The Controlled Media

Nick Goggin

OFTEN IN THESE STUDIES here on this web site we mention something called the *controlled media*. We state that many things which are going on today regarding the formation of the *New World Order* (which is just a modern name for the Biblical "first beast" global control system of Revelation chapter 13, that precedes the "second beast" [antichrist/Satan] by 42 months) are hidden from the average persons eye by this "controlled media."

From a 1936 series of International Judaic speeches at the *B'nai B'rith* [*B'nai B'rith* in the Judaic Parent organization of the world-wide Jewish Anti Defamation League]

"...As long as there remains among the Gentiles **any moral conception of the social order**, and until **all faith, patriotism, and dignity** are uprooted, our [International Judaics] reign over the world shall not come ...And the Gentiles, in their stupidity, have proved easier dupes than we expected them to be. One would expect more intelligence and more practical common sense, but they are no better than a herd of sheep. **Let them graze in our fields till they become fat enough to be worthy of being immolated to our future King of the World** [Satan/antichrist]... ...Martin Luther [the leader of the Great Reformation] yielded to the influence of his Jewish friends unknowingly, and again, by Jewish authority, and with Jewish finance, his plot against the Catholic Church met with success. But unfortunately he discovered the deception, and became a threat to us, **so we disposed of him as we have so many others who dare to oppose us** [Martin Luther may have been slowly poisoned to death] ...

Many countries, including the United States have already fallen for our scheming. But the Christian Church is still alive ...We must destroy it without the least delay and without the slightest mercy. Most of the Press in the world is under our Control; let us therefore encourage in a still more violent way the hatred of the world against the

Christian Church. **Let us intensify our activities in poisoning the morality of the Gentiles. Let us spread the spirit of revolution in the minds of the people. They must be made to despise Patriotism and the love of their family, to consider their faith as a humbug, their obedience to their Christ as a degrading servility**, so that they become deaf to the appeal of the Church and blind to her warnings against us. Let us, above all, make it impossible for Christians to be reunited, or for non-Christians to join the Church; otherwise the greatest obstruction to our domination [Christianity] will be strengthened and all our work undone. Our plot will be unveiled, the Gentiles will turn against us, in the spirit of revenge, and our domination over them will never be realized.

Let us remember that as long as there still remain active enemies of the Christian Church, we may hope to become Master of the World ...And **let us remember always that the future Jewish King** [the antichrist] **will never reign in the world before Christianity is overthrown...**"

From a series of speeches at the **B'nai B'rith** [Parent organization of the Judaics ADL] Convention in Paris, published shortly afterwards in the *London Catholic Gazette*, February, 1936; *Paris Le Reveil du Peuple* published similar account a little later.

Most people, finding it far easier to simply close their eyes and go to sleep, than to actually take an active role in their education searching the truth out, reject that there is anything like a Jewish controlled media. But for those who have bothered to take even the most cursory look, it is clear that there is in fact a Jewish cabal that runs every single form of media expression. For those unaware of the phenomenon, see: [GENERAL OVERVIEW of Massive JEWISH PRESS OWNERSHIP.](#)

So, it is not for the ignorant, lazy, or dull (95% of the global population), that we offer below one more proof of a conspiracy. For we know that the *willing* New World Order *slaves* will just yawn and roll over until it's time for them to take their Mark of the Beast. But it is rather for you, those Christians who's eyes are wide open, seeing that indeed there is something going on, on a global scale. And that it has been going on for a very long time.

Below is the Jewish Financial Dynasty and one of her Jewish overlords the Morgan (Jewish) Banking Family. This is the same J.P. Morgan that helped to set-up our *Federal Reserve* Money System. The below quote is valuable because it shows that media censorship, spin, and manipulation was fomented long ago in this young country America; and it also shows a valuable proof of the cross-over of control of the four Dynasties. We know that there are *four hidden dynasties* with which Satan shall control this world through his surrogates on the Earth the International Jew.

In our study titled, The New World Order: What is it, When Did it Begin, is it in place?, we show all four of the Hidden Dynasties, those four being the:

1. **Political**
2. **Religious**
3. **Financial**
4. **Education/Media**

The below quotation, currently recorded in the *United States Congressional Record*, shows one dynasty (Financial) also controlling another dynasty (Education/Media). This is important, for it illustrates what we have been saying, that the four dynasties are all controlled by one 'group' and they are all very *Kosher*, if you know what I mean (Jewish).

On February 9, 1917, Congressman Oscar Callaway inserted the following statement in the *Congressional Record*:

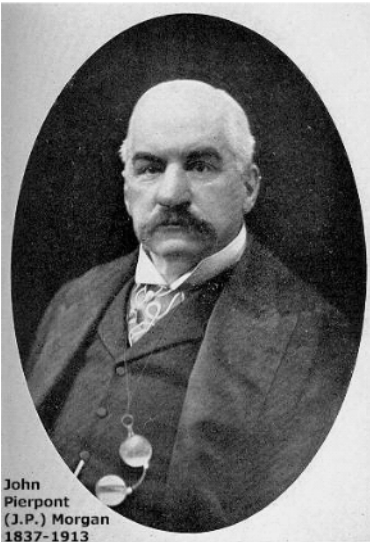

In March, 1915, the J. P. Morgan interests ... and their subsidiary organizations, got together 12 men high up in the newspaper world and employed them to select the most influential newspapers in the United States and sufficient number of them to control generally the policy of the daily press of the United States.

These 12 men worked the problem out by selecting 179 newspapers, and then began, by an elimination process, to retain only those necessary for

the purpose of controlling the general policy of the daily press throughout the country. They found it was only necessary to purchase the control of 25 of the greatest papers.

The 25 papers were agreed upon; emissaries were sent to purchase the policy, national and international, of these papers; an agreement was reached; the policy of the papers was bought, to be paid for by the month; an editor [*watcher, minder, agent*] was furnished for each paper to properly supervise and edit information regarding the questions of preparedness, militarism, financial policies, and other things of national and international nature considered vital **to the interests of the purchasers**....

John
Pierpont
(J.P.) Morgan
1837-1913

By 1917, J. P. Morgan and his (International Jewish) associates controlled twenty-five of our most influential newspapers. Since then *they* have continued on to control all other media outlets: Periodicals, Magazines, Radio, Television, Satellite, Cable; and now *they* are working on controlling content on the Internet through censorship laws (hate crime/speech laws), content filters (Net-Nanny, etc.), and false Web-Blog sites. The new false-Blogs have infiltrated the newest defence mechanism against the controlled media the Web-Blogs.

And just in case you think that the above quote referring to J.P. Morgan was just the babblings of The United States Congressional Record, read below at the outburst of a newspaper editor who had had enough. John Swinton, the Editor of New York Times, and Amer. Press Assoc., was at a party of newspaper Editors in

1914; when he shocked the room by blurting out: "There is no such thing as an independent press in America. Not a man among you dares to utter his honest opinion. You know beforehand that it would never appear in print. It is the duty of New York journalists to lie, to revile, to toady at the feet of MAMMON, and to SELL his country and his race for his daily bread, We are the tools and the vassals of the rich behind the scenes. We are marionettes. These men pull the strings and we dance, our time, our talents, our lives, and our capacities are all the property of these men, we are intellectual prostitutes. John Swinton, circa 1914; Editor of *New York Times*, and *Amer. Press Assoc.*

A "Web-Blog" can be simply defined as an Internet alternative news source, mostly "one-man's opinion" type stuff, which usually double-checks facts that appear in the major media. It was a Blog site that started the fall of CBS and Dan Rather (himself a conscious-less soul selling intellectual prostitute for the *controlled-media* masters) when they lied about a forged document in their attempt to illegally influence the 2004 U.S. Presidential Election by defaming the sitting President of the United States of America with an obviously forged letter.

The controlled media wasn't ready for the Blogs disclosing their deceits; they got caught red-handed. Will *they* be prosecuted? Don't be foolish, *they* also control the State Department and all Law-Enforcement tentacles: from Congress, down to the policy adhered to by the Cop on the street. It will most likely go away with a trivial (to them) fine.

So the Blogs do good work, they are the "little people" keeping tabs on the "Goliath."

But International Jewry is not so stupid either, now the controlled media's masters are clandestinely putting up their own false-front Blog sites which give out conflicting reports and out-and-out lies to confuse the heck out of everyone thus discrediting all Blogs making people ignore their message.

This, incidentally, was the reason for the Rockefeller financed ***John Birch Society***. Many (most) people do not know that it was Rockefeller money that financed the Society.

The well financed and highly read John Birch Society went about to expose the conspiracies and intrigue involved in world-control. Thing is, while the JB Society did give out 'nuggets' of remarkable information from within, and it did have access to internal information, it always steered suspicion AWAY from the international Jewish conspiracy (which of course, through Rockefeller, was funding the JB Society).

Pretty smart, aren't they? They also infiltrate all organizations that set out to expose or resist them; then, by use of these internal spies and paid informants, any organization that speaks against them is revealed and destroyed. Most times U.S. Government Law Enforcement is enlisted to destroy these organizations. That is why the Feds are systematically dismantling anything that even looks like a "Patriot group." Then through their media arm, they vilify these Patriots by falsely claiming that they are cross-burning neo-Nazis. The average American, who gets all of his news through the controlled media, is at once turned against the now vilified Patriots, and into the arms of their own destroyers. The Patriots must be destroyed before America can be taken over. Or, better stated, the Patriots (including Biblical Christians who would never worship the new god of this world) will have already been identified, so that they can be eliminated during the takeover.

The events of 911, whoever perpetrated/allowed them, gave the U.S. Government the tools that it needed to accomplish this task. All of the articles of the (so-called) *Patriot Act* and *Patriot Act II* are designed expressly to empower clandestine governmental agencies to identify and dismantle any group on U.S. soil capable of putting up a formidable resistance/exposé of the coming New World Order's plan for Martial Law in the Americas. When they succeed with their plans, we will suddenly awaken in Revelation chapter 13, wondering how it could have possible happened so fast and *unobserved*.

We are but one major terrorist attack away, whether real or imagined, from Martial law in America; whether perpetrated by crazed Arabs from some third-world hell hole, or by the conspirators themselves.

And once Martial Law is declared, the International Jew is then the undisputed master of the strongest and richest Christian nation on the planet, and the mightiest military machine ever known to mankind. Yes Virginia, there is a conspiracy.

"The individual is handicapped by coming face-to-face with a conspiracy so monstrous he cannot believe it exists." J. Edgar Hoover

Is the concept of Martial Law in America too far fetched for you? It shouldn't be, if you've done your homework. Or could it be that you go to *them* for your information and news? Shame on you. Well, the concept of Martial Law in America wasn't "too far fetched" for our Presidents who have already laid out the "contingency plan." Every preparation is ***al-ready*** in place, all of the operational orders are cut; the only thing that remains is a believable reason for the President (or his Chain of Command successor, should he be *incapacitated*) to sign them.

It should be noted that there is no provision, in all of these extra-judicial (not made by law) Presidential Orders, for the transition back into a Democratic form of government after Martial Law is lifted. In other words, the framers of this treasonous program did not feel that Martial Law, once being put into place, would ever be lifted! Welcome to the New World Order.

The below shows you how we shall go from *point A*, the freedom of today, to *point B*, the tyranny of Revelation chapter 13. The Founding Fathers and framers of our Constitution & Bill of Rights would immediately take up arms if this was attempted in their time. This is exactly what they fought so hard to avoid tyranny. This plan makes the old Soviet Union or modern day China look like the freest Democratic utopia! And with the *convenient advent* of the so-called international terrorist boogeyman, we are willing to sell ourselves into slavery. Into slavery we shall go.

The below extra-judicial Presidential Executive Orders are by no means a complete list of the Martial Law packet ready for immediate implementation: anytime, within the hour, at the mere stroke of any sitting President's pen, or of his successor's pen should he become "indisposed."

Behold your future:

FEMA - Executive Orders (briefs of selected orders from E.O. #10990 - #12148): [WBSG comments in bracketed text.]

EXECUTIVE ORDER Number 12148 created the Federal Emergency Management Agency that is to interface with the Department of Defence for civil defence planning and funding. An "emergency Czar" was appointed. FEMA has only spent about 6 percent of its budget on national emergencies. **The bulk of their funding has been used for the construction of secret underground facilities to assure continuity of government in case of a major emergency, foreign or domestic.** ["Domestic," that's YOU! The Elite in secret underground bunkers, and you out here living a hell on Earth that the Bible calls the Great Tribulation.]

EXECUTIVE ORDER Number 12656 appointed the National Security Council as the principal body that should consider emergency powers. This allows the government to **increase domestic intelligence and surveillance of U.S. citizens and would restrict the freedom of movement within the United States and grant the government the right to isolate large groups of civilians.** [Can anyone say "prison camps?" "Cities cordoned off?"] The National Guard could be federalized to seal all borders and take control of U.S.

air space and all ports of entry. Here are just a few Executive Orders associated with **FEMA** (Federal Emergency Management Agency) that would **suspend the Constitution and the Bill of Rights** [You will have

absolutely no rights whatsoever. No redress for wrongs and violations, no appeals process, no trials. If you are arrested, you are *defacto* guilty. Punishment shall be swift hours or days.]. These Executive Orders have been **on record for nearly 30 years** [Why haven't they told you of them?] and could be enacted by the stroke of a Presidential pen: [How comforting.]

EXECUTIVE ORDER 10990 allows the government to take over **all modes of transportation and control of highways** and seaports. [no escape, no "unauthorized" travel or exodus.]

EXECUTIVE ORDER 10995 allows the government to seize and control the **communication media**. [Only "controlled media" messages on your radio, TV, and Internet. Phone lines out, Cell phones blocked. You are to be isolated and receive only the information that they want you to receive. Lack of communication hinders resistance and rebellion.]

EXECUTIVE ORDER 10997 allows the government to take over all **electrical power, gas, petroleum, fuels** and minerals. [No escape, no gas for your car; you are at their mercy.]

EXECUTIVE ORDER 10998 allows the government to **take over all food resources and farms**. ["problem areas" won't receive food drops until they comply. Another one of these Orders, that I have seen, not mentioned here, outlaws food stockpiling; why do you think that is?]

EXECUTIVE ORDER 11000 allows the government to **mobilize civilians into work brigades under government supervision**. [Slave labour, you will build your own prison camps and holding/execution facilities. Why did I say "execution?" Because some of those among the global powers that be, close to the details of the plan (Ted Turner, Maurice Strong, etc.), have gone on record saying that we need to reduce the global population by two-thirds (for sustainability). *Ironically*, that is the approximate number of the peoples killed in the Book of Revelation prior to the Second Advent of Jesus Christ.]

EXECUTIVE ORDER 11001 allows the government to take over all **health, education and welfare** functions. [No medical treatment or

prescription drugs for "trouble makers." Everybody on life-sustaining medications are now enslaved by their need for their daily dose. What would I do if I were in need of daily medication to survive? I would acquire and rotate a 48 month supply of the stuff. Or do what they don't want you to do look into natural remedies, natural medicines.]

EXECUTIVE ORDER 11002 designates the Postmaster General to operate a **national registration of all persons**. [They will know exactly where to find you should you show up on a list of undesirables (Christians, Patriots, etc.) which they ALREADY HAVE PREPARED (they are called the *Red List* and the *Blue List*). Most of you are on the *Blue List*, I am no-doubt on the *Red List*. I bet they smile when they read stuff like this.]

EXECUTIVE ORDER 11003 allows the government to take over **all airports and aircraft, including commercial aircraft**. [You aren't going anywhere without your Mark of the Beast.]

EXECUTIVE ORDER 11004 allows the Housing and Finance Authority to **relocate communities**, build new housing with public funds, **designate areas to be abandoned**, and **establish new locations for populations**. [An old Assyrian/Babylonia tactic for the control of captive peoples relocate them to unfamiliar territory and mix them with strangers dividing families and peoples apart. It makes you confused and more manageable; plus, the men won't fight if they can't see their women and children, for fear that they will be killed as retaliation. This is the Jewish mind at it's "*best*."]]

EXECUTIVE ORDER 11005 allows the government to **take over railroads, inland waterways** and public storage facilities. [No escape, not even on a canoe down the river.]

EXECUTIVE ORDER 11051 specifies the responsibility of the Office of Emergency Planning and **gives authorization to put all Executive Orders into effect in times of increased international tensions and economic or financial crisis**. [Doesn't leave much out, does it? In other words, they can implement this treasonous plan at the drop of a hat!

Answering to nobody. How could we have let them put this into preparation!!! Why doesn't the liberal rights-loving media or the Jewish rights-protecting ACLU complain (or even speak of) this? You know, don't you? The leaders of these type organizations shall enjoy the protection of the bunkers. These organizations are fronts for the International Jew conspirators, always were, that's why they fund/own them.]

EXECUTIVE ORDER 11310 grants authority to the **Department of Justice to enforce the plans set out in Executive Orders**, to institute industrial support, to **establish judicial and legislative liaison**, to control all aliens, to **operate penal and correctional institutions**, and to advise and assist the President. [Sure sounds like they are planning on a long-term period of Martial Law, doesn't it? How does 42 months grab you? And what "**penal and correctional institutions**" will they need to operate? All the prisons in America are currently well staffed. They are talking about a whole another kind of gulag camp. This is phase two: round up the uncooperative. What they left out is that there are to be execution chambers. The punishment for offences during Martial Law is execution, oftentimes on the spot. And you don't get a lawyer because the Constitution and Bill of Rights have been suspended. You are dead if you resist them. If you are lucky you are only there for "reeducation." Take the Mark of the Beast and you can leave, refuse for too long and you are executed. Revelation 13:15 speaks of this time.]

EXECUTIVE ORDER 11049 assigns emergency preparedness function to federal departments and agencies, **consolidating 21 operative Executive Orders issued over a fifteen year period**. [21 of these Orders all wrapped up into #11049. There are literally hundreds of these Executive Orders cut.]

EXECUTIVE ORDER 11921 allows the Federal Emergency Preparedness Agency to develop plans to **establish control** over the mechanisms of production and distribution, of **energy sources, wages, salaries, credit and the flow of money in U.S. financial institution** ["And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name." (Rev 13:17)] in any undefined national emergency. **It also provides that when a state of emergency is de-**

clared by the President, Congress cannot review the action for six months. [Six months isn't too bad, you say? I Guarantee you that after six months there shall be no Congress left to review this. They will either be disbanded, incarcerated, killed, or replaced by lackeys.] The Federal Emergency Management Agency has broad powers in every aspect of the nation. [You think?]

Global Islamic terrorism is a contrived "world problem" that is offering the chaos needed for the conspirators to introduce their own brand of order, the New World Order of antichrist.

"Destroy everything, whatever is, is wrong." Illuminati (Very Jewish at the top)

"Out of chaos, order." Illuminati

"Pluralistic chaos, out of which the Phoenix of the New World ORDER can arise. Resurrected from the ashes of the Mysteries of the past."
Unknown

Satan shall rise to power once again, just as he did in the First Earth Age rebellion. Pure evil, Satanic stuff! Now you know why the Bible speaks of it as all-powerful: "...and all the world wondered after the beast. And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?" (Rev 13:3b-4).

Oh, but the terrorists are Muslims, and Muslims don't like Jews, you say? Don't be so simplistic, the International Jewish conspirators control everyone. Even you. Ironically, for them, the Islamic terrorist is actually helping the International Jewish conspiracy to take over this world. Stupid third-world murderers! *Funny* thing is, when the International Jews come into their awaited kingdom, all Muslims will be executed. And after they die, God is going to deposit them into *Hell*. Stupid, aren't they? They have been used from within and from without; from within by a false religion, from without by the International Jews.

Back to our subject. The International Jew are very good at controlling thought and opinion. If you have an opinion, there is a 95% chance that *they* gave it to you, no matter if it is conservative or liberal (they own both parties, nurture both thought processes). They even mention methods like the above tactic (injecting false Blog sites, which they control, into the arena) in their manifesto, the Protocols of Zion. Below is an excerpt from their master-plan, lest you think that I sit around here making this stuff up (as though I even could):

Excerpt, Protocols of The Learned Elders of Zion; Protocol #12, circa A.D. 1897:

"...we shall deal with the press in the following way: what is the part played by the press to-day? It serves to excite and inflame those passions which are needed **for our purpose** or else it serves selfish ends of parties. It is often vapid, unjust, mendacious, and **the majority of the public have not the slightest idea what ends the press really serves** ... no one shall with impunity lay a finger on the aureole of our government infallibility. The pretext for stopping any publication will be the alleged plea that it is agitating the public mind without occasion or justification [*"hate-Speech" Laws, censoring "for the good of all"*]. **I beg you to note that among those making attacks upon us will also be organs [publications/media] established by us, but they will attack exclusively points that we have pre-determined to alter.**"

And the beat goes on....

How does it feel to be totally controlled? Do you like it? I don't. And I especially don't like being slandered and defamed with false-titles for exposing the truth with ample documentation, most of it from Jewish Authors themselves. The tactic of calling whistle-blowers "Anti Semitic" is swiftly losing it's effect due to overuse. The same is true for the libellous and defamatory term "Racist." "Wolf" has been cried so many times that real offences are overlooked among the mountain of false accusations.

The power of the International Jew to control thought and speech content is disintegrating under the weight of it's own power and by the policy of it's own craft.

The problem, for them, is that it is taking them too long to go into their final phase; I believe that this delay is of God. But nevertheless, we shall go into captivity, so much says the Bible on the matter "and all the world wondered after the beast. And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?" (Rev 13:3-4).

Keep your eyes open, the conditions on the field of battle are always changing, but the war is the same: "And the LORD God said unto the serpent ... And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." (Gen 3:14-15).

God wins this final battle between good and evil: "And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them. And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever." (Rev 20:9-10).

If you are with God through Jesus Christ you also shall be a winner at the end of the long day "And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. He that over cometh shall inherit all things; and I will be his God, and he shall be my son." (Rev 21:6-7).

Until then, there is much work to do for and by our Heavenly Father "I am come to send fire on the earth; and what will I if it be already kindled?" (Luke 12:49).

Who is it that shall enslave us for their god antichrist? There is only one people on this Earth who say that they are Jews, but are not, and are in fact Satanists: the so-called International Jew, the ones who control and own everything, the ones in every position of power, and the only ones

with the wherewithal to hand this world over to Satan. Why can't you ' connect the dots?' Because they have brainwashed and conditioned and neutered you. "I know thy works, and tribulation, and poverty, (but thou art rich) and I know **the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.** Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life." (Rev 2:9-10).

Watch, Watchmen, watch; there is a storm coming, the likes of which no flesh man has ever seen. "For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be." (Matt 24:21).

Today, one in four pregnancies in this once-Christian nation of America is terminated in abortion.

“...48 percent of pregnancies among American women are unintended, and ½ of these are terminated in abortion. An estimated 43 percent of women will have at least 1 abortion by the time they are 45 years old. Each year, an estimated 46 million abortions occur world-wide...” The Allan Guttmacher Institute.

Below is a conservative estimate of the number of abortions that have been carried out this millennium (since 01 January 2001) ***in the western world only*** (world-wide figures much higher). That's one abortion every 3.2 seconds)
