jerusalem. But the year 1917 A.D. happened to be the 1335th year of the lunar calendar of the Moslems and Turks who were driven out and they themselves felt that this date would mean trouble for them.

Again in 676 B.C. the ten tribed Israel Kingdom was destroyed by Assyria and dispersed into an age-long Captivity. 676 B.C. + 2520 = 1844 A.D. and this brings us to the lunar year 1260 in the Moslem Calendar when British influence forced the Sultan of Turkey to stop executing Moslems who became Christians.

The document enforcing this is dated exactly 2300 years to the day from the date 457 BC which begins the famous “70 weeks” prophecy in years leading to the Mission and Crucifixion of our Saviour. This 2300 period is twice mentioned in Dan. VIII, v. 14 and 26. ***Yours truly, An Irish Patriot.***

### Poems by Walter Scott

'When a land rejects her legends,  
Sees but falsehoods in the past,  
And its people view their sires  
In the light of fools and liars,  
'Tis a sign of its decline  
And its glories cannot last,  
Branches that blight their roots  
Yield no sap for lasting fruits.

Sir. Walter Scott called attention to the heritage of a race as he recorded:

'Unless the fates be faithless grown,  
And Prophet's voice be vain  
Where in is found the Sacred stone  
The Wanderer's Race shall reign.'

### Observations on The Corona Virus

Sir \_\_\_, I make the following observations based on lengthy conversations with a learned medical staff member of an elite American hospital.

- 1. Daily Coronavirus (COVID19) death statistics compared with daily influenza death statistics are not being reported.**
- 2. The average age of COVID19 dead is not being reported.**
- 3. The fact that the dead were mostly immune-compromised persons to begin with, is not being reported.**
- 4. With a shortage of testing kits, whether in Italy or the United States, how many deaths attributed to Coronavirus are actually deaths from the flu or other illnesses? How can what we're being told is the official mortality rate, be verified in the midst of so much guess work and inadequate testing?**

5. The Centres for Disease Control (CDC) reports that from 2018-2019 influenza in the U.S. led to "more than 35.5 million illnesses, 16.5 million medical visits, 490,600 hospitalisations, and 34,200 deaths."

Influenza is very deadly and highly contagious, as the preceding statistics demonstrate. Why weren't schools and businesses closed, sports and entertainment events cancelled, borders sealed and flights banned in 2018-2019, and the public "self quarantined"?

Last year the majority of us went about our lives and our business, understanding that exposure to infectious disease is a risk we take as a normal part of life, and that it is each persons's responsibility to learn the facts and strengthen their immunity. In 2020 however, the United States of America is being transformed into a panic-stricken garrison state, while the people hunker in their homes and take orders from Big Brother and his controlled press.

Five or six weeks from now the extent to which we've been suckered and the U.S. economy severely damaged, if not wrecked, will become clear, as well as the degree to which the corporate media have unconscionably conspired in herding the American people and accelerating the stampede.

Mr. Hoffman is a former reporter for the New York bureau of the Associated Press, **Yours truly, [Michael Hoffman](#)**.

### THIS IS ISRAEL

A people cast off to be gathered again,  
A nation dispersed in its blindness till then,  
As numberless as the same of the sea,  
And yet there's a remnant by Sovereign decree  
And this is Israel.

A people not known as the people of God,  
But reck'ning they're gentiles as blindly they  
plod,  
Recipients of blessings forecast as of old,  
Belonging to Jacob in Grace manifold.  
And this is Israel.

A comp'ny who'll wake at the dawn of the  
day,  
The first fruits to God and the Lamb in array,

Awak'ning to truth that they are who they are,  
God's Israel indeed to alert near and far. .  
And this is Israel.

If casting them off proved salvation so rare,  
Then life out of death shall their gathering  
declare,  
But stealing the first fruits the harvest assures,  
Till all of God's Seed-grain the promise  
insures.  
And this is Israel. By: Norene Nicholls.

### Huge Crops Grown With the Aid of Electricity Using A Modern Magic Wand

**Sir**\_\_, G. Fritswbe, a German scientist, is using experimental apparatus portrayed after Justin Christofleau's invention for speeding the growth of plants by means of electricity drawn from the air, the Earth, and the sun. This spiked arrangement at the top is an antennae that collects atmospheric electricity. The metal pointer on the pole gathers the flow of terrestrial magnetism. In the centre of the antenna is a thermal coupler which converts the sun's heat into electric current. All the electricity gathered

by these means is led into the ground by the wire showed at the side of the pole.

A police magistrate investigating the strange disappearance of a man in Brittany, France not long ago, received another letter from a peasant in the little Norman Hamlet of La-Quiue-les-Yvellnes. The missing man had been murdered the person wrote, and his body had been buried on the farm of Justin Christofleau's who was described as a servant of Satan

Following the clue, the magistrate visited this farm. He found the body: yet the result of his call was startling. He found that Christofleau was exactly what his suspicious neighbours had declared him to be – a wizard. His wizardry, however, was not of the malignant kind, but entirely practical and based on scientific principles. For this obscure French peasant had developed a new process of agriculture.

**Justin Christofleau, the French farmer wizard holding stalks of clover which by his remarkable method grew 7 feet high**

He is utilising the magnetism of the Earth, the electricity of the air, and the electricity from the heat of the sun by ingenious apparatus to speed the growth of his plants. And he has accelerated the growth of normal plants, rejuvenated barren trees, grows crops such as never before have been seen in the vicinity.

Electricity, of course has been used before in attempts to stimulate the growth of plants also, although other experiments have also used atmospheric electricity for the same purpose, the results have been inconclusive, possibly

because of the neglect of important factors such as the flux of magnetism in the Earth.

**Grown By Electricity  
The Pear Tree above had not borne fruit for years until stimulated by Justin Christofleau's electrical apparatus**

Justin Christofleau, the French farmer wizard holding stalks of clover which by his remarkable method grew 7 feet high

Terrestrial magnetism long has been believed to exert a stimulating effect on organic life. Thus, you may have heard it said that many persons sleep most soundly in the bed that points from north to south, with the foot to the south. For this reason Christofleau placed his apparatus in a north-south direction.

His apparatus consists of a number of 25 foot wooden poles sunk in the ground. On the top of each pole is a metal pointer directed to the south to take all possible advantage of terrestrial currents. Each pole contains an antenna designed to gather atmospheric electricity. There is also a metal cylinder of copper and also strips soldered together, which converts the heat of the sun into electricity through the thermocouple principle.

It has long been known that when two metals of different degrees of heat conductivity are

joined and subjected to heat, and the electric current is generated. Christofleau, however, makes use of this principle in highly ingenious manner.

For in addition to the current generated by the apparatus itself similar effect is obtained between the walls of the cylinder and a set of rotating vases outside, the latter cooling the exterior of the cylinder while the interior remains relatively warm.

All the electromagnetic energy collected and generated by the apparatus, from the sun, the air, and the earth, is led to the ground by galvanised iron wire, which extends down the poles. The poles are set about 10 feet apart and the wires from the post through the ground for about 1000 yards.

According to Christofleau the accumulated electricity that reaches the Earth destroys harmful parasites at the same time fertilising the earth by promoting beneficial chemical processes.

Yours Truly, EM, Bath, UK.

## Historical Cold Case Reopened

**Sir**\_\_, Oxford University has just been discovered to have whitewashed Cecil Rhodes' biography. This omission hides Crown, Privy Council, Rothschild, Wellcome & Rhodes duplicity in:- (1) Wellcome Trust, Gates Foundation, U.S. DARPA, UK, WHO, EU Corona virus bio-warfare &c.

(2) 2nd Boer War concentration camps that killed over 60,000 people, incl. 14,000 children, between 1899-1902 to create a De Beers / British monopoly over South African diamonds and gold. Yours truly, K H, West Midlands, UK.

The End

## It Could Not Be Clearer John Trotter of Winmalee, Australia

we have been deceived. The fulfilment of these prophecies are to take place on this planet.

The following verses are merely a sample of the many in the Bible. They are provided in the order as they appear in the Bible. The historical and the real life presence of Jesus Christ the King of His Kingdom is just the beginning of a story that will take us back to the beginning. There will occur a cleansing process that will be necessary to achieve that end. May the following verses speak for themselves? You will need to read the surrounding verses to understand the context.

**WHAT I AM REFERRING TO IS THE FUTURE COMING TOGETHER OF ALL THE TRIBES OF ISRAEL**, resulting in her restoration as a nation. Nothing so far in history has in any way reflected the Biblical prophecy of such an event. Once the blindness and deafness (Isaiah 29: 18, 35: 5,) has been lifted, the realisation of who is Israel and what is our mission will cause many to realise how much

And it shall come to pass, when all these things are come upon thee, the blessing and the curse, which I have set before thee and thou shalt call them to mind among all the nations, whither the Lord thy God hath driven thee, and shalt return unto the Lord thy God, and shalt obey His voice according to all that I command thee this day, thou and thy children, with all thine heart, and with all thy soul; That then the Lord thy God will

turn thy captivity and have compassion upon thee, and will return and gather thee from all the nations, whither the Lord thy God hath scattered thee. (Deuteronomy 30 : 1-3)

And I will restore thy judges as at the first, and thy counsellors as at the beginning: afterward thou shalt be called, the city of righteousness, the faithful city. (Isaiah 1: 26)

And it shall come to pass in the last days, that the mountains of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills, and all nations shall flow into it. And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob, and He will teach us of His ways. and we will walk in His paths:

“–for out of Zion shall go forth the Law and the word of the Lord from Jerusalem, and He shall judge among the nations and shall rebuke many people: and they shall beat their swords into ploughshares and their spears into pruning hooks: nation shall not lift up sword against nation, neither shall they learn war any more”, (Isaiah 2 : 2 - 4).

For unto us a child is born, unto us a son is given and the government shall be upon His shoulder and His name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, the Prince of Peace. Of the increase of His government and peace there shall be no end, upon the throne of David and upon His kingdom to order it and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of Hosts will perform this. The Lord sent a word into Jacob and it hath lighted upon Israel. (Isaiah 9: 6,7,8).

And He shall set up an ensign for the nations, and shall assemble the outcasts of Israel and gather together the dispersed of Judah from the four corners of the earth. The envy also of Ephraim shall depart and the adversaries of Judah shall be cut off: Ephraim shall not envy Judah and Judah shall not vex Ephraim (Isaiah 11: 12, 13)

For the Lord will have mercy on Jacob and will yet choose Israel and set them in their own land and the strangers will be joined with them and

they shall cleave to the house of Jacob (Isaiah 14:1).

Say to them that are of a fearful heart, be strong, fear not: behold, your God will come with vengeance, even God with a recompense, He will come and save you. Then the eyes of the blind shall be opened and the ears of the deaf shall be unstopped. Then shall the lame man leap as an hart, and the tongue of the dumb sing: for in the wilderness shall waters break out and streams in the desert. (Isaiah 35: 4 - 6).

Therefore, behold the days come, saith the Lord, that it shall no more be said, The Lord liveth, that brought up the children of Israel out of the land of Egypt, But The Lord liveth, that brought up the children of Israel from the land of the north and from all the lands whither He had driven them, and I will bring them again into their own land that I gave unto their fathers. (Jeremiah 16: 14, 15).

And I will gather the remnant of my flock out of all countries whither I have driven them, and will bring them again to their folds and they shall be fruitful and increase. And I will set up shepherds over them which shall feed them, and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the Lord. (Jeremiah 23: 3, 4).

Again the word of the Lord came unto me, saying. Thus saith the Lord, the God of Israel, Like these good figs, so will I acknowledge them that are carried away captive of Judah, whom I have sent out of this place into the land of the Chaldeans for their good. For I will set mine eyes upon them for good, and I will bring them again to this land and I will build them and not pull them down, and I will plant them and not pluck them up. And I will give them an heart to know me, that I am the Lord and they shall be my people and I will be their God; for they shall return unto me with their whole heart. (Jeremiah

**24 : 4 - 7).** These verses refer to the tribe of Judah only.

Behold I will gather them out of all countries, whither I have driven them in mine anger and in my fury, and in great wrath, and I will bring them again unto this place and I will cause them to dwell safely. (**Jeremiah 32:37**).

And ye shall know that I am the Lord, when I shall bring you into the land of Israel, into the country for the which I lifted up my hand to give it to your fathers. And there shall ye remember your ways, and all your doings wherein ye have been defiled ; and ye shall lothe yourselves in your own sight for all your evils that ye have committed. And ye shall know that I am the Lord, when I have wrought with you for my name's sake , not according to your wicked ways , nor according to your corrupt doings , O ye House of Israel, saith the Lord. ( Ezekiel 20:42 - 44.)

And I will multiply upon you man and beast; and they shall increase and bring fruit and I will settle you after your old estates and will do better unto you than at your beginnings and ye shall know that I am the Lord. (**Ezekiel 36:11**.)

The whole chapter 37 of Ezekiel needs to be read as there are so many aspects that Ezekiel is shown as far as the future of Israel.

Then shall the children of Judah and the children of Israel be gathered together and appoint themselves one head and they shall come up out of the land: for great shall be the day of Jezreel. (**Hosea 1:11**).

And I will sow her unto me in the earth; and I will have mercy upon her that had not obtained mercy and I will say to them which were not my people, Thou art my people and they shall say, Thou art my God. ( **Hosea 2 : 23** ). And I will bring again the captivity of my people of Israel, and they shall build the waste cities, and inhabit

them and they shall plant vineyards and drink the wine thereof: they shall also make gardens and eat the fruit of them. And I will plant them upon their land and they shall no more be pulled up out of their land which I have given them , saith the Lord thy God. (**Amos 9:14, 15**).

But they shall sit every man under his vine and under his fig tree and none shall make them afraid: for the mouth of the Lord of hosts hath spoken it. (**Micah 4:4**).

And I will make her that halted a remnant and her that was cast far off a strong nation: and the Lord shall reign over them in mount Zion from henceforth, even for ever. (**Micah 4:7**).

Who is a God like unto thee. that pardoneth iniquity and passeth by the transgression of the remnant of His heritage ? He retaineth not His anger for ever, because He delighteth in mercy. He will turn again, He will have compassion upon us: he will subdue our iniquities and thou wilt cast all their sins into the depths of the sea. Thou wilt perform the truth to Jacob and the mercy to Abraham , which thou hast sworn unto our fathers from the days of old. (**Micah 7:18 - 20**).

Cry yet, saying, Thus saith the Lord of hosts My cities through prosperity shall yet be spread abroad: and the Lord shall yet comfort Zion and shall yet choose Jerusalem. (Zechariah 1:17).

Thy Kingdom come, thy will be done on earth as it is in heaven (**Matthew 6:10**).

He shall be great and shall be called the Son of the Highest and the Lord God shall give unto Him the throne of His father David, and He shall reign over the house of Jacob for ever and of His kingdom there shall be end. (**Luke 1:32,33**).

This final verse in many respects sums up the restoration of Israel for a greater service to the Glory of God. and **I Will Strengthen the House of Judah and I Will save the House of Joseph and I Will Bring Them Again to Place Them: For I Have Mercy upon Them; and They Shall Be as Though I Had Not Cast Them off: For I Am the Lord Their God and I Will Hear Them.** ( **Zechariah 10 : 6** ).

# The Eerie Similarities Between the Corona Virus And Climate Change Hoaxes

By Makia Freeman

## AT A GLANCE...

**T**HE STORY: There are some interesting connections and similarities between the coronavirus and manmade climate change hoaxes.

**THE IMPLICATIONS:** Some people are using the COVID-19 pandemic to push climate change propaganda, however the fundamental point is that both of them exploit human emotion to modify behaviour. coronavirus and climate change hoaxes

Learn the eerie similarities between the coronavirus and climate change hoaxes. Once you see the patterns of propaganda the narratives cease to work on you.

Corona virus and climate change may at first glance not seem to be connected. One is a tiny invisible virus, and the other is an issue as big as the planet itself. However, there are some eerie similarities. Firstly, look at their propagandistic value – they are both false narratives being used to manipulate your perception and centralize power in a NWO (New World Order) Global Government. Secondly, they are both hyped threats which play upon your emotions (fear, care, etc.).

They create what is ultimately a fake emergency (even if there are legitimate problems connected to them). Recently Pope Francis has both implied and outright stated that the coronavirus outbreak was “nature’s response” to humanity ignoring ecological issues, and that “nature is throwing a tantrum so that we will take care of her.” Francis has long been a mouthpiece for Agenda 2030

sustainable development plans, a way to usher in global governance while pretending to care for the environment. Are the NWO manipulators achieving in just weeks and months with the coronavirus hoax what was taking them years to achieve with the manmade climate change hoax?

The Essence of the Corona Virus and Climate Change Hoaxes: Making Humanity Itself the Enemy.

The key feature of the manmade global warming / climate change agenda is to convince you that the carbon dioxide (CO<sub>2</sub>) made by humanity is ruining the planet. This is in spite of the obvious biological fact the CO<sub>2</sub> is a gas of life; plants breathe it in and need it to live, and we need plants to live to produce our oxygen, so without enough CO<sub>2</sub>, we would be dead.

As I covered in the article Good Hearts, Fooled Minds: Top 4 Fallacies of the Hijacked Environmental Movement, the green movement has been hijacked. The Club of Rome is one of 6 groups that are close to the centre of the Rhodesian Round Table (ultimately funded by Rothschild) which also includes The Bilderberg Group, the CFR, the RIIA, the UN and The Trilateral Commission. The Club of Rome’s 1991 document entitled The First Global Revolution? contains this passage:

“In searching for a common enemy against whom we can unite, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like, would fit the bill. In their totality and their interactions these phenomena do constitute a common threat which must be confronted by everyone together—all these dangers are caused by human intervention in natural processes, and it is only through changed attitudes and behaviour that they can be overcome. The real enemy then is humanity itself.”

Did you catch that? The real enemy is humanity itself. The NWO controllers want this insidious idea to infect people’s minds, erode their self-love and self-worth, and introduce the subsequent idea that you need to feel guilty just for

being alive on this planet (after all, you're breathing CO2, you traitor!).

Now compare this to what is going on with the fake pandemic of the moment, Operation Corona Virus. As I covered in 2 earlier articles (Deep Down the Virus Rabbit Hole – Question Everything and COVID-19 Umbrella Term to Operate a Fake Pandemic: Not 1 Disease, Not 1 Cause), we are still, amazingly, yet to have solid scientific proof that this virus exists.

We have RNA fragments from lung fluid samples, but that doesn't meet the standard of proof. The new coronavirus has failed Koch's postulates; it has not been isolated; it has not been proven to exist. Thanks to work of Dr. Andy Kaufman and others, it has become apparent that certain organizations have taken an exosome and falsely claimed it is a new virus. Exosomes are secreted by cells as a natural response to toxins; they are pleomorphic and can turn into viruses. Exosomes are part of human body itself, as are viruses.

Thus, all the hype and hysteria has been generated by claiming that an exosome/virus is the new enemy, even though the exosome and virus are parts of the human body.

So we come full circle: the (human-produced) exosome/virus is the enemy (and thus humanity is the enemy, again).

CO2 is Like a Virus, Spreading Everywhere and Killing Us.

You can find some examples of the absurd nonsense being written and spoken about coronavirus and climate change in James Corbett's video [here](#). Corbett exposes the propaganda and highlights how people are using the pandemic to further the AGW agenda.

Some of the propaganda gems he exposed were how the so-called "climate crisis" is making the spread of infectious diseases like coronavirus more common and how a "study" found that climate change is releasing new and previously trapped viruses. So now, in addition to all the other NWO agendas (I'm at 21 and counting) that are being rolled out using COVID-19 as a pretext, you can add another layer to it: humans are "double plus bad" because we warmed the planet with CO2 and therefore helped release

and exacerbate the spread of a killer virus. Wow. Do you feel so bad you want to kill yourself yet?

Fake Care: We Really Care for the Environment and We Really Care for the Elderly.

These hoaxes are designed to hack human psychology by exploiting its weaknesses. The propensity for care and compassion for our fellow human being is naturally a wonderful thing that makes us human. Sadly, it can be exploited. The ruling class at the very top of the pyramid – the 1% of the 1% of the 1% – are characterized by their criminal, psychopathic and Satanic mindset.

They don't care. In fact, some of them even perform Satanic ritual to eliminate empathy and compassion (e.g. the cremation of care black magic ceremony at the Bohemian Grove). All their care is fake care, since they have suppressed it within themselves. However, they know how to pull the heart strings of the mass population, so they pretend they care and make deceptive appeals to "care for the environment" and "care for the elderly" to make people sign on to their agendas.

While claiming they care for the planet, their corporations pollute the air, land and water with chem-trails, GMO's, heavy metals, micro-plastics and more. While claiming they care for the elderly, they think of them as useless eaters with no productive worth and constantly try to change the culture and the laws to make it acceptable to kill off the old people as soon as possible (see Dr. Richard Day's account where he reveals the elite plan for a demise pill for the elderly).

The Creation and Exploitation of Fear: The Earth's Going to Die and You're Going to Die.

Exploiting the natural human propensity to care is one side of the equation; the other side is ginning up and then exploiting fear. The NWO controllers are masters of this. The best types of

propaganda mix truth with fiction, so they tell you that species are going extinct (true, except for the lie about polar bears declining), the planet will have more catastrophes, the planet will warm uncontrollably, you're going to infect your loved ones, the planet's going to die, you're going to die, and on and on and on. They hire soul-for-sale scientists to "find" and "conclude" the theories the NWO paymasters want. It's funny how you can "find" anything that you're being paid to find. People can't think rationally or clearly when afraid, since they are in their amygdala (fight-or-flight reptilian brain) not their pre-frontal cortex (the higher centre of reason and logic). Plus, most people will believe anything as long as it's repeated loud enough and long enough. Manipulating people is a piece of cake, really.

Mainstream Mouthpieces Try to Bring the Climate Change Agenda into the Corona Virus Pandemic.

Check out this propaganda piece Time magazine, a very tenuous argument where the author even admits he has no evidence:

"I have no evidence that climate change triggered this particular virus to jump from animals to humans at this particular time, or that a warmer planet has helped it spread. That said, it's pretty clear that, broadly speaking, climate change is likely to lead to an uptick in future epidemics caused by viruses and other pathogens. Scientists have understood for decades that climate change would change the way diseases spread, but, as the planet warms, those hypotheses are being tested and scientists are learning in real time. There are many links between climate change and infectious diseases, but I'm going to focus on one particularly novel—and concerning—area of knowledge: how rising temperatures are making our natural immune systems less effective."

Here's what MSM outlet NBC has to say about the coronavirus and climate change phenomena:

"And that is why, in the long term, the coronavirus will one day be seen as a fire drill for climate change."

Here's where this YouTube manmade climate change believer is taking it. The dangerous implication here is that if we can do all this for

the coronavirus, why can't we do the same for the climate; in other words, why can't we utterly transform the shape of society because of climate change:

"The world jumps into action to deal with pandemics like the Corona Virus outbreak. But why don't we respond in the same way for climate change?"

## Final Thoughts

The coronavirus and climate change hoaxes have a lot of similarities, based on the way they make humanity – i.e. they make you – the enemy. They exploit emotions such as care and fear to modify mass behaviour. Hopefully by reading this you can begin to see the pattern of these propaganda narratives so that they lose their effectiveness on you. Despite the all the similarities, there is one big difference: the NWO have been able to achieve far more in far less time with the coronavirus hoax than with the manmade climate change hoax. We need to stay perpetually aware and vigilant if we hope to remain free.

## The Stone Kingdom - Gors Fawr - Stone Circle and Avenue

### An Important Relic of the Prehistoric Welsh Landscape.

**T**HE SITTING OF THIS CIRCLE IS PARTICULARLY INTERESTING AS IT LIES JUST TO THE SOUTH OF THE PRESELI MOUNTAINS; these hills being the place where the Stonehenge bluestones originated. Despite this close proximity to the source of these obviously sacred stones, only half were used in the making of this circle, the rest are composed of local glacial erratic boulders.

'This near-perfect circle of sixteen stones measuring about 22 metres in diameter. Eight of the stones are of spotted dolerite, the famous bluestone; sourced as being from the Carn Meini outcrops to the north (Burl mentions only one). Recent geophysical survey by the SPACES project, searching for any buried structures which might lie hidden beneath the circle, revealed nothing.

The conclusion is that this monument probably looks much the same today as it did to its late Neolithic or Bronze Age builders. Nearby is a pair of standing stones (NPRN 304281) which appears to frame the distant Carn Menyn outcrop when viewed from the south-west. In his 1963 Shell Guide, Vyvyan Rees was unimpressed; '½Gors Fawr, the only recognisable stone circle left in the county, is very small½. It is, in fact, a remarkable survivor and one of the best of its kind to be seen in Wales'.

(From Driver, T. 2006. Pembrokeshire: Historic Landscapes from the Air. RCAHMW, p121)

Although the stones that form the circle are comparatively small (1 - 1.5m tall), they are graded in height as noted by Burl (A. Burl, The Stone Circles of the British Isles, Yale U.P., 1976) and other archaeologists. The tallest surviving stones form the south-eastern quadrant of the circle, with the lowest to the west-southwest.

The two large outlying pillar stones 134 m to the north-northeast of the stone circle are positioned 13.7 m apart. They could be viewed as an alignment or as a portal with the stones acting like gateposts framing a view between them. As an alignment, the two standing stones form a southwest-northeast orientation, and this points in the north-easterly direction to the position of the midsummer sunrise alignment over the nearby hill of Foel Drych (A. Thom, Megalithic Sites in Britain, Oxford U.P., 1967), now unfortunately obscured by local tree cover.

There are indications that there was once an avenue leading to the two outliers, which are found to the north-north-east.

One of the outliers ('The dreaming stone'), is said to have strong magnetic qualities. Paul Devereux speculated:

'The magnetic stone has a curious shape that allows it to form a seat; using this to sit on the stone, one's head leans back on precisely that part of the outlier which most affects a compass. It is not beyond the bounds of possibility that if one is in a certain mental state, engendered by fasting, dancing or hallucinogens, the placing of

the head in the stone's magnetic field may trigger or enhance visionary or spiritual experiences, the hippocampus being subtly massaged by the magnetism'.

## Prehistoric London Its Mounds And Circles By E. O. Gordon ( Published 1946 ) Part 14

**T**HE GESTA TREVERUM makes its history go back to the same founder. In further confirmation of this statement is the Petrisberg (the mountain of stone) and the same Gesta gives its old designation as the Mons Juranus or Jurano, which suggests

the probability that, like the Tynwald and other British mounds, it was a seat of justice. It is a prehistoric circular mound, strikingly like one of our own British sacred mounds. Originally, this mound was probably surmounted by a menhir, which acted in the same way as the index, or gnomon, of a sundial.

It was the writer's good fortune to see the sharp shadow of the solitary tree on the summit cast directly down the slopes of this mound of unknown antiquity as the great bell of the Dom-Kirche of St. Peter and St. Helen boomed the hour of noon. An object lesson which showed the value of Cotsworth's practical experiments on the summit of Silbury Hill, in order to verify his conviction that, like the Pyramids of Egypt, the "Cludair Cyvrangon" had been constructed by the astronomer-priests on astronomical lines.

Trêves is more closely connected with our early British monarchs than any other continental town, from its having been the favourite residence of the Queen-Empress Helena, who founded here the first Christian Church in Germany.

The basilica of the palace of her husband, Constantine Chlorus, forms the actual walls of the present Cathedral. From her gifts of one of

the nails of the Cross, of the Holy Coat, and other relics, the name of King Cod's beautiful and accomplished daughter "Elaine" is held in the greatest veneration as a patroness of the city. And it is of no little interest to find that the ruins of the imperial palace at Trêves, built by her son Constantine, bear so strong a resemblance to similar ruins in Colchester that postcards of the one may easily be taken for those of the other.

The Crimean War in the 'fifties of the last century afforded exceptional opportunity for comparing the present aspect of the Caucasian Cambria or Crimea with that handed down in the old British traditions. It is still what the latter describes it as being 8,500 years ago: the east of it covered by salt lagoons; a large portion occupied by the Sivash, or putrid, Sea; the rest composed of spits, reefs, and sandbanks. The southern part, which they called the Summer Land (Gwlad yr Hâv), is now known to richly merit the title. It is the Naples of the Russian Empire.

In the battles of the Alma and Inkermann and in the assaults on Sebastopol, more than 80,000 British Kymry in different regiments were engaged.

It is a fact unparalleled in history that the descendants of a race which emigrated thirty-three centuries since, should thus return, to fight in the sacred cause of justice and civilization, to the cradle of their ancestors in the remote East, preserving the same language, the same freshness of life, the same indomitable spirit and endurance, the same innate attachment to liberty.

Such an extraordinary instance of vitality in a nation appears to justify the faith of the Kymry in their popular proverb, "Tra mor, tra Brython"—"as long as there is sea, so long will there be Britons."

Geology enables us to determine that at the period of the Crimean colonization of Britain not more than half of it was inhabitable. The eastern parts, the lands adjoining the great estuaries of the Thames, Mersey, Humber, Trent, the Fen countries, were either submerged or mud-swamps. Many centuries elapsed before they became lit to support human life.

The districts first settled were consequently the mountainous regions of the west and the elevated plateaus of the north and the south. Hence in Devonshire, Cornwall, Wales, Cumberland and the East of Scotland, are found the earliest works of man's hands in Britain—the circles, mounds, tumuli, and caerau, or fortified enclosures, of the three Pacific Tribes.

The patrimony of inheritance of the Elder Tribe, or Kymry, lay between the Severn and the sea; that of the Lloegreans extended from Kent to Cornwall; that of the Brythons stretched from the Humber northwards. The Kymry, gradually enlarging their bounds, colonized the north-west of the Isle, and the east of Albyn, or Scotland. These latter became known to the Romans as the Piets. All the names of the Pict kings, as of the rivers, mountains, etc., in Pictland, are Kymric.

The monarchic and military supremacy was vested in the Kymry. Strictly speaking, there appear to have been no laws, but the three tribes regulating their affairs by certain usages, which afterwards were called the Usages of Britain, and formed the foundations of its subsequent codes of law.

The whole Island was considered to be under one Crown—the Crown itself subject to the “Voice of the Country”; hence the maxim, “The Country is higher than the King,” which runs through the Ancient British laws, and was directly opposed to the feudal system, in which the Country itself was dealt with as the property of the King.

The Kymric language prevailed in different dialects over the whole of Europe and a large part of Asia. It is the substructure of all the Keltic tongues and the Archaic element in the Greek, the Latin, the Sanskrit, and the hieroglyphic Egyptian (see Bunsen, Christianity and Mankind, Vol. iv., p. 158). It is the key to the affinity between the languages of the East and the West. All other languages can be traced to an alien source—this alone cannot. It is certain

it was brought by the Kymry into Britain, as it was spoken by their forefathers in Armenia 1700 B.C., and that its purity and integrity have been guarded by them in all ages with jealous care.

It is the witness, alike above suspicion and corruption, to the extreme antiquity of their nationality and civilization.

The three Pacific Tribes remained undisturbed in the enjoyment of their several patrimonies in Britain for five centuries. A second colonization then took place on the breaking up of the Trojan Empire in the East. The Empire of Troy, its kings and people were of the same race and language as the Umbri of Italy and Britain. Hence on its dissolution part of the survivors directed their course to the former, part to the latter country. Troy was regarded as the sacred city of the race in the East.

The only two national names acknowledged by the Ancient Britons are Kymry and Y Lin Troia, the race of Troy. There seems no sufficient reason therefore to doubt the traditional story that Brutus, having accidentally killed his father in the chase, and being ordered by his grandfather Æneas to quit Italy, assembled three thousand of the bravest youths of Umbria, and putting himself at their head, sailed to his countrymen in Greece.

A series of victories on the Trojan side resulted in peace; Pandrasus giving his daughter Imogene in marriage to Brutus. But, finding that a Trojan kingdom could not be established in Albania (afterwards called Epirus), except at the cost of incessant hostilities, Brutus emigrated with all his people to the main stock of his race—the White Island. Drayton, the Elizabethan poet, gives an account of the wanderings of Æneas after the destruction of Troy and relates the

expulsion of Brutus from Italy and his ultimate arrival in the:—

**“ . . . Isle of Albion highly bless’d  
With giants lately stored. . . .  
Where from the stock of Troy, those  
puissant kings should rise  
Whose conquests from the West, the world  
should scant suffice.”**

Spenser also in the *Faerie Queene* refers to “**Noble Britons sprung from Trojans bold**” and to Brutus having given the name of Troja Nova to London. We have the testimony also of the early British historians Gildas and Nennius, the Welsh “Bruts,” Matt. Paris and other writers in support of the tradition. But perhaps the most ancient documentary evidence of the foundation of London is to be found in a Latin chronicle, in which Edward the Confessor speaks of London as “*fundata olim et edificata ad instar magna Troje,*” which, translated, runs thus: a city founded and built after the likeness of Great Troy.

Tradition says that on his journey to the “White Island” Brutus touched at Melita (Malta) and, coasting along the southern shore of the Mediterranean, he gave the coast the name of Mauritania, which it still retains. They then steered through the Straits of Libyan Hercules (Gibraltar) into the Atlantic, then called the Tyrrhenian Ocean. Upon the southern coast of Spain they came across four other Trojan colonies, under Trœnius. These were readily persuaded to join them.

The combined expeditions sailed northwards, and anchored off the mouth of the Loire. The great plain between the Alps and the Atlantic had by this time been thickly peopled by the descendants of the Alpine and Auvergnian Kymry; these called themselves Kelts or Gael, and the country Gaul or Gallia. The King of the Gael was Goffar. Brutus, advancing through Gascony, threw up his camp in the centre of Goffar’s domains. An engagement was fought, in which Tyrrhi, Brutus’ nephew was killed.

with its dependencies, was elected Sovereign Paramount. The throne of Hu Gadarn thus devolved upon him both by descent and suffrage. His three sons, born after his arrival in Britain, he named after the three Pacific Tribes, Locrinus, Camber and Alban. Brutus’ name heads the roll in all the genealogies of the British kings,

preserved as faithfully as were those of the kings of Israel and Judah.

The descent of the British kings from Brutus was never disputed for fifteen hundred years. The “Island of Brutus” was the common name of the Island in old times. The word tan is the old British term for land; Britannia (pronounced Britannia, the British “u” being sounded as “e”) is Brut’s or Brutus’ Land. The term is also of

very ancient use in Asia, as Beluchistan, Afghanistan. The Trojan descent is said to solve all the peculiarities in British Laws and Usages which would otherwise be wholly inexplicable.

Whether the Tot, or sacred mound, which has given its name to the town and the neighbouring shores was in existence when Brutus landed, it is impossible to say. From the organized reception accorded to the Trojan prince, it is probable that the “Holy Hill” had been “piled up” by the neolithic settlers of a previous migration, who have left many

similar traces of their religious monuments, on the plateaus of Dartmoor, on the Wiltshire downs, and elsewhere. The Tot is an entirely artificial mound of the average dimensions of these prehistoric Gorsedds—namely, 100 feet in diameter at the base, diminishing to about 80 feet at the top. The Great Seat stands on the highest point of the hill, commanding the town. Round about its base lie the ruins of the Norman castle.

The summit of the mound itself is enclosed with a stone wall, and, like the round Table Mound at Windsor, has never been roofed in. From the summit a magnificent view is obtained: looking south one sees a long straight reach of the river set among the hills, up which the salt tide is pouring from Dartmouth, so rapidly that it grows wider every moment. Northeast, from out of the haze loom the rugged Tors of Dartmoor; whilst westward, roll in endless billows the forest-clad hills of Devon and Cornwall.

The trees and underwood that now clothe the Tot have almost obliterated the terraced lines of its original contour, similar to those on Silbury, and other mounds of the same character that have not been planted, lines which only the scientific investigations of our own day have shown were drawn with such consummate skill by the ancient astronomers that by using these as sighting lines, the warning star of sunrise could be observed and the times and seasons fixed.

### Gorsedd Mound, Totnes

That the Tot preserved its traditions as a Gorsedd, i.e. a Great Seat or throne of the Monarch, from Kymric to Norman times we have historic proof in the fact that William of Normandy erected a castle, under the shadow of the mound, and gave it to one Judhael, who is said to have been a Breton, whose contingent of Bretons are reputed to have won for the Conqueror the field of Senlac, so eager were they to retaliate on the foes of their race, the Saxon.

Totnes is thus referred to in Domesday: “Judhael holds of the King the Borough of Totnes, which King Edward the Confessor held in his demesne.” William Rufus, it is recorded, expelled Judhael de Totnes out of his inheritance. King John gave the keeping of the Castle to Henry, son of the Earl of Cornwall. Its romantic history onwards we have no space to relate. In 1645 the Castle was in possession of

the King’s forces. At the present time a few old walls are all that remain of the royal Castle. The property belongs to the Duke of Somerset, in whose family it appears to have been since the Stuart times.

### Totnes

Neither in Keltic literature nor in tradition have we been able to find any mention of the movements of Brutus immediately after he had been proclaimed King Paramount at Totnes. It is probable he lost no time in making his way to the headquarters of Kymric administration, the Metro- political Temple of the “Mighty Ones,” Abury or Avebury, and that within the supreme

Gorsedd, the chosen of the People was first “lifted[1]” by the Elders to a stone sedd or seat according to a most ancient custom of the Kymry, and there crowned within the precincts of the stone circle, in the presence of a vast concourse assembled on the Earth-circle (a mile in circumference) that enclosed the Temples of the sun and moon, the only portion, alas! of this majestic prehistoric monument that was not destroyed in the wreckage of the eighteenth century.
