Modern-Day Knights Templar In The Holy Land RITUAL KILLING OF THE DIVINE KING

By
Barry Chamish

The assassination mystery unraveled by Barry Chamish's online book, [Who Murdered Yitzhak Rabin](#), links it to the modern Knights Templar. This is no surprise to those who are aware of the designs which the modern Freemasons have on the Holy Land, i.e., to seize the Temple Mount and recreate Jerusalem as a Masonic city from which to rule the world. To appreciate the enormous political ambition and power of modern Freemasonry, you will want to read Barry's update on the Rabin assassination. It seems that the coroner who presided over Yitzhak Rabin's autopsy also conducted another autopsy on one Alisdair Rosslyn Sinclair -- a blue blood Knight Templar who would have been a front runner in the Merovingian campaign for election as King of Jerusalem.

RABIN'S LAST DOCTOR

We now enter the realm of the truly bizarre as we look at the doctor who last examined Yitzhak Rabin, the State Pathologist, Dr. Yehuda Hiss. Israelis know too well that their government's coroner is corrupt. In September 1999, Judge Ruth Orr overturned a conviction against a Jewish resident of Judea and Samaria for the shooting murder of an Arab boy because she accused Dr. Hiss of forging the forensic evidence against him. It was the second time in a year that a murder conviction was overturned because Hiss had falsified an autopsy for political purposes. He had earlier been caught doctoring the facts to secure a wrongful rap against the parents of a murdered child.

His biggest fabrication of all occurred after the country's most ghastly scandal was proven. In the first decade of Israel's existence, the Labour government kidnapped over 4500 babies, mostly of new Yemenite immigrant parents, and sold them off for adoption and medical experiments, mostly abroad. Through the efforts of Yemenite groups fighting to expose this crime, three years ago one mother, Margalit Omeisse was reunited with her daughter Celia Levine, given up for adoption to a California couple almost half a century before. Besides looking like twins, the Hebrew University genetics laboratory proved they were mother and daughter by DNA testing. Dr. Hiss retested the two for the government and lo and behold, found that Hebrew University was wrong.

And that's why his nickname in certain circles is Dr. Cover-up.

People started calling him that about a year after the Rabin assassination. He conducted a partial autopsy of Rabin and concluded he was shot twice in the back from medium range. In 1996, Rabin's hospital records were uncovered and over ten doctors and nurses signed very different accounts of Rabin's demise. He was actually shot three times, twice from point blank range and once frontally in the upper chest. On top of that, Rabin's spine was shattered and Hiss categorically reported that it wasn't. Because the patsy Yigal Amir never shot from point blank range or from the front, and because the assassination film proved Rabin's spine could not have been broken since he kept right on walking after the shot to his back, somebody must have asked Hiss to alter the medical facts. So he did and then the government's commission of inquiry into the murder adopted Hiss's lies as the official version of Rabin's death.

So we knew that Hiss was corrupt and that he moulded his reports to fit government orders. What we didn't know was that he is also genuinely ghoulish. Avi and Nitzana (Darshan) Leitner

are Yigal Amir's attorneys. They also represent another victim of Dr. Hiss, the family of Alisdair Sinclair.

On April 14, 1998, 47 year old Alisdair Sinclair, was stopped by customs officials at Ben Gurion Airport on his way out of the country after a six day stay. They found 9000 Deutsche marks in a false bottom of his handbag and he was arrested without charge. The police thought the false bottom suggested something illegal though hiding a large amount of money is a legitimate means of thwarting theft.

At the airport police station, Sinclair was found strangling on his shoelaces. He was rushed to hospital and pronounced dead. From there his body was transferred to the Abu Kabir Institute For Forensic Medicine and straight into the paws of Dr. Yehuda Hiss, who conducted an autopsy which concluded that Sinclair had killed himself.

After that, there was a problem with the body. Sinclair was unmarried, his parents weren't alive and he had been living a rather rootless life in Amsterdam dealing in vintage guitars and strumming them at local pubs. It took three days to track down his family in Scotland and the police offered to bury him in Israel. The family refused and paid about \$5000 to fly the corpse home.

On May 13, another autopsy was conducted, at the University of Glasgow and guess what? The hyoid bone at the base of the tongue was missing and so was the heart. Both were removed by Dr. Hiss. But why? No problem guessing why the hyoid bone was gone. It would reveal that Sinclair did not hang himself but was strangled by other means.

But the heart..? Avi Leitner can only say, "Our best guess is that Hiss is involved the black market trade in human organs. We can't prove that yet, but it seems the most likely motive for removing a healthy heart."

Incredibly, a most unlikely source provides an even spookier motive. But let's get on with the story first.

The Sinclair family started investigating Alisdair's recent life and none of his friends thought him remotely suicidal. Nor did they understand why he was arrested for carrying perfectly legal currency in the first place.

Israel police explained that they suspected he was a drug dealer and under interrogation he admitted to have smuggled in thousands of Ecstasy pills the week before, though he did not know who bought them. Alisdair's brother James, of Selkirk, Scotland mocked the police version, noting accurately, that since he wasn't caught with drugs, he had no reason whatsoever to confess to the supposed crime.

Enter the British government. Tel Aviv embassy official Suad Andraus was furious, stating, "People don't just die in lockup." The British authorities demand that Dr. Hiss explain what he did with the heart and then return it immediately.

Hiss explained that as a drug smuggling suspect, the heart would have shown "signs of long term drug abuse." Fine, so why didn't he return the heart with the rest of the body? According to Hiss: "It's true we didn't inform the family in Scotland that the heart was missing. Frankly, we didn't want to upset them."

How thoughtful, and returning the body without the heart wasn't in the least bit upsetting???? Hiss complied to the second demand and turned over the heart to the Sinclair family, or at least a heart. A not very convincing heart, at that. The Sinclair Family demanded DNA proof that this was Alistair's heart but Dr. Hiss refused, citing the \$6000 cost of the test. The Sinclairs found

the cost prohibitive as well but this time, the British authorities did not press the issue or conduct their own tests.

A frustrated James Sinclair expressed his disgust with the inconsistencies of his brother's strange demise.

Alisdair never had a police record and it is unlikely that he would turn to drug smuggling. And he repeats, "Why would he admit to anything if his bloody suitcase was empty? My brother was an intelligent, well read man. He wasn't daft."

Currently, the Israeli Police are conducting DNA tests and James is awaiting the results, clearly unaware that if Dr. Yehuda "Coverup" Hiss has his hands in the testing, the findings will be as honest as those of the Rabin assassination.

And now a most unexpected motive for the whole affair. It was published in the Jerusalem Report, a staid, establishment newsmagazine which is used as a fount of disinformation on behalf of the country's Labour Party. This peculiar passage may be of interest to those questioning Britain's early and deep interest in Zionism, their reverence for Chaim Weizmann, the Balfour Declaration, The British-Israel Society, the Round Table policies of Cecil Rhodes and Lord Milner and the like.

"According to Alisdair's brother James, family lore has it that the Sinclairs are descended from the crusading Knights Templars, who journeyed to Jerusalem in the mid-1300s in search of holy artefacts from Herod's Temple to bring back to Scottish hero Robert Bruce. Alisdair himself, says James, was particularly proud of his middle name, Roslyn, the name of a chapel in Scotland whose floor plan is said to be based on Herod's Temple. James mentions these details in attempting to reconstruct his brother's motive for travelling to Israel."

How does this Medieval history explain Alisdair Sinclair's missing heart? Whether it does in some way or not, one thing is certain: The doctor who last examined Yitzhak Rabin is one very, weird sicko.

Rabin's Last Days

October 25: Law Would Cut Off Aid If Arafat Declares State.

Should The PLO unilaterally declare a state, US aid to the Palestinians would be cut off under a new law Congress is on the verge of enacting. The requirement was added at the urging of the American Israel Public Affairs Committee (AIPAC). The legislation, the Middle East Peace Facilitation Act, is contained in the foreign aid bill that made its way through a House-Senate conference committee just after midnight yesterday.

Rabin was in Washington for barely a day and two of the most significant pieces of legislation since the Oslo Accord were signed into law. The first declared Jerusalem as Israel's official capital, the next would essentially stop diplomatic recognition of the Palestinian Authority if it declared a Palestinian state.

Rabin is putting the brakes on the Oslo process. He coordinated a strategy with AIPAC to prevent the division of Jerusalem and the declaration of a Palestinian state. He has now, without a shadow of doubt, declared war on Clinton (CFR), Christopher (CFR), Kissinger (CFR), Peres, Beilin, the UN and all Arab leaders, especially his other "peace partner" King Hussein of Jordan.

Rabin had been in the NWO game for over two decades. He must have realized the consequences of his actions. He must have known there would be mortal retaliation. For whatever the reasons, Rabin decided to die a hero's death, defending his nation against raw evil.

October 26: Barak Meets Crown Prince Hassan. Interior Minister Ehud Barak met yesterday in Amman with Crown Prince Hassan and with the Jordanian Chief of General Staff, Gen. Marii. Barak, who visited Jordan when he was still chief of general staff, was invited by Hassan to visit Jordan as a minister. The trip was organized suddenly yesterday morning, and Hassan dispatched the Royal Black Hawk helicopter to fly Barak from the border to Amman. . .no details of the two hour meeting were divulged.

Jordan again! First Shahal met the Jordanian security establishment, then two days later Barak was rushed to Amman for reasons not disclosed. What possible reason could the Crown Prince of Jordan have had for an emergency meeting with a mere Interior Minister? **This is the time to remind readers of Barak's close ties to the CFRers such as Kissinger, Edgar Bronfman, Lawrence Tisch and Warren Christopher and to recall the Jordanian royal family's membership in numerous secret societies ie. King Hussein and Rabin were both high degree Masons. One must not rule out the possibility in Rabin's case of ritual as well as political assassination.**

ALISDAIR SINCLAIR

Alisdair Rosslyn Sinclair, whose surname is derived from Saint-Claire, is a descendant of one of the original Knights Templar who captured the city of Jerusalem during the first Crusade of 1099. According to Masonic authors of *The Second Messiah*:

"The [original Knights Templar] of whom little is known are believed to have been representatives of the ruling families of Champagne, Anjou, Gisors and Flanders. The leader of the Templars was Hugues de Payen, a middle-ranking nobleman in Champagne who married Catherine St Clair, the niece of his crusading partner Baron Henri St Clair of Roslin, in 1101." [Christopher Knight and Robert Lomas, *The Second Messiah*, Element Books, Inc., 1998, p. 74] The Sinclairs are recognized as "hereditary grand masters of Scottish Masonry" and rank high among the "sacred" Merovingian families deemed worthy to assume the throne of Jerusalem. These deluded power elites base their fabricated claim on the blasphemy that Jesus Christ sired children, whose descendants intermarried with the bloodlines of the thrones of Europe, infusing them with the holy blood of Christ.

"There are at least a dozen families in Britain and Europe today -- with numerous collateral branches who are of Merovingian lineage. These include the houses of Hapsburg-Lorraine (present titular dukes of Lorraine and kings of Jerusalem), Plantard, Luxembourg, Montpezat, Montesquiou, and various others. According to the 'Priure documents,' the Sinclair family in Britain is also allied to the bloodline as are various branches of the Stuarts. And the Devonshire family, among others, would seem to have been privy to the secret. All of these houses could presumably claim a pedigree from Jesus; and if one man, at some point in the future, is to be put forward as a new priest-king, we do not know who he is." [Michael Baigent, Richard Leigh, Henry Lincoln, *Holy Blood Holy Grail*, pp. 409-410]

The cloning of Dolly the sheep in 1996 -- which Gnostics considered to be the "Molecular Logos" -- occurred at Geron Biomed, the commercial arm of the Roslin Institute in a village in Scotland, which is also the site of a very famous Knights Templar shrine, the Rosslyn Chapel. The village of Roslin, site of the sheep cloning experiment, is also near Rosslyn Castle, which was the home of the St Clairs [Sinclairs] who funded the building of Rosslyn Chapel around 1450. For more information on Rosslyn, please read our report on ***The First Human Embryo Cloned.***

The Grand Master of the Prieuré de Sion from 1984 until at least 1988, and probably longer, was Pierre Plantard de Saint-Claire. Pierre Plantard de Saint-Claire's son, Thomas, is considered the most likely candidate in the Merovingian lineage to ascend the throne of Jerusalem as world ruler. (See: *The Merovingian Dynasty: Identity of the False Christ*)

The importance of the Sinclair family is evident in *The Labyrinth of the Grail*, a synopsis of which shows the Sinclair's historic and esoteric leadership of the Merovingian cult. In our view, there is a great probability that the Antichrist will come from this bloodline.

Politically speaking, Alisdair Sinclair may have been eliminated to make way for Thomas Plantard de Saint-Clair as the Merovingian Christ. However, the rationale behind the bizarre removal of the heart of Alisdair would seem to be related to the Templar superstition. Another theory comes from an interesting study in pre-Christian superstition which is being revisited upon civilized society through the most outrageous acts of barbarity:

Secret Societies and Psychological Warfare

"Sir James Frazer writing in *The Golden Bough: A Study in Magic and Religion*, explains that when the 'divine king' is murdered by one who is himself stronger or craftier, the powers of 'divinity' which were the king's are 'Sympathetically' and 'Contagiously' transferred from the vanquished to the victor."

The highly irregular circumstances surrounding of the demise of one of the Sinclair pedigree bears the earmarks of ritual murder. We will now take flight into the irrational world of the Knights Templar for a precedent which may present clues as to why. . .

ROBERT THE BRUCE

In *The Temple and The Lodge*, by Michael Baigent and Richard Leigh, we read of the strange request of Knight Templar and descendant of the Kings of Scotland, Robert the Bruce that, upon his death, his heart be removed and taken to Jerusalem to be buried in the Knights Templar Church of the Holy Sepulchre. Robert the Bruce's heart was transported by none other than Grand Master of the Scottish Templars, Sir William Sinclair, and a few other knights who never made it to Jerusalem. In Spain, Robert the Bruce's heart was thrown into a battle against the Moors and saved the day, but William Sinclair and most of the other knights died.

"In 1329, Bruce died, to be succeeded, as he had arranged, by his grandson, Robert II, the first of the Stuart dynasty. Before his death, he had expressed the wish that his heart be removed, placed in a casket, taken to Jerusalem and buried in the Church of the Holy Sepulchre. In 1330, therefore, Sir James Douglas, Sir William Sinclair, Sir William Keith and at least two other knights embarked for the Holy Land. . ." [Michael Baigent and Richard Leigh, *The Temple & The Lodge*, Arcade Pub., 1989, p. 39]

We find in *The Hiram Key* an explanation for removing Bruce's heart to Jerusalem:

"Before dying [Robert the Bruce] had taken a vow to go to Jerusalem and fight the Saracen and as a mark of respect his embalmed heart was taken by Sir William St Clair and Sir James Douglas on a last crusade to Jerusalem, but unfortunately they were killed in battle in Andalusia en route. Bruce's heart never reached the Holy City and was returned to be buried in Melrose Abbey whilst Sir William was buried at Rosslyn." [Christopher Knight and Robert Lomas, *The Hiram Key*, Element Books, 1996, pp. 300-01]

The Knights Templars had occupied Jerusalem until 1291, when the Holy Land fell to the Saracens. Following the dissolution of the Knights Templar in 1312 and death of their Grand Master, Jacques de Molay, in 1314, many fugitive knights fled to Scotland, which was not under Papal control and where they were welcomed by the St Clair family. It was during this period that Robert the Bruce rose to prominence as the central figure in Scotland's struggle for independence from England's domination and restoration of the Celtic religion. According to *The Temple and The Lodge* and other Masonic literature, Robert the Bruce was well-connected to the sacred Merovingian bloodline:

". . . Scotland, under the aegis of the Dalraida king, Kenneth MacAlpin, became a unified Celtic kingdom. Around 850, Kenneth was installed at Scone, as monarch of all Scotland. . . Under Kenneth MacAlpin's descendant, David I, the feudal Kingdom of Scotland finally emerged in 1124. . . David himself was thoroughly Celtic, the son of the Celtic king, Malcolm III. . . Among King David's entourage was a Norman knight, Robert de Brus. . . Although the Robert de Brus of King David's time was of Norman (and possibly Flemish) descent, his great grandson married David's great-granddaughter, the niece of the Celtic kings Malcolm IV and William I. The Robert Bruce who was later to figure so prominently in Scottish history could thus claim blood descent from the ancient Celtic royal house, and eventually back to Kenneth MacAlpin of the Dalraida." [The Temple & The Lodge, pp. 18-20]

It seems that by 1300, the Scots could not agree on a ruler and so King Edward I of England was invited to arbitrate among the warring claimants to the throne. Edward appointed John Balliol, the grandfather of Robert Bruce, also known as 'the Competitor,' and then annexed Scotland to Great Britain. The Scots rebelled but were defeated by Edward who exiled Balliol and proceeded to dismantle the Celtic institutions.

". . . Edward embarked on a systematic campaign to eradicate all vestiges of political and religious, of the old Celtic kingdom. The Stone of Scone, most archaic and sacred of Celtic talismans, was accorded special attention. At Edward's behest, the inscription on it was erased and the stone itself removed from Scone and brought to London. The great seal of Scotland was smashed and coffers of royal records were confiscated. Edward appointed himself, in effect, an ad hoc defender of the faith -- the archetypal Christian king, promulgating the rule of Rome. To bolster this image, it was profitable to emphasise the pagan aspects of the old Celtic kingdom, which were portrayed as heretical, if not pagan and satanic. By disseminating rumours of sorcery and necromancy, Edward was able to show moral and theological justification for his crusade to annex Scotland." [The Temple & The Lodge, p. 26]

Just a few pages earlier, Baigent and Leigh sheepishly admitted that the Celtic religion which Robert the Bruce sought to restore "may even have included ritual human sacrifice." [p. 19] The Scottish rebellion against England was led by William Wallace, hero of the contemporary movie Brave heart. *The Temple and The Lodge* describes the ascent of Robert the Bruce to power via ritual human sacrifice:

"It was against this turbulent background that the figure of Robert Bruce suddenly emerged, fomenting rebellion in the south. . . Wallace was knighted by a prominent Scottish earl - possibly Bruce himself - and in 1298 was elected sole Guardian of the country. . . Following his defeat at Falkirk, Wallace was forced to resign as Guardian, but this did not terminate the revolt. In the autumn of 1298, the rebels appointed John Comyn and Robert Bruce to preside as joint Guardians and continue the struggle. They, however, soon fell to squabbling among themselves, and the friction between them . . . deflected them from concerted action against the British. . .

". . . Wallace was dead, and Comyn firmly under the English thumb. But in March 1302, a year before Wallace's capture, Bruce's father had died, leaving Bruce with a direct claim to the throne. Three months later, in June, he had concluded a secret agreement with the Bishop of Lamberton . . . It is now generally accepted that the agreement involved plans for an independent Celtic Scotland, over which Bruce, supported by Lamberton, would preside as monarch. Before any such project could be implemented, however, something had to be done about John Comyn.

"The Comyn family, which included the earldoms of Buchan and Monteith, was an old one, and could match the Bruces in power and prestige. . . On 10 February 1306, at the church of the Grey Friars in Dumfries, Bruce, with his own hand, murdered his adversary. Comyn was stabbed with a dagger and left to bleed to death on the church's stone floor. According to several accounts, he did not die immediately and was carried to safety by the monks, who sought to minister to his

wounds. Bruce, hearing of this, returned to the church, *dragged him back to the altar*, and there slaughtered him...

"There are aspects of Comyn's murder that cannot be explained entirely by the betrayal of a pact, or by the long-standing antipathy between Bruce and himself. . . .it appears to have been carefully premeditated, perhaps even rehearsed . . . Nor is it possible to ignore the setting of the murder. Churches, after all, were deemed to be sacred ground. . . it bears the unmistakable stamp of ritual killing -- an almost ceremonial killing of one candidate for a throne by another, on consecrated ground, in accordance with archaic pagan tradition. Nobody at the time could have been unaware of the powerful symbolism inherent in Bruce's act -- a symbolism so powerful, indeed, as to transcend the act itself." [The Temple & The Lodge, pp. 26, 28-30]

In 1314, the Battle of Bannockburn was won when a Templar force led by Sir William St Clair came to Bruce's aid and this victory settled the issue of Scottish independence. Scotland remained an independent kingdom for the next 289 years, when King James VI acceded to the throne of England and united the two kingdoms in 1603. In 1320 the Declaration of Arbroath proclaimed the independence of Scotland, insinuating that the Scots were descended from the Israelites previously in bondage in Egypt.

"On 6 April 1320, an extraordinary document -- the so-called Declaration of Arbroath -- was issued. It took the form of a letter commissioned and signed by eight earls and thirty-one other nobles, including representatives of the Seton, Sinclair and Graham families. This letter adumbrated the legendary history of the Scots from their alleged origins in Scythia and their conversion there by St Andrew. It described Robert Bruce as their deliverer and hailed him (with biblical comparisons traditionally dear to the Templars) as 'a second Maccabaeus or Joshua'. . ." [p. 38]

Other Scottish nobility and signatories of the Declaration of Arbroath include Clans Leslie, Stewart, Monteith, Robertson and Bruce.

"In 1322, Edward II launched his last, rather half-hearted, expedition against Scotland. It came to nothing, and Bruce retaliated with incursions into Yorkshire. In 1323, the two countries concluded what was supposed to be a thirteen-year truce, which lasted only for four. In the mean time, Bruce had become embroiled in a new squabble with the Papacy, then in the throes of its own schism, the so-called 'Avignon Captivity'. For some time, Edward of England had longed to rid the Scottish Church of its powerful nationalist bishops -- prelates such as Lamberton of St Andrews, Wishart of Glasgow and William Sinclair of Dunkeld (brother of Sir Henry Sinclair of Rosslin, signatory of the Arbroath Declaration). To this end, the English king had badgered successive popes not to consecrate any new native-born bishops into the Scottish Church. In the Avignon-based Pope John XXII he found a sympathetic ear. Bruce, however, aligned himself with his own bishops in defying the Pontiff's wishes and in 1318 he was again excommunicated, along with James Douglas and the Earl of Moray. A year later, the Pope demanded that the bishops of St Andrews, Dunkeld, Aberdeen and Moray appear before him to explain themselves. They ignored him and, in June 1320, were also excommunicated. Throughout the course of this row, the Pope had persisted in refusing to recognise Bruce as king, pointedly referring to him only as 'ruler of the Kingdom of Scotland'. It was not until 1324 that Pope John XXII relented and Bruce was finally acknowledged monarch in the Church's eyes."

It is noteworthy that Pope John XXIII was the Roman pontiff who, on June 24, 1961 would lift the ban of the Catholic Church on Freemasonry. June 24 is the feast of St John the Baptist whom Masons consider to be the *messiah* rather than Jesus Christ. Knight and Lomas state regarding this feast and the liberation of Scotland cum Masonic religion: "A point of Masonic interest concerning the Battle of Bannockburn is that it was fought on the day with the longest daylight in the year -- a day still celebrated by all Freemasons as the Feast of St John the Baptist." [The Hiram Key, p. 299]

The Temple & The Lodge describes the transport of Robert the Bruce's heart to Jerusalem for burial in the Church of the Holy Sepulchre.

"In 1329, Bruce died, to be succeeded, as he had arranged, by his grandson, Robert II, the first of the Stuart dynasty. Before his death, he had expressed the wish that his heart be removed, placed in a casket, taken to Jerusalem and buried in the **Church of the Holy Sepulchre**. In 1330, therefore, Sir James Douglas, Sir William Sinclair, Sir William Keith and at least two other knights embarked for the Holy Land, Douglas carrying Bruce's heart in a silver casket hung around his neck. Their itinerary took them through Spain, where they made the acquaintance of King Alfonso XI of Castile and Leon, and accompanied him on his campaign against the Moors of Granada. On 25 March 1330, at the battle of Tebas de Ardales, the Scots, riding in the vanguard, were surrounded. According to the fourteenth-century chronicle, Douglas removed from his neck the casket containing Bruce's heart and hurled it into the attacking host, crying:

**Brave heart, that ever foremost led,
Forward! as thou wast wont.
And I Shall follow thee, or else shall die!**

"Whether Douglas, in the heat of battle, had either time or inclination to compose his thoughts into verse is, one suspects, questionable. Having hurled Bruce's heart at the foe, however, he and his fellow Scots did proceed to follow it, charging headlong into their adversaries. All of them died, with the exception of Sir William Keith, who had broken his arm prior to the battle and so did not participate in it. He is said to have retrieved the heart from the field, miraculously intact in its casket, and to have brought it back with him to Scotland. It was buried in Melrose Abbey, under the east window of the chancel. Early in the nineteenth century, Bruce's grave at Dunfermline Abbey was opened. According to popular traditions prevalent in the age of Sir Walter Scott, he was found with his leg-bones carefully crossed immediately under his skull. In fact, this was not so; there was, apparently, nothing unusual about the corpse. But the traditions are indicative. It is clear that someone had a vested interest in linking Bruce with the Masonic skull-and-crossbones."

In 1099, the original Knights Templar established their Jerusalem headquarters in the Church of the Holy Sepulchre. According to *Holy Blood, Holy Grail*, "The knights and monks who occupied the Church of the Holy Sepulchre, also installed by Godfroi [de Bouillon], were formed into an official and duly constituted 'order' -- the Order of the Holy Sepulchre." [p.112] Two centuries later, by 1291, the Western crusaders were thrust out of the Holy Land by the Saracens and the Latin Kingdom of Jerusalem was lost to the Roman Empire.

The Templars, who had absorbed the esoteric Kabbalism of the Mideast and brought it to Europe, fell into disfavor with the Holy Roman Empire and, in 1309, Pope Clement V and King Philippe IV of France dissolved the Order. Grand Master, Jacques de Molay, was executed in 1314 and the knights of the Order of the Temple were either executed or fled Europe for safety. In Scotland, a Templar refuge, Robert the Bruce made a vow to go to Jerusalem and reclaim that city from the Saracens. However "In 1329, Bruce died. . . Before his death, he had expressed the wish that his heart be removed, placed in a casket, taken to Jerusalem and buried in the Church of the Holy Sepulchre" the original Templar headquarters. [*Temple & Lodge*, p.39]

Robert the Bruce's heart never reached Jerusalem and was returned to Scotland where it was buried in Melrose Abbey. The Templars kept alive his dream to reclaim the Holy Land and it is therefore conceivable that the heart of Alisdair Sinclair was a substitute for that of Robert the Bruce. Burial in the Church of the Holy Sepulchre would symbolize claim of the Sinclairs, as the head of the Merovingian dynasty (aka, the royal bloodline of Jesus Christ), to be the rightful heirs of the throne of Jerusalem.

Traitors and Carpetbaggers in the Promised Land, by Barry Chamish, includes a chapter on the Masonic control of Jerusalem which is reproduced on our website. Masons Busted in Tel Aviv mentions the real reason for the Masonic presence: "The Masons covet the Temple Mount, site of Solomon's Temple, because their mythology has the organization being established by one Hiram, the mason who supposedly built the Temple three thousand ears ago."

Barry's reference here is to the Legend of Hiram Abiff, a Masonic version of the Egyptian legend of Isis and Osiris which, as the theme of the initiation ceremony of a Master Mason (3°), dramatizes the demise of the ancient pagan gods and their mystery religion (due to the spread of Christianity) and also their future resurrection.

In his expose on Yitzhak Rabin's autopsy, Barry Chamish also mentioned that Alisdair Sinclair's death seemed to be in some way connected with "Britain's early and deep interest in Zionism, their reverence for Chaim Weizmann, the Balfour Declaration, The British-Israel Society, the Round Table policies of Cecil Rhodes and Lord Milner and the like." Today, the British Freemasons plan to rebuild the Temple at Jerusalem, ostensibly to re-institute the Old Testament sacrificial system. Their feigned patronage will deceive the Jews for a time, however their ultimate goal is to reestablish the ancient mystery religion. Mike Noe has provided some fascinating information relevant to the interest and current activity of the British Freemasons in Jerusalem, particularly in the holy sites:

. . .the Garden Tomb has Masonic connections and the land adjacent to the compound where Christ was crucified was sold by them to the Muslims and is now the site of an Arab bus station and Mosque. This occurred several years ago after an amateur archaeologist discovered several key things to Christ's crucifixion and key items from Solomon's Temple underground in the area of the crucifixion known also as Golgotha and as Gordon's Calvary of General Gordon fame. I read it in a small passing excerpt from an article your ministry wrote or was linked to. Anyway, I made the connection to General Gordon who I now believe from what I read was a Mason and died in Khartoum having been murdered which also mentioned in the excerpt I read. The excerpt referred to his death said he was a Mason and a reputed paedophile.

[Editor's note: This is a reference to a portion of Anton Chaitkin's expose of the British Origins of Pentecostalism:

". . . [Gen. Benton] Partin is a founder and board member of the Front Line Fellowship, a group of commando-missionaries taking active part in the war against Sudan and other African states viewed as enemies of the British Crown. The Fellowship members are former 'scouts' of the South African Army. Partin describes his partner, Fellowship leader Peter Hammond, as a "former South African army and government officer.

"That General Partin's 'Christian' organization is at heart merely the British military irregulars, who are generally incinerating Africa to re-colonise it, may be judged from the Fellowship's book, **Faith Under Fire in Sudan**. Chapter Three is a celebration of Charles 'Chinese' Gordon, who led British regulars in a war in China against the uprising of a British-organized pseudo-Protestant cult. After 20 million Chinese died in this game, Gordon was sent to try to subdue Sudan as Britain's governor, but he died, defeated at the hands of Sudanese nationalist forces. Chinese Gordon was **not** a drunken homosexual pederast, Partin's group says, but Britain's Christian model for us to follow into war." - Anton Chaitkin]

This same General [Gordon] paved the way for the British through the Garden Tomb Association to purchase what is now the Garden Tomb and the adjacent land known as Golgotha and "Gordon's Calvary". ["The Garden Tomb Guide Book" 1994, p. 26; 1996 edition states Gordon was murdered in Khartoum, i.e., Sudan.] In order for this to occur they would have needed the help of the Masonic entity "The Palestine Exploration Fund" (Albert Mackey's encyclopaedia

states this) formed and funded by British Freemasons to discover and take control of historical sites in Israel.

"The British monarchy and its prime ministers and Foreign Office fabricated British Israelism in the nineteenth century, from earlier versions of the story. They claimed that Queen Victoria was descended from the Biblical King David, and was thus a descendant of the Davidic family tree that produced Jesus. They taught that the tribes of Israel wandered into northern Europe; that by this supposed genealogy, the British are the real Chosen People, and the British Empire is thus God's empire.

"The modern Jews, by this British account, are not the historical Hebrews of Old Testament Israel, but rather, the British are. But, says the British Israel myth, in a leap of logic, the Jews need to be put into Palestine, to fulfil prophecy, get slaughtered in a war with the Muslims, and bring about the End Times.

"To provide fuel for this mythology, the royal family asked the British Grand Lodge of Freemasonry to establish the Palestine Exploration Fund. In the 1870's, they dispatched soldier-archaeologists to the Holy Land, to dig up supposed religious relics that might impress the cheap fancies of the beggarly masses." -Anton Chaitkin

Interestingly enough Gordon was discovering these things and in Jerusalem at the very same time Robert Morris from Kentucky (founder of Eastern Star) was reintroducing Freemasonry to Israel. They started holding ritual ceremonies in Zedekiah's Cave which is a stone's throw from the Garden Tomb and Gordon's Calvary (I believe both are correct in location). Today the Masons meet in that cave and the largest chamber is known as "Freemasons Hall". You can see the coal and soot etched symbols, arcane messages, and names going back to 1881 when Morris et al started their activities there.

I have been relying on circumstantial and partial evidence to put this all together, but I am quite confident it will fit and hold together upon investigation.

. . . it was Robert Morris who founded Eastern Star and is credited with officially reintroducing Masonry to Israel in 1872. He started meeting in Zedekiah's caves around this same time, and performed some type of very important ritual there in his "reintroduction" of Freemasonry. I actually walked around the chamber they used, and as I mentioned saw the names and the dates of the these pioneering Masons. Morris wrote about this ceremony and even published a copy of the map leading to the chamber in Zedekiah's cave. I contacted a man who found the map and used it to go into the chamber area and pray in intercessory prayer against this abominable ceremony. General Gordon would have been there in Jerusalem, at this exact time as well!! My source for more info. on Gordon comes from a Garden Tomb publication I bought in Israel. They would have been in the same cave system running up to the Garden Tomb and Calvary it is all within 100-200 yards the Zedekiah's cave system.

According to Albert Mackey in his encyclopaedia King Solomon discovered Enoch's deposit (i.e. Enoch arched vault temple) and "On this hallowed spot was Christ the redeemer slain and buried." Thus "Gordon's Calvary" as it was known became the Garden Tomb and adjacent Golgotha. I believe it was Christ's crucifixion site and have talked to people who years ago excavated under that site and found convincing proof. It has been denied now by the Garden Tomb folks and they sold Golgotha to the Arabs and it now has a mosque and bus station sitting on top of this important site. In essence they sold to the pagans one of the most key sites in Christendom. It had church sitting upon it as a matter of evidence from the 1st and 2nd centuries A.D.

As for the "Palestine Exploration Fund" Albert Mackey in his dictionary mentions that it was used to find "many important discoveries, especially interesting to Masons". He also states it is controlled by the English society; no doubt made up of Masons.

I have attached some more eyebrow raising information I have researched. It is in the form of my notes. The references to the Masonic Lodge come from a video presentation of a written interview with Malachi Martin and from reading David Yallop's book [*In God's Name*] on the apparent murder of John Paul I twenty-five years ago.

Satan's Plan to Thwart God

Since the great flood, evil was reintroduced by Ham, Canaan and Nimrod into the culture of man. The oldest post-flood pagan altars and worship are in Israel. Nimrod consolidated the worship of Satan and himself under a new religion. Shem put a stop to it as he cut Nimrod to pieces and spread his remains throughout the world.

The Mysteries of Babylon were spread underground to the various cultures through Ham's descendants. The Canaanites inhabited the land promised to Shem's seed, thus, God drove them out under the forces of Israel years later. Satan's plan was for Canaan's descendants to defile the Promised Land and thwart God's plans.

Orthodox rabbis believe that Shem was Melchizedek, that Salem is derived from Shem (i.e. "Shem's city") and that Enoch and Shem established a holy priesthood on Mount Moriah. The Freemasons claim that the Templars found the pillar of Enoch under the Temple Mount along with other great writings and treasures. They also believe Adam was buried on Moriah. The Temple of Enoch, according to the Masons, was originally in the cave system where they cut stone and Jesus was crucified.

Most of the modern excavations are by the "Palestine Exploration Fund" which is a Masonic entity. The Masons like the caves and caverns of Moriah to perform their rituals, which they do to this day, especially in Zedekiah's cave, also known as King Solomon's stables near where Christ was crucified on Golgotha. Their aim is to enthrone the Antichrist as the Messiah in Jerusalem in a new temple.

Satan was enthroned in two Masonic rituals in the Vatican and the Washington, D.C. Masonic Temple in 1963, according to Malachi Martin in interviews about his book "Windswept House", and other reputable sources. This came almost 4 months before JFK was assassinated as part of "The Killing of the Divine King" - part of Masonic subterfuge. It all altered the course of human history for evil, not good as many historians and Christian teachers recognize that 1963 was a pivotal year in America leading to radical changes here and abroad.

The Freemasons have come to acknowledge their strong grounding in the Cabala, which according to Albert Mackey, was given to them by angels, then Adam-Noah and Abraham. Other Masonic leaders attributed it to Enoch and Nimrod. To say the least, it is an eclectic mix of ancient knowledge and occultism that has always been used for evil. They rightly refer to it as Kabbalist theosophy, and it is this same theosophy that Malachi Martin identifies was behind the satanic enthronement ceremonies of 1963. Other experts such as European detective David Yallop identify it as the P-2 Masonic lodge ceremony of 1963 in the Vatican.

Masons teach that the Ark of the Covenant was burned up in the ravaging of the first temple. They believe other items and writings were hidden under the temple and it was here that Solomon had discovered Enoch's temple and chose it to be the site of his temple to Yahweh. The Templars, a group of nine European knights, absconded with the treasures under the temple court, which revealed the ancient mystery religions practiced in the defiled temple and have a strong connection to the Cabala and Gnostic heresies of the Church age. The Templars/ Masons

deny Jesus was divine, but they admit His descendency from David. They suggest He was crucified for betraying the secrets of God or the society/religious movements He supposedly identified with such as the Zealots and Essenes.

The Masons of course, inspired by mystery religions, deny Christ as the true Messiah and Son of God and exalt Lucifer the enlightened one who is worshipped in many forms.

The Masons believe that under the bowels of Calvary is Enoch's arched vault and deposited on the foundation stone of Masonry that "Ineffable Name." King Solomon discovered Enoch's deposit during the building of the temple "On this hallowed spot was Christ the redeemer slain and buried." This is a sacred spot for Freemasonry. They believe Shem indeed was the King of Salem, known as Melchizidek. They like the caves and caverns for their rituals, as it derives great power and symbolism.

According to a Masonic book, *The Second Messiah*, the patriarch Enoch who walked with God and was translated, foresaw the great deluge and engraved in hieroglyphics the great secrets of science and building upon two great pillars so that civilization could be rebuilt from this knowledge. In Scottish Rite Freemasonry, initiation rites are based on this legend of Enoch's pillars.

"The thirteenth degree [of the Ancient Scottish Rite of Freemasonry] is 'The Royal Arch of Enoch' or 'The Master of the Ninth Arch' and it is set at the time of the building of Solomon's Temple three thousand years ago. It is very much a 'peshet' of the Holy Royal Arch Degree, which is the story of the Knights Templar removing a keystone in the ruins of Herod's Temple and lowering themselves down into a subterranean vault that contains an ancient scroll.

"The degree tells how, in times long before Moses and Abraham, the ancient figure of Enoch foresees that the world will be overwhelmed by an apocalyptic disaster through flood or fire, and he determines to preserve at least some of the knowledge then known to man, that it may be passed on to future civilizations of survivors. He therefore engraves in hieroglyphics the great secrets of science and building on to two pillars: one made of brick and the other of stone.

"The Masonic legend goes on to tell how these pillars were almost destroyed, but sections survived the Flood and were subsequently discovered -- one by the Jews, the other by the Egyptians -- so that civilization could be rebuilt from the secrets that had been engraved on to them. Fragments of one pillar were found by workmen during the excavations for the foundations of King Solomon's Temple. Whilst preparing the site in Jerusalem three thousand years ago the top of a vault or arch was uncovered, and one of the masons was lowered into the vault where he found relics of the great pillar of knowledge. . .

"The next degree, 'Scotch Knight of Perfection', is set in a room which has at its centre the reassembled fragments of Enoch's pillar, inscribed with hieroglyphics. It is claimed that King Solomon created a 'Lodge of Perfection' to rule over the thirteen lower degrees, and its members held their first secret meeting in the sacred vault of Enoch beneath the partly constructed Temple of Solomon." [Knight and Lomas, *The Second Messiah*, pp. 204-5]

The relics of one pillar of Enoch were removed to Scotland, where Sir William Sinclair had welcomed the Knights Templars and became their Grand Master, the Sinclairs since that time being the hereditary grand masters of Scotland:

"The twenty-ninth degree [of Scottish Rite Freemasonry] has three possible names: the 'Knight of St Andrew', the 'Patriarch of the Crusades' or 'Grand Master of Light'. It is said to have originated when the Knights Templar fled from Palestine, bringing with them the relics of the pillar of Enoch, and used three of its stones to form the foundation of the first lodge of Knight Masons in Scotland." [*The Second Messiah*, p. 215]

It is true that Freemasonry did not arrive in Jerusalem in 1099, but was practiced in Solomon's Temple as the ancient mystery religion of Egypt/Babylon with its heathen gods and rituals which are termed "abominations" in Holy Scripture. These practices were strictly proscribed by the Lord, who judged Judah and Israel by sending both nations into captivity for their disobedience. It seems that Solomon himself created a "Lodge of Perfection" to rule over the lower degrees, for Scripture informs us that a lodge existed in the first Temple which was attended by "seventy men of the ancients of the house of Israel." (Ezek. 8:11)

Ezekiel the prophet also describes an inner chamber in the Temple where these elders worshipped "every form of creeping things, and abominable beasts, and all the idols of the house of Israel, pourtrayed upon the wall round about." (v. 10) The chamber in Ezekiel 8 is the pattern which the Freemasons have sought to replicate in Zedekiah's Cave as described above and is the location in which they hold rites of initiation to the higher degrees. A proper understanding of Ezekiel 8 is therefore needed to understand the type of idol and ritual which will be reestablished in the Temple of Solomon which will be rebuilt by a modern Knight Templar who will be the Antichrist.

Ezekiel 8

8:1 And it came to pass in the sixth year, in the sixth month, in the fifth day of the month, as I sat in mine house, and the elders of Judah sat before me, that the hand of the Lord GOD fell there upon me.

8:2 Then I beheld, and lo a likeness as the appearance of fire: from the appearance of his loins even downward, fire; and from his loins even upward, as the appearance of brightness, as the colour of amber.

8:3 And he put forth the form of an hand, and took me by a lock of mine head; and the spirit lifted me up between the earth and the heaven, and brought me in the visions of God to Jerusalem, to the door of the inner gate that looketh toward the north; where was the seat of the image of jealousy, which provoketh to jealousy.

8:4 And, behold, the glory of the God of Israel was there, according to the vision that I saw in the plain.

8:5 Then said he unto me, Son of man, lift up thine eyes now the way toward the north. So I lifted up mine eyes the way toward the north, and behold northward at the gate of the altar this **image of jealousy in the entry**.

8:6 He said furthermore unto me, Son of man, seest thou what they do? even the great abominations that the house of Israel committeth here, that I should go far off from my sanctuary? but turn thee yet again, and thou shalt see greater abominations.

8:7 And he brought me to the door of the court; and when I looked, behold a hole in the wall.

8:8 Then said he unto me, Son of man, dig now in the wall: and when I had digged in the wall, behold a door.

8:9 And he said unto me, Go in, and behold the wicked abominations that they do here.

8:10 So I went in and saw; and behold every form of creeping things, and abominable beasts, and all the idols of the house of Israel, pourtrayed upon the wall round about.

8:11 And there stood before them seventy men of the ancients of the house of Israel, and in the midst of them stood Jaazaniah the son of Shaphan, with every man his censer in his hand; and a thick cloud of incense went up.

8:12 Then said he unto me, Son of man, hast thou seen what the ancients of the house of Israel do in the dark, every man in the chambers of his imagery? for they say, the LORD seeth us not; the LORD hath forsaken the earth.

8:13 He said also unto me, Turn thee yet again, and thou shalt see greater abominations that they do.

8:14 Then he brought me to the door of the gate of the LORD's house which was toward the north; and, behold, there sat women weeping for Tammuz.

8:15 Then said he unto me, Hast thou seen this, O son of man? turn thee yet again, and thou shalt see greater abominations than these.

8:16 And he brought me into the inner court of the LORD's house, and, behold, at the door of the temple of the LORD, between the porch and the altar, were about five and twenty men, with their backs toward the temple of the LORD, and **their faces toward the east; and they worshipped the sun toward the east.**

8:17 Then he said unto me, Hast thou seen this, O son of man? Is it a light thing to the house of Judah that they commit the abominations which they commit here? for they have filled the land with violence, and have returned to provoke me to anger: and, lo, they put the branch to their nose.

8:18 Therefore will I also deal in fury: mine eye shall not spare, neither will I have pity: and though they cry in mine ears with a loud voice, yet will I not hear them.

**BENNY HINN
AGENT OF THE KNIGHTS TEMPLAR
WHY IS BENNY HINN AIDING AND ABETTING THE TEMPLAR TAKEOVER OF
ISRAEL?**

And why is Benny working with Templar organizations that promote the ordination of homosexuals?

The following report confirms our suspicions that the Knights Templar are conducting the present crusade in the Middle East to establish a base for their planned invasion of Israel. These modern-day knights are also forming a religious coalition to mollify Israel with a phony peace treaty and to rebuild the Temple of Solomon, from which venue the Bible states the Antichrist will rule over a Masonic one-world religion and government. The report also reveals that Charismatic healer, Benny Hinn, is involved in this religio-political initiative and working closely with an Anglican Templar/Jesuit organization that promotes the ordination of homosexuals.

It seems that Benny Hinn's assignment in the Templars' current Crusade is "to get the US Evangelical leaders to be in favour of the Middle East Peace Process." The ICR Middle East Update from Knight Templar Andrew White dated 13th February 2004 stated: "Benny had phoned me whilst in the US last week stating that he wanted to meet me soon. It just so happened we were both in Dubai the same day. This was in relation to our need to get the US Evangelical leaders to be in favour of the Middle East Peace Process. We met at his hotel for breakfast on Thursday morning. He explained that he had heard much about our work and wanted to support it. He has also said that he will come to Israel with us ASAP. Both the Israelis and Palestinians are very keen that he should come on board with the Alexandria Process."

So Benny Hinn is participating in the deceptive peace process which will mislead the Jews to receive a false Christ, who will drive them from the Holy Land which will then become the headquarters of said Antichrist who will place the Abomination of Desolation in the Temple (Matt. 24:16) and proclaim himself to be God. "...that man of sin ...the son of perdition; who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God." (II Thes.2:3-4) Evangelical Christians seem strangely ignorant of these end-time prophecies, judging from their support for the Antichrist's program with millions of dollars in donations to ministries like Benny Hinn's -- \$\$\$\$\$ that will be spent rebuilding the Masonic Temple of Solomon.

The Anglican Templar organization with Jesuit leadership that Benny works with also promotes Christian reconciliation with homosexuals and the ordination of homosexuals as ministers, priests and bishops. The Knights Templar were the powerful medieval chivalric order from which the present orders of Freemasonry evolved. They claim to be working to restore traditional values, however, the evidence of history presents a rather different testimony as to moral values of the Templars. Dr. Cathy Burns wrote of the homosexual proclivities of the medieval Templars in her book, *Hidden Secrets of the Eastern Star*:

"In the book entitled *The Guilt of the Templars*, we are told that 'the Knights Templars' confessions show them to have been basically homosexual warrior order...' Other charges were that the Knights Templar participated in black magic and pederasty (anal intercourse, usually with a boy). They practiced 'phallicism or sex-worship and Satanism and venerated 'The Baphomet,' the idol of the Luciferians. The crime of sodomy was a rite of Templar initiation." (p.104)

Documentation of Benny Hinn's collaboration with this Antichrist organization with links to the UN, CFR and the Jesuits has been submitted by Dennis Rhodes of Australia.

BENNY HINN: AGENT FOR THE KNIGHTS TEMPLAR

By
Dennis Rhodes

On the morning of **5/24/2004** in Perth Western Australia on "This Is Your Day", **Benny Hinn hosted Canon Andrew White**, the **Anglican Archbishop of Canterbury's representative** in the Middle East. White was spruiking off about getting Benny into Iraq for a crusade in which he (White) says many thousands of Iraqis will be saved. On searching White in Google I found that he is a major tool in the devil's hands to unite all faiths. Added to this, White is a regular speaker for **Mahesh Chavda's** conferences in the U.K.

"In 1998, Andrew was installed as Director of International Ministry for the Diocese and Cathedral of Coventry. Since then he has headed up Coventry's International Ministry of Reconciliation, more recently with Canon Justin Welby, which includes conflict resolution and the Community of the Cross of Nails, with centres in over 50 countries."

Also, White is linked with **Lord George Carey** who was the Anglican Archbishop of Canterbury but is now partners with James Wolfenson (CFR) of the World Bank organisation, whose aims are to unite the three faiths in the Middle East.

Benny Hinn on his T.V. show, "This Is Your Day," had Canon White as a guest during this last week (end of May 04). Hinn repeatedly said to the camera and his studio audience that, "This is a Man of God people, filled with the Spirit." Hinn commented that it is amazing how God has White in the Middle East with all of his connections... White, for his part on the show, said that Benny should come to the Middle East and that White would arrange it, that thousands would be saved. Hinn said that he met White in the Dubai airport previously and that he wanted him to come on his show.

If you read White's website on his involvement with Hinn it is a bit different.

"Benny had phoned me whilst in the US last week stating that he wanted to meet me soon. It just so happened we were both in Dubai the same day... This was in relation to our need to get the US Evangelical leaders to be in favour of the Middle East Peace Processhe had heard much about our work and wanted to support it."

Both White and Benny have "**a need to get the US Evangelicals to be in favour.**"..... That is why Benny had him on his show I think. He is **selling** White AS A MAN OF GOD and thus

selling what White stands for and believes to the Evangelicals of USA. I assume that Hinn does not join himself to any ministry without first checking it out??

ANDREW WHITE IS AN ASSOCIATE OF MAHESH CHAVDA AND TODD BENTLEY
Andrew White was one of the main speakers at this **Mahesh Chavda** Conference "Ushering in the Glory" - 22-25 April 2004.

Andrew White was a speaker at another conference put on by Chavda, with **Todd Bentley**:

18-21 **September 2003** "Signs and Wonders Conference." **Todd Bentley** claims that the Lord told him an angel named "Healing Revival" has now come to Bentley to bring miracles of healing in his ministry. Bentley said that the Lord told him that **this angel is the same one that was with William Branham** in the Latter Rain revival in the late 40's /early 50's!!!

This is Todd telling how Branham and himself operate through the agency of an angel and not the the Holy Spirit...

Living in the Supernatural & Opening Our Eyes to the Angelic Realm

SO CANON ANDREW IS A CONFERENCE SPEAKER ON A PAR WITH TODD BENTLEY. HINN AND CHAVDA KNOW ONE ANOTHER WELL AS SUZANNE HINN ALSO SPEAKS AT HIS CONFERENCES. SO IT IS REASONABLE TO ASSUME CHAVDA OR SUZANNE HINN PUT WHITE ONTO BENNY HINN. WHY??

WHITE IS FOLLOWING ORDERS FROM CAREY AND WOLFENSON AND THE PENTAGON TO USE RELIGION (HINN) TO BRING "TRANSFORMATION" IN THE MIDDLE EAST. THE TYPE OF RELIGION THAT BRINGS A FALSE PEACE INDUCED BY REPETITIVE WORSHIP AND THAT RELIES ON THE PARTICIPANTS BEING PASSIVE IN THEIR MINDS! FALSE HEALINGS AND MIRACLES IN THE MIDDLE EAST WORKED BY A FALSE TEACHER/PROPHET. HINN IS SKILLED IN BRINGING THE MASS CROWD TO A PLACE OF PASSIVITY AS THEY ALL FOCUS ON THEIR Gnostic "JESUS" WANTING DESPERATELY TO SEE HIM, BE TOUCHED BY HIM AND OTHER NON-BIBLICAL EXPERIENCES.

WATCHMAN NEE SAID IT WELL WHEN HE STATED IN THE SPIRITUAL MAN:

"...in order for evil spirits to work on man, it is necessary that man's mind and will be completely empty and passive. Evil spirits rejoice exceedingly at all who fulfill this condition and immediately go to work. When a 'heathen' fulfills this condition, evil spirits will possess him; when a believer fulfills this condition, evil spirits will also come into him without any reservation."

THE SHOFAH IS BLOWING **Todd Bentley** recently said of the Revival and Emerging Apostolic Movement... "Somebody emailed our ministry and asked a valid question. He said,

'Todd, you are going to have all these men - prophets and apostles - get together and talk about the emerging apostolic movement. My fear would be that there wouldn't be a representation of the **Goths**, the **Punks** and the **Ravers** - the whole underground world that God is moving in today - the movement that offends and scares most people in the church. You know - the punked and coloured hair with all the earrings and piercings in every part of the body. Is there not room for true apostle and prophets in that sub-culture?'

From that question I realized that we need to be very careful in the whole new emerging (apostolic) movement, not to just package it how we think it should look. I am going to make some statements now: There are punk apostles; there are biker prophets; there are ravers that are apostles; there are skinheads that are part of this prophetic movement ...I don't have any here

right now. I'd be the closest thing. We must not forget that these (sub-cultures) have a voice in this whole prophetic movement too. The teenage apostles and the teenage prophets are being raised up, and it's also happening in other spheres of life too." [Revival Now]

Editor: If you don't know what the Goths, the Punks and the Ravers are, you can read up on these teenage death cults at: [The Graveyard Scene](#).

Another prayer link for White. The prophetic word below was for White.

"HE'S RIDING A WHITE HORSE" - (A "prophetic prayer" from a misguided "brother" for Andrew White the Templar!-Ed)

"Iraq was ancient Babylon. Saddam's main purpose was to restore ancient Babylon. In one of Saddam's palaces, there is a room called the throne room. It was the seat of Saddam's power. After the fighting in Iraq, allied forces turned that throne room into a chapel. Today, prayer is offered three times a day, and there are Bibles all over the place. Canon Andrew White is the personal ambassador of the archbishop of Canterbury to the Middle East. Andrew White told us of his trip to Baghdad that he made after the May conference here at watch headquarters. He said he knew that he needed the glory that was at the conference, especially on Saturday night, to go with him on that trip. Bonnie gave him our live worship watch CD. He played two songs all the way on that 14 hour journey, but primarily the song, "We Will Ride." Andrew calls it the white horse song from one line that says, "He has fire in His eyes and a sword in His hand; He's riding a white horse across that land." He told us that the first song played in that chapel was the "white horse" song. Then he noticed on the ceiling there's a dome, and painted all around the dome are beautiful white horses that Saddam had ordered be painted there.

Amazing story"

Remember that a Knights Templar symbol is 2 riders on a horse with a sword/lance. (right)

Also, the logo of the Council on Foreign Relations (CFR) is a rider on a white horse. (below)

James D. Wolfenson, President of the World Bank, who partners with former Archbishop of Canterbury, Lord Carey, and works with Knight Templar, Canon Andrew White, to bring about Reconciliation in the Mideast, is a member of the Council on Foreign Relations.

OFFICIAL INTERNATIONAL WEBSITE OF THE KINGHTS TEMPLAR

White himself was awarded the medal of merit

"Canon Andrew White has been awarded two major awards for his inter-faith work in the Middle East.

"The first was presented on Saturday 7th September in Germany by the Knights Templar of Jerusalem. Canon White was admitted as a Companion of Honour the orders highest award in recognition of his services to Jerusalem. The Grand Magisterial Council of Ordo Supremus Militaris Templi Hierosolymitani dates back to the time of the Crusades though the endeavours of the order today are very different from the original aims of the crusaders."

Simon Le Fevre
Grand Prior of England & Wales

The Autumn Magistral Council Meetings in BÜdingen 7 - 9 November 2003 seem to have been a great success with a record attendance. Read the report on this too! Büdingen 2003: A Personal Recollection

Post BÜdingen

*The meetings of the Magistral Grand Council of OSMTH - **Knights Templar International** took place in the **autumn of 2003**, under the auspices of the Grand Priory of the USA, in the medieval town of BÜdingen, a few tens of miles north east of Frankfurt-am-Main in Germany. ..." **The Reverend Canon Andrew White**, the Archbishop of Canterbury's Representative in the Holy Land & the Middle East, told movingly of his work in helping children,..."*

SO ANDREW WHITE SPOKE AT THE MAHESH CHAVDA "SIGNS AND WONDERS CONFERENCE" 18-21 SEPTEMBER 2003 AND THEN AT THE KNIGHTS TEMPLAR INTERNATIONAL GRAND COUNCIL IN BÜDINGEN, GERMANY FROM 7-9 NOVEMBER 2003.

News Flash!

As the Archbishop of Canterbury's Special Representative to the Middle East, Canon Andrew White co-ordinates the religious track of the Middle East "peace process." Heading up the work of reconciliation at White's Coventry Cathedral for the past several years has been **Georges Sada, a former Air Vice Marshall in the army of Saddam Hussein**. Recently, however, Sada was chosen to be **chief advisor and spokesman for the new Prime Minister of Iraq, Iyad Allawi!**

Iyad Allawi is a former CIA operative who formed a terrorist organization which conducted a bombing campaign and sabotage operations in Iraq in the early 1990s. As disclosed in a recent New York Times article, the bombing campaign was reported to have caused civilian casualties but never threatened the rule of Saddam Hussein. Ironically, Saddam Hussein was also put into power in 1968 by the CIA. See Update below.

WHITE IS NOT A MAN OF GOD

White saw nothing wrong with accepting an award from a Knights Templar group.

White's CCN counterpart in USA, Rev. James A Diamond is an Jesuit-trained Ignatius Director, whose church in Cincinnati are wanting to bring Reconciliation with the homosexual community and who believe in the ordination of Homosexual priest Gene Robinson.

White is still involved with Dr George Carey and with Diamond in the Middle East to bring so called Reconciliation (another word for the joining of religions) between the three monotheistic religions.

White's church choir led worship in a Buddhist meeting place to "god".

White is called "**Templar Knight Canon Andrew White** of the British Anglican Church (Second Row, Gray Suit)." [Knightgraphs: Iraq Photo Journal shows the major role played by Canon White and the Knights Templar in the conquest of Iraq and the Mideast "peace process."] White's U.S.A. Community of the Cross Nails man, James Diamond said, "I will be joining Canon White and Lord Carey (the former Archbishop of Canterbury) in Jerusalem later this

week for another effort in the Alexandria accord." April 2004. (Website of President of CCN USA James Diamond)

So Benny Hinn has joined to this man White, and by association to Carey (World Bank involvement) and to Diamond (Occultic Ignatius Loyola exercises) Also added to this is the disturbing involvement of the U.N. and the World Bank and the Pentagon and Rumsfeld etc etc. These groups are loyal to the age old plan to establish a New World Order with it's accompanying one world HARLOT church. The stated aim of the World Bank and the U.N. is to have DIALOGUE between the 3 monotheistic faiths in the Middle East. This will bring the false peace that the Scriptures speak of 1 Thess 5:3. Not just words though but words that lead to action. They are painting the picture that Muslims and Jews and Christians all worship the same God. There will be a constant push to forget differences and join together.

Lord Carey's site, **The World Faith Development Dialogue** site accessed through the World Bank site.

.....This is Lord Carey's site in association with James D. Wolfenson, the President of the World Bank (Bilderberger, CFR, Tri Lateral Commission)

Read what Wolfenson and Carey have to say on the manipulation of religion....

President World Bank. James D. Wolfensohn

FAITH AND DEVELOPMENT

"The World Bank's engagement with the religious community involves three key areas:"

"Dialogue" entails a willingness to listen and learn, and to be transformed by the exchange.

"...it has increasingly been recognized that the religious community can play a pivotal role in building bridges, contributing to change and continuity among communities, and addressing today's central development challenges. Through dialogue and engagement, many have come to see that religious institutions and actors have an important contribution to make to the critical debates about the broad global agenda for the new millennium."

The globalists or Illuminati have come to see that they can use religion for their goals. Hinn is just another important "actor" in this process. The ecumenical movement is making room for the entry of the Charismatics through Hinn's direct involvement!

"Yet, many western societies have followed a model where there was a distinct separation between "church" and "state".....

"Today's events and challenges present new questions about these divides and walls, and call for a new series of bridges."

From the above quote from the World Bank we can see that their agenda is to join the state and religion together through dialogue designed to bring transformation and change. We know from scripture that Antichrist will rule a religious kingdom with the false Harlot church riding the political beast. This dialogue the World Bank has CAREY AND WHITE AND DIAMOND AND NOW POSSIBLY HINN INVOLVED IN is to form this Harlot church in the Middle East! "Mr. Wolfensohn believes that September 11, 2001 may well have marked the start of an important **paradigm shift in thinking about the links between globalisation, international relations, and religion. We have witnessed in the post 9/11 period an extraordinary outpouring of thinking in all areas of endeavour.** This has brought the **links between religion and development** into much sharper focus, brought the dialogue to the mainstream,

and given **new impetus to the global development agenda**. Above all, questions about social justice - what it means, how it can be achieved, how it is **tied to peace and stability**, and who is responsible - are central in global debate and dialogue." (from the World Bank site)

From the quote above, this paradigm shift is exactly what is happening. The shift they have always planned for. "Let's forget about our differences and join together in one big family."... "a brotherhood of man."....

Today I received a video from the States and it was wrapped in newspaper. The South Carolina paper "The State" from 5/25/04 carried the Bush speech to the Army War College. In it he said, "We believe that when **all Middle Eastern peoples** are finally allowed to live and think and work and worship as free men and women, they will reclaim the greatness of their own heritage. And when that day comes, the bitterness and burning hatreds that feed terrorism will fade and die away."

Reading between the lines, what the administration is saying, I believe, is that they intend to "liberate" ALL the peoples of the Middle East! Iraq is their launching pad into the entire region. For what? To bring so called "democracy" to ALL the peoples of the Middle East. The Templars and the Freemasons want Jerusalem. Antichrist (Satan) wants it too. The U.N. was set up for this very thing! Andrew White has meetings with the Pentagon top brass and is actively trying to get the Evangelical leaders on board his agenda for "peace and safety" in the Middle East.

Funny that one of those leaders is Tim La Haye who used a Knights Templar Rosy Cross on his book cover and a Masonic symbol on another..

The following link explains what Cross of Nails is, from a member's viewpoint:

THE US PRESIDENT OF CROSS OF NAILS-- An IGNATIUS (Loyola) DIRECTOR!!

Chapel of the Cross Center of the Cross of Nails
Interfaith Award to Canon White
US President of the Community of the Cross of Nails - James Diamond

"Diamond concluded the commissioning service, 'Will you be guided on the journey of reconciliation by prayer and hospitality as inspired by the Rule of Benedict?' The congregation's response resounded through the great cathedral: 'We will with God's help.'

"St. Benedict's sixth-century 'rules' for a way of living are the heart of the Community of the Cross of Nails program at St. Mark's and at 240 other centers located in 60 countries. At the core of the program are 'Hospitality and Reconciliation Circles' which are small groups that meet monthly to pursue the Benedictine Way. Over 130 persons in the St. Mark's congregation are currently participating in this in-depth journey into reconciliation and more join each month." [Monasteries were/are fronts for occult activity, sexual perversion, the promotion of asceticism and Merovingian infiltration of the Church. See: Heeding Bible Prophecy: Monastic Communities]

HOMOSEXUAL PRIEST SPEAKS AT THEIR CONFERENCE. Good one BENNY!!!

"It was also announced that St. Mark's will host a national Cross of Nails conference in June on the topic of sexual orientation reconciliation. One of the speakers will be the Right Rev. V. Gene Robinson, Bishop Coadjutor of New Hampshire, whose election and confirmation as the **first openly-gay bishop in the Christian church**, has caused international controversy. Bishop Robinson will also be the preacher at St. Mark's on June 20, 2004."

U.S. President of "cross of nails" gives consent for ordination of a Homosexual - a snip from Rev Diamond's sermon.

"You and I know that we can quote various disconnected verses from Genesis, Leviticus and Romans and we can find in those parts of the Hebrew text and in the Epistles uncompromising words that condemn homosexual acts. Taking verses out of context and out of history is not a responsible use of Scripture. I suggest to you that there are two things that balance against this use of scripture. First, Jesus' commentary on homosexual activity in the gospels; it does not exist. There is not a word about homosexuality either because he forgot it, not likely; he did not think it was important, probably untrue; or perhaps he felt that we could come to understand sexual orientation on our own since it was not a matter of sin."

CAN YOU BELIEVE BENNY IS LINKING WITH THIS ORGANISATION?!

Reconciliation Ministry - Christ Church Cathedral Alexandria Declaration

"Reconciliation is not a static, rule-driven endeavour, but a dynamic, living practice of relationships that allows people to know we are all within the human family, which is God's family. No one is outside," said Beverly Jones.

(I thought only those in Christ were in God's Family?!)

This is all linked with Andrew White. And now Benny Hinn. Promoting Homosexual ordination.

Bishops with opposing views on sexuality to headline reconciliation conference

Saturday, May 15, 2004

[Minnesota] When St. Mark's Cathedral, Minneapolis, officially became a centre for the Community of the Cross of Nails on January 11, 2004, its Dean, the Very Rev. Spenser D. Simrill, told the congregation, "If asked to help, there is no issue we will shy away from." On June 18 and 19, St. Mark's will host a national conference, sponsored by the Community of the Cross of Nails-USA, entitled "Reconciliation and Sexuality: Youth, Families and Children."

On the homosexual conference an Episcopal bishop said, "Nothing is resolved by avoidance," said Johnson. "This conference is a God-given opportunity to listen and share with one another. Whatever the outcome, these steps are necessary if we are to stay in contact, live in hope and strive for faithfulness. Gathered in Christ's name, we are assured of his presence among us. I pray we will hear and heed his voice."

The Very Rev. James A. Diamond, dean of Christ Church Cathedral, Cincinnati, Ohio and president of the Community of the Cross of Nails-USA, reports that the conference has been two years in the planning and predates the actions of the 2003 General Convention of the Episcopal Church, which thrust the issue of human sexuality to the forefront.

"The Community of the Cross of Nails in the United States is dedicated to projects in international and domestic reconciliation. In January of 2002, the CCN board chose reconciliation on the issue of sexual orientation as one of three domestic projects for the coming four years. Teaching the skills of reconciliation is one of the goals of the CCN especially regarding sexual orientation which is a potentially divisive issue for several Protestant denominations," Diamond said.

"St. Mark's Cathedral, through the hosting of historic gatherings, such as the first World Anglican Congress, in 1954, and the Presiding Bishops Forum on Global Reconciliation, in 2003, has given the larger church significant gifts of hospitality and healing," said Simrill. "It is our fervent hope that we may give such a gift again this summer."

Considering that Benny " had heard much about our work and wanted to support it." I wonder why he supports their openly gay inclinations?

Sermon quote by US Pres. of Community of Cross of Nails - Rev. James A Diamond.

"The Community of the Cross of Nails in the United States focuses on domestic reconciliation. The board of CCN-USA has selected three priorities for the next triennium: racial reconciliation, inter-faith reconciliation, and the reconciliation necessary around sexual orientation. The scope of these three areas of domestic reconciliation allow for individuals and congregations to participate in the national committees by email as all three groups plan national conferences in the next year and a half."

CONCLUSION

False Prophet Kim Clement prophesied before 9/11/01 that the Lord's blood would spiritually flow through the Middle East and millions of Muslims would be saved. He foresaw the WTC disaster and said America would take revenge and invade the Middle East and that the kings of the east would fall ...etc. I believe he hears what the 'guiding spirits' who are behind all this mess are planning to do. So rather than a revival or harvest brought about by God and the faithful preaching of the True Gospel we will see *another spirit* and *another Jesus* and *another gospel* preached in the Middle East.

Oh, the Charismatics and Pentecostals will rejoice! ' Look what God is doing in Iraq' they will say. When in fact it will not be God at all but the work of evil spirits acting upon passive willed and passive minded, desperate people. That's why Canon Andrew White has approached Hinn, or why Hinn has approached White, it makes no difference who initiated it. It worries me that Chavda is very focused on praying for those in charge in Iraq and in the US government. None of these so called prophets can see that the Skull and Bones leadership in the White House are not Christians at all but wolves in sheep's clothing! Hyper patriotism in the church has blinded the people to what is happening under their noses. Apart from the Templar involvement, the main thing I see is that Hinn is being recruited to go to the Middle East to bring millions (maybe) into the Harlot one world church.

When I saw that White spoke at the Chavda conference in September 2003 and then went to the Knights Templar conference in November 2003, I was amazed. Like chalk and cheese! Chavda's conference would have the usual manifestations of the 'presence' of god while Bűdingen Germany would have been the opposite.

When one reads Wolfenson's paper on Religion and Dialogue it is sinister isn't it? Using religion to bring peace. Using dialogue to bring transformation and change and eventually one religion. I wonder what Wolfenson was told at the latest Bilderberg meeting on the $6/6/(2+4) = 6$? It certainly seems that Hinn is being used, I hope unknowingly, by White (Carey and Wolfenson) to grow/plant the false church in the Mid East as the White House moves from nation to nation to 'liberate' ALL Middle Eastern people. Isn't that what the Templars did years ago? They claim to have a different agenda now, peace and good will ...etc. Yet on their site, the same one White is on, they talk about possibly finding the 'mummified head of Christ.!!! It is supposed to be buried under the Rosslyn Chapel in Scotland along with the 'Holy Grail....doesn't sound to me like they have changed at all!"

UPDATE ON CANON ANDREW WHITE 6/29/04

Dennis Rhodes

Here is the latest on Canon Andrew White:

Iraq and the return to sovereignty

By Canon Andrew White

June 24, 2004

"Ten days ago I was informed that I was to be one of the few westerners to attend the ceremony of the presentation of the new Iraqi Government....

"Already the Governing Council had made an announcement three days earlier that they had chosen the new Prime Minister, Iyad Allawi, a doctor from Wimbledon...

"In talking to the Prime Minister during the reception, I assured him that I had forgiven him for taking the most trusted member of my team to be his chief advisor and spokesman. Georges Sada who for the past six years has headed up Coventry Cathedral's work in Iraq is now running the Prime Minister and his office...

"In the past week I have had several meetings with the Prime Minister from Wimbledon..

""The Iraqi people deserve such a leader and we need to support him and pray for him in the coming months. Who knows what the coming weeks will hold for this great civilisation in chaos and pain? With Georges Sada behind him, the former Air Vice Marshall [of Saddam Hussein's army] and head of the Protestant Church in Iraq, now a member of the Anglican Church in Baghdad, who knows what the Prime Minister can achieve? He only has seven months to prove himself, because then must come real elections and real democracy. It will be the next few months that will show us if this will work or not."

Does Andrew expect us to believe that Mr Allawi just took his most trusted man? More than likely Georges Sada was suggested to Allawi as the man the Pentagon wants. We already know that Andrew White has regular meeting with the Pentagon and with Carey. Now through his man Sada, White is effectively in charge of Iraq!! That being the case, and knowing that White has invited Benny Hinn to come to Iraq, then we should see Benny making the trip soon. With Georges Sada in the ear of the P.M., this will open the door for Hinn. The implications are that a false gospel with false wonders will be spread through the Middle East via Hinn. This is the "liberty" that GW Bush wants to bring the Muslim people into! A false liberty!

Also, Benny is now going to be part of a special 24hr a day telecast of the gospel into the Middle East. Benny does preach that Jesus is the Son of God, that he came and died for our sins and rose again.....TRUE...BUT he is attended by another spirit not the Holy Spirit. How do I dare say that? Because the real Holy Spirit is the Spirit of Truth! He does not witness to twisted out of context theology... He will lead into all truth... He doesn't lead people into unbiblical passive-minded worship where they visualize their own jesus.... He will not speak of Himself... He doesn't draw attention to Himself as does the spirit in Hinn's ministry. [See a few of Benny's false teachings below.]

Perhaps Sada, instructed by White, will get Hinn to come to Iraq in the next 7 months so as to have "revival". The "annointing" that accompanies Hinn's meetings would bring the Globalists' dream of (False) peace in the Middle East into fruition as the people "come under" it... This will

prepare the people of the Middle East for the arrival of the Antichrist and the ecumenical False Church.

The sad thing is that Benny believes it is God who is leading and orchestrating his ministry. When in fact he is a trump card in the enemy's hand, having been prepared for such a time as this! The coming of the lawless one is according to the working of satan.....with all lying signs and wonders...to deceive. (2 Thess 2:10)

BENNY HINN OR BEN HINNOM?

June 02, 2004, 08:07:00 AM

Jeremiah 32:35 They built high places for Baal in the Valley of Ben Hinnom to sacrifice their sons and daughters to Molech, though I never...

BENNY'S IDEAS (Quotes)

"Had the Holy Spirit not been with **Jesus**, He would have **sinned**" (Good Morning Holy Spirit, first edition, 1990, p135);

"Jesus knew the only way He would stop Satan is by becoming one in **nature with him**" (Benny Hinn, TBN, 15th December 1990).

"Before He died, I should say, on that cross, something happened to Him which began the wheels of the New Creation moving that was this: He died spiritually! ...Jesus Christ understood that spiritual death is union with the satanic nature. ...What is spiritual death? Separation from God" (New Creation in Christ sermon, late 1988).

The Trinity- 3 or 9?

"Each one of them is a triune being by Himself ...there's **nine of them**" (Benny Hinn, TBN, 3rd October 1990).

"God the Father is a person separate from the Holy Ghost. Totally separate. ...Do you know that the Holy Spirit has a soul and a body separate from that of Jesus and the Father? ...God the Father then is a triune being within Himself. He's a person, He has His own Spirit, He has a soul. ...A soul is my intellect. ...God thinks. ...separate from the Son and separate from the Holy Ghost. ...God the Father is a separate individual from the Son and the Holy Ghost, who is a triune being who walks in a spirit body and He has hair...has eyes...has a mouth...has hands" (Orlando Christian Centre, Oct 13th 1990).

"**Adam** was a super-being when God created him. ...The Scriptures declare clearly that he had dominion over the fowls of the air ...which means **he used to fly**. ...Adam not only flew, **he flew to space**. He was - with one thought he would be on the moon" (Praise the Lord, TBN, 26th December 1991).

"**You say, 'Benny, am I a little God?'** You're a son of God, aren't you?...What else are you? Quit your nonsense!...If you say, 'I am,' you're saying you're part of Him, right? Is He God? Are you His offspring? Are you His children? You can't be human! You can't! You can't!" (Our Position in Christ #2, 1990, audiotape, sd 2)

"When you were born again the Word was made flesh in you. And you became flesh of His flesh and bone of His bone. Don't tell me you have Jesus. You are everything He was and everything He is and ever shall be... Don't say, 'I have.' Say, 'I am, I am, I am, I am, I am'" (ibid.)

"When you say, 'I am a Christian,' you are saying, 'I am mashiach,' in the Hebrew. **I am a little messiah** walking on earth, in other words. That is a shocking revelation. ...May I say it like this? You are a little god on earth running around" (Praise-a-Thon, TBN, 6th November '90)

"In my case, I know I have lost complete desire for anything to do with the world. My worldly desires are goneI no longer have any rebellion in me." (The Anointing, p177-8.)

"SO, I'M BENNY JEHOVAH!" (Spiritual warfare seminar, May 2 1990).

"Say after me: ' With in me is a God-Man.' Say it again. 'Within me is a God-Man.' [Congregation repeats.] Now, let's say even better than that. **Let's say, 'I AM A GOD-MAN.'** ... This spirit man within me is a God-Man. ...Say 'I'm born-of-heaven-God-Man. I'm a God-Man. I'm a sample of Jesus. I'm a super being'" (Praise the Lord, TBN, Dec 6 1990).

"God came to earth and touched a piece of dust and turned it into a God. ...Are you a child of God? Then you're divine! Are you a child of God? Then you're not human!" (TBN, Dec 1, 1990).

"When I stand in Christ - I am one with Him; united to Him; one spirit with Him. I am not, hear me, **I AM NOT PART OF HIM, I AM HIM! THE WORD HAS BECOME FLESH IN ME!** ...**When my hand touches someone, it's the hand of Jesus touching somebody**" (Our Position in Christ).

"I [Jesus] loved you enough to become one of ya! And I love you enough to make you one of me!" (TBN, Dec 1 '90).

"God told Abram He could touch this earth till a man gave it back to Him" (World Charismatic Conference, 7th August 1992); **"Never, ever, ever go the Lord and say, 'If it be thy will....' Don't allow such faith-destroying words to be spoken from your mouth"** (Rise and Be Healed!, 1991, p47-48).

"Jesus was born again [in hell]" (Our Position in Christ #1, 1991, audio-tape).

"The Holy Spirit says, 'God's original plan is that the woman was to **bring forth children out of her side**'" (Our Position in Christ #5, 1990, audiotape, side 2)

THE NEW CHRISTIAN CRUSADE CHURCH

CALLING THE PEOPLE OF BRITAIN

At last the bible makes sense!

At last we know its meaning.

Its the book of the RACE

**"For out of Zion shall go forth the law, and the
Word of the Lord from Jerusalem"
(Isaiah 2:3)."**
