D ID YOU SEE THE TV DOCUMENTARY, 'JESUS OF NAZARETH?' 'This was produced and narrated by 4 ministers from different denominations? I could find no tie in for this man of Nazareth to the Christian Faith, although the pictures were pretty good. However the documentary ended with the cry for you to call in, to confess and be saved.

When I see this Jesus of Nazareth I see **YAHWEH**, the great Father (spirit) who came in the flesh for a definite purpose. He came, born as a babe, in the flesh to identify with his kingdom children who were also here in the flesh. Then here in the flesh he preached the Gospel of the Kingdom for the world, and even his people here in the world were not ready for the gospel of atonement. But the foundation of the Gospel of Atonement was of course in this Gospel of the Kingdom, which was preached to the House of Israel. This Gospel was established in Israel, recorded in Exodus chapters 19 and 20, for here was **YAHWEH** as **YAHSHUA**, Messiah, King, and the law for the administration of the kingdom in Earth. And while here in earth then Jesus of Nazareth said to his disciples: 'Take up this cross and follow me.' But to do this, to be his disciple you must accept the doctrine of atonement. He was the only '**ONE**' who could redeem **HIS** Israel. Thus inspired the disciples could not be stopped as they moved out to Lost Israel. And Yes, **HE** also added the doctrine of 'coming again' into the affairs of earth: 'For the Son of man shall come in the Glory of the Father (spirit) with the Angels, and then shall give unto every man according to as his work **SHALL BE.**'

The unfolding of the promise of the 'Holy Spirit' was seen by the enemy, and they moved to destroy his disciples as they moved to find Lost Israel. The Resurrection was a glorious event for Israel, but a great disaster for those who opposed **HIM**. But because **HE** lives, then we His family also Live. The way to destroy true Israel is to get them to sin and turn from their God. And when the enemy decided to trick Israel into destroying

herself they moved to turn her from her God, and talk them into giving away their inheritance.

On the Political scene, with bob Dole out of the Presidential race the orders have been given to defeat George bush. Dukakis is their man. However behind the scene they do not want Jesse Jackson but wonder how they will get around him? Of course we know why they want this Dukakis but will they stand still for Jackson as vice President? Time will tell.

Remember the excitement when the Dead Sea Scrolls were found? Well, what happened to them? Why have those scrolls which were sent to Israeli when they demanded them never been interpreted or published? In fact it has been nearly 40 years since great quantities of original Essene material was found much of which undoubtedly have a definite bearing on the origin of Christianity, why has not Christianity demanded this material be turned over to them? Many years ago 8 scholars were appointed to study, arrange, publish and translate these Scrolls. However only one scholar, Marco Allegro, was free of religious commitments or obligations, the others, 4 Roman Catholics and 3 Protestants failed to deliver and the Scrolls are being allowed to disintegrate from age and exposure.

Martin A. Larson although somewhat blind to Israel Identity researched all available work of the scrolls and he wrote a volume entitled: 'The Essene, Christian Faith'. He emphasized two points:

1. that there is a definite relationship between the Essene teaching and the Christian Faith.
2. That both Jewish authorities and the present Christian denominations seem determined to negate and deny any such relationship, and if possible to prevent the publication of these Scrolls. Since the Israeli' seized the area of the Jordanian museum in 1967, virtually no one has been permitted access to any Essene material which is located there. The Isaiah Scroll is the only one which has been on public display.

Mr. Martin assures us that it is a fact that one of the greatest cover-ups in history is this suppression of the Essenes doctrines. And He wonders why powerful interests wish to suppress their contents?

We know that about 104 B.C., the Essenes, the Levi of Israel went underground, and we also know that about 70 B.C. one called The Teacher of Righteousness, from the Essene community which lived in the caves of Judea and from there to Damascus appeared in the Temple at Jerusalem and denounced the authorities there. He was then executed after he had declared that a great Messiah would come before the end of that generation and conduct a last judgment, and inaugurate the Kingdom of saints on the earth.

We realize that the Jews do not want the ordinary Christians to believe that their Faith came from this obscure and secret, so called cult, which existed underground there in old Palestine. John Allegro as he questioned and wrote: 'The Scandal of the Unpublished Dead Sea Scrolls', lost his position as a professor in an English University. He states that the Scrolls, pose questions to hot for the scholars' liking.

He maintains that these doctrines lift the origin of Christianity to its place in the world. But the members of the International team, all ecclesiastically connected in some way, are just sitting on this material. But these Scrolls today locked in Israeli custody are in a cabinet in the basement in Jerusalem where one bomb could destroy them all at one time. We who believe in Identity of our race realize why these ancient scrolls have been buried and kept from the Christian west. The TV show Jesus of Nazareth should have disclosed the reason why, for you. From the Will Loy newsletter: Since prophecies don't come with big billboards telling what they really mean, and what they really foretell, then most people cannot see or understand what is really happening. Most people do not understand even a small part of what is happening right now, let alone the incredible things which to come. As long as change comes on slowly most people will never notice it, no matter how extreme it is.

The Socialists in the U.S. Congress together with the Illegal Drug Lords who control this nation and the world, have forced the Contras to surrender

to the Communist government of Nicaragua. This is the first step down the long road of, 'Peace at any Price', which leads to a terrible war in Central America, Mexico, and almost all of Latin America, and on into these United States. (Remember the vision of the unseen Evangelist??)

The New Socialists who are leading this 'False Peace' drive are the same evil forces that were behind WWII, and their methods are almost the same, however their true leader has not yet risen to visible power. It is possible this leader will be stopped, but only God can stop him now. The Illegal Drug Lords' use their money to move power behind the facade of phoney, popular politics. Thus the socialists and the Drug Lords need each other in their drive for more power. Panama is one of those 'Power Centres', thus Noriega is hard to bring down.

These are exciting times, but what would you expect of the Last Days of this World Order? You should live them as the spiritual adventure that they really are because it is our destiny in this world to know 'the truth', and be witness to it, and thus become the prophets of the new world. You will have to live again as you have before and then you will understand all things.

The trial in Arkansas is over and Butler, Miles and Beam and others who were linked to criminals in a move to convict them of trying to overthrow the government failed, because the jury was not convinced that they were guilty, the enemy used to many false witnesses.

Now; in 1907 construction started on the Washington National Cathedral. It is now almost completed. The interior was dedicated July 8, 1976, the exterior is seeing the finishing touches applied. There are two front towers which have 4 pinnacles each, pointing skyward.

The dedication date is set for Sept. 29, 1990 of this symbolic re-uniting of the Anglo-Saxon and kindred people. This is America' stone Temple. How much different this one than the One World government that Roosevelt and Stalin' reign of terror tried to impose on America and succeeded on imposing on the Russian people in their quest for World Domination of all races, creeds and religions.

The C.F.R. and the U.S. State department overthrew Marcos of the Philippines and now Mrs. Aquino has lost control of that country, Democracy, the promise made with the overthrow has not materialized and before to long, the U.S. will lose the military bases there as we have predicted. Does this all sound familiar? It should because you have seen it all before in Rhodesia, Mozambique, Angola, and Nicaragua and other places.

Headline: from the World Economic News: 'Who murdered Africa?' (Reprinted from the Sept. 1987 issue of Health Freedom News) WHO the World Health Organization, murdered Africa with the AIDS virus. Have you had a common cold which is a virus? How did you catch it? Yellow fever is a virus, it comes from mosquito bites. Malaria is a parasite, also carried by Mosquitoes. Dr. William Douglas in his diagnosis and statement of facts says that the 'Green Monkey', the Haitians and homosexuals were only pawns in this attack of **GERM WARFARE** on the non-communist world.

Many viruses grow in animals and are not passed on to humans. But the World Health Organization (WHO) in 1972 said in their bulletin that 'an attempt' should be made to see if viruses can in fact exert selective effects on 'immune' functions. The possibility should be looked into that the 'immune' response to the virus itself may be impaired if the infecting virus damages, more or less selectively the cell responding to the virus. That my friends is AIDS and what the WHO organization is saying in plain English, 'Let's cook up a virus selectively that will destroy the T Cell system of man, an acquired immune deficiency.

'Why would anyone want to do this? Is there a conspiracy to wipe out the human race, or just part of them? There is an amazing concatenation of events involving Russian and Chinese Communist Nationals, the World Health Organization and the National cancer Institute and the AIDS epidemic.

You know the story, a green monkey bit a native on the ass and BAM! AIDS all over Central Africa. However the AIDS virus does not occur

naturally in Monkeys. In fact it does not occur naturally in any animal. AIDS started practically simultaneously in the U.S, Haiti, and Brazil and in Central Africa. Was the Green Monkey a jet pilot?

Because of the artificial nature of the AIDS virus it will not transfer easily from man to man until it becomes very concentrated in the body fluids through repeated injections from person to person such as drug addicts, and through high multiple partners, sexual activity, such as that which takes place in Africa and among homosexuals.

Dr. Theodore Strecker's research indicates that the National Cancer Institute in collaboration with WHO made the virus in their laboratories at Fort Detrick, they combined the deadly retro-viruses, bovine leukaemia virus, the Sheep Visna Virus and injected them into human tissue cultures. The results, the AIDS virus, the first human retro-virus known to man, and now believed to be 100% fatal to those injected. This momentous plague we now face was thus anticipated in 1974.

Dr. William Douglass, the President of the Douglas Centre for nutrition and Preventive medicine in Marietta, Georgia at one time said: 'After the Holocaust has run its course, and we have buried ten or twenty million people who will protect us? If we are faced with an invasion from a Communist Mexico, and Cuba, who will defend the Rio Grande? Wouldn't it be ironic if the Communist countries because of their Victorian attitude toward sex and their severe repression of Homosexuality, escaped most of the ravages of the AIDS epidemic, and took over America by walking across the border?

Then Dr. Douglass learned that actually, Germ Warfare, is being conducted from Fort Detrick, Maryland, against the free world, even using foreign communist agents within the U.S. Army's Germ Warfare Unit. You don't believe it? Carlton Gajdusek, a big shot at Detrick states: 'In the facility I have a building where more good and loyal communists scientists from the USSR and Mainland China work with full passkeys to all laboratories, than there are Americans. Even the Army's Infectious disease unit is loaded with foreign workers, not always friendly nationalists. Imagine that! A United Nations WHO communist Trojan

horse in our biological warfare centre with the full blessings of the Jimmy Carters of this world.

This cold blooded successful attempt to create a killer virus was used in Central Africa, and has been most successful for 75,000,000 people may be dead within three to five years. They used the Small Pox vaccine for the vehicle in Uganda and other African states, and in Haiti, Brazil and Southern Japan. The epidemic of AIDS marks these areas. A large number of people have been infected at the same time, thus the story of the Green Monkey will not wash. From 1972 to 1987 is fifteen years of 180 months, and it takes 14 months to double the number of cases there would have been only 8,000 cases in Africa from one source. Yet there is now approximately 75 million. We are approaching WWII mortality statistics here without a shot being fired.

Dr. Theodore A. Strecker is a prominent and courageous California doctor who unravelled this greatest murder mystery of all. He should get the Nobel Prize but he will be lucky to escape with his life. He worked as consultant for Security Pacific Bank and helped to estimate the cost of their health care for the future when he stumbled on this mystery. He reported that the AIDS epidemic will in all probability bankrupt the nation's medical system.

AIDS was finally perfected in 1974, and because of the trillions of possible genetic combinations there will never be a vaccine that will not give you something equally as bad.

Here in these United States, it was not the Small-Pox vaccination that was used, it was the hepatitis B. Vaccine. A Dr. W. Schmugner, born in Poland and educated there then came to this country in 1969. Schmugner's immigration to the U.S. was probably the most fateful immigration in our history. He by unexplained processes became head of the New York City blood bank.

How does a Russian trained doctor become head of one of the largest blood banks in the World? Doesn't that strike you as peculiar? He set up the rules for the Hepatitis vaccine studies. Only males between the ages

of 20-40 who were not monogamous were allowed to participate in this study. Can you think of any reason other than the desire to spread something among the population, for insisting that all experiments be promiscuous? The AIDS virus was put in the Vaccine deliberately, there is no mistake. Dr. Schmugner is now dead, and his diabolical secret went with him. The data on hepatitis vaccine studies has been buried by the U.S. Department of Justice where you will never see it. Thus the AIDS virus did not come from Africa, it came from Fort Detrick, Maryland, U.S.A

The Medical profession is to cowed and frightened to take any action, thus they close their eyes. No medical journal will publish this sensational, mind boggling expose of the Aids story. The British Journal, 'Lancet' replied as did most publications when approached with this story. 'Thank you for your most interesting report on AIDS. I am sorry to have to report that we will not be able to publish it. We have no 'criticism' but the letter section is overcrowded with submissions.

That is a scary report, but since it was carried in the World Economic News, I thought you should have a run down on the story. From so many things we have learned it is not to surprising.

Now; the question: Is there any help for us? That question is asked over and over. And they are referring to Zachariah 13:8-9, does this mean that thousands will die in the U.S. in this last great battle? Answer: it is this part, 'But a third part shall be left therein' your reference is also to Luke 12:32 and this third part is the little flock, Israel who shall inherit the kingdom.

The remnant according to Dr. Swift is always all of Israel now left in Earth, according to Grace of our Father. In Revelation 14:20, 'The winepress is trodden until there is blood to the horses bit, but this is also outside of Zion or the kingdom. Then we read: 'In that day there shall be a fountain (a separation) opened to the House of David and the Inhabitants of Jerusalem (New Jerusalem) for sin (or uncleanness)' Here we see the cleansing of the kingdom so that the administration of the kingdom with justice, according to **YAHWEH'S** law and purpose.

Yes, many are dying and will die of AIDS here in the U.S. and I believe that Israel will be lightly touched with this plague, but perhaps not as much as the enemy has planned, because of who you are and the Grace of our Father.

The Mysterious deaths of 8 British scientists who were working on top secret defence projects, including the so called Star Wars program, have prompted the government to order a full scale, high level, probe. The last man to die was Trevor Knight, a 52 year old engineer. He was the fourth scientist in the guided missiles division of Marconi Defence Systems Ltd., to perish under bizarre circumstances since August 1986. He was found in a car filled with exhaust fumes in a garage at his home. The other scientists were from different companies. Doug Hoyle, a member of the British Parliament says that obviously there is a link, although no one know yet what it is.

U.S. Astronomy is in crisis, it seems congress can find no money for Astronomy after just 8 years of the unveiling of the world's most powerful radio telescope. The staff in New Mexico has been cut and cut and they are talking about closing down or selling to a foreign government who has expressed interest in buying. The Kitt Peak National Observatory in Arizona is also operating on 1/2 the budget which it had ten years ago. It is said that fear in congress of the federal budget deficit has caused this drying up of funds for those and other observatories in the U.S.

But why do we not have the money for necessary scientific projects? Is not the congress out of control? This is some of the things that were in that great spending bill which the President is not allowed to veto on a line by line veto, besides other things that I have not mentioned over the past months. Representative Charles Wilson (Democrat of Texas) was travelling around Pakistan and asked transport aboard a Defence Intelligence Agency C-12 plane. That was fine for him, but another individual in his party, former Miss World of U.S.A. could not be allowed on that plane. The congressman is single and she was not on his staff, thus not eligible to travel on one of those planes. However this angered the congressman and he set out to get revenge, on the defence attaché in Pakistan and he was able to get him fired and then succeeded in getting a

cut in the DIA's budget of 200,000 dollars and removed two of their airplanes.

The legislation that included all this was 1,050 pages long and it lumped together 13 appropriation bills that should have been passed individually. The Omnibus bill amounted to 604 billion, nearly 2/3 of the total funding for federal government operations in fiscal 1988. In this legislation the government is required to buy 10 million dollars worth of Sunflower oil, courtesy of Sen. Quentin Burdick (Dem. of N.D.).

Another targeted 16.5 million is for Tulane and Xavier Universities, both in New Orleans to advise the Defence Department on the bio-environmental effects of hazardous substance. The Pentagon had never asked for the advice, but Sen. J. Bennett Johnston (Dem. of La.) found time to stuff chestnuts into the pork roast for his own constituents.

Congressman Conte earmarked 60 thousand dollars for a Belgian Endive Research centre at the University of Massachusetts. Senator Ted Stevens (Rep. Alaska) won 2.6 million dollars to educate consumers about the benefit of eating fish. Sen. James McClure (Rep. Idaho) brought home 6.4 million for a federally funded ski-lift. Representative Joseph Early (Dem. Mass.) a member of the House appropriations committee, forced a subsidy of a high-tech research facility in Worcester, Mass.

Senate appropriations Committee member Lowell Wicker (Rep. Conn.) added one for a project in Bridgeport, Conn. Neither project qualified for aid under the EDA's selection criteria. Worcester in Early's congressional district had an estimate unemployment rate of 2.6 percent compared with 5.4 percent nationally. In Bridgeport area, unemployment was at 3 percent. A midnight amendment carried an appropriation for the study of exotic plants in Hawaii and their effect on wild pigs.

However it is not the wild pigs of Maui that are America's problem. It is the men in congress who do not give a darn about the deficit. The oldest item in this legislation was \$540,000.00 to bring legislators from developing nations to Washington D.C. to 'Watch Congress Work', unless that is the idea of Senator Hollings who initiated this item, to show those countries what NOT to do.

From the National Geographic, Prehistoric sheep grew dark hairy coats that caught on branches or simply fell off their bodies in heavy clumps in the spring and this wool was used for many things. The amazing thing is the carpets found throughout the Caucasus Mountains with their large 8 pointed star design, which goes back through centuries, no one knew how far. Scholars have been puzzled about the origin of the Lesghi star pattern found in these pile carpets throughout those Caucasus Mountains. Wonder if they would believe it if we told them the story?

Until next time

Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers. His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.”

Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching these truths to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.
