FROM THE PUBLICATION, 'PRAVDA', JANUARY 17, 1990. THE 'REFORM SOCIALISTS' ARE FEELING VERY ANXIOUS. The events inside the Soviet Union are racing out of control. At the beginning of the reform the hope was that distortions of Stalin and Brezhnev eras would be eliminated, and the move would be made to resume the construction of Socialism and Communism. But starting in the last half of 1988, events took a different turn. 'Perestroika' has acquired an openly Anti-Communist character. The year of 1989 will go down in history as the year of the collapse of the World Socialist system. There will be further movement toward the right. It is quite likely that in 1990 even the notion of the 'Union of the Soviet Socialist Republic' will disappear from the political map of the world.

The western world must move cautiously for it seems that as the Soviet Army withdraws from Eastern Europe they will be leaving behind large stockpiles of ammunition and fuel. Could this mean that in a time of Crisis the Kremlin could move more easily in return? Could the change be in name only, time will tell?

Pat Buchanan: our Nation's Capital shows the big failure of Liberalism. Under the decade of urban experiment in Secular Humanism, and Liberal politics, everything the **LEFT** has preached has been practiced here. The ACLU, and NEA dogma of bushing, teachers union, and iron prohibition against religious training and moral instruction has turned the schools into hell holes of crime and drugs.

The churches which once preached Salvation, black and white, the necessity of living a Christian life are now into divorce, drugs, crime, and 2/3 of the black kids are born out of wedlock. Yet Jesse Jackson with the backing of Liberals such as Senators Kennedy and Simon want to turn this district of Columbia into a state so that the Rev. Jesse Jackson can be given an affirmative action chair in the United States Senate. The

Republican party being so fearful of being branded as 'Racist' does not move to condemn this for what it really is, a corruption of the Constitution. In our nations capital, the schools do not work. The courts do not work, the prisons do not work, we are there, first in narcotics, first in murder, second only to San Francisco in Aids cases per capita. We have Gay rights laws, civil rights laws, racial set asides, affirmative action, quotes, and much, much more. Guilt besotted, white Liberal Journalist soothe the way for all these complicated problems of this city.

From Moscow: What the Press has not told us is that Soviet Party officials and members of the KGB were furious when several thousand Russian Citizens showed up at Donskoi, Cemetery in Moscow, to honour **THE LATE CZAR NICHOLAS II**. The crowd was waving Czarist flags and were led by Priests who demanded that the remains of the Czar and his family be located, and then properly buried outside the Peter-Paul Palace near Leningrad.

One of the priests said: 'Seven decades ago, in the town of Yekaterinburg, the Czar and his wife and children were murdered without a trial, without justice. They were spat upon, slandered, and then shot. It makes your hair stand on end to think about it.' People held yellow candles and stepped up to kiss a pair of wooden icons, one of the Czar and one of Jesus The Christ, and others prayed for the soul of the Last Russian Czar. As the police tried to break up this group of people a small band played the Czarist Imperial Hymn, 'God save the Czar'. One of the young men held high a Russian Imperial Flag and said: 'I am here to pay respect to Nicholas II, the last Russian God put on earth to lead our country. God has nothing to do with this Soviet power, how can I believe in Communism? A commission to have the Soviet Government investigate the murder of Czar Nicholas II., and his family has been formed, and over 10,000 signatures have been obtained which will be presented to the Supreme Soviet.

By Stanton Evans: The Truth of the Panama Drug cover-up. Thanks to the publicity now accorded Noriega's doings, the Panamanian side of this equation is at least known. As usual the question of the U.S. involvement with the Panama drug lords is thought to be a problem for the George Bush, Ronald Reagan Administration or the CIA. What is dead certain is

that Panama's drug-running despotism was the recipient of extensive favour and official cover-up from the administration of Jimmy Carter, and prior to that from the Nixon-Kissinger State Department. The principal motive for all this was the campaign to cede the Panama Canal to the Panamanian government, a cherished goal of Liberal diplomacy that dominated the politics of the 1970's. It was widely known that the Panama dictatorship was heavily involved in running drugs when the Canal Treaties were negotiated.

Criminal indictments and reports of drug enforcement agents, and documents obtained by congressional committees teemed with data about the involvement of Panama's rulers with narcotics. But all this information was covered up, and censored, and in some cases apparently destroyed by officials of the United States. The mainstream media were involved in this cover-up. At the time Omar Torrijos (Noriega's boss and predecessor strongman) was under indictment in the United States for alleged heroin smuggling. This meant that Omar Torrijos, then Panama's director of treaty information, could not come to the United States for treaty-signing, since there was an outstanding warrant for his arrest.

During the battle over the Treaties in the Congress this was all brought to light but the press played down the stories, and the Carter Administration issued a statement exonerating Omar Torrijos. They were not going to arrest a head of state, the Treaties were foremost in importance. These files have also been censored and are illegible and now are said to have been destroyed. But the men who viewed these files are still around, but will they be called now in the trial of Noriega, we **DOUBT IT?**

The Moynihan Social Security Bombshell is no bombshell at all, this is the process used for all other retirement funds as well, such as those who have their retirement funds in Government E and EE Bonds. It has always been the custom, it did not originate with the Reagan-Bush White House, as you are led to believe. If the enemy was able to totally destroy the United States, there would go all the pensions, the banks and everything else, we believe that the Almighty has a hand in these things and he allows things to get just so far out of hand, no farther no matter what Politicians

rant and rave about. This was a political ploy and it seems not to have worked, so something else will have to be tried.

Jesse Jackson is in South Africa now trying to stir up trouble, and the press is of course helping all they can. Just remember that if South Africa goes, then America is next. Let's let those people who founded that country solve their own problems.

Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers.

His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.”

Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching these truths

to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.
