Dear Reader,

## Gog's Pharmaceutical Attack on True Israel - Flu Vaccine Increases Flu

Last year saw the lowest vaccine uptake since the start of flu vaccination in the UK, because it's useless! Consequently the authorities are in panic mode. Their answer is to make vaccination compulsory starting with health employees, then no doubt to the rest of the population.

Flu vaccine BOMBSHELL: 630% more "aerosolised flu virus particles" emitted by people who received flu shot. Flu vaccines actually SPREAD the flu.

The flu vaccine advertising drive starts in earnest over the autumn period, with the knowledge, that damaging ingredients within the flu vaccine, will be most effective in causing disability in varying degrees. This is because, the harmful contents of the jab start coming into play as Christmas approaches, coupled with stress brought on by rushing to complete last minute

jobs, looking for presents and writing cards, all this causes stress which in turn weakens the immune system and not to mention the inclement weather at this time of year.

By not observing the true Hebrew feasts, and failing to observe His Law, largely enshrined in our Common Law and which is mostly replaced by Admiralty and Canon law, we leave ourselves open to the wiles of the enemy!

The Scriptures warn us of Babylon and the Edomites using sorcery to keep us suppressed, which indeed they have done down the centuries. Even the word pharmacy is derived from a word meaning poison! The biblical sorcery means witchcraft and drugs. Most of the true Israel nations are drugged up to the eyeballs with either medical or street drugs, making them ineffectual fighters against the prevailing evil of today.

However, many are now waking up to the fact that far better health benefits are obtained using natural things Yahweh has placed in nature for our healing - Praise Yahweh!

**I'LL NEVER FORGET** how proud I was when I got a perfect score on my computer programming final. My teacher said it had been four or five years since anyone had done that. Degree in hand, I got a job in San Francisco during the boom years. The ninety grand salary almost justified the 200 grand my folks paid for my college education. Boy, were they proud of me. "Our son, the computer programmer." Success beyond their - and my - wildest dreams! Besides being proud of my accomplishment, I felt a great sense of relief that their investment had paid off. I had graduated right around the time of the first Gulf War.

*America had come away smelling like roses. We had just defeated the bloody dictator, Saddam Hussein, after his invasion of Kuwait. If any war seemed justified, that was it. Bush 41 had full support internationally. Even though Iraq had ancestral claims on Kuwait, who was Saddam Hussein to try to make good on them? He didn't have enough oil? The thing that troubled a lot of people, though, was: Why didn't we finish the job? Here we were at his doorstep, ripe for the taking, and we just pulled out.*

My uncle John, a Vietnam veteran, was beside himself. Like Patton, who wanted to take Berlin at the end of World War II, he wanted us to go to Baghdad. Things started to turn sour for me with the decline of the Internet stocks.

*The boom, the speculation, was nothing more than a shift of economic resources. Unlike the computer driven boom of the 80's, with real manufacturing jobs being created and real goods being sold, the boom of the 90's was nothing but speculation. Instead of more jobs being created, the economy just shifted from old technology to new technology, with online companies trying to take the place of conventional*

*companies. Some companies, like Amazon.com and Ebay, succeeded. Most didn't.*

*As the boom faded, so did the number of lucrative jobs in Silicon Valley, as it had come to be called.*

Tom, a friend of mine from Chicago, had moved to Silicon Valley to get a \$100,000 a year job, but it was so expensive to live there that, after two years, he quit and moved back to Chicago.

*Like the Roman Empire 2,000 years ago, America is facing a crisis of corruption. My Uncle John told me about the misgivings he had about the Vietnam War, how it had not been a declared war. "We should have declared war," he said. "It sets a horrible precedent." Now, our Presidents go around the world making war on feeble nations, paying lip service to freedom and democracy, asking for meaningless resolutions, but Congress has shirked its responsibility to declare war Constitutionally.*

*The politicians don't want to be perceived as warmongers, but they want their constituents to make money, so they give the President free reign to do as he pleases, saying to themselves. "Let the President take the fall."*

So, it occurred to me that there are these very interesting, if not frightening parallels: Just like Rome, which started out as a Republic, we have had a succession of military dictators who make war on behalf of the special interests who invested in the latest Caesar, er, I mean, President. *Johnson had his Vietnam. Reagan had his Grenada and Panama.*

*Bush 41 had his Gulf War. Clinton had his Somalia and Kosovo. Now, Bush 43, premising his War in Afghanistan on finding and getting a bogeyman named Osama bin Laden and premising his War in Iraq on the existence of those elusive weapons of mass destruction, has decimated two more countries, and no sign of Osama and no sign of these mysterious weapons.*

I used to be a proud American, but now I'm not so sure if Old Glory stands for the Constitution of the United States or whether it stands for the Big Corporations. Please, America, give me a reason to be proud again!

It used to be that the tech buildings in Silicon Valley had the lights going all night long. The programmers, engineers, and business people burned the midnight oil sometimes 'til sunrise. There was so much excitement. The boom was tangible. The computer geeks didn't care if they ran out of deodorant.

They just kept hacking away, sleeping on the office floor or on a cot to take catnaps. Those were different times. Things were starting to slow down just before Y2K. Now that I look back, I realize that Y2K gave the industry a shot in the arm. Old-timers who new languages like FORTRAN and BASIC were being recalled to work on the problem.

*The government never admitted it publicly, but the Strategic Air Command computers went down for two weeks right after Dec. 31, 1999. The millennium bug had struck! My friends who worked for the missile defence system told me about it. This news only made a few technical journals. The military could never admit publicly that they, and we, were totally defenceless for two weeks.*

*But since the world didn't stop, all the newspaper editorials were saying that Y2K was just a bunch of hype! It wasn't hype; and all the programmers know it wasn't. The billions of dollars spent on preparation was necessary. The private sector did what it had to in order to prepare. In the process, a lot of new jobs were created and a lot of new computer equipment was installed. But that was the end of the boom! Modernization through panic! That's what drives the economy today.*

Because I had the most seniority, I was one of the last ones to get a pink slip. The days when the office lights were left on throughout the night are long gone. There are maybe two or three offices that still have enough work to justify late hours. *The corporations started moving their facilities overseas, to places like*

*India, where there are plenty of mathematicians and programmers who are willing to work for half as much money and who have ten times as many mouths to feed. Here I stand, a once proud computer programmer, with no job and a big mortgage. I'm going to have to sell the condo at a loss and move back to Indiana. The uncertainty began creeping in slowly, but now it is reality.*

*The Roman Empire fell because of internal corruption. (Alliterates and rhymes with "international corporation," doesn't it?) With one Emperor in charge of the East and another Emperor in charge of the West, their interests often conflicted.*

*Most people don't realize that Rome was just as much an economic empire as it was a military empire. The reason Julius Caesar (above) invaded Britain was to try to capture the mining operations. Why pay for tin when you can steal it? The British defeated him twice, both times by cutting off his supplies.*

*With the subsequent persecutions of the Christians throughout the Empire, Rome was at war with itself, collapsing from within, from decadence and political intrigue. The competing economic factions within the Empire fought each other as much as they fought the barbarian hordes.*

*Today, in America, we have the Empire of the Democrats and the Empire of the Republicans, with their respective special interest groups. We "protect" our airports while the illegal immi-*

grants ("barbarian hordes") stream across our borders unimpeded. Question: Can you tell the difference between an illegal Arab and an illegal Mexican once the Arab dons a sombrero? (Doesn't Vicente Fox look like Saddam Hussein's twin brother?)

They call this "Homeland Security." Both Parties pay lip service to real causes and concerns but neither delivers the goods. It's always more business as usual as the politicians play mind games and the people take the propaganda seriously.

Here I am back on the farm in Indiana. Times are very hard. At least I have a place to stay. My parents don't blame me, but I feel I have let them down. My dreams of a high-paying job and a house with a swimming pool -- the American Dream, if you will -- are over. Actually, I never had such a dream. I was too busy working to even think about it. I just got caught up in all the action. Aside from the odd jobs I've been doing in the surrounding towns and the occasional trip to Chicago looking for work, my dad has been teaching me how to farm.

Constantine the Great did not want to rock the boat by giving Christians equal rights with pagans, but the social unrest was unending. Something had to be done. His mother, Helen of Wales (above), a devout Christian of British stock, who should be more famous than Helen of Troy, had long been urging him to make this move. She wanted it for her religion. He did it out of expediency, like all politicians do. But nothing could stop the downward spiral of corruption in government. The end was near.

As the lights fade in the White House, the winds of change dominate the landscape. History repeats itself. The international corporations, some working for the left, others working for the right, and law firms and consultants working for both, lean on corrupt politicians and play the Republicans against the Democrats for political favours, with oil money and the military/industrial/pharmaceutical complex feeding both parties with "contributions," and none of them upholding the commonwealth or the Constitution.

Like Nero and Poppea, the infamous husband and wife duo of decadent Rome, I watched as Bill and Hillary, the infamous husband and wife duo of America, dominated the American landscape of the Nineties. Nero played his fiddle while Rome burned. William played his saxophone while Waco burned. David Koresh never got his day in court. Conniving women, like in a soap opera script, dominated the background. Poppea pulled strings behind the scenes in Rome. Janet Reno, in a clear violation of the Law of Posse Comitatus (*the U.S. military shall not be used against U.S. citizens*), sent in the tanks to "save the children."

Hillary ran the White House while Bill was doing the important business of chasing other women. When confronted with her husband's infidelity, Hillary danced to the tune of "Stand by Your Man." Demonstrating that their rhetoric does not match their actions, the feminists "stood by their man" and looked the other way while his female victims suffered legal and public outrages after the sexual ones they had endured. So much for the "compassionate liberal!"

In both ancient Rome and modern America, the populace swooned and cheered when the military parades marched by and when the speeches promoting war and "democracy" were proclaimed. The Bible is correct. "There is nothing new under the sun."

As the Zionists, under the leadership of the House of Rothschild, the world's most powerful corporation, manipulated Britain into signing the Balfour Declaration, thus betraying Britain's pre-WWI promise to return Palestine to the Arabs -- so much for the word of an Englishman! -- they were preparing the U.S.A. for its future role as the world's main Zionist puppet.

*When the British Empire was in its heyday, Friedrich Nietzsche said of Great Britain: "The greatest export of the British Empire is cant."*

*The torch of deception and world-class demagoguery has indeed been passed to America. As long as Zionism maintains its state-within-a-state parasitic grasp on the reins of power in America, this nation will sink further and further into the mire of deception while more and more unwitting soldiers (both Muslim and Christian) are sacrificed on the altar of Zionism.*

*Today, the world looks on and sees that the greatest export of the American Empire is war contrived for the benefit of the Zionists. While the mass media (owned and operated by Zionists) looks around and scours the planet for*

*petty dictators who might be the reason for the next war, the American people scratch their heads and wonder why the government can't be trusted. Demagoguery today masquerades as patriotism, democracy, and liberty. It used to be "liberty, equality, fraternity."*

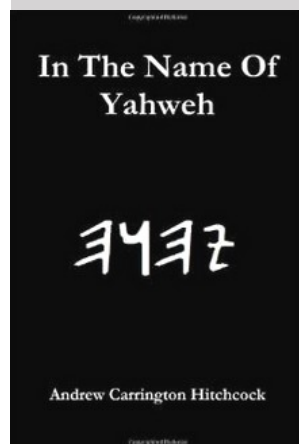

*In Washington, D.C., the only buildings where the midnight oil burns are where public relations firms are busily devising campaigns to sell the public on the latest war. That section of the economy is booming. Why pay for oil when you can steal it? Like Constantine before him, a nominally Christian Bush 43 watches while the sun sets on the Empire.*

## **In The Name of Yahweh Part 28**

### **Now Banned Worldwide**

### **By Andrew Carrington Hitchcock**

**O**NCE WE understand Galatians 3:26 and 3:27 we can move onto Galatians 3:28,

“There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus.”

doesn't matter what land you were born in (unlike today when race is only attributed to where a person is born), it doesn't matter whether you are in service or free, and it doesn't matter whether you're a man or a woman, what matters is you are of the racial tribe of Israel, and if you then choose to follow Yahweh's laws you are of Jesus Christ.” In other words Paul is now reaching out to those of racial Israel in Galatia, who do not yet know they are Israel, calling them to claim the birthright and the blessings that their adherence to Yahweh's laws will secure.

Again, if read in isolation this shows any race can be of Christ's seed, and sadly some people believe this even though Christ has told them the very opposite.

You will find an explanation in the next few pages that there are cases where the word, “Jew,” has been attributed erroneously in the Bible, and this is one of them (apologies but it fitted better there than here, so please read it there and come back to this passage if necessary). The correct word here is Judean, meaning from the land of Judea, just as Greek means from the land of Greece.

When we understand that, we can read this verse correctly and interpret it likewise as follows, “it

If people wish to read this verse literally and in isolation they will obviously assume it means, “you don't have to be of any race, in fact you don't even have to be male or female.” But before they expound their wisdom upon this, maybe they can point out what other sex someone can be, if not male or female? For those readers more conversant with modern heretical lifestyle, they should bear in mind we did not have the gender reassignment clinics 2,000 years ago, that we have to suffer today.

We can conclude this section with Galatians 3:29 which specifies that to be the heirs of the Abrahamic covenant you have to be of Christ, i.e. the bloodline shown in Luke 3:23-38. This is particularly relevant as Israel had lost their

racial identity through disobedience and no longer knew they were the children of Yahweh, and to add to their confusion we have seen in John 8:33 that even back in Jesus Christ's time the Jews were claiming to be the Israel of the Bible through Abraham.

-----

**Galatians 4:4** – *But when the fullness of the time was come, Yahweh (God) sent forth his Son, made of a woman, made under the law,*

**Galatians 4:5** – *To redeem them that were under the law, that we might receive the adoption of sons.*

This tells us many things. Jesus was born under the law, to redeem those who were under the law.

Once again, we know sin is transgression of the law, and the only people under the law were Yahweh's people Israel.

**Galatians 4:5** states, "*that we might receive,*" indicating that we are the people the Bible was written for, which is those people under the law, which is Israel.

The, "adoption as sons," is Christ's redemption of those under the law who had previously ignored the law, it's not the adoption of other races into the Israel bloodline, which is not scientifically possible. This is also why Jesus Christ would go on to be known as the, "Redeemer of Israel," see:

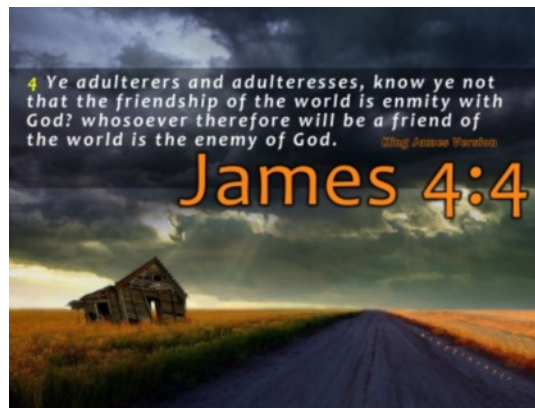

**Matthew 1:21** - *And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.*

-----

**James 1:1** – *James, a servant of Yahweh (God) and of the Lord Jesus Christ, to the twelve tribes which are scattered abroad, greeting.*

Note the scriptural acknowledgement that elements of the twelve tribes were already settled abroad at this time, as opposed to the teachings of today's churches who tell you that they simply disappeared. Oh and it should come as no surprise now that the next verse starts with the words, "My brethren."

-----

**James 4:4** – *Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with Yahweh (God)? whosoever therefore will be a friend of the world is the enemy of Yahweh (God).*

This is a wonderful message for the, "peace and love crowd," of today.

Whilst they are busy having sex with as many different partners from as many different races they can find in this world, they are demonstrating their hatred of Yahweh, and they have turned their disregard of His racial laws into a fashionable way of life in modern society.

-----

**1 Thessalonians 2:14** – *For ye, brethren, became followers of the churches of Yahweh (God) which in Judea are in Christ Jesus: for ye also have suffered like things of your own countrymen, even as they [have] of the Jews:*

**1 Thessalonians 2:15** – *Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not Yahweh (God), and are contrary to all men:*

I have studied the New King James Bible, and in this single verse, 1 Thessalonians 2:14, discovered a number of changes. They have changed "followers," to, "imitators,"; they have changed, "churches of Yahweh (God) which in Judea are in Christ Jesus," to, "churches of Yahweh (God) which are in Judea in Christ Jesus,"; and, "Jews," to, "Judeans."

Now you can see how three subtle changes can affect the correct interpretation of one verse.

Obviously, "followers," is completely opposite to, "imitators," and, "churches of Yahweh (God) which in Judea are," indicates there are more

churches outside Judea which is clearly the case as the majority of Israel had migrated westward at this point, taking their churches of Yahweh (God) with them.

In the New King James Version, “the churches of Yahweh (God) which are in Judea,” leads the reader to believe that all the churches of Yahweh (God) were in Judea, and you could not find them anywhere else.

Why the New King James Bible translators changed this verse is unclear but this now provides us with an ideal opportunity to look at the word, “Jew.”

In 1 Thessalonians 2:14, the New King James Bible translators have changed it to, “Judean,” and this is not by any means a surprise.

I have spent many years studying the scripture, reading various commentaries, studying many different Bible versions, and once I’d got into my stride and am comfortable understanding what is written, suddenly the word, “Jew,” pops up in a favourable light, even though Yahweh and Jesus make it clear time and time again that they are Satan’s seed through Cain.

I discovered that there has been a problem with translators attributing the word Jew to one of three definitions: a Judean (someone who lives in Judea); a descendant of the tribe of Judah (in other words one of Israel if the bloodline has been kept pure); and a Jew (a descendant of Satan through Cain).

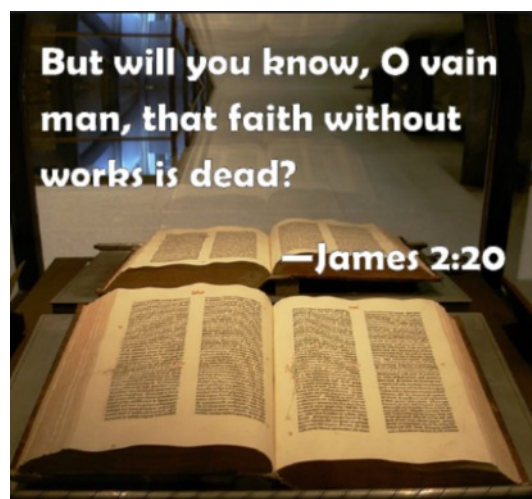

I have seen identical verses in many different Bible versions, identical with one major difference, the word Jew may be written as Judean, or Judah, or Judah might be written as Judean, or vice versa, so in other words this is a common problem.

For someone like myself who writes by getting multiple sources to prove facts, the solution was terrifying, as it was not one of science, it was one of faith.

The faith to read the scripture and when faced with the word Jew where it would more likely be Judean or of Judah, replace it so that the text read in accordance with the teachings of Yahweh.

What the reader needs to understand, is that if the Bible was available as a simple, “these are the good guys, these are the bad guys,” scenario, Israel would not be being persecuted by the Jews today, in the same way our ancestors have been, as it would be clear we must stay away from them.

Yahweh wants his people to work for their faith, by demonstrating their commitment to him, not have it handed to them on a plate. See:—

James 2:20 - But wilt thou know, O vain man, that faith without works is dead?

I believe that Yahweh has provided Israel with the Internet today, as the last opportunity to show they are worthy by waking up to: who they are; who the enemy is; and what is going on in the world.

This is why there are so many governmental attempts to restrict its content, in the interests of, "national security."

One last note on the word Judean. This means someone who lives in the land of Judea, and so can basically mean a person of any race living in Judea.

We can see this in effect today when we look at the Genesis 1:27 races who flood the Israel nations, and then obtain citizenship, so they can be called, for example, English, or American, with complete disregard of their racial heritage.

Remember, whatever political intrigue the Jew-controlled Israel nations of today try to foist upon you via the subversion of Yahweh's laws,

use your brain, if a dog's born in a stable, that does not make it a horse.

## Old Testament

### “ Word for Word” Part 13

#### Translation by Stephen Howard Anderson

## Chapter 22

### Ab'raham Commanded to Offer Yits'chaq

1. And it was after these things, that Elohiym tested 5254 Ab'raham, saying to him, "Ab'raham;" and he said, "Behold me 2009."

2. He said, "Take now your son, your only 3173 that you love 157, Yits'chaq, and walk you to the land of Moriyyah 4179; and send him up 5927 there as a burnt offering 5930 on one of the hills that I tell to you."

3. Rose up early Ab'raham in the morning, and saddled 2280 his ass 2543, and took two young men with him, and Yits'chaq his son, and

chopped 1234 wood 6086 for the burnt offering, and rose up, and walked to the place that said to him Elohiym.

4. And on the third day lifted up Ab'raham his eyes, and saw the place afar off 7350.

5. Said Ab'raham to the young men, "Remain here with the ass; and I and the boy 5288 will walk unto there, and bow down 7812 to *worship*, and shall return to you."

6. And took Ab'raham the wood for the burnt offering and put it upon Yits'chaq his son; and he took in his hand the fire and a knife 3979; and they walked both of them together 3162.

7. And said Yits'chaq to Ab'raham his father, saying, "Father," and he said "Behold my son," and he said, "Behold, the fire and the wood, but where 346 is the sheep 7716 for the burnt offering?"

8. Said Ab'raham, "Elohiym will see to the sheep for the burnt offering my son." And they walked both of them together.

9. They came to the place that said to him the Elohiym; and built there Ab'raham an altar 4196, and laid in order 6186 the wood, and

bound 6123 Yits'chaq his son, and put 7760 him upon the altar on top of 4605 the wood.

10. And sent forth Ab'raham his hand, and took the knife to slaughter 7819 his son.

11. And called to him the messenger 4397 of Yahweh from the sky, and said, "Ab'raham! Ab'raham!" And he said, "Behold me!"

12. And He said, "**Do not** 408 **send forth your hand to the boy, nor do anything** 3972, **for now I know that you revere** 3373 **Elohiym, and have not withheld** 2820 **your son, your only** 3173 **from Me.**"

13. And lifted up Ab'raham his eyes, and looked, and behold, a ram 352 behind him 310 held fast 270 in a thicket 5442 by his horns 7161. Walked Ab'raham, and took the ram, and sent him up as a burnt offering instead 8478 of his son.

14. And called Ab'raham the name of that place Yahweh-Yir'eh 3070: that is said to this day, "In the Mount of Yahweh He appeared 7200."

15. Called the messenger of Yahweh to Ab'raham a second time from the sky,

16. saying, "**By Myself I have sworn** 7650," declares 5002 Yahweh, "**because on account of** 3282 **that you did this thing, and did not withhold your son, your only,**

**17. that in blessing, I will bless you, and in multiplying** 7235, **I will multiply your seedline as the stars** 3556 **of the sky, and as the sand** 2344 **that is upon the shore** 8193 **of the sea; and shall possess** 3423 **your seedline the gates** 8179 **of their enemies** 341.

18. **You shall be a blessing to your seedline in all the nations of the land, because** 6118 **that you listened** 8085 **to My voice** 6963."

19. So returned Ab'raham to the young men, and they rose up and walked together to B'er-Sheba; and dwelled Ab'raham at B'er-Sheba.

20. And it was after these things, it was told to Ab'raham saying, "Behold, has born Milkah 4435 also sons to Nachor 5152 your brother;

21. Uts 5780 his firstborn 1060, and Buz 938 his brother, and Q'muel 7055 father of Aram 758;

22. and Kesed 3777, and Chazo 2375, and Pil'dash 6394, and Yid'laph 3044, and B'thuel 1328."

23. And B'thuel begat Rib'qah 7259: these eight bore Mil'kah to Nachor brother of Ab'raham.

24. And his concubine 6370, whose name was R'umah 7208 bore also Tebach 2875 and Gacham 1514, and Tachash 8477, and Maachah 4602.

## Chapter 22 Notes

Verse 1 - Yashar 23:1; 5254 means "tested" here, not "tempted". It was to see how strong Ab'raham's faith was. He passed with "flying colors". 22:1-13 – Heb. 11:17-19;

Verse 2 - 2 Chron. 3:1 - 3173 has a deep meaning of primary importance. Yits'chaq was born of Ab'raham's primary wife, not the slave woman. He was the selected seed that would become Yisrael. Yahweh does not make mistakes. 4179 means "seen of Yah".

Verse 6 - Yashar (Jasher) 23:49

Verse 7 - Has "sheep" and not "lamb", and means "one from the flock".

**Verse 8** - Yahweh is "seeing" for Himself, as looking for the object of sacrifice.

**Verse 9** - 6213 aqad, as "bound" was voluntary on Yits'chaq's part. Whatever Yahweh wished, he would do. That included giving up his life. This is some SERIOUS commitment on the part of both father and son. This is what made this a Holy moment. Yahshua Messiah voluntarily gave His life for Yis'rael. James 2:21;

**Verse 10** - 7819 is slaughter, not slay. A sacrifice is slaughtered.

**Verse 12** - Yashar (Jasher) 22:16 3373 means "revere" here, and not "fear". Total worship and commitment on Ab'raham's part - No holding back.

**Verse 14** - 3070 means "Yahweh sees", and is a symbolic name for Mount Moriah, where the Temples will be built. It now is occupied by "The Dome of the Rock" mosque.

**Verse 16** - "By Myself" is a Hebrew idiom in this form. 22:16,17 Hebrews 6:13,14, 3173 "only" is a big thing, as the only LEGITIMATE son was to be sacrificed.

**Verse 17** - Gen. 3:15; 24:60; Hebrews 11:12;

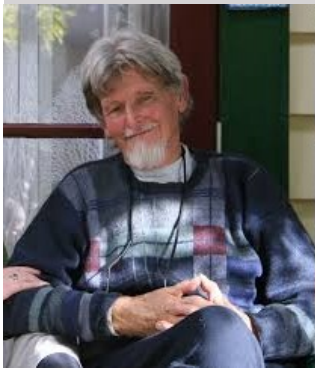

**Verse 18** - Gen. 12:3; Acts 3:25 Note that Ab'raham is to be a blessing only to his seedline, and not the whole world. Yis'rael nations are widespread, and only Yis'rael nations get the blessing.

**Verse 21** - 758 Aram becomes Syria later (NOT Assyria!) . Aramaic was the language spoken at the time of Yahshua Messiah. It is almost identical to Hebrew, except for minor spelling and pronunciation changes. V

**Verse 23** - 7529 Rib'qah would become the wife of Yaaqob/Yis'rael.

## Is Israel A Chosen Servant Race To "Save The World"? (Part 4) By Arnold Kennedy

### CONFIRMING FOREIGNERS AS BEING SERVANTS TO ISRAELITES.

**A**LL THOSE who want to believe that Israel is now a spiritual entity need to ponder the following passage about, "strangers", "kings", "nation(s)" and "kingdom". Looking at Isaiah 60 again, they need to ponder the relationships between Israel and non-Israel.

**Isaiah 60:10** *And the sons of strangers [nekar] shall build up thy walls, and their kings shall minister unto thee:*

**v12.** *For the nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted.*

**v16** *Thou shalt also suck the milk of the Gentiles, and shalt suck the breast of kings.*

In these we again can see the servant-hood status of foreigners. We have seen, "Ye shall eat the riches of the Gentiles [peoples, genitive], and in their glory shall ye boast yourselves".

Although the above Scriptures concern the future, foreigners, as being servants to Israel, is not a new position. King David and King Solomon made forced workers out of foreigners. 1 Chronicles 22:2 And David commanded to gather together the strangers that were in the land of Israel; and he set masons to hew wrought stones to build the house of God.

**2 Chronicles 2:17-18** And Solomon numbered all the strangers that were in the land of Israel, after the numbering wherewith David his father had numbered them; and they were found an hundred and fifty thousand and three thousand and six hundred. And he set threescore and ten thousand of them to be bearers of burdens, and fourscore thousand to be hewers in the mountain, and three thousand and six hundred overseers to set the people a work.

**1 Kings 9:20-22** And all the people that were left of the Amorites, Hittites, Perizzites, Hivites, and Jebusites, which were not of the children of Israel, Their children that were left after them in the land, whom the children of Israel also were not able utterly to destroy, upon those did Solomon levy a tribute of bond service unto this day.

But of the children of Israel did Solomon make no bondmen: they were men of war, and his servants, and his princes, and his captains, and rulers of his chariots, and his horsemen.

When we look into "tribute" as in "levy a tribute of bond service", we see something most would not expect. Strong gives the word the meaning of, "gang or body of forced labourers, task-workers, etc.. We find Israel making tribute (i.e. forced labour) of foreigners.

**Judges 1:28** And it came to pass, when Israel was strong, that they put the Canaanites to tribute.

Prophecy says that Israel will once again become strong under the mighty God of Jacob. Israel is not strong enough to exercise dominion now, and there is no evidence of great charity to other races at any time. Those foreigners who submit to God through Israel are permitted to live.

The next verse is used by some to say that the words, "strangers shall be joined with them" confirms foreigners will become one with Israel as one people, that God's blessing upon Israel

will overflow to other races. True, foreigners are blessed indeed in their being joined to Israel, but not in the manner suggested by the denominations. They are blessed as becoming "servants and handmaids"!

**Isaiah 14:1-2** For the LORD will have mercy on Jacob, and will yet choose Israel, and set them in their own land: and the strangers shall be joined with them, and they shall cleave to the house of Jacob. And the people shall take them, and bring them to their place: and the house of Israel shall possess them in the land of the LORD for servants and handmaids: and they shall take them captives, whose captives they were; and they shall rule over their oppressors.

Mercy is still "on Jacob" and this excludes the "all the world" faction. The meaning of foreigners being "joined" to Israel says nothing about mercy to foreigners; "joined" having a different meaning. So, as we read on, the passage confirms that those joining themselves to Israel become "servants and handmaids" to Israelites. Neither do other verses such as, "And many nations shall be joined to the LORD in that day, and shall be my people"-[Zech. 2:11] tell different story. "Possess", as in "shall possess them", has the meaning of "take possession". Israel takes "possession" of the foreigners.

The "people", as a congregation is one unit, comprising of masters and servants, just as the "church in the wilderness" under Moses was, where the "congregation of the Lord" (edah) was comprised of Israelites, together with the "mixed multitude". In the wilderness the two groups, within the one unit, were treated the same in regard to Law, but were treated differently in temple service, with only the cahal (Israelites) being able to attend the tabernacle.

Those who hold the "Jew and Gentile" belief, like to quote Zech. 8:23 in support of their view. They give "Jew" as meaning ancient or modern Jewry. (They do not think about, "them that say they are Jews but are not"[Rev. 2:9], either).

**Zech. 8:23** Thus saith the LORD of hosts; In those days it shall come to pass, that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, We will go with you: for we have heard that God is with you.

The timing of this section of prophecy is when Israel is re-gathered to the land promised to Abraham, Isaac and Jacob. Jerusalem by then has become the centre of the Kingdom, which contains the redeemed of House of Israel and the House of Judah-[See Zech. 8:13]. The word "Jew" in Hebrew is not in the passage as a word! No, it is not there! Strong gives the word given as "Jew" as actually being 'iysh, which is usually translated "husband" or "man" -[This word is also used of a pair of breeding animals]. The translators probably thought that because the "man" lived in Jerusalem, he must have been Jewish, and so they interpreted rather than translated the passage. [

Note: The revisers of the Septuagint did the same].

So "him that is a Jew" must rightly refer to Israelites of both Houses. Here we see the men ('enowsh) of the other races (gowy) seeking to attach themselves to Israel, because of the blessing there is for them in being associated with Israel. Those of them who will not come to Jerusalem to worship [means "bow down to"] the King will experience famine-[Zech. 14;17]. There is no suggestion that the foreigners become the same as the Israelites; the subjection requirement by men as 'enowsh to men as 'adam remains. The relationship is no different here than it was when Solomon built the temple using certain foreigners as forced labour.

Solomon prayed for the foreigners who had a right "attitude" to God and Israel.

**1 Kings 8:35-43.** Moreover concerning a stranger [nokriy], that is not of thy people Israel,

but cometh out of a far country for thy name's sake -(For they shall hear of thy great name, and of thy strong hand, and of thy stretched out arm;)- when he shall come and pray toward this house; Hear thou in heaven thy dwelling place, and do according to all that the stranger calleth to thee for: that all people of the earth may know thy name, to fear thee, as do thy people Israel; and that they may know that this house, which I have builded, is called by thy name.

It is outside of the scope of this paper to enlarge upon the different words for, and in connection with, "strangers", "aliens", "heathen" and "foreigners", etc., such as maguwr, ge, zuwr, nekar, nokriy, and towshab, apart from saying that "strangers" sometimes are Israelites, secondly that the translators (every version) have been utterly inconsistent in translating or interpreting these words.

There is none of the modern denominational attitude of "everybody love everybody, regardless of race" in all of this. Israel taking "tribute" of foreigners was not an isolated incident either. Some may say, "Well, that was just what they did in those days" as if it has no present-day bearing. But we saw a glimpse of God's purpose in Isaiah 60:10-12, 14:1 in the past, and in Zech. 14, for the future.

We have seen what was done in the past and what will be done in the future. We have to ask what would be God's purpose in the intervening period, that is, the present? And, could the universal "save the world" concept possibly fit in to God's purpose?

## Harold Stough Notes

### The Ancient Names of Ireland An Extract From A Paper By Ken Flanagan

**W**ITH A LAND AS ANCIENT AS THIS, it should come as no surprise to learn that the place we call 'Ireland' was not always known by this name. In fact, it was given many names by different groups of people at varying stages throughout history.

**Right Ancient Irish Dwellings**

Written during the 17<sup>th</sup> century, Geoffrey Keating's **General History of Ireland (above)** an epic compendium of Irish history from the earliest times to the coming of Saint Patrick, demonstrates this variety chronicling fourteen earlier names along with their accepted origins. This section is reproduced here in its entirety

“The first name which was given to Ireland was **'Inis na bhfiodhbhadh,'** that is to say Island of the woods; and the person who called that name to it was a warrior of the people of Nin, son of Bel, who came from him to spy out Ireland, and on his coming thither he found it to be all one forest-wood.

The second name was **'Crioch na bhfuineadhach,'** from its being at the limit or end of the three divisions of the world which had then been discovered; 'fuin' indeed, from the Latin word 'finis,' being equivalent to 'end.'

The third name was **'Inis Ealga,'** that is, noble island; for 'inis' and 'oiléan' are equivalent, and likewise 'ealga' and 'uasal': and it is during the time of the Firbolg it was usual to have that name on it.

The fourth name was **Éire,** and it is said that wherefore that name is called to it, according to a certain author, is from this word 'Aeria,' which was an old name for the island which is now called Creta or Candia; and why that author thinks that is because the posterity of Gaedhealgas [Gaels] dwelt in that island some space of time after Sru, son of Easru, son of Gaedheal, had been driven out of Egypt: and, moreover, Aere is given as a name for Egypt whence the Gael proceeded.

However, it is the common opinion of antiquaries that why it is called Éire is from the name of the queen of the Tuatha Dé Danann [Éiru] who was in the land at the time of the coming of the Clanna Míleadh [Milesians] into it: Éire, daughter of Dealbhaoth, was her name, and it is she was wife to Mac Gréine who was called Ceathúr who was king of Ireland when the sons of Míleadh came into it

The fifth name was **Fódhla,** from a queen of the Tuatha Dé Danann, who was called Fódhla: it is she was wife to Mac Cécht, whose proper name was Teathúr.

The sixth name was **Banbha,** from a queen of the Tuatha Dé Danann, that was in the land, who was called Banbha: it is she was wife to Mac Cuill, whose proper name was Eathúr.

These three kings [i.e. Mac Gréine, Mac Cécht, and Mac Cuill] held the sovereignty of Ireland each year by turns; and it is the name of the wife of each one of them would be on the island the year he was himself king. It is why the island is called Éire oftener than Fódhla or Banbha, because that is the husband of the woman whose name was Éire was king the year the sons of Míleadh came there.

The seventh name was **Inis Fáil;** and it is the Tuatha Dé Danann gave that name to it, from a stone they brought with them into it, which was called the Lia Fáil: and 'Saxum fatale,' i.e. 'Stone of Destiny,' Hector Bocce calls it in the history of Scotland; and it was a stone on which were enchantments, for it used to roar under the person who had the best right to obtain the sovereignty of Ireland at the time of the men of Ireland being in assembly at Tara to choose a king over them.

However, it has not roared from the time of Conchubhar forward, for the false images of the world were silenced when Christ was born. Here is a verse of quotation proving that it is from this stone Ireland is called Inis Fáil, as Cionaoth the poet said:-The stone which is under my two heels, from it is named Inisfail; Between two shores of a mighty flood, the plain of Fál on all Ireland.

The eighth name was **Muicinis;** and it is the children of Míleadh who gave it that name before they arrived in it. When, indeed, they had

come to the mouth of Inbhear Sláinghe which to-day is called the haven of Lochgarman [Wexford], the Tuatha Dé Danann, with their druids, assembled to oppose them there, and they practised magic on them, so that the island was not visible to them but in the likeness of a pig, so it is, therefore, they gave (the name) Muicinis to Ireland.

The ninth name was **Scotia**; and it is the sons of Míleadh who gave that name to it, from their mother, whose name was Scota, daughter of Pharaoh Nectonibus; or it is why they called it Scotia, because that they are themselves the Scottish race from Scythia.

The tenth name was **Hibernia**; and it is the sons of Míleadh gave that name to it. However, it is said that it is from a river that is in Spain which is called Iberus (the name) Hibernia is given to it. It is said also that it is from Éibhear, son of Míleadh, it is called Hibernia; but, however, holy Cormac, son of Cuileannan, says, that why it is called Hibernia is from this compound Greek word 'hiberoc' (i.e. 'occusus' in Latin) and 'nyaon' (i.e. 'insula'); that is equivalent to saying 'insula occidentalis, 'i.e.' western island.'

The eleventh name was **Iuernia**, according to Ptolemy, or Iuerna, according to Solinus, or Ierna according to Claudian, or Vernia according to Eustatius. I think there is no meaning in the difference which is between these authors

concerning this word Hibernia, but that they did not understand whence came the word itself; and, accordingly, that each one of them separately gave a guess from himself at it, so that from that came this variation on the word.

The twelfth name was **Irin**, according to Diodorus Siculus.

The thirteenth name was **Irlanda**; and I think that the reason why that name was given to it, because that it was Ir, son of Míleadh, was the first man of the Clanna Míleadh who was buried under the soil of Ireland, and accordingly, the island was named from him: 'Irlanda' and 'land of Ir' being indeed equivalent, for 'land' in English, and 'fonn' or 'fearann' in Gaelic are alike. The truth of this thing is the more admissible, since the book of Armagh says that a name for this island is Ireo, that is to say, the grave of Ir, because that it is there is the sepulchre or grave of Ir.

The fourteenth name was **Ogygia**, according to Plutarch: indeed, 'Ogygia' in Greek and 'insula perantiqua' i.e. 'most ancient island,' are equivalent; and that is a suitable name for Ireland, because that it is long since it was first inhabited, and that perfect is the sound information which its antiquaries possess on the transactions of their ancestors from the beginning of eras, one after another."

## Why Today's Churches Are Ineffective Against Evil (Part 5)

From Our USA Correspondent

**T**HE B'NAI B'RITH is a high-level, ultra-secretive "Jewish" Masonic lodge, at the pinnacle of masonry. (Note also that the "Anti-Defamation League" is an arm of "B'nai B'rith". Its full name is "The Anti-Defamation League of B'nai B'rith".) Only "Jews" are admitted as members and most "blue lodge", lower level Masons are not aware that masonry is Judaism for "gentiles". Unlike pure

Christianity, the order is secretive and ritualistic in nature. Masonry and Christianity are as incompatible as oil and water. It simply is not possible to be a Mason and also be a true God-fearing Christian. Jesus, who set the perfect example for us, did not do anything in secret. He did not use secret societies, plots and propaganda to accomplish his objectives. He was entirely out in the open.

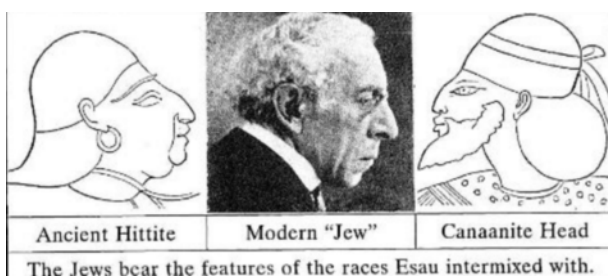

The international "Jew"-Canaanite on the other hand has always accomplished goals by subterfuge, behind closed doors, and in secret. A perfect example of this is the ultra-secretive 1910 meeting at Jekyll Island, Georgia in which

plans for the Federal Reserve, central bank were forged. Had the plan not been kept secret from the public, it never would have succeeded in enslaving the nation with debt.

These days, just about everything done by the government is done in secret, and to gain access to political representatives requires money – lots of it. The people are brainwashed to believe that this secretiveness and “pay for play” requirement for access to “public” representatives is normal. It is not. It is a horrible system of government and all the more evidence of Canaanite-“Jewish” infiltration and subversion.

God provides a perfect example in nature which illustrates the survival mechanism of subversive “Jews” within the body of “host” nations. It is the parasite. Parasites exist by attaching themselves to a “host” or burrowing within the host and drawing their nutrients from the host victim. Parasites also inject toxic chemicals into the host which are beneficial to the parasite but detrimental to the host.

A parasite returns NOTHING to the host, and in some cases a host that is riddled with an excess of parasites will sicken and die, at which time the parasite will find another host in which to attach itself. The parasite cannot exist by its own efforts and is physically weak, but yet is still able to overcome a much stronger host.

Canaanite-Edomite “Jews”, historically and as a whole, are parasitic in nature and have always infiltrated and attached themselves to successful white nations whereupon they exist by sucking the lifeblood (wealth and labour) out of the host. “Jews” instinctively will seek to place themselves where the most “nutrients” (in the form of money and power) can be found and will pretend to be providing useful functions and yet all the while be injecting toxins (corrupting) and destroying the host from within.

This is exactly what happened in ancient Israel with the infiltration and rise to power of Edomite-Canaanites, ancestors of today’s “Jews”, and it has been happening in various nations and empires ever since, and in particular white nations because they have typically been the richest and most successful on the world stage.

“Jews” are marching in front of every movement and agenda that is destroying our formerly Christian, white nations. It is racist-supremacist Jews who control the money systems through their central banks, who own or at least finance most of the multi-national corporations, who push for mass immigration and mixed race unions so as to blend out the white race, who relentlessly push for “open borders” and gun control, who control the illegal drug trade, who lobby for wars (in which millions of so-called “gentiles” have been slaughtered or maimed for life) while “Jews” attached to the corporations make massive amounts of money by financing both sides of these wars and selling incredibly overpriced machinery and gear to the governments tricked into waging these bogus wars.

Were it not for the plotting, financing and string pulling of antichrist “Jews” there would have been no Civil War, War of 1812, WWI, WWII, Korean War, Vietnam War, Gulf War or any other modern war. Further, there would have been no French Revolution, Chinese Communist Revolution, Cuban Communist Revolution or South African Boer War. "Wars are the Jew's harvest" goes the saying.

The number of whites killed or maimed for life in these wars and “Jew” instigated revolutions is absolutely staggering. And yet our parasitized “Judeo-Christian” churches insist on proclaiming that these “Jews” are the descendants of the good tribe of Judah?! How can the “host” population resist an enemy that everyone puts on a pedestal because they’ve been brainwashed into thinking that this enemy is from the same tribe as Jesus Christ, the Son of God?

Because of “Jewish”-instigated genocide the world population of whites has been reduced by at least 300,000,000 in the last century alone, and this does not even take into account the offspring these whites would have sired. A

century ago Caucasians made up approximately 25% of the world population.

As this is being written, we are down to about 7%, and this reduction in white blood is due almost solely to behind the scenes political manipulations, always financed by wealthy Jews and directed through secret societies which are controlled by “Jews” at the top. The “toxins” of anti-Christian philosophies and enticements to immorality injected into our “body” are all designed to weaken our resolve and lower our resistance so that the “Jew” can continue to feed off of our labour, appropriate all of our wealth, and leave most citizens with nothing but debt and a hollow, fantasy-filled, subsistence lifestyle.

The purpose of the plethora of entertainment available at our fingertips is to keep us distracted, complacent and compliant. It is amazing that people even PAY for television, Hollywood videos and video games because most of it is moral and intellectual POISON.

It is a FACT that the richest race on the planet is now the “Jews”, exactly the tribe that Martin Luther exposed in the 1540's, Henry Ford exposed in the early 1920's, and Joe McCarthy in the 1950's, for which Ford and McCarthy were thoroughly vilified, being repeatedly accused of “anti-Semitism” (even though “Jews” technically are not Semites).

**William Jennings Bryan**

These patriotic men were only trying to save their beloved nation from being destroyed. During WWI William Jennings Bryant was also accused of being an “anti-Semite” for proclaiming that the Rothschilds financed the

war, which was true. He did not make any mention of the fact that the Rothschilds are also “Jewish”.

Jesus said “Know them by their fruits” and the fruit of the “international Jew” in particular has been confusion, brainwashing, enslavement, sickness, debt, poverty, and genocide, especially for the race that stands the best chance of opposing this spawn of Satan: the white race. Has YOUR preacher told you any of this? If you ARE a preacher have you informed your congregation of ANY of this? We didn't think so.

That is, sad to say, because the parasite, spawn of Satan has controlled your mind for your entire life, beginning with television, newspapers, magazines and public school, all the way through to the end of college and beyond through the pressure of “political correctness”. Isn't it high time you delved deeper into your Bible and prayed that God give you the truth as did this author? The Bible reveals ALL aspects of this problem. Everything being exposed here can be solidly backed with biblical scripture and many references have been provided herein.

Mark 13:23 But take ye heed: behold, I have foretold you all things.

It is globalist satanic “Jews” who own and utterly control mainstream media which, night and day wages an ever more obvious war against Christian values and the white race in general, while promoting every form of moral depravity as well as “programming” the nation into accepting lethal ideas such as multiculturalism and diversity, cultural Marxism, feminism, homosexuality, paedophilia, ecumenicalism, socialism, communism, capitalism (a system in which those criminal elites with huge hoards of wealth rule as gods) and every other “ism” under the sun, all of which are extremely toxic to the human psyche.

While extolling everything that is evil “Jews” behind the scenes use their media control to make fun of good, godly virtues like humility, charity, modesty, invention and industriousness as opposed to “getting” or “extracting” a living by clever parasitic schemes and manipulations. If mainstream media does allow any “preacher” or “evangelist” on the air, you can be damn sure that this person has been vetted and kosher

rubber stamped to promote the idea that "Jesus was a Jew".

Some of the more obvious examples of this sickness are John Hagee, Pat Robertson, the late Jerry Falwell, founder of the Zionist "Christian" Liberty University which cranks out thousands of fresh Judeo-Christian, Israeli state loving Zionists every year. Believe it or not, even the "great" TV evangelist Billy Graham was a "crypto-Jew".

Graham (above), early in his career, was instructed by his "handlers" to keep his shtick simple. Stay with the "milk" of the four gospels and avoid controversial topics and he would be promoted to the top – which he was.

It appeared from his TV broadcasts that hoards of people were coming forward after his sermons to accept Jesus Christ as their Saviour but later follow ups proved that there were actually very few who remained steadfast in the faith because their understanding of the Word was shallow, like those who "receive the seed in stony places":

**Matthew 13:18-23** Hear ye therefore the parable of the sower. When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side. But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while:—

—for when tribulation or persecution ariseth because of *the word*, *by and by he is offended*.

*He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful. But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.*

We wonder how many steadfast, productive Christians there are coming out of today's apostate churches – are there ANY? If a Christian does not get into the MEAT of the Word, and understand the RACIAL component of scripture, they will either be a very weak Christian or simply fall away from the faith. It can't just be an emotional experience stirred up by a charismatic preacher.

There has to be an intellectual awakening to the TRUTH. You MUST pray for and understand the TRUTH and embrace truth no matter how painful it may be. The truth, as you may be discovering if you are still with us, is HARD. This life was not meant to be EASY for those souls that belong to God.

Jesus being tempted by Satan who offers him "all the kingdoms of the world". Jesus refused the offer, but others have accepted it. Perhaps you may recall reading in Luke, Chapter 4 that before beginning his ministry Jesus was tempted for forty days by Satan, who took him up on a high mountain and showed Him all of the kingdoms of the world in a moment of time. What happened next is VERY revealing: "And the devil said unto him, All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it. If thou therefore wilt worship me, all shall be thine."

Did you get that? God has given Satan the materialistic kingdoms (empires, governments, regimes) of THIS world to give to whoever he chooses. Jesus REJECTED Satan's offer, and that is a very good thing. However, Satan's offer was accepted by another entity, and that is the Canaanite-Edomite "Jew". If you do not believe THIS, then we suggest you download and read the Harold Rosenthal interview provided in a PDF file at the bottom of this page. Rosenthal, a young "Jewish" congressional aide to "Jewish" Senator Jacob Javits of New York bluntly said "Most Jews won't admit it, but our god is Lucifer" (another name for Satan).

The unvarnished truth is that we live in a world that is much like the days of Noah prior to the flood and descendants of Canaanites rule the world with an iron hand, but who knows it? We are being “destroyed for lack of knowledge” because that knowledge has been hidden from us purposefully, so that we will continue to work hard and produce while accumulating little to nothing and waste our lives in fantasy and futility.

**No cross at Osteen's pulpit, so as not to "offend" anyone.**

Mark 8:38 Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when he cometh in the glory of his Father with the holy angels.

There are MANY who are going to be rejected by God for rejecting the TRUTH, and the truth

can be very difficult to discern in an environment that is built around historical poppycock and outright lies. Osteen lives in a mansion that cost some \$20,000,000 to build. Jesus Christ, on the other hand, owned nothing but the clothes on His back. What an amazing contrast!

But then, didn't God proclaim that what is highly esteemed among men is abomination in His sight? (Luke 16:15) If it is wildly popular with men (and this, of course, includes women because that is the way our English language was originally constructed) then you can bet your life that it is dead wrong according to God and any preacher who continues to believe and preach the LIE that “Jesus was a Jew” and the Jews are "God's chosen people" runs the risk of being DEAD in a big way. And yes, this is meant to shock you into reality. It is virtually impossible for any preacher, teacher or historian who goes against the prevailing tidal wave of brain dead, feel good, humanistic, universal, multicultural, hand-holding, rock and roll praise and worship singing falsehood to get air time, get a book published or even get the time of day, while snake oil salesmen like the mega-preacher Joel Osteen (who is "Jewish") has gathered the biggest congregation of any preacher in the history of America.

## Khazarians Then, Khazarians Now By Preston James, Ph.D

**Over 1,000 Khazarians are still proliferating unimaginable destruction, death and evil everywhere they go, only much worse than ever**

**I**T'S A WELL-ESTABLISHED historical fact that Khazaria was destroyed by both Russia and Persia (now Iran) in approximately 1250 AD, and with good reason.

Many years of prior very stern warnings had been given by Russia and Persia with no changes by the Khazarians.

The reason for this final destruction of the Kingdom of Khazaria was that its rulers and its people ignored these warnings that were made jointly by Russia and Persia.

Russia and Persia had repeatedly instructed Khazarian leadership that Khazaria as a nation and people had to change from its evil, inhuman

ways and stop parasitizing its neighbours, or suffer complete destruction.

Khazarians were known by those living in bordering countries to generally be liars, deceivers, cons, robbers, road warriors, rapists, paedophiles, murderers, identity thieves and social parasites of the worst variety. And to make matters worse, their ruler King Bulan did nothing to reverse this because he too was like them.

When Khazaria was finally destroyed in about 1250 AD by Russia and Persia, it had been literally terrorizing, robbing, murdering and parasitizing neighbours and travellers for over 500 years.

These endemic Khazarian criminal behaviours were institutionally supported by their leaders and by the Khazarian culture.

There was no rule of law in Khazaria, only the rule of manipulation, sociopathy, might, violence and evil.

Khazarians had repeatedly preyed on travellers at their borders or anyone who tried to travel through Khazaria. Travelling in or near or through Khazaria was usually a fatal mistake. Women were often raped and then murdered afterwards or, if young enough, taken as sex slaves.

Khazaria was known by other surrounding nations as a lawless, evil nation that allowed the worst crimes against neighbours and travellers imaginable. Khazaria was known as the epitome of selfishness and evil, from the King all the way down to the average citizen.

It is now known for certain from peer-reviewed genetic studies done at Johns Hopkins that

Khazarians carry absolutely no ancient Hebrew blood and are not Semites at all, and never were. Khazarians' origin is believed to have been a hybridisation between Turks and Mongols, with absolutely no genetic ties to the ancient Hebrews.

It is truly interesting that these Khazarians have absolutely no ancient Hebrew Blood at all, none, although their leaders usually claim to carry ancient Hebrew Blood and to be Semites, when they are not Semites at all, and have absolutely no ancestral rights to any land in the Mid east.

About 80% of the Palestinians carry ancient Hebrew Blood and thus are true Semites, and hold an un-abandoned, absolute ancestral right to all of Palestine, despite any Khazarian claims, which are all based on lies and political intrigue.

**The site of the Khazar fortress at Sarkel, sacked by Sviatoslav c. 965 (aerial photo from excavations conducted by Mikhail Artamonov in the 1930's) (Courtesy of newworldencyclopedia.org)**

Thus it is fair to claim that the Israelis are not only NOT Semites at all, but are the biggest anti-Semites in the whole world for their massive land theft of Palestinian land and genocide against Palestinians. And despite this stark reality, top Khazarians immediately accuse anyone that criticizes them or Israel of being anti-Semites – an obvious fallacy.

It is now becoming obvious to many that Israel is a deeply racist Khazarian state that is continuing the same anti-social criminal patterns that led to its destruction around 1250 AD.

Why did Russia and Persia destroy Khazaria in about 1250 AD?

The Russian and Persian leaders had had enough, in about 750 AD – Khazaria's King Bulan was

given an ultimatum jointly by both Russia and Persia that he had to select one of the three Abrahamic religions to “clean up” the Khazarian People.

Khazarians at the time were known by those living in bordering countries to generally be liars, deceivers, cons, robbers, road warriors, murderers, identity thieves and social parasites of the worst variety. And to make matters worse, their ruler did nothing to reverse this because he too was like them.

They repeatedly preyed on travellers at their borders or anyone who tried to travel through Khazaria, usually a fatal mistake.

When the problem reached epic proportions and could no longer be accepted by the surrounding nations and peoples, the Russian and Persian leaders formed a coalition and delivered a stern ultimatum to the Khazarian King Bulan.

This ultimatum was that Khazaria as a nation had to immediately change its ways, and to do this, King Bulan must select one of the three Abrahamic religions and institute it as the official required Khazarian state religion. King Bulan was told in no uncertain terms that the religion chosen must be indoctrinated in all Khazarians to serve as rules of conduct and as a basis for integrity and ethics that were previously completely absent.

**Khazar Empire flag**

King Bulan agreed and selected Torah Judaism as Khazaria’s official religion. This worked somewhat for a while, but soon Khazarians were drifting back to their old ways of national banditry, murder and gross parasitism of others from surrounding nations.

Instead of working to establish morals and ethics in his nation by making a serious attempt to practice Torah Judaism, King Bulan and his top

staff actually were inducted into the Black Arts and Black Magic of Babylonian Talmudism, better known as Baal worship or Satanism. Externally this looks a lot like Torah Judaism and can be used as false cover, which it was. The reason this choice by King Bulan failed to become a permanent solution to the Khazarian mass sociopathy was because he himself never really accepted or practiced only Orthodox Torah Judaism and merely displayed a phony outward appearance of such.

**Alexander Solzhenitsyn with Vladimir Putin**

Instead, he learned the black arts of Babylonian Talmudism and practiced the secret occult rites of Satanic demonology to gain more power, wealth and status.

King Bulan’s secret worship of Babylonian Talmudism (Baal worship, Satanism) was well-disguised by his phony outward presentation of Orthodox Torah Judaism as cover. His heart was not in setting an example and leading his people away from the cultural sociopath, inhumanity and criminality Khazaria had become known for.

At first when the ultimatum was delivered jointly by Russia and Persia, the Khazarians backed off somewhat from their ways for a while, fearing destruction. But their culture remained the same; and their old ways of abusing, robbing and murdering neighbours started back up again – this time even worse than before.

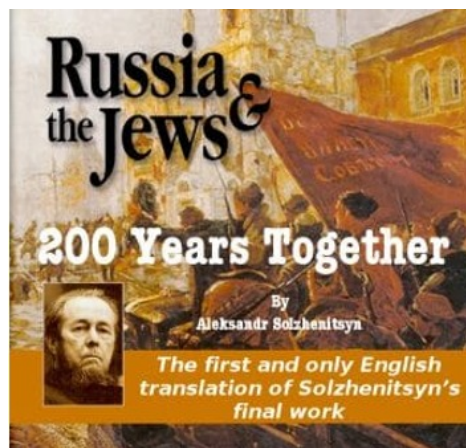

Finally, in about 1250 AD, the situation became completely unacceptable to both Russia and Persia and they jointly decided to invade Khazaria and destroy it top to bottom.

The current King and his court were warned by his spies, and the top Khazarian nobility were able to flee with their great wealth of silver and gold before the invasion and destruction of Khazaria.

It is hard to know all the details about where this Khazarian Royalty went, but it appears that they continued practicing the Black Magick occult arts of Babylonian Talmudism and migrated to Italy and other western European nations.

Khazarian history has been carefully excised from most libraries in the Western world and one must dig to find it. Fortunately, Solzhenitsyn documented a fair amount of Khazarian history before he died.

*The Truth about King Bulan and Khazaria's destruction by Russia and Persia for its unrepentant evil is a closely guarded Khazarian secret even today, and Khazarian leaders greatly fear the disclosure of this to the masses.*

## Letters And Views

### **Copy of Letter to Cressida Dick Commissioner of the Metropolis London 23-09-2017**

**Dear Cressida,**

**Ref: MAJOR CRIME**

I submit the following allegation of crime by fraudulent misappropriation of taxpayer's monies by abuse of authority contrary to sec 4 of the 2006 Fraud Act and by misconduct in public office at Common Law.

On the 23<sup>rd</sup> June 2016 the people of this ancient Kingdom voted by a clear majority to break all ties with the European Union. Her Majesty's subjects voted to stop all payment to the European Union and to break all ties. They

demanded British independence and self determination. No if's and no buts.

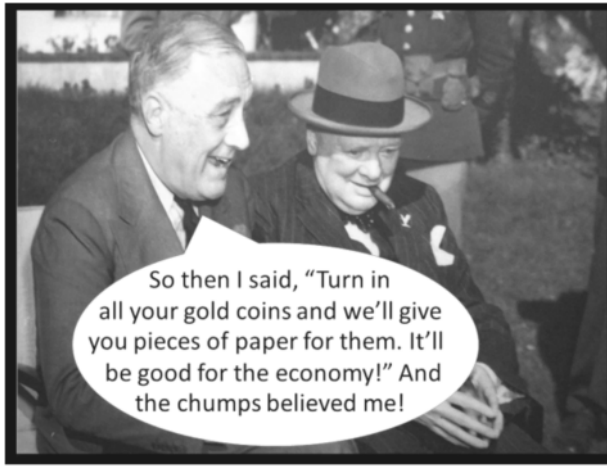

By her actions, Mrs Teresa May Prime Minister of the United Kingdom of Great Britain and Northern Ireland has in conjunction with her advisors conspired to enter into an agreement with The European Union directly contrary to the wishes and mandate of Her Majesty's subjects and in the process, she has fraudulently misappropriated in the region of £20 billion of taxpayers' hard earned money.

She is planning to give it to the European Union in direct contravention of English law which allows for taxation only to benefit this Kingdom or to fight a war - NOT to give it away to others.

By allocating taxpayers' money (the property of the taxpayer) to the European Union directly against the express wishes of the British taxpayer as expressed in the IN OUT Referendum on the 23<sup>rd</sup> June 2016, Prime Minister Mrs May and her advisors have breached English Law by committing fraudulent misappropriation of taxpayers' money by abuse of their authority contrary to sec 4 of the 2006 Fraud Act. and by misconduct in public office at common law. I require a major crime book number.

**Respectfully submitted**

**Albert Burgess

## The Ancient British Coelbren Alphabet The so-called Paleo-Hebrew?

**The golden spoons from Sutton Hoo clearly had a form of the Khumric Coelbren Alphabet cut into the handles it was already almost a impossibility for this ship burial to have been either Angle or Saxon pagan burial.**

**Sir \_\_**, There are traditions of the Ancient British Coelbren Alphabet being identical with Ancient Etruscan, Rhaetian, and Pelasgian Alphabets. Even Julius Caesar makes mention of this alphabet... Caesar described the ancient British Alphabet circa 55 BC. Ammianus Marcellinus also described the British Alphabet and actually stated that the Greeks got their Alphabet from the British– [From Assyria the Khumry] left Armenia and migrated westwards through Asia Minor.

The Alphabet appears in the Aegean, and in ancient Palestine and Egypt. From the Dardanelles in Asia Minor half of these people went to Italy to found the Etruria in 650 BC, and the remaining half sailed for Britain in 504 BC.”

Further evidence this language is legitimate can be found in the Athens Museum. A rather large stone resides there inscribed with the Ancient British Coelbren Alphabet found on Lemnos Island in 1876 AD. “Other artefacts have also surfaced reported on by Wilson and Blackett:–

A strange Khumric Triad notation of around 1000 years ago indicates the Egyptian connection and specifically refers to the Hieroglyphic writings. The clear inference is that Khumric is the basic language of the Hieroglyphics at that time.

Professor Sir John Morris Jones wrote a Thesis in 1898 that demonstrated how the complex Khumric Syntax and that of Ancient Egypt were identical. Plus the fact that the same seven vowels – A E I O U W Y – were used in Ancient Egypt and the Khumry.” **Yours truly, K H, West Midlands. UK.**

## A London Protest

**Sir \_\_**, My Routemaster and I and three other good fellows were parked in Parliament square, after an hour 2 police officers came to see what we were about. We chatted with them for about 20 minutes, their real intention was to tell us to move somewhere else, our common law and Magna Carta was what we were about.

They told us to park by the Westminster underground where there were bus stops. I moved the bus as directed, but parked some few yards beyond the bus stops. After a further hour the same 2 police officers came to the bus, they had been told to search the bus under section 41 of the Terrorism Act.

These 2 cops were quite sympathetic to the cause and just looked upstairs and never looked behind seats and other places where anything suspicious might have been hidden. Again we chatted to the 2 cops for about an hour, giving them cups of tea. After the hour, a very irate police inspector came by demanding to know why we had not moved on.

I asked him what was the problem and why had these 2 cops been ordered to do a section 41 search under the Terrorism Act. He pulled a map from his pocket, gave me a copy and explained that this location was within the Serious

**A fine Bibliothek (Library), Waldsassen, Bavaria Germany**  
**Matthew Steffelaar**

Organised Crime and Police Act Area as marked on the map. Demonstrating within this area was not permitted without a permit. The map showed an area bounded on the south side by the Lambeth Road, to the East by the Centenary bridge, to the west by Lambeth bridge and up and around St James's park.

Jokingly I laughed and said, seriously, Serious Organised crime area - well plenty of crime originates from the Palace of Westminster, but surely you ought to include the Royal Courts of Justice, there sit the real master criminals. The inspector went as red as a tomato and the 2 cops could not suppress their amusement.

So we drove slowly round and round parliament square stopping at all the traffic lights even when green. Common law gives you the right of freedom to drive on the highway. **Yours truly, Paul TJ.**

**The Craftsmanship of Our Ancestors**

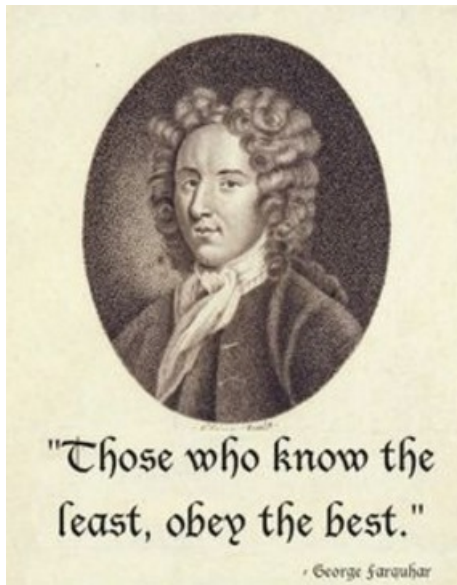

**Sir**\_\_, The Brooch of Ugdale (Scottish National Museum - facsimile of the original) Tradition tells us that King Robert the Bruce gave the brooch to the Mackays after staying at Ugdale, Kintyre. The brooch consists of a large crystal

surrounded with corals and pearls set in silver. It opens to reveal a relic container. Relics were believed to hold illustrious mystical powers and were symbols of hope and faith. Crystals also had great superstitious values.

According to Hector Macneal of Lossit Estate; "there are indications that they may have come from China or perhaps were brought back by Crusaders." The brooch disappeared after the 1745 Rising and did not re-appear until 1824 when the old Lossit House was being pulled down and the brooch was found amid a pile of mortar from behind a wall panel. In its present form the brooch dates from around 1500, but it is thought that it has probably been added to over the years. **Yours truly, Mary McLernon**

## The Duke of Bedford and The International Bankers

Sir \_\_, The Duke of Bedford, realizing the enormity of the sell out to the international bankers, made the following remarks before the House of Lords on December 17 th, 1945, at the time the Bretton Woods proposal was before the British Government:—

"I find that opposition to the Bretton Woods scheme, which is one of the conditions of the loan, is almost universal among people of widely different political and economic outlook—I find that the really fine and enlightened people of America are as much against Bretton Woods and all that it stands for as I am— then there is the very grave objection indeed that we are proposing to hand over the control of our economic life, in a very large measure, to a gang of representatives of Wall Street finance, who are responsible to no one and are above every Government." -- Duke of Bedford, American Mercury, April 1957, p. 137. Yours truly, KH, West Midlands, UK.

## To the CEO of Her Majesty's Courts and Tribunals Service .

### NOTICE

There is no doubt that as before, you will ignore crimes committed by those in your employment, hiding behind the fact that you are not allowed to interfere with the judiciary. This is the third set of serious crimes committed by your

employees that I have brought to your attention.

The fact that you are not allowed to interfere with judicial decisions does not stop you examining how your employees assist the judges by breaking the law of the land. By ignoring these crimes you become complicit in the crimes committed by your employees. In truth you are worse than they because they often act out of ignorance.

You, because I place these facts before you and you decide not to do as the law requires of you, cannot use the same excuse. You as CEO have a duty to ensure your employees act within the law. Allowing courts to issue unsigned and unsealed warrants, you are giving the enforcement agents the powers to harass people like Tom Dobie, who report crimes that embarrass people in the establishment.

That said there is another fact that you may consider. Every man and woman in this country has a lawful and moral duty to report crime. Most normal people who leave the police to get on with their job when it comes to burglaries etc are horrified to know of child rapes. Can you sleep soundly at night knowing that children's rapes are being covered up by those in your employment?

Your position as CEO gives you an insight into how your staff assist in the cover up of these crimes. They act under the instructions of judges. If those judges give unlawful and illegal instructions to your staff, you have a duty to protect your staff. The judges, like the judge that hid in a back office and instructed his chief clerk to refuse me access to him to seek a writ for habeas corpus, are placing your staff in vulnerable positions.

You yourself stop access to a judge, which should be available 24/7/365 when someone seeks a writ for habeas corpus. You oversee an arrangement that the Royal Courts of Justice operate a five day week with office hours of 9 am to 5 pm. But it is even worse than that. The office that deals with applications for habeas corpus does not open until 10 am and closes its doors at 3.30 pm. There used to be a duty judge available 24/7/365. Your organisation illegally stopped that.

You who allow your staff to send out unlawful warrants, orders and summonses are allowing

these corrupt judges to assist in the cover up of serious crime. I know of several people who were and are serving prison sentences for trying to expose paedophilia.

The service that you are in charge of is helping corrupt judges keep these matters from the public. You could stop it by giving the information to your employees so that they know the law and can then refuse to comply with unlawful orders.

It's doing things like refusing to post unsigned and unsealed warrants. It's that simple. So I will continue to send you notices and circulate them widely for my own protection. Perhaps, just perhaps, you might have a conscience which dictates how you should behave. **Signed and served electronically. John Timbrell.**

**Magna Carta**  
**Freedom of information request**  
**Justin Welby**  
**Archbishop of Canterbury**

**My Lord Archbishop\_\_\_**, I am enclosing a write up on Magna Carta and its importance in English Law. At the end are some questions to which I would like answers.

**Myths surrounding Magna Carta 1215 and subsequent re-issues**

**The Reason for Magna Carta 1215.**

King John was a bad King he had upset the Barons by forcing their wives and daughters into his bed against their will, because they were being raped they were not co-operative so the following day John would walk into court and announce that Baron so an so's wife was a terrible lay.

As a result the Barons wanted him dead. King John was using foreign mercenaries to suppress the common man so the common man wanted him dead. As a result King John believing he could use a powerful ally so he surrendered England to the Pope in May 1213 and he rented it back as a vassal King to the Pope. Who was arguably the most powerful man on earth? For 1000 marks a year. 700 for England 300 for Ireland. Two years later in June 1215 John was forced to meet the Barons at Runnymede that

meeting was attended by thousands of the free-men of England determined to Kill John if he did not agree to rule us according to our Ancient laws.

Archbishop Langton had found a copy of the Charter of Liberties 1100 a re-issue of English law by King Henry I which he showed to the Barons who said it was good law and it was re-issued as Magna Carta 1215. So Magna Carta was not new law it was simply a re-issue of our existing ancient law.

At Runnymede John was forced to agree to rule us by our law by the estates of England, England's highest law giving body with authority to fire and hire Kings which they did when they fired James II and hired William and Mary in January/ February 1689.

**Henry III**

The Pope ordered John to renege on Magna Carta starting the Barons war against John. John Died in 1216 and Henry III a nine year old came to the throne, as soon as he became of age he wrote to the Pope stating he Henry answered to God for all things ecclesiastical and to the people of England for everything else and he stopped the payment to the Pope and reissued Magna Carta.

**Edward I**

King Edward I re-issued Magna Carta in October 1297 with his *Confirmatio Cartarum* this contained an order to all his Sheriffs, Justices, Mayors and other ministers that this must be published and read in every county after the feasts of St Michael, Christmas and the feast of St John. And every Cathedral must read it out twice a year. King Edward I ruled that any

decisions taken in court which contravened Magna Carta was null and void, and that all Archbishops and Bishops shall excommunicate any person who breaks or attempts to break any part of Magna Carta.

Edward III (Above) the Pope wrote to Edward III demanding the unpaid monies he claimed were owed him under the agreement with King John. Edward spoke to the Bishops and the Barons they asked for time to seek the opinion of the commonality of England and a meeting of the estates of England took place in May 1366 after which Edward III was told England did not belong to King John he only held it in trust for those who follow on, it was not his to give away King John broke the law and King Edward was not to pay the money. Edward we are told by Sir Mathew Hale CJ wrote roundly to the Pope.

King Charles I refused to re-issue Magna Carta because like all the Stuart Kings he believed wrongly that he ruled by divine right. As a result he lost his head. James II lost his Kingdom but kept his head. After a meeting of the estates of England.

A number of academics have postulated over the years that Magna Carta was bad for any number of reasons it is not the law of England or that it is and always has been unimportant. These academics are quite frankly wrong, Magna Carta is simply a re-issue of ancient English Law, it is the legal document which protects our rights and freedoms restating the restrictions we place upon our Kings to guarantee our ancient freedoms,

The Declaration of Rights and the Bill of Rights 1689 simply reiterate those restrictions which have always been placed upon our Kings since Alfred the Great gave us his legal codes in 886

and can be seen as a re-issue of Magna Carta. It was Alfred who guaranteed our rights and freedoms. Which have in the last 1136 years become the custom and practice of England. And as such are beyond the reach of Parliament which falsely claims sovereignty contrary to the 1351 Treason Act.

On the 8th March 1784 Parliament debated the question of Sovereignty and Parliament decided in the only legal way they could that ultimate and total Sovereignty lies with the Lawfully Anointed King.

## Questions

(1) In compliance with the statute of Confirmatio Cartarum 1297 which has not been repealed is Magna Carta read out twice a year in every Cathedral?

(2) If it is not why is the Church of England in breach of the law?

(3) What action do you propose to take to ensure the above statute is complied with?

(3) When will the benefit of the Church of England be withdrawn if necessary posthumously by excommunication in compliance with the law? **Respectfully submitted, Albert Burgess.**

## Russia Today

Sir \_\_. My friend Stephen has been in Russia for 14 years. His personal impressions are a valuable insight into everyday Russia. This the letter he sent;—

Dear Don, I am spending a few days in Moscow before returning to Novosibirsk. Two things struck me that may be of interest:

I was travelling on the Metro with a Russian friend last night. He is a student at university

in his fourth year in Moscow, originally from a closed town near Krasnoyarsk. As we were going down the escalator at Belarus Station he asked me if I had noticed how much cleaner and safer Moscow had become in the past few years? - i.e. the four years he has been in Moscow.

I hadn't really thought about it but realise now how true this is. Of course, it IS much safer than it was 14 years ago when first I came. But the amount of litter that used to be on the streets and in the metro was very great even a few years ago. Now it is clean and without any graffiti or litter. There are also far, far fewer beggars in the streets and there are major construction works.

I think the last time you posted some of my photos some folk were shocked at how new some of the buildings looked!

He told me that some months ago, an American channel put out a programme about street children sleeping rough and drunk in Moscow and their base at Kiyevsky Station. It seems to have been taken down from YouTube. When he saw this report, he immediately noticed that the footage was at least 17 years old. As we were in the Arbat district last evening, we walked round to the station to inspect it and, of course, saw no evidence of any such conditions.

You can see the station [here in a video](#) taken four years ago! **Yours truly MTS.**

### **TREACHERY OF THE HIGHEST ORDER**

**Dear Mrs May,** There is a lot of anger around the country, and talk of rope and lampposts, because of your decisions to prolong our EU ties.

Why?

The reason is quite simple, you have just continued and compounded the treason committed by Edward Heath, when he illegally and unconstitutionally signed the people up to the EU agreement, against Constitutional restraints.

Ever since he signed up, parliament has had no legal authority, having handed their power to Brussels, so all legislation passed is null and void, and all monies handed over illegal.

That you propose to prolong Brexit, and pay even more money to that corrupt, undemocratic body, is a wicked insult to the 17 million people of this once wonderful country, who ordered parliament to leave the EU and stop paying it money.

Even worse than that, is your Dhimmi slavishly following the Barcelona Agreement with Islamic countries, and our porous borders, thanks to the EU are importing criminals faster than our shrinking police forces can cope with.

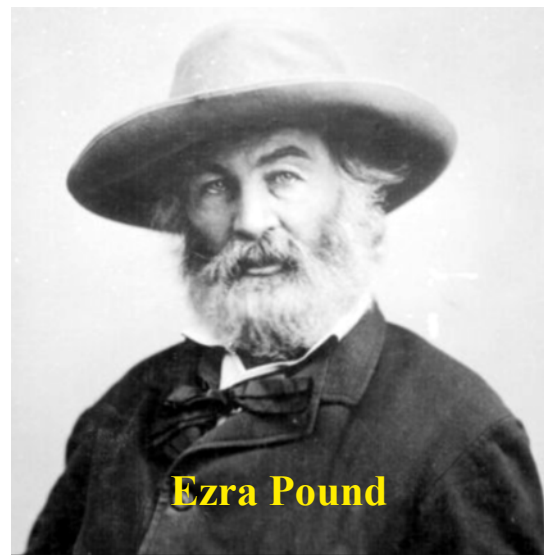

Your administration is a totalitarian disgrace, complete with attacks on those who are trying to preserve and protect our indigenous people, way of life, customs and heritage from invasion.

Your report card so far:

**Must do better  
Must be firmer  
Hard Brexit now  
No to ECJ  
No more money to be sent.**

**Yours truly, Mrs Jane Birkby, English Constitution Group.**

"No Rothschild is English... No Baruch, Morgenthau, Cohen, Lehman, Warburg, Kuhn, Kahn, Schiff, Sieff or Solomon was ever born Anglo-Saxon. And it is for this filth that you fight. It is for this filth that you murdered your Empire. It is this filth that elects, selects, your politicians." **Ezra Pound**

## ALL BREXITEERS TAKE NOTE AND ACT NOW

On the 20<sup>th</sup> of September 2017 a folder containing 5000 documents was handed to, and accepted by, THE ROYAL COURTS of JUSTICE in LONDON.

These documents clearly state, and shows evidence, that we can VOID not repeal the European Communities Act of 1972, therefore we need not negotiate, nor pay any divorce bill, and Article 50 wasn't required.

Shortly after being accepted at the court, it was served (collected) and is now sitting on the Brexit Ministers desk.

David Davis has two courses of action: agree with it and hand it back to the court for them to give their ruling, or contest it and go against the will of the people. If Mr Davis says he isn't contesting it, it will be up to the 11 Supreme Court Judges to decide the case. We are trusting Mr Davis will be behind us!

These documents are the key and get out clause that all Brexiteers have been waiting for, and will sever all ties and commitments with the European Union.

He has to respond within 21 days, so I am asking you to email him and bring as much awareness to the fact that you know he has these documents in his possession, and we can then see the governments position on Democracy before we have our court date. The more attention we can bring to this, the more chance we have in getting an honest and fair hearing.

After all the law is the law.

Dear Mr Davis,

I am bringing to your attention that you, as Brexit Secretary, have a Judicial Review, as above, on your desk. This has been accepted, signed and sealed by the High Court. This clearly shows our membership of the EU is VOID.

As a Brexiteer we EXPECT you to stand behind us, the 17.4 MILLION people who voted in a majority for brexit. We are a Constitutional Law Group (Open Source Law). You MUST let this Judicial Review go through Court. I am trusting you will get behind us in this. **Yours sincerely,**  
**John Trimbrell.**

---

**Subject: Judicial Review Claim**  
**CO/4310/2017 RE VOID EC Act 1972**

**Sir**\_\_, You will be aware that David Davis has received the above Judicial Review, which has been accepted, signed and sealed by the High Court. I urge you not to impede the process of that JR in any way, bearing in mind the following.

1. The British people have NEVER voted for the independence of Parliament to be handed over to a foreign entity.
2. The 1972 EC Act ran counter to our Constitutional Law, which makes it unlawful.
3. Lord Kilmuir advised that the 1972 European Communities Act (ECA) posed a direct threat to the independence of Parliament.
4. MP's failed to keep their Oath to the Crown, when the Queen was made an EU citizen, through the Maastricht Treaty.
5. Any MP who tries to frustrate the removal of the UK. from ECJ jurisdiction will be failing in their duty to uphold our Constitutional Law and their Oath.

They would indeed be guilty of conspiracy to treason under the Act of Praemure 1377 which is extant law.

So I look forward to hearing that the High Court will not be impeded in its Judicial Review, on the very valid reasons for striking down the 1972 EC Act.

Many thanks for taking the time to read this.  
**Yours truly, Mike Watson.**

## **Countering Mind Control and Covert Attacks via The Electro-Magnetic Spectrum**

### **From Our Health Correspondent**

**Editor:** We are most grateful to one of our German speaking subscribers for the following contribution relating to his firm's work over recent years in developing, producing and marketing effective countermeasures to the sophisticated warfare now being waged against seemingly all humanity via what most believe are innocuous data transmission and receiving devices we all have to use e.g. phone, wireless, TV including exposure to radiation from electricity itself and even light.

#### **Mind Control and Electromog: Their Threats and Countermeasures**

**S**O, ELECTROSMOG AND MIND CONTROL (MC) concerns you? Us too! However, we have found a solution for at least more than 90% of the population affected by this most insidious form of attack. Having read the following resume of our company's work in developing countermeasures against such attacks, you may wish to purchase one or more source field-harmonisers and test their protective benefits for yourself.

In this article certain aspects of electromog and MC associated with UHF radiation, being the most pervasive, will be addressed. The television and film industry both play a pivotal roll in implementing MC by harnessing nature's optical laws. Other methods of MC are now in an

advanced stage of development such as holographic projection. Yet other "esoteric" technologies (our term) e.g. radionics, psionics and psychotronics must be considered when endeavouring to take countermeasures.

Also to be considered is worldwide organised stalking and electronic harassment (OS/EH), which has been going on for decades with ever increasing sophistication. This topic will have to be left for another time.

Now to our topic: First it is necessary to have an understanding regarding the problems and dangers of electricity! To begin, some theory on the subject of electricity. Boring? Wait a minute! Please read on!

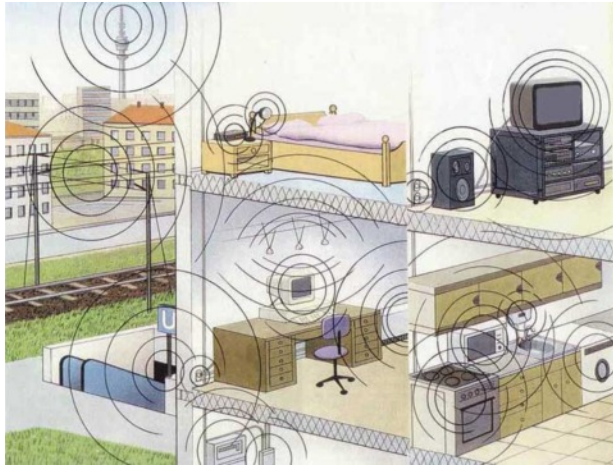

#### **The Problem**

Electricity was discovered some 100 years ago and is therefore, relatively speaking, quite a modern invention, (although not new to nature) that has brought comfort and progress. But there is a downside:-

- 1) Man made electricity is dangerous because of the magnetic and electromagnetic radiation emanating therefrom.
- 2) Ultra high frequency (UHF) electromagnetic radiation is even more dangerous. Wikipedia states: Ultra high frequency (UHF) encompasses a range of electromagnetic waves with frequencies of between 300 MHz and 3 GHz (3,000 MHz), which are also known as the decimetre band or decimetre wave as the wavelengths range from one to ten decimetres (10 cm to 1 metre).
- 3) Extreme low frequency (ELF) modulated UHF radiation is far more dangerous.
- 4) Digital ELF-modulated HF-radiation is worse still and much more serious because it is

the type most frequently encountered through using cell phones and watching digital television.

5) 5G Wireless radiation from 24 to 90 GHz, being now implemented. MOST dangerous due to high frequency. 3 to 4 times more the effect of microwave oven heating. Heating is not referring to heating a meal, but rather cooking your brain with a mobile phone.

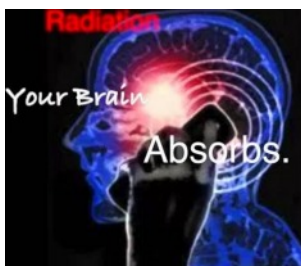

Non-thermal affects are denied by the mobile phone industry. Government defined limits for UHF radiation consider only the thermal affects Unbelievable, but true! Furthermore, limit values differ from country to country e.g. Depending on frequency band Russia allows only 1/10000<sup>th</sup> of the power allowed in Germany.

Non-thermal radiation emanating from manmade electricity generation and transmission greatly impairs the natural system of intercellular communication. 12.000 initiatives moreover and more than 25.000 studies worldwide demonstrate this.

Because of the powerful mobile phone lobby one can expect no redress from the authorities. So, one must take the initiative to protect oneself, family and friends, that is, if they are willing to listen.

The mobile phone lobby is ridiculing and trivialising end user affects by buying off “scientists” and maintaining the focus on Electromagnetic Hypersensitivity (EHS) rather than the MC implications.

A common argument heard against the dangers of UHF radiation is: “I feel nothing”!

Of course not! This is because you have no organs capable of sensing this type of radiation. However, 30% of the population can sense this radiation with the body as a whole. Nevertheless, it should be noted that 100% of people **REACT** to radiation emanating from electrical equipment and transmission lines. Believe me, it affects people irrespective of their religious belief!

### Warning

The unspoken argument goes like this. “Such information applies to women, children, the old and sick but not to me”. If this describes you then stop reading immediately! Trash this paper and increase your life insurance cover for the final onslaught! Apologies for wasting your time and cognitive sleep!

Still reading? – Then be it at your own risk! Note all of the following, because this information is nonsense in the eyes of the mobile phone lobby, education and medical establishments, etc.

Warning of digital television’s DVBT damaging affects to health was given in an open letter to US President Obama, the Senate and Congress of the USA. 12.02.2009 by Dr. C. Waldmann Selsam, Germany.

By the way we have a very insignificant website, which is intentional, for we have no wish to fight corrupt lawyers nor as far as is possible, do we wish to come to the notice of government agencies. Rather, it is to be hoped that our message is being and will be spread by word of mouth and recommendation because.

### So feel free to join our campaign!

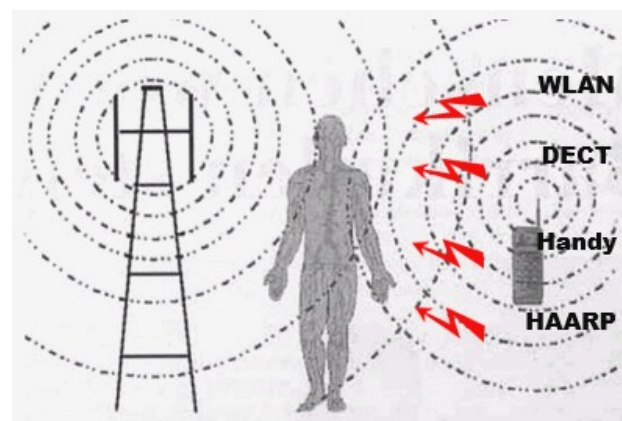

Table Of Brain Wave Frequencies  
See next page

terms of causing DNS damage. If one modulates a UHF signal with an ELF brain wave signal, the range of the brain wave signal is increased dramatically making it possible to influence the thinking and mood of populations over vast areas.

### A Piece From The Hall Of Shame

It is said that under the premiership of Margaret Thatcher, scientists were able to pick up brain wave transmission patterns of male apes in relation to their subjection to the chief ape.

These ELF signal brain wave patterns were modified somewhat and then modulated using a portable radar system. (appr. 400 Mhz). With this system they successfully irradiated suburbs where striking workers were rioting. Imagine: this happened back in the 70's. Get the point?

In the meantime different types of MC-technology have been developed for both individuals and the masses such as GWEN towers, HAARP (see picture on top), LOIS and satellites.

Note: HAARP only makes sense together with chemtrails, because chemtrails are creating an electromagnet plasma field (nano metallic particles) in the atmosphere, thereby providing a reflective shield for all kinds of (ELF modulated) UHF radiation. For those interested in researching this further, links can be obtained from Energy 7 – see advert. In a certain sense this information is well known. Tens of thousands of bold, truth seekers worldwide are endeavouring to awaken people to these and other threats.

### Table of Brainwave Frequencies

Name	Frequency (Hz)	Description
Delta	1-3	Deep sleep Coma
Theta	4-7	Dream sleep, trance, deep meditation, hypnosis, normal state of mind
Alpha	8-12	Relaxed state of conscientiousness, eyes closed, meditation, prayer
Beta	13-30	Activated state of conscientious, normal daily activity, eyes open
Gamma	39-80	Binding of attention, integration of sensual impression into time and space.

### Some technical information

The most commonly used UHF frequencies in Europe are the 400, 900, 1800 (GMS) and 2200 (UMTS) Mega Hz frequency bands (1 Mega Hz is 1 million c/sec). However, if these are modulated down by repeatedly cutting them in half one ends up with vital biological windows with certain frequencies important for internal biological communication of nerves, cells and DNA.

This is similar to the octavation process in music. That is, when a note is played at the piano, overtones are also produced, influencing the listeners nervous system. A study has shown that the UMTS frequency band is 40 times more dangerous than the GMS frequency band in

### How Does MC Work?

The Creator has shielded His masterpiece, because within the human body there is a multiple protection in place. Therefore some elites are trying several techniques to crack our God given defences both collectively and individually. We will now discuss these attempts: MC means controlling or at least influencing both your mood and thoughts. Most well known: the mass media. Very successful Digital ELF modulated HF radiation, esp 5G technology, is used to evoke neurological reactions and is equivalent to psychopharmakia, e.g. depression, optimism, hate, anger,

patriotism, fear, lethargy via radiation. By these means a potential is created, which can then be used to implant some emotional and cognitive impulse. Its effectiveness has been recently evidenced by the Obamania, funeral hypes (Michael Jackson, Mother Theresa), election campaigns, civil war, riots (France) or in the pacification of cities.

**Chemtrails**

The principal attack is via the scalar part of this radiation which is, sophisticated interference of two UHF sources to create special effects in that direction. Chemtrails since some time seemingly nano particles have been found to be contaminating tissues, especially the brain, and making it yet more vulnerable to other electrical influences that may be encountered. Heavy metal detoxification is highly recommended as a means to counteract this form of attack. Effective countermeasures are known and are available.

**The New Threat**

Now we are proceeding towards ever more dangerous and unknown areas in electromagnetic Voodoo to which populations are being exposed. Such attacks cause lethargy, numbing and rigor of the nervous system including cellular and DNA communication. This method facilitates all kinds of MC and electronic interference (of a Voodoo nature) and paving the way (together with TV and video violence) for all types of satanic and other perversions now spreading amongst our youth and other sections of the community.

The Bible warns against occultism which was and is still very dangerous. However, this type of technical occultism is largely unknown which makes it very dangerous. Just like knives, guns and computers, which can be used for good or evil, the hidden hand within government and the military is not using the former.

**Overview of The Bio-Energy Scalar Wave Discussion**

Electrosmog is wrongly regarded primarily as a biological, medical, chemical, or biochemical phenomenon, rather than a physical phenomenon. Slowly it has begun to be considered as a BIO-physical phenomenon. Some progress! But it should mainly be considered as a bio-ENERGY phenomenon, which is entering the realm of applied quantum and scalar wave physics.

The technical basis on which applied quantum and scalar wave physics are founded is widely debated. Serious consideration is given to the first, but very little to the second. An overview can be obtained from the home page of Thomas Bearden and Prof. Dr. K. Meyl's website: See footnote.

Related to these theories is the extended unified quantum field theory of the German physicist Burkhard Heim (1925 2001)

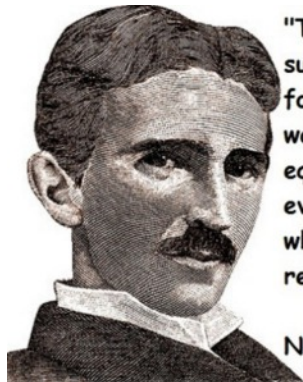

Right from its emergence UHF radiation comes with an amount of scalar wave radiation. But why? This much debated phenomena is described by the Lorentz Maxwell field equations and elaborated on by Prof. Meyl.

Scalar waves **CANNOT** be measured with standard physics' equipment, for example one cannot measure the weight of an apple with a ruler. The human body's tissues, organs, nerves, cells, and most importantly DNA reacts to scalar waves and **THESE EFFECTS** are measurable. According to the research of Russian molecular biologist Pjotr Garajajev (above), DNA within

the brain reacts to light and all forms of electromagnetic radiation.

We have to discriminate between transversal and longitudinal components of HF radiation that may be present. Technically it is the transversal part that is measured. However, the longitudinal part (Scalar waves) is only indirectly measurable which accounts for the so called “losses” in physics, relating to loss of energy, which cannot otherwise be explained. – Scientific discussion continues.

"Today's scientists have substituted mathematics for experiments, and they wander off through equation after equation, and eventually build a structure which has no relation to reality."

Nikola Tesla

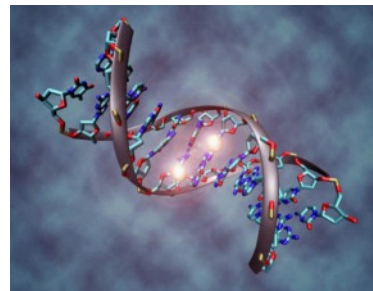

Nicola Tesla (above) had already postulated the presence of scalar waves and had even successfully experimented with them. We will not go into details of this phenomena but rather look for applications in our daily life

Some well known strategies to cope with strain and stress caused by the physical portion of UHF radiation are source switching off, shielding, minimising and increasing distance to the source. However, these strategies are not applicable to scalar waves. Why?

Because UHF carries data such as voice transmission via TV, Mobiles etc. These data carrying scalar waves are biologically significant. It is not practical to reduce the intensity of such radiation received, unless however, one were to cut oneself off entirely from modern information technology. Even the Amish people are afflicted by chemtrail / HAARP technology. Soon no part of the globe will be free of MC influence.

Do you understand? The body picks up the disturbing scalar wave UHF radiation from data transmission. If someone talks to you, you are receiving data. For example, if a loudspeaker is used it is the same as if someone had whispered into your ear, both carrying exactly the same information. So, what is to be done? One has to compensate these disturbing scalar waves by neutralising them in order to improve the body's ability to protect against these waves.

Another aspect to be considered is NATURAL scalar waves used in nature. Animals and plants “speak”, but this speech is inaudible to the human ear, furthermore, there is communication between all parts of creation. Creation is holistically, fractal and holographically interconnected. Scientific experimentation has determined that plants communicate between themselves to the extent of recognising a lab person who had previously injured one of the plants.

Model of DNA. DNA has capabilities of an electric, magnetic, biophoton and scalarwave antenna, both: circular and rod-antenna.

Minerals, plants, gemstones, mobile phones, medicine and even food transmit a silent message which is picked up deciphered and reacted upon by your DNA. Every cell is a highly sophisticated bio-computer, each with a storage capacity of 3 gigabytes. This reaction occurs in that part of the DNA regarded by “scientists” as junk amounting to some 95% of the whole. In other words scientists designate 95% of the human genome as junk; what hubris!

Natural scalar wave communication is highly sophisticated, while not a human language it has its own syntax and grammar. Russian molecular

Cover CD „Silent Sound” with subliminal message. (Sold out) This serves only as an example in the audibel frequency. Scalar wave techniques are bio different. logist Pjotr

Garajajev has done some exiting research on this topic.

Crucially mobile phone induced scalar waves simply produce NOISE thereby disturbing ALL natural scalar wave communication. Some like listening to this unnatural noise modulated down into an audible frequency band not realising the stress it is causing them 24 hours a day, 7 days a week and after year. Consequently, depending on length of exposure, age, state of health and genetics, sickness is inevitable.

Still worse, seemingly some NWO Satan inspired criminals using scientists to combine “noisy” and natural scalar waves by superimposing 2 UHF fields (e.g. digital TV and mobile phone) thus creating an inaudible “inner” voice which can be used to cause aggression, depression, patriotism, shopping frenzy and Obamanias.

In short they can instil any kind of mood assisted and focused by some kind of cognitive impulse being presented by the mass media and making it possible to instil further types of occultism into an unsuspecting public.

To monitor the presence and intensity of “noisy” scalar waves, several medical devices are available; about a dozen different types in all. In Germany, as a rough estimate, there are about 10.000 medical therapists who are equipped with one or other of these devices. Many of the better ones are of Russian origin. Following the decline of the Soviet empire many of their scientists came to the west. Their knowledge merged with that of German scientists resulting in an overall technical improvement.

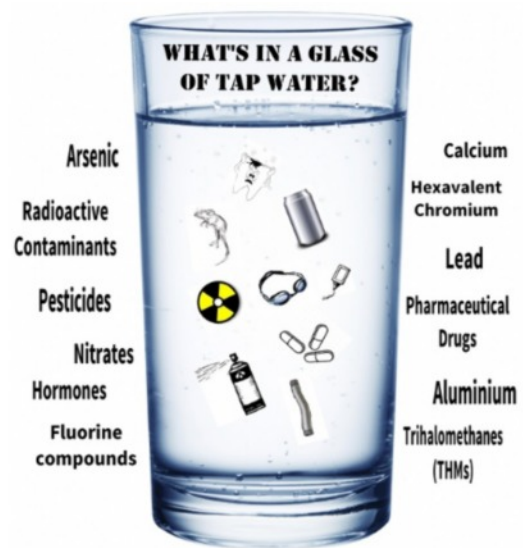

### How To Win This Scalar Waves “War” in Your brain?

There are several strategies but we don’t wish to elaborate on this just now, rather focus on the most practical. In Germany there are more than

100 manufacturers of different types of scalar wave modulating equipment etc. called bio-energetic modulators or neutralisers. Uninformed people may call this “esoteric”, but the understanding of “esoteric” must of necessity be redefined and newly understood.

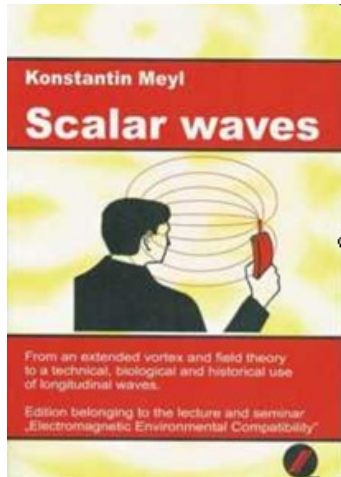

Your grandparents would certainly have considered television as “esoteric” or „occult“. They would have considered this as a case for an exorcist. The fact is that whole populations both in Europe and US are exposed to the aforementioned new kind of electronic Voodoo, mainly in the form of applied scalar waves physics whose effects can be measured. If one can measure, then one can influence and develop counter strategies.

Basically there’s a strong need for improving the energy level of the human body including the tissues, nerves and in strengthening the immune system. Well known strategies are: detoxification, releasing inner blockages, prayer, minerals, vitamins and drinking enough good water (most tap water is contaminated with poisonous chemicals).

However, there is now a new approach: strengthening the scalar communication system of the human body. In the last 10 years we have tested more than 40 bio-energetic modulators and compiled reports giving our expert opinion on these devises. In 2008 the Energy 7 institute came up with its own invention of a modulator, called Source field-Harmoniser, (Source field stands for Scalar wave and subtle energies) which has been available to the general public. We don’t say it’s THE best solution, but we

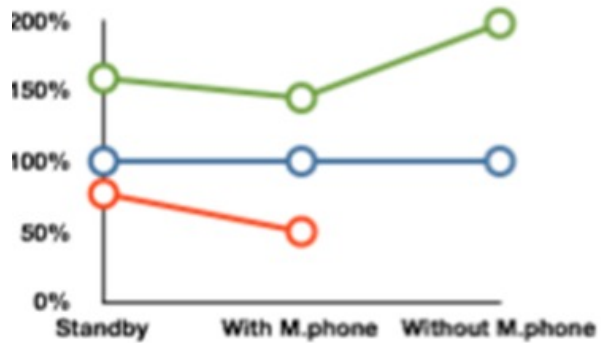

claim it is one of the best and CERTAINLY the one with the best cost/effect ratio.

Book from Prof. Dr. K. Meyl, covering aspects of free energy and mathematical descriptions. Scalarwave techniques being used in production of Source field-Harmonizers are different.

<b>With Source field-</b>	<b>159</b>	<b>145</b>	<b>198</b>

Testing results Source field-Harmonizer

## The Results

Our results are the outcome from many test sessions in cooperation with several medical practitioners using different testing methods and equipment. They are statistically significant. Details supplied on request.

The average of all measurements taken from every test subject with no stress factor (e.g. mobile phone) was put at 100%. (blue line)

Standby, meaning having the mobile phone in the pocket without being engaged on a call, reduces this to 77%, active calls reduce further to 50% (both red line).

Applying the Source field-Harmoniser ALWAYS IMPROVES the level of bio-energy: in standby mode by up to 159% while during a mobile phone call up to 145%. is still achieved. The ideal is not to carry a mobile phone, but rather carry an Source field-Harmoniser in a pocket, thereby increasing bio-energy levels on average by up to 198% providing an energy surplus that the body can utilise to counteract the multiple stresses of modern living.

**NOTE:** Source field-Harmoniser do not affect the functioning of electrical equipment, therefore physical counter measures may still be necessary.

Three types of practical source field-Harmoniser are offered:—

1. For mobile phones; small rectangular, 25 x 35 mm diameter and less than 1 mm thick. Simply put it into the battery recess or under covering of Your mobile phone.

2. For home protection; rectangular Source field-Harmoniser should be stuck onto base stations of wireless telephone, computer or to the main source switchboard to cover all minor electric equipment and lights.

**Note:** solar panels and microwave ovens need an extra one.

3. For personal protection. Egg-shaped Source field-Harmoniser can be used during travel whether by car, plane, electric railroad or in hotels, supermarkets or hospitals!. Or simply under pillow case during sleep

## Our Secret, Partially Revealed

We use the phase border technology as described in the book “*Die feinstoffliche Erweiterung unseres Weltbildes*” from Dr. Klaus Volkamer, Weissensee Verlag. All production is carefully done by hand.

Simple, after 15 years of research and practical experience this now becomes an easy procedure. It is natural and for this reason we give thanks to God, who in these times has revealed this to us simple procedure, when the survival of the whole human race seems to be at stake. It is our fervent hope that at least the suffering people

may derive some benefit from our products. We hold this as a glimpse of new technologies which will soon be in use worldwide.

More and more people are contacting us who have been using our devices to report improved concentration and vitality, reduced fatigue, better sleep, resulting in being more calm and contented mood, increased physical fitness, reduced indispositions of all kinds, plus better metabolism. Physicians and medical personnel will of course say, this can only of course be as a result of the placebo effect. However we on our side claim no medical benefits.

### Protection Strategies

In addition to the previously mentioned protection strategies such as switching off at source, screening, increasing distance from the source, one may need some professional help in determining the not so obvious points of danger. Alternatively one can obtain a relatively cheap detector.

Immediate health benefits may often be obtained by removing all wireless equipment such as telephones, clock radio, television, electric blankets, microwave ovens and computers to name a few. Preference should be given to cable connected phones.

Avoid having mobile phones on the hip as fertility can be impaired. Ideally, such should be shielded, property from electrical radiation which can be expensive. Aim to keep healthy, as people with impaired health are more susceptible. It is dangerous to fall asleep while watching TV, as the subconscious mind is particularly vulnerable to MC. Do not use TV, radio etc for background listening as again the mind is more susceptible to MC.

### Scalar Wave Detector

In large conurbations electrical radiation from neighbouring buildings can be a problem, but the first priority must always be physical reduction then **ADDITIONALLY** scalar wave neutralisation.

So to protect ourselves, we must understand how quantum and scalar physics is being used against us because to know how we are being attacked is as important as to know by whom.

We trust this article will enable you to protect yourself from the MC programs of the elites.

Progress comes from single creative inventors and members of society. Many have lived in Germany and German speaking countries, others in Russia and United States.

It is curious that the Clan Campbell lairds, the Dukes of Argyle, should choose Kilmun as their burial places, first beneath the floor of the church, then in an adjacent burial aisle and finally in a grandiose mausoleum.

The parish church thus became a centre of religious and political power. Remodelled in stages throughout the centuries and rebuilt in the 19<sup>th</sup> century, the church and mausoleum contain silent reminders of a thirteen-hundred-year history.

## The End OS22805

Fintan Munnu of Taghmon was a relative of the Irish royal family descended from Niall of the Nine Hostages. As a young man, he was educated at the abbey of Bangor and at Kilmore before moving to Scotland to become a monk at Iona, which St. Columba had founded in 563. Both Munn and Columba, with other "wandering saints" from Ireland, created a Gaelic culture focused on Christianity.

St. Munn arrived at Iona only to be rejected by its abbot, and moved to Kilmun, where the monastic community he founded is named for him (Kil or Cill, is the Gaelic for church). He returned to Ireland where he founded a monastery at Wexford. The saint was involved in the doctrinal controversies of his day, and seems to have been disillusioned by Ireland's
