

The Secret Covenant

The Secret Covenant

Author Unknown

- An illusion it will be, so large, so vast it will escape their perception.
- Those who will see it will be thought of as insane.
- We will create separate fronts to prevent them from seeing the connection between us.
- We will behave as if we are not connected to keep the illusion alive.
- Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves.
- This will also prevent them from seeing the changes as they occur.
- We will work together always and will remain bound by blood and secrecy.
- Death will come to he who speaks.
- We will keep their life span short and their minds weak while pretending to do the opposite.
- We will use our knowledge of science and technology in subtle ways so they will never see what is happening.
- We will use soft metals, aging accelerators and sedatives in food and water, also in the air.
- They will be blanketed by poisons everywhere they turn.
- The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.
- We will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.
- We will render them docile and weak before us by our power.
- Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives.
- We will use fear as our weapon.
- We will establish their governments and establish opposites within.
- We will own both sides.

The Secret Covenant

- They will perform the labour for us and we shall prosper from their toil.
- Our families will never mix with theirs.
- Our blood must be pure always, for it is the way.
- We will make them kill each other when it suits us.
- We will keep them separated from the oneness by dogma and religion.
- We will control all aspects of their lives and tell them what to think and how.
- We will guide them kindly and gently letting them think they are guiding themselves.
- We will foment animosity between them through our factions.
- When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.
- We will make them rip each other's hearts apart and kill their own children.
- They will bathe in their own blood and kill their neighbours for as long as we see fit.
- We will benefit greatly from this, for they will not see us, for they cannot see us.
- We will continue to prosper from their wars and their deaths.
- We will make them live in fear and anger.
- We will use all their tools we have to accomplish this.
- The tools will be provided by their labour.
- We will make them hate themselves and their neighbours.
- We will always hide the divine truth from them, that we are all one.
- This they must never know!
- Drop-by-drop; drop-by-drop we will advance our goal.
- We will take over their land, resources and wealth to exercise total control over them.
- We will deceive them into accepting laws that will steal the little freedom they will have.
- We will establish a money system that will imprison them forever, keeping them and their children in debt.
- When they shall band together, we shall accuse them of crimes and present a different story to the world for we shall own all the media.

The Secret Covenant

- When they shall rise up against us we will crush them like insects, for they are less than that.
- They will be helpless to do anything for they will have no weapons.
- We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us.
- The truth will be hidden in their face, so close they will not be able to focus on it until its too late.
- Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.
- When all is in place, the reality we will have created for them will own them.
- Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.
- But if they ever find out they are our equal, we shall perish then.
THIS THEY MUST NEVER KNOW.
- If they ever find out that together they can vanquish us, they will take action.
- They must never, ever find out what we have done, for if they do, we shall have no place to run. No one shall give us shelter.
- This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.
- This covenant is sealed by blood, our blood!
