Priests of Ba'al - Part 1

Priests of Ba'al Are in the Pulpits of America Today! This study is taken, in part, from one of Pastor Sheldon Emry's tapes.

A question which must be answered is, how to counter the Judization, the implementation of false teachings which have been given to the vast majority of the preachers in the pulpits of America today?

It is my considered opinion that more than 95% of the so-called preachers, ministers, priests and etc., in the pulpits of America today are nothing more or less than Judeo-Christian Priests, Ministers, Preachers, yea: They are Disciples of Baal!

That there are Judeo-Christian preachers [from this point on I will use the word Judeo-Christian preacher(s) instead of listing the various names by which they are called by their congregations] of Ba'al in America today is beyond question, to anyone who will take time to study both the Scriptures and the results of the so-called preaching of today's Judeo-Christian preachers.

Every time that I think to myself it is a hopeless task, trying to inform American Christians and provide them with information their Judeo-Christian preacher is not about to give them; for fear of the Jews, that almost all of the "Judeo-Christians" in Organized Religion are not interested in really learning the Word of God.

However the Lord, through the Holy Ghost, brings to mind the following Scriptures: "...Behold, a sower went forth to sow; And when he sowed,

some seeds fell by the way side, and the fowls came and devoured them up: Some fell upon stony places [A stony heart], where they had not much earth: and forthwith they sprung up, because they had no deepness of earth: And when the sun was up, they were scorched; and because they had no root, they withered away. And some fell among thorns; and the thorns sprung up, and choked them: But other fell into good ground, and brought forth fruit, some an hundredfold, some sixtyfold, some thirtyfold." **(Matthew 13:3-8)**

Which is explained by Jesus: "Hear ye therefore the parable of the sower. When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one [Satan], and catcheth away that which was sown in his heart. This is he which received seed by the way side. But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended. He, also, that received seed among the thorns is he that heareth the work; and the care of this world [Ministers of Organized Religion], and the deceitfulness of riches, choke the word, and he becometh unfruitful. But he that received seed into the good ground is he that hearth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty." **(Matthew 13:18-23)**

The second witness Deuteronomy 19:15 is Luke: "A sower went out to sow his seed: and as he sowed, some fell by the wayside; and it was trodden down, and the fowls of the air devoured it. And some fell upon a rock; and as soon as it was spring up, it withered away, because it lacked moisture. And some fell among thorns; and the thorns sprang up with it, and choked it. And other fell on good ground, and sprang up, and bare fruit an hundredfold." **(Luke 5-8)**

What I said about the Holy Ghost bringing things into remembrance is borne out by the following Scripture: "But the Comforter, which is the Holy Ghost, whom the Father shall send in my name, he [The Holy Ghost] shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you." **(John 14:26)**

As I thought upon these things which I am presenting to you, the Holy Ghost showed me why I must present them to you. "If thou put the brethren in remembrance of these things, thou shalt be a good minister of Jesus Christ, nourished up in the words **OF FAITH** and of good doctrine, whereunto thou hast attained." (1 **Timothy 4:6**)

So you can see I, as a brother and servant to Christ, it is my duty to show you and all who will listen these things, to sow the seed. Then you and they must do what you will with that seed.

Therefore: "Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth. Yea, I think it meet, as long as I am in this tabernacle (Flesh body), to stir you up by putting you in remembrance; Knowing that shortly I must put off this my tabernacle, even as our Lord Jesus Christ hath shewed me." (2 **Peter 1:12-13**)

So it is: "I will therefore put you in remembrance, though ye once knew this, how that the Lord, having saved the people out of the land of Egypt, afterward destroyed them that believed not." (**Jude 5**)

Therefore, in response to the Lord's commandment to me, I present the following for your study and edification. It is very evident, that, there are actually people who are carrying out what is known in the Scriptures as Baal worship. Many of our people, and most Judeo-Christian preachers, simply do not know what Baal worship is.

They don't understand it or recognize it when they see it. Because they have not been taught, because of false the false teaching they have received in the seminaries, to recognize it. It can be likened to recognizing or understanding a disease. Everyone knows there is a disease known as cancer.

In fact, cancer manifests itself in a number of different ways. However, we would venture to guess that there is no one in most church audiences who could look at a person and say that person has cancer. Not because they are without intelligence, and not because cancer does not exist, but

because the symptoms are so different and, generally speaking, are unknown to our people.

The same thing happens to be true of Baal worship. Our people are so ignorant of the historical books of the Bible that tell us what Baal worship is, that Baal worship actually exists right in our former Christian Nation and people don't know it is going on.

First let us define what a Christian is and then it will be a little easier to recognize the disciples of Baal. The word Christian is used only three times in our King James Version of the Bible. In the twenty-sixth chapter of Acts, Paul is preaching to King Agrippa. After he had preached awhile, King Agrippa says: "...Almost thou persuadest me to be a Christian." (**Acts 26:28**)

So, whatever King Agrippa would have become if he believed everything that Paul was preaching, apparently, the name "Christian" fit it. The term "Christian" is also found in 1 Peter: "If ye be reproached for the name of Christ, happy are ye; for the spirit of glory and of God resteth upon you: on their part [on the part of unbelievers] he is evil spoken of, but on your part he is glorified. But let none of you suffer as a murderer, or as a thief, or as an evildoer, or as a busybody in other men's matters. Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf." (**1 Peter 4:14-16**)

This is a partial description of a Christian; that the spirit and glory of God is on him; he is not a criminal, he is not a busybody, he is not a person who causes trouble among other people, and he glorifies God.

What may be the best simple clue as to what a Christian is can be found in the eleventh chapter of Acts: "...And the disciples were called Christians first in Antioch." (**Acts 11:26**)

So whatever a Christian is, he first has to be a disciple. According to this simple statement in Acts, it was the disciples who were called Christians **FIRST**. The dictionary meaning for the word Christian actually is not complete enough because it says: "one who professes to believe in Christ or the religion of Christ."

Priests of Ba'al - Part 2

We believe you will see, as you continue reading this presentation, that there are many people who profess to believe in Christ **WHO ARE NOT ACTUALLY DISCIPLES OF CHRIST!** In many cases **THEY ARE ACTUALLY DISCIPLES OF BAAL!**

So, instead, let's study the meaning of discipleship which will be an easier way for us to understand who the disciples of Baal are, and who are the disciples of Christ.

The dictionary meaning for the word disciple is quite long, but we'll paraphrase it this way: "one who believes in a teaching of a doctrine and obeys his doctrine and helps in the spreading of his doctrine."

There are, obviously, three parts to discipleship. It is not just a case of professing believership but also actually obedience to the doctrine of whatever teacher the disciple is following. The disciple must also help in spreading the doctrine.

It is somewhat confused by watching professing Christians who say they believe in the doctrines of Christ but they don't obey those doctrines, and they don't help spread them. The reason for this may be because they are actually spreading some other doctrine of some other teacher or some other god.

Now, let's examine what Baal worship is, according to the Bible. There are six names used in the Old Testament and the New Testament for Baal. Of course, one name is Baal; another is Baalim. Wherever Baalim (Judges 2:11; 3:7; 8:33; 10:6; 10:10; Isaiah 7:4; 12:10; 1 Kings 18:18; 2 Chronicles 17:3; 24:7; 28:2; 33:3; 34:4; Jeremiah 2:23; 9:14; Hosea 2:13; 2:17 and 11:2) is found in the Old Testament it is translated from the same Hebrew word. It could just as well have been translated Baal. The rest of the names are Molech (Leviticus 18:21; 20:2-5; 1 Kings 11:7; 2 Kings 23:10 and Jeremiah 32:35) and Moloch [Amos 5:26 and Acts 7:43), Malcham (1 Chr. 8:9 and Zep. 1:5) and Milcom (1 Kings 11:5; 11:33 and 2 Kings 23:13).

The reason those names are used is they are Moabite or Ammonite names of Baal. They actually mean Baal but they're put there in a transliteration of the Moabite or Ammonite name rather than using Baal.

The first time the word Baal is used in the Bible is in the twenty-second chapter of Numbers, verse 41. We think you will agree that is very, very significant as to what was going on when that word was used for the first time.

This chapter is speaking of Balak, the king of the Moabites, who had hired Balaam [who was apparently a priest of Baal] to curse Israel [Known to the world today as the Anglo-Saxon, Germanic, Scandinavian, Celtic and Kindred people of the Western World. The White Race]. "He sent messengers therefore unto Balaam the son of Beor to Pethor, which is by the river of the land of the children of his people, to call him, saying, Behold, there is a people come out from Egypt: behold, they cover the face of the earth, and they abide over against me: Come now therefore, I pray thee, curse me this people; for they are too mighty for me: peradventure I shall prevail, that we may smite them, and that I may drive them out of the land: for I wot that he whom thou blessest is blessed, and he whom thou cursest is cursed." (Numbers 22:5-6)

Balaam, apparently, had a reputation of having some sort of power to curse people or to bless them. Balak, king of the Moabites, called him and apparently offered him pay in order to curse the Children of Israel. "And it came to pass on the morrow, that Balak took Balaam, and brought him up into the high places of Baal, that thence he might see the utmost part of the people." (Numbers 22:41)

Balak took Balaam up into the place where Baal was worshiped in order that he might see all the House of Israel. For what purpose? To do two things: to spy upon the entire nation of Israel, and to curse Israel. So, the first time we find the word Baal used in the Bible is when **SOMEONE IS TRYING TO DESTROY THE CHILDREN OF ISRAEL USING THE HIGH PLACES** [known today as the Synagogues of the Jews] **OF BAAL FOR THAT PURPOSE.**

The cursing that Balaam did, seemed to have no effect because every time he opened his mouth to speak God made him say things that were blessings to the Children of Israel. However, continuing on in Numbers we read: "And Israel abode in Shittim, and the people began to commit whoredom with the daughters of Moab. And they called the people unto the sacrifices of their gods: and the people did eat, and bowed down to their gods. And Israel joined himself unto Baal-peor: and the anger of the Lord was kindled and against Israel." (**Numbers 25:1-3**)

This is the second time the word Baal is used in the Scriptures. The first time the enemies of Israel were attempting to curse Israel from the high [Synagogues, the worship] places of Baal.

The next time the term Baal is used, we find Israel has actually begin to intermarry with non-Israelites followed immediately by worshiping of Baal. This sexual intercourse with non-Israelites is part of Baal worship. This is verified in Revelation 2:14 where Christ is recorded as saying: "But I have a few things against thee, because thou has there them that hold the doctrine of Balaam, who taught Balac to cast a stumblingblock before the children of Israel, to eat things sacrificed unto idols, and to commit fornication."

This stumblingblock, which was placed before the Children of Israel, was miscegenation - Race Mixing. And has been a stumblingblock all through the ages, and is part of the Baal worship being taught to our people today, from the vast majority of the pulpits of America today.

The first two times that Baal worshiper, or the disciples [followers] of Baal, worked against the children of Israel they attempted three things.

- (1) They caused Israel to commit interracial marriage,**
- (2) They used Baal worship to spy on Israel, and**
- (3) They attempted to curse Israel.**

Whatever Baal worship is, it is used against the Children of Israel the first time we read of it in the Bible. The first manifestation of Baal worship in the Bibles is as enemies of the Children of Israel.

The Book of Judges tells the story of Israel turning away from God to Baal worship and then being punished. Let us examine the second chapter of Judges; Israel is in Canaanland and Joshua has died: "And the children of Israel did evil in the sight of the Lord, and served Baalim: And they forsook the Lord God of their fathers, which brought them out of the land of Egypt, and followed other gods, of the gods of the people that were round about them and bowed themselves unto them, and provoked the Lord to anger. And they forsook the Lord, and served Baal and Ashtaroth." **(Judges 2:11-13)**

Baalim is the same Hebrew word translated Baal, so, it means Baal. One can see here that Baal worship is also a multiplicity of gods, it is not just one god. Serving Baalim also meant serving Ashtaroth.

In Judges, chapter ten, is another instance of Israel's turning against the Lord. This occurred after they had been sent into captivity and then saved out of their captivity. "And the children of Israel did evil again in the sight of the Lord, and served Baalim, and Ashtaroth, and the gods of Syria, and the gods of Zidon, and the gods of Moab, and the gods of the children of Ammon, and the gods of the Philistines, and forsook the Lord, and served not him. And the anger of the Lord was hot against Israel, and he sold them into the hands of the Philistines, and into the hands of the children of Ammon." **(Judges 10:6-7)**

Notice, God's punishment was to actually sell the children of Israel into the hands of the people who were the Baal worshipers. You would think God would try to get them away from there. No, God's punishment was actually to give them into the hands of those people who worshiped Baal and these other gods.

Priests of Ba'al - Part 3

Our so-called religious festival of Easter actually has its origin in the worship of Astaroth; it is the worship of the wife of god of Baal. That is who Ashtaroth was.

From Halley's Bible Handbook we find what actually went on and was carried out by the disciples of Baal. This is a description of what Christian men have found while excavating ruins in old Canaanland. It is coupled with what the Bible says about Baal worship. God's people in America must come to recognize Baal worship.

Otherwise, they will be deceived into thinking that many of these things are trappings of our religion when in fact they are not. Under "Religion of the Canaanites," we find: "Religion of the Canaanites: Baal was their principal god; Ashtoreth, Baal's wife, their principal goddess. She was the personification of the reproductive principle in nature. Ishtar was her Babylonian name; Astarte here Greek and Roman name. Baalim, the plural of Baal, were images of Baal; Ashtaroth, the plural of Ashtoreth. Ashera was a sacred pole, cone of stone, or a tree trunk, representing the goddess."

The worship of Astarte is the origin of "Easter." What is this "sacred pole?" Well, the dancing around the May Pole on May first is actually one of the things the Baal worshiper did. They had a pole and they danced around it in a circle, and is done all over the world by these ungodly people; they dance around a May Pole.

Continuing on in Halley's: "Temples of Baal and Ashtoreth were usually together. Priestesses were temple prostitutes. Sodomites [Queers] were male temple prostitutes. The worship of Baal, Ashtoreth, and other Canaanite gods consisted in the most extravagant orgies; their temples were centres of vice [whorehouses]."

We are talking about **RELIGIOUS EXERCISES**. Many people see these things happening in America and think that these people are just sinners. NO! This is actually part of the religion of Canaan. They did these things as a religious exercise.

Quoting again from Halley's:-

"Archaeological Notes: Canaanite Religion. God's express command to Israel was to destroy or drive out the Canaanites. (Deut. 7:2-3) And Joshua went at the task in dead earnest, God Himself helping with mighty miracles. In reality, **GOD DID IT!**

In excavations at Gezer, Macalister, of the Palestine Exploration Fund, (1904-09), found, in the Canaanite stratum, which had preceded Israelite occupation, of about 1500 B.C., the ruins of a 'High Place,' which had been a temple in which they worshiped their god Baal and their goddess Ashtoreth (Astarte).

It was an enclosure 150 by 120 feet, surrounded by a wall, open to the sky, where the inhabitants held their religious festivals. Within the walls were 10 rude stone pillars, 5 to 11 feet high, before which the sacrifices were offered. Under the debris, in this 'High Place,' Macalister found great numbers of jars containing the remains of children who had been sacrificed to Baal. The whole area proved to be a cemetery for newborn babes."

Therefore, it is very clear the so-called "High Place," was also an Abortion Murder mill like those in America today. And do the Judeo-Christian preachers of America cry out against it. **HELL NO, BECAUSE THEY ARE AFRAID OF THE GOD DAMN JEWS!! BECAUSE IT IS THEY WHO OWN AND RUN THE ABORTION CLINICS OR THE DOCTORS AND NURSES WHO DO THE ACTUAL KILLING OF THE BABIES!!**

Most of us have been absolutely amazed to find how easily this nation has been converted from a nation that believed in the sanctity of life and especially loved to have many children, to a nation that is now killing hundreds of thousands, now reaching into the millions of babies each year. **THE RELIGION OF BAAL INCLUDED THE MURDER OF LITTLE CHILDREN. IT WAS NOT SOMETHING THEY DID, IT WAS A RELIGIOUS EXERCISE THAT WAS DONE IN THE NAME OF THE GOD BAAL! WHICH IS KNOWN TO THE WORLD TODAY AS JUDAISM!**

Priests of Ba'al - Part 4

Continuing on in Halley's: "Another horrible practice was that they called 'foundation sacrifices.' When a house was to be built, a child would be sacrificed, and its body built into the wall, to bring good luck to the rest of the family. Many of these were found in Gezer. They have been found also at Megiddo, Jericho and other places—Also, in this 'High Place,' under the rubbish, Macalister found enormous quantities of images and plaques of Ashtoreth with rudely exaggerated sex organs, designed to foster sensual feelings [pornography if you will]. So, Canaanites worshiped, by immoral indulgence, as a religious rite, in the presence of their gods; and then, by murdering their first-born children, as a sacrifice to these same gods."

Women of today do exactly the same thing, when they have an abortion and say they cannot afford to have children yet, **BECAUSE THEY WISH TO BUY A HOUSE, CAR OR SOME OTHER MATERIAL THING. SACRIFICING THEIR UNBORN CHILDREN TO BAAL SO THEY CAN HAVE THE THINGS THEY DESIRE!**

Our people don't recognize this. People say, oh, this is terrible, this is something, and you shouldn't do this, and this is murder. They protest to some extent on the basis of what they know is right and wrong, but they do not have the knowledge necessary to recognize that we have a nation full of Baal Judeo-Christian preachers. These Judeo-Christian preachers are practicing their religion in this nation, of that there is no doubt.

Once again quoting from Halley's: "It seems that, in large measure, the land of Canaan had become a sort of Sodom and Gomorrah on a national scale...[Under Archaeological Note: Baal Worship] The Oriental Institute, excavating at Megiddo, which is near Samaria, found, in the stratum of Ahab's time (after Israel was in the land) the ruins of a temple of Ashtoreth, goddess wife of Baal. Just a few steps from this temple was a cemetery, where many jars were found, containing remains of infants who had been sacrificed in this temple. Prophets of Baal and Ashtoreth were the official murderers of little children."

The enemies of the Children of Israel would like to reduce the numbers of the Children of Israel. They do this through their teaching and preaching of abortion. Abortion has now become a tremendous thing in our land; hundreds of thousands of young babies are killed every month. At the same time these enemies of Israel promote illicit and premarital sex. That, of course, does what? It brings about pregnancies in women who then have an abortion and what is that? **IT IS THE MURDER OF UNBORN CHILDREN, WHICH IS A DOCTRINE OF BAAL WORSHIP.**

It is not just something that someone is doing. If these people just wanted to reduce the number of the White Race, they would try to get these young girls not to have premarital sexual relations. Instead, these young girls are urged, by the educational system, the movie and television industry to have premarital relations. After all, they are going to do it anyway. What a bunch of BS. Our young women of yesteryear did no such thing.

Of course a few did, but not nearly in the numbers they do today. Our educational system and Hollywood are full of these manifestations and trappings of Baal which lead millions of young girls to illicit sexual acts and pregnancy. Then after they become pregnant they receive "counseling" which attempts to lead them to the Jewish doctors who then kill the unborn children.

Infanticide: Incorrectly Called Abortion

According to Webster's Dictionary the definition of infanticide is the murder of an infant. Murder is the unlawful killing of a human being with premeditated malice [the intentional doing of a wrongful act without just cause of excuses]. The definition of abortion is, "The expulsion of the human foetus prematurely, particularly at any time before it is viable [capable of living on its own]; miscarriage."

Today, infanticidists (**ONE WHO MURDERS AN INFANT**, per *Webster's Dictionary*), using a method called Dilation and Curettage, cutting the squirming and resisting baby's body and placenta into pieces with a loop-shaped steel knife and suck them into a jar. Because it is struggling and trying to escape it is apparent that even the baby knows

that it is a human being and is trying to protect its' life. From the jar the baby's body pieces are reassembled on a table to verify that all the parts have been removed. This is a far cry from a miscarriage whereby the human body naturally expels the unborn infant.

We are presenting an argument that infanticide (incorrectly called abortion) is actually the murder of an unborn infant and is **NOT** a right of privacy due to the mother.

It will also set forth the argument that the changing of the meanings of the words describing the positions taken by so- called Pro-Lifers and Pro-Deathers are actually distorting what the issues really are. We will only address situations where there has not been a pregnancy caused by rape or incest, or situations where the mother's life would be in danger if the baby's life is not terminated. Approximately 95% to 98% of all unborn infanticide is for conveniences' sake.

Why is a foetus a person in the sense in which a baby is? Since no sane person would say that it is lawful to kill a baby, if it is shown that a foetus is in fact a baby, then killing a foetus would be tantamount to murder! Biblically it can be shown that foetuses in the womb struggled against each other as evidenced by **Genesis 25:22**.

Here we read (NASB); "But the children struggled together within her; and she [Rebecca] said, 'If it is so, why then am I this way?' so she went to inquire of the Lord." Verse 23, "And the Lord said to her, 'Two nations are in your womb; And two peoples shall be separated from your body; And one people shall be stronger than the other; And the older shall serve the younger.'"

Obviously in order for one of the foetuses to struggle with the other he had to be conscious of the fact that the other foetus was also a human being. Why have strife with a nonentity? It would accomplish nothing.

In Psalm 139:13 David states (KJV), "For Thou has possessed my reins: thou hast **COVERED** me in my mother's womb." The word covered in

Strong's is #5526. The word is "sakak" and means "prop. to entwine as a screen; by implication to fence in, cover over, (fig.) Protect."

It is the same word used in Exodus 33:22 which states "and it will come about, while My glory is passing by, that I will put you [Moses] in the cleft of the rock and **COVER** you with My hand until I have passed by." Therefore, it can be seen from this verse that protection **IN THE WOMB** is essential.

In Ecclesiastes 11:5 Solomon writes (NASB), "Just as you do not know the path of the wind and how bones formed in the **WOMB** of the pregnant woman, so you do not know the activity of God who makes all things."

The New English Bible adds the words "and living spirit in the **WOMB**" in this verse also. Luke 1:15 states: "For he [John] will be great in the sight of the Lord, and he will drink no wine or liquor; and he will be filled with the Holy Spirit, while yet in his mother's **WOMB**."

Ecclesiastes 12:7 states (KJV), "Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it." When is the spirit given to man - at birth or at conception? Without the "breath of life" man cannot exist. Inside or outside the womb.

Justice Harry Blackmun, speaking for the majority on the U.S. Supreme Court, stated in the Roe vs. Wade (1973) decision that the pregnancy may be terminated within the first three months at the mother's discretion [convenience]. If the mother's health has to be protected, then in the second three months the states may restrict, but **NOT** prohibit termination of the pregnancy.

Priests of Ba'al - Part 5

In the last three months, states **MAY** restrict or even prohibit infanticide to protect the life of the foetus, except when the mother's life is in danger. In effect the seven U.S. Supreme Court justices decided to play God by making it lawful to commit murder. By doing this and in the name of "trying to protect a woman's right to privacy" they violated the very U.S. Constitution they had sworn to uphold.

In fact, the Jewish Justice Blackmun could not point to a specific constitutional guarantee to justify the court's ruling. Instead, he rationalized the decision on the right to privacy protected by the 14th Amendment's [an Amendment which came straight from Satan's throne] Due Process clause; and on the medical ethics and standards of another Jew, Dr. Edelstein.

It will be shown further on in this report the fallacy of this kind of thinking because one's right to privacy can extend only to the point of infringement on someone else's life, liberty and the pursuit of happiness.

Abortion has become an overt means of child sacrifice which the Jews have instituted under their de facto laws. Which is simply a covert means of child sacrifice which has been part of their infamous "ritual murders, which Jews have been accused through the ages."

In this practice, the Jewish abortion doctors and nurses take "the blood of the sacrificed Christian (child) is mixed with flour to make the unleavened bread (known as Haman Ears, Haman Cakes and etc., in remembrance of the slaughter of thousands of White Israelites as recorded in the book of Esther in the Bible. The only book in the Bible the name of Yahweh never appears. The only Jewish book in all of the Bible, the claims of the Jews and their lackeys notwithstanding) eaten at (the Jewish) Passover." (The Illustrated Atlas of Jewish Civilization, Ed. Martin Gilbert, MacMillan Pub. Co., 1990, p. 125) Thus, we can clearly see that the practice of abortion, which conforms very well with the Jewish ritual of child sacrifice to idols such as Molech, which is condemned by Almighty God in the Scriptures as an abomination.

However, the Jewish Babylonian Talmud recognizes such sacrifice as normal: "giving one's seed to Molech is not idolatry." (Sanhedrin 64a) Molech was a god of the Canaanites and Babylonians, and Babylon is the bedrock of the Jewish Talmud and Jewish tradition. This deity was the center of child sacrifice. Plus the fact that **THE JEWISH TALMUD TEACHES THAT THE EXTERMINATION OF CHRISTIANS IS A NECESSARY SACRIFICE TO GOD. (Zohar II, 43a)**

Proof of the above came most unexpectedly in March 1990, when an unprecedented display of Jewish contrition and humility was witnessed in York, England. There were four days of religious occasions, including some in York Minster, **IN MEMORY OF CHRISTIAN CHILDREN WHO WERE CRUCIFIED, TORTURED AND BLED TO DEATH ALL OVER EUROPE IN MEDIEVAL TIMES TO SATISFY JEWISH RELIGIOUS RITUALS!**

Justices White and Rehnquist, the two dissenting voters, probably stated it best when they said; "the majority's judgement was directed by its' own dislikes, not by any constitutional compass. In the absence of guiding principles, they asserted, the majority justices simply substituted their views for the view of the state legislatures whose abortion regulations they invalidated."

The Jews had long been pressuring legislatures and courts to "legalize abortion." In America this was achieved by judicial usurpation over the rights of the states when the Jew, Justice Blackmun speaking for the U.S. Supreme Court in 1973, claimed to make abortions "legal." (This was in the case of "Roe v. Wade, 410 U.S. 113. This case was not based on American Law but rather the 14th Amendment. American Law prohibits such acts, as the dissenting opinion shows at least 36 different states or territories had passed laws limiting abortion prior to the 14th Amendment in 1868)

These state legislators were elected by a majority in each state to present their constituents' view of anti-death. The Declaration of Independence states "That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty,

and the pursuit of happiness; that, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed..."

When were the men that are mentioned in the Declaration of Independence created? The day the human being leaves the womb or the day of conception? Obviously the human life begins at conception, because if you do not have conception you will never have the human being.

If the human life begins at conception, then the human life has certain unalienable rights. These are rights that are incapable of being alienated, surrendered, or transferred whether or not the individual can speak for himself. Speaking in general terms the right of one individual's privacy ends where the actual life of another individual starts.

For example, if one's next door neighbour is strangling his three year old son in his house do we reason to ourselves "that is none of my business; it is his son; and he has the 'right of privacy' to do whatever he pleases to his son" or do we take action to prevent the potential murder from occurring, because the "right to life" is a higher right than the dad's "right to privacy."

Distorting Word Meanings

In the abortion [infanticide - the right to Murder a baby] conflict we have two groups each "for" their particular issue. One is called "Pro-Life" and the other is called "Pro-Choice." Neither group, as named, is directly opposed to the other. Defining these two groups in general terms "Pro-Life" is not the opposite of "Pro-Choice."

However, in fact, the "Pro-Choice" groups are actually Pro- Death [Pro-Murder], since they maintain that murder is a "choice." By calling the Pro-Death group "Pro-Choice" one could get a distorted view of what the "Pro-Choice" group really represents. When it comes to murder there are **NO-CHOICES**. A choice to do wrong to another human being is no choice at all!

If you are for something, you are against its opposite. If you are pro-life, then you are against someone having the "choice" to murder an infant. Since the death is the opposite of life, the reverse would also be true. If you are pro-death, you would be anti-life [not "Pro-Choice"].

Speaking in general terms we are all "pro-choice," which is the opposite of compulsion. Everyone believes that each individual has the right or freedom to do what they want. However, the freedom of each individual to do what they want extends only to the point of infringing on someone else's "life, liberty, or pursuit of happiness [property]."

Thus, we see that individuals that are pro-life [opposed to murder] are also actually pro- choice [opposed to compulsion] to the extent those actions do not infringe on someone else's "life liberty, or pursuit of happiness [property]."

However, pro-life proponents believe that a choice to do wrong [murder an unborn infant] is not a choice at all. Infant murder outside the womb or inside the womb is wrong.

Pro-Death proponents are "Pro-Life" when it comes to their life, but cannot respect the life of others. And they will take your life if you oppose them, and they get the chance. Make no mistake about it.

The U.S. Supreme Court recognized the development and life of an infant in the womb when they allowed the states the freedom to regulate or prohibit infanticide in the last six months of pregnancy. Why regulate or prohibit infanticide in the womb if the infant is not a human being?

Since they have allowed the states to regulate or prohibit infanticide in certain cases we find that the real question the seven U.S. Supreme Court Justices raised is "**WHEN** does the infant become a human being in the womb?" and **NOT** "IS the infant a human being in the womb?" If they wanted to ask the question "**IS** the infant a human being in the womb?," then they would **NOT** have regulated the state on the last two trimesters. So we must conclude that the learned justices recognized the fact that **THE FOETUS IS A HUMAN BEING:** therefore, they knew abortion

(infanticide) was/is murder but they gave women the right to do so for a limited period of time if they so desired! Thus the Justices have been guilty of being an accomplice to the murder of literally millions of babies since 1973!

Ba'al Priests - 6

Another proposed dilemma in this issue is the question of freedom vs. order. Does the freedom of a woman to "do what she wants with her body" take priority over "the killing of unborn babies" (order)? Missing from the dilemma is the issue of "the freedom of the baby."

Most Pro-Death advocates seem to forget that the woman had the choice of abstaining from sex or using birth control methods to prevent conception. These women lost their freedom of having the abortion at the time of conception.

As a result of the seven Supreme Court justices determination that "freedom of the woman" takes priority over "freedom and life of the baby," we have had, since 1973, over 26-million innocent unborn babies murdered. This is equivalent to the sum population of more than 12 U.S. states or approximately 1/10th of the current U.S. Population.

Irrationality of Supreme Court Decisions

John Ankerberg and John Weldon in their book "When Does Life Begin?" pointed out the irrationality of the Supreme Court's decision. They stated "Animals are now guaranteed more legal rights and protections than unborn children—The very same Supreme Court which made possible the slaughter of tens of millions of unborn human babies stopped the construction of the \$116-million Tellico Dam in Tennessee merely because it might cause a three-inch fish known as the 'snail darter' to become extinct!"

We can do horrible things to the pre-born that we are legally prohibited from doing to dogs or even hamsters! Of course the Queers do not want any harm to come to the hamster, they like to cram them up each others ass for an exotic thrill! How sick can one get?

Doctors were/are charged to both save life and to destroy it. All laws attempting to prohibit abortion after viability have been declared unconstitutional. But the Supreme Court does all "that two doctors be present when viable [babies able to live outside the womb] infants are aborted - one **TO KILL THE BABY THROUGH ABORTION** [infanticide] and one to care for the infant should the first doctor **FAIL TO MURDER THE BABY!**"

Further, if during an abortion procedure the child is killed while in the womb, no law is broken, but if that same child is removed from the womb and Murdered outside the woman, the physician is liable to a charge of murder!

PLANTING SEEDS: In her book "Selling Teen Abortions," Carol Everett, a former agent for the abortion industry in Dallas, now converted explains how it was done. "**FIRST, I ESTABLISHED MYSELF WITH THE TEENS AS AN AUTHORITY ON SEX. I EXPLAINED TO THEM THAT THEIR PARENTS WOULDN'T HELP THEM ...I KNEW THEIR SEXUAL ACTIVITY WOULD INCREASE, TO 5 OR 7 TIMES A WEEK ONCE THEY WERE INTRODUCED TO THE CONTRACEPTION METHOD** (which I recommended). **THEN I COULD REACH MY GOAL, THREE TO FIVE ABORTIONS FOR EACH TEENAGER BETWEEN AGE 13 AND 18.**" She said she targeted 5th and 6th graders, "**THE EARLIER THE BETTER FOR PLANTING SEEDS—GETTING INTO JUNIOR HIGH AND HIGH SCHOOL WAS NO PROBLEM.**" (Resurrection, Summer '92)

Right to Live Denied

The other legal rights of the unborn were maintained; only their right to live was denied. In property and inheritance law Anglo-American jurisprudence has scrupulously maintained the rights of the unborn, accepting that human lie begins at conception.

All of us are familiar with "wrongful death" lawsuits against persons who accidentally injure unborn children to the point of their death. To this day, the law recognizes unborn children as persons entitled to all these rights. In fact, criminals who have assaulted pregnant women have been successfully prosecuted for murder when the unborn child has been killed. Nevertheless, the law regards the unborn as a non-person when a mother is willing to destroy it.

In conclusion, we see that regardless of the terminology used by either side the living being has its life abruptly ended in infanticide. No matter how much it may fight to stay alive in the womb it is certainly fighting a hopeless battle.

Probably not one of the seven Supreme Court Justices that voted "Pro-Death" realized that if their mother had made a Pro-Death choice when she was pregnant with them, then they would have never enjoyed the life they had/have. The same holds true for the doctors, nurses and mothers who go through the process of infanticide. Someone was gracious enough to give them the opportunity to live, **SO WHY CAN'T THEY ALLOW THE SAME OPPORTUNITY FOR THE UNBORN?**

Who has opposed abortion, the murder of the unborn, in America since our beginning as a few colonies?

Who arrested the abortionist (Murderers) and either executed them or put them in prison?

If our people would only bother to study history a little they would find that the vast majority of the abortionists are Jews -- of whom Jesus said: "Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets—and say, If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets—Ye serpents, ye generation (Race) of vipers, how can ye escape the damnation of hell?" (**Matthew 23:29-33**) Why did God send Israel into the Assyrian captivity? The reasons are found in 2 Kings, chapter seventeen: "In the ninth year of Hoshea [King

of Judah, the southern kingdom], the king of Assyria took Samaria, and carried Israel away into Assyria, and placed them in Halah and in Habor by the river of Gozan, and in the cities of the Medes. For so it was, that the children of Israel had sinned against the Lord their God, which had brought them up out of the land of Egypt, from under the hand of Pharaoh king of Egypt, and had feared other gods, And walked in the statutes of the heathen [they did the things that the heathen believed in], whom the Lord cast out from before the children of Israel, and of the kings of Israel, which they had made. And the children of Israel did secretly those things that were not right against the Lord their God..." (2 Kings 17:6-9)

We, currently, live in a nation where people are doing things that are not right against the Lord? Multiplied hundreds of thousands, perhaps millions of people in this nation are actually doing these same things that we read of in **2 Kings**.

We are not talking about just the people of the other races. We are talking about our Israel people, the Anglo-Saxon, Germanic, Scandinavian, Celtic and kindred peoples, The White Race.

God told the Israelites they were driven into captivity because: "—they rejected his statutes, and his covenant that he made with their fathers, and his testimonies which he testified against them; and they followed vanity, (The old English word 'vanity' means lies, false teachings or false doctrines), and became vain, and went after [intermarried with] the heathen that were round about them, concerning whom the Lord had charged them, that they should not do like them. And they left all the commandments of the Lord their God, and made them molten images, even two calves, and made a grove, and worshiped all the host of heaven, (They began to worship the stars, sun and moon, trying to read their future - just as they are doing today, when they call the so-called astrologers advertising on television) and served Baal. And they caused their sons and their daughters to pass through the fire, (When a woman has an abortion and the doctor inserts a saline solution into her womb, he is in actuality burning her unborn child to death. Thus causing her son or daughter to pass through the fire) and used divination and enchantments, and sold themselves to do evil in the sight of the Lord, to provoke him to anger." (2 Kings 17:15-17)

These are all of the things that Israel did in the old land of Palestine. These things all fall under the collective title of "serving Baal" or "serving the Baals."

We read in Numbers that serving Baal was not just worshiping Baal, it was worshiping Baal and all of the gods of the Ammonites, the Moabites, the Philistines and so on. "Therefore the Lord was very angry with Israel, and removed them out of his sight: there was none left but the tribe of Judah only." (2 Kings 17:18)

Later on the tribe of Judah was taken into the Babylonian captivity for the same reason, because they had turned away from Yahweh and served Baal.

Thirteen Things Which Constitute Baal Worship

They are:–

- (1) Spying on and working against the Children of Israel;
- (2) Interracial fornication [Miscegenation - interracial marriage];
- (3) Forsaking God;
- (4) Serving Ashtaroth;
- (5) Prostitution or illicit sex;
- (6) Homosexual practices;
- (7) The murder of babies, preferably the first-born or unborn;
- (8) Sexual images and pictures [pornography];

- (9) Doing things the way the heathen would;
- (10) Disobeying the commandments of God;
- (11) Worshiping the host of heaven;
- (12) Causing their sons and daughters to pass through the fire; and,
- (13) Using divination and enchantments.

Our people are turning away from Yahweh to learn all of the things of the heathen. They are worshiping the host of heaven, and doing all of these things which are listed here as a part of Baal worship. By the time we go back down through this list again we think you will see that America has literally become a nation of Baal worshiper. Those thirteen things do not constitute all of Baal worship but they are "a part" of Baal worship.

THE FIRST ITEM: on the list is: spying on and working against the Children of Israel. Almost the entire Communist apparatus could be considered that much of Baal worship because they intend to destroy our nation and our people. Many, in fact, most of the upper echelon of our so-called political apparatus is doing everything they can to hurt the United States of America, in order to destroy it, Christians and the Christian religion.

Many, many churches in America, by their doctrines, are destroying our Israel people. Almost every church in America tells us we are not the Israel people. We don't know of any doctrine that can destroy our people faster and more surely than by telling them that they are not Israel. If we are taught to believe the lie, that we are not Israel, then it is much easier to convince our people to do the things the heathen would.

NUMBER TWO: Interracial fornication, interracial marriages [Miscegenation]. The movies, television, even the total government operation [especially in the educational system] is being used to force our people to mix with the heathen. Church publications are promoting the bringing of Asiatic children to America for adoption into White American

families. This just another way of intermixing our people with the heathen.
WHILE OUR CHURCH LEADERS COWER LIKE WHIPPED DOGS!

Almost daily, the newspapers give commendation to various cities, employers, government agencies, etc., because they have done an exceptionally fine job of hiring minorities. You know that will mean: non-Israel people are moving into all sorts of jobs. They even have preference in all welfare, and now all jobs in America. What is that doing? It is hurting our people and is forcing the mixing of our people with the heathen.

NUMBER THREE: Forsaking God. We hardly need to comment on that. We have taken God, and the Bible, out of practically everything that has to do with our people. With our educational system, its reaching the point now where it may not be too long before they start putting people in jail if they so much as try to preach or teach anything out of the Bible in a public institution. The laws and treaties are already in place for that. See the enclosed "Two Treaties and One Public Law, Which Will Allow For The Execution Of Christians In America."

NUMBER FOUR: Serving Ashtaroth. We could preach a whole sermon on that! The entire Easter festival, which is observed, in almost every church in the United States, has all the trappings of the old festivals held in Babylon, Egypt, Rome and ancient Greece, when they had a spring festival for Ashtaroth.

NUMBER FIVE: Prostitution or illicit sex. We understand that the Congress of the United States will soon legalize prostitution in Washington, D.C. That has been on the books for years, and will be probably passed sometime in the near future, if it has not already been passed, but unreported by the controlled media.

NUMBER SIX: Homosexual practices. Some of the churches are already ordaining homosexuals as Judeo-Christian preachers; they are marrying Queers, and we have legislation which makes it a federal offence to refuse to hire a person because he/she is or is not a Queer.

NUMBER SEVEN: Killing of babies, preferably the first-born or unborn. This is something that has come upon our people in a way that is almost impossible to conceive.

Newspapers, movies, television, magazines, and etc., urge pregnant teenager to go to Planned Parenthood for counselling. What Planned Parenthood does is refer these teenagers to an abortionist. The abortionist then pays Planned Parenthood a fee for every girl they send over to them.

It has been reported that many churches, Judeo-Christian preachers and etc., who refer girls and women to Planned Parenthood receive \$25 for their referral. Planned Parenthood also receives from \$25 to \$100 per girl who received an abortion from the abortion clinics or abortion doctors which makes the take at over \$25 Million dollars a year for the murder of unborn babies.

A newspaper article published in the Los Angeles Times part of which said: "the cost of the abortion through the service is \$350.00 exclusive of the air fare. The doctor receives \$75, the hospital \$250 and Planned Parenthood \$25."

A meeting, in New York, of some doctors who met for a study on abortion is described in a book entitled "The Death Peddlers."

The author says: "Listen to Dr. Irwin H. Kaiser, a pioneer in his field [here is a quote from this doctor, standing before this large group of doctors]: at \$160 per patient this is a substantial money maker for the hospital and obviously if we were prepared to step into the competitive New York market where abortions go as high as \$1,500 we probably would make a substantial killing, if I may use that expression." At this point, the editor of the book reported, there was general laughter throughout the audience of doctors.

Remember what we read about Baal worship: the high priests of Baal were official murderers of little children. This was part of the religious ritual they went through in order to worship Baal.

If someone had told us, twenty-five or thirty years ago, that this could have happened here in the United States of America, we simply would not have believed it. In fact, it is almost impossible to believe even now, until you realize that we are going back and doing exactly the same thing our fathers did, we will be worshipping Baal in our land.

A tremendous number of so-called Christian Churches in America today are not churches of Christ, they are not disciples of Christ, they are not Judeo-Christian preachers of the doctrine of Christ - **THEY ARE JUDEO-CHRISTIAN PREACHERS, DISCIPLES OF BAAL!**

NUMBER EIGHT: Pornography. Halley's Bible Handbook said they unearthed pornographic drawings in the temple of Baal. Our nation is literally flooded with pornography. What are the churches and their Judeo-Christian preachers doing about it? **NOTHING!**

In the movies, television, and magazines, it is reaching the point where, if we understood Baal worship, we could walk into the drug store or theater and say: "There are disciples of Baal in here." However, we don't recognize that until we get into the Bible.

NUMBER NINE: To do things as the heathen. In a book titled "The Disposed Majority," the author has written approximately 500 pages showing that everything in America from the government, to the educational system, to the churches, to economics is all being used for the benefit of the Blacks and **FOR THE DESTRUCTION OF THE WHITE RACE!** What is that? That is the first thing we read of Baal worship, spying on and working against the Children of Israel, the household of God.

NUMBER TEN: Do not obey the commandments of God. Almost all State, Federal and Local laws in this nation have enforced God's Laws are not being put away, right down to the last one: the putting of murderers to death. The churches, of course, have joined in and have taught our people, almost en masse, that God's Laws have been put away. Which is totally false.

NUMBER ELEVEN: Worshiping the host of heaven. We have already mentioned that astrology and all of these things are blooming in this land at an almost unbelievable rate.

NUMBER TWELVE: Causing their sons and daughters to pass through the fire. An article from the young people's Saturday edition of the Phoenix Gazette, a few years ago, devoted half a page to a picture and an article about a local teenage girl. The headlines said: "Student Says She is a Child of Satan." the article was quite long and it said about her, "Sherry, a student at Cortez High, is also a professed witch and Satanist—God didn't fulfil me, said the coed who tried Christianity and atheism before turning to devil worship two and a half years ago. Christianity preaches happiness after death but Satan tells us we can have happiness in this life as well as after death." She said a little further on, "I don't fear death because I know that when I die I will have Satan's protection as one of the rulers of Hell." The article ended up saying, "—though Sherry converted to Satanism, her parents are still devout Christians and strongly disapprove of her religion. 'They still beg me to go to church on Sunday, she said, but they can't make me think the way they want me to. I go to keep peace in the family.' Marriage is perfectly legal in the Satanic church and Sherry plans to marry a warlock, she says they'll bring up the children in Satanism."

Now, before you condemn this young girl, we would like to ask you: Where did she learn that there were people living forever and ever under the control of Satan in Hell? She learned it in the same so-called Christian Church, where her parents attended with a Judeo-Christian preacher of Baal teaching that God's Laws had been done away with.

Where did she learn the doctrines of Satanism? She learned them back in that so-called Christian Church with its Judeo-Christian preacher/disciple of Baal that her parents made her attend. Do you really believe she was converted to Satanism outside the church? Nonsense, **SHE WAS CONVERTED TO BE A WITCH AND A SATANIST INSIDE WHAT MANY CALLED A CHRISTIAN CHURCH BY THE PREACHING OF HELL AND THAT GOD'S LAWS HAD BEEN DONE AWAY WITH, BY A Judeo-Christian preacher/DISCIPLE OF BAAL!**

NUMBER THIRTEEN: Using divination and enchantments. This was also covered under Number Twelve.

Therefore, I don't believe you are anyone else, can help "most" of the Judeo-Christian preachers of America, because they will not listen to anyone who tries to tell them the truth. Just as Yahweh said: "A wonderful and horrible thing is committed in the land; The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so..." (**Jeremiah 5:30-31**)

Again God said of the Judeo-Christian preachers of His people: "I have heard what the prophets said, that prophesy lies in my name, saying, I have dreamed, I have dreamed. How long shall this be in the heart of the prophets that prophesy lies? yea, they are prophets of the deceit of their own heart; Which think to cause my people to forget my name by their dreams which they tell every man to his neighbour, as their fathers **HAVE FORGOTTEN MY NAME FOR BAAL**. The prophet that hath a dream, let him tell a dream; and he that hath my word, let him speak my word faithfully. What is the chaff to the wheat? saith the Lord—Therefore, behold, I am against the prophets, saith the Lord, that steal my words every one from his neighbour. Behold, I am against the prophets, saith the Lord, that use their tongues, and say, He saith. Behold, I am against them that prophesy false dreams, saith the Lord, and do tell them, and cause my people to err by their lies, and by their lightness; yet I sent them not, nor commanded them: therefore they shall not profit this people at all, saith the Lord." (**Jeremiah 23:25-32**)

For a second witness: "And the word of the Lord came unto me, saying, Son of man, prophesy against the shepherds [Judeo-Christian preachers] of Israel, prophesy, and say unto them, Thus saith the Lord God unto the shepherds; Woe be to the shepherds of Israel that do feed themselves! should not the shepherds feed the flocks? Ye eat the fat, and ye clothe you with the wool, ye kill them that are fed [kill Christians as with the wife and son of Randy Weaver near Naples, Idaho in August of 1992; the Branch Davidians in Waco, Texas in 1993]: but ye feed not the flock. The diseased have ye not strengthened, neither have ye healed that which was sick, neither have ye bound up that which was broken, neither have ye

brought again that which was driven away, neither have ye sought that which was lost; but with force and with cruelty have ye ruled them. And they were scattered, because there is no shepherd: and they became meat to all the beasts of the field [black race], when they were scattered. My sheep wandered through all the mountains [nations], and upon every high hill: yea, my flock was scattered upon all the face of the earth, and none did search or seek after them. Therefore, ye shepherds, hear the word of the Lord--thus saith the Lord God; Behold, **I AM AGAINST THE SHEPHERDS;** and I will require my flock at their hand, **AND CAUSE THEM TO CEASE FROM FEEDING THE FLOCK; NEITHER SHALL THE SHEPHERDS FEED THEMSELVES ANY MORE;** for [I will deliver my flock from their mouth, that they may not be meat for them." (Ezekiel 34:1-10)

Therefore, because Almighty God is against the Judeo-Christian preachers of the United States of America, those men who lead His people astray and do not feed them God's Word. I must refuse to contribute. (Original study by Pastor Sheldon Emry: edited by Willie Martin)

"When all government, in little as in great things, shall be drawn to Washington as the Centre of all Power, it will render powerless the checks provided of one government on another and will become as venal and oppressive as the government from which we separated."
