LIES verses TRUTH - FACT verses FICTION REALITY verses HOAX

By
Richard D. Porter

The whole communications media is controlled by the greatest liars and con merchants on the planet. They spin lies everyday, all the time, unceasingly and without end. The people are entrapped and ensnared in all their falsehoods like a fly in a web.

HOAX. Taxation pays for the expenses of government. Taxation is legalised theft. Interest to the Bankers on their fraudulent "loans".

The distinguished title given to tax collectors (H.M. Inspector of Taxes) is a falsehood and a lie.

The control of money is not vested in the crown. Not vested in the Queen in parliament where it should be. Tax collectors are not operating on behalf of her Majesty the Queen. Not operating on behalf of the British people or parliament whose powers regarding money are "non-existent". They are working entirely on behalf of "the present hidden beneficiaries of taxation" [Captain Henry Kirby M.P.] in other words, the international Jewish financiers - Rothschild and company. Under this system, it should be clear to all that taxation is nothing more than legalised theft. Interest to the bankers on their fictitious "loans". Enriching them and impoverishing the people. Tax collectors should be known truthfully and honestly as Rothschild's tax collectors.

The Inland Revenue is merely a Government organised service whereby the general public are forced to pay interest to service the National Debt. By usurping control over the nation's money the International Money Gangsters have conducted the greatest rip-off in history. Bank robbers are small time crooks in comparison. If the Government created the money in the first place interest and debt free there would be no National Debt and very little taxation. By increasing the money supply, commensurate with an increase in true wealth of the nation in terms of better production of goods and services, money would be restored to its true function as a means of exchange. The government fleeces the British sheep under any old pretext. Thus only a tiny fraction of road tax is spent on roads. Most helps to service the National Debt. If people can avoid paying it the best of luck to them! Road tax is simply another means of fleecing the British sheep just like the old discredited "Window Tax". The police allow themselves to be used as tax enforcers. This should be outside their province. The sad reality is that if you give a little nobody a peaked cap and uniform they act like puny dictators.

HOAX. Nations just accidentally stumble into wars. If you are one of those people, who think that everything happens by chance. Consider the following carefully: August 1871, top Freemason, Albert Pike sent a letter to Mazzini, the Italian revolutionary leader stating that the Illuminati planned Three World Wars and finally World Revolution. This letter was originally housed in the Library of the British Museum.

Having consolidated their financial grip on most of the European nations by the middle of the last century, the International Bankers worked feverishly to extend their sphere of influence to the ends of the earth in preparation for their final assault on the United States — a nation which, through its unique Constitution, remained free.

In the decades that followed it became apparent that, in order to achieve their goal of world dominion, they would have to instigate a series of world wars which would result in the levelling of the old world order in preparation for the constitution of the New World Order. This plan was

outlined in graphic detail by Albert Pike, the Sovereign Grand Commander of the Ancient Scottish Rite of Freemasonry and the top Illuminist in America. In a letter to Giuseppe Mazzini dated 15th August 1871, Pike stated that the First World War was to be fomented in order to destroy Czarist Russia, and to place that vast land under the direct control of Illuminist agents. Russia was then to be used as a 'bogy man' to further the aims of the Illuminati world wide.

World War II was to be fomented through manipulation of the differences that existed between the German Nationalists and the Political Zionists. This was to result in an expansion of the Russian influence and the establishment of a state of Israel in Palestine.

The Third World War was planned to result from the differences stirred up by Illuminati agents between the Zionists and the Arabs. The conflict was planned to spread worldwide." The letter then went on to outline the destruction of Christianity, and its replacement by the 'pure doctrine of Lucifer.' Ref. *Descent Into Slavery*, Des Griffin, *Pawns In the Game, Red Fog Over America*, by Commander W. G. Can.

The Australian Christian leader Frank Dowsett commenting on this incredible prediction wrote: "Remember friends, this was written in 1871. Isn't this the most amazing 'accidental' series of events of which you have ever heard? When you get a written forecast of an event 43 years prior to it actually happening, and a second forecast of another event some 67 years prior to it happening, and then see the third event happening 124 years later right before your eyes, then you can forget all about coincidences. It has most definitely been planned that way."

HOAX. Four Muslim suicide bombers were responsible for blowing up London underground trains and a bus killing and maiming lots of people. For Al Quaida read Mossad. Just how double dealing, perfidious and hypocritical the Blair government has been can be demonstrated by the disclosures made by David Shayler, one time MI5 Intelligence Officer for which he was imprisoned under the Official Secrets Act. He revealed that the Blair Government paid a fanatical Muslim Official some \$160,000 to assassinate Colonel Gaddafi of Libya. So here we have a Prime Minister who takes us into war with Iraq and Afghanistan under the pretence of fighting 'World Terrorism' while he himself funds an extreme terrorist group and commissions them to murder the head of state of another country.

David Shayler also stated that 7/7 'looks like an inside job'. In other words, British Intelligence was behind it. General Leonid Ivashov, the former Chief of Staff of the Russian Armed Forces, stated that the destruction of the Twin Towers of 9/11 was an inside job. He said 'International Terrorism' does not exist and the 9/11 attacks were the result of a set up.

Briefly, this is what really happened on 7th July 2005.

- (1) Blair only just wins election. Massive protests in Britain against war on Iraq. Meeting of G8 in Scotland.
- (2) MI5 and Mossad plan an incident in London to justify phoney 'War on Terror'. Almost certainly with the knowledge of Blair and other top politicians and police.
- (3) Conducted under the guise of an exercise to test emergency services.
- (4) Four Muslims recruited by MI5 to play part of would be bombers.
- (5) First and second trains from Luton, Muslims are meant to catch, are cancelled.
- (6) They arrive late in London and miss designated underground trains.

(7) While on Underground real explosions take place and they realise they have been set up.

(8) Three of them make their way to Canary Wharf, perhaps to inform the Press. Shot dead — murdered by police execution squad. They were supposed to be blown up on the trains.

(9) Police tell witnesses at Canary Wharf "You have seen nothing, you have heard nothing, you know nothing". (From someone who was there on the spot). So the police have now become execution squads. Story blacked out by mass media).

(10) British people taken in by all the media lies.

(11) MI5, MI6, Special Branch, like American CIA, FBI and SWAT criminal organisations, controlled at the top by the same kind of people who run Mossad.

We now live in a police state. Don't trust anyone who works for the government.

32 year old dance instructor Bruce Lait and partner Crystal were in one of the carriages bombed on 7/7. From his hospital bed he stated: "I think we were nearest to the bomb". He said there was no one even remotely similar to descriptions given of 'suicide bombers carrying rucksacks.' When he regained consciousness, he saw a gaping great hole in the floor of the carriage. The metal was pushed upwards. The bomb can only have been planted under the train or on the track. Mossad is responsible for security on London Underground.. The London bombings were described by Efraim Halevi, a former head of Mossad on 7th July 2005 edition of The Jerusalem Post, the same day as the bombings took place as "The multiple simultaneous explosions ... on the London transportation system were the work of perpetrators who had an operational capacity of considerable scope." Someone wrote "Halevi knew in advance about the London bombing. Halevi is bragging about his own Mossad . these events would have to be described as 'state sponsored terrorism' by Israel's Mossad and Britain's MI5." How else do you think pictures of the four "Muslim Terrorists" appeared the very next day in all British papers?

Charles De Menezes who was shot at Stockwell worked as an electrician on the underground. He probably knew the truth so was eliminated by three Israeli trained police sharp shooting 'Androids' (as many as five bullets in the head). Armed police are a bigger threat to the public than any real or imagined terrorists. They have killed many innocent people and there have been many cover ups.

HOAX. Osama Bin Laden is behind World Terrorism and the events of 9/11. On 27th December 2007 former Prime Minister of Pakistan Benezir Bhutto died in a bomb and bullet attack. Why was she killed? Certainly not for the reasons spouted by the Jewish controlled media. Just two months before on 2nd November 2007, she went on the popular David Frost TV show. In an interview she said she knew who was plotting to kill her. Then she revealed the real shocker. She had the names of the people and they were the same ones who had earlier killed Osama Bin Laden. He had been slain in 2002 by Intelligence agents connected with Pakistan's ISI, under orders from Israel and the U.S. The British Befooling Corporation (BBC) very quickly censored the Frost Show; Benezir Bhutto clearly knew that Osama Bin Laden had always been nothing more than a CIA/Mossad bogeyman. He had nothing to do with the events of 9/11. The fake videos and tapes of Osama issued over the past years have been a hoax to deceive the gullible. That is all. Those daft enough to believe the official story about Bin Laden and his wicked Al Quaida have fuelled public approval for the unjust and illegal wars on Iraq and Afghanistan. There was a very real danger that had she lived she might also have revealed that rogue elements in the US Government, including Bush, Cheney and Mossad/CIA were entirely responsible for the atrocities of 9/11.

HOAX. The war on Iraq and Afghanistan is part of the fight against "world terrorism". The Blair and Bush governments told their people that Saddam Hussein of Iraq had nuclear weapons and posed a threat to the stability of the region and the peace of the world. They lied. Everyone knows now that they lied. The British weapons expert Dr. David Kelly made a few public comments which did not support". Blair's claims. He was later found dead in a wood. It was claimed he had committed suicide by cutting his wrists and bleeding to death but the ambulance men at the scene said there was very little blood. No one in possession of the facts believes it was suicide. He was undoubtedly murdered.

Robin Cook, onetime Foreign Secretary, denounced government policy over Iraq. He died suddenly of a coronary so we were told but there are those who believe that he was murdered. Not the first British politician to be murdered. We have Hugh Gaitskell, removed to make way for Harold Wilson and John Smith murdered to put Tony Blair in power. But that is another story.

The attack on the New York Twin Towers and Pentagon by 'terrorists' who hijacked four commercial airlines and flew them into the buildings killing some 3,000 people was immediately blamed on Osama Bin Laden and his Al Queda. Again, everyone in possession of the real facts knows that the official story of the events of 9/11 is a pack of lies from start to finish. Only the U.S. government itself, no doubt ably assisted by Mossad, could have been behind the attack. Any doubters should start reading the volume of evidence on the Internet Or if they prefer, the book by Eric Hufshmid *Painful Questions, An Analysis of the September 11th Attack* or *The New Pearl Harbour by Griffin, available at Waterstones.*

9/11 gave Bush the excuse he needed for the second war on Iraq with silly little Britain under 'B' Liar following close behind. Saddam Hussein is now dead. Put on trial for war crimes and executed as a 'War Criminal'. But who are the real "War Criminals."? It is an incontrovertible fact that first the United Nations endorsed sanctions against Iraq and then all out war using all the very latest weaponry, laser guided bombs, cruise missiles, stealth bombers, cluster bombs and carpet bombing by giant B52's and uranium armour piercing shells have all combined to kill well over a million Iraqis — mainly women and children. Then in addition to every code of decency and honour and in flagrant contravention of the Geneva Convention, the U.S. Military has used fiendish and atrocious torture against the Iraqi people. There is proof in plenty that the almost daily bombings and other outrages witnessed in Iraq that have taken thousands of lives, blamed on 'insurgents' and 'extremists' were committed by American Special Forces and Mossad. Assisted by British Special Forces, brainless 'Androids' who will do exactly what their controllers tell them. Two British SAS dressed in Arab clothes and disguised as Arabs were driving round shooting at Iraqi civilians. They were captured by the Iraqi police and locked up behind bars. The British Army demanded their immediate release. The Iraqis refused so they sent in tanks and busted down the walls of the prison to release them. The British are carrying out a disgraceful role in Iraq. They are Zionist and American stooges. They should get out.

Bush and Blair are guilty of mass murder and monstrous crimes against the Iraqi people. They should be tried and executed. They are the real terrorists and war criminals. So why the war on Iraq, a country that posed no threat whatsoever to Britain or America, as neither does Iran?

(1) Iraq posed a threat to Israel so Jews used their proxy America (a country they totally control) to destroy Iraq. Saddam Hussein was paying the equivalent of £25,000 to families of Palestinian Suicide Bombers.

(2) The Zionist rulers of America used the U.S. military to destroy Iraq so that they could control Iraq's oil.

Soon after the war Israeli technicians were pumping Iraq's oil to Israel.

HOAX. Muslims in Britain and other European countries only desire to live in peace and harmony with the indigenous people. Muslims in once Christian countries have made no secret of the fact that they intend to eventually take over Britain and the rest of Europe and impose Muslim Shariah Law. The following is taken from Christian Action, PO Box 23632. Claremont, Cape Town, South Africa:

"The combined effects of affluence and a rapidly falling birth rate have made Western Europe a magnet for millions of impoverished Muslims from North Africa and the Middle East. And with most Europeans embracing a practical atheism or a fuzzy new age spirituality, they are incapable of comprehending, let alone effectively dealing with, radical Islam. That, in a nutshell, is the problem".

EUROPE IS BEING TARGETED BY ISLAM Recent intelligence reports include the following facts:

FRANCE In 1945 there were 100,000 Muslims in France, today it is officially claimed to be 6 million (60 x increase), 10% of the population. But Muslims make up 70% of France's convicted criminals in prison. Of the 1,000 Muslim neighbourhoods in France. 700 are listed as 'violent' 400 'very violent'. There are 1,000 mosques in France. 95% of convicted rapists are Muslims, 85% of convicted murderers are Muslims and 58% of convicted thieves are Muslims.

HOLLAND Muslims are officially 15% of the population.

BELGIUM 10% of the population. Half of all babies born in Belgium are now Muslims.

GERMANY 2 million Muslims (Berlin has the 4th largest Turkish population in the world),

BRITAIN 2 million (from 82,000 30 years ago — x 25 increase) British counter terrorism experts estimate that there are up to 25,000 Al Qaeda supporters in the UK. There are 1,000 Mosques in Britain.(The official number of Muslims in Britain is a gross underestimate. It is more likely to be 5 to 6million, maybe even more)

SWEDEN 400,000 Muslims. Massive increase in anti-Semitic attacks on the Jewish population in Sweden.

DENMARK 200,000 Muslim immigrants are trying to dictate their anti-Israel, anti- American policies upon the 5 million Danes. Although Muslims are only 4% of the population, they consume over 40% of the social welfare spending. They also make up 75% of the country's convicted rapists,

ITALY 1 million Muslims (In Italy Muslims make up 95% of all convicted rapists and 85% of all convicted murderers).

Note that of 48 countries with a Muslim majority 46 are dictatorships. The Saudi Arabian government has financed the building of 1,500 mosques, 210 Islamic centres, 202 colleges and 2,000 madressas (Islamic Quaranic schools) in non- Muslim countries — mostly in Europe.

Security experts estimate that 5% of the 18 million Muslims now living in Europe are radical terrorist supporters and sympathisers, representing at least 75,000 to 90,000 potential terrorists within Europe's borders. And while the average European woman has 1.5 children the average Muslim woman in Europe has 6 to 8 children.

Aborting Her Future A recent report published in Christian News by CFT warned that Europe is dying by failure to have enough children. Patrick Buchanan in 'The Death of the West'

projected that, if present trends continue, by the end of the century, Europe's population will have plummeted from its current 728 million to 207 million.

"All people must be Muslim; Europe will be Muslim within a few decades." Colonel Gadhafi of Libya.

Eurabia Studying the history of Islam and Europe I am convinced that, should Muslims attain a majority in any country in Europe, it would similarly oppress, persecute, eliminate and ultimately exterminate all Christian minorities within its control. Muslims are openly talking about turning Europe into Eurabia.

Moammar Gadhafi of Libya claimed on Al Jazeera television (10 April 2006) "We have 50 million Muslims in Europe. There are signs that Allah will grant Islam victory in Europe ... within a few decades". Gadhafi pointed out that already Albania and Bosnia, with Muslim majorities, have entered the European Union. If Turkey is added to the EU, Europe will have another 50 million Muslims. Gadhafi exclaimed: Muhammad "superseded all previous religions. If Jesus were alive when Muhammad was sent, he would have followed him. All people must be Muslim".

What is today Turkey was once the Christian Byzantine Empire, The land of the Seven Churches of Revelation. The Turks invaded and overwhelmed the Christians of the Byzantine Empire and eradicated the Christians until they were a minority in their own lands. Finally, in 1915, the Turks exterminated the Christian minority — The Armenians. 1.5 million Christian Armenians were massacred by the Turks.

As recently as 1922 the last Christian city in Asia, Smyrna, was destroyed by the Turks. A city of 300,000 people wiped out. The Biblical city of Smyrna, where the Apostle John had ministered, annihilated by the Turkish army, in living memory. And now some are considering welcoming Turkey into the EU.

Aborting Europe: By aborting her babies, Europe is aborting her future. By secularising her schools, Europe is condemning her youth. By paganising her population, Europe is perverting her society. By importing millions of Muslim migrant workers, Europe is committing suicide.

The Turkish Connection: Turkey, which once threatened all of Europe, is now considered for EU membership. In 1453, when Constantinople was the greatest city in the world, the Turks massacred its entire population. When the Hagia Sophia was the greatest church building in the world the Turks slaughtered the entire congregation, men, women and children, young and old.

The facts prove Islam has a very violent history. When in a minority, Muslims believe in tolerance. When they become the majority they oppress all opponents and kill them. By admitting millions of Muslims, Negroes, Chinese and other assorted ethnic groups into Britain, the British have sown the seeds of their own destruction. Britain is committing suicide. They have the death wish. There will be massive racial violence in Britain in the near future it is a positive certainty. Enoch Powell's prediction "I see the Tiber flowing in blood" will come true.

HOAX: *Britain's 'Security Services' are the best in the world and always act for the good of Britain and in the national interest* According to one-time top KGB agent Anatolly Golitsyn in his book *"The Perestroika Deception British Intelligence"* has been heavily infiltrated by the Russian KGB and they planned "the victory of the Labour Party in the national elections in Britain in the 1990's." The true face of New Labour is depicted on the badge of the Fabian

Socialists - of which all leading Labourites have always been members. A WOLF IN SHEEP'S CLOTHING! Red Labour is a calamity for Britain.

Under Neville Chamberlain, both counter-espionage services, MI5 and MI6 were directed against Communism as the main enemy. Almost immediately after becoming Prime Minister, Churchill sacked the founding father of the internal security service Sir Vernon Kell and by degrees packed MI5 and MI6 with communist sympathisers. A Soviet booklet entitled "*Russia's Enemies in Britain*" devoted 39 of its 70 pages to attacking a certain De Courcy. He had worked on the editorial board of a publication called "*Intelligence Digest*" which exposed Victor Rothschild (a member of the powerful banking family) who had joined MI5 at the outbreak of war as "the patron of the Russian group of spies".

Victor Rothschild recruited large numbers of disaffected students at Oxford and Cambridge Universities to act as Soviet agents. Many of these later joined MI5 and MI6 so that under Churchill and for years following, the British Security Service was no more than a branch of the Russian KGB. Thanks to Churchill, and his close friend Rothschild, Communists and/or homosexuals virtually controlled MI5 and MI6. We can name just a few of these; Roger Hollis, in 1940 Assistant Director of "F" division, monitoring extremist political parties and later promoted to head of British Intelligence. Hollis was later revealed to be working for Russian Intelligence. Guy Liddell under whose auspices known traitors like Blunt and Burgess entered the service, Maxwell Knight and a host of others. Victor Rothschild is the real "5th man".

It seems that a large part of the agenda of the bunch of tricksters, traitors, queers and left-wing stooges who now form Britain's so called "Security Services" is directed at people and organisations opposed to our racial and national destruction. For years their agents have infiltrated right-wing organisations like the original NF, BNP and more recently the Freedom Party in order to cause internal strife and dissension. To split them into factions and render them ineffective. Britain is fighting for her survival against the dark forces of decay and ruin and these despicable characters, together with their Judeo Masonic friends in Scotland Yard, operating in the shadows behind closed doors, are performing the function of Judas Iscariot. Make no mistake about it. They are working for the enemies of Britain and her people.

Who is the enemy? All of those hell-bent on our destruction. The Zionist controlled Banking, Media, sham Westminster Government (a government of pawns and puppets in the game being played out where the International Jewish Bankers pull the strings). Just look what they accomplished during the 20th century. The destruction of an empire, grinding poverty in the midst of plenty, a string of totally unnecessary wars, debt upon debt for the people and fortunes for the Bankers, the destruction of British industry, farming and fishing, the putrefaction of music, art and literature, massive coloured immigration into these vastly overpopulated islands and the promotion and advancement of miscegenation, perversion and degeneracy in all its forms. The gagging of the British who dare to complain with the threat of imprisonment under the Race Laws. This is to name just a few of their achievements. May their fate be worse than Judas who hung himself.

THE REAL MEANING BEHIND RECENT EVENTS IN SOUTH AFRICA

Copy of article first published in 1992 by Ivor Benson, distinguished authority and commentator on African affairs and onetime adviser to Ian Smith of Rhodesia. First published in *On Target*, reprinted in the June edition of *Spearhead* 1994.

FACTS about the past and the present belong together if we are to make any sense of the amazing transformation in South Africa.

All the major changes in this 20th century age of conflict belong together and cannot be understood separately. There is only one revolution in progress, no matter from which quarter it is seen to be promoted and directed.

Those who have not been prevented from finding out how, and by whom, the Bolshevik Revolution of 1917 was planned and carried out can now see quite clearly how the same methods have been and are being used by people of the same kind to achieve a revolutionary conquest in South Africa.

Much of the 'missing truth' about the struggle for South Africa is to be found in a book by an Israeli scholar, Dr Gideon Shimoni, "**Jews and Zionism: The South African Experience, 1910-1967**".

Shimoni, a 'lecturer in Contemporary Jewry,' supplies many of the facts about Jewish involvement in revolutionary activity in South Africa, but he does not try to explain the linkage.

The story of the revolutionary operation now approaching its final stages in South Africa can be unfolded out of a single event in that country in 1963. This was the capture intact of the entire underground headquarters of the South African Communist Party (SACP) and the revolutionary wing of the African National Congress (ANC) at Rivonia, near Johannesburg.

The main struggle, Shimoni says, began in 1950 when the South African Government introduced the Suppression of Communism Act, and he adds:-

"Apart from the effect of these dramatic events upon the lives of Jews as White citizens - they had significant consequences for South African Jewry as a community. The reason was the extraordinary silence of Jewish individuals in the White opposition - **Throughout this period Jewish names kept appearing in every facet of the struggle.**" (Emphasis added).

Among 15 leading revolutionaries listed by Shimoni are Joe Slovo and his wife Ruth First (whose wealthy parents helped found South Africa's Communist Party).

Shimoni is equally frank about the police swoop on the luxury mansion at Rivonia. Among those arrested, he says, were five Whites, all of them Jews, and he gives their names. These were the real managers of the entire revolutionary operation. Arrested with them, of course, was Nelson Mandela.

Right from the beginning, Blacks like- Mandela have had only one role: that of masking the reality of a Jewish revolutionary exercise, and exactly the same role has been played all along by countless and mostly unwitting Western 'liberals' and 'progressives'.

And it is this shameful role which a small but influential section of Afrikanerdom, under the leadership of F. W. de Klerk, have accepted.

Prime Minister H. F. Verwoerd

Since the assassination of Prime Minister H.F. Verwoerd in 1966, an Afrikaner national moneyed hierarchy has been joined by veins and arteries of shared business interest and appetite for gain with an international and cosmopolitan Jewish- dominated moneyed class. It is this partnership which has achieved its ultimate fulfilment in the Afrikaner-dominated National Party's unholy alliance with the Communist-dominated ANC under Mandela.

What happened in South Africa deserves a place in a political science textbook as a vivid example of what has happened all over the West since the beginning of the 20th century — by a mysterious and illegitimate process which few can understand, a power derived from the people (power-distributed) has become a power over the people (power-concentrated).

THE MONEY POWER

What is happening in South Africa is not a process of political reform; it is revolutionary warfare having as its single aim the dispossession of the local White population.

The betrayal of the Blacks, in particular the Zulu people, will almost certainly follow some variation on the shameful near genocidal treatment of the Matabele nation of 'Zimbabwe', and other ethnic groups all over Africa.

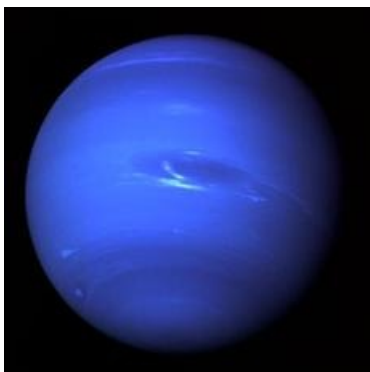

The sum total is that there is incontrovertible proof that the revolutionary movement in South Africa is essentially a Zionist-nationalist exercise, wearing the disguise of a 'Black liberation' movement — or, as we have put it before, a "White hand in a Black glove."

Certainly, it requires no great intelligence to see and understand that the SACP, with its team of highly trained revolutionary activists, all drawing orchestrated encouragement and support from the centres of high finance in the West, is everywhere on the 'attack' side of the conflict, while the ANC nothing but the mindless human medium in which the 'alien South African Communist part invader' exercises his powerful techniques

As in the, revolution in Russia in 1917, there never was the slightest chance of any mutually acceptable agreement arising out of the negotiations, so today in South Africa there is no chance whatever of the Communist-run ANC trying to honour any agreement which does not meet all the requirements of the 'alien invader' — who knows exactly what he wants and will settle for nothing less.

It is not for the Black peoples of South Africa that 'liberation' is sought, but for the Money Power — liberation from all the restraints on the exercise of its power — 'Big Money' spearheaded by a secular Zionist ambition, which ever since the Bolshevik Revolution of 1917 has been using the mask of 'Communism' as a means of subverting and destroying any natural political structure that offers to hinder progress towards a planned totalitarian 'New World Order'.

HOAX: Planet X is make believe, fiction and fantasy. There are some seventy websites currently dispensing information about the arrival of Planet X. Some cults have jumped on the bandwagon and one site called Zeta appears to be a front for government propaganda and misinformation making the whole thing look like a circus show. Perhaps the most reliable source of information is that of Dr. McKinney a highly respected Astrophysicist who served for several years as a consulting authority to NASA. He is an expert on planetary electromagnetism and has published a book **“The Electromagnetic Component Of the Solar System.”** He has also written a manual for the public on how to prepare for the coming of Planet X. While

working for NASA and other government agencies he was sworn to absolute secrecy. Now he has no ties to them and believes the subject to be so important he has blown the whistle. From what he and many others 'in the know' have disclosed we may glean the following:

(1) In 1982 Planet X was discovered. A year later in 1983 IRAS (Infrared Astronomical Satellite) spotted a large mysterious object travelling into the Solar System from the depths of space. News about its discovery were printed in several leading US newspapers. Shortly afterwards these announcements ceased and the great cover up began.

(2) In spite of this there have been leaks and it is known that the Hubble Space Telescope has been repeatedly used to observe Planet X and other telescopes have been specifically built to keep track of it.

(3) The political leaders of the West were informed at an early stage and immediately instituted programmes for the construction of vast underground bunkers where the world's elite could take refuge. These have been stocked with up to five years food and treasures and technology of every description.

(4) Planet X is a giant planet over five times larger than the earth and having over 100 times the mass of the earth. It has a magnetic core so powerful that it clashes with the electromagnetic fields of the sun and other planets. It has already had a tremendous effect on the sun. It has been known for a long time that sunspot activity and solar flares follow an eleven year cycle. They reach a maximum every eleven years. The last eleven year peak was reached in 2,000. Then solar flares should have declined as they have always done but they did not. The largest solar flares ever recorded have occurred when they should be declining. As Planet X gets nearer solar flares are expected to increase. This is dramatically impacting on earth's weather. The governments instituted a misinformation campaign claiming that 'global warming' is due to CO2 emissions which is rubbish.

(5) The sun is ejecting massive amounts of electromagnetic energy into space. Some of this energy is being attracted and absorbed by the Earth's magnetic core, causing the molten iron core of the Earth to heat up. The heating up of the core is filtering through to the mantle of the earth causing the melting of the ice caps and glaciers from beneath. It is claimed that there is now between 20 and 200 feet of water under the polar caps. This could serve as a lubricant and in the event of an earthquake or polar shift the ice caps could slide into the ocean causing huge tidal waves that would cover whole continents.

(6) Planet X is approaching from almost directly beneath the south pole of the earth. This position is considered a 'blind spot' by astronomers. It explains why it is not already visible in the sky. It is expected to pass between the Earth and Mercury causing Mercury to explode. It will cause utter devastation on earth. Those in their deep underground shelters will not be safe.

(7) This object will undoubtedly fulfil many ancient Bible prophecies. Below are just a few:

"The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. The earth shall reel to and fro like a drunkard and shall be removed like a cottage and the transgression thereof shall be heavy upon it: and it shall fall, and not rise again". Isaiah 24:19-20.

"and the mountains shall be thrown down, and the steep places shall fall and every wall shall fall to the ground". Ezekiel: 3-20.

"And the heaven departed as a scroll when it is rolled together: and every mountain and island were moved out of their places ... and men hid themselves in the dens and in the rocks of the mountains, (this is exactly what they are planning on doing.) And every island fled away, and the mountains were not found and the cities of the nations fell... there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake and so great since men were upon the earth. *"And there fell upon men a great hail out of heaven every stone about the weight of a talent"*.

Prophecies from the Book of Revelation; 10

"I beheld the earth, and lo it was without form, and void; and the heavens and they had no light. I beheld the mountains and lo they trembled and all the hills moved lightly. I beheld, and lo, there was no man and all the birds of the heavens were fled. I beheld, and lo, the fruitful place was a wilderness, and all the cities thereof were broken down at the presence of the Lord, and by his fierce anger".

Jeremiah 4: 23-26.

HOAX: Banks make their money by lending at interest to make a profit. Banks create money out of nothing. Limitless amounts of money out of thin air. So all their extra charges are totally unnecessary. The people who control this racket at the top obviously control everything of consequence on the planet - politics and politicians, the media, the judiciary, secret societies, the police, education, advertising, the lot. Politicians look after their interests, not yours. Democracy is an illusion. Below is a letter to "*The Times*". This Jewish Banker controlled misinformation sheet dare not publish the truth.

Camilla Cavendish's article "*Blame the blundering bank of England*", (21st September) was just so much verbiage, waffle and humbug. In her four lengthy columns of valuable space she had nothing of real consequence to say about banking generally and the Bank of England in particular. Well in just a quarter of the space I will state the real facts of the matter:-

The Bank of England is not a government institution and it is not English. In the book "*The Jews and Modern Capitalism*" it states: "In 1694 Jews created the Bank of England". So a lie is printed across the top of every banknote. King William III, always short of money, borrowed £1,200,000 in gold and silver coins from unidentified financiers at 8% interest They only agreed to the loan if he gave his royal assent for them to establish a misnamed "Bank of England" and print for themselves £1,200,000 in paper banknotes. Thus he really agreed to pay them 108% interest on their loan. He saddled the English people with this enormous debt to be serviced out of taxation of the people. The Crown duly surrendered its prerogative to create England's money into the hands of a consortium of private Money Sharks. To this day, the government instead of creating the nation's money, interest and debt free, and spending it into circulation borrows at interest from the bankers. All unpaid loans plus accumulated interest forms the National Debt, now thought to be about a £1,000 billion. Obviously, if the government created its own money interest and debt free and spent it into circulation it wouldn't be forever short of money and taxation could largely disappear. Incredible as it may seem the government is still paying interest to the bankers on money borrowed to fight the Napoleonic Wars, not to mention WWI and WWII. William Patterson who was the Financiers "Front", stated openly that "The Bank hath benefit of interest on all moneys which it creates out of nothing".

Josiah Stamp, a former Director of "The Bank of England" in the twenties confirmed all this when he wrote "Banking was born in iniquity and conceived in sin. Bankers own the earth. Take it away from them but leave them the power of creating credit, and with the flick of a pen, they will create enough money to buy it back again. Take this great power away from them and great fortunes like mine will disappear for then this would be a better and happier world to live in. But

if you wish to be the slaves of bankers and pay the cost of your own slavery, then continue to permit the bankers to create and control money".

Professor Frederick Soddy, listed as one of the greatest scientists ever, described in a few words how your High Street Banks operate when he wrote "Banks are institutions which pretend to lend money, and do not lend it, but create it, and when it is repaid they de-create it and have achieved the physically impossible miracle thereby, not only of getting something for nothing but also getting perennial interest on it". He also said that: "the international Bankers would rather see the whole world go up in flames than abandon one jot of their plans".

While the Encyclopaedia Britannica states quite simply "Banks lend by creating credit, they create the means of payment out of nothing" Obviously, the small clique of International Financiers who control the misnamed "Bank of England" and the "Federal Reserve" in America have usurped control of money creation and supply over whole nations. They can and do create limitless amounts of money out of nothing, serviced by taxation of the people. It naturally follows that they are the real world leaders, not politicians like Blair, Brown and Bush who are merely their creatures and pawns.

Reginald McKenna, onetime Chancellor of the Exchequer and Chairman of the Midland Bank confirmed all this long ago. He wrote: "Banks can and do create money and they who control the credit of a nation direct the policy of governments and holds in the hollow of their hands the destiny of the people".

So if you have often wondered why the government seldom represents the wishes of the people on such issues as the imposition of multiracialism, wars in Iraq and Afghanistan, subservience to the E.U., the abolition of our ancient imperial system of weights and measures for the metric, etc., etc., you now know.

Governments follow the policies and programme of the Bankers, not you, the people. Their ultimate goal was stated for us by a member of the powerful Warburg family when he declared: "We shall have world government whether or not you like it. The only question is whether world government will be achieved by conquest or consent". The United Nations is their prototype for World Government. The land on which the UN building stands was donated by the super rich Rockefeller family. The British and American military now form part of the UN One World Army.

HOAX: *There is a serious oil crisis. Oil has 'peaked' and is running out.* All of this is misleading propaganda. A convenient excuse to hike up the price of petrol and diesel at the pumps. There are vast untapped oilfields in Alaska and Mexico. Years ago, these were 'capped' to make it appear that the US is dependent on Middle East oil. This provided a convenient excuse to fool the American public that it was necessary for the U.S. military to intervene in the Middle East to safeguard their oil supplies. Shortly after the conquest of Iraq, Israeli technicians were pumping Iraq's oil to Israel. The U.S. and Israel are stealing Iraq's oil. The Jewish misnamed Israeli State plan to take over all the countries between the Nile in the south and the Euphrates, in the north, including much of Egypt and Iraq, Lebanon, Jordan, Saudi Arabia and Cyprus. This is what the two blue lines at the top and bottom of the Israeli flag represent; the rivers. They want to control all of the Middle East oil. Some three quarters of the price of fuel at the pumps is tax. All tax is just legalised theft. It does not pay for the expenses of government as people have been led to believe. Tax money services the National Debt. The National Debt is now almost a thousand billion pounds. To service it requires enormous amounts of money. Your tax money. Tax money flows into the coffers of the richest people on Earth. The Jewish International Money Power - led by the House of Rothschild. The solution is simple. Cancel the National Debt and take back the control of money. Create interest and debt free money and spend it into circulation. Then the government wouldn't be forever short of money and taxation could end. We could have very cheap petrol at the pumps.

Did the British benefit from North Sea oil? Not a bit. It only helped to further enrich the wealthiest people on the planet. The parasitical Jewish Money Power - led by the Rothschilds and Rockefellers.

HOAX: Vaccinations protect against disease. Dr. Lorraine Day, one time Professor of Medicine at San Francisco University, one of America's top medical centres, who used to teach doctors, has stated repeatedly that vaccinations cannot be trusted. She has stated that mercury in vaccinations is a major cause of Alzheimer's in the elderly and Autism in the young. The real facts PROVE VACCINATIONS HAVE SPREAD DISEASE NOT CURED IT. She wrote: 'Vaccinations - all vaccinations are neither safe nor effective, they do not prevent disease, they spread disease.

Parents should be very wary of being bullied and cajoled by government and their doctors into having vaccinations for their children. Time and time again scare tactics have been proven to be false and ill founded. A case in point was the polio scare in the 1950's when people were queuing up for mass immunisation. The real reality was stated by Dr. Bernard Greenberg, Head of the Dept of Biostatistics at the University of North Carolina. He said that polio increased by 50% between 1957 and 1958 and 80 per cent from 1958 to 1959, after the introduction of mass immunisation. Immunisation increased the cases of polio, not vice versa. It is well known that many diseases suddenly flair up and then just as suddenly diminish. Fortunately there are few cases of polio today but this is in no way due to immunisation.

Dutch Scientists were puzzling over the fact that Holland had suffered an epidemic of whooping cough after a campaign resulted in 96% being vaccinated against the disease. The same was true of Norway and Denmark. In Italy between 1989-91 there were ten deaths from measles with a 40% coverage from the vaccine. As more children were vaccinated the deaths increased. Normally fatalities from measles are rare, in spite of lying propaganda to the contrary. Naturally catching the disease confers life long immunity In contrast many children vaccinated against measles end up catching it anyway. According to recent research measles may be good for children. African children who catch the disease tend to suffer less from allergic conditions, such as asthma, eczema and hay fever. Also, the rare deaths and complications due to measles is usually in the lower income bracket and is related to factors like nutrition and hygiene. It is believed childhood diseases like measles and chicken pox, not only confer permanent immunity against these diseases but also increase the child's resistance to other diseases.

The U.S. centre for Disease Control and Prevention showed that a child's risk of seizure (epilepsy, convulsions and fainting) triples within days of receiving the MMR or DPT vaccines. The same organisation conducted the most definitive study ever involving 500,000 children to monitor their progress after vaccination and identified 34 major side effects of jabs. These included asthma, blood disorders, diabetes and neurological disorders like meningitis, polio and deafness.

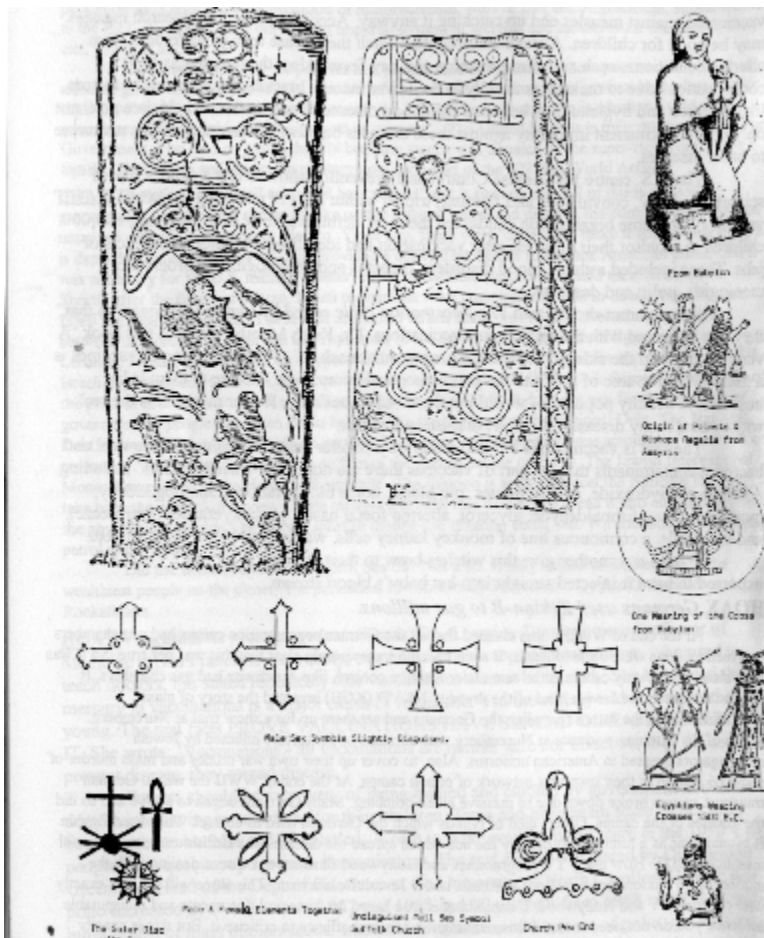

Every parent should read "*The Vaccination Bible*" edited by Lynne McTaggart so that they can be armed with the truth about vaccinations. Dr. Keith Mumby wrote of this book 'A very big thorn in the side of the medical propaganda machine'. The preparation of vaccines is a multi billion source of profit to the pharmaceutical companies. Disease to them is big business. A healthy population would put them out of business. Proper nutrition is the real way to treat many diseases like heart disease and cancer.

The fact is vaccinations kill and maim on a regular basis. In addition to the viral and bacterial contaminants that are part of vaccines there are dozens of 'vaccine fillers' including Aluminium Hydroxide, animal tissues: pig blood, horse blood, rabbit brain, dog kidney, monkey kidney,

formaldehyde, glycerol, aborted foetal tissue, phenoxyethanol (anti freeze), and vero cells, a continuous line of monkey kidney cells, washed red blood cells, etc. etc.

Would any mother give this witches brew to their children in a drink? Yet she is expected to have it injected straight into her baby's blood stream.

HOAX: Germans used Zyklon-B to gas millions. At the end of WWII it was claimed that all the German concentration camps had gas chambers in which millions were done to death. It soon became transparently clear that this was not true. So it was then claimed that only camps in the east under Russian control, like Auschwitz had gas chambers. It seems that Beria, the Jewish head of the dreaded NKVD (KGB) invented the story of mass exterminations in the camps to malign the Germans and set them up for a show trial at Nuremberg. Much of the damning evidence at Nuremberg was obtained under torture inflicted by Jewish interrogators dressed in American uniforms. Also, to cover up their own war crimes and mass murder of some 66 million in their own vast network of prison camps. At the end of WWII the whole German transport system broke down due to massive allied bombing. Many Germans began to starve and so did the inmates of the camps. Others died of typhus which the Germans tried to control. They used Zyklon B cyanide gas as a fumigant to destroy the lice which spread the disease. The British used the powerful insecticide DDT. How many TV programmes and Hollywood films have you seen dealing with the murder of 66 million (not 6 million) in Russia under Jewish Bolshevism? This alone will tell you exactly who controls TV and Hollywood. If something is true based on historical documents and indisputable evidence you do not need to make laws making it a criminal offence to criticise it. But this is exactly what they have done in some countries. People have been imprisoned for questioning the Holohoax. This is a return to the Dark Ages. When they persecuted people for refusing to believe in a flat earth.

Below: The Elgin stone: One of Scotland's wonderful Pre-historic records of the Great Catastrophe. It depicts horsemen, wild beasts and birds fleeing panic-stricken from the terror, evidenced in the symbols.

The Golspie Stone, its celestial symbols recording the Flood. The cometary body or twin comets shown by the two linked circles.

HOAX: The EU will represent British interests and not dismantle our sovereignty. Lest you think these evil politicians serve British interests consider the activities of Jack Straw (a Jew). He is aiming to make arrests without a warrant by the burgeoning EU Police standard procedure. Expressing opinions unpopular to our leaders are set to become extraditable offences. Upon suspicion of 'crimes' like 'racism

and xenophobia', a British citizen could be dragged out of his/her bed in the night by a EUROPOL officer', and face punishment by long prison terms. They could be tortured without redress because officers have been given lifetime immunity from prosecution in respect of anything done in the course of duty. The EU's *Corpus Juris* proposals were set out in a booklet three years ago which stated "a more efficient system of repression is required", including indefinite retention without jury trial or '*habeas corpus*'. Jack Straw (who is not British and serves Zionist interests) is making our ancient statutes under the Common Law null and void. Even opposition to the EU and Euro will be criminalised. Christians who disseminate tracts proclaiming the uniqueness of Christ will come under this category, so too will criticism of anti God lifestyles such as homosexuality and multiculturalism. Unless you do exactly what corrupt government tells you, you could be gaoled. This is Communism by stealth. A knock at the door in the middle of the night, and abduction to a foreign gaol, could be the fate of many British. These are the despicable traitors, misnamed 'politicians' you vote for. They are men not worthy of the high positions they hold.

The Labour Government at Westminster is a cesspit of filth and corruption. In God's name take your eyes off the TV set and consider what is happening to this country. Consider this: The Westminster Government had no mandate from the British people whatsoever to convert a once homogenous and peaceful Britain into a hotch potch of races and religions. A multicultural multiracial hell hole of divisions, strife and trouble just waiting to explode as Enoch Powell predicted years ago in his "I see the Tiber flowing in blood speech".

The government had no mandate whatsoever to make us subject to the laws and dictates of a foreign power. This is treason by any name. They had no mandate to destroy our coal mines, our industrial base, our fishing and now our farming. They had no mandate to involve us in foreign wars on behalf of Israel. They have continually acted against the interests of the British people. They have proven themselves to be government of ruination for Britain and her people. All those who work for the evil Government at Westminster are assisting their programme for the

destruction of our race, nation and people. Our Military should only be used to defend British interests not as a mercenary force for American Jewish Zionist interests.

HOAX: The dropping of the atom bomb on Hiroshima and Nagasaki forced the Japanese to surrender and ended WWII. The Japanese were devastated and exhausted. They were on their knees and wanted a negotiated peace. The only condition they insisted on was to be allowed to retain their emperor. They approached the Soviets hoping that they would act as mediators but Stalin responded by attacking the Japanese in Manchuria. He wanted a slice of the cake but the Americans didn't want him to get a foothold in the area and brought forward the attack on Nagasaki. It has been claimed that Churchill urged Truman to use the bomb as a practical demonstration to the Soviets of its awesome power. A veiled threat to the Soviets that they had a super weapon and they were prepared to use it. Also it seems, that some sick scientists wanted to test the weapon on live subjects.

Churchill was not the great war leader that the liars of world history have made him out to be. Neither was he the greatest Englishman of the last thousand years. This is all unmitigated claptrap. In an article in the Jerusalem Post by Moshe Kohn it stated "Cunning no doubt, came to Churchill in the Jewish genes transmitted by his mother, Lady Randolph Churchill, nee Jenny Jacobson/Jerome". Like most Jews, Jenny's father changed his name to conceal his Jewish identity. Churchill was born nearly two months premature and many have stated that Randolph was not the real father. "Winston's half brother Jack is never mentioned because it is obvious that they were only half brothers. Jack looked like Lord Randolph. Winston looked like a

chimpanzee". Churchill's cruel, callous and calculating nature can now be revealed by quoting 'A Most Secret Minute to the Chiefs of Staff 6th July 1944':

"It may be several weeks or even months before I shall ask you to drench Germany with poison gas, and if we do it, let us do it one hundred per cent. In the meanwhile, I want the matter studied in cold blood by sensible people and not by that particular set of psalm singing uniformed defeatists which one runs across here and there".

The truth is gradually emerging about Winston Churchill. Lord Alanbrooke's War Diaries have recently been for sale in every major High Street Book Shop. Here is a quote: "He knows no details, has got only half the picture in his mind, talks absurdities and makes my blood boil to listen to his nonsense ... And the wonderful thing is that three quarters of the population of the world imagine Winston Churchill is one of the great strategists of History, and the other quarter have no conception what a public menace he is".

Churchill built up huge stockpiles of anthrax which he planned to use against Germany. This policy would probably have made much of continental Europe uninhabitable for years. Read **"That Bastard Churchill"** by Major M. F. Thurgood or **"The Churchill Myth Exploded"** by Morgan Brown for a true appraisal of Churchill's leadership.

HOAX: Tibet before the Chinese invasion of 1959 was a 'Shangri-La' of peace and harmony. A Buddhist haven of fairness and justice for everyone. This picture painted by Western news media, travel books, novels and Hollywood films is an inversion of the real truth. Tibetan Buddhism was sadistically cruel, totally ruthless, utterly depraved and exercised a savage tyranny over ordinary Tibetans, far worse than medieval feudalism. Under the rule of the Dalai Lama in his palace of a thousand rooms and numerous religious leaders also called Lamas and wealthy land owners the poor were continually oppressed. Taxed on everything and if they couldn't pay they could borrow at up to 50% interest. Many debts were passed from generation to generation. If their money ran out they were reduced to bondage and slavery. No wonder that there were thousands of beggars in Tibet. The slightest complaint or infringement of their oppressive laws would be dealt with by the severest punishment. Cutting off hands, gouging out eyes, pulling out of tongues and hamstringing were favoured punishments inflicted upon thieves and runaway or resistant serfs. Their religious masters told them that they suffered now for being cruel in previous lives but they might hope for something better at their next incarnation.

Young Tibetan boys were regularly stolen from their peasant families and forced into the monasteries to be trained as monks. Here, some as young as eight or nine, were continually raped and sodomised. The young women fared no better. Kim Lewis interviewed some Tibetan women. They said they were extremely grateful "not to have as many as four or five men and be pregnant almost all the time". The women recounted stories of their grandmother's ordeals with monks who used them as "wisdom consorts". They were told that by sleeping with the monks they gained "the means of enlightenment".

No wonder the vast majority of Tibetans welcomed the Chinese invaders as liberators from their hard bondage and base cruelties. The people who did not welcome them were the religious hierarchy and countless monks. Finding themselves deprived of their parasitic existence, rampant debauchery and easy living. Many fled to India where they feared that they might have to work. However, the rich Lamas and secular lords need not have worried. The beneficent US Government through its utterly corrupt CIA was channelling some \$1.7 million a year into their pockets. The 14th Dalai Lama and many of his entourage of Lamas became paid agents of the CIA. The Dalai Lama's annual payment from the CIA was \$186,000. The Chinese, at least ended slavery for the serfs, gave them land, built schools, hospitals and roads and greatly improved the lot of many Tibetans. They were better off under Chinese rule than the slavery and torture of those peace loving religionists — the Buddhists.

HOAX: *China poses no threat to the West.* China has built up a huge arsenal of nuclear weapons, intercontinental ballistic missiles and has all the latest weaponry, including a huge air force equipped with the latest jets, missiles and bombs. How did it acquire the technology to build such a massive, well equipped and modern war machine? The answer is simple. Most of it came from America through the intermediary of Israel. Israel enjoys favoured status with America and gets everything it wants including all its very latest technology and up to date weaponry. Israel has been selling all of it on to China for decades, making a great deal of money in the process. Recently, they got hold of the blue prints for a laser gun from America and soon mass produced a million for its army. This gun burns out the retina in the eyes of an enemy — making them instantly blind. The following is from a letter I recently received:

"In my researches, I discovered China has built a railway from Peking to Lhasa (capital of Tibet). They've also built 3 hard metalled roads from the Lhasa railhead, going west. Why? I concluded that they wanted these roads for troop movements, down through Balochistan into Iran and the Middle East ... Could it be that the elite in China have such an interest in the Himalayas because they're building deep shelters for themselves in the mountains. This might explain the present unrest in Tibet? Perhaps some Tibetans have learned about the approach of Planet X and want a space in the shelters thus posing a threat to the Chinese elite."

The Bible predicts that a huge army of 200,000,000 will destroy a third of mankind and the kings or rulers of the East would enter Palestine to engage in earth's last battle — the battle of Armageddon. Only China with its vast population of one and a half billion could assemble such an army. Oil is crucial to China and most of the oil is in the Middle East. One third of mankind is about 2 billion. I understand China has been quizzing its people as to whether they would be prepared to kill women and children in another war and they said they would. WWII demonstrated that the Oriental races are ruthless and devoid of pity. This can only mean that in the near future China Will decimate the populations of Pakistan, Bangladesh, India and Africa and other nations besides. Read Revelation 9.13, 16:12-16. Although most commentators believe that the Moslem invasions of the 15th century fulfilled this prophecy but their armies never numbered a fraction of two hundred million neither did they kill "the third part of men". Many Bible prophecies are dual and have an early and later fulfilment. History does repeat itself.

HOAX: *Aspirin thins the blood and helps prevent heart attacks.* We cannot do better than quote Dr. William Douglas to demolish this myth. "Pill happy Americans scoff down 25 million aspirin tablets a day. Chemical companies produce 90 billion aspirin tablets a year. If all those tablets were placed end to end they would stretch to the planet infinity and back. Did you ever think that you would see the day when Americans by the millions would be popping aspirin for their health? Do all these people really have an aspirin deficiency? Did God forget to put aspirin in our food? Will an aspirin a day keep the doctor away?"

The real hero is magnesium. The much promoted Physician's Health Study "proving that taking aspirin regularly will prevent heart attacks didn't use just aspirin but aspirin plus magnesium in the form of Bufferin. Research done years ago proved that magnesium protects the heart. It dilates blood vessels, aids in absorption of potassium into cells (which will prevent heartbeat irregularities), acts as an anti-coagulant (blood thinner) and keeps the blood cells from sticking together (thrombosis). Autopsy of the heart muscle following death by heart attack almost always reveals that the heart muscle is deficient in magnesium. I have been taking a magnesium supplement for ten years and I have hundreds of patients on magnesium. We just don't see heart attacks in patients who stock with it. So the doctors (and their patients) have been conned again by the group that has been leading them around by the nose for seventy years — the pharmaceutical industry. A British study using only aspirin revealed that aspirin had absolutely nothing to do with lowering the incidence of heart attacks.

The American study was so flawed so that you can't help but wonder if the aspirin industry financed it. The subjects were White, male, mostly non smoking doctors who were not monitored, and who reported their condition by letter — post office research. The study used an extremely healthy group with only one eighth the death rate of the general population. Even with such a healthy group, the study results had some ominous overtones. That's the part the aspirin companies don't want you to know about. Though heart attacks were relatively rare, strokes and sudden death from other causes were more common among the aspirin group than with the placebo group.

This information is very significant. The claim for reduction in heart attacks among the aspirin group was 47. But the small print (very small) in the report said that when death from all causes was considered, there was no difference in the mortality rates of the two groups. Thus, death from other causes among the aspirin group increased substantially — an amount equal to 47% of all heart attacks in the non-aspirin group.

Did you know that every time you take aspirin you bleed a little into your gut? A microscope will show that the bowel movement of someone on daily aspirin has blood in it every time. If it's happening in your intestinal tract, how do you know it's not happening in your brain? How many fatal haemorrhages of the brain, spleen, liver, intestine or lung occur after an automobile accident because the blood has been thinned with aspirin? Nobody knows because nobody is checking?

His article is titled “*Second Opinion On Aspirin. The Bitter Pill That Kills*” which everyone should read. Available from Second Opinion, PO Box 84908. Phoenix, Arizona 85071, USA.

He also shows that studies not only prove that aspirin has no preventative effect on heart attacks but regular use can double the chances of developing some forms of heart disease. Aspirin users were also more likely to develop kidney and colon cancer. Lawrence Garfinkel, Vice President for Epidemiology at the American Cancer Society said: "I would give one pause about using aspirin routinely to prevent an initial heart attack".

"Did you know that 250,000 Americans die every year from prescription or non-prescription drugs? That over 2,000 people die every year from taking aspirin? That there are dozens of articles showing how prescription and non-prescription drugs are causing all illness and diseases. Drugs are not the answer to preventing and curing disease. They are the cause.... People who get sick the most often are those who have taken the most drugs."

“*Natural Cures*” by Kevin Trudeau. A brilliant exposé of the criminal and murdering pharmaceutical industry, sham charities like Cancer Research and sham government agencies like the FDA and FTC that are supposed to protect the public. Everyone should read it.

Note: Doctors who work for Cancer Research first sign an agreement that any progress or cure found goes first to the Government. They then suppress it so that the Pharmaceutical Companies continue to make their billions. Source: “*Calling Of An Angel*” Renee Caisse. HOAX: *G.M Crops are perfectly safe and can be of great benefit to mankind.* More and more evidence is emerging connecting the wiping out of bee colonies around the world and genetically modified plants. Since last November, the US has seen a decline in bee populations so dramatic that it eclipses all previous incidences of mass mortality. Beekeepers on the east coast of the United States complain that they have lost more than 70% of their stock since late last year, while the west coast has seen a decline of up to 60%.

In an article in its business section in late February, the New York Times calculated the damage US agriculture would suffer if bees died out. Experts at Cornell University in upstate New York have estimated the value bees generate - by pollinating fruit and vegetable plants, almond trees and animal feed like clover - at more than \$14 billion.

Scientists call the mysterious phenomenon "Colony Collapse Disorder" (CCD), and it is fast turning into a national catastrophe of sorts. A number of universities and government agencies have formed a "CCD Working Group" to search for the causes of the calamity, but have so far come up empty handed. But, like Dennis van Engelsdorp, an apiarist with the Pennsylvania Department of Agriculture, they are already referring to the problem as a potential "AIDS for the bee industry."

One thing is certain: Millions of bees have simply vanished. In most cases, all that's left in the hives are the doomed offspring. But dead bees are nowhere to be found - neither in nor anywhere close to the hives Diana Cox-Foster, a member of the CCD Working Group, told The Independent that researchers were "extremely alarmed", adding that the crisis "has the potential to devastate the US beekeeping industry".

It is particularly worrisome, she said, that the bees' death is accompanied by a set of symptoms "which does not seem to match anything in the literature."

In many cases scientists have found evidence of almost all known bee viruses in the few surviving bees found in the hives after most have disappeared. Some had five or six infections at the same time and were infested with fungi - a sign, experts say, that the insects' immune system may have collapsed.

The scientists are also surprised that bees and other insects usually leave the abandoned hives untouched. Nearby bee populations or parasites would normally raid the honey and pollen stores of colonies that have died for other reasons, such as excessive winter cold. "This suggests that there is something toxic in the colony itself which is repelling them, says Cox-Foster.

Walter Haefeker, the German beekeeping official, speculates that "besides a number of other factors", the fact that genetically modified, insect-resistant plants are now used in 40% of cornfields in the US could be playing a role. The figure is much lower in Germany - only 0.06 % - and most of that occurs in the eastern states of Mecklenburg-Western Pomerania and Brandenburg.

Some researchers believe that G.M. modified crops may be weakening the insects immune system making them more vulnerable to a whole range of diseases. But since the bees are not returning to their hives it is more likely that G.M. contaminated crops are impairing the bees instinct to navigate and find their way around.

This is just one problem associated with G.M. crops, their effect on humans could be even more catastrophic. Einstein is reported to have said: "If the bee disappeared from the surface of the globe then man would only have four years of life left. No more bees, no more pollination, no more plants, no more animals, nor man" The G.M. genie has been let out of the bottle and there is no putting it back. Crazy scientists who think they know it all and are playing God may well have released a demon that could destroy us all within just a few years.

HOAX: People have been told the truth about the murder of 16 children and their teacher at Dunblane on 13th March 1996 by Thomas Hamilton. The Media stated that Hamilton had been a disgruntled scoutmaster with homosexual tendencies. The government set up a top-level enquiry headed by Lord Cullen with

powers to interview anyone who might throw light on this terrible crime. Now, years later, it is clear that there was a cover up and the government is determined that people will never learn the truth. Why else would Blair's government impose a hundred year ban on the proceedings of the Cullen Enquiry? They have silenced Sgt. Paul Hughes' Police Report on the murders. There is a 30 and 80 year rule on important and secret dealings. Normal secrets like Cabinet discussions, government papers, espionage and all that, are under a 30 year rule and just about everything to do with the IRA. Only a small number of things reach the 80 year rule, like potential peace negotiations with Germany in 1941. Yet there is a 100 year ban on information regarding the Dunblane killings! Why? Clearly, there is something really important that Blair's government was determined to hide. Something that very likely involved top politicians themselves. Some information that could do irreparable damage to Blair and his 'New Labour Government'. Blair also issued a D Notice effectively gagging the press on this important subject. This much is known. Hamilton wasn't just a homosexual with a warped mind. He was known by the Police to be a paedophile and apparently was being investigated. At first they turned down his application for a gun licence but the local MP George Robertson (you may recall him as the enthusiastic bomber of Serbia) used his influence as a Freemason with the Police and wrote a character reference persuading them to change their mind. Robertson, a political nobody subsequently rose to become Minister of Defence and Secretary of NATO as well as being made a Lord.

Mike James, an independent journalist of Propaganda Matrix claims that Hamilton was member of a clandestine paedophile ring reportedly set up to procure boys for the British Elite, including certain top politicians close to Blair. According to informed sources the British Intelligence Service are actively engaged in preventing any further child sex revelations that could damage several top people. We should point out here that from the time Churchill took over the control of M15 and MI6; sacking Sir Vernon Kell the founder of the Security Services, that organisation has been riddled with Communists and homosexuals who have worked against British interests. People like Roger Hollis who became top notch, Vassel, McClain, Blunt, Burgess Maxwell Knight etc., were either Sodomites or Communists, or both, working for the Soviets. For more than 50 years the British Secret Services have been a joke. An exclusive club for perverts and traitors. Apparently the FBI has a list of well placed Britons who have used the internet for child pornography paying by credit card. It has been claimed that the FBI has used its knowledge of paedophiles close to Blair to blackmail him. That this is the real reason he slavishly supported the Americans in their bloody, illegal and unprovoked war on Iraq. It seems unlikely but who knows it might be true. People will only believe what they want to believe, regardless of truth.

"The rumours and allegations concerning Lord Robertson's ties to Hamilton, and the possibility that the American Intelligence services may be blackmailing Tony Blair into continued support for a US invasion of Iraq, have been given credence by Internet investigator and intelligence expert Michael Keaney: "An additional, and potentially explosive, aspect of US leverage over Blair is the FBI's investigation of users of child porn websites which has already claimed a number of high profile scalps ... The biggest two fish that come to mind are indeed high profile: firstly there is George Robertson, who has since stepped down as NATO Secretary General after four years and two months in the job. Were he to be fingered the fall out would be spectacular but short lived — he's been a long time out of the cabinet and is sufficiently distant from Tony Blair to be regarded as not requiring the presentational finesse of a 'rolling' Cabinet committee, whatever that might be. However, our second candidate is most certainly very closely identified with the Prime Minister, and retains a high profile, continues to operate at a very high level indeed whether In Europe, Japan, or even the Middle East".

"Peter Mandelson began political life as a member of the Communist Party, soon seeing the light' and instead getting involved with the CIA/MI6 financed Socialist International Youth Wing and the Labour Party. If Mandelson is indeed the suspect, then the damage this could cause may fatally wound Blair". I have come to the considered conclusion; says a correspondent

of Keaney, William Palfreman, - that the events surrounding the Dunblane massacre, and the subsequent submissions to the Cullen enquiry that have been put under to 100 years of secrecy, far outweigh in political significance issues such as our opposition to the EU and what it entails. It is inconceivable that Blair, Straw and Brown can survive in office if this matter becomes known. It totally undermines the Labour government, and could easily be a case of the Queen feeling she has to use reserve powers to call an emergency general election, such would be the loss of confidence".

This scandal is far more important than anything that has happened here in living memory, in fact I can think of no parallel for it. It certainly eclipses anything that happened to Kennedy or was done by Nixon. I am surprised, given the gravity of this matter, that an attempt has yet to be made on his life, for surely we are dealing with desperate people here. It also explains a few strange things, such as just why Blair & Co were so keen to ban all handguns and why such obviously talentless nobodies like George Robertson have risen from being backbench a couple of years ago to Defence Secretary, - and now Secretary General of NATO."

If Hamilton was indeed the centre of a paedophile ring in Scotland that procured boys for people of the highest rank, both the PM and Home Secretary's (Straw at the time) permission would be required to put something under the hundred year rule. If Blair and Straw covered this up by the Official Secrets Act, and such information comes to the attention of the British public, Blair's government of ruination and calamity for Britain must fall. Blair, Straw, Brown & Co. will be forever held in the contempt they so richly deserve. God save Britain and protect her from the likes of Blair and Straw (real name Warts). The Labour Government has long been promoting the homosexual agenda, lowering the age of consent for homos to 16, throwing out Section 28, making possible pro homosexual teaching in schools and prosecuting people opposed to this vile perversion labelling them 'homophobes'.

Hoax: *GM Foods can be trusted.* Hundreds of thousands of small family farms in America and other countries have been forced out by criminal means so that they can be swallowed up by the huge 'agribusiness' controlled by the big pharma companies like Monsanto and Dupont. They have been using Brazil, Argentina and America as a testing ground for their new G.M. seeds with disastrous results. The stories of increased yields and solving the world's food crisis are all lies, lies and more lies. They already nearly dominate and control food production over vast areas. They have genetically engineered 'terminator seeds' that is seeds that will produce one crop only, and cannot be re-sown to produce another crop. They are infertile and sterile. Farmers must buy new terminator seeds from them at inflated prices if they want another crop. This reaps the pharma-agribusiness immense profits but seriously undermines food production. The game is that by controlling food they can control people. If people don't co-operate they get no food. In Iraq while people suffer and starve, GMO giants now run the country's agriculture for export. Iraqi farmers, like many others, are now agribusiness serfs and are forced to grow products foreign to the native diet, like GM wheat designed for pasta production.

Someone wrote "The forced transformation of Iraq's food production into patented GMO crops is one of the clearest examples of how Monsanto and other GMO giants are forcing these crops onto an unwilling or unknowing world population." **THEY ARE INFESTING THE WHOLE WORLD, ONE COUNTRY AT A TIME, AND THE DAMAGE THEY ARE INFLICTING ON NATURE AND THE HEALTH OF WHOLE POPULATIONS CANNOT BE UNDONE.** In their greed for power and money they have literally sown the seeds of man's destruction on planet earth. The three US GMO giants that supplied the US Military with massively destructive chemicals like Agent Orange, napalm and the string of vaccines responsible for Gulf Syndrome are now entrenched in food production. In spite of the fact that their demonic GM crops harm human health. Their concern for public health and safety is non-existent. It is a distinct possibility that the real reason GM crops are being forced on people against their will is as a means of population control. GM crops have the potential to depopulate the earth. If you think this is crazy then consider the fact that they have already concocted a GM type of corn which

has a built in contraceptive — it can prevent women from conceiving. In Argentina, people living near Monsanto run farms have suffered a whole range of horrible symptoms from skin rashes, asthma and chronic coughs from all the sprays being used. Someone wrote: "In 2005,

Russian science showed that GMOs cause harm that can start in the uterus — over half the offspring of rats fed a genetically modified soybean diet died in their first three weeks of life — six times the normal rate". "Sowing The Seeds of Destruction", "Nexus" April/May 2008. So GM crops begin their destructive course by harming the developing foetus in the womb — producing impaired, damaged and dying offspring. Make no mistake about it, the real rulers of this sad world, including their creatures, like the devils incarnate Bush and Blair (a great supporter of GM crops) are incorrigibly and inexpressively evil. Rest assured their just reward will come speedily.

HOAX: Christian Radio propagates the true Christian message. The misnamed 'Christian Radio' is nothing less than a platform for furthering the Illuminati doctrine of multiracialism, and promoting and defending the interests of Blacks. It also vigorously defends the status quo, especially adhering to the official account of WWII which can easily be proved to be entirely fallacious and utterly false. Read "*A Witness to History*" by Michael Walsh. The following is a letter written to this phoney organisation a few years ago. This is the sort of material which passes behind the scenes while this counterfeit organisation continues merrily along suppressing the truth and promoting its lies, falsehoods and absurdities.

"A friend has asked me to write about a recent totally biased and entirely misleading broadcast transmitted from your religious radio station. This programme dealt with the poor performance of Negroes in our schools. Apparently your presenter trotted out all the usual platitudes i.e., they are discriminated against, they are socially deprived, they are the victims of racism, blah blah blah *ad infinitum*. All of this is, of course, unmitigated tripe, poppy-cock and balderdash.

Negroes score 10 to 15 points lower in intelligence tests than Whites. Consult "*The Bell Curve*" by Richard J. Herrnstein and Charles Murray. This book proves the inequality of the races. It provides irrefutable proof that integration, welfare and affirmative action do nothing to elevate non-Whites to the level of Whites. The low intelligence level amongst Blacks is responsible for their poor achievement levels and is the root of most social problems such as crime, poverty and illegitimacy.

In whatever White countries Blacks have settled they are responsible for a totally disproportionate number of violent crimes like mugging, murder and rape. The introduction of Blacks into our society was a crime of catastrophic proportions against the indigenous people of these Islands. All Blacks belong in Africa where the Almighty God put them in the beginning and rest assure, will put them again, and all their offspring when "*the restitution of all things*" is accomplished.

As for Blacks having their own schools why not visit my old school of Sussex Road in Brixton where about 80 per cent are Black to the great detriment of the few White pupils. When I taught in London for the old L.C.C. it soon became clear that the biggest trouble makers in London's schools were Black. Make no mistake about it and do not delude yourselves for a moment. In using your misnamed "Christian" Radio to promote Blacks and the MULTIRACIAL MADNESS you are doing the devils' work"

HOAX: *Jesus Christ looked something like a modern day Hippie or Beatnik.* Today nearly all of the Christian churches represent Jesus Christ the Son of God, the YHWH of the Old Testament and Israel's soon coming King as a bearded, long haired effeminate looking weirdo. Something akin to a modern hippy or beatnik. These pictures have no basis in reality and are, in fact, borrowed from ancient paganism. The pagans represented the wisest of their gods with beards and long hair, like Apollo, Zeus and Orpheus. Pictures of Christ are derived from these. See "*The Life of Christ as Represented in Art*" Dr. Farrar. The first Christians did not paint pictures of Christ as they considered it an act of irreverence and profanity. The very earliest pictures of Christ yet discovered are painted on the walls of the Catacomb in Rome and date from the second and third centuries. The most ancient of these pictures is described by Roderick Dunkerly in his book "*Beyond The Gospels*". He writes: "In particular there is a painting of the Resurrection of Lazarus in which Christ is shown — **Youthful and beardless, with short hair and large eyes** ... it is the oldest representation of Jesus which is preserved anywhere". He writes that it was not until the fourth century that the bearded face appears. In 1 Corinthians 11.14 is written "Long hair is disgraceful for a man". Moffatt. The only description of Jesus Christ given in the Bible as he appeared to John in his glorified state is in the Apocalypse "And standing among them was one who looked like Jesus who called himself the Son of Man wearing a long robe circled with a golden band across his chest. His hair was white as wool or snow, and his eyes penetrated like flames of fire. His feet gleamed like burnished bronze, and his voice thundered like the waves against the shore ... his face shone like the power of the sun in unclouded brilliance". "*There are a few illiterate people others with evil intent who are putting it about that Christ was a dark-skinned man with black hair. In fact Christ was an Aryan (in Sanskrit = Noble), as were Abraham, Isaac and Jacob. Gaius Pontius Pilatus, the Procurator or Governor of Judea, wrote of Christ in his report to the Roman Emperor Tiberius Caesar: "I observed in the middle of the group a young man who was leaning against a tree, calmly addressing the multitude. I was told it was Jesus. This I could easily have suspected, so great was the difference between him and those listening to him. His golden coloured hair and beard gave to his appearance a celestial aspect. He appeared to be about thirty years of age. Never have I seen a sweeter or more serene countenance. What a contrast between him and his hearers, with their black beards and tawny complexions. Jesus of Nazareth spoke rather as a friend of the Romans than of the Jews."* (See the Archko Volume in the Archive of the British Museum". Captain Kenneth McKilliam.

It is fiction that Jesus Christ was a Jew. The Greek word loudaios' is mistranslated in our Bible as Jew when it should be 'Judean' an inhabitant of Judea. Christ was a Galilean from the tribe of Judah, not a Jew.

HOAX: *The Church of England is a Christian organisation and upholds the teaching of the Bible.* The C of E is more pagan than Christian and its priests are the modern counterparts of the ancient Priests of Baal. This is why it defends and promotes the Illuminati doctrine of multi-racialism, mixed breeding and miscegenation against every teaching of the Bible. Why it is for ever collecting money for and promoting the interests of the Afro-Asian races while largely ignoring the needs of the real Britons.

The C of E has done more harm to the cause of Christianity than all the atheists and agnostics combined It has succeeded in emptying the churches and destroying the faith of millions. Why large numbers of its churches are now defunct. Many of its churches have become historical monuments and decaying ruins giving evidence of a lost faith.

HOAX: *The Government is benevolent and acts in the best interest of the people.* Many very well informed authorities have stated that the government is controlled from behind the scenes and is secretly working to a hidden agenda which is inimical to Britain and her people. Their plans, carried to finality, will destroy Britain with greater certainty than the H-Bomb.

Bertrand Russell, advisor to several presidents, wrote in his book *“The Impact of Science on Society”*: "At present the population of the world is increasing ... War so far has had no great effect on this increase. If a Black Death could be spread throughout the world once in every generation survivors could procreate freely. ... Really high minded people are indifferent to suffering, especially that of others". The Black Death is thought to have killed a third to a half of the population of Europe. When we look at modern medicine, we truly discover the depth of depravity of the so called 'Illuminated Ones' behind this New World Order. Not only are they culling the 'herd' mercilessly with increasingly toxic food, water, air, and medicine, they are deliberately using pharmaceutical medicines to make us sick, so to make money out of 'treating' our illnesses before we succumb, while actively suppressing real, proven natural cures.

In fact, the pharma cartel has virtual control over every aspect of health care, despite thousands of peer-reviewed studies showing that, as double Laureate Dr. Linus Pauling stated, “every disease can be traced to a nutritional deficiency”.

There is much evidence of their goal of aggressive depopulation. From the proven toxicity of literally all pharmaceutical products, to the mustard gas and radiation based 'treatments' for cancer, to the scandal of FDA approved Aspartame (one of the best ant killers on the shelf) being foisted on dieters and diabetics alike, no other conclusion can be drawn.

By far their most effective depopulation tool for over 150 years has been vaccination. Following a concerted effort to establish control over the practice of medicine they have created a perpetually sickened crop of humans who can be used to produce incalculable wealth from contrived illnesses. All this while hiding the truth about what keeps us healthy, and can heal us of just about anything: proper nutrition." Dee Nicholson — *“Depopulation by Medicine”* published on the Internet

In the book *“Death by Government”* are numerous well documented examples of governments killing millions of their own people. What is war but government sanctioned mass murder. Both the World Wars were preventable and all subsequent wars. If the British during WWI had known of the mass slaughter taking place in France they would have called for an immediate end to the madness. But they were deliberately kept in ignorance. During WWII, Hitler repeatedly tried to end the war with Britain, offering the most generous terms but all his overtures were rejected and the British were deliberately kept in the dark. The world is a giant insane asylum run by the worst maniacs and we are all caught up in their demonical and crazy schemes for self aggrandisement and power. As George W. H. Bush said to journalist Sarah McClendon in December 1992: "If the people knew what we had done, they would chase us down the street and lynch us". Report in *“The Idaho Observer”* of 20th March 2008. *“Military institutions are tailor made for psychopaths. The military intelligence apparatus is behind almost every major terrorist outrage of recent decades.* Dr. Keven Barrett. Idaho Observer.

HOAX: Martin Luther King and Nelson Mandela are saintly figures who have done much

good. From the early days Luther King was a Communist associated with several extreme left wing groups. He was a sexual pervert of the worst kind and regularly used White prostitutes in disgusting orgies to humiliate and degrade them. When the FBI, who had been tracking and eaves dropping on King, played audio tapes of King's secret goings on to President Lyndon Johnson, even he, and he was certainly no prude, was revolted by them. The expletives he used expressed his utter horror and disgust. King has now been canonised, made a saint. They have created a special National Holiday in the States to honour him and theological colleges have been named after him One Baptist college here in

England is called Martin Luther King. His famous "I have a dream" speech has been played hundreds of times on the idiot box and everyone knows it. His rise to sainthood is an example of what the Jewish owned and controlled mass media can accomplish. It can transform villains into saints and denigrate and destroy good men. If the FBI were to make known their secret file on King, his image would be destroyed over night. He has simply been used by the demonic powers behind the scenes to promote the negro and encourage miscegenation as a means of destroying the White race. These same powers may well have murdered King because his propaganda value after death was worth more to them than when alive. For absolute confirmation of everything written here write for Dr. Edward Fields booklet "*The Truth At Last*". Dr. Fields reveals that King was financed by a rich Jew called Stanley Levinson who headed a Communist school and it was he who wrote all of his speeches. Whilst preaching 'non-violence' King would deliberately march with black hordes reeking havoc throughout peaceful White neighbourhoods.

Under White rule South Africa was a very prosperous and law abiding country. It was safe to walk about anywhere and all the population, Black and White were well fed. All of those people, like the labour clown Peter Hain, who campaigned so vigorously for an end to Apartheid (separate development) are now strangely mute over the appalling quagmire that South Africa has descended into. Likewise the media which never ceased to criticise the wicked White regime is now silent on the wave of savagery sweeping the country. Crime is out of control. Large numbers of White women and even babies have been raped by Blacks and many White farmers murdered, just as in Zimbabwe. AIDS is out of control and the whole country is in one hell of a mess. The following which I believe gives the real truth of the matter was written several years ago by Ivor Benson, distinguished authority on African affairs and onetime adviser to Ian Smith of Rhodesia. First published in "*On Target*" 1992. Page 8.

HOAX: Freemasonry is a harmless club devoted to helping charitable causes, assisting fellow Masons when in difficulty and facilitate their advancement into the best and most lucrative jobs. To demolish this myth we cannot do better than quote the feelings of Chief Inspector Reginald Morrish on the subject of Freemasonry and corruption in the police as disclosed by his son.

Chief Inspector Reginald Morrish who had a long and distinguished career in the police serving on the fraud and homicide squads and ending his career as a Chief Instructor at Hendon Police College, burnt his entire "police Papers" before he died at age 92. His son Ivor wrote about his father's thoughts: "During the whole of my early life at home, including a period in which we lived at a very busy police station in south London, my father's chief topics of conversation were the police, religion, bribery and corruption. Which he saw as rife at all levels in the police force, and Freemasonry. The one thing which seemed to worry him most of all was the connection which he felt existed between Freemasonry and corruption, and between freemasonry and self-advancement in the force. In his view there was no room for doubt about these connections. He used to list all the officers who were Masons. He noted the dates of their promotions, whether they had jumped anyone else of equal or greater ability and all their connections with other officers in the force.

On many occasions he was invited to join the Masons (his two brothers were members) and he used to tell numerous stories of how both Police Officers and criminals sought favours of him in his pursuance of the detection of crimes. They seemed to assume that — like most other 'successful' officers in the Met — he was a Mason of some standing. He received Masonic handshakes by the score when investigating crimes, and he was offered bribes in the form of money, goods and even the services of women, in order that he might overlook vital evidence. Of course, not all those attempting bribery were Masons but, according to my father, many were.

The most common expressions used by my father in relation to work were 'he is on the take', 'he is taking back handers', he is 'on the square' until I personally (quite wrongly) came to equate being 'on the square' with being amenable to bribes, corruption and perjury. So often did he use these phrases in juxtaposition. Later on in life we discussed the position of Freemasonry in the force and its connection with corruption and self-advancement at the expense of others. It became clear that he regarded Freemasonry as an evil *per se* which was to be held responsible for the larger proportion of corruption in the police force." ***Taken From Inside The Brotherhood*** Martin Short and ***Bent Coppers*** James Morton.

Just a casual investigation of the subject will soon confirm that Police corruption is not and never has been, on a small and insignificant scale. Police corruption is on a massive scale. Especially is this the case in the City of London and Metropolitan Police. There are numerous examples of Police working hand in glove with criminals and taking handsome bribes and payoffs. Committing perjury and falsifying and suppressing evidence to get known criminals off the hook, setting up innocent people and planting evidence. According to one lawyer as much as a third of all police evidence given in courts is false and perjured. The comment of Commissioner Sir Robert Mark is interesting in this regard when he declared that the CID were "the most routinely corrupt organisation in London". "***BENT COPPERS***" James Morton. It is estimated that between 10 and 20% of all Policemen are Masons. According to Short "one in six of all men in the English and Welsh forces". Almost without exception all the Police hierarchy are Masons. So it must be transparently clear that Masons are over promoted at the expense of non- Masons. Not to be a Mason in the force is fatal to one's advancement.

"it is almost impossible to rise above the rank of sergeant unless you are a Mason." Someone once commented accurately that Masonry guarantees all the worst people are promoted to top the jobs. Freemasonry is linked inextricably, inseparably and permanently to corruption and promotion in the police.

HOAX: The BBC is fair and impartial. The misnamed BBC is dominated by queers, ethnics and lefties. It is anti-Christian, anti-patriotic and anti-truth. It regularly churns out lies, misinformation and race mixing slush by the bucket full. It has been labelled Blatant Bias Corporation but perhaps a more fitting name is British Befooling Corporation or Anti-British Broadcasting Corporation. It has conned the British on every vital issue under the sun. It has been in the forefront of promoting the moral, racial and religious ruination of

Britain. It has perverted and twisted history, turned truth upside down and made a refined art form of promoting lies, trivia, sweet nothingness, noise and degeneracy. It has made heroes of egotistical loud mouthed, clumsy oaths whose only real claim to fame and fortune is their incredible skill at kicking a ball between two posts. A modern form of 'bread and circuses' while their country is given away to foreigners and their children's birthright and inheritance stolen from them. "Executives admitted the corporation is dominated by homosexuals and people from ethnic minorities [and] deliberately promotes multiculturalism..."

From ***The Daily Mail*** - a Jewish owned and controlled concern of Oct 22nd 2006 'We Are Biased, Admit the Stars of BBC News.' "The BBC is dominated by trendy Left- leaning liberals who are biased against Christianity and in favour of multiculturalism." A leaked account...called for by BBC chairman Michael Grade(real name Leogradsky-a Polish Jew) about its reporting on key issues is certain to lead to a new row...BBC executives admitted; the corporation is dominated by homosexuals and ethnic minorities and deliberately promotes multiculturalism and is more sensitive to the feelings of Muslims than Christians - they would let the Bible be thrown into a dustbin on a TV comedy show but not the Koran. Alan Yentob (BBC's head of Drama - Iraqi Jew) agreed they could all be thrown in the bin except the Koran for fear of offending Muslims.

Political pundit Andrew Man said "The BBC is not impartial or neutral it has an abnormally large number of young people ,ethnic minorities and gay people."

Onetime BBC business editor Jeff Randal said "The BBC is not neutral in multiculturalism, it believes in it and promotes it."

So there you have it, the so called BBC is run by foreigners and staffed by queers, ethnics, Lefties and traitors who promote multiracialism and multiculturalism. In simple language the corporation is actively promoting perversion and the death of White Celtic-Anglo-Saxon Britain. It is really the 'B' Befooling Corporation. It has certainly fooled the British on every major issue under the sun.

Onetime Newsreader and Reporter Angela Rippon described herself and others of her ilk as "highly paid parrots." For a massive salary they are prepared to read out anything that is flashed on a screen in front of them. They regularly dish out lies and falsehoods. They are people without scruples.

HOAX: John F. Kennedy was assassinated by Lee Harvey Oswald.

Most people know that the American CIA and Israeli Mossad are criminal organisations responsible for assassinations, murder, outrages, tortures, mayhem and carnage everywhere around the globe. A favourite trick of theirs is to commit some terrible atrocity — the more horrific the better, and point the finger of blame at your opponents — people and organisations you want to discredit. Michael Collins Piper in his 600 page book "**Final Judgement**" the definitive study of the assassination of John F Kennedy in 1963 proves conclusively that the Jewish Mossad was responsible, and Oswald was just set up to take the blame. JFK was murdered because he was determined to keep nuclear weapons out of the

hands of the Edomite State of Israel. Kennedy had also determined to dismantle the CIA, pull American troops out of Vietnam and abolish the Jewish created, owned and controlled Federal Reserve which had impoverished America and saddled the US Government with a multi trillion dollar debt; serviced out of taxation of the people making every American tax and debt slaves. Kennedy appeared to know exactly what was going on. He declared:

"Ladies and gentlemen, the very word secrecy is repugnant in a free and open society and we are, as a people, inherently and historically opposed to secret societies, secret oaths and secret proceedings. For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence, on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice. It is a system which has conscripted vast human and material resources into the building of a tightly knit highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations. Its preparations are concealed not published, its mistakes are buried not headlined, its dissenters are silenced, not praised, no expenditure is questioned no secret is revealed. That is why the Athenian law maker Solon decreed it a crime for any citizen to shrink from controversy in a free and independent society. I am asking your help in the tremendous task of informing and alerting the American people, confident that with your help man, will be, what he was born to be, free and independent."

HOAX: Millions have been killed in German Concentration Camps.

It is true that millions were killed in Concentration Camps but they were in Russia, not Germany, and a network of them was spreading across Europe. Stalin was the biggest mass murderer of the twentieth century; not Hitler. The Red Cross had access to all the German concentration camps during WWII and they saw no evidence whatsoever of exterminations of inmates. Furthermore, in all of Church-

ill's voluminous writings on WWII there is not a single reference to a holocaust or mass murder of Jews, 'gas chambers', 'a genocide' or 'six million'. In Eisenhower's 'Crusade in Europe', a book of over 500 pages, there is likewise no mention whatsoever of six million exterminated in 'gas chambers'. De Gaulle's three volume Memoires de guerre running to 2,054 pages there is absolutely nothing of any mass murder in the camps.

A plaque at Auschwitz concentration camp claiming that 4 million people had been exterminated has now been reduced by three million, stating that one and a half million were murdered there. No reason has been given but the six million has not been revised accordingly. This comes in the wake of the communist authorities stating that the only gas chamber at Auschwitz was built by them at the end of WWII to fool gullible tourists. Consult "*The Synagogue of Satan*" by Andrew Hitchcock..

HOAX: Hitler was responsible for WW2. He was a megalomaniac and wanted to conquer the world. Just a few people have discovered one of the real reasons for WW2. Below are just two:

Ernst Zundel, declared a 'terrorist' and imprisoned without charge or trial by the corrupt Canadian government wrote concerning the real cause of WWII: "I could not forgive and forget all that needless pain, destruction and murder inflicted so callously on our people who had no way of defending themselves against such odds. They were being victimized - brutalised, beaten, starved, raped and murdered - by those whom the German sacrifice also would have liberated from the claws of usury.

I have seen very few post war WWII books that explain the real reason for that war. Only Major J. F. C. Fuller, the prolific author - and military historian, quotes Bernard Baruch - stating that this was punishment for Hitler and for Germany, for daring to phase in a fairer-to-all international trade and financial order. Only Fuller understood the tragedy.

It wasn't Kristallnacht. Not the Nuremberg Race Laws. Not Auschwitz, Treblinka or Dachau! **Hitler's war on usury, on interest slavery, was the reason - his successful policy of substituting barter, instead of allowing banks their huge interest cut on international financial transactions and loans.**

The Russian, Andrei Krylienko in his book "*The Red Thread*" also puts his finger on the real cause of WWII: "Hitler was keenly aware of the role of money and loan capitalism as the secret weapon of Jewry. Advised by his Minance Minister Schacht, he succeeded in financing the German war effort without gold reserves and despite economic isolation but his monetary policy settled his fate as surely as the fate of Napoleon (and Abraham Lincoln) had been settled by his plan to free Europe from the bankers hegemony"

One thing is for sure, the economic miracle that Adolf Hitler accomplished in Germany after the disastrous hyperinflation of the Weimar Republic could not be allowed to continue. These two facts are indisputable:

- 1.) The industrialized world was in the grip of the Great Depression, except for Germany.**
- 2.) Of these countries, all of them had private national banks run by Jews, except for Germany.**

World Jewry could not allow this state of affairs to continue, as it would soon become obvious that private banks, such as the Federal Reserve in America, are always a blight on a nation's economy. Germany, following the example set by Abraham Lincoln during the Civil War, issued a debt-free national currency. If this fact were to become public knowledge elsewhere,

people would understand that a world without parasitic Jewish bankers is a prosperous, peaceful world. Hitler was proving this to all who understood economics!!! The Zionist International, in order to ensure that the rest of the world would not understand this basic fact, had no choice but to plunge the world into another catastrophic war. The Zionists declared war on Germany in 1933, a full six years before the outbreak of WWII. Orthodox "history" books always fail to mention such significant facts. In order to cover up their guilt, the Zionists invented the hoaxocaust, as a smokescreen for their own genocidal greed. Hitler and the Nazis have been turned into an ogre by the MEDIA LIARS OF WORLD HISTORY who slavishly serve the greatest con-merchants, deceivers and mass murders in all of human history - THE INTERNATIONAL JEWISH MONEY CHANGERS - who hold all the organs of mass communication in the palm of their hand.

Hitler came to power in 1933 that very same year International Jewry declared war on Germany. In me January 1934 issue of "*Mascha Rjetch*", Cladimir Jabotinsky, founder of the Zionist terrorist organisation Irgun wrote: "*We will start a spiritual and material war of all the world against Germany... Our Jewish interests demand Germany's total destruction*" Other Jewish writers declared: "*It is to be a war of extermination*" and "*It is up to us to start a merciless war*"

HOAX:. *T.V is wonderful entertainment and keeps people informed about what is going on in the world.* The quotation below is from a film called 'The Network' It happens to be completely true:

“We are in a lot of trouble because you people and sixty two million other Americans are listening to me now. Because less than three per cent of you people read books, because less than fifteen per cent of you read newspapers. Because the only truth you know is what you get over this tube. Right now there is a whole ,an entire generation that never knew anything that did not come out of this tube. This tube is the gospel, the ultimate revelation. This tube can make or break presidents, popes, prime ministers. This tube is the most awesome God damn force in the whole godless world and woe is us if it ever falls into the hands of the wrong people and when the largest company in the world controls the most awesome God damn propaganda force in the whole godless world. Who knows what sh..t will be painted as truth on this network? So you listen to me ,listen to me. Television is not the truth, television is a God damned amusement park, television is a circus, a carnival, a travelling troop of acrobats, story tellers, dancers, singers, side-show freaks, jugglers, lion tamers and football players. We are in the boredom killing business. But you people sit there day after day, night after night, all ages, colours and creeds. You are beginning to believe the illusions we are spinning here. You are beginning to think that the tube is reality and your own lives are unreal. You do whatever the tube tells you, you dress like the tube, you eat like the tube, you raise your children like the tube, you even think like the tube. This is mass madness, you maniacs. In Gods name, you people are the real thing, we are the illusion”.

T.V.is controlled at the top by the greatest liars on the planet. It is not in the business of accurately reporting the news. Its function is to dissimulate, twist, distort and lie about everything of importance on the planet. It is not there to inform but to form, shape and mould peoples' thinking for them. To lead them in the direction and along the path planned for them by the real controllers acting behind the scenes. The pathway to slavery and extinction. T. V. has anaesthetised the mass mind. Turned otherwise intelligent people into docile and compliant zombies who regularly swallow all the lies dished up to them by psychopaths who stand behind the booby tube. Power-crazed demonic personages of fabulous wealth who are hell bent on controlling the whole planet and everybody on it. They own and control all the mass media but television is their most powerful weapon of mind control..

HOAX: *Our government and media always give us the news that really counts.* A major story, perhaps the biggest ever, is being hidden from the people **SOMETHING IS HEADING OUR WAY FROM DEEP SPACE**. More and more information is leaking out that a large object from outer space is speeding towards the earth on a collision course and will strike in 2012. The latest news comes from a top Norwegian politician. Although sworn to absolute secrecy he feels that the matter is of such vital importance that everyone should know. So he has 'blown the whistle', disclosed all that he knows of the matter. In a letter published in the February/March edition of "*Nexus*" he reveals that the Norwegian and other governments round the world have "instituted crash programmes to build deep underground bases and bunkers on high ground." He revealed that they are all scheduled to be finished before 2011. In these deep shelters hidden away inside mountains they are storing up to five years supply of food, water, seeds and all essentials. According to him they have already constructed five huge shelters in Norway and hope to save two million of the population. The worldwide shelters are for the 'elite' of power, like politicians and bankers and "those that can build up again: doctors and scientists and so on". Everyone left on the surface of the earth will, according to him, be obliterated. His advice is to get onto high ground because giant tidal waves will sweep the earth and there will be terrific cosmic upheaval. If you know of a cave placed high up a mountain and can stock it out with five years supply of food and water, you might possibly survive. He writes "As for me, I already know that I am going to leave before 2012 to go (to) the area of Mosjoen where we have a deep underground military facility" ... "The people that are going to be left on the surface and die along with the others will get no help whatsoever".

If this story is to be believed and I, for one, believe it to be entirely genuine, the people who consider themselves to be the 'elite' have feverishly been making plans to save themselves for a long time. They have kept the story under wraps and out of the public domain for fear of creating worldwide panic — so they claim. Apparently, this astronomical object has been under observation for a very long time and its trajectory has been carefully plotted and calculated. It has been labelled 'Planet X'. X is the Roman numeral for ten and as there are nine planets in our Solar System, presumably 'Planet X' has swept in from deep space, beyond the orbit of the ninth planet, Pluto. This object has been designated a 'Planet' but it could well be something entirely different. According to another source the British government have built a huge system of underground tunnels and caverns deep in the Pennines where all the 'top' people will take refuge when the time comes and where they think that they will be safe.

I must say that reading about all this frantic effort to hide away deep inside the rocks and the mountains for protection from something coming from out of space reminded me of certain prophecies in the Bible.

"and there was a great earthquake such as was not since men were upon the earth, so mighty an earthquake and so great ... and the cities of the nations fell ... And every island fled away and mountains were not found. And there fell upon men a great hail out of heaven, every stone about the weight of a talent ... And the heavens departed as a scroll when it is rolled together and every mountain and island were moved out of their places ... And the kings of the earth, and the great men and the rich men, and the chief captains and the mighty men and every bondman and every free man hid themselves in the dens and in the rocks of the mountains ... For the great day of his wrath is come: and who shall be able to stand". Verses from the 6th and 16th chapters of Revelation.

HOAX: *We have a fair and honourable system of justice in Britain and the Police are the best in the world at solving serious crime.* The murder of five Ipswich prostitutes by alleged local man Steven Wright received massive media coverage. Likewise the horrific murders of Holly Wells and Jessica Chapman by alleged killer Ian Huntley and girlfriend Maxine McCann dominated the news for months. Just because both alleged murders were found guilty by the due process of the law does not mean by any means that they were the real culprits. It is an easily proven fact that there have been many miscarriages of justice. Very often

the innocent are found guilty and the real culprits go free. It is also a fact, not fiction, that the police have a record of wrongful convictions as long as the street outside. For just one tiny example read the book "*Doing Time*" by Noel Mellowes; a former policeman convicted and sentenced for a murder he never committed.

In the two books "*Bent Coppers*", same title by different authors, James Morton and Graeme McLagan, are many examples of the police being involved in major crimes, planting evidence, set ups and cover ups and, in some cases, sharing the loot with criminals. For over a hundred years the police have been dominated by Freemasonry. Since all members of the legal profession from judges down to lawyers and court officials are also Freemasons, the whole British legal system is under Masonic control. Masons are all sworn to help fellow Masons rise up in business and assist in every way possible other members of their craft in difficulties, even to the extent of committing perjury to protect them. One lawyer stated that as much as a third of all police evidence given in courts is false and perjured. It is impossible to have a fair and impartial system of justice when it is all controlled and administered by Masons who regularly lie under oath in the interests of Masonry. Such a system can only be an inversion of justice. It would come as a great surprise to lower degree Masons to learn that Mreemasonry is a satanic religion hidden behind a lot of mumbo jumbo, enigmatical symbolism and blood curdling oaths. This fact has been stated by many authorities on secret societies like Texe Marrs in "*Codex Magica*" and Steven Knight in "*The Brotherhood*". It is a positive certainty that injustice, wrongful convictions and double dealing can only flow from such a system of pretended justice. So it has been and will continue to be.

There is an alternative explanation for the Ipswich murders — presented in some detail in an internet article. They were murdered by MI5 to take the spotlight off Tony Blair who was getting a lot of embarrassing media coverage. Wright, who was known to consort with the Ipswich prostitutes, was set up to take the blame. People who knew him well said that he was incapable of such a crime.

The bodies of Jessica Chapman and Holly Wells were found just outside the perimeter fence of a huge U.S. Air Force Base. Nearby Mildenhall is the transit for all U.S. personnel coming and going from Iraq and Afghanistan. Many of them are on prescribed drugs up to their eyeballs. It is a fact that some of them have returned home and committed similar crimes. Yet the Americans were totally excluded from the Police investigations. Why? The answer is obvious. Just imagine what the conviction of an American serviceman would have done for Anglo-American relations. That could not be allowed to happen.

HOAX: *There is no absolutely safe antibiotic which does not have side effects.* An estimated 10,000 people a year are dying in hospitals due to so called 'superbugs' which are resistant to most antibiotics. The real figure is probably much higher. The antibiotic era began in earnest in the early 1940's with the discovery of penicillin — the first antibiotic. They had an enormous impact on the conquest of infectious disease and saved many lives. But now infectious disease has made a powerful come back beginning in the 1970's. New strains of pathogenic bacteria have been developed resistant to almost every antibiotic developed. Like MR (multiple resistance), Pneumococcus and MR Tuberculosis. Antibiotics were once very effective against bacteria causing disease but useless against virus infections like the common cold. Even though doctors sometimes prescribed antibiotics to patients suffering viral diseases just to comfort them.

In their creation of huge stockpiles of biological weapons, the Russians 'discovered' that there was a substance they called Movidyn which gave resistance to all their weapons of germ warfare. The Movidyn formula seems to have been suppressed to the world. But we know for sure that it was derived from silver.

For millennia silver was known to protect from disease. The Roman patricians (aristocrats) used silver tableware because they had some knowledge of its defence against disease. Pliny the

Elder in his "*Natural History*" wrote in 78AD of the healing properties of silver and how it was used in the treatment of wounds. Geber (702-765) also described the use of silver as a medicine.

In 1910, Albert Barnes and a Prussian chemist named Hille discovered a method of combining silver with a vegetable protein. It was called Argyrol and was the only non toxic antibiotic on the market. It was widely prescribed for over 50 years because it had no allergic reactions. Several papers appeared in the "*Lancet*" and "*British Medical Journal*" describing the successful use of silver colloids in many medical applications, including septicaemia and puerperal fever. Today, silver is widely used in the treatment of severe cases of burning. Also, the claimed benefits of acupuncture to treat many conditions may be due more to the silver needles used than anything else. In fact, many people in Britain who know the truth about silver's wonderful healing qualities and its destruction of all known disease causing bacteria and viruses, regularly drink a solution of colloidal silver.

It has been discovered that even when diluted down to ten parts per million it still retains its healing qualities. It has been found useful in the treatment of scores of conditions from acne and allergies to warts and whooping cough and yeast infection, everything from a to z.

The big pharmaceutical companies can't make money out of it so the incredible healing properties of silver have been suppressed from the public.

There is some truth in the old saying given to someone healthy, strong and vibrant "he was born with a silver spoon in his mouth". Parents should use hallmarked silver spoons to feed their children, not plastic rubbish. Consult "*The Colloidal Silver Report*" by Zoe Adams.

This knowledge can save lives especially with the threat of anthrax and other disease attacks by terrorists. Silver is nature's most powerful antibiotic and is lethal to all known pathogens.

Moreover, it is one hundred per cent safe and has no side effects whatsoever.

HOAX: UFO's are extra-terrestrial. Some UFO's are extra-dimensional. They are from another dimension here on earth. Closely associated with UFO appearances are alien abductions of humans who have been subjected to some form of medical examination and animal mutilations. In animal mutilations, the unfortunate animals are levitated off the ground and sections of the body removed with precision like accuracy by some form of laser and all the blood is drained, the remains are then dropped. It is

claimed that millions of humans have had brain implants performed by these so called 'extra-terrestrials'. Whatever way you look at it they are exceedingly malevolent and positively hostile to human beings.

In the book "*Alien Conspiracy Theories*" by Nigel Cowthorne it is claimed that extraterrestrials are working with a human workforce in vast underground complexes in America on creating super advanced space vehicles, powered by anti gravity and anti matter devices. Area 51 is one such complex. In dealing with most UFO phenomena we are dealing, not with entities from distant worlds, but with satanic spirits from the realms of darkness. The Bible clearly teaches that these malicious spirits are demons, fallen angels, what our ancestors called 'mischievous spirits'. Through Secret Societies and religion they have controlled people from the dawn of history. Now they are posing as space visitors from other worlds. But they are exactly the same

spirits that for years have operated through spiritism, black magic, voodoo, Ouija boards and now the pop and drug culture and UFO's.

During WWII, the German Werner Von Braun developed the V2 rocket capable of flying 60 miles high at 2,000 mph. Over a thousand of these rockets fell on England and the allies had no defence against them. At the end of the war the Americans captured several V2's and Von Braun and took them to America. Von Braun was the rocket genius behind the programme which put a man on the moon. (Many now believe that the moon space programme faked). According to numerous authorities the Germans had also invented and developed anti-gravity flying machines. As the war approached its climax most of these were evacuated to secret bases in Argentina and the Antarctic. At a Conference on Global Deception held at Wembley in 1993 it was stated that Germany landed on the moon in 1939 and crash landed on Mars in 1945. I must say that this claim seems very unlikely.

Some of these machines fell into the hands of the Americans at the end of WWII. They have been refining and improving on them ever since and have now produced extremely sophisticated and advanced space vehicles. At huge complexes across America like Roswell and Area 51 the Americans build and test fly these machines. Read "*UFO's, New Nazi Secret Weapon*".

To keep the multitudes in ignorance and throw them off the scent they initiated the Alien Invasion Mythology and arranged incidents of crashed UFO's and little almond eyed men nonsense. According to one speaker at the above Conference all of this advanced technology is now in the hands of the secret World Rulers who may use it to fake an alien invasion from outer space. The object being to get the nations to shelve their differences and accept One World Government Films like '*Independence Day*' may be conditioning the multitudes for such an event. It is now also possible to project huge hologram pictures into the sky, giving every appearance of reality, making it possible to fake an alien invasion or even the Second Coming. Also, highly efficient killing machines have now been developed, like particle beam death rays and powerful lasers. Already, the Chinese have got hold of laser rifles from America and are mass producing them for their army. These lasers can burn out the retina of the eye causing permanent blindness.

For decades China has obtained all of America's very latest technology through Israel. Jews totally control America and sell all her secrets on to China.

HOAX: *The Jews are the Israel of the Bible.* At the beginning of the 19th century, just before the reign of Victoria, people began to ask questions about the origins of the Anglo Saxons. Who were they? Where did they come from? Who were their ancestors? A distinguished London attorney, Sharon Turner began to answer these questions. His in-depth research and numerous books on the subject soon made him the foremost authority on the history of the Anglo Saxons. In "*The History of the Anglo Saxons*" written between 1799-1805 he revealed that the Anglo Saxons were descended from the Scythians

who came to Europe from the cities of the Medes on the Gozen River. This was the exact spot where the tribes of Israel had been placed upon being conquered and deported by Shalmaneser V of Assyria around 720 BC (II Kings 18.11).

The Scythians were first mentioned in history around 681BC and Assyrian tablets (now in the British Museum) found at Nineveh, capital of the Assyrian Empire. Other records from Nineveh and Babylon prove that the Israelites were the Sacae and the Scythians.

Along the old caravan road that runs between Nineveh and Ecbatana (ancient capital of Media) is a 1,700 foot high limestone mountain, near the village of Behistun, about 300 feet from the base of this mountain are carved messages in three different languages, Babylonian, Elamite, and old Persian. Rawlinson, an Englishman in the Persian army, is credited with the key to understanding these ancient inscriptions. The inscription in the three languages are identical. They refer to a revolt of Sakuka the chief of the Sacae who dwelt upon the Tigris. The inscription lists different peoples Darius conquered. One of these people is called the Sakkas. In the Babylonian inscription they are called Gimri. 'From the Persian, Babylonian and Assyrian records'. It is beyond dispute that the Iskuza, the Sakka, the Scythians, the Cimmerians and the Gimri were all the self same or different tribes of the same peoples and they were the Israelites". **"Uncovering Your Hidden Inheritance"** by RA. Balaicus.

The Scythians were later called Goths or Gothi and were called such by the Romans. These were the Germanic tribes of Europe who became known as Saxons, Jutes, Danes, Angles, Vikings and Normans etc (those who settled on the coast of Normandy) and who finally colonised much of Europe and Britain.

Prof H. Huxley wrote in **"Racial Origins"** The Invasions of the Saxons, the Goths, the Danes, the Normans changed the language of Britain but added no new physical elements. Celts and Saxons are all one. All the branches who flowed into Britain are branches of the self same stock". This is confirmed by a whole host of scholars too numerous to list here.

The Christian minister, L.G.A. Roberts in his book **"British History"** Traced from Egypt to Palestine describes an incredible rock carving found near Bhopal in India which is dated the 4th century B.C. The carving contains the symbols of Britain; a lion and unicorn, together with two Union Jacks and another Union Jack in the form of a shield and the American flag - a banner with numerous five pointed stars. Other writers describe how a branch of the Sacae anciently travelled to India and founded a great civilisation there.

Strabo (64BC - AD23) the Greek geographer and historian and Pliny the Elder (AD 23 - 79) the Roman historian both confirm that the Sakai (now called Saxons) were Scythians. It is also significant that one third of the words in early English are derived from Hebrew. The word Saxon comes from the name of Isaac by dropping the prefix "I". Saacson, or Saxons means literally 'sons of Isaac'. See Genesis 21.12.

The Declaration of Arbroath issued by Robert the Bruce in 1320 states - "The nation of the Scots passing from the greater Scythia through the Mediterranean Sea and the Pillars of Hercules and sojourning in Spain among the savage tribes, through a long course of time, could nowhere be subjected to by any people however barbarous, and coming thence. 1,200 years after the outgoing of the people of Israel, they by many victories and infinite toil, acquired for themselves the possessions in the West which they now hold after expelling the Britons and completely destroying the Picts.

The document also states "Our Lord Jesus Christ called them - though situated at the uttermost parts of the earth - to His holy faith - by the Apostle Andrew; the brother of St. Peter."

Some 90% of the people now known as JEWS are descended from the Turkish/Mongol Khazars of Eastern Europe who adopted the religion of Talmudic Judaism in the Eighth Century. Not a drop of Israelite blood flows in their veins. They are not even Semites, let alone Israelites. They have no historical right to the land of Palestine which they have stolen from the Arabs and Palestinians. They are the Biblical Edomites. The age long enemy of the true Israel of God, now represented in the Celtic Anglo Saxon Nordic Germanic peoples. Consult **"The Thirteenth Tribe"** by Arthur Koestler.

KGB agent and Political Head of subversive organisation whose aim was to infiltrate the political parties at the top and work to undermine traditional Britain. Rothschild was head of the Biological Section and manager of the whole outfit. All this was revealed years later by Dr. Kitty Little when an attempt was made to recruit her in Wilson's room in University College, Oxford in the early forties. Lady Jane Birdwood revealed that she should have made this known sooner as it would almost certainly have destroyed Wilson's political career. Wilson was made leader of the Labour Party when Hugh Gaitskell died unexpectedly (probably murdered) and won the election in 1964. His policies were a disaster for Britain Abolished our old Imperial System of money, weights and measures for the metric and is remembered for

his soon to be proven lie "it won't affect the pound in your pocket". Read "***Enemies of the Queen***" by Dr Kitty Little.

The founder of the Rothschild Money Power was Mayer Amschel (1743-1812). His five sons established Banking Houses across Europe. They soon discovered that they could lend money many times in excess of what they held in their vaults. They became Moneylenders to kings and nations and wormed their way into their confidence. They had honours, titles and distinctions showered on them. They financed both sides in a succession of wars in which Christian nations slaughtered each other. By sheer cunning and chicanery they became the richest family on earth and the recognised leaders of World Jewry. Mayer told his five sons "all the world must belong to us Jews and the gentiles being mere excrement of animals must possess nothing". "Let me control a nation's money and I care not who writes it laws". Count Cherep Spiridovitch wrote "The Rothschilds (German Red Shield) have been the backbone of all political and financial happenings since 1770. Their name ought to be mentioned on each page of the history of every country. The authors, teachers, lecturers and politicians who do not speak of them, must be considered dupes, hypocrites or criminally ignorant. "***The Secret World Government***". He proves that they have been behind all the wars, revolutions, assassinations, turmoil, trouble and grinding poverty of the past two hundred years. The Rothschilds are the secret leaders of Freemasonry and the ultra secret satanic sect of the Illuminati. They own and control all the newspapers and the rest of the media. Politics and politicians are all in their pocket. They are the visible agents of Satan on earth and the most evil family in history.

Stalin

All the people who conceived and funded Communism and forced it on the Russian people were Jews. Even Churchill wrote "The principal inspiration and driving power comes from the Jewish leaders". "***Illustrated Sunday Herald***" February 1922. Karl Marx's real name was Moses Mordecai Levi. Lenin's was Hiam Goldman, Trotsky's was Lev. Davidovitch Bronstein, Stalin's was Djughashvilli (this word translated from Russian means "son of a Jew"). The Jews established the most murderous system of government ever with from 66-100 million mainly Christians butchered. This

is THE REAL HOLOCAUST OF THE TWENTIETH CENTURY and a fulfilment of the Talmud which teaches "Extermination of Christians a necessary sacrifice".

American Presidents assassinated by the Jewish Money Power for opposing their plans. Abraham Lincoln. Shot 1865. James Garfield. Shot 1881. John F. Kennedy shot 1963.

James Garfield. Born in a log cabin, twentieth president of the U.S. shot a few months after taking office in September 1881. Count Cherep Spiridovich wrote "A Jew John Wilkes Booth, obviously an agent of the Hidden Hand murdered Abraham Lincoln". When another honest President, Garfield said "Whoever controls the money of a nation, controls that nation. He was shot, for the same reason by the same Hidden Hand".

J.F. Kennedy was assassinated because he wanted to return the control and creation of money back to Congress as stated in the American Constitution. He released several million dollars of debt free money into circulation which was not Fed. money and for this he was murdered.

Disraeli, Jewish Prime Minister (1804-81) created Earl of Beaconsfield, founder of the modern Tory Party. A Rothschild agent - revealed much of the real truth of things in his novel "*Conningsby*" - how super wealthy Jews stood behind the seats of power in every land and how members of his own tribe were behind all revolutions and social upheaval. He revealed the "first Jesuits were Jews" which means that the Jews have always been the secret masters of this sect and still control it today. He wrote "The World is governed by very different personages from what is imagined by those not behind the scenes". "Governments do not govern they merely control the machinery of government being themselves controlled by the hidden

hand". The "hidden hand" being the Money Power led by a Rothschild (Sidonia). For two centuries the Rothschilds have been the real rulers of Britain. Elections are merely a circus show to fool the sheep. M.P's are spineless and gutless knaves and fools.

Khrushchev (real name Pearl Mutter) declared at the UN, "We will bury you". Russian disintegration and weakness all a ploy to deceive the West behind which they hide enormous military strength. While the West disarms they have updated all their weapons.

HOAX *The UN and its various agencies is promoting peace and the betterment of mankind.*

The World Health Organisation (WHO) is working to eliminate disease. The Charter of the UN was copied almost word for word from the Communist Manifesto by American Soviet spy Alger Hiss and Soviet Moreign Minister Andrey Andreyevitch Gromyko (real name Katz). The ground on which the UN building stands was donated by the Rockefellers. From its conception it has been northing but a modern Babel and has stirred up trouble and strife everywhere. According to New York Jewish lawyer Henry Klein in his two books '*Zionism Rules the World*' and '*A Jew Exposes the Jewish Worldwide Conspiracy*' the UN is the prototype for One World Government mentioned many times in "*The Protocols*." He wrote: "The world is ruled by Zionism. The United Nations is the symbol it its authority. It is the super- government outlined in the Protocols". While another Jew, Harold Wallace Rosenthall declared: "The UN is nothing but a trap door to the red world's immense concentration camp. We pretty much control the UN"

The UN has declared in its numerous policy statements that there shall be international interbreeding to create a "uniform one world population". When your government signed up to the UN Treaty it agreed to this aim. This is the real reason we have some 15 million coloured immigrants in Britain and interracial breeding is being vigorously promoted by every means and avenue possible. The final goal is no less than the total obliteration of White-Celtic-Anglo Saxon Britain. They plan to create a coffee- coloured hybrid population of "all-sorts" without history, identity or purpose who they can more easily control. If you think this is far fetched just look around you.

To demonstrate the sinister and malevolent nature of the UN we have only to consider the activities of just some of its numerous agencies. The World Health Organisation deliberately spread the Aids virus throughout Africa in a UN sponsored smallpox vaccination campaign. This was claimed by "*The Times*" of 11th May 1987 in a lead article headed "Smallpox Vaccine Triggered Aids Virus". 15,000 Haitians were also vaccinated at this time. Like Africa, Haiti is riddled with AIDS as is Brazil which for years obtained its blood for transfusions from Africa. Dr. Lorraine Day, a Professor of Medicine and numerous other authorities like Dr. Robert Strecker, another expert on AIDS, have unequivocally declared that the AIDS virus is man-made and has been spread round the world deliberately to infect and kill as many people as possible. The 'Ruling Elite' who are the same as the Money Power and the top Freemasons plan to reduce the world population from the present 6 billion to 1 billion, some even say half a billion. In other words, they plan to murder some five and a half billion people. Lorraine Day has also stated that top US government labs are trying to create an even more deadly virus that will wipe vast numbers of people out. She has stated that both SARS and Bird Flu are man made but they haven't yet succeeded in creating a strain that will really take off. She wrote:

"The 'Bird Flu' (supposed) pandemic is not happening fast enough for the New World Order/Illuminati, so to make sure that a pandemic does occur and to make sure that masses of people do die, the US Centre for Disease Control (CDC) is now creating a mutation of the 'bird flu' virus that will do a better job of infecting human beings.

According to the "*Wall Street Journal*", and reported by "*United Press International*" on 24 March 2006, the CDC scientists (inside an ultra secure laboratory) are combining the genes of the 5N1 avian virus (bird flu) with the genes of an H3N2 virus, the strain behind most (regular) human flu outbreaks."

"The goal is to substitute the eight genes of each virus, one by one, with the eight genes from the other virus to see which of more than 250 possible combinations **create flu viruses that could spread easily among humans**". As stated in my previous article "Bird Flu" Hoax, only about 65 people in all of Asia (population over 3 billion) have died from "Bird Flu" over the last seven years! (Even if we could believe their numbers!) President Bush is talking of calling out the military and quarantining large numbers of people. The UK is discussing plans for mass graves, anticipating that 320,000 people will die in Britain. Yet not one person, either in the US or in the UK has died from this supposed "Bird Flu". This is outrageous!

The object of this diabolical plan is to frighten people into getting vaccinated, or even worse to declare mandatory vaccinations for everyone IN ORDER TO INJECT THEM with the many different diseases that will be included purposely in the "Bird Flu" vaccine. This will assure the Illuminati of the Pandemic and mass deaths they so fervently desire.

The CDC and the government will explain this away by saying, "We just want to create this virus that will easily infect human beings, so if it ever happens in nature, by chance, we will be ready with a drug to treat it (they're planning to use chemotherapy) or a vaccine to prevent it." Don't believe them. This is part of the Illuminati's plan for population control, the plan to kill 90% of the population of the world within a decade or so.

Vaccinations, all vaccinations, are neither safe, nor effective. They do not prevent disease. They cause disease.

Prince Philip and his son, Prince Charles, frequently speak of "Sustainable Development". That is a euphemism for eliminating the vast majority of the world's population so they and their friends can have the entire earth for themselves. They want to return to what they term a "post-Industrial Society", a society like the one that existed before the Industrial Revolution, a

society in which there were the wealthy, and the slaves, with no middle class. In this society, the wealthy own everything, including the slaves.

They cannot achieve their goal of owning everything without creating horrific pandemics that kill millions of people.

How does one protect oneself? By not taking the vaccinations! And if one does get sick, use natural methods for treatment. Drugs never cure disease. They only cover up the symptoms, so you, temporarily, feel better while the disease gets worse. As noted by Dr. Eleanore McBean, a naturopathic physician who was alive during the devastating (and man-made) 1918 flu epidemic, The only people who developed the flu were the ones who had been vaccinated.

The Hebrew language has no actual numbers. Numbers are represented by letters. The Hebrew "V" or "VAU" represents the number 6. The number 6 represents unrest or evil. Multiplied as in 666 symbolises multiplied evil. Winston Churchill, devoted to the Cabbalists (Jewish occult teaching) introduced the Cabbalist 6 to the Goyim world as the "V" for "Victory" sign. The naïve Goyim, have taken over this evil symbol, not realising that by showing it, they are promoting the Cabbalistic aim to subjugate the world. Churchill's sign meant, not only that lie was under secret Jewish occult control, but that he was furthering their goal to take over the world.

HOAX: *Homosexuality is just another lifestyle.* Misnamed "Gays" engage in the most sordid, filthy and abominable practices known to man, i.e, anal sex, oral sex, fisting (inserting objects into the anus, hands, bottles, carrots) faecal sex (practised by 80% of queers), ingesting (faeces) urine sex (drinking or being splashed with -urine) sadomasochism (practised by 37% of queers,) receiving or giving torture. Because of these revolting practices 78% contract sexually transmitted diseases. Some 59% are infected with intestinal parasites like worms, flukes and amoebae. Up to 1992, 83% of the total Aids cases in America were amongst this filth. A "***Corey and Holmes Study***" showed that in one year the average queer sodomised 108 males and swallowed semen from 48 of them. The silly British vote large numbers of queers into Parliament while Blair's party of ruination promotes the homosexual agenda.

HOAX: *Modern art has real merit projecting an inner meaning of genius.* Modern art is daub and drivel, dross and bunk. We cannot do better than quote Picasso himself, generally considered to be the greatest exponent of the trash called modern art. Before he died, he made a complete confession and admitted that he had "exploited people's stupidity and gullibility and made himself very rich in the process".

The following comes from "***Libro Hero, edition Vallecchi***", Florence, November 1951, pages 265-268:

The moment that art ceases to be the food that feeds the best minds, the artist can use his talents to perform all the tricks of the intellectual charlatan. Most people can today no longer expect to receive consolation and exultation from art.

"The refined', the rich, the professional do-nothings, the distillers of quintessence, desire only the peculiar, the sensational, the eccentric, the scandalous, in today's art. And I myself, since the advent of cubism, have fed these fellows what they wanted and satisfied these critics with all the ridiculous ideas that have passed through my head. The less they understand them the more they admire me. Through amusing myself with all these absurd fancies I became celebrated very rapidly. For a painter, celebrity means sales and consequent affluence. Today, as you know, I am celebrated, I am rich.

"But when I am alone I do not have the effrontery to call myself an artist at all, not in the grand old meaning of the word. Giot, Titian, Rembrandt, Goya, were all great painters. I am only a clown, a mountebank

"I have understood my time and have exploited the imbecility, the vanity, the greed of my contemporaries. It is a bitter confession, this confession of mine, more painful than it may seem. But at least it does have the merit of being honest".

Galleries which display modernist junk art, like the Tate and, Christchurch Mansion — Ipswich and Brighton Dome are either controlled by Jews or have swallowed all the propaganda disseminated by the same tribe. The world famous Suffolk artist Munnings, also roundly condemned modern art for the trash and tripe it all is.

HOAX: That present processes of erosion and decay acting over vast periods of geological time have sculptured and shaped all the physical features of the earth. This doctrine called **uniformitarianism** was the basic belief of evolutionary geology from its very beginning. In recent years, geologists have somewhat modified this position. They now claim that a large comet or asteroid impact caused the extinction of the dinosaurs some seventy million years ago during the late Cretaceous Period.

They still hold to the belief that the planets have moved in orderly succession around the sun unaltered and undisturbed for aeons of time. This in spite of the fact, that there is abundant evidence within our solar system of very violent cosmic upheaval on a grand scale in the not too distant past. The scared and pitted face of our moon, covered as it is with small and very large impact craters, the asteroid belt which give every evidence of being the remains of a large planet, the rings of Jupiter, the two irregular jagged rocks forming the moons of Mars.

All of this and much more give evidence of massive cosmic devastation in comparatively recent times. The spectacular collision of the comet Shoemaker Levi with Jupiter which everyone witnessed through the wonder of television is proof enough that our fragile world is not as safe as people think. The geography of the earth itself with shifting continents and evidence of huge impact craters bear abundant testimony to the falsity of the evolutionary doctrine of uniformitarianism.

Some very old maps, called maps of the ancient sea kings, show things very different to what they are today, with Antarctica for instance, much closer to Australia than now. The map of Arontius Phinneus shows a 16 degree separation between Australia and Antarctica, while at present the separation is more like 25 degrees. With enormous changes like these occurring during the last few hundred years, evolutionists have clearly got their time scale wrong. The continents have moved apart into their present positions in a few thousand years, not millions of years. All this seems to accord exactly with the Genesis account: "And God said: "Let the waters under the heaven be gathered together unto one place, and let the dry land appear, and it was so. And God called the dry land Earth, and the gathering together of the waters called the seas." Genesis 1.

Donald Patten in "*The Biblical Flood And The Ice Epoch*", claims that the planet we now know as Mercury wandered into the Solar System from the depths of space, and before settling down in a regular orbit round the sun had a close encounter with Earth causing havoc. The 'waters ... above the firmament' fell in torrents of rain, the huge mountains chains, like the Alps and Himalayas, were wrenched up by tremendous gravitational forces, and multiple tons of snow and ice rained down in the polar regions, buying the great herds of mammoths.

Writers like Velikovsky, in "*Worlds in Collision*", claim that the Earth has been subjected to cosmic upheaval on several occasions. Indeed, Patten claims that the Earth has also had close encounters with both Mars and Venus. It is clear that much of the Earth's surface has been

shaped and moulded by titanic forces from outer space. According to Comyns Beaumont, in his "*Riddle of Prehistoric Britain*", a twin comet passed low over Western Britain, raining down multiple tons of molten rock, which solidified into granite. The comets smashed into Scotland, splitting the land mass asunder carving out the rugged terrain and creating the numerous splinter-like features in the landscape and the lochs. Beaumont claims that this cataclysm from outer space destroyed Atlantis, which was once part of a greatly enlarged Britain, and sank vast areas beneath the sea, separating Britain from the continent. The head of one comet now forms the Isle of Staffa and its famous Fingals cave.

Now all this might sound far fetched if it were not supported by a mass of supporting evidence - the most notable being five very ancient carved stones showing in graphic detail the twin comet, and on one of them people and animals fleeing before the terror. These are:

(1) The Golspie Stone;

(2) The Elgin Stone;

(3) The Broadie Stone;

(4) The Logie Stone;

(5) The Dyce Stones.

The Golspie Stone was discovered in Craighton churchyard in Dunrobin in Sutherland in the North of Scotland, and is an upright stone standing some 12 feet above the ground. In 1976, an American led scientific expedition investigated the lowest depths of Loch Ness in search of the legendary monster. Although the expedition, with its high-tech sonar equipment and cameras, did find some indications of a 30 feet long creature, they made another incredible discovery. They detected quite clearly on the floor of the loch circles of stones ranging from 15 to 150 feet in diameter which resembled the Stonehenge formations. Clearly, they were once on the surface, and some terrific upheaval sank them into the depths of the loch all intact hundreds of feet beneath the waters.

Hoax:. *There is no cure for Cancer, Arthritis, Alzheimer's and other serious diseases.* This is only true if you seek help from your local doctor and place confidence in orthodox medicine for help. Orthodox medical treatment for cancer, namely surgery, radiation and chemotherapy often do more harm than help the patient. The treatment often kills the patient and not the disease. Dr Lorraine Day. A Professor of Medicine developed breast cancer and had a huge cancerous growth the size of a grapefruit, yet made a complete recovery. She rejected orthodox medical treatment and followed a nutritional approach. Natural medicine and prayer cured her.

There are numerous case histories of people who have made a total recovery from cancer using a variety of natural remedies or a combination of several:

- 1 .A diet containing several glasses of freshly squeezed organic vegetable juices a day.
2. Organic whole grain rice.
3. Apricot kernels.
4. Organic crude black molasses.
5. A combination of foods rich in B17.

6. Certain types of mushrooms like Maitake which has been proven to "have the ability to suppress the formation and growth of tumours," Sitake, Reisha and certain other mushrooms.
8. One lady claims she cured herself of cancer by eating masses of cherries.
9. A mixture of cinnamon and honey.
10. "Eating just one cup of raspberries per week stops all prostate cancers from growing."
11. "Tumeric is effective in killing cancer cells."
12. "Women could dramatically reduce their risks of developing cervical cancer by increasing their dietary intake of broccoli. ."Consult Cancer Cures & Prevention". Deanna K. Loftis.

This seems to confirm the growing weight of evidence that nearly all disease is caused by a nutritional deficiency. If the deficiency is remedied the body will cure itself. **The truth is Food Is Better Medicine Than Drugs And Far More Effective.**

In his talks Dr Joel Wallach, a veterinary surgeon and doctor advises everyone to take supplements. He maintains that a deficiency of cholesterol in the diet is the principal cause of Alzheimers, now the fourth largest killer. By far the greatest killer is the Hospital/Medical System and its Pharmaceutical Drugs, next is cancer and then heart disease. He claims that if people eat plenty of eggs (a rich source of cholesterol) not fried, they will never get Alzheimers and vitamin E can help reverse the symptoms.

He shows that all the conventional treatments for arthritis are ineffective and some very dangerous, weakening the body's immune system and even destroying the kidneys. He claims that ground up chicken cartilage in the diet will clear up arthritis in a few weeks providing the blood supply to the joint is not impaired. He also recommends glycerine, Glucosamine Sulphate and collagen. For cancer he recommends regular doses of Selenium, the richest natural source of Selenium is Brazil nuts. His talk is available on CD entitled "*Trust Me I'm A Doctor*".

Other rich sources of B 17 are brown rice, almonds, millet and blackberries. One nutritionalist said "If you are diagnosed with cancer get as much vitamin B 17 in your diet as possible". The orthodox medical response to this is "B17 is poisonous" Well are blackberries and brown rice poisonous? In fact, they claim that overdosing with vitamins is harmful. But vitamins have never killed anyone but drugs prescribed by you doctor have wrecked countless lives and killed millions.

Hoax: Jesus Christ was crucified on a "cross" so that is why it has become the universal symbol of Christianity. Many authoritative Greek-English Lexicons make it clear that the word cross as it appears in the New Testament is a mis-translation of the Greek word STAURUS. This word means literally an upright pale, stake or pole. Staurus never means two pieces of wood joining each other at any angle. See "*Great English Lexicon*", Lidell & Scott. "*Bullinger Critical Lexicon & Concordance*". According to the "*Encyclopaedia Britannica*" "In the catacombs Christ is never represented hanging on the cross." In her book 'History of Our Lord as Exemplified in Works of Art,' Mrs Jameson writes "ancient objects of art afford no corroboration of the use of the cross in the simple transverse known to us"

In its simplest form the cross is the letter t the symbol which came to represent the god Tammuz as the initial of his name - the so called mystic Tau. Tammuz Was the Chaldean and Assyrian counterpart of the Egyptian Osiris and the Greek Dionysus, Bachus and Adonis. These were just

a few of the names under which Nimrod was worshipped as the incarnation of the sun. So the cross was often enclosed by the circle (the disc of the sun) or associated with it. Sometimes the eight rays of the sun were grouped in pairs to form a radiated cross. Worn by the king of Assyria anciently and still to be seen in many churches.

Many crosses are sex symbols. Sometimes slightly disguised to hide their real meaning like those from Pugin's Ecclesiastical Ornaments. "Various figures of crosses are found everywhere on Egyptian monuments and tombs, and are considered by many authorities as symbolical either of the phallus or coition (the male sex organ and copulation) - In Egyptian tombs the crux ansata (cross with a circle or handle on top) is found side by side with the phallus." '*A Short History of Sex Worship*,' H. Cutner, (London 1940). The cross from the gable end of a Suffolk church can clearly be recognised for what it is. While another from the High Altar of a Suffolk church combines three symbolic elements in one cross. 1. the mystic Tau, 2. the eight rays of the sun, 3. the union of four phalli and circles representing the male sex organ. The ancient engraving on a gem believed to be Babylonian shows the male and female in the act of copulation holding a triad - for modern examples see pew ends most Anglican churches. The unusual cross clearly represents coition. The figure of two Assyrian priests ministering before an altar of Baal shows that the regalia worn by priests hasn't changed much in three thousand years - one wears the mitre and the other a skull cap. Many authorities like the "*Biblical Cyclopaedia*" by McClintock & Strong have stated that spires and steeples represent the male sex organ. Pagan temples, like modern Christian churches, were often capped with these. (See photo of 2nd Century A.D. coin showing sanctuary of Byblos with spire - "*Encyclopaedia of World Mythology*"). The acute triangle or cone was used to represent the erect penis. See photo of Greek vase. "*Larousse Encyclopaedia*".

Nimrod, as the incarnation of the sun, was often worshipped as a babe in his mother's arms. This is the real origin of the mother and child cult. In Egypt the mother was Isis and the child Osirus or Horus, in Greece Ceres or Irene with the boy Plutus in her arms, in Pagan Rome Fortuna and Jupiter the boy, in India to this day Isi and Iswara and in China the great mother goddess Shing Moo was once everywhere acclaimed. Today under the masquerade of Mary and the Christ child the same ancient pagan idolatry is continued. The original of the child was a Cushite and some of the most ancient Madonnas are of a black child with Negroid features.

Hoax. Food additives are safe. More and more people are concerned about the large number of chemical additives in our food and the effect they may be having on themselves and their children. Many authorities have stated that some of these additives may be positively harmful to our health. For instance, Monosodium Glutamate (MSG) is added to hundreds of foods as a flavour enhancer, also to suppress undesirable or 'off' flavours, bitterness, sourness and the tinny taste of canned foods. "According to one authority 'MSG' addicts people to a food or drink. That is one of the main reasons it is used."

Dr George Schwartz, a noted toxicologist in his book "*In Bad Taste the MSG Syndrome*" describes this chemical as "poison" and "a powerful drug". He writes MSG is toxic to everyone at some dose. Those people who think MSG doesn't bother them are wrong. Body processes are being disturbed, they have simply not made the connection between their headache and MSG.

Just a few of the common symptoms to MSG poisoning are headaches, migraine, nausea, asthmatic attacks, skin rashes, heart palpitations, allergy type symptoms, behavioural disorders especially in children and teens. Also there is some medical research linking MSG to Alzheimer's and Parkinson's Disease.

Dr Russell Blaylock, author of the book "*Excitotoxins - The Taste That Kills*" claims that there is scientific evidence that MSG and other poisons like aspartame can cause brain damage in children destroying neurons precipitating many brain diseases. Hyperactivity in children is frequently caused by Poisons in their food and many other health problems as well. Many children are digging their own graves with their tiny spoons.

Unfortunately manufacturers are not honest about whether they put this product in their foods. They disguise its presence by using a host of other deceptive names like 'Natural Flavourings', 'Vegetable Flavourings', 'Autolyzed Yeast', 'Barley Malt', 'Textured Protein' - the list is a long one.

Manufacturers are more interested in sales and profits than the health of the people who buy their products and keep them in business. Another very dangerous chemical added to our foods and drinks is Aspartame. This is a chemical sweetener to replace sugar. Neurologists claim it causes brain tumours, the incidents of which have increased by 600% since its admission on the market. Dr Elsas, Professor of Paediatrics and Genetics testified before congress in 1987 "Aspartame is a well known neurotoxin which can cause birth defects".

In the body Aspartame breaks down into a number of dangerous chemical substance like formaldehyde and methanol (wood alcohol). Foetal tissue can not tolerate methanol which can result in miscarriages. This is why Dr James Bowen describes it as "instant birth control." Typical symptoms of Aspartame poisoning are headaches, depression, slurred speech, loss of memory, shooting pains, numbness in the legs, chronic fatigue and joint pain. Women often attend fertility clinics clutching a bottle of diet coke which is the cause of their inability to conceive.

Some pilots who consume a lot of diet coke have experienced grand mal seizures in the cockpits of commercial airline flights and have lost their medical certification to fly. In the May 1992 issue of the official US Air Force Magazine, "*Flying Safely*" was printed the following warning:

"In pregnancy the effects of Aspartame can be passed directly to the foetus, even in small doses. People have suffered Aspartame related disorders with doses as small as that carried in a single stick of chewing gum. This could mean a pilot who drinks diet sodas is more susceptible to flicker vertigo or to flicker -induced epileptic activity. It also means all pilots are potential victims of sudden memory loss, dizziness during instrument flight, and gradual loss of vision."

Rape is an industrial oil used as a lubricant fuel, synthetic rubber base and numerous other uses. It is not a food! Rapeseed is poisonous to living things. Try it in a very diluted form to kill aphids on roses. Rape oil was widely used in England between 1986 and 1991 in animal feeds when it was thrown out. It was claimed cattle suffering from Mad Cow Disease were fed of a mixture from dead sheep and sheep suffer from a disease called 'scrape'. That is how the disease is supposed to have started. Anyway when rape oil was removed from animal feed 'scrape' disappeared. We haven't seen any reports of Mad Cow Disease since rape oil was removed from feed. U.S. and Canadian farmers grow genetically engineered rapeseed called Canola which is present in thousands of processed foods. Rape oil was also the source of mustard gas used during WWI and the Gulf War. Studies in the lab using rape have been disastrous. Animals developed fatty degeneration of the heart, kidneys, adrenal and thyroid gland. When Canola was removed from their diet the deposits dissolved but left scar tissue.

'Rape oil causes emphysema, respiratory distress, anaemia, constipation, irritability and blindness. In animals and humans.' Yet it is sold as 'vegetable oil' in every supermarket. The safest oil anyone can use is olive oil preferably cold pressed. Use sunflower oil for frying, but throw out after it has been used. Study the list of ingredients of every product and discover exactly what you are eating Avoid those known to be harmful.

agents already here to carry out the deed. The brutal nature of the killing, a revolver pressed into her left ear was identical to the murder of the editor of a Belgrade newspaper who published an article critical of Slobodan Milosovitch. All the evidence points to the same people being involved in the murder of Jill Dando.

Tony Hall, Chief Executive of BBC News in an interview paid tribute to Jill Dando. The day after her murder he received a brief note. "Yesterday, I called to tell you (the BBC) to add a few members to your list because your government, and particularly your Prime Minister Blair, murdered, butchered seventeen innocent young people (in the bombing of Belgrade TV). He butchered. We butchered back. The first you had yesterday (Jill Dando) the next one will be Tony Hall" Similar letters were sent to other top BBC controllers.

This is also yet another example of how our totally inept and incompetent Judeo Masonic Police invariably get the wrong man. Their record proves that they are more concerned about getting a conviction than getting the right man.

Their actions also prove that they will do nothing that may harm the government even though the government and its criminal secret service may be as guilty as hell as in the case of Dunblane, 7/7 and the murder of five Ipswich prostitutes.

Jill Dando was murdered in revenge for Blair's murder of countless Serbs and in particular the killing of TV personnel at Belgrade. Blair, the mass murderer of tens of thousands of Serbs, Iraqis and Afghans, has now been created a 'Peace Envoy' demonstrating that the worst lunatics have taken over the asylum.

HOAX: General George S. Patton famous American General of WWII died in an unfortunate accident. Patton had a wartime reputation as the "feistiest" General in the U.S. Army. He was certainly the only U.S. General the Germans feared often moving whole divisions when they learned that Patton was in command. He led from the front unlike other American Generals like Eisenhower and Bradley who were far away in deep bunkers well behind the lines. He viewed both Eisenhower (a jumped up Jewish Colonel) and Bradley as cowards. When asked by a reporter why the Americans didn't take Prague and Berlin, Patton answered simply: "We weren't allowed to". Patton was against the division of Germany and totally opposed to the Nuremberg

Trials which he considered shameful.

From the start of the war he made it clear that he believed America was fighting on the wrong side. He considered Soviet Communism as the real threat to the West. He said quite plainly that America should be fighting with the Germans against Communism. Patton was removed from the command of the Third Army governing the American sector of Germany at the end of the war. He believed in treating the Germans fairly. In fact, he said they were the only decent people left in Europe. After meeting numerous Jewish refugees and former concentration camp inmates he expressed in almost unprintable terms his abhorrence of them. He baulked at the order to evict German families from their homes to accommodate Jews. He told the U.S. government that there would never be a better time to beat Communist Russia and destroy the murderous Communist system than now (1945).

He said America had massive military superiority and could defeat Russia in a short time. His diaries — **"The Patton Papers published"** in 1974 reveal his feelings. Of the order to evict German families to make way for Jews he wrote "Evidently the virus started by Morgenthau and Baruch of a Jewish revenge against the Germans is still working". He wrote to his wife: "I am frankly opposed to this war criminal stuff. It is not cricket and is Semitic (Jewish). If what we are doing to the Germans is Liberty, then give me death. I can't see how America can sink so

low". He was sacked by Eisenhower and was due to shortly return home. He made no secret of the fact that he intended to tell the American people exactly what was going on in Germany. He said that he had recorded everything in his little book which he always carried with him. Had he stood for President he would have swept to power. The secret Jewish rulers of America could never have that. So they arranged for his demise as they have murdered many others who have opposed their plans. He was struck down the day before he was scheduled to make a triumphant return to the United States.

A few months before he was killed, his driver of five years, Master Sergeant John L. Mims was replaced. Patton was asked by Major General Gay to accompany him on an excursion for a few hours that day before he was due to return to America. At 11.45 a.m. in clear weather and on a straight stretch of road, the driver of a GMC military truck turned his vehicle directly into the side of the 1938 Cadillac 75 Special in which Patton was being driven. Patton was the only person injured. On 21 December 1945 it was announced that he had died of an 'embolism' (a bubble in the blood which can be fatal when it reaches a vital organ). It can also be introduced into the blood stream with a syringe. The U.S. army made no investigation in to the 'accident' which put him in hospital or of the 'embolism' which killed him. Eustace Mullins believes that he was murdered by the Communists but since Soviet Communism has always been controlled at the top by the New York Jewish International Bankers who also control the U.S. Government from behind the scenes - it amounts to much the same.

HOAX: Informing on our neighbours is the right thing to do and saves the government money. Busybodies, informers and tale bearers have always rightly been viewed as the scum of the earth and deserving the utmost contempt. I think it was John Major's government who first started offering a reward to anyone who informed on anyone cheating the benefit system or not having Road Tax etc. Now government informers do it for nothing believing that it is their duty. A lot of people's attitude is "My taxes pay for the unemployed and benefit scroungers and I pay Road Tax, why should others get away

with it?"

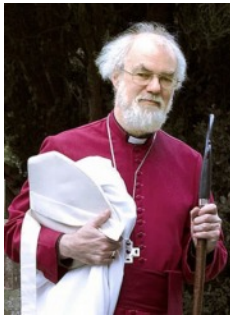

It never occurs to them that they are 100% wrong. Taxes do not pay for benefit. Do not pay the unemployed. Do not pay for the NHS. Do not pay for the military, government expenses, MP's salaries etc. etc. Tax money pays interest on the National Debt. Benefit and other government expenses is paid for out of new loans from the Jewish owned and controlled misnamed 'Bank of England'. These loans are added to the National Debt. As the National Debt increases so must all forms of tax to service it. So inflation is built into the system. Probably less than 10% of Road Tax is spent on the roads. Like all other taxes it services the National Debt. The Police are acting outside their province enforcing road tax. It should be no business of theirs acting as tax enforcers. Threatening to crush people's cars if they don't have a tax disc is blackmail. Now mark this and mark this well.. The real beneficiaries of the whole rotten tax system are the International Jewish Bankers. Tax money flows into their coffers. This was stated in parliament by Henry Kirby MP, a few years ago, and he got it right.

To all potential informers out there: You are not helping our rotten government and saving them money. You are simply making trouble and heartache for a lot of people and helping to further enrich the greatest parasites on the planet. The Money Power led by the Rothschilds. You are acting on behalf of them. Consider this. The Westminster Government have spent some £12 billion on the illegal wars in Iraq and Afghanistan which have killed a lot of innocent people. They have given away hundreds of billions in aid to corrupt Third World countries and Israel . They have given countless billions in aid to Russia and China, potential enemies. They have spent countless billions on cosseting all the immigrants they have brought in while increasing numbers of the native British are losing their house and home because they cant keep up with the mortgage repayments and some are ending up on the streets. They pay billions out to the EU,

and you want to save them money. What a joke. If a single mother can earn a little on the side - the best of luck to her. If someone can get away without paying Road Tax - good for them. If the real British can beat the tax system and get the maximum benefit - the Best of British Luck to them all.

The people who deserve our contempt are the informers and busybodies. They are helping our enemies put us all into economic slavery. They are Rothschild stooges. They are the scum of the earth.

"Under our system, two thirds of the population will keep the rest under surveillance out of a sense of duty to the state". "*The Protocols of Zion*". This was the system which prevailed in Communist Russia with everyone spying and informing on each other. This is what they now want the British to do. Don't you be drawn in. Don't be a mindless sheepling.

Dr. Rowan Williams Archbishop and head of the Church of England, says that Moslems will go to heaven without Jesus. Williams is a practicing Druid witch.

JESUS CHRIST WHIPPED THE TAX COLLECTORS AND SENT THEIR MONEY ROLLING

Misguided Christians often quote the words of Jesus to support the notion that we all have a solemn duty to pay our taxes and obey government "Render to Caesar the things that are Caesar's and to God the things that are God's". Caesar was the legal Head of the Roman Empire but the situation in Britain and the West today is entirely different. A financial bunch of international gangsters, the satanic imps who rule the world, haven't just robbed a Bank they control all of the Banks and have usurped control over the money supply and creation of whole nations. Under their direction, Western governments have become no more than STOOGES AND PUPPETS and are promoting the destruction of their own people and countries by massive coloured immigration and the advancement of mongrelisation/miscegenation. They are hell bent on our destruction. Christ took a whip to these people and thrashed them, overturning their cash boxes and driving them out of the temple. We have no duty to co-operate with thieves who regularly rob us and are handing our country over to aliens. For Christians to help these criminals is to dishonour Christ. Christ never dropped coins in their coffers and neither should we. The Rothschilds, Rockefellers and their associates are the modern Moneychangers. The government are THEIR tax collectors and you are their debtors. Both the Bible and the Koran condemn usury.
