Calling The True Israel Peoples

Editorial

Dear Reader,

Gun Control

NOW well into the New Year, more and more we are seeing signs that the enemy knows his time is short and running out fast. Because of this he is making numerous mistakes which are alerting the sheeple, who are now starting to wake up even in the UK and USA., albeit in small numbers at the moment, but it is a start,

A good example of this is the botched psycho-op of the Sandy Hook school shooting in the USA, staged in a desperate race to disarm the citizens of that country, in order to bring in a pogrom similar to that which took place in Russia under the Bolsheviks when many millions of white Christians were slaughtered.

We pray that our brethren in the USA won't make the sane mistake that most of the other Western Nations made since the beginning of the last century in voluntarily handing in their arms to our enemy, the state.

It is unfortunate, that over recent years, our American brethren, when buying guns, are entering unwittingly into a contract with the Federal Government, by signing for a "firearm" so becoming an employee of the Fed. as they define a firearm as that which is issued to its employees, whereas the American Constitution defines the right of the American people to bear arms, not firearms, so the Feds would be in their right to confiscate the guns as they did in

Louisiana after hurricane Katrina. When one registers something, it becomes the property of the person with whom it is registered!

Notwithstanding this, we at the New Ensign, would assure our American brethren that our prayers and support are with them in their fight to maintain the right to bear arms, which we here in the UK foolishly gave away.

It behoves us all, especially those other western nations who have given up their arms, to take note of Yahshua's words to his sheep in respect of the last days: when talking about the destruction of Jerusalem and the last days:—

Luke 22:36: Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no sword, let him sell his garment, and buy one.

The Social Gospel – Or The Gospel Of The Kingdom? (Part 2)

By Arnold Kennedy

HUMANITARIAN ACTIVITY

TODAY we have all sorts of social organisations, some professing Christian, some not.

Humanitarian activity is not disparaged, but again Scripture has a sequence and specific application. We have seen above a number of things that totalled ‘nil’ that Jesus, the disciples and apostles did not do. In other words, nothing done out of order will bring any one of God’s people [or anyone else if that were possible] to a knowledge of redemption. Sentimentality is “good works”. We cannot know the power of God by “good works”. The initial thing in God’s method is always the proclamation of the Kingdom of Heaven over Israel, followed by meeting sickness and spiritual needs by Kingdom authority. Humanitarian organisations are not geared to this order, and thus might be said to be ‘out of order’. For instance, World Vision and World Government work hand in hand in a common purpose, even if World Government is anti-evangelical-Christianity. Does that not tell us anything? Scripture points out something else in Mark 14:11 where the giving of money was made by the Edomite Judean leadership as a bribe to Judas to betray Jesus. Jesus did not give money and the disciples were to go out taking no money with them. Social organisations and some Church organisations could also be betraying and denying Jesus where they are doing this. In effect, they are “denying the power of God” and must be turned from and avoided (apotrepto)-[2 Tim.3:5].

THE ‘POOR’ IN SCRIPTURE

[The Greek word indicates that the ‘poorness’ of the poor is publicly visible]. In the Word of God we find things about ‘the poor’ such as that we should remember the poor. James makes an issue of this. So, we might as well start with the Book of James. At the beginning of this book we find

that it is written to a specific group, namely The Twelve Tribes. “The poor” here [as widows are] are thus within this specific group. So we cannot bend this. When Jesus spoke those words, blessed are the poor in spirit, in the Sermon on the Mount He was addressing his Israelite disciples. He went on to say,

Matt. 5:3 “for theirs is the kingdom of heaven’.

This mention of the Kingdom started really early in the piece, with Jesus and John the Baptist.

Mark 1:15 *Jesus came into Galilee preaching the gospel of the kingdom of God, and saying, the time is at hand, repent ye, and believe the gospel.*

Matt. 3:1-2 *In those days came John the Baptist, preaching in Judea, repent ye for the kingdom of heaven is at hand.*

‘The gospel’ is described as “The gospel of the Kingdom of God”. This is not what we hear today; we seldom hear in public or in private any gospel of any kind, right or wrong. When we do what we hear is “another Gospel”, and Paul said that to preach ‘another gospel’ is to be anathema and accursed!

Next Jesus is recorded as saying, “The poor have the gospel preached [proclaimed] to them - Matt.11:5. He does not say have hand-outs so that we can win them or be a witness to people. In Matt. 26:11 Jesus pointed out, “For ye have the poor always with you”. Jesus again was speaking to his Israelite disciples about the poor that were among them.

When Jesus quoted Isaiah in Luke 4:8 He said, “because he hath anointed me to preach the gospel to the poor”. If we wanted to change this order to “feed the hungry of all the earth” and all the rest of the social gospel we would be teaching and doing something other than what Jesus said.

But there is a time to call the poor to a feast; it is an instruction in fact. This is amongst God’s people. This parable tells about a wedding that the poor and the lame and the blind should be

invited to. This wedding is connected to the resurrection of the just -[Luke 14:14 + 21], and this connects with the Kingdom of Heaven over Israel.

After Zacchaeus repented he said, “Half my goods I give to the poor” and so on. He had robbed Israelites in taxation and was reimbursing Israelites. Jesus

said to Zacchaeus

Luke 19:9 “This day is salvation come to this house, forasmuch as he also is a son of Abraham. For the Son of man is come to seek and save that which was lost.” Zacchaeus had agreed to keep the statutes and precepts part of the Law of God, showing repentance. This is the only time Jesus used the word “salvation”. Christians use the words “saved” and “salvation” frequently and usually wrongly. This is a matter of social conformity and pre-conditioning. Zacchaeus had been “lost” or apollumi which is about Israelites who were “set aside for judgement” for having broken the Law Covenant. “The lost” thus cannot refer to other than Israelites. The Good Shepherd went looking for the lost sheep [Israel always] and not goats or anyone else. ‘Sheep’ represents Israelites in the Bible.

COLLECTIONS FOR THE POOR

When the Apostle Paul took a collection from Macedonia it was for the “poor saints” at Jerusalem. It was not for the poor other-than-saints-[Rom. 15:26].

In 1 Cor. 13:3, we read, ‘Though I bestow all my goods to the poor...it profits me nothing’. Without the attributes that follow, giving to the poor is totally wasted. It is safe to say that many social and humanitarian agencies are wasted effort as far as reaching “the lost” are concerned.

When Paul wrote, “Only that they should remember the poor”, it was addressed to the ethnos of the House of Israel where ethnos is unfortunately translated as “heathen” here. [The un-translated Latin word “Gentiles” is used of Israel also].

ABOUT “SHALL ALL MEN SEE THAT YE ARE MY DISCIPLES”

Now we can look at this from another angle.

John 13:35 *A new commandment I give unto you, that ye should love one another. By this shall all [men know] that ye are my disciples, if ye have love one to another.*

Jesus is speaking to a particular group. From a language usage point of view we can confirm that this is confined to Israelites. The important point here is that if the love is shared outside of the group to every other group, then no one anywhere would be able to see what God’s people had amongst themselves. It was clear in the early church, “No man durst join them”. It was not as today where people usually cannot visibly see any difference in those who profess to believe and those who do not. When we find Jesus saying this was a new commandment, the statement is a direct quote from the Law. Jesus was strengthening the Law to the same level that He was to demonstrate when he laid down His life for His people. It was a new commandment in this sense.

GIVING

Next we can look at giving:

Matt. 5:22 *Give to him that asketh of you.*

Here again it is to His disciples [one Jew, eleven Galileans] who were among those who, from the context, we can determine were those who knew the Law, i.e. they were Israelites. We are told in Matt. 7:6 to not “give that which is holy unto the dogs, nor pearls before swine”. So giving is to a specific people. We are **NOT** to give to certain people.

Matt. 10:7-10 *As ye go preach saying, the kingdom of heaven is at hand, heal the sick, cleanse the lepers, raise the dead, cast out devils; freely as ye have received freely give. Provide neither gold nor silver, nor brass in your purses.*

This was quoted earlier but not in the context of giving. As always, the first thing and action is to proclaim the certain thing, “The Kingdom of Heaven is at hand”. The signs follow the proclamation of God given authority. What is

freely given is again not material things because they were to go out without money or anything else! Not much raising money for charity here and we can see that raising money is the natural approach, but this is sacrifice, not obedience.

Matt. 10:42 *And whosoever shall give one of these little ones a drink of cold water only in the name of a disciple....*

Here is a change from *didomi* to a different word *potizo* for 'give' which is never used apart from drinking water, milk and the Spirit.

No we come to a differing situation where 'gave' is *potizo*.

Matthew 25:37 *Then shall the righteous answer him saying, Lord, when saw we thee and hungered and fed thee, and thirsty and gave thee drink. When saw we thee a stranger and took thee in, naked and clothed thee. Or when saw we thee sick or in prison and came unto thee? And the King shall answer and say unto them, Verily I say unto them, verily I say unto you. Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me.*

Note the "my Brethren" that Jesus 'was made like unto'. The context here is national, not individual, as it concerns separating the goats from the sheep. These two run together in the 'field' but are separated at this judgement time. Few churches will accept this because it is racial. [Esau's descendants or Edom are the goats. The Encyclopaedia Judaica says, "Modern Jewry is Edom"]. Edom is good at raising money, advocating that 'money fixes everything' and promoting borrowing money, even in the church. Edom is the eternal enemy of Israel and we are told in the Bible that Israel would have war with Amalek [descendent of Esau] for all generations. This war is still going on! Edom cohabits with Israel, and are from the same parents. This mixture is with the churches. No one can discern the difference until they acknowledge this mixture exists. Other foreigners are often obvious.

Luke 6:30 *Give to every man that asketh of you, and of him that taketh away thy goods ask them not again.*

Here "give" is again *didomi* but 'every man' is in the limited form "pas" which limits the group

concerned to the context. It is not *holos*. One party here are the disciples and the other group are Israelites 'sinners' who are not yet disciples. Sin is the transgression of the Law that was only given to Israel as a Covenant. "Give and it shall be given unto you" of Luke 6:38 is the same in application as is Luke 9:13, "Give ye them to eat". Luke 10:17 the word 'give' is mutual to the one group because the disciples were told, "Go NOT but to the lost sheep of the House of Israel". Likewise Luke 11 is about giving good gifts to YOUR children and the Father giving the Holy Spirit of these that ask Him. "Them" is those of YOUR [Israel's] children. The same applies in Luke 12 about giving alms. In all these examples, this giving is confined to Israel.

Luke 20:22 *Is it lawful to give tribute to Caesar or no?*

This has no connection with giving to the poor unless it is concerned with the things of God.

John 4:7 *Then cometh a woman of Samaria to draw water Jesus saith unto her, Give me to drink.*

It is not *potizo* here as is usually used in connection with drinking. 'Give' is *didomi* right through this section and is about giving to and from God, not of man to and from man.

Acts 5:31 *Him hath God exalted to be a Prince and a Saviour to give repentance UNTO ISRAEL, and forgiveness of sins.*

This again is about God giving, but this verse once again concerns limiting repentance and forgiveness of sins, through Jesus, to Israel. "All men" refers to "all men of Israel" in all cases unless the context determines otherwise.

Acts 20:35 *And to remember the words of the Lord Jesus, how he said; it is more blessed to give than to receive.*

Here Paul was talking with elders of a church about the Word of God that was able to build them up and give them an inheritance, patrimony or heirship, that is that which was promised to Abraham, Isaac and Jacob. This is the "holy nation" Peter encourages to make their calling and election sure.

Rom. 12:20 Therefore if thine enemy hunger, feed him; if the thirst give him to drink, for in doing so thou shalt heap coals of fire upon his head.

The emphasis here is upon "your" enemies within Israel. This is the usual usage of the word "echthros". "All men" here is again in the limiting form.

2 Cor. 9:7 Every man according as he purposeth in his heart, so let him give.

This is addressed to brethren or adelphos which means from the same womb. That is, the kin of Israel. "Every man" here is hekastos which is used in the sense of "All went to be taxed, every man to his own city".

Eph 4:28 Let him that stole steal no more; but rather let him labour working with his hands the thing which is good, that he may have to give to him that asketh.

'Give' here is sharing and concerns "the church" which is those who are "huios thesia" or being placed as huios [or sons] out of the teknon [or children] of Israel. Again this is limiting those who are shared with.

The Exclusive Covenants Of Covenant (Part 4) Documenting The Bible's Commandment of Racial Segregation By Pastor Eli James

**Here is how
Bertrand
Comparet
assessed the
situation:**

AMONG the many mistaken and unScriptural notions commonly taught in nearly all churches is the idea that the "flood", mentioned in the Bible, covered all the earth and drowned everybody on earth excepting only Noah and his family who escaped death by being in the Ark. Some churches have firmly insisted that the Bible says this, when there is ample proof that the "flood" was not world wide. With this teaching the churches have destroyed the faith of multitudes of people in the Bible. They have made atheists or agnostics out of hundreds of thousands of people who might have become Christians if they had only been taught the truth about the Bible.

Part of this mistaken idea about the "flood" is due to the many mistranslations found in the commonly used King James version of the Bible.

Also, part of it appears plainly to be false if you merely carefully read even the King James version. Let's have a look at it.

In Genesis chapter 6, we read that God found the people so corrupt that He regretted that He had ever created them, so He decided to wipe them out by a flood. He warned righteous Noah of the coming flood and told Noah to build a great boat, or ark, in which he and his family might find safety and where they might preserve a few of each kind of the animals from that area. In Chapter 7, it tells how Noah received the final warning that the time was now at hand and he should move into the ark. Then it says, according to the King James version, "And it came to pass after seven days, that the waters of the flood were upon the earth.

Now, first let us see what the translators have done to what Moses originally wrote. You remember that the King James version says that the rain was upon "the earth" and the waters increased greatly upon "the earth": and that "all flesh died that moved upon the earth"? Remember that in Genesis 4:14, when God has driven Cain away in punishment for his murder of Abel, the King James version quotes Cain as saying, "Behold, Thou hast driven me out this

day from the face of the earth." So what did Cain do, climb into his rocket ship and take off for outer space? Of course not!! He was not driven from the face of "the earth", and he never said so, only the translators said so.

The word Cain used was "ad-aw-maw" meaning "the ground": God had told him that his farming would no longer be successful, so Cain said "Thou hast driven me off of the ground." (You have probably noticed that Cain's descendants today are not farmers. They run pawnshops and other money lending institutions.)

When we come to Genesis 7, where it is talking about the "flood", wherever it says that the flood covered "the earth", the Hebrew word used in the original writing by Moses was "eh-rets", meaning "the land". The flood did cover the particular land where it occurred. That is, it was a local flood which covered one particular region or land, not the whole earth.

Again, notice that it specifies that "15 cubits upward did the waters prevail; and the mountains were covered." In ancient times two different lengths of the cubit were in use, the sacred cubit of 25 inches and the common cubit of 20-5/8 inches. Therefore, the waters rose above the tops of the mountains it is speaking of by either 25 feet 9 inches or 31 feet 3 inches according to which cubit you use. If this meant that all the mountains on earth were covered, the waters would have to cover Mount Everest, which is nearly six miles high, therefore, all the earth would be covered by water six miles deep. In that case, where could it have run off to when the flood subsided? No, I don't mean that the Bible was that badly mistaken, only the translators made this mistake. The translators took the Hebrew word "eh-rets" which means "that land" and mistranslated it to mean the whole world. Therefore, the Bible is correct in

stating that the Flood covered only "eh-rets", "that land". The translators are wrong when they change the meaning of what Moses really wrote in Genesis 7, and say that the flood covered all "the earth". – Bertrand Comparet, "Noah's Flood Was Not Worldwide."

Gen. 7:20: Fifteen cubits, and the mountains were covered. (Heb. Har, meaning a mountain or a range of hills.) The idea that all races suddenly sprang from Noah's three sons is both biblically and scientifically false. Those denominations who teach this are actually teaching a form of rapid evolution, for which there is no evidence in Scripture.

Gen. 7:14 specifies that Noah should only accept pure-blooded species into his ark. Why would Yahweh make such a specification if He wanted the descendants to be variegated offspring? That would make no sense at all! But myth and dogma do not need to make sense. Make-believe, passed off as theology, must be believed, however, despite the lack of evidence.

BERITH (COVENANT)

Definition of the term '*covenant*'. Strong's Hebrew #1285, Berith (in the sense of cutting, cut a covenant, cut a deal) – a compact confederacy, covenant, league. Strong's Greek #1242, *diatheke*, a disposition, contract, covenant, testament.

Dictionary Definition:

1. A binding and solemn agreement by two or more persons, parties, etc., to do or keep from doing some specified thing; a contract; compact.
2. In theology, the promises of God to man, usually carrying with them to be fulfilled by man, as recorded in the Bible.

http://www.biblicalstudies.org.uk/article_covenant_lucas.html

An example of distortion:

<http://www.gbcdatur.org/sermons/SmokyMountain.html>

Gen. 17:4: As for me, behold, **My Covenant** is with thee, and thou shalt be a father of many **nations.**" It does not say ALL nations. Those

“many” are, specifically, the Caucasian people and the specific nations we have founded.

Now, let’s take a look at the verses immediately following verse 4:

“Neither shall thy name any more be called Abram, but thy name shall be Abraham: for a father of many nations have I made thee. And I will make thee exceedingly fruitful, and I will make nations of thee, and kings shall come out of thee. And I will establish my covenant between me and thee and **Thy Seed After Thee In Their Generations** [which means only those direct descendants who are to come from the lineage **after Him**] for an everlasting Covenant.” These verses guarantee that the Covenants made with Abraham will apply to his **posterity**, his direct descendants and to **no one else—forever**. Make no mistake about it: The other races and even the other Adamic tribes were already in existence. Nevertheless, the Covenants made with Abraham concern only his posterity and no one else. That’s how exclusive this Covenant is! Let’s prove it.

Yahweh repeats this promise at verse 9: “And God said unto Abraham, Thou shalt keep my covenant, therefore, thou, and thy SEED after thee in their generations.” No other nation has ever kept these covenants and no other nation has ever been a party to these covenants.

Gen. 17:19-21.
Ishmael
blessed, but
only Isaac is
covenanted.

And Abraham said unto God, O that Ishmael might live before thee! And God said, Sarah thy wife shall bear thee a son indeed; and thou shalt call his name Isaac: and I will establish my covenant with him for an everlasting covenant, and with his seed after him. And as for Ishmael, I have heard thee: Behold, I have blessed him, and will make him fruitful, and will multiply him exceedingly; twelve princes shall he beget, and I will make him a great nation. But my covenant will I establish with Isaac, which Sarah shall bear unto thee at this set time in the next year.

Gen. 28: 10-15. Covenant renewed with Jacob and his descendants.

From these verses, it is absolutely clear that we are talking exclusively about Abraham and his **Direct Descendants**, who came after him in pure genealogical fashion. All others are excluded and cannot partake of this Covenant relationship with Yahweh. It is based purely on direct descent. It is a bloodline, period. Only the direct posterity of Abraham, Isaac and Jacob are parties to these Covenants. To be sure, **all other people are excluded from this Covenant relationship**.

Now, at Verse 13, we are informed that this Covenant is an exclusively racial covenant:

“He that is born **in Thy House**, and he that is bought with thy money, must needs be circumcised: and my covenant **shall be in your flesh** (racial DNA) for an everlasting Covenant.”

THE EXCLUSIVE COVENANTS WITH ISRAEL CONFIRMED BY ALL OF THE PROPHETS

“You only have I known of all the families of the earth: therefore will I punish you for all your iniquities.” - Amos 3:2. Peter confirms this language when he says, “Judgment must begin at the House of God,” (I Peter 4:17) which can only be the whole House of Israel. All of Scripture confirms this. It is only because of the poor translations, deceptive definitions, Jewish “tradition,” and Judeo-apostasy that anything different is taught today.

“Sing, O daughter of Zion; shout O Israel; be glad and rejoice with all the heart, O daughter of Jerusalem. Yahweh has taken away your judgments, He has cast out your enemy. The King of Israel, even Yahweh, is in the midst of you: you shall not see evil anymore.” – Zeph. 3:14-15. This is the Gospel (Good News) being proclaimed in the Old Testament for the Israelites of the New Testament, those who have had their past sins forgiven by Messiah at the cross.. This good news is exclusively for Israel, although it will positively affect the residents of the whole world, once Adamic Israel is restored to dominion.

Contrary to what the Jews and Judeos teach, the whole House of Israel will never be completely destroyed: “I am Yahweh. I change not.

Therefore, you sons of Jacob **are not consumed.**” – Mal. 3:6.

“And they shall be as though **I had not cast them off.**” - Zech. 10:6.

All of the OT prophets confirm the exclusive, unchangeable covenants with Adamic Israel. Anyone who says that these covenants were changed in the NT to include non-Israelites is a liar. This false doctrine is direct contradiction to all of Scripture. This false idea that True Israel has

been abandoned by God and replaced by the Church is the central tenet of the doctrine called “Dispensationalism.” Since dispensationalism contradicts every pronouncement of Covenant theology, they make Yahweh to be liar. Who do think is lying? Yahweh or the false priests?

ISRAEL IS YAHWEH’S SERVANT PEOPLE

We are Yahweh’s Servant People. Neither the Jews, nor any other people, have ever served Him. They have always served their own gods.

Isa. 4:21: “Remember these O Jacob and Israel; for thou art my servant: I have formed thee; thou art my servant: O Israel, **Thou shalt not be forgotten of Me.**”

Verse 22 is a prophecy of the coming of the Kinsman Redeemer of Israel: “I have blotted out, as a thick cloud, thy transgressions, and, as a cloud, thy sins: return unto me; for I have redeemed thee.” These words were spoken only to Israel, and no one else. Acts 7:31 confirms that this forgiveness only applies to Israel.

Isa. 42:1 tells us this: “Behold **MY SERVANT** (Israel), whom I uphold; **MINE ELECT**, in whom my soul delighteth; I have put my spirit upon him: he shall bring forth judgment to the nations.”

Isaiah does NOT say that Israel will become the nations. He tells us that we will bring judgment TO the nations.

PROMISE

The Promises were made exclusively to Abraham, Isaac and Jacob...and their descendants.

Gen. 16:6-12. Hagar’s son is Ishmael, the progenitor of today’s Arabs.

Paul confirms Ishmael’s exclusion in Gal. 4:22-31. We Anglo-Saxons are the children of the free woman, Sarah. The Ishmaelites (today’s Arabs) are the children of the bondwoman, Hagar.

Gen. 17:1-16, 19-21. “Perfect” is Tamiym, without blemish, without spot. This is the same word that is used of all sacrificial animals. This word cannot be equated with good, upright, or blameless. This is a reference to genetic purity.

Yahweh’s specific promise is given to Sarah (Gen. 17:15-16). She will be the mother of a bloodline. Her direct descendants will be kings and nations.

Again, Paul confirms the exclusivity of these promises. Gal. 3:13-19. This covenant cannot be disannulled. “Abraham’s seed will be a blessing to all nations.” Paul confirms the exact terms of Gen. 12:3 at Gal. 4:14. Nothing has been altered, nor can it be altered.

The whole of Chapter 3 is devoted to explaining that the forgiveness of Israel was not dependent upon the Law of Moses. It was promised independently of the Law, even BEFORE the Law, through Abraham. That’s why the Law cannot annul this promise.

“Now to **Abraham and his Seed** [posterity] were the promises made. He said not “and to posterities [such as those genealogies which have been decidedly excluded from the promises], as of many [posterities]; but as of ONE [posterity], to your seed [posterity], which is anointed. – Gal. 3:16.

The KJV translation of “which is Christ” is absurd, as the promises were NOT made to Jesus Christ. The verse begins by recounting the direct genealogy to which the promises were applied. These promises were made to all of Abraham’s direct descendants, through Isaac and Jacob’s descendants. The specific promise that the Messiah [Christ] would come to Israel is being

affirmed here. Christ did not come to redeem Himself, as this horrible translation implies. Nor were the promises made to Him. He is the Redeemer who was promised to Israel. Gal. 3:16 is speaking of the **Anointed people, Israel.**

“I come not but unto the exiled sheep of the House of Israel.” – Matt. 15:24.

He did not come to redeem himself. He was sinless. These nonsensical translations in the KJV have made absolute mincemeat of the True Gospel.

Also, Gal. 3:28-29 is horribly translated. It should read, “There is neither Judean nor Greek, there is neither bond nor free, there is neither male nor female: for you [ISRAEL] are all one in Christ Jesus. [This confirms that the anointed people, Israel – all twelve tribes, including those of the Dispersion, male or female, free or bond, Judahite or Hellenized Israelites – were redeemed at the Cross.] And if you be anointed, then are you Abraham’s seed [direct posterity] and heirs according to the **Promise.**”

Paul is confirming that only the anointed people, those to whom the promises were made, are the recipients of the promise that was delivered. Sarah specifically disinherited Ishmael at Gen. 21:10. Esau disinherited his own descendants by selling his birthright,

and Paul has no authority to change the terms of the covenants and promises. Nor does he claim to have such authority. He specifically states that no one has the authority to **give our inheritance to anyone else**; but the KJV and the Dispensationalists claim otherwise! This is **grand theft**, by mistranslation! But these promises can be fulfilled only by ensuring that they are delivered to their intended recipients. The KJV has butchered these verses so badly that they make no sense whatsoever. However, the universalists just love to preach nonsensical sermons about how **all people** – even the Ishmaelites and Edomites who were specifically excluded - can become “Abraham’s seed” by “having faith.” Can you believe this? Believe it, because they have pulled off this tremendous

scam by mistranslating a few words! Paul said no such thing.

Galatians 4:1-7 carries the radical word stretching further by falsely translating the Greek *huiiothesia* as **adoption** in verse 5. Strong’s tells us that this word means the “**placing**, as a son.” The word, **adoption** is added as an example, but it is a bad example, because only sons and daughters can be put into the place of **inheritance.**

Now, a son or daughter can be placed into the position of inheritance when they come of age. But, only those directly named in the **Last Will And Testament** count as heirs. This is how the promises to Abraham, Isaac and Jacob have been fulfilled **to the letter.** Paul is saying that the heirs have “grown up” and now qualify for the inheritance. No other human beings can possibly qualify as heirs. In this verse, Paul first makes it clear that Christ came to redeem them that were under the law [of sacrifices], which had been delivered to and practiced exclusively by Israelites and no other people!!!! So, how can the people of other nations be adopted? These two concepts are in direct contradiction to each other.

Verse 6 confirms that he is talking about true sons, not those adopted from other nations.

Verse 7: “Wherefore you [the direct descendants of Abraham, Isaac and Jacob] are no longer a servant, but a son; and if a son, then an heir of God through Christ.” Remember that only Israel was considered by Yahweh to be His Servant People. We are to serve Him by bringing the world order back under His Law. As the City on the Hill, we are to set the example for other nations to follow. If we mix with them, we become like them. If we become like them, then there is no city on the hill.

As Paul stated twice already (Gal. 3:15, 17), these covenants **cannot be annulled**, but the translation committee of King James have done their utmost to rewrite history, deny that these covenants mean what they say, and declare that the promises have been annulled, by **changing the terms of the Promises and Covenants** and adding the rest of creation to the redemption. This doctrine is in total violation of the terms of the covenants, promises, and inheritance. But

false priests have no problems with contradictions.

Arnold Kennedy has done the best analysis of the KJV's poor translation of the book of Galatians. His article, "The book of Galatians and an Israel Exclusive" is must reading. First, a quotation regarding Gal 3:26 and 3:29:

In these two critical verses we have something else [not Jesus Christ] which is anointed! What can it be? What is the subject? Is it not the seed of Abraham, in their generations, according to the original promise? Hence, Gal. 3:16 reads 'and to **thy seed** which is anointed' and Gal. 3:29 reads 'and if ye be an anointed (people) then ye are Abraham's seed. The churches try to spiritualise the matter of Abraham's seed.'

How would you like it if someone mistranslated your epistles and then interpreted them in such a way as to deprive you of your inheritance? Would that not make you slightly upset with the translators? Then, because of this type of subterfuge, many in Christian Israel accuse Paul of being the guilty one, not realizing that the KJV translators were doing the devil's work in contradicting the clear, unambiguous, exclusive Covenants between Yahweh and Israel. How would you like to be accused of this false charge? This is what the Paul distorters have done to his epistles. The lousy KJV translation is responsible for this massive confusion. Paul cannot be blamed for the imperialistic agenda of King James.

The Two Seeds Of Genesis 3:15 (6)

By Charles Lee Mange

NOW, it is vital that you remember that this Ashkenazim branch of satanic seed (the Jews) that moved north and west out of Palestine after 70 A.D. made their way gradually into the

vast area between the Caucasus and the Volga River and this is the general geographic area out of which the Khazar Empire was spawned. Remember it was from the Khazaria Empire which stretched from the Caspian to the Black sea with it's capitol at Ityl, that the branch of the Ashkenazim Jews were to come, and they were composed of that satanic seed of Canaanite/Edomite/Amalekite seedline together with other Mongol, Turkic racial affinities. The Khazar Kingdom lasted from about 600 A.D. until 1016 A.D. when it was conquered by the Slavs. From this time forth the Khazar peoples who had embraced Judaism, the Talmud, and all the trappings of the satanic seed, because they were indeed of this Canaanite/Edomite line of Mongol/Turko blood affinities, began to move into Poland and other areas of southern and eastern Europe. It was this branch of the serpent seed of the Jewish people that began to migrate en masse, to America in the late 1800's and early 20th century. For a detailed accounting of the

Khazar Kingdom read "The Thirteenth Tribe: The Khazar Empire and Its Heritage" by Arthur Koestler (Random House) and the Iron Curtain Over America by John Beaty. Chestnut Mountain Books, Barboursville, Virginia. You must read both of these books to complete the detailed history of the Khazar Kingdom as the Jewish seed of the serpent moved forth from this kingdom to engulf Poland and other European states and moved throughout Europe and on to America. Also remember that #7014 in Strong's Concordance tells us that the Canaanite's were an Oriental Tribe and so were the Khazars.

In truth, the serpent seed of the Jews of today are a mixture of many peoples. First the Canaanite, then the Edomite, Amalekites, Mongols, Huns and Turks. They have indeed become the most vile satanic seed ever to exist upon this earth. You merely have to familiarize yourself with their Talmud and other Cabalistic writing and their wrecking of Christian Culture for the past six thousand years to really understand what the Jews have done to us. This perfidious race of parasites, this vampire race of satanic seed, has caused rivers of White Christian Blood to flow throughout Europe and all over the World. This satanic seed line of merchants, bankers, media-masters, and mafia criminals, have initiated every major war in this century and have kept the White Christian Nations of the Seed of the Woman in constant war with each other...while this satanic seed of the serpent sit in their

counting houses counting the billions made from World War I, World War II, and now contemplate World War III. This my dead White Christian people is the reason why every Christian man and woman of the Seed of the Woman must know and understand this Satanic seed line, and what they have done and are continuing to do upon this earth.

The satanic seed of the serpent of Genesis 3:15, now identified as International Jewry is the most highly organized race of people on the face of the earth. The Jews have organized everything into some type of organization and they control most or nearly all of the organizations in existence. The Jews control the Blacks through the N.A.A.C.P., they control our foreign policy through the C.F.R. They Control the Protestant Christianity through the National and World Council of Churches and through the National Conference of Christians and Jews. They control the Catholic Church by infiltrating into policy making position of power. They control large segments of America through the Masonic lodge. They control both the Republican and Democratic parties. In short, the Jews control nearly every major organization in existence and thus direct destiny of the blacks, both left and right wing social, political, and religious organizations as well as all the national media industry.

B'nai B'rith Canada [Ed. Confirms the scriptures that Satan would go about his enemies (true Israel) like a roaring lion]

The Jews have a highly developed network of organizations through which they exercise total control over all Jews, the world over. Some of the more well known Jewish organizations would be B'nai B'rith, the American Jewish Congress and the Anti-Defamation League, which operates as a secret Jewish Police Squad throughout America. Another Jewish organization which few people know about is the Jewish Kehilla. This super-secret organization is controlled by a international course of the Kehilla. These 300 Jews in reality chart the financial, political, social, and religious

program of most of the nations of the world and they do it with 1) unlimited money, 2) the control of all propaganda and 3) Highly complex organizations.

The Jewish Kehilla is the international Jewish Network that governs the political destiny of most of the world. At the top of this satanic organization sits one man, known as the King of the Jews, who is the world wide leader of World Jewry. The world is divided into Eastern and Western Hemispheres under the Kehilla organization with one man sitting under the King of the Jews for both the eastern and western hemisphere is called a Sponsor. There are only two of these satanic leaders, one for each Hemisphere. Under each of these two Sponsors sit seven Jews called Arch-Censors. This first eschelon is called the 7th degree of the Kehilla. Each of these know their leader and each other. Each of these seven have another seven under them comprising a total of 49 satanic Jews. These are all called Minister and make up the 6th degree of the Kehilla. Each of these 49 satanic seed line of Satan have seven men under him called Herald making the 5th degree. Each of these 343 Jews have seven Jews under him called Courtiers making 2,401 in the 4th degree. The principle of seven is carried all the way to the 1st degree. The 3rd degree eschelon is called a Scrivener, the second degree is called an Auditor and the first degree is the seventh eschelon is called a Mute.

The Kehilla is so super-secret that beyond the initial prince of the east or west, the sponsor who knows the seven Jews under him, none of the rest of the Kehilla members know who the others are. With this super secret, highly organized network of Jews. This powerful Kehilla can communicate world wide policies with a very minimum of effort. Each of these Eastern and Western divisions of the Kehilla command about one million Jews. Each man merely calls the seven men below him and in a matter of minutes the entire world wide Jewish Kehilla is moving forth to do whatever is needed at any given time to enhance the serpent seed on this earth—strikes, revolution, student riots, welfare riots, or just about any given act that will increase their concentration of money control, propaganda control, and the political and social domination of the Seed of the Woman, Which Christian Israel Nations of this earth.

The Basic Policies of the Kehilla are outlined in the format for the Jewish Domination of this world and are called The Protocols of the Learned Elders of Zion. This document sets forth the basic policy of the Kehilla and anyone can readily see how history has moved forth during this century to fulfil the policies of these Jewish Protocols. You will note that Protocol Number III is introduced with reference to the Jewish symbolic snake representing political Zionism and it's Judaism counterpart. The head of this Satanic snake was to represent those who were initiated into the very head or top positions of World Jewry with the body of the snake not aware of the vile direction that world Jewry was moving. It is very interesting to note that the Jews themselves selected the serpent as their symbol. Good Bible Students will not be taken by surprise because they know as do the Jews themselves, that the Jew is the seed of the serpent and they trace their beginning back to a Bible character named Cain. Dr. Abba Hillel Silver, a well known Jew, when writing in the Jewish publication, Liberal Judaism, January, 1949, about the newly created state of Israeli declared: "For the curse of Cain, the curse of being an outcast and a wanderer over the face of the earth has been removed..."

Is it any wonder that the Jews have plundered and wrecked White Christian Civilization for the past six thousand years, when most Christian people do not even understand who their enemy is or where he came from. Genesis 3:15 is intended to arm the Christian with

this knowledge. There is no excuse for the truth Christian who has "eyes" to see and "ears" to hear...to not know his enemy and understand where he came from. The Jew is that satanic seed of the serpent and the bloody trail that he has left in history as he wages a relentless war against the seed of the woman has been stamped and written in blood in every generation for the past six thousand years of history.

The Protocols of the Learned Elders of Zion together with the Talmud, and other Jewish cabalistic writings, form the foundation for both Zionism and Judaism. The Talmud is one of the most vile, anti-Christian, satanic books ever written. It consists of 63 volumes of filth and gutter talk and is directed against Jesus Christ and the Christian Faith. The Talmud and not the Old Testament, forms the foundations for political Zionism and Judaism. Zionism is the political expression of religious Judaism, and both are hatched out of the most vile, satanic, mind that ever walked this earth...Satan himself in the form of a shining angel of light.

Now, the historical and Biblical record of both the seed of the serpent and the seed of the woman would comprise a large volume of many hundreds of pages. This short expose' is only intended to be a primer for further research on your part. For this reason a Bibliography of books dealing with both the seed of the serpent and the seed of the woman is being provided in this study. You should very carefully read and study all of these books. If you do not own, or cannot afford to purchase these books, you should work with your group and make a concerted effort to engage other people in the study of this information and thus make it less expensive. You must arm yourself with knowledge. Knowledge is power and the Jew does not want White Christians, the Seed of the Woman, White Christian Israel, to be armed with this knowledge. You are therefore encouraged to Study to Show yourself approved before your God. Know who you are and know who your enemy is. Know God's plan for the seed of the Woman, and God's plan for the seed of the serpent. Your God is in control of both, but many millions of your race have perished...in that river of White Christian Blood which has flowed through six thousand years of history...because they lived in ignorance and believed the lies of the Jews. Don't you add to that river of White Christian Blood by believing the lie that the serpent did not begat seed through the woman Eve. Know the truth and the truth will set you free!

Now, for those who may feel that the two seed lines, that of the serpent, and that of the woman Eve, cannot be valid because it is a teaching that is preserved in the Mystery Religions of Babylon please take note. The Mystery Religions of Ancient Babylon have taken nearly every Bible

Truth, including that of the Seed Lines, and have corrupted this TRUTH to fit their own particular purposes. If you would reject the teaching that Satan produced offspring, if you deny the literal announcement of Your God in Genesis 3:15 simply because it is something that is found in the ancient religions of Babylon, then you must also reject such fundamental truths as the Virgin Birth, the Resurrection, the Godhead, Astronomy, the Holy Laws of God, and numerous other SOUND BIBLE TRUTHS, because all of these and more, have been borrowed and perverted, distorted and corrupted by the Ancient Religions of Babylon. The two seed lines, the teaching that the serpent did father seed, in varying forms, is like many other BIBLE TRUTHS, inculcated into these Pagan Religions. This does not lessen the truth of what the Bible says about the Seed Lines or any other Bible Truth that has been borrowed by the Pagan Religions. Don't be fooled into discarding from your BIBLE KNOWLEDGE, one of the most fundamental and essential truths of all time... that of the two seed lines, announced by God, confirmed by the Holy Bible, and substantiated by six thousand years of precious White Christian Blood that has been spilled by a race of Devils that descended from a Biblical character called Cain. Remember: Jesus Christ according to two eye witnesses, St. Matthew and St. John, identified the Jewish Pharisees of His day, as having descended from Cain by way of Satan.

Perhaps another point which might enhance your understanding of Genesis 3:15 is a more detailed Study of Satan, who was that old serpent called the devil in scripture. Please keep in mind that Satan, standing in the Garden as an angel of light, was the only other creature on earth who knew the difference between the knowledge of good and evil. Also keep in mind that this satanic angel of darkness was not classified in the realm of ordinary angels. As a part of the order of arch-Angels, Satan had powers and attributes that other angels did not have. He did not have the power of Creation but he did have the power of Pro-Creation. Please keep this in mind when reading your Bible, Genesis three, and in conjunction with this study please read the Book of Enoch (quoted by Jude in the New Testament) edited as I Enoch by R.H. Charles, D. Litt., D. D. and published by the Oxford Clarendon Press 1912. This is available from most Kingdom Book Stores. You will be surprised to find out

what Enoch has to say about many subjects, including the power of the Angels who left their first estate, and especially the Arch-Angels. Remember that Enoch was accepted as scripture by the early Church Fathers.

For those of you who might wonder what others have said about the seed of the serpent, Genesis 3:15, especially the early Church Fathers, the following quotation from IGNATIUS (Who wrote several Epistles and who lived A.D. 30-107) had the following words to say in various of his Epistles. The following quotations may all be found in The Ante-Nicene Fathers, Volume I, Wm. B. Erdmans Publishing Company, Grand Rapids, Michigan, containing the Writings of the Fathers down to A.D. 325.

“Flee, there fore, those evil offshoots (of Satan) which produce death-bearing fruit,... These men are not the planting of the Father, but are an accused brood. And says the Lord, ‘Let every plant which my heavenly Father has not planted be rooted up.’ For if they had been branches of the Father, they would not have been ‘enemies of the cross of glory.’ But now, by denying the cross, and being ashamed of the passion, they cover the transgression of the Jews, those fighters against God, those murderers of the Lord; for it were too little to style them merely murderers of the prophets.’ Keep yourselves, then, from those evil plants which Jesus Christ does not tend, but that wild beast, the destroyer of men, because they are not the planting of the father, the seed of the wicked one.” (Emphasis Ours).

Notes On The Book Of Jasher (Part 3)

William F. Dankenbring

Esau the Hunter Ambushes Nimrod!

AFTER the death of Abraham, when Esau was 16 years of age, he went into the wilds to hunt game, as was his custom. Jasher tells us:

"And Esau at that time, after the death of Abraham, frequently went into the field to hunt. And Nimrod king of Babel, the same was Amraphel, also frequently went with his mighty men to hunt in the field, and to walk about in the cool of the day. And Nimrod was observing Esau all the days, for a jealousy was formed in the heart of Nimrod against Esau all the days.

"And on a certain day Esau went into the field to hunt, and he found Nimrod walking in the wilderness with his two men. And all his mighty men and his people were with him in the wilderness, but they removed at a distance from him, and they went from him in different directions to hunt, and Esau concealed himself for Nimrod, and he lurked for him in the wilderness.---

"And Nimrod and two of his men that were with him came to the place where they were when Esau started suddenly from his lurking place, and drew his sword, and hastened, and ran to Nimrod and cut off his head.

"And Esau fought a desperate fight with the two men that were with Nimrod, and when they called out to him, Esau turned to them and smote them to death with his sword.---And when Esau saw the mighty men of Nimrod coming at a distance, he fled, and thereby escaped; and Esau took the valuable garments of Nimrod, which Nimrod's father had bequeathed to Nimrod, and with which Nimrod prevailed over the whole land, and he ran and concealed them in his house.

"And Esau took those garments and ran into the city on account of Nimrod's men, and he came into his father's house weary and exhausted from

fight, and he was ready to die through grief when he approached his brother Jacob and sat before him. And he said to his brother Jacob, Behold I shall die this day, and wherefore then do I want the birth right? And Jacob acted wisely with Esau in this matter, and Esau sold his birth right to Jacob, for it was so brought about by the Lord.----

"And when Nimrod the son of Cush died, his men lifted him up and brought him in consternation, and buried him in his city, and all the days that Nimrod lives were two hundred and fifteen years and he died"(Jasher 27:1-15).

Nimrod was slain by Esau when Esau was 16 years of age. At that time, we are here told, Nimrod himself was 215 years of age. Since Esau was 16 in the year 1880 B.C., when Nimrod was killed, and Nimrod was 215 in that same year, then we can calculate the actual birth year of Nimrod. Nimrod was born in the year 2095 B.C. Notice how beautifully all these figures correlate together!

Nimrod, born to Cush in his old age, would have been an old man at this time, when Esau, the young "sport," saw his chance and assassinated the old king! At this time Esau stole the garments God had made for Adam and Eve, which Nimrod had been given by his father Cush who himself had stolen them from Noah. Evidently, Esau saw these as his means and way to power and kingship in the earth. Yet not long later, famished and feeling on the verge of death, Esau sold his birth right to Jacob for a bowl of bean soup!

The book of Jasher continues:

"And the days that Nimrod reigned upon the people of the land were one hundred and eighty-five years; and Nimrod died by the sword of Esau in shame and contempt, and the seed of Abraham caused his death as he had seen in his dream.

"And at the death of Nimrod his kingdom became divided into many divisions, and all those parts that Nimrod reigned over were restored to the respective kings of the land, who

recovered them after the death of Nimrod, and all the people of the house of Nimrod were for a long time enslaved to all the other kings of the land"(Jasher 27:16-17).

After his untimely death, Nimrod's kingdom did not endure. It became all divided up into the hands of the original kings of the various lands which he had conquered.

After Nimrod -- Jacob and Esau

After this time, a number of deaths of prominent, righteous men are recorded in the book of Jasher. Two years later, "Shelach, the son of Arphaxad, died in that year, which is the eighteenth year of the lives of Jacob and Esau; and all the days that Shelach lived were four hundred and eighty three years and he died.

"At that time Isaac sent his younger son Jacob to the house of Shem and Eber, and he learned the instructions of the Lord, and Jacob remained in the house of Shem and Eber thirty two years, and Esau his brother did not go, for he was not willing to go, and he remained in his father's house in the land of Canaan"(Jasher 28:17-18).

The year Shelach died, then, was 1880 B.C. In that same year Jacob was sent to the house of Shem and Eber, to learn the ways of God, even as Abraham had been, and he remained there for 32 years -- from 1880 until 1848 B.C., when he returned to Isaac and Rebecca. Esau in the meantime, roamed widely in his hunting trips, and when he was 40 years of age he married a Canaanite woman living in the land of Seir (Jasher 28:22-23).

At this point, the book of Jasher gives us another vital benchmark. We read: "And it came to pass in those days, in the hundred and tenth year of the life of Isaac, that is, in the fiftieth year of the life of Jacob, in that year died SHEM the son of NOAH; Shem was 600 years old at his death. And when Shem died Jacob returned to his father in Hebron"(Jasher 29:24-25).

Shem died then in the year 1846 B.C. He was born 98 years before the Flood (he was 100 years old two years after the Flood -- see Gen.11:10), and died 500 years after the birth of Arphaxad (Gen.11:11). The Flood occurred in 2348 B.C. Since Shem was 600 when he died, and since he

was born 2446 B.C, his death would have been in 1846 B.C.

Since the book of Jasher shows that Jacob was 50 years old and Isaac was 110 at this point in time, when Shem died, these facts once again confirming that Jacob's birth was in 1896, (fifty years before), and the birth of Isaac was in 1956 B.C. (110 years before).

Jacob Versus Esau -- the Rivalry

After this, we come to the story of Isaac growing old and desiring venison from his son Esau, after which he promises to "bless him." Rebecca and Jacob pull a trick on Isaac, and Jacob disguises himself as Esau, and "steals" his birthright (which really wasn't Esau's any more anyway, since he had already sold it to Jacob.

Esau is so enraged at this act of trickery, that he vows to kill Jacob. We read, "And Jacob was very much afraid of his brother Esau, and he rose up and fled to the house of Eber the son of Shem, and he concealed himself there on account of his brother, and Jacob was sixty three years old when he went forth from the land of Canaan from Hebron, and Jacob was concealed in Eber's house fourteen years on account of his brother Esau, and he there continued to learn the ways of the Lord and his commandments"(Jasher 29:11).

Jacob therefore must have fled to Eber's abode 13 years after Shem's death in 1846. This would put his flight in 1833 B.C. Ishmael, the brother of Isaac, died the following year, "in the sixty fourth year of the life of Jacob"(Jasher 29:18). Jacob continued hiding at Eber's place for 14 years, or until 1819 B.C. Jacob became homesick, and returned to Hebron, only to learn that Esau had neither forgotten nor forgiven him for stealing his "blessing." Alarmed, Isaac and Rebecca counsel

Jacob to flee to Haran, to her family there, for refuge, and to find a mate for himself. "Jacob was seventy seven years old when he went out from the land of Canaan from Beersheba" (Jasher 29:30). This would have been the year 1819,

showing he did not dilly dally long in Canaan, when his life was at great risk!

Two years later, we read, "And in the second year of Jacob's dwelling in Haran, that is in the seventy ninth year of the life of Jacob, in that year died Eber the son of Shem, he was four hundred and sixty four years old at his death"(Jasher 30:16). This would have been 1817 B.C.

After Jacob dwelt 20 years with Laban, serving him, marrying his two daughters Leah and Rachel, Jacob noted that conditions were getting difficult for him and his growing family. Laban had changed his wages deceitfully ten times, and sought to impoverish Jacob, but God turned his conniving trickery into a blessing for Jacob, and supernaturally blessed his sheep. At the end of 20 years, God appeared to Jacob, and told him to go back to Canaan (Jasher 31:37, 32:3).

Of course, this meant he would encounter Esau once again. Esau indeed came out to seek vengeance on Jacob, but the book of Jasher informs us:

"And the Lord heard the prayer of Jacob on that day, and the Lord then delivered Jacob from the hands of his brother Esau. And the Lord sent three angels of the angels of heaven, and they went before Esau and came to him.

And these angels appeared to Esau and his people as two thousand men, riding upon horses furnished with all sorts of war instruments, and they appeared in the sight of Esau and all his men to be divided into four camps, with four chiefs to them. And one camp went on and they found Esau coming with four hundred men toward his brother Jacob, and this camp ran toward Esau and his people and terrified them, and Esau fell off the horse in alarm, and all his men separated from him in that place, for they were greatly afraid. And the whole of the camp shouted after them when they fled from Esau, and all the warlike men answered, saying, Surely we are the

servants of Jacob, who is the servant of God, and who then can stand against us? (Jasher 32:27-32).

Four times such camps of angels ran at Esau and his men, terrifying them and causing them great anguish and astonishment. No doubt many of them wet their breeches that day. After these awesome, frightening events, Esau's heart was temporarily changed, and instead of seeking to destroy his brother, he came to him in peace. He concealed his hatred in his heart, because of his fear (32:39-40). The return of Jacob to Canaan would have been 20 years after he left, or the year 1799-1800 B.C.

"And it was in those days, in that year, being the hundred and sixth year of the life of Jacob, in the tenth year of Jacob's coming from Padan-aram, that Leah the wife of Jacob died; she was fifty one years old when she died in Hebron"(Jasher 41:2).

This would have been the year 1790 B.C. Leah therefore was born 1841 B.C. The Story of Joseph In the following year, Joseph, the son of Jacob, being a younger son, was "seventeen years old"when he dreamed a dream that seemed to exalt him over his brothers, causing them great anger and animosity (Jasher 41:9). This may have been in 1789 B.C., following the death of Leah. Soon they had enough of his "sass," and counselled to get rid of him -- permanently. Joseph was sold as a slave and wound up as a slave of Potiphar in Egypt. The next year, when Joseph was 18 years of age, 1788 B.C., that he came to the attention of Potiphar's wife, who fell in deep lust with the young Hebrew lad (Jasher 44:14-16). She later accused Joseph of attempting to rape her, and Potiphar, believing her report, had Joseph cast into the king's prison; "and Joseph was in the house of confinement twelve years"(Jasher 44:76; see also 46:20).

This period of imprisonment in the dungeon would have been from 1788 to 1776 B.C. Joseph was thrown into the prison at the age of 18, and remained there 12 years, or until age 30.

During this period, Isaac died at the age of 180 years. "And Jacob and Esau fell upon the face of their father Isaac, and they wept, and Isaac was one hundred and eighty years old when he died in the land of Canaan, in Hebron, and his sons carried him to the cave of Machpelah, which Abraham had bought.----And all the kings of the

land of Canaan went with Jacob and Esau to bury Isaac---"(Jasher 47:10-11). The year would have been 1776 B.C., the final year of Joseph in the dungeon.

The story of how Joseph was delivered from prison, and interpreted the Pharaoh's dreams, and became second-in command throughout all the land of Egypt, is well known. The *book of Jasher* again gives a much more detailed picture of the story. The author declares, "And Joseph was thirty years old when he stood before Pharaoh, and Joseph went out before the king, and he became the king's second in Egypt" (Jasher 49:38).

Joseph built himself a beautiful mansion, "like unto the houses of kings"(v.39), "three years was Joseph erecting his house"(v.40). Joseph even had an army, numbering 40,000 troops. The year? 1776 B.C. Interesting, isn't it, that the modern end-time

"HOUSE of JOSEPH,"-- the United

States of America -- has its Year of Independence also as 1776 -- that is, 1776 A.D.!!! "At the revolution of the year, in the second year of Joseph's reigning over Egypt, the Lord gave great plenty throughout the land for seven years as Joseph had spoken, for the Lord blessed all the produce of the land in those days for seven years, and they ate and were greatly satisfied"(Jasher 50:7). Joseph stored the excess grain in silos and treasuries. For seven years they stored up all the extra, surplus grain, knowing

that the seven years of famine were coming. These seven bountiful years would have been 1775-1769. Therefore, the crushing years of famine and drought would have been 1768-1762.

The story of the reconciliation of Joseph with his brothers who had sold him into slavery, is well known. The *book of Jasher* adds much more detail to this incredible Biblical epic. Ultimately, at the closing stages of the famine, Jacob and his entire family go to Egypt, to live with Joseph, where they are given the choice land of Goshen in the Nile Delta for their inheritance. They live there many years and are incredibly blessed. Jacob blesses the two children of Joseph, born in Egypt, Ephraim and Manasseh, and adopts them as his own. The *book of Jasher* tells us: "And Joseph was very aged, advanced in years, and his two sons, Ephraim and Manasseh, remained constantly in the house of Jacob, together with the children of the sons of Jacob their brethren, to learn the ways of the Lord and his law"(Jasher 55:35).

"And Jacob lived in the land of Egypt seventeen years, and the days of Jacob, and the years of his life, were a hundred and forty seven years"(Jasher 56:1). Thus Jacob was 147 years old when he died. Since he was born in 1896, his death occurred in the year 1749 B.C. Since he was in Egypt 17 years, then Jacob immigrated to Egypt in the year 1766 B.C.

To be continued

Harold Stough Notes Ballynoe Stone Circle Northern Ireland

Ballynoe is a large stone circle dating from the Late Neolithic Period situated with superb views of the Mountains of Mourne to the South. Its position and size make it one of the most impressive stone circles in Ireland.

Ballynoe is formed of a ring of around 60 rough boulders some 33.5M in diameter with stones up to 1.8M in height. The stones were erected close to each other like those at Castlerigg and Swinside in Cumbria, probably from Glacial erratics found in close proximity to the site. Two outlying uprights form an entrance to the site

towards the North West of the circle, which is aligned to the setting sun at the Vernal Equinox.

As with many ancient sites Ballynoe was revered and re-used during its long history, in this case during the Bronze Age, when a burial mound was constructed within the main stone circle. The mound was finished with kerbstones and then surrounded by a half circle of upright stones. It was excavated in 1937 when it was found to contain several stone cists which in turn contained the remains of several cremations.

Ballynoe Stone Circle

Aubrey Burl in his book '*Rings of Stone*' suggests that Ballynoe may have direct links with Swinside Stone Circle in Cumbria. They are very similar in construction and size, and there may have been a sea route from Dundrum Bay (2 miles from Ballynoe) to Duddo Sands on the West Coast of Cumbria, which must have been an arduous undertaking 5000 years ago. The nature of this relationship is speculative and may never be understood, but may have involved the trade of artefacts such as stone axes, which at one time were manufactured at Langdale in Cumbria. These axes have been found at sites

throughout Britain and Ireland suggesting a fairly well developed network of trading.

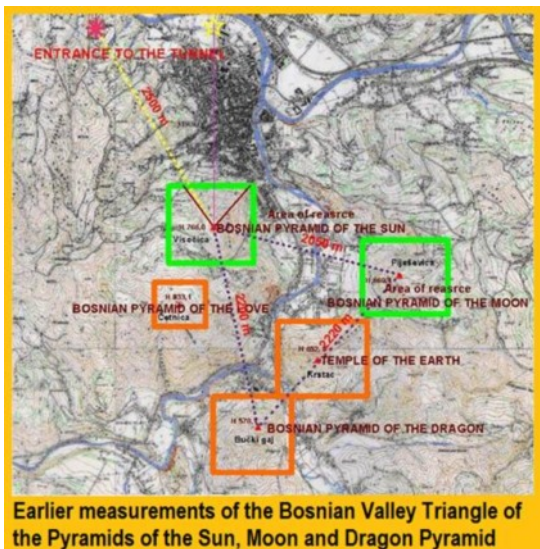

As with all ancient circles of stone we can only take an educated guess at their purpose, although a specific entrance and the large internal space suggests its use in ritual activity of some sort (which may seem a bit vague and wide ranging but there is little evidence to suggest specifics from contemporary archaeological evidence). While many stone circles may have been used for astronomical purposes, the outlying stones at Ballynoe (apart from the entrance) are set too low in the outlying landscape to be used as sights for sky gazing - although who knows, perhaps wooden staves were used at these specific points.

Ballynoe is situated to the North of Dundrum Bay, County Down

The Bosnian Valley of the Pyramids...of Triangle & Circle...

Earlier measurements of the Bosnian Valley Triangle of the Pyramids of the Sun, Moon and Dragon Pyramid

An equilateral triangle of the three main pyramids, according to the Kadastral Office from the County of Visoko performed by GPS measurements of the hilltops of the three main pyramids in the Bosnian Pyramid Valleys, are equidistant from each other by 2.170 Kilometers or 7,120 Feet in each direction. All sides of the triangle being equal; therefore: $7,120' \times 3 = 21,360' = "21" + "36" = "12 \text{ digit sum}"$ and 21

$\times 36 = 756 =$ Base Edge of the Great Pyramid of Giza. Happenstance or just a very rare coincidence?

Then observe: $21,360' \times 12" = 256,320" =$ a digit sum of "18" = the New Jerusalem Standard of Measurement. Likewise, each of the angles of the triangle formed is $60^\circ \times 3 = 180^\circ$ which, naturally, all triangles measure in total degrees in any given triangle. According to the study there was less than 2% difference in any of the would-be artificial structures. The three triangles can all be circumnavigated as $3 \times 360^\circ = 1,080^\circ = "18" =$ the New Jerusalem Standard of Measurement.

The vertices of the Red Triangle – the Pyramid of the Sun (2); the Pyramid of the Moon (4) and the Pyramid of the Dragon (6) for an equilateral triangle whose sides equal 7,120 feet can also have a circumscribed circle enclose this equilateral triangle so formed – the vertices of the equilateral triangle touch the circumference of the circle so formed; therefore, the formula for finding the diameter of this circle is:

$$R = a \frac{\sqrt{3}}{3}$$

Where “R” is equal to the radius of the circle formed around the equilateral triangle and “a” is equal to one of its legs (in our case 7,120 feet) which multiplies the square root of 3 divided by 3. When we carry out our math we discover that “R” is equal to: 4,110.7339. Therefore, the radius “R” of the circle:

4,110.7339 Feet x 2 = 8,221.5 Feet = Diameter of the Great Bosnian Pyramid Triangle

The 8,221.5-Foot diameter created by drawing a circle circumscribed about the three vertices of the Great Bosnian Pyramid’s Triangle becomes highly “suspect” when the Sacred Cubit’s 2.1-Foot dimension divides it as in 8,221.5’ / 2.1’ (Sacred Cubit) = 3,915 S.C. (with no remainder) – naturally, it digit sums to “18” as in 3 + 9 + 1 + 5 = 18.

This is affirmatively exacerbated by the “squaring of the circle” by using its diameter (8,221.5’ or 3,915 S.C.) and creating a square with each of its sides having this dimension – therefore (digit sums in parentheses):

$$4 \times 8,221.5' (18) = 32,886' (27) \times 12'' = 394,632'' (27)$$

$$4 \times 3,915 \text{ S.C. } (18) = 15,660 \text{ S.C. } (18)$$

Cubed (12 Edges):

$$32,886' \times 3 = 98,658' (36) \times 12'' = 1,183,896'' (36)$$

$$15,660 \text{ S.C. } \times 3 = 46,980 \text{ S.C. } (27)$$

The “18” of the New Jerusalem Standard of Measurement; the “27” of Messiah Revealed, and the “36” of the Eternal God as in 360° of a circle are all pronounced – all are expressed in its circumference.

One of the more dynamic measurements is the very circumference of the circumscribed circle enclosing the triangulation of the three peaks of the pyramids of the Sun, Moon and Dragon wherein their legs are equal in distance (i.e., 7,120 feet). The Circumscribed Circle so created

has a diameter of 8,221.5 feet...therefore its circumference is:

$$8,221.5' \text{ (Diameter of the Circle)} \times 3.142857 \text{ (Pi)} = 310,068 \text{ Inches}$$

By eliminating zeroes, we arrive at “3168” – this “3168” is absolutely the number set of the New Jerusalem’s four-square dimension – with, as well, zero eliminated wherein: Revelation 21:16 states:

“The city (i.e., New Jerusalem) is laid out as a square; its length is as great as its breadth. And he measured the city with the reed: twelve thousand furlongs. Its length, breadth, and height are equal” (i.e., it is four-square).

Taking the 12,000 stadium/furlongs (1 stadia = 660’ and so does its English (i.e., furlong) counterpart) x 660’ = 7,920,000 Feet x 4-square = 31,680,000 Feet (i.e., 6,000 miles) or 4 x 792 = 3168 (eliminating zero); therefore, the “3168” of the New Jerusalem equates to the “3168” of the circumference of the Great Circumscribed Circle encompassing the Great Bosnian Pyramid Triangle – a most unusual series of configurations.

The “Great Bosnian Valley of Pyramids PYRAMID” – Esoteric.

As I am wont to do – and if these extrapolations of 7,120 feet are accurate (and we have no reason to believe otherwise) – then could not a perfect equilateral triangle produce all of its angles of inclination at 60° (an immense pyramid structure)? If so, what would its implications

be? Likewise, akin to that of the Great Pyramid of Giza – which is half an octahedron – would extend out the dimensions to that of a perfect octahedron (one half visible to the heavens and one half to the earth). First – it would appear in this manner – with all

base edges, slant edges each equal to 7,120 feet.

Therefore, “facing upwards” the Great Bosnian Valley of the Pyramid Octahedron Pyramid would experience the following:

$$7,120 \text{ Feet} \times 8 \text{ (4 Slant Edges + 4 Base Edges)} = 56,960 \text{ Feet} \times 12'' = 683,520''$$

$$683,520'' = \text{Digit Sum: } "24" \times 2 \text{ (facing downwards)} = 113,920 \text{ Feet} \times 12'' = 1,367,040'' = "21"$$

$$24 \times 21 = 504$$

504 = Resemblance/Fractal of 5040 or Plato’s Optimal Number for Societal Harmony

Since the $24 \times 21 = 504$ is comprised of two-halves of the object/octahedron...

$$504/2 = 252$$

252 = the 25.20” of the Sacred Cubit

Is or was such a mathematical extrapolation within the minds of them who designed such a configuration? I know it sounds altogether farfetched – but, then again, the whole “project” is somewhat “out there” isn’t it? And these measurements are what they are. We are, as well, constrained by their projections – it’s what can be done with them that falls upon our responsibility in this, perhaps, “divine jigsaw puzzle” scratched into the surface of the earth at this most unusual location on the earth, I might add, not only juxtaposed to the Giza Necropolis but to the planet itself.

Likewise, the interest in the Octahedron’s 28,500’ base perimeter by itself or $28,500' \times 12'' = 342,000'' \times 2$ (both sides of the Octahedron) = 684,000 Linear Inches which digit sums to “18” of the New Jerusalem ($6 + 8 + 4 = 18$). Furthermore, the diagonal of such a square is 10,100 Feet, crisscrossed $\times 2 = 20,200' \times 12'' = 242,400''$ which expresses two sets of “24” amplifying the Divine Administration upon this esoteric configuration – really, a remarkable projection, I might add.

Cubing the base into its own dimensions – using the four-square 7,120’ dimensions for each base edge – just the diagonals alone – would project the following:

$$10,100 \text{ Feet} = \text{the Diagonal of the Square (7,120' x 7,120')}$$

$$10,100 \text{ Feet} \times 2 \text{ (crisscross of the Square)} = 20,200' \times 12'' = 242,400''$$

$$20,200' \times 6 \text{ Faces of a Cube} = 121,200' \times 12'' = 1,454,400 \text{ Linear Inches} - 1...21...2 \text{ if the "2112" of the Divine Schematic/Platform/Grid}$$

$$21 \times 12 = 252 = \text{the Fractal/Resemblance of the 25.20" Sacred Cubit}$$

(Note: 14...54...4 can be seen as “144” and “54”)

“144” = the Wall of the New Jerusalem and “54” the Very Number of Optimal Social Harmony Envisioned by Plato / $2 = 252 = 25.20''$ of the Sacred Cubit. Finally the very 7,120’ edge is “7” and “12” which are the two Cardinal Numbers of the New Jerusalem.

The 7,120’ Equilateral Triangle & Its Extrapolations

Yes, we’re keenly aware that we’re dealing with an “Esoteric Object” created from the distances of the tops/plateaus of the Pyramids of the Sun, Moon and Dragon; however, just as the Great Pyramid of Giza by numerous metrologists lend itself to the “upper/lower Octahedron” and ipso facto to the “squaring of the circle” and producing a circle whose diameter can be manipulated to a four-square object using its base edge measurement; even so we can do this with the Esoteric Equilateral Triangle created from these three pyramid plateaus.

What appears as both an octahedron with its eight 7,120’ edges (i.e., the four-square base of the centre of the octahedron at the base of the pyramid and the four “slant edges” of the

pyramid so created brings us to a total of eight edges ($4 + 4 = 8$). Also, in every cube there is an additional number of 7,120' edges (not counting the four-square bottom of the cube, already included in the Octahedron). Normally, a regular cube would have 12 edges; however, if we remove the four edges of the base of such a cube and include those four edges with the Octahedron itself, which would leave us a total of 8 edges which are 7,120' in length per edge. Therefore, we now have 8 included in the Octahedron and 8 in the artificial cube for a total of 16 edges each with a length of 7,120'.

In doing this we have 16 edges of 7,120' or $16 \times 7,120' = 113,920' \times 12'' = 1,367,040''$ (digit sum of "21") and with the reverse side ("the lower" portion of the Octahedron) we multiply by $2 \times 113,920' = 227,840' \times 12'' = 2,734,080''$ (digit sum of "24"). Therefore, we have "21" (top of the Octahedron in inches) and "24" (bottom of the Octahedron in inches when adding the two portions together). Now – "21" is, of course, the expression of the Sacred Cubit's 2.1' and the "24" is the expression in the New Jerusalem of Divine Governance – the 24 Elders (Israel – the 12 Patriarchs/Gates/Pearls of the Holy City; and the Church – the 12 Apostles/Foundations/Precious Stones of the Holy City).

By multiplying the "top" of the Octahedron digit sum with the "bottom" of the Octahedron's digit sum – we arrive at: $21 \times 24 = 504$ and this 504 is truly the expression of Plato's Optimal Number of Societal Harmony indicating a world at peace and harmony and since the Octahedron lends itself to a top/bottom expression, it can be divided by 2; therefore, $504/2 = 252 =$ the fractal/resemblance of the 25.20" Sacred Cubit.

The Two Cubes Formed by the 7,120' Distances between the Pyramids.

The 7,120 Feet between the three plateaus of the "Bosnian Pyramid Equilateral Triangle" as seen above have formed an octahedron with the top half displaying the "visible pyramid" and the bottom half the "upside down pyramid." All lines are 7,120' – even those which constitute the "cubical" atop and bottom. There are 12 edges of a cube; therefore, $12 \times 7,120' = 85,440' \times 12'' = 1,025,280''$.

Here we see the "12" and the "528" – both of which are intrinsically connected with the New

Jerusalem which is based upon the duodecimal system (12) and the Imperial Mile of 5,280'. When we multiply $12 * 528 = 6,336$ or $6...33...6$ which appears throughout antiquity and symbolizes for us the Son of Man, as the Lamb of God (33 being the age when He was "cut off" as Messiah) upon the Cross between two men/thieves (6 and 6). Therefore, and since there are two "dimensions" of the octahedron – one to the heavens (the visible) and one to the earth (the bottom half) – all things in "heaven and earth" are, therefore, under the banner of the $6...33...6$ in that two sets (two cubes) are formed atop and below with the four-sided pyramid in each of the cubes, thus, the octahedron with all sides of the cubes and the octahedron 7,120'.

Letters And Views

95% of crime is committed by Government

Sir ___, And yet people believe them, meekly accept their judgement, vote for them and obey them.

The invasion of Iraq was done on the basis of government fraud about "Weapons of Mass Destruction" they knew did not exist. They killed over one million Iraqis. Whether its manslaughter or murder, its still a crime.

That's why Bilderberger Foreign Secretary William Hague is so desperate to silence the chief prosecution witness, Julian Assange, whose Wikileaks website has published the documentation that convicts them. It used to be gangsters who silenced witnesses, but Hague too is attempting to sabotage the criminal prosecution of other Bilderberg ministers.

The government deregulated the banks in 1999, deliberately making them massive fraud machines, creating bubbles in the markets they knew would burst, rewarding criminality by allowing billions in bonuses for failure. Their goal is political engineering, to further impoverish us, reducing our financial muscle and our ability to resist.

The abolition of Britain by the six EU treaties was completed by the Lisbon Treaty in 2009, and executed by our top 17 government ministers, who committed treason, and who have been EU Bilderbergers, bribed EU agents since Edward Heath.

That's a ten trillion pound nation, the world's 5th largest economy, illegally sold into increasing slavery inside the emerging EU dictatorship.

That's why treason is the most serious crime. This was easily the most serious act of high treason ever committed, and under our five Treason Acts, the thousands of government officials involved, the 362 MPs who voted for the EU, and those who very deliberately signed EU Treaties, including John Major, Tony Blair, Gordon Brown and the Queen, should all hang by the neck until dead, as both those laws and our common law demand.

On the orders of their masters in the EU, our bribed politicians have closed down our heavy industry, swamped us with 25 million immigrants, and the Office of National Statistics state the English will be a minority in their own nation by 2025. The English are despised by the EU, and they want us out of here. The ethnic cleansing of the English by the EU has been highly successful.

Its an electoral and constitutional crime for government to represent a foreign power. In fact a crime for them to represent anyone other than the British voters, something they haven't done for 40 years.

Our senior police, Crown Prosecution Service and judges are almost exclusively freemasons, and Britain's courts have been utterly corrupt for 20 years. That's how the banks, politicians and government are able to commit these crimes, break the law and our written constitution (yes - all written - since Magna Carta).

Britain is home to the largest bribery structure on earth, the EU mandated 8,500 quangos, who waste £200 billion every year according to the Government's Cabinet Office, on £700,000pa salaries for people who do nothing. In total over half of the £800 billion the government extorts from us in tax annually is obviously and deliberately wasted. Yes, that is a crime too.

The NHS is controlled by Common Purpose, a government quango, who, through their abolition of established procedures and continual change, now cause 60,000 preventable deaths in the NHS every year. But 100,000 are murdered on the

'Liverpool Care Pathway' where food and water are denied to them until they die.

No less than 450,000 people die inside the NHS annually. CP also teach suicide through theatre, plays and workshops, and have successfully encouraged 79 youngsters in Bridgend, South Wales, to commit suicide. They proudly boast they will rule in the "Post democratic era"

David Cameron says he will do something about immigration, and have a bonfire of the quangos. He's lying. As a bribed EU Bilderberger he has no such intention, and knows he would be forced out of office by the other Bilderbergers, just as Mrs Thatcher was, if he opposed EU policy.

That's why he won't ever have an EU referendum. And nor will the Bilderbergers controlling Labour and the Lib Dems ever allow one either.

The government tell us it is dishonest to pay your cleaner in cash - no, its dishonest of the Government to extort taxes for their criminality and corruption.

The evidence seems overwhelming the government has committed a number of murders, including scientist David Kelly, Foreign Secretary Robin Cook, and Labour leader John Smith, because they refused to go along with government criminality.

If you add up the crime committed by all the ordinary criminals in Britain, all the money stolen, all the fraud, add up the murders, it is a pathetic tiny dot by comparison with the trillions of fraud, tax extortion to pay for waste, the million killed and murder committed by government.

In the EU, we are now living under a communist regime, and as Mussolini said, fascism and communism are the government collaborating with large corporations to defraud the people.

We've seen it on a massive scale starting with banks, the government sabotage of the economy and the pound sterling, down to the utility companies, which they deliberately sold abroad to foreign nations who rip us off with every bill, and local councils who do the same.

Millions of people in the former nation of Britain

are now impoverished as a result of government crime, and trying to survive on £5 an hour.

By paying taxes and voting for them, you are supporting the criminal government class, and helping them deprive you of everything you once had. - **From Pete Lucas**

The Metre Is Not The Lawful Standard Measurement In Britain

Sir ___, The Metre is not the lawful standard unit of measurement in Britain. In the United Kingdom, only imperial units (miles, yards, feet and inches) are the lawful standard units of measurement. Nothing else has ever been expressly approved by the people.

In the BBC TV programme "*Traffic Cops - Age Old Problem*" aired at 8pm Friday 26 October on Sky TV ('Watch' Channel 109), two members of Sussex Police Traffic Unit stated and measured out a distance of 20.5 metres at the roadside to test a motorist's eyesight and number plate reading ability. This regulatory distance has historically been given in feet or yards in the Highway Code and is to be found in Statutory Instrument 1970/170 which lays down that a person may not be granted a driving licence unless he or she is able, with or without glasses, to read a registration mark fixed to a motor vehicle at a distance of 25 yards. This assumes that the registration mark contains letters and figures 3½ inches high. It is virtually the same minimum requirement as in the original regulation made in 1930, SR & TO 1930/938.

Of interest, the world's international convention in distance measurement units at sea and in the air is to use (nautical) miles, yards, feet and inches. In aviation traffic control, the universal language is English. The British people thus fully expect that the English imperial units will be used in this, their own country. No universal

consent has been given to any other form of measurement device.

Under Constitutional and Common Law (The 1351 Treason Act, the Act of Supremacy 1559 and the Treason Felony Act 1848 and others), the King is forbidden from consenting, signing, promising, giving away or parting in any way with the sovereignty and other rights and issues of his country and his subjects or of allowing, inviting, agreeing, aiding, supporting or admitting any interference or intervention from a foreign power. The British nation and its sovereignty do not belong to the King. He holds them in trust from his subjects.

Parliament is subordinate to and operates only in the King's name. Therefore, Government Departments also operate only in the King's name. What Her Majesty The Queen is forbidden from doing by law, no Prime Minister, Government, Parliament, Governmental Department, office or government official can do either. This means that the insidious creep into British life and Government publications of foreign units of measurement that clearly originate from Parliament and Government Departmental decree, is criminal, unlawful and is treason. Their being used to pose as the standard lawful British units shows clear intention toward European, thus foreign intervention and interference. This is High Treason. Those who use them, act outside the law, beyond their lawful authority and treasonously.

The only lawful standard units of measurement in Britain are the imperial units. Repeated surveys show that over 85% of British people determine to use these imperial scales only. Until such time as the British people express universal consent and approval to change this arrangement, only the imperial scales may by Constitutional and Common Law, be used in the United Kingdom. **Yours faithfully, Rex Poulton**

The Brahan Seer

Sir __, I came across this item that your readers might be interested in and that is the Mother Shipton of Scotland - The Brahan Seer:-

The Brahan Seer is undoubtedly the most famous of all Celtic seers although the reality of the 17th Century Coinneach Odhar Fiosaiche or Kenneth

Mackenzie is hidden deep in legend. The roots of these legends may have come from a holy man in the 1600's, about whom legends have grown with the years. It has also been surmised that Kenneth may be an amalgamation of several seers from the 16th Century and beyond and that the prophesies have been changed and adapted over the centuries from numerous sources.

The Highlands of Scotland have a long history of seers and those gifted with the second sight. The possible earliest written reference to the Brahan Seer is found in the Bannatyne's 'History of the Macleods' from 1832. Hugh Miller's 'Scenes and Legends of the North West of Scotland' from 1874 mentions that he was labourer near the Brahan Castle, born in Baile na Cille on Lewis. He is reputed to have used a white stone with a hole in it to see into the future. (Stones with natural holes were once believed to have magical properties, and have a long history of folk use).

The Brahan Seer

He worked at the castle for the Seaforth Mackenzies and offended Issabella the Countess of Seaforth who had him tried for witchcraft and burned alive in a

barrel of tar at Chanonry Point in Fortrose between 1665 and 1675 (or 1577 in some versions). He suffered this terrible fate because he told the countess of a vision in which her husband was in the arms of another woman.

Before he died he is reputed to have made a prediction about the fall of the Seaforth Mackenzies. The curse/prediction is basically that the last Laird Mackenzie would be deaf and mute, that he would die after his sons, that the lands would be inherited by a white hooded widow from the East who will kill her sister, and that all this would come to pass in the time of four great Lairds: 1 buck toothed, another hare lipped, the third half witted and the fourth with a stammer.

The curse was reputed to have been played out in 1816 when Francis Humbertson Mackenzie (who was hard and reluctant to talk after

contracting scarlet fever) outlived his son, and the four Lairds of Chisholm, Grant, Raasay and Gairloch were all as described in the prophesy.

In some ways the Brahan Seer can be seen as Scotland's Mother Shipton in that many of the prophesies were published after the fact, and in some cases are vague enough to be adapted to a number of situations and events, although his most famous one about the fate of the Seaforth Mackenzies is supposed to have been known well before the 19th C. The most detailed version of his prophesies were published in 1899 in Alexander Mackenzies: The Prophesies of the Brahan Seer.

There is no real evidence that the Brahan Seer existed as a single person and there is a similarity between his prophesies and the sayings of other seers such as those from the Islay Seer: Am Fiosaiche Ileach. Prophesies have always had the power to intrigue and the ones of the Brahan Seer are so specific to Scotland and Scottish culture that they have survived and been adapted over the centuries to what we have today. Of course these are now subject to the sometimes twee romanticisms of the tourist industry.

The legend still has enough endurance to affect decisions today. I have talked to people who will not use the Ferry named the Isle of Lewis Ferry because they believe that it was prophesied that the Isle of Lewis would sink by the Brahan Seer and they have taken this to be the Ferry rather than the island.

His many supposed predictions include Straffpeffer becoming a Spa town, and the Highland Clearances of the 1800's. Here is an abridged version of one of the prophesies:

When there are 7 bridges over the Ness Inverness will be consumed with fore from Black rain and tumble into the sea. Sheep shall eat men, men shall eat sheep, and a black rain shall eat all things. This prophesy is supposed to cover the period of the Highland clearances although the black rain part of this has been the subject of speculation for many years. **Yours Truly D. McClintock, Sterling.**

Shakespeare (Shagspear)

Dear Sir___, Shagspear, was the spelling of the earliest signature of the manager of the Globe

Theatre in late Elizabethan and early Jacobean times. He was also an agent of Walshingham. It appears that he would not have much leisure to write plays.

Of course Shakespeare is a sacred cow grazing in academia. And how do the learned scholars operate in their ivory towers situate in these groves? I had the great good fortune to be down and out in London Town and attended the Sabbath Services in The London City Mission. On one occasion an American gentleman held the services and told us "at university the Professor is **always** right." In other words no student is allowed to question any professor's opinion, a literature student who writes his thesis that Shakespeare may not have written the plays will fail his exam and not get his degree.

They are learning an important rule to succeed in this wicked world. I learned this from a much respected shipmaster who smiled at me and said; "To get along you have to go along", which explains why university educated "News" editors and reporters don't seem to like whistle blowers . Although he has given them much copy, the whistle blower has broken the rules!!

The Newly Built A1 Tornado at York

Another sacred cow is evolution. Darwin could see evolution in his time in man's many inventions and by analogy which is bad science, applied this to God's inventions - all His creatures. He could see evolution in steam locomotives which evolved from those early ones which operated on a circular track. In due course Mallard , Flying Scotsman and Evening Star ("Decapod") appeared and although our engineers knew that much evolution was possible, the dreadful Dr. Beeching, introduced diesels to British Rail. I now have pleasure in reporting that some steam enthusiasts are building the A1,000 which has turbine and not reciprocating engines. It appears that the age of

steam is not so dead, as we have been made to believe!

Evolution is also found at sea. An early example is the dugout canoe which by 1896 had evolved into the "Cutty Sark" driven by the free winds of heaven without a carbon footprint. (As I write this I am suffering from global warming. I had to put on a woolly jumper for it is quite chilly where I am.)

The universities' sacred cows are part of the dense fog of lies in which we all live, we the children of Israel in Britain, Europe, America and elsewhere. Today, universities are enemy disinformation centres. But we Israelites are a kingly group of nations and Proverbs 25:2 springs to mind – "It is the glory of God to conceal a thing: but the honour of a king to search out a matter." **Yours Truly, An Ancient Mariner.**

The Age Of Political Parties Is Over

Sir ___, The age of political parties is over. They once represented their electorate, but the people no longer matter. Politicians' only concern now

is serving a single totalitarian agenda and ensuring its complete political supremacy. Their pretence at democracy is purposefully to deceive us until the EU finally abolishes Westminster,

when Britain's destruction will be complete.

Any party fighting for or promising an EU referendum is a deliberate EU distraction as no such consultation will ever be permitted. Do not be fooled. Immaculate suits and Queen's English do not bring truth or sincerity. Only the theatre of vanity and damned lies.

But the people have a right to self governance. We need only take it back. We should stop believing the lies, sack the political parties for independent representation that reflects our true wishes and retake control of our country for our purposes, not others'.

It is not difficult. But we should use our will to take back the country that is ours. **Yours faithfully, Rex Poulton**

Remembrance - Sent Unashamedly Without Apology.

Sir_ The soldiers, including my own father in WW2, of all sides, died in the belief that they were honourably defending their own kith and kin from an evil foe. Unwittingly, they were just cannon-fodder for the real foe, the Rothschild-Zionists, who have been responsible for the cause of all conflicts going back centuries. I award my own, "Cross for Valour" to every single victim of this pariah which controls the puppet-governments on planet, Earth... The so-called, 'war on terror' is simply a device for ensuring endless conflict on the altars of: Financial Greed, Ultimate Power, Ultimate Control, and bloodthirsty, Satanism ...

The soldier stood and faced God,
Which must always come to pass.
He hoped his shoes were shining,
Just as brightly as his brass.

'Step forward now, you soldier,
How shall I deal with you ?
Have you always turned the other cheek ?
To My Church have you been true?'

The soldier squared his shoulders and said,
'No, Lord, I guess I ain't.
Because those of us who carry guns,
Can't always be a saint.

I've had to work most Sundays,
And at times my talk was tough.
And sometimes I've been violent,
Because the world is awfully rough.

But, I never took a penny,
That wasn't mine to keep...

Though I worked a lot of overtime,
When the bills got just too steep.

And I never passed a cry for help,
Though at times I shook with fear.
And sometimes, God, forgive me,
I've wept unmanly tears.

I know I don't deserve a place,
Among the people here.
They never wanted me around,
Except to calm their fears.

If you've a place for me here, Lord,
It needn't be so grand.
I never expected or had too much,
But if you don't, I'll understand.

There was a silence all around the throne,
Where the saints had often trod.
As the soldier waited quietly,
For the judgment of his God.

'Step forward now, you soldier,
You've borne your burdens well.
Walk peacefully on Heaven's streets,
You've done your time in Hell.'

Defend Yourself With This Prayer

In her book *Pray and Grow Rich*, Catherine Ponder writes of F.L. Rawson, a notes engineer and one of England's great scientists, who became interested in spiritual healing and was a firm believer in prayers of protection for those in war.

"He relates the story," writes Ponder, 'of a British regiment under the command of Colonel Whittlesey, which served in World War 1 for more than four years without losing a man. When asked how his regiment was able to serve four years in the thick of battle without a single casualty, Colonel Whithesey said it was because the officers and men in the regiment memorized and repeated regularly the 91st Psalm, which they calico their "Psalm of Protection."

"A man once lived through a shipwreck that took the lives of many. When asked how he survived when death came to all those around him, this

wise man replied he had prayed over and over the 91st Psalm."

91st Brigade

WW 1 soldiers of the 91st Brigade agreed to recite the 91st Psalm—the. 'Soldier's Psalm'—daily,

The 91st Brigade was engaged in three of the bloodiest battles of WW1; Chateau Thierry, Belle Wood, and the Argonne.

While other units similarly engaged had up to 90% casualties; the 91st **brigade did not suffer a single combat related casualty!**

In El We Trust (Recite Daily)

1, He that dwelleth in the secret place of the Most high shall abide under the shadow of The Almighty,

2. I will say of Yahweh. He is my refuge and my fortress my El. in Him will I trust.

3, Surely He shall deliver thee from the snare of the fowler, and from the noisome Pestilence

4. He shall cover thee. with His feathers and under His wings shalt thou trust; His truth shall be thy shield and buckler.

5. Thou shalt not be afraid for the terror by night: nor for the arrow that flieth by day.

6. Nor for the pestilence that walketh in darkness: nor for the destruction that wasteth. at noonday.

7. A thousand shall fall at thy side and ten thousand at thy right hand; but it shall not come nigh thee,

8. Only with thine eyes shalt thou behold and see the reward of the wicked,

9. Because thou hast made Yahweh which is my refuge, even the Most High thy habitation.

10. There shall no evil befall thee, neither shall any plague come nigh thy dwelling.

11. For He shall give His angels charge over thee, to keep the in all thy ways.

12. They shall bear thee up in their hands, lest thou dash thy foot against a stone.

Cute: Ciúta, a clever quip, an ingenious trick.

13. Thou shalt tread upon the lion and adder-- the young lion and the dragon shalt thou trample under feet.

Dude: Dúd, numbskull.

14. Because He hath set His love upon me, therefore will I deliver him: I will set him on high because he hath known my name.

Galore: From gu leòr = enough, plenty.

15. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him.

Gimmick: Camóg, a crooked device; an equivocation, trick.

16. With long life will I satisfy him, and show him My salvation.

Hoodoo: Uath dubh, dark specter, malevolent phantom.

Thank the Scots for These Words

Hubbub: From ubub.

Jazz: No, it's not from the African-Americans. This is the "English phonetic" spelling of the Irish and Scottish Gaelic word teas, meaning "heat and highest temperature."

English words "galore" were borrowed from the Scots, including some pretty snazzy" ones. Leaving aside those words that are mainly used in a Scottish context, some of these words might surprise you:

Keen (wail): From caoin.

Baloney: From béal ónna, foolish talk.

Links: Sandy, rolling ground, from Old English blinc (ridge).

Big shot: Séad, pronounced "shod," a jewel, figuratively a big chief.

Moolah: Moll óir, pile of gold or money.

Natty: Néata, neat, dapper.

Persnickety: From pernicky.

Bog: From the Scots Gaelic word bog, meaning soft or wet, a swamp or marsh.

Pet: From peata, originally meaning a spoilt child.

Blackmail: A form of extortion carried out by the border reivers (raiders along the Anglo-Scottish border, for nearly 300 years from the late 13th century to the end of the 16th century).

Slogan: From the sluagh-ghairm, battle cry.

Smashing: From 's math sin = "that is good."

Brat. (The meaning is the same in Scottish and English.)

Smidgen: From "smid" a "syllable," a small bit, smidean a very small bit (connected to Irish "smidirin," smithereen).

Bunkum: Buanchumadh, perpetual invention, long made-up tale.

Snazzy: From snas, fashion.

Swanky: Somhaineach, wealthy, profitable.

Bunny: From Gaelic bun, meaning stump, stock, root, hence the stumpy tail of a rabbit.

Tripe: Dríb, filth.

Clan: Borrowed from Gaelic clann (family, stock, off-spring), originally from Latin planta (sprout, root, scion).

Trousers: From triubhas via "trews."

Whisky: From uisge-beatha, "water of life."

The Forbidden Book of Enoch (Part 2)

From Our Welsh Correspondent

12 Before these things Enoch was hidden, and no one of the children of men knew where he was hidden, and where he abode, and what had become of him. And his activities had to do with the Watchers, and his days were with the holy ones. And I Enoch was blessing the Lord of majesty and the King of the ages, and lo! the Watchers called me –Enoch the scribe– and said to me: ‘Enoch, thou scribe of righteousness, go, declare to the Watchers of the heaven who have left the high heaven, the holy eternal place, and have defiled themselves with women, and have done as the children of earth do, and have taken unto themselves wives: “Ye have wrought great destruction on the earth: And ye shall have no peace nor forgiveness of sin: and inasmuch as they delight themselves in their children, The murder of their beloved ones shall they see, and over the destruction of their children shall they lament, and shall make supplication unto eternity, but mercy and peace shall ye not attain.”’

13 And Enoch went and said: ‘Azâzêl, thou shalt have no peace: a severe sentence has gone forth against thee to put thee in bonds: And thou shalt not have toleration nor request granted to thee, because of the unrighteousness which thou hast taught, and because of all the works of godlessness and unrighteousness and sin which thou hast shown to men.’ Then I went and spoke to them all together, and they were all afraid, and fear and trembling seized them. And they besought me to draw up a petition for them that they might find forgiveness, and to read their petition in the presence of the Lord of heaven. For from thenceforward they could not speak (with Him) nor lift up their eyes to heaven for shame of their sins for which they had been

condemned. Then I wrote out their petition, and the prayer in regard to their spirits and their deeds individually and in regard to their requests that they should have forgiveness and length. And I went off and sat down at the waters of Dan, in the land of Dan, to the south of the west of Hermon: I read their petition till I fell asleep. And behold a dream came to me, and visions fell down upon me, and I saw visions of chastisement, and a voice came bidding (me) to tell it to the sons of heaven, and reprimand them. And when I awaked, I came unto them, and they were all sitting gathered together, weeping in ‘Abelsjâil, which is between Lebanon and Sênêsêr, with their faces covered. And I recounted before them all the visions which I had seen in sleep, and I began to speak the words of righteousness, and to reprimand the heavenly Watchers.

14 The book of the words of righteousness, and of the reprimand of the eternal Watchers in accordance with the command of the Holy Great One in that vision. I saw in my sleep what I will now say with a tongue of flesh and with the breath of my mouth: which the Great One has given to men to converse therewith and understand with the heart. As He has created and given to man the power of understanding the word of wisdom, so hath He created me also and given me the power of reprimanding the Watchers, the children of heaven. I wrote out your petition, and in my vision it appeared thus, that your petition will not be granted unto you throughout all the days of eternity, and that judgement has been finally passed upon you: yea (your petition) will not be granted unto you. And from henceforth you shall not ascend into heaven unto all eternity, and in bonds of the earth the decree has gone forth to bind you for all the days of the world. And (that) previously you shall have seen the destruction of your beloved sons and ye shall have no pleasure in them, but they shall fall before you by the sword. And your petition on their behalf shall not be granted, nor yet on your own: even though you weep and pray and speak all the words contained in the writing which I have written.

And the vision was shown to me thus: Behold, in the vision clouds invited me and a mist summoned me, and the course of the stars and

the lightnings sped and hastened me, and the winds in the vision caused me to fly and lifted me upward, and bore me into heaven. And I went in till I drew nigh to a wall which is built of crystals and surrounded by tongues of fire: and it began to affright me. And I went into the tongues of fire and drew nigh to a large house which was built of crystals: and the walls of the house were like a tessellated floor (made) of crystals, and its groundwork was of crystal. Its ceiling was like the path of the stars and the lightnings, and between them were fiery cherubim, and their heaven was (clear as) water. A flaming fire surrounded the walls, and its portals blazed with fire. And I entered into that house, and it was hot as fire and cold as ice: there were no delights of life therein: fear covered me, and trembling got hold upon me. And as I quaked and trembled, I fell upon my face. And I beheld a vision, And lo! there was a second house, greater than the former, and the entire portal stood open before me, and it was built of flames of fire. And in every respect it so excelled in splendour and magnificence and extent that I cannot describe to you its splendour and its extent. And its floor was of fire, and above it were lightnings and the path of the stars, and its ceiling also was flaming fire. And I looked and saw therein a lofty throne: its appearance was as crystal, and the wheels thereof as the shining sun, and there was the vision of cherubim. And from underneath the throne came streams of flaming fire so that I could not look thereon. And the Great Glory sat thereon, and His raiment shone more brightly than the sun and was whiter than any snow. None of the angels could enter and could behold His face by reason of the magnificence and glory and no flesh could behold Him. The flaming fire was round about Him, and a great fire stood before Him, and none around could draw nigh Him: ten thousand times ten thousand (stood) before Him, yet He needed no counsellor. And the most holy ones who were nigh to Him did not leave by night nor depart from Him. And until then I had been prostrate on my face, trembling: and the Lord called me with His own mouth, and said to me: 'Come hither, Enoch, and hear my word.' And one of the holy ones came to me and waked me, and He made me rise up and approach the door: and I bowed my face downwards.

15 And He answered and said to me, and I heard His voice: 'Fear not, Enoch, thou righteous man and scribe of righteousness: approach hither and hear my voice. And go, say to the Watchers of heaven, who have sent thee to intercede for them: "You should intercede" for men, and not men for you: Wherefore have ye left the high, holy, and eternal heaven, and lain with women, and defiled yourselves with the daughters of men and taken to yourselves wives, and done like the children of earth, and begotten giants (as your sons)? And though ye were holy, spiritual, living the eternal life, you have defiled yourselves with the blood of women, and have begotten (children) with the blood of flesh, and, as the children of men, have lusted after flesh and blood as those also do who die 5 and perish. Therefore have I given them wives also that they might impregnate them, and beget children by them, that thus nothing might be wanting to them on earth. But you were formerly spiritual, living the eternal life, and immortal for all generations of the world. And therefore I have not appointed wives for you; for as for the spiritual ones of the heaven, in heaven is their dwelling. And now, the giants, who are produced from the spirits and flesh, shall be called evil spirits upon the earth, and on the earth shall be their dwelling. Evil spirits have proceeded from their bodies; because they are born from men and from the holy Watchers is their beginning and primal origin; they shall be evil spirits on earth, and evil spirits shall they be called. [As for the spirits of heaven, in heaven shall be their dwelling, but as for the spirits of the earth which were born upon the earth, on the earth shall be their dwelling.] And the spirits of the giants afflict, oppress, destroy, attack, do battle, and work destruction on the earth, and cause trouble: they take no food, but nevertheless hunger and thirst, and cause offences. And these spirits shall rise up against the children of men and against the women, because they have proceeded from them.

16 From the days of the slaughter and destruction and death of the giants, from the souls of whose flesh the spirits, having gone forth, shall destroy without incurring judgement –thus shall they destroy until the day of the consummation, the great judgement in which the age shall be consummated, over the Watchers and the

godless, yea, shall be wholly consummated.” And now as to the watchers who have sent thee to intercede for them, who had been aforetime in heaven, (say to them): “You have been in heaven, but all the mysteries had not yet been revealed to you, and you knew worthless ones, and these in the hardness of your hearts you have made known to the women, and through these mysteries women and men work much evil on earth.” Say to them therefore: “You have no peace.”“

XVII-XXXVI. Enoch’s Journeys through the Earth and Sheol.

XVII-XIX. The First Journey.

17 And they took and brought me to a place in which those who were there were like flaming fire, and, when they wished, they appeared as men. And they brought me to the place of darkness, and to a mountain the point of whose summit reached to heaven. And I saw the places of the luminaries and the treasuries of the stars and of the thunder and in the uttermost depths, where were a fiery bow and arrows and their quiver, and a fiery sword and all the lightnings. And they took me to the living waters, and to the fire of the west, which receives every setting of the sun. And I came to a river of fire in which the fire flows like water and discharges itself into the great sea towards the west. I saw the great rivers and came to the great river and to the great darkness, and went to the place where no flesh walks. I saw the mountains of the darkness of winter and the place whence all the waters of the deep flow. I saw the mouths of all the rivers of the earth and the mouth of the deep.

18 I saw the treasuries of all the winds: I saw how He had furnished with them the whole creation and the firm foundations of the earth. And I saw the corner-stone of the earth: I saw the four winds which bear [the earth and] the firmament of the heaven. And I saw how the winds stretch out the vaults of heaven, and have their station between heaven and earth: these are the pillars of the heaven. I saw the winds of heaven which turn and bring the circumference of the sun and all the stars to their setting. I saw the winds on the earth carrying the clouds: I saw the paths of the angels. I saw at the end of the earth the firmament of the heaven above. And I proceeded and saw a place which burns day and night, where there are seven mountains of magnificent stones, three towards the east, and

three towards the south. And as for those towards the east, one was of coloured stone, and one of pearl, and one of jacinth, and those towards the south of red stone. But the middle one reached to heaven like the throne of God, of alabaster, and the summit of the throne was of sapphire. And I saw a flaming fire. And beyond these mountains is a region the end of the great earth: there the heavens were completed. And I saw a deep abyss, with columns of heavenly fire, and among them I saw columns of fire fall, which were beyond measure alike towards the height and towards the depth. And beyond that abyss I saw a place which had no firmament of the heaven above, and no firmly founded earth beneath it: there was no water upon it, and no birds, but it was a waste and horrible place. I saw there seven stars like great burning mountains, and to me, when I inquired regarding them, The

angel said: ‘This place is the end of heaven and earth: this has become a prison for the stars and the host of heaven. And the stars which roll over the fire are they which have transgressed the commandment of the Lord in the beginning of their rising, because they did not come forth at their appointed times. And He was wroth with them, and bound them till the time when their guilt should be consummated (even) for ten thousand years.’

19 And Uriel said to me: ‘Here shall stand the angels who have connected themselves with women, and their spirits assuming many different forms are defiling mankind and shall lead them astray into sacrificing to demons as gods, (here shall they stand,) till the day of the great judgement in which they shall be judged till they are made an end of. And the women also of the angels who went astray shall become sirens.’ And I, Enoch, alone saw the vision, the ends of all things: and no man shall see as I have seen.

Israel Cleansed

John Trotter. of Winnalee, Australia

Jeremiah 31:25, 33:8; 1 John 1:7.

A few years ago we visited England for the first time. This Sceptred Isle, whilst dripping with marvellous history, also showed within its architectural walls, the haunting reflections of mystical religious figures of a bygone era. Many of these sculptured figures showed no true Christian association. England's on-going connection with Rome and her ancient esoteric beliefs is collectively becoming more apparent.

A visit to Glastonbury, with its ancient beginnings in Christianity, shows proof that many are returning to ancient alternative beliefs of the occult. Added to this is the ecumenical movement within today's churches with their return to Rome. Even Prince Charles, the future King of England, has endorsed the view that the religions of the world can work as one when he used the phrase "Defender of the faiths" (plural). This pluralism is not something that C. H. Spurgeon or Bishop J. C. Ryle would accept today. God made it very clear to Israel, that if they followed other gods, the associated teachings, would take Israel away from worshipping the One and Only True God (Exodus 34:13-17; Deuteronomy 30:17).

It is true that we can marvel at the magnificent edifices and stand in awe at man's ingenuity but what is wrong with a simple dwelling in which we worship God in peace with our soul. The Methodist Movement attempted to move away from such large structures. I fear that these monuments of great grandeur have become hollow. The leaders of the flock need to realise that God's judgment will be greater upon those who have taken command of the nation.

But the cleansing of Israel is to be far reaching; way beyond the relevance of our leaders. It is

true that God has promised an everlasting witness to His mercy and justice, but again England and the Western world are floundering in their endeavours to be counted amongst the nations of the world. The bustling world of mammon and the mortgage (death grip) of all nations is stopping true growth, from which all can benefit from the providence of God. By joining with foreigners in international agreements we have enslaved ourselves in the web of iniquity. We have whored ourselves in the search for other gods. (Deuteronomy 31:16). It is going to take the intervention of God for His people, to unravel the curse that we have laid upon ourselves (Malachi 2:2).

It is the Western leaders who are pushing, more than the non-Western for world unity in religion and economics that will bind all nations into one conglomerate. The aim of world leaders is for the collapse of true nationhood and the rise of a humanistic elite who will guide the world masses into a Brave New World. This world will be dictated by the belief that man can provide his own salvation through science and the deifying of human reason. Fortunately, for at least 2 reasons the above scenario will not quite become reality for Conglomerate as a rock has no strength of itself and secondly God has other plans, for we are told in Matthew 24:22: "And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened". An interesting cross reference to this verse is to be found in Isaiah 65:8,9 which say: "Thus saith the Lord, as the new wine is found in the cluster, and one saith, Destroy it not, for a blessing is in it: so will I do for my servants' sakes, that I may not destroy them all. And I will bring forth a seed out of Jacob and out of Judah an inheritor of my mountains; and mine elect shall inherit it, and my servants shall dwell there".

The question that needs to be asked here is: Who is the elect?. The answer is to be found in Isaiah 45:4 and 65:22. Israel is mine elect. It is quite possible that the elect mentioned in Matthew 24:22 is a chosen group within Israel who do keep the faith once delivered unto the saints right up to the end days. These few understand the

application of the conditional and unconditional covenants.

As far as the Western Nations, amongst whom are the descendants of Biblical Israel, there is still needed a great cleansing. Maybe doubting Thomas's reaction to seeing and believing is a story that correlates to the events that are still ahead of us. Thomas was a realist for all he needed were the facts. The coming understanding of who Christ is and what His plan is for Israel, will help to bring about a desire to be cleansed. By then, the Western Nations will have used up all the "cards in the pack". The cisterns that have been hewed out are all useless as stated in Jeremiah 2:13. Circumstances in the future will be such that "thine apostasy shall correct thee and thy wickedness shall reprove thee: know then, and see, that thy forsaking me has been bitter to thee, saith the Lord thy God: and I have taken no pleasure in thee, saith the Lord thy God" (Jeremiah 2:19, the Septuagint).

I am of the opinion that once the tares have been separated from the wheat the cleansing process will begin in earnest. It is interesting that the tares appear like the wheat right up to the time of the harvest. In other words those who are the tares have been in our midst for a long time and they have been doing the work of Satan under our noses for a longer time. We are told that the tares are to be taken out by the angels, lest the wheat comes out with them. This is the Lord's work. (Matthew 13).

Those who have been appointed to reign with Christ (Revelation 20:6) as King on the Throne of David and over the House of Jacob (Luke 1:32-33), will be granted their roles to continue on with the cleansing of the Kingdom. During this time of the Christ's rule Satan's influence will be taken away and the evangelising of Israel will continue on until Christ's Kingdom is complete.

For those who believe that the church will escape condemnation, will find that "judgment is to begin first in the House of the Lord" (1 Peter 4:17). This I believe is mainly due to the apostasy that has crept into the church (2 Timothy 4:3-4). This in turn has resulted in compromise on those matters that brought about the Reformation. The sheep in the pew have been fed an ecumenical message and not one of stepping away from the world (John 15:19). You will notice that the above quote from the Septuagint mentions "apostasy" which means "a complete forsaking of one's religion a turning away". During recent years there have been written a number of excellent books on the subject of how the churches have welcomed the world to come in, with the end result that tolerance of all beliefs has been accepted. The words that conclude 1 Peter 4:17 say; "If the righteous are to be saved with difficulty; where can the impious and sinful appear?" (Ferrar Fenton).

No one can deny the fact that the story of Israel in the Old Testament period is a sad story of disobedience. It is true that there was always a remnant who would not bow the knee to Baal (Romans 11:4). Not only did Jesus weep over Jerusalem (John 11:35; Luke 23:28), but He also felt very sorry for the people who so often were only looking for miracles. There was no shepherd to protect the flock (Matthew 9:36) from the wolves (Matthew 7:15, 10:16; Acts 20:29) who were dressed in sheep's clothing. The history of the church down through history is a sad reflection of how the leaders have fed themselves and not the sheep (Ezekiel 34:1-3). You have only to look at the wealth of the churches especially in Europe. Salvation by works is still used to allow entry to the privileges of membership. It is no wonder that the younger generations are turning to alternative ancient beliefs that satisfy their hedonistic and spiritual cravings (1 Timothy 4:1).

It is my opinion, that during the period of Christ's rule the bringing together of religion and the affairs of government will be used to bring into existence the Kingdom of God on earth. Christ will be the cornerstone of this Kingdom (Ephesians 2:20). He will be both King of Israel, reigning over the Throne of David, as well as being the High Priest after the Order of Melchizedek (Hebrews 5:6,10) The "love of money which is the root of all evil" (1 Timothy

6:10) will be no longer the driving force of Christ's Kingdom as it is now. There will be no more the choice between God and Mammon (Matthew 6:24). The nations will be ruled with the "rod of iron" (Revelation 2:27 ; 12:5, 19:15),which I believe is a phrase for the Law. The hearts of the people will see the need to have their hearts turn from stone to that of flesh (Ezekiel 36:24-28), upon which the Law will be written. It is under these conditions that the cleansing of the nations will begin in earnest, but it will not happen overnight. This whole new era will be the beginning of the fulfilment of "THY WILL BE DONE ON EARTH, AS IT IS IN HEAVEN" (Matthew 6:10).

The many "I will clauses of God" will bring about the outcome that God has planned from the foundations of the earth (Job 38:4).It is going to happen no matter what man decides. This Kingdom on earth is not a chance happening. The cleansing of His people is going to start at the top and work its way down to the citizens of the Kingdom.

As is shown very clearly in 1 John 1:7 this cleansing is just not a national issue. Each of us require the cleansing blood of Christ to prepare us to be separate from the world. Christ as the Lamb of God gave His life for the sheep and as we know from the Scriptures the sheep are those of Israel (Ezekiel 34). This is further proof that the Bible is primarily about Israel and the plan that God has for her.

The words of Jeremiah 33:8 are not casual words that have no depth of meaning. The same can be said of Ezekiel 36:25 which says: "**then will I sprinkle clean water upon you and ye shall be clean; from all your filthiness and from all your idols will I cleanse you**". For Israel to fulfil her blessings to all the nations of the world , it is God's priority that His wife be first made ready for this task. It is for this reason Israel is initially God's priority. Then will follow the nourishing to the full (sate) of the weary soul and then fill again, having been emptied, (replenish) the sorrowful soul (Jeremiah 31:25). May that day come quickly.

THE SECRET PEOPLE:

The following short poem by the same title was taken out of the Winter 1995 edition of This England.

They have given us into the hands of the new
unhappy lords,
Lords without anger and honour, who dare not
carry their swords.

They fight by shuffling papers: they have
bright dead alien eyes:
They look at our labour and laughter as a tired
man looks at flies.

And the load of their loveless pity is worse
than the ancient wrongs,
Their doors are shut in the evenings; and they
know no songs.

A Brief History Of Khazars In The 'Goldene Medin'

By John Churchilly

THE KHAZARS - or Ashkenazis (Hebrew for German - although they are not German, but absorbed German into their language - known as Yiddish which is falsely called Hebrew - Yid means lie, therefore Yiddish means language of the deceiver! Ed.) how they call themselves today - are actually the descendants of ethnic Turk tribes that entered Europe as part of Attila's hordes and their local Germanic rape victims. For speed and logistical reasons they couldn't bring their women along, all the way from Mongolia, and had to 'source' them locally, usually by killing everybody else in the tribe.

Given how busy those Huns/Khazars were raping and pillaging, the fruits of those rapes ended up speaking Yiddish, a medieval Germanic dialect mixed with Turkish elements, and weren't too attached to the traditional Hun-Khazar phallus cult, although some remnants of that obsession with the male genital can still be seen today in Ashkenazi subculture, especially Ashkenazi dominated pornography and male 'enhancement' products. Eventually, the Huns/Khazars converted to Talmudism, because that creed was far more palatable to both their Christian and Muslim neighbours, at a time when the Khazars were dominating the Eastern European part of the ancient silk road." -- Andrew Winkler

"Never in the history of our people have we been so safe and so successful and so well integrated as we are in the United States. The Golden Age in Spain had nothing on the 350 years we have spent in America. This is in fact, as our

grandparents said, the 'goldene Medin' (the golden land)". -- JINSA

Years ago Benjamin Freedman said, "They rule America as monarchs". "They" are the reason Sharon could boast, "We control America and they know it." But most Americans do not know it. Just who are "they" and where did "they" come from? That is the purpose of this article -- revealing the Khazars.

Americans should know Khazars secretly dominate every aspect of American life. They have infiltrated the upper levels of American government, industry, banking, finance, commerce, mass media, communications, real estate, merchandising, arts, education, sports, professional associations etc. This is not by chance or merit but by design, a careful preference in selection over many, many decades. "We have taken hold of the ends of the springs which move their mechanism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, but principally into education and training as being the cornerstones of a free existence." (Italics are quotes from the Protocols.)

Khazars are a race that originated in the Black Sea area and migrated into Eastern Europe in the Dark Ages to an area called Khazaria. It was there that in the 700's A.D., after a long war they were conquered by Islam and later adopted Judaism as their official religion. Around 1000 A.D. they migrated into Spain, were very prosperous but ousted after a century or two and went to Portugal. After a century or so they were

ousted again and went to the Netherlands. The Netherlands prospered for about a century and the Khazars spread across Europe and then America. They were never in the Biblical Lands.

"Khazars" and "Jews" are not synonymous. Judaism is a religion going back to antiquity, earlier even than the beginnings of civilization. Its members have largely remained in the

Middle East. Its scripture is the Old Testament of the Bible. By comparison, Khazars are recent cultural Jews. Their scripture is the Protocols to the Elders of Zion, the evil bible of modern Zionism which calls for a different global polity, a ruthless dictatorship. Its opening sentence reads, "It must be noted that men with bad instincts are more in number than the good." Thus in political matters, this race should be called Khazars not Jews.

Note: The Jews of Christ's day were mainly Edomites descended from the offspring of Esau and his Hittite wife. Ed.

Many Jews have been victims of the Khazars and many disavow Zionism. Nevertheless, the vast majority of Jews in Europe and America are Khazars and vice versa. Having no religious beliefs including an afterlife, Khazars focus entirely on worldly acquisitions especially money. "It is indispensable for us to undermine all faith, and to put in its place material needs." They are largely an urban people located in cities; nature and natural resources are for privatisation and profit. They are virulently anti-Catholic since the Church is their principal organized opposition, "The Russian autocracy, the one and only serious foe we had in the world, without counting the Papacy."

Khazars are the heart of Zionism, supported by millions of Christians who commonly depend on them, one way or another, "The need for daily bread forces them to keep silence and be our humble servants." Khazars also call themselves

Ashkenazi to separate themselves from their "lesser brethren", Sephardim or Middle Eastern Jews. Historically, Khazars when they entered a society always gathered in their own ghettos with their own governments and became "black holes" of wealth by their predatory commercial and lending practices. Although they intermarried with other races, they did not assimilate.

The founders of America knew them well: Washington called them "the greatest enemy" to the new nation; Franklin called them "vampires"; Jefferson, "false citizens"; Madison, "money changers" and Jackson, "Ye breed of vipers". At the time there were few in America. In the late 19th century, Khazars came to America by the millions as a result of Russian pogroms after an assassination.[1] This continued into the 20th century so that by the time of World War I there were about 3 million in America. They doubled their numbers in America during the 1930's and 1990's so that today of their world population of about 14 million (the same as pre-Holocaust(?)), over 6 million are in America or about 2% of the American population and control a majority of the nation's wealth. By contrast African-Americans number nearly 40 million and control little of the nation's wealth. Khazar-Americans came here with the wealth and financing amassed over millenia while African-Americans came here via the Khazar slave trade and were kept impoverished and uneducated for 300 years (the black goldene medin).

So, in about two hundred years, Khazars have become the richest and most powerful and influential minority in America, the most bountiful nation on earth. This is precisely what Washington, Franklin, Jefferson, Madison and Jackson feared. The brilliant Franklin said, "If they are let into the country, in two hundred years our children will be working in their fields while they sit in their counting-houses, rubbing their hands." What extraordinary foresight! But let's step back away.

Around 1595 Amsterdam Khazars founded the Bank of England through William Patterson and began the Khazar banking of today, fiat money at interest, income taxes to pay the interest, fractional reserves and immense debt to finance war and governmental expenses instead of taxation. English national debt soared tenfold. "An exceedingly burdensome debit has been

created and all the wealth of States flowed into our cash-boxes."

Then around 1770 arose Mayer Amschel Rothschild, a colossus in the history of banking and finance. Rothschild was already rich in his late twenties from banking. He then solicited and became agent for Prince William IX of Hanau, one of the richest men in Europe, becoming vastly richer. One story is that Rothschild brokered the recruitment of 12,000 German soldiers (Hessians) for use by England in the American Revolution. Their pay disappeared; 7,000 were killed and the remaining 5,000 were abandoned in America where their descendants can be found today.

Rothschild organized the bankers and financiers of Europe into his preferred enterprise, an invisible monopoly. "Capital must be free to establish a monopoly of industry and trade: this is already being put in execution." They financed (and fomented) wars because it filled their "treasuries" and opened the doors to government. They made vast loans to governments which provided them with an endless stream of interest. "These loans burdened the finances of the States with the payment of interest and made them the bond slaves of our bankers." Their goal was to

take control of all the money in the world and subjugate all mankind, the modern Zionist agenda described in the Protocols. "Nature herself has destined us to guide and rule the world." And after two centuries they have succeeded (remember Franklin's prediction).

The Khazar global bankers rule the world under the Khazar/Jewish Dynasty, the Rothschilds. Rothschild is quoted, "Let me control the issuance of a nation's money and I care not who writes the laws." This is the key. Control of all the money and credit in the world, all untaxed. "A tax on capitalists diminishes the growth of wealth in private hands in which we have concentrated it." It is "an aristocracy of money" involving super rich Khazars, the Khazar global bankers, their Federal Reserve and other central banks and their Protocols. "We shall establish huge monopolies, reservoirs of colossal riches, upon which even large fortunes will depend."

"The pressure came from the Jews - all over the world, and in the face of it Mr. Ford was panic-stricken. He is one of the richest men in the world but he was made to feel that the Jews have more money and hence more power than he, and that their money and their power can be quickly mobilized against an opponent, and with crushing consequences." (Moody Monthly Sept. 1927 on Ford's "apology" to the American Jewish Congress.)

"Whoever controls the money, controls the flow of wealth." (Fr. Coughlin on 1930's radio.)

After the American Constitution became law, unifying American money, the Rothschild agent, Alexander Hamilton, in 1791 persuaded Washington to approve Rothschild's Bank of the United States, the forerunner of the Federal Reserve, which took control of American money and Khazar-American wealth burgeoned. The Bank charter lapsed in 1836 but Khazar banking was now well established in America. It financed for Rothschild the Robber Barons (Rockefeller, Morgan, Carnegie, Harriman). Earlier, Rothschild had taken over the Bank of England as well as the Bank of France. He founded the Rothschild Dynasty and sent his five sons to the capitals of Europe to manage the financial affairs of the Dynasty. Then followed for the rest of the century all the wars and chaos described in the Protocols, bankrupting Europe.
