Jewish Presidents and Vice Presidents

SINCE I POSTED THE STORY ABOUT THE JEWISH PRESIDENTS I have received many requests to prove it. So here is the proof and it is documented if you wish to check it out.

It is in 5 parts, and since it is in so many parts and so you will not lose your train of thought while studying this information I am sending it all at one time.

Abraham Lincoln

Little has been published about the early life of Abraham Lincoln. However, during a search of some old property records and will in a small courthouse in central North Carolina, Alex Christopher the author of "Pandora's Box,"; in one of the old will books dated around 1840, he found the will of one A.A. Springs. Upon reading the will he was shocked and amazed at the secret that it disclosed, but one must remember that it is a known fact that wills, even though they are classified public records the same as property and corporation records, they are rarely combed through as he was doing at the time, and these records hold many dark secrets that can be hidden in public view, but are never uncovered because there are very few who research these old records.

This practice of hiding secrets in public view and the conspirators can say, when faced with the facts and accused of concealing the records; they can reply "Well it was there in the public record in plain view for any and all to find." In the will of A.A. Springs was the list of his property. it went

into detail to whom the property was to be dispersed and it included his children. Mr. Christopher and others were looking to find what railroads and banks this man might have owned and had left to his son Leroy Springs. He didn't find anything like that, but he did find the prize of the century.

On the bottom of page three of four pages was a paragraph where the father, A.A. Springs, left to his son an enormous amount of land in the state of Alabama which amounted to the land that is today known as Huntsville, Alabama and then he went into detail to name the son and at first Mr. Christopher and the others with him couldn't believe what they were seeing, but there it was the name of the son and it was "**ABRAHAM LINCOLN!**"

This new information that they had about the Springs (real name Springstein) family, this was just another twist to add to the already manipulative family. This new information about Lincoln built a fire under them to see where this new lead would take them, because everything they had found in the railroad and banking saga had been areal mind-bender. They figured this one would be the same; so they inquired at the local archives and historical records on families and found a reference to one Abraham Lincoln in the family genealogy of the family of the Carolina by the name of McAdden, in a published genealogy on the family. The family members in the Carolinas were in a limited edition that at one time could be found in the public libraries. The section on Lincoln and the story went something like the following:

"In the late spring of the year of 1808 Nancy Hanks, who was of the family lineage of the McAdden family was visiting some of her family in the community of Lincolnton, North Carolina. While on her stay with family in the Carolina', she visaged with many of the neighbouring families that she had known for many years; one such visit was the Springs family. The sordid details had been omitted but obviously the young Nancy Hanks had found herself in a compromised position and was forced to succumb to the lust of A.A. Springs. She became pregnant as a result. There were no details of a love affair or an act of violence on a helpless female. Abraham Lincoln was the result of that act, which leads one to wonder if

the name Lincoln was real or a fabricated name for the are of conception was Lincolnton. Was there really a Thomas Lincoln? Since the Spring were of the race that called themselves Jewish, that made Lincoln part Jewish and as part of the Springs family, he also became a relative of the Rothschild family by blood."

The following information was derived from information that exists in the Smithsonian, National Archives, the Congressional Library, Courtroom Police files, public and private libraries and storage vaults across the United States and Europe:

"Abraham Lincoln was slapped three times with a white glove by a member of the Hapsburg royal family of Germany (Payseur family relatives) during a White House reception in 1862. The German royal family member demanded a pistol duel with the, then, President of the United States, Abraham Lincoln. The blows to the face stunned Lincoln but he non-verbally refused to participate in the duel by bowing his head before walking out of the reception room. What had ol' honest Abe done to so enrage and up-set the royal European personage?

It seems that the practice of promiscuity was running rampant in many families in those days and the German King Leopold had, had an illegitimate daughter named Elizabeth who was sent to America, where she lived in a very comfortable manner. Although Leopold could not recognize her position, he was very interested in her life.

In the early or mid 1850's, Abraham Lincoln and Elizabeth began having sexual liaisons that produced twin daughters named Ella and Emily in 1856. The regal German father who was so royally up-set with ol' honest Abe probably had full knowledge of what the true blood line of Lincoln really was. Abraham's wife, Mary Todd Lincoln, did not find out about Elizabeth, Ella and Emily until 1865. Previous to being informed about Elizabeth and the twins, Mrs. Lincoln had developed a ravaging dependency on opium. Her main supplier of the drug was a former member of the Confederate Intelligence community, he was a former member because the Southern gentlemen did not approve of his drug pushing and unreliable behaviour. It was because of his involvement with the Souther

Intelligence Community, Mary's supplier - John Wilks Booth - knew about the lover and the illegal twins.

After being spurned by the Confederate intelligence community, Mary's 'candy man' approached and became involved with the Rothschild Empire of Europe, for he realized the European banking moguls would be very interested in his pipeline to the White House.

(At this time) Abraham was searching for an issue that would unite the North and South AFTER the Civil War ended. The issue needed to be popular to all levels of American citizenry so they could 'rally around the Stars and Stripes' thus rapidly healing the wounds of the bloodiest war in history. Lincoln was seriously considering one major movement or event that would galvanize his fellow Northern and Southern patriot countrymen into cutting loose the United States of America from the dictatorial grip of the Hapsbergs bloodline of banking control in Europe. All the time, the Rothschilds were trying to take control of the entire world monetary system, and at that time the Rothschilds were trying to get a foot-hold in America and find a way around the British, Virginia Company, and French Bourbon family that were gaining control in this country through government help...

Lincoln found himself in real hot water, because under the Virginia Company covenant the 48 families that formed it were all of the Holy Grail Bloodline. This country was to be an extension of what all the royal families of Europe controlled. The royalty of Europe is Hapsburg, no matter what their name is. The royal family of England is one such example. Now what Lincoln did is he wanted to become independent of the cogenant (in favour of his family) on the Rothschild side.—the Rothschilds and their family bloodline have always been undermining the affairs of the Hapsbergs and stealing the monetary control away from them. No matter what the history books say, the Rothschilds didn't get (total) real control on things in America and the Federal Reserve until the Springs usurped the Payseur family companies in the early 1920's—(Lincoln had fallen from Rothschild grace also and so, due, in part to his Executive Order to print United States Greenbacks, thus interfering with the Jewish International Banks profits)

Part 2

Jewish Presidents and Vice Presidents

It appears that the Rothschild family wanted Lincoln embarrassed to the maximum degree. (So) Mary Todd's drug dealer (John Wilks Booth) was hired to kidnap the President of the United States. Abraham would be put on a boat for a two month cruise of the Atlantic where he would be injected with and addicted to opium and then dumped on the streets of Washington. While the forcefully addicted President was stumbling around our nation's capital, the press would be informed of Elizabeth, Ella and Emily.

The drug pusher (Booth) and collaborator (agent) of the Rothschilds had his perfect accomplice in the plot to kidnap and discredit the leader of the North American continent in the First Lady Mary Todd Lincoln. After being informed of Abe's lover and the twins and the kidnap plot by her drug supplier, Mary was promised that after her husband resigned or was impeached, she and Abe would be moved to Europe to live happily ever after with plenty of opium.

Superficially Mary expressed a desire to live in Europe with plenty of opium and no Civil War or politics to distract her husband or family. But her drug supplier had totally underestimated the confusion, desperation and anger of Mary Todd Lincoln.

The plotters decided the Presidential snatch needed to take place in a public, yet discreet location where minimum witnesses would be present. There were too many potential witnesses at the White House. Two hours before the capture was to take place, Mary Todd had on the floor, a tantrum, because Abe had decided not to go out of the White House that night. Mary's outrageous outburst caused Abe to change his mind and the First family departed.

Several minutes after arriving at the kidnap location, Mary instructed the family bodyguard to take a position that placed the First Family out of his visual sight. The position also required the bodyguard to traverse several flights of stairs to reach Abe and Mary should he be needed for any reason...

A wagon with a wooden cover arrived at the back entrance of the kidnap location with several men including Mary's opium supplier. The plan was for the drug pusher to traverse the backstairs entrance, silently move down a hallway, and open an unlocked door to a darkened room where Mary and Abe were sitting.

After entering the room, Mary's drug man (Booth) would tell the President an urgent message was waiting for him at the War Department. Before descending down the backstairs, Abe would be knocked out with a chloroform cloth. The kidnappers would load the limp body into the covered wagon and swiftly stow Lincoln on an opium boat for a novel 'cruise' of the Atlantic Ocean.

When Booth actually opened the door to the darkened room where Abe and Mary were sitting, he went into a panic and shock. Abe was asleep with his head on Mary's left shoulder and the First Lady had her head turned toward the left looking at the door--When she was sure the man who opened the door was Booth, she turned and looked at the President to be sure the pistol she was pointing would explode beneath the lower left earlobe of her husband.

Before Mary pulled the trigger, John Wilkes Booth, drug supplier to the First Lady, realized he was the patsy in all this mess. But he did not know if he was only Mary's patsy or also a chump for the Rothschild family. Were the men hiding around the back door of Ford's Theatre there to help Booth with the kidnapping or there to point the false finger at the 'innocent' Booth? Booth was not about to run into the hallway or down the backstairs to find out the answer to that question.

The only escape route was to jump the balcony and crash onto the stage during the performance. That night, Booth gave a literal interpretation of the theatrical phrase 'brake a leg' as he fractured one of his during his leaping act from 'lethally looney Mary' and the men lurking around the back entrance of Ford's Theatre.

In a novelty case on a wall in Ford's Theatre is 'The Gun That Shot Abraham Lincoln.' If anyone (assassin) were to kill a head of state, they

would use a revolver, because several bullets might be needed to accomplish the murder and stop any guards during the escape. One would only use a one-shot pistol if they were absolutely sure they had intimate access to the victim.

The gun on the wall of Ford's Theatre is a derringer-the perfect weapon for the left handed female assassin who did not attend her husbands funeral. Mary Todd was not hiding in her room due to overwhelming grief and sorrow; she was imprisoned in her room with two armed guards for two weeks after killing her husband.

In the 1860's, an act of Congress mandated the compensation of widows of former and active Congressmen, Senators, Vice Presidents and Presidents. The amount and duration was ratified by both Houses of Congress for each widow. Mary Todd Lincoln applied for her widowers compensation three times and was denied the mandated compensation three times by both Houses of Congress. An unknown benefactor paid for Mary's passage to Europe where she died in small cottage in Germany.

In 1867, the Secret Service was founded so that drunken municipal law enforcement could not unwittingly participate with drug-addicted First Ladies or Gentlemen in vengeful high-brow killings of philandering Presidents of the United States. (To cover up the murders committed which would reflect a bad light for the presiding Administration, such as the Foster murder is doing at the present time).

Before Booth jumped out of the balcony of the Presidential Box of the Ford Theatre, he shouted at General Riley and his wife who were sitting to the right-front of the Lincolns. Booth's words expressed his innocence but also sealed the fate of the Rileys. Within a week of the shooting, General Riley and his wife were packed off to an insane asylum where they both died of 'unknown causes' within 30 days of being committed." (Pandora's Box, by Alex Christopher, pp. 282-286).

In 1861, the American people entered into the presidential administration of one of the most brutal, cold-blooded tyrants in history. His administration, hostile to Liberty, ended the heritage of our early American

forefathers and entrenched a system of criminal politics, monopoly, and injustice in its place. When Lincoln became President, morality and Bible Law were swept aside and an alien reign of terror began. The North became one vast prison camp.

English tyrant Oliver Cromwell had no regard for human life. Neither did Abraham Lincoln. Cromwell was the homicidal maniac who brought the Jews back into England and into power after they had been banished from the country centuries earlier. Lincoln brought them to power here. What is referred to among the White-wing as our Zionist Occupational Government or **ZOG**, was born in America under Lincoln's rule. Our captivity to the Edomite Jewish Bankers began in 1860 when their abolitionist puppet and his Black Republican party rose to power.

Abraham Lincoln's war was the second American revolution. His revolution for nigger equality and the idolatry of Union worship overthrew the victorious results of our first American revolution in 1776. The American people, especially the White Christian patriots who should have known better, need to understand this. A few years after Cromwell's death in 1658, a British mob dug up his remains, removed the head and hung the rest of this race-traitor by the heels. In the not too distant future,

Lincoln's remains will no doubt get the same treatment, when an educated American people realize the extent of his crimes against this nation

Woodrow Wilson

Of Woodrow Wilson the famous Dr. H. J. Boldt wrote as follows: "Woodrow Wilson was a Sephardic Jew--The name of his parents was Wohlson -- a German-Jewish name; they came from Germany, and went

to England where they were known as Mr. and Mrs. Wolfson and when they landed here in America they called themselves Wilson."

The chart shown below has come as a socking revelation to millions of American citizens. It explains things in connection with Roosevelt's Administration which can not otherwise be understood.

Genealogical chart prepared in the Carnegie Institution of Washington, D.C., under direction of Dr. H.H. Laughlin, per Asso. Press dispatch March 7, 1934. In the Daily Citizen of Tucson, Arizona a similar chart was published by the Washington, D.C., Star, of February 29, 1934)

Even a hasty perusal of this factual document convinces one as to the President's Jewish ancestry. From the viewpoint of eugenics, it explains his natural bent toward radicalism.

It shows why he has given hundreds of so-called Liberals, Socialists and Communists powerful positions in the national government. It reveals the

origin of the sinister spirit which today animates the White House. It proves unmistakably, that the Roosevelt Administration offers a biological, as well as a political problem.

The New York Times of March 14, 1935, quotes the President as saying: "In the distant past my ancestors may have been Jews. All I know about the origin of the Roosevelt family is that they are apparently descended from Claes Martenszen van Roosevelt, who came from Holland."

Additional information regarding the nationality of the Roosevelt family, was given by Chase S. Osborn, early in 1934, at St. Petersburg, Florida. Mr. Osborn was formerly Governor of Michigan. The leading newspaper of the city (The Times) carried the following report after the interview: "Although a Republican, the former Governor has a sincere regard for President Roosevelt and his policies. He referred to the 'Jewish ancestry' of the President, explaining how he is a descendant of the Rossocampo family expelled from Spain in 1620. Seeking safety in German, Holland and other countries, members of the family, he said, changed their name to Rosenberg, Rosenblum, Rosenblum, Rosenvelt and Rosenthal.

The Roosevelts in North Holland finally became Roosevelt, soon becoming apostates with the first generation and others following suit until, the fourth generation, a little storekeeper by the name of Jacobus Roosevelt was the only one who remained true to His Jewish Faith. It is because of this Jewish ancestry, former Governor Osborn said, that President Roosevelt has the trend of economic safety (?) In his veins."

Roosevelt inevitably draws upon his Jewish ancestry. It is, therefore, as natural for him to be a radical, as it is for others to be true Americans. This is why he can boast of flouting conventionalities, and publicly gloat over destroying those traditions which are fundamental to our national character. HE IS NOT ONE OF US! This may also explain why he attaches so little importance to his word of honour, and has no hesitation in breaking his promises.

It is to be doubted if he, himself, understands the inner forces that surge through his being, driving him further and further toward the Left! It's in

his blood. Meanwhile, the result of 160 years' constructive effort on the part of Christian patriots threatens to be swept away.

For this reason, one of his first official acts after becoming President, was to invite Finklestein alias Litvinoff, to the White House for the purpose of establishing diplomatic relations with the Jewish dictatorship of Moscow. For this reason, he has appointed Jewish Ambassadors to such strategic diplomatic posts as Paris, Stockholm and Moscow. For this reason, Bernard Baruch has lately been called "the unofficial President of the United States."

For this reason a super-cabinet, known as the "Brain Trust" an organization of appointees denominated by powerful Jewish intellectuals, has been set up to usurp constitutional powers of our duly elected lawmakers.

We do not condemn Roosevelt for coming from Jewish stock. We condemn him for being a leader in the international radical movement which is throwing Gentile governments, the world over, into convulsions. In like manner, the Jewish mind is incapable of assimilating the Christian and American viewpoints sufficiently, to risk placing the destiny of 120,000,000 human beings in the hands of a few members of their people. Part 4

Jewish Presidents and Vice Presidents

Confirmation From Other Sources: In the 1938 "World Almanac" under the heading "Biographies of U.S. Presidents and their wives," page 237, appears: "Franklin Delano Roosevelt was the son of James Roosevelt, a direct descendant of Ciaes Martenzen van Rosenvelt, who arrived in New Amsterdam in 1649 and married Jannetje Samuels." The following is from "The House of Roosevelt" by Paul Haber, 1936 edition: "Claes Rosenvelt entered the cloth business in New York, and was married in 1682. He accumulated a fortune. He then changed his name to Nicholas Roosevelt.

Of his four sons, Isaac died young. Nicholas married Sarah Solomons. Jacobus married Catherina Hardenburg. The Roosevelts were not a fighting but a peace-loving people, devoted to trade. Isaac became a capitalist. He founded the Bank of New York in 1790."

The American Freedom Magazine of Los Angeles, Calif., April, 1938, issue, reproduced the quotation below: "In an address to the National Convention of the D.A.R., President F.D. Roosevelt said that he too was of revolutionary ancestry. **BUT NOT A ROOSEVELT WAS IN THE AMERICAN ARMY.** They were Tories, busy entertaining British officers. The first Roosevelt came to America in 1649. His name was Claes Rosenfelt. He was Jew. Nicholas the son of Claes, was the ancestor of both Franklin and Theodore. He married a Jewish girl named Kunst in 1682. Nicholas had a son named Jacobus Rosenfelt. In the family tree there are 351 persons bearing biblical names of the tribe of Israel." (From the Corvallis Gazette-Times, of Corvallis, Oregon).

FDR's "Distinguished service to Jewry" New York Jews having designed and struck off a medal with the head of Roosevelt on one side and the six point Solomon Star, synagogue symbol of possession and world power, on the other, with a mystical so-called "Good Luck" idiom in the centre of the star, the undersigned and his associates investigated to ascertain the significance, if any, and report the implications: "Good Luck and Wisdom to Franklin D. Roosevelt, our Modern Moses, Leading Jewry in 'The Promised Land' (America) under the 'Seal of Solomon.'"

The following New York item was published from Coast to Coast under an Associated Press date line of May 8, 1937: "President Roosevelt will receive the tenth award of the Gottheil Medal for 'Distinguished services to Jewry.'" Another such Jewish medal was given him December 22, 1938, according to the New York Herald-Tribune of December 23, 1938.

What "distinguished services" has Roosevelt rendered to Jewry?

Professor H.J. Laski, Jewish Socialist of England, was quoted in the London "Fascist" of January 1935, thus: "If the experiment for which Roosevelt is responsible, should in any serious degree break down, as a

result of the association with it of a number of eminent Jews, there would be an outbreak of Anti-Semitism in the U.S. more profound than anything Anglo-Saxon Civilization has so far known." The National Elections of 1938 show the Roosevelt experiment is breaking down; and New York City is Pogrom-Conscious!

The Delanos Jewish Also: Writing in the "Hadendrezubanner" of May 14, 1939, Professor Dr. Johann van Leers of Berlin-Dahlem, Germany, publishes an exhaustive analysis of Roosevelt's ancestry. While it is apparent that the authorities quoted are not convinced regarding the authenticity of the Holland Rossocampo-Roosevelt Jewish genealogy, a new discover is quoted to show that President Franklin Delano Roosevelt's mother; Sarah Delano, is from a Jewish-blood family.

"At once the veil falls" comments Dr. von Leers: "The President's father married Sarah Delano; and it become clear. Schmalix (genealogist) writes: 'In the seventh generation we see the mother of Franklin Delano Roosevelt as being of Jewish descent. The Delanos are descendants of Italian or Spanish Jewish family; Dilano, Dilan, Dillano. The Jew Delano drafted an agreement with the West Indies Co., in 1657 regarding the colonization of the island of Curacao. About this the directors of the West Indies Co., had correspondence with the Governor of New Holland.

"In 1624 numerous Jews had settled in North Brazil, which was under Dutch Dominion. The old German traveler Uienoff, who was in Brazil between 1640 and 1649, reports: 'Among the Jewish settlers the greatest number had emigrated from Holland. The reputation of the Jews was so bad that the Dutch Governor Stuyvesant (1655) demanded that their immigration be prohibited in the newly founded colony of New Amsterdam (the New York of today).

It would be interesting to investigate whether the Family Delano belonged to these Jews whom the Dutch Governor did not want. It is known that the Sephardic Jewish families which came from Span and Portugal always inter-married; and the assumption exists that the Family Delano, despite Christian-confession, remained purely Jewish so far as religion is concerned." Jewish mothers bear heredity: "What results? The mother

of President Roosevelt was a Delano. According to Jewish Law (Schulchan Aruk, Ebenaezer IV) the woman is the bearer of the heredity. That means: children of a full-blooded Jewess and a Christian are, according to Jewish Law, Jews. It is probable that the Family Delano kept the Jewish blood clean, and that President Roosevelt, according to Jewish Law, is a blooded Jew even if one assumes that the father of the President was Aryan.

We can understand why Jewish associations call him the 'New Moses;' why he gets Jewish medals; highest orders of the Jewish people. For every Jew who is acquainted with the law, he is evidently one of them. The secret surrounding President Roosevelt solves itself though the assiduous investigations of Schmalix.'

In this connection it is noteworthy that Who's Who in American Jewry lists the New York Brentanos as Jewish; Sephardics from Italy or Spain. Delano and Brentano end with "o." Jews expelled from Brazil settled in the U.S. Genealogist Schmalix is quoted in the article mentioned as saying: "When the Delanos changed to the Christian religion can only be ascertained by further investigations in America."

With this alleged Jewish Delano descent added to the other records herein the fact that New York Jews on the East Side constantly refer to the President proudly as "Rosenvelt," it would seem that Dr. von Leers, in his letter of May 14, 1939, to the undersigned, transmitting his latest discoveries, is justified in exclaiming: "It being true that the Delanos are well-known Jews from the Netherlands, President Roosevelt is, from the standpoint of Jewish Heredity Law, as good Jew as Bernard M. Baruch." Baruch is a Sephardic Jew, whose family is reported to have come from Europe via Brazil to North America. Signed Robert Edward Edmonton.

So this explains why Roosevelt, coming from a prominent and wealthy family, moved America into the direct path toward Communism. The Jewish name's in FDR's family stand out; Samuels, Schaak, and Jacobus. Since Jews frequently intermarry with their relatives, Roosevelt's wife was a distant cousin and a niece of former President Theodore Roosevelt. The Universal Jewish Dictionary of 1943 states: 'Sara Delano Roosevelt,

born 1855 and died 1941, was often the guest and advisor to Jewish institutions. After her death, the Roosevelt New York City home was bought by the B'nai B'rith Hillel Foundation and converted into the Sara Delano Roosevelt Interfaith House for students of Hunter College."

FDR was extremely pro-Zionist from the very beginning of his political career and was often honored by Jews. Henry Morgenthau, Jr.; Bernard Baruch and Samuel Rosenman were among the Jews who influenced his twelve years of office. Thus you can see how Jewish Communism penetrated so deeply into the American government, in spite of the warnings from early American leaders, such as Benjamin Franklin, who warned that this would happen.

Nelson Rockefeller: The Rockefeller Family - Secret Jews!

A book overlooked by most people and published for sale mainly within the Jewish community states that the Rockefellers are Jews of Sephardic descent (meaning Spanish and Portuguese Jews). The book is entitled "The Grandees - America's Sephardic Elite." The author is Stephen Birmingham, who is recognized by the Jewish community as an expert on Jewish history.

The publisher of "The Grandees" is the Jewish owned publishing firm of "Harper and Row" of New York City. Mr. Birmingham also wrote the book "Our Crowd" about the family background of America's wealthiest and most successful Jews. Both books have been hailed by Jewish publications as first class works in the documentation of Jewish history.

In "The Grandees" Stephen Birmingham reveals the existence of a very rare book which was published only for Jews some years ago.

The work was published only for Jews some years ago. The work was compiled by the Jewish historian Malcolm H. Stern and entitled "Americans of Jewish Decent." That book weighed 10 pounds and gave the history of 25,000 Jewish individuals in America. It is extremely interesting to note that only 550 copies of the book were printed and each copy was consecutively numbered. The book was delivered to the top

Jewish community leaders in America for their personal reference files in dealing with and contacting Jews who are "Marranos" (those Jews who "**PRETEND**" to be Christians in their community but secretly hold to their Jewish faith and race when among their own kind).

Mr. Birmingham in "The Grandees" reports: "Who would expect to find the Rockefellers in the book." Stern's work traces what he calls the "Nobility of Jewry - the Sephardim who lived in Spain and Portugal as princes of the land." Many centuries ago the Jews flooded into Spain in great numbers and through usury and stealth became vast land owners. The Jews controlled both Spain and Portugal through their monopoly over the finances of the country.

It was in 1492 that King Ferdinand and Queen Isabella of Spain expelled the Jews from their country and confiscated their ill-gotten wealth. It was during this period that the Rockefeller family moved to the Turkish Empire which welcomed the Jews at that time, believing them to be a "poor persecuted people."

The grandfather of our former Vice-President Nelson Rockefeller, admitted that his family once moved from Turkey to France. It was from France that they moved to America. John D. Rockefeller, Sr., was a wealthy man even before he took over Standard Oil Co., which made their family one of the richest in the world. No one has ever explained how this family came into such wealth as soon as they arrived in America from France.

There is no known information on how the Rockefellers came into huge amounts of money in France. Some thing they got their money from the Rothschilds and were originally their agents in buying up Christian businesses in America. "Marranos" are Jews who "**PRETEND**" to convert to Christianity so as to deceive Christians in their business dealings, but secretly continued to practice Judaism in private rituals. For this reason, a Marrano family like the Rockefellers would make the perfect tool for the Rothschilds of France who have for centuries used secret agents to carry on their work. "The Thunderbolt" was the first publication to bring Vice-President Nelson Rockefeller's Jewish ancestry to public attention.

This information finally explains why he has always been able to work so closely with Jewish interests and why his administration as governor of New York was loaded down with Jews from top to bottom. His political campaigns of the past were always directed by Jews and he was always the support of the Jewish community in all of his political races.

Normally the Jews would not support a Christian multi-millionaire for political office because they would be afraid they could not control him after the election. The fact that Jewish community leaders have long known that the Rockefellers were fellow Jews goes a long way in explaining why the organized Jewish community has always supported the Rockefeller's political ambitions. Now we can see why Nelson and David Rockefeller boosted his fellow Jew Henry Kissinger into the Nixon administration and Kissinger in turn has used his position to bring his fellow Jew Rockefeller into power.

Harry S. Truman; His Jewish ancestry is recorded in his autobiography.

Dwight D. Eisenhower: The most famous book revealing this information is his West Point Yearbook, which stated that he was "that terrible Swedish Jew."

William Jefferson Blythe Clinton: His Jewish ancestry has been revealed in "The Truth At Last" with an address of: The Truth At Last, P.O. Box 1211, Marietta, GA 30061
