

# Richard Kelly Hoskins

Website <http://www.richardhoskins.com/>

Genre [Religion & Spirituality](#), [Politics](#)

**American author and activist.** It is claimed he introduced the term "Phineas Priesthood" as a designation for Christian vigilantes who avenge crimes against White Christendom.

**Hoskins was born in 1928** in Lynchburg, Virginia where he went to school. He later went to a military academy in Waynesboro and then joined the Air Force during the Korean War. After leaving the military he earned a degree in history at Lynchburg College. Hoskins moved to New York and worked as a stock broker for a short time before moving back home to Virginia.
