## NASDAQ, Wal-Mart & Downsizing America

**F**ORGET? I THINK NOT! WE'VE SEEN IT BEFORE AND WE'VE LEARNED. Scotland was invaded and conquered by England's cartel and forced to pay tribute to agents of its figure-head king.

My ancestor was lucky, he was banished to America. The rest of our poverty stricken Saxon kinsmen laboured in the fields until sheep-wool became more profitable to the cartel owners than their farm labour. Then, the cartel imported sheep, burned our villages and sent our kinsmen to Edinburgh and Glasgow to live in 6 floor walkups and work for starvation wages in the cartel's mill and shipyard corporations. Families were still living in these walkups with one bathroom on the first floor when I visited Scotland in 1982 - our own Saxon kinsmen!

The overflow Scottish population was loaded on ships and sent to work vacant Catholic farms in Northern Ireland. There, they again laboured for a pittance and fought the Irish Catholics whose land they took, while both paid tax-tribute to the same cartel who stood back laughing - having done it to them many times before.

### America

John Lynch, founder of Lynchburg, was one of these Scot-Irish survivors. My own ancestors were English, Scottish and Irish. My wife's ancestors came from France and England. In America we all prospered. Then the Royal Cartel repeated in this country everything they had done to our ancestors in the old country. Having enough, we withdrew from the king's cartel, and in leaving we stated the reasons why:

## Declaration of Independence

The following reasons were excerpted from the Declaration written by Thomas Jefferson and signed by everybody. The cartel's figurehead king was horrified.

"Governments are instituted among Men, deriving their just powers from the consent of the governed. - That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government — **Sedition! Treason!**

"Governments long established should not be changed for light and transient causes —But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security— They understood!

"The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States—

"He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries—

In today's enlightened age - America's figurehead king appoints supreme court judges to judge that his unlawful acts are legal. Does seeing something wrong with this and wanting to substitute God's Law for the king's edicts make one a "terrorist"? Incidentally, the judges are as bountifully paid for their service today as they were 250 years ago.

"He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance. Really!

"He has kept among us, in times of peace, Standing Armies—If those murdered at Waco could talk - they could tell us about this.

"He has combined with others to subject us to a jurisdiction foreign to our constitution and unacknowledged by our laws—UN, NAFTA?

"He has—waged war against us— He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions—

When will the king's agents be brought to trial for Gordon Kahl, Ruby Ridge, Waco, Oklahoma City, the Towers I and II, inciting beasts to bum our cities, assault our citizens and rape our women? The king himself pays agents provocateur to provoke our people so he can punish their backlash and learn to fear.

"We therefore— ought to be, Free and Independent States—And for the support of this Declaration... a firm reliance on the protection of divine Providence—"

"Divine Providence" is the **WORD**. However, "states" are creations of kings. The Saxon nation was created by God the **WORD** as his own possession.

"Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government Hello! Anyone home?

### **Again!**

Like a Serpent, the Cartel followed us into this wonderful new land and imposed their serpent system on us.

Their usury bank agents now own the media and manipulate public opinion to support cartel policy: "As a man thinketh —so is he." **Pr 23:7**

This permits them to buy corrupt priests to bless rotten Cartel kings whom their media advertises as "plaster saints". They have loosed their Great Merchant's Corporations to do their thing.

Corrupt kings, corrupt priests, and corrupt merchants all doing the things that our ancestors fought to stop them from doing.

## **The Wal-Mart Corporation**

You've heard the story - when a Wal-Mart opens - 40 businesses close. Why?

**Three reasons:** Wal-Mart is a corporation. A corporation is a monster having no soul or compassion other than that bestowed upon it by hired public relations people. It is programmed to do one thing - make money. Competitors who fail - bankrupt. Their business is cannibalised by survivors who grow larger and larger on the bodies of those who have been ruined.

Wal-Mart is on the road to becoming a complete monopoly. It knows what it is doing and how to do it. It is packed full of customers. You can shop there and can find everything from groceries to car seat covers, film developing, drug prescriptions and clothes. Its customers are those who used to trade with the hundreds of mom and pop grocery stores, drug stores, clothing stores, that Wal-Mart put out business. Wal-Mart is often the only place that carries items that used to be found everywhere. People shop at Wal-Mart for whatever they need. They used to shop there because it was cheap. Now many people shop there because it is the only place left. You name it - they've got it. And - everything's cheap.

Wal-Mart buys in quantity. A manufacturer either sells his "widgets" to them for a massive discount or Wal-Mart will buy from a supplier who will. The one who gets the order makes a pittance on the deal - but stays in business. Those who lose often close because the low purchase price set by Wal-Mart's purchase is too low for survival.

Lynchburg Downtown is loaded with vacant stores. So are its shopping centres. Big companies are shutting down. Ericsson, who once hired thousands, is gone. Its massive location is now used by a Judeo-Christian church. Others are "downsizing". Many manufacturing plants are vacant. Even big supermarkets are closing. Those that can't meet discount and

offshore pricing close down and their customers go to the Wal-Mart types who can.

## Offshore

For the last 20 years or so, America's Corporations have quietly been moving operations offshore. We know that jobs and production have been exported to Mexico and Korea, but even Mexico is now complaining about China's and India's competition. These lands have billions of potential customers, a virtual slave population willing to work for pennies an hour, and the potential to reduce manufacturing costs tremendously. This translates into tremendous corporate profits.

Few Cartel politicians criticize "globalisation" and none advocate high tariffs to ban the return of alien-made goods to America. After all, the cartel media didn't put their politician- puppets in office to cause them trouble. And, corporations have no feelings. They are programmed for one thing - profit. It is these corporations that pay the campaign expenses that produce the favourable publicity allowing the cushy Washington life enjoyed by the few. Wal-Mart is one of those paying the operating expenses:

"Wal-Mart, the largest company in the US, looks set to pass a new milestone this year: it is well on its way to becoming the biggest business contributor to the 2004 election campaign. ...

"Wal-mart would be a big loser from any restrictions on imports, particularly from China—the company has assembled an impressive rank of lobbyists—

"No company would be hurt more than Wal-Mart by a backlash against trade, particularly efforts to curb imports from China—(**Financial Times**", Feb 25,2004, P-2)

## China Trade -1994

China trade profits began to kick in in the late 1970's. They exploded in 1994. The stock markets reacted - big!

The Cartel financed conquest of China by their agent Mao following WWII, allowed American corporations to quietly begin buying cheap Chinese products and setting up their own manufacturing plants in China to take advantage of cheap Chinese labour. The products were sold for high prices in America. Products costing \$1 were sold for \$15 in America and corporate profits went out the roof.

## NASDAQ

The chart below is the NASDAQ. It is an indicator of stock movements of over-the-counter stocks.

## **Advance/Decline**

The declining line below the NASDAQ average is the Advance Decline line. It is a moving average of the difference between stocks moving up and those moving down. If the NASDAQ average moves up - so should the Advance Decline line. If the NASDAQ moves down - so should the A/D line. It isn't good if the NASDAQ moves higher while the A/D line moves lower.

Notice that the divergence between stock prices and their A/D line started as far back as 1995 and continued on through 2003. A massive divergence. Stock averages moved up and most stocks traded down. American companies are being devastated - a result of the China poison.

## **Observation**

Again - a Corporation has no mind, no compassion, no sense of right or wrong. It is programmed for profit - nothing else - and will do anything to obtain its goal.

We are told that American business moving off-shore is bad because unemployed workers of downsized businesses will have less money to spend. Corporations don't think so. They don't think that they won't suffer at all. Why? They are counting on the economies in the far east growing and replacing Western economies. To put it another way, they believe that the rising standard of living and increased income in these untapped oriental markets will fuel corporate operations far into the future. They even believe that the corporate income of those corporations who survive because of their China connections, or because of their high-tech niche, will continue to prosper.

Their vision is that the survivors on the NASDAQ and other stock exchanges will continue to profit from growing Asian wealth while American wealth declines and unemployment rises higher and higher. An interesting speculation.

## **Backlash**

Naturally, a Saxon backlash is expected. Rising Western unemployment is bound to trigger unrest. Plans were made long ago to contain it, plans constantly updated such as:

- The West's borders have been opened to allow entry to a flood of aliens to compete with Saxons for fewer and fewer jobs. Saxons are taxed to benefit foreign and domestic aliens who are becoming increasingly ill mannered and violent. At the proper time the media-monopoly will inflame Saxon hostility against these groups to cause strife.
- Thus, the cartel has created another strawman to absorb Saxon hostility that would ordinarily be directed against themselves. Clever.
- A "War On Terror" has been initiated. The cartel defines a terrorist as one who opposes cartel policy. Since Saxons will oppose America's "downsizing" and their ongoing impoverishment - they are the designated terrorists. Consequently, everything about them is under cartel media attack. Their history, politics, business, and most especially - their God - the God whose Laws opposes trading with aliens, monopoly, kings, taxes, and strangers in their midst.

What will be the result of all this?

## **Bible Prophecy On China**

Perhaps this is the answer. The WORD speaks of down-sizing Christian-Israel and building up China. The words are contained in the Lamsa Bible translation of Ezekiel 38 & 39:[1]

"Son of man, set your face against China, and against the land of Mongolia, the chief prince of Mesheck and Tubal, and prophesy against him and say, Thus say the Lord God:

Behold I am against you, O China, the chief prince of Mesheck and Tubal: I will gather your people together and put a bridle in your jaws and I will bring you forth out of your country, both you and all your army —Persians, Ethiopians, and Lybians with them— Gomar and all her army, the house of Togarmah, and the uttermost parts of the north with all their hosts, and many other people who are with you.

"Son of man— say to China, Thus says the Lord God: On that day when my people Israel shall dwell in tranquillity, ... you shall come up against my people Israel, like a cloud to cover the land; it shall be in the latter days, —my anger shall be consumed in my fury and zeal ... and ... the earth shall shake ... and the mountains shall be thrown down and the towers shall fall and every wall shall tumble to the ground.

"——Behold I am against you, O China, the ruler and the chief prince of Mesheck and Tubal;—I will send a fire on Mongolia, and on the people who dwell peacefully in the Islands; and they shall know that I am the Lord. ... I will give to China a place there for burial in the land of Israel ... and there they shall bury China and all his army."

This tells us about China.

## The Rest Of The Story

Now, what about the kings, the great merchants, and the priests who are responsible for not telling the people of the dangers of downsizing the Saxon world and building a Chinese monster? - the same ones who crucified Jesus and who are crucifying him today? The same ones who have been shown chapter and verse time and again by the faithful, and have done nothing about it?

**"If we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins."** Heb 10:26

That's all we need to know about them. What about us? It is not written:

"When thou are in tribulation... even in the latter days, if thou turn to God and shall be obedient... he will not forsake thee... nor forget the covenant of thy fathers." **Deut 4:30-31**

And what will God do?

"I will send my WORD and save thee and thy seed." **II Adam & Eve 12:6**

Even now, the Texas murderer and the Episcopalian Jew are debating about the best way to suppress sodomy. Who would have thought it? Think what that means! A presidential election which may turn on a biblical principal - not money. A door is opening that the Serpent may not be able to close. If not this - something else!

There is only One who could plan it this way.

## Letters

**RACISM:** "Dear Mr. Hoskins: The prison refused to let me have Our Nordic Race. They said it promoted 'racism'. Blacks are allowed to receive all sorts of black racist literature." **Z.A. - prisoner Arizona.**

**RKH:** "Racist" has been made into a buzz-word by the cartel media. God made everyone racist because our God is racist and we are made in the image of our God who commands us to obey him: "Thus saith the Lord, Israel is my son, even my first-born." **Ex 4:22;**

"Oh children of Israel— You only have I known of all families of the earth." **Amos 3:1;**

"Among all the multitudes of people thou hast gotten thee one people: and unto this people, whom thou lovedst, thou gavest a law that is approved of all." **II Esdras 5:27;**

"I am not sent but unto the lost sheep of the house of Israel. "Matthew 5:24; "The LORD thy God hath chosen thee to be a special people unto Himself, above all the people that are upon the face of the earth. "Deut 7:6;

"For in the division of the nations of the whole earth he set a ruler over every people; but Israel is the Lord's portion." **Ecclesiasticus 17:17;**

"The house of Israel, are my people —And ye my flock —are men (Heb: Adam - those that blush rosy), and I am your God. " Ezek 34:30- 31. "A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel." **Deut 23:2.**

**LAWS:** "Hoskins Report: Your reports are interesting and thought provoking. May you come to know Jesus Christ as a person and not just as a collection of written Laws!" **A Yankee Friend - Wisconsin**

**RKH:** Thanks. The **WORD** says that Jesus is the **WORD** made flesh. In the beginning Jesus wrote the Law and there is no other way to express loyalty and submission except by obedience. But to obey, one must know what He requires. This knowledge comes from his Law. "If ye love me obey my commandments. John 14:15.

## UNFILTERED NEWS

**ISRAELI BANK ROBBERS:** The Israeli army crashed into Palestinian banks stealing \$6.7 million in a flagrant disregard for the laws of nations. Israeli sources excuse the holdups by blaming the banks for handling money belonging to Muslim patriots. They say that the pilfered funds will be spent on Palestinian humanitarian projects. **(Story in Investors Business Daily, p. 2, Feb 25, 2004)**

**FREE IRAQI ELECTIONS:** Two prominent reformist newspapers were closed by occupation officials after criticizing Iran's US appointed puppet leader. **(Story in Investors Business Daily, p. 2, Feb 20, 2004,)**

**EXPEL:** The Netherlands is expected to expel 26,000 aliens seeking asylum. This is the largest expulsion thus far. Financial Times, Feb 17, 2003, p. 3)

**KERRY/BUSH:** John Kerry's grandfather was a Czechoslovakian Jew named Kohen. Kerry is married to Theresa Heinz - Jewish heir to a half billion dollar ketchup fortune. The WORD forbids its followers to have a stranger to rule over them. This eliminates Kerry. This leaves Bush. Bush is responsible for tens of millions of alien immigrants who are flooding the country. The bright side is that Bush is not a stranger. Happy?

**JUDGE ROY MOORE:** The Supreme Court refused to hear an Alabama justice's appeal to display the 10 Commandments in the state's judicial building.

**RKH:** Roy Moore, a scribe, a king's lawyer who has long practiced the king's law, wants us to believe that he had no idea how Supreme Court judges, appointed by the king to enforce the king's law, and consisting of Sadducees, aliens, and members of episcopal religious groups, would rule on a case that challenged the king's policy.

If you believe that - vote to make him leader of America's right wing so that he can do it again, and again, and again. And we wonder why a dog chases his tail! The establishment is getting lazy by bringing up warmed-over tricks. Times have changed. Some are learning.

**ALLAH:** Jewish leaders protest the names of Arab teams in the California Jan 4th Muslim football tournament - names such as "Intefada," "Soldiers of Allah," and "Holy Warrior." (**Story in Jewish News, Dec 12, 2003, p. 13**)

**RKH:** In Lynchburg - home of the immortal 2nd Virginia Cavalry, 11th Virginia Infantry, and Lathams' Battery - the song "Dixie" is banned. "Lee-Jackson" Day has become a mongrel after being combined with "Martin Luther King Day"; two of the three forts that defended the city against Hunter have been razed, and school names such as Robert E. Lee and hometown boy generals "Garland" and "Rhodes" have been changed

- all to make it easier to squeeze Lynchburgers into the Cartel "one world." The job of the media is to form opinions. However, the seed of "self-hate" that they have taught Lynchburgers is nourished by a watered-down heathen Christianity. All this can be easily reversed in the twinkling of an eye by the WORD - and it will be.

**AUSTRALIA:** "Minorities cannot be allowed to police themselves, said Janet Albrechtsen in the Sydney Australian. That's the lesson we can draw from Canada's sorry experiment with the Mohawks. In that native community, Canadian police were 'seen as unwanted symbols of white oppression,' so the Quebec provincial government let the Mohawk nation create its own police force. Anarchy ensued— criminal gangs were soon smuggling cigarettes and marijuana with impunity and terrorizing the province.— Canada's Mohawks are suffering because the government gave in to 'the siren song of rights activists.' Australia, too, has an 'urban elite consumed with guilt' about our own natives, the Aborigines — 'Australia ignores the Canadian parable at its peril.'" (**The Week, February 13, 2004, p. 16**)

**RKH:** "Thou shall drive them out before thee. Thou shalt make no covenant with them, nor with their gods. They shall not dwell in thy land, lest they make thee sin against me." **Ex 23:31-33**

**BLOCKBUSTER:** "Blockbuster, the world's largest video rental chain, is shutting up shop in Hong Kong and scrapping plans to expand into mainland China because rampant piracy is undermining foreign investment in the media and entertainment sector—

"Although China officially condemns copyright violations, scores of shops in big cities— sell pirated video discs. Foreign investigators have claimed piracy in China is often aided by officials with connections to illegal manufacturers—." (Financial Times, Jan 31, 2004, p. L)

**CARS IN CHINA:** "The nerve! The pirates of Shanghai are knocking off entire motor vehicles. "Piracy is such a way of life in China that people are surprised when a movie, software package or handbag bought there is not ripped off. Now you can add to the list of counterfeit goods,

passenger cars. Months before General Motors began selling its \$7,500 Chevrolet Spark in China in December, a \$6,000 knock off version, the Chery QQ, with the same grinning front end but missing some subtle details (like an airbag), was cruising Chinese streets. Even more galling: The manufacturer of the pirated version was partially owned by GM's Chinese business partner.

Counterfeiting - usually just of parts - is driving car makers crazy in China.—" (Joann Muller, **FORBES**, Feb 16, 2004, p. 58)

**BECHTEL:** The European Commission is investigating the award of a \$2.5bn Romanian motorway contract to the politically well-connected US company Bechtel. The 450 km road would be the key transport link with central Europe. A European Commission official remarked: "The whole thing stinks because there was no public procurement process." (Story in **Financial Times**, Feb 5, 2004, p. 4)

**TROOP REDUCTION:** The US is preparing to cut troop levels in Europe by 1/3. Washington says that it does not now intend to open large permanent bases in eastern Europe. "If anything, troops taken out of Western Europe will be sent home," said a NATO source. "From there, they will be sent on training missions to small bases established in Poland, Romania or Bulgaria. Last week Colin Powell told Vladimir Putin, Russia's president, that Washington had no intention of encircling Russia. The US, however, is not preparing to cut troop numbers in Europe. The business of getting smaller may take a couple of years. (Story in **Financial Times**, Feb 4, 2004, p. L)

**RKH:** The world sees the US as being another Rome occupying more than 130 countries.

**SAXON TERRORISTS:** The propaganda machine that portrayed Saxon-Christians as "terrorists" and "potential terrorists" in being cranked up again. The same anti-Saxon sit-coms are again being shown to build anti-Saxonite public opinion. The anti-Saxon program is scheduled to go into high gear as soon as the US is driven from Iraq. America's Saxon Christian-patriot will once again become the "designated terrorist."
