IT HAS BEEN OUR CUSTOM TO FREQUENTLY REVIEW CURRENT EVENTS IN DETAIL, because these show the fulfilment of Bible prophecies in our day. However, in covering the subject we want to discuss, we shall not have much occasion to list these events in detail and this for a definite reason.

There are times when it is not so important to count every bead on the string, as it is to see whether they are all strung on the same string. When you learn this, you will know where to look for the next bead; our purpose is to show the existence of certain definite principles, which govern the events which we see happening, as these principles have governed them for thousands of years; ever since the war began in Genesis 3:15.

For ages, it was well understood by everyone that various nations and races had certain characteristics, which usually would be demonstrated in the action of these people. National and racial policies and conduct developed out of national and racial character. There were, the rare exception merely prove the rule. Similarly, we can note that among crows, one bird in every 38 million is white, an albino. But this only emphasizes the rule that all of the other 38 million crows are black. Therefore, reasonably consistent conduct can be identified as the rule, notwithstanding an occasional exception which surprises us when we find it.

Among the ancients, nobody pretended to be ignorant of the characteristics of the Babylonians, Egyptians, Assyrians, or the Romans, or what they were likely to do in order to execute their purposes. Roman military ability in war and harshness in rule over conquered people were well understood and no one was surprised to meet them. The extreme ferocity and cruelty of the Assyrians was known to all. Centuries of history demonstrated a consistency in these characteristics which only a fool could ignore.

In our own times, everyone understood the Japanese were a warlike people and had been for two thousand years. Therefore, only the ignorant or the stupid were surprised to learn Japan wanted to conquer many other nations. However, we had to learn by terrible, first-hand experience that the Japanese also had the Asiatic characteristics of treachery and senseless cruelty for its own sake. This cruelty was not just typically Japanese, it was typically Asiatic. We see the same traits displayed by the Red Chinese in their treatment of the people of Tibet, as well as their cruelty to our soldiers when they were captured.

During both the first and second world wars, **THOSE STRANGE ALIEN PEOPLE CALLED JEWS, WHO ARE SO BUSILY BRAIN-WASHING OUR PEOPLE TODAY TO SUIT THEIR OWN PURPOSES, THEN PROPAGANDISED US INTO BELIEVING MANY HIDEOUS LIES ABOUT THE GERMANS.** From these lies, we were expected to believe that the Germans were so inherently wicked that they were about to invade Beverly Hills or Las Vegas. Then they taught us that inborn racial characteristics would be manifested in conduct whenever the situation called for it. But now this **ALIEN MINORITY GROUP OF JEWS** teaches us, by corrupting most of our schools, newspapers, news commentators, even many of our churches, that there are no longer any racial characteristics or tendencies, no fixed long range national purposes.

These Jews now want us to believe all people in the world, white, black, yellow or brown, civilized or savage, are exactly alike, as interchangeable as Ford parts. They have spent many billions of dollars on a high pressure propaganda campaign, designed to blind us to the racial and national characteristics and purposes which are molding the course of history today, as they have molded history throughout time. And the sad part is that it has worked, for all too many of our people too lazy to examine the facts have accepted it at face value, never suspecting that it is all a Jewish lie. It might be well to ask ourselves, what makes this worth so much money to them? Just how are they planning to get back this enormous investment?

Throughout history the Jews have proven to have one ever lasting characteristic; and that is treason. They have been traitors to every people

and nation that they have ever lived in or among. They, without a doubt, are the most treacherous people to have ever existed. And that characteristic was born in the in the Garden of Eden as a result of Satan deceiving Eve, and impregnating her and producing Cain. Genesis 3:15 is the starting point as far as human kind is concerned. However, the real beginning was long before then, in heaven when Satan and his angels rebelled against Yahweh and His angels.

This treachery can best be seen in the following dissertation about just one of the Jewish presidents of America and his treason. Which resulted in the death of uncounted millions of our White Christian Brothers and Sisters.

Franklin D. Roosevelt; began his presidency amid the great depression. "The New Deal" was formulated by leftist, Henry A. Wallace, Secretary of Agriculture, and Secretary of State, Cordell Hull, who, as a Senator, supported Wilson's League of Nations. Hull began drafting a United Nations Charter two weeks after Pearl Harbor.

Franklin Delano Roosevelt: Communist Dictator

By

Mike Rose

If you went to a public place and started asking people, 'Who was Franklin Delano Roosevelt?', what sort of answers do you think you would get? Hmm, I'm not sure. 'Who?' Ehh, the dude on the dime.' If you ran into a more informed zombie, most likely someone over the age of forty, he might say, 'He was a president or the man with the New Deal.' Even the most informed you could chance to run into are in reality just as ignorant because they probably got their information from

The History Channel, which is nothing but a brain-washing tool that constantly seeks to cover up the facts, distort events, muddle the issues and in fact totally rewrite what actually occurred to maintain the status quo of Jewish thought. So in quest for the answer to the question, 'Who was Franklin Delano Roosevelt?', the President with the New Deal, let's take a look at a dark chapter in American history in order that we may

discover the Real Deal. Was FDR a great hero of the twentieth century or the Red Devil? You decide.

FDR was born January 30, 1882. He became the New York State Senator in 1910. From 1913 through 1920, he was Assistant Secretary of the Navy. In 1920, he became a Vice Presidential candidate. The years 1920 and 1921 were eventful. A Senate subcommittee concluded that FDR had committed perjury before a Naval Court of Inquiry. This was in relation to his investigation of a homosexual ring at the Newport, Rhode Island, Naval Station. As Assistant Secretary of the Navy, FDR had approved the use of men undercover' [pun intended] to entrap faggots. Young sailors were instructed and ordered by FDR's men to perform sodomy and the lowliest forms of homosexual acts imaginable.

When it became an issue to the court, he lied about it. He had signed an order for the investigators to go all the way and absolutely take it to the limit.' Under oath, he denied that he had read what he had signed and swore that he had no idea what was in the order. What FDR stated was obviously untrue as he had personally taken charge of the case on June 11, 1919.

As more facts arose, FDR more and more adamantly denied having any knowledge and stated that if he had known anything about it he would have stopped it. FDR remained arrogantly defiant as his testimony before the Naval Board of Inquiry in May, 1920, was blown to pieces. He was asked how he thought that evidence for sodomy could be obtained and his reply was I had no idea.'

He was asked if he realized that the investigation of such matters very often has led to improper actions. He replied, I never had such an idea. Never entered my head.' He was also asked, How did you think evidence could be obtained?' To this question, he replied, I didn't think. If I had thought I would have supposed they had someone under the bed or looking over the transom.' The Senate subcommittee also found Roosevelt's actions displayed an utter lack of moral perspective' (See First Class Temperament, Geoffrey Ward, 1989, pgs. 488-90; Eleanor Roosevelt, Viking, 1992, vol. 1, pgs. 267-71).

At the time of the publication of the Senate report, FDR contracted polio. He was broken in more ways than one. It seems evident that he was financially struggling. Reportedly as a condition of running for governor in 1928, he got a filthy Jew named Raskob to pay off his quarter million dollar debt.

Backed by Jews and Jewish money, he won the election and became governor of New York, the stronghold of the Communist Party in the United States, thanks mostly to the influx of Russian Jews and hardcore Bolsheviks. The seeds of the 1929 Depression were sown in 1928 in New York State while FDR was governor.

Herbert Hoover had begun implementing Marxist programs as President of the US, and then simply passed the ball to FDR. When FDR got the hand off, he pulled his ears in and ran like hell. The same Communist Jews working with Hoover later went on to work with FDR, but that's not to say that FDR didn't pick up his own Jew friends. Roosevelt opened the offices of the government as never before to Jews. Henry Morgenthau Jr., Samuel Rosenman [the one that coined the name New Deal], Felix Frankfurter, Benjamin Cohen, David Niles, Anna Rosenberg, Sidney Hillman, and David Dubinsky were among his closest advisors in politics and government. Rabbi Stephen Wise, the pre-eminent spokesman for American Zionism, and his daughter Justine Polier, were personal friends of Franklin and Eleanor Roosevelt with as much access to the White House as anyone' (America, Franklin D. Roosevelt and the Holocaust, William J. Vanden Heuvel). (Bracketed words are added.)

Roosevelt had served the Jews so well that they were only too glad to aid in securing his nomination to run for the presidential election. [T]he Jewish support for Roosevelt in 1932 was so overwhelming that it seemed almost unanimous. Fuchs, who has carefully analyzed the balloting in heavily Jewish electoral districts, points out that FDR received 84.7% of the vote in the 20 most Jewish precincts of Ward 24 of Chicago (which is over 90% Jewish).

In the same precincts, 96% of the voters supported Henry Horner, the Democratic candidate for Governor, who was a Jew. In New York City,

presidential candidate Roosevelt and gubernatorial candidate Herbert Lehman (Jewish) carried 92% of the two-party vote (that is to say, excluding the Jewish vote for the Socialist and Communist candidates) in the 17th Assembly District Jews, even those of a secular bent, saw in Roosevelt's programs the embodiment of ideals which were deeply embedded in the ethical teachings of Judaism' (The Jew in American Politics, Nathaniel Weyl, 1968, Arlington House, pg. 100). During the campaign, FDR dispatched Jonathan Horwitz's Jewish grandson, William C. Bullitt, to become the first United States Ambassador to the USSR, during the same time that Uncle Sammy's twin brother Uncle Joe Stalin's Communist era was resulting in the deaths of 45 million white Ukrainians and Russians. Bullitt was no stranger to the Communist oppressors in Europe.

In fact, he had worked closely as a liaison officer with them years before his involvement with FDR. Bullitt had been President Wilson's emissary to Lenin, and FDR considered him the perfect man for the task of making sure he was buddy-buddy with Stalin. Undoubtedly, William Bullitt had the qualifications that would foot the bill, but this was only the beginning of Bullitt's instigation that would play a major role in leading up to the Second World War.

In 1933, FDR became President. He then imposed the New Deal,' a tyrannical, plutocratic, Communist program for a Jewish collectivist state. Roosevelt broke every promise he had made and did the exact opposite of what he had promised. I propose to you that the government, big and little, be made solvent and that the example be set by the President.' Roosevelt swore to reduce the cost of government operations twenty-five percent.'

Was he lying? Oh, yes. From 1933 to 1936, government expenditures sky-rocketed up 83%. He confiscated the gold and made it practically illegal for Americans to own gold, doubling the price. He took the wealth from Americans and put it into the Jews' hands. Banks were shut down en mass and after only a few months this New Deal (or more precisely this Jew Deal) was such an utter failure that it had to be revamped in an attempt to salvage the program, and all this while the White House was

being turned into a whorehouse. Roosevelt was a promiscuous man both before and after he got polio. He was preoccupied with his moral weaknesses, having affair after affair. This is only one side of the coin. On the other side you have Eleanor, the bisexual/lesbian, engaged in all manner of perverted escapades. Sort of reminds you of a recent American President, doesn't it?

Huey Long, an accomplished orator and statesman, had pointed out many of the fallacies of Roosevelt and the Jew Deal and many people were starting to listen. Roosevelt had become alarmed at the up and coming man who was affectionately known as Kingfish, and was terrified at the prospect of Mr. Long becoming a presidential candidate. He knew that the Jews could not control all the strings in such an election, should it in fact take place, due to Long's immense popularity.

FDR made several indirect threats, which included threatening to have the Kingfish killed. Long was fully aware of Roosevelt's plans and this was part of the reason he asked for his broadcast of March 7, 1935, to be put in the Congressional Record on March 12 of that same year. In the broadcast, he stated, 'It has been publicly announced that the White House orders of the Roosevelt administration have declared war on Huey Long.' Long thought that making this statement a matter of public record would be a deterrent and give him an edge of protection against FDR actually carrying out the threats.

Unfortunately, this was not the case and Roosevelt's Jewish hit squad went to work getting the message' to some of Long's closest people, even personal bodyguards. The conspiracy to eliminate the up-and-coming Presidential election's opposition came to a head on September 8, 1935, when a Jewish doctor named Carl Weiss almost botched the deal.

While he did manage to shoot Long, he had used a small caliber .22, which, of course, didn't finish the job. It seems clear now that all that was really desired was to make sure that Huey P. Long went to the hospital where another doctor was waiting to make sure Long never left the hospital. It is interesting to note that this same tactic was later exercised on the people's Presidential candidate George Wallace of Alabama. When one

truly studies history, one cannot help but see that it is the left wing, Marxist, Communist Jews who are truly the perpetrators of violence and terrorism, while the so-called right wing has committed few violent crimes for political reasons.

The Jewish physician Authur Vidrine knew that two of Louisiana's top surgeons were on their way from New Orleans. He knew they could easily save Huey's life. Though under qualified in comparison to the surgeons speedily on their way, he declared that he would have to perform emergency surgery before they had a chance to arrive. Long's kidney had been damaged.

When preparing for and performing the operation', Vidrine gambled that by withholding a simple blood urine test that he knew Long desperately needed, that he could claim he had tried to save the man's life, but wasn't aware of everything that was needed to be done when he had his victim opened up.

When the surgeons got in, they were appalled at Vidrine's obvious and calculatingly incompetent job. Thanks to Vidrine, who was soon to become Long's true assassin, it was determined that the patient, who had become very weak by this time, could not survive another operation and therefore there was nothing at this point that reasonably could be done.

As a result of Long being withheld and/or not receiving proper medical attention, on September 10, 1935, at 4:06 a.m. he subsequently died. Thus, this doctor' had finished the incomplete work of the first. In retrospect and hindsight, it seems fair to speculate that the plan to eliminate Huey Long did not necessarily include the Jewish doctor Weiss to actually kill Huey Long but rather to attempt to kill him.

Fortunately, Huey Long's bodyguards reacted with swift vengeance, shooting the Jewish doctor more than 30 times. Such a reaction was, to say the least, excessive. It is now probable that Huey's bodyguards wanted to make sure that Weiss was killed to forever silence his part in the conspiracy. The fanatical Jew Weiss may well have been a patsy, believing that he would simply hospitalise Long, while being tried for attempted

murder under a new political regime in Louisiana, or at the least, be pardoned by the Roosevelt administration.

When thinking of The Great Depression, many people know there was a stock market crash in 1929, but unless they have done some serious research or lived through it themselves they do not realize the true gravity of the situation. They think it just happened one day and it got tough for a while, but things improved in 1930; or, they simply do not know.

Perhaps they never thought much about it and really don't care. The truth is that things did not improve in 1930 or 1931. 1929 was only the beginning of four consecutive depressions (plural) that lasted throughout the 1930's and that were only abated by the Jewish contrived World War II. In many ways, the late 1930's were worse than 1929. The New Deal, or shall we say Jew Deal, was a total failure. John L. Lewis, President of the United Mine Workers said in 1940,

Mr. Roosevelt made depression and unemployment a chronic fact in American life.' Grace Abbott told the DNC: There is in Chicago and in a very large part of the country, more suffering than there was in 1933 when the President came to office. It is a common sight to see children salvaging food from garbage cans.' Almost unbelievably, the homosexual Winston Churchill said in 1937, The Washington administration has waged so ruthless a war on private enterprise that the US is actually leading the world back into the trough of depression.'

These figures were compiled by the AFL and used by John Flynn in 1955 in his report in The Freeman: In 1932, when Roosevelt was elected, there were on relief 4,155,000 households, containing 16,620,000 persons. In 1940, eight years later, there were 4,227,000 households on relief, containing 16,908,000 persons. In this period farm employment fell off and has never recovered.' Yes, indeed, the New Deal was nothing but the Jew Deal.

Cohen, Frankfurter, and Brandeis were but the top echelon. Other Jews joined the New Deal apparatus. Abe Fortas was assigned to the new SEC; Mordecai Ezekiel was sent in as the Agriculture Department's economist;

Henry Morgenthau Jr. became Secretary of the Treasury; Charles Wyzanski went to the Labor Department; Isador Lubin took over the Bureau of Labor Statistics, in effect becoming F.D.R.'s economist; David Niles became the first of what is by now a line of special White House point men' for handling minorities' affairs; the young Joe Rauh became part of it, after serving as a law clerk first to Justice Cardozo, then to Frankfurter after his appointment to the court; and there were Bernard Baruch, David Lilienthal, and Sam Rosenman, to name a few others' (Jews and American Politics, Stephen Isaacs, 1977, Doubleday).

Following are a few of the main points that FDR wanted to force feed the American public with the Jew Deal. Let us take special note that these governing principles advocated by Roosevelt almost exactly parallel the same tyrannical governing principles advocated by the world Communist Party, backed and endorsed by world Jewry, as Communism is an arm of international Zionism.

- 1). Impairment of all independent judicial powers. In plain language, the federalization of everything.
- 2). Eliminate any and all parliamentary principles. This meant complete control of Congress through money, bribes, and blackmail.
- 3). Strengthen and control, through Jewish Socialism, the entire economics of the nation. This was achieved with the implementation of the Federal Reserve.
- 4). Extend big Jew governmental executive powers to rule by Jewish regulations (of its own elite Jews' making) in all areas of life.
- 5). Wield complete power over the individual by giving him no personal rights as a citizen, thereby thwarting self-determination. This included the elimination of the Bill of Rights, especially stifling freedom of speech, the right to bear arms, freedom of religion, and freedom of the press. In

other words, make any opposition, dissenting voice, or dissident a political criminal. Part of Jewish Socialism is playing the word game of phony euphemisms attached to things the Jew desires to cover-up. A political crime would no longer be called a political crime, but a hate crime, to name but one example of Jew-speak.

6). Weaken all opposing powers whether religious, state and local governance or private enterprise. This would primarily be achieved with the plutocratic principle of anyone can be bought.'

A relentless war on white man's culture was declared by the Jews on Christian Americans from the very first day the first congregation of Jews became a reality in the United States. Jews are responsible for all anti-Christian, anti-white culture philosophy.

A few examples would include Spinoza, who advocated Humanism, and Hegel, who was embraced by the Jewish Communists. [Engels was] in favor of the more systematic and all embracing philosophy of Hegel as expounded by the Young Hegelians,' a group of leftist intellectuals, including the theologian and historian Bruno Bauer and the anarchist Max Stirner.

They accepted the Hegelian dialectic; basically that rational progress and historical change result from the conflict of opposing views, ending in a new synthesis As their first assault was directed against the foundations of Christianity (Engels, Friedrich', The New Encyclopedia Britannica, Vol. 4, 15th ed., pg. 494). In plain language, they espoused and practiced the principle of attacking white culture by any means available to the hand of the Jew (including finance, philosophy, humor, religion, politics, etc.).

I wonder how many of you know that the New Jew Deal was really the Old Jew Deal? If you happened to take a look up FDR's family tree, you might run into Clinton Roosevelt, who wrote a booklet entitled Science Of Government Founded On Natural Law (Dean & Trevett, NY). What makes this work important is that this little document contains most of the

New Deal/Communist Manifesto. And what makes the thing interesting is that it came out in 1841, several years before Karl Marx's work! The truth is that both Clinton Roosevelt's Science and Karl Marx's Manifesto were plagiarizes of yet an earlier eighteenth century collection of writings by another Jew named Adam Weishaupt.

Weishaupt died in 1830 and Clinton Roosevelt simply picked up the torch and passed it on to Marx. In 1849, Horace Greeley, the Jewophile, Jewite owner of the New York Tribune, the country's first national newspaper, and Clinton Roosevelt gave monetary support to the Communist League in London to assist the publication of Marx's Manifest der Kommunistischen Partei or Communist Manifesto (1848). Greeley put Marx right on the newspapers' payroll. Other financial contributors were, of course, the English Jew Stepney and the Hegel antichrist Engels.

FDR worked directly with Earl Browder, Head Chairman of the American Communist Party, right inside the White House. The head of the Communist Party, USA, Earl Browder, worked on political deals with FDR. The arrangements were mutually beneficial. House Rules Chairman John O'Conner told the Senate Judiciary Committee that during 1938 and 1939, when Earl Browder was a frequent guest at the White House, he helped direct a purge' of conservative Democrats who had opposed FDR's policies. AIn fact,' the congressman acknowledged, during the President's purge' of 1938, Browder directed a purge operation from the White House, from which he telephoned instructions' (The FDR Legacy: Lest We Forget,' William Hoar, The New American, 1997, Vol 13, No.13, June 23).

Merle Thorpe, a Roosevelt supporter, wrote in 1935, We have given legislative status, either in whole or in part, to eight of the ten points of the Communist Manifesto of 1848; and, as some point out, done a better job of implementation than Russia.'

The following is a comparison of the planks of the Communist Manifesto with but a part of the administration of Roosevelt. You can find those specifically created by Roosevelt listed by the inception dates. Be aware, the beginning dates are only part of the story because there were also some changes that occurred to those that were already in place.

Point 1: Abolition of property in land and application of all rents of land to public purposes. [This was one of the first things Roosevelt called for, as early as his second inaugural address. He initiated several programs to help accomplish his goal, including the Federal Emergency Relief Administration.]

Point 2: A heavy progressive or graduated income tax. [FDR certainly was responsible for making this an unpleasant fact of American life by creating the Wealth Tax Act, with-holding taxes, and was even pushing for a \$25,000 earning limit. This made the Communist principle of the redistribution of wealth possible in the United States of America.]

Point 3: Abolition of all rights of inheritance. [Inheritance taxes, introduced in 1935, were the culmination of the graduated taxes begun earlier in 1913.]

Point 4: Confiscation of the property of all emigrants and rebels. [In 1941, Roosevelt confiscated the property of 117,000 Japanese on American soil and interred them in American concentration camps. Of course, Germans and Italians were affected as well, and none were paid any reparations for the crimes against them.] **Point 5:** Centralization of credit in the banks of the state, by means of a national bank with state capital and an exclusive monopoly. [The confiscation of gold in 1933 put the wealth in the hands of the Jews. Other parts to his diabolical plan included the Gold Reserve Act (1934) and the Banking Act (1935), which further removed the wealth from the American people.]

Point 6: Centralization of the means of communication and transport in the hands of the state. [In addition to putting private air mail carriers out of business and using the Army to deliver mail in 1934, Roosevelt opened the gate to the enemy and the Jews bought out newspapers, radio and

television stations. FDR also created several government agencies regulating communication and transport, including the Federal Trade Commission and put the already existing Interstate Commerce Commission on steroids.]

Point 7: Extension of factories and instruments of production owned by the state; the bringing into cultivation of wastelands, and the improvement of the soil generally in accordance with a common plan. [In addition to TVA, Roosevelt proposed several other Tennessee Valley Authority like projects and almost actually passed off the Property Seizure Bill that would have allowed confiscation of all private firearms and given him essentially a dictatorship, with complete power over all business and industry. Additionally, he created more big government, Jewish programs: National Recovery Administration, the Rural Electrification Administration, Public Works of Art Project, Farm Credit Administration, etc.]

Point 8: Equal obligation of all to work. Establishment of industrial armies, especially for agriculture. [Civilian Conservation Corps, Civil Works Administration, National Industrial Recovery Act, Work Progress Administration, etc.]

Point 9: Combination of agriculture with manufacturing industries; gradual abolition of all the distinction between town and country by a more equitable distribution of the populace over the country. [Resettlement Administration, etc.]

Point 10: Free education for all children in public schools. Abolition of children's factory labor in its present form. (Yeah, in its present form.) Combination of education with industrial production. [National Recovery Administration, among others.]

Coincidence? The U.S. Secretary of Defense, James Forrestal wrote:

Played golf today with Joe Kennedy. I asked him about his conversations with Roosevelt and Neville Chamberlain from 1938 on. He said Chamberlain's position in 1938 was that England had nothing with which to fight and that she could not risk going to war with Hitler.

Kennedy's view: That Hitler would have fought Russia without any later conflict with England if it had not been for Bullitt's urging on Roosevelt in the summer of 1939 that the Germans must be faced down about Poland; neither the French nor the British would have made Poland a cause of war if it had not been for the constant needling from Washington. Bullitt, he said, kept telling Roosevelt that the Germans wouldn't fight; Kennedy that they would, and that they would overrun Europe. Chamberlain he says, stated that America and the world Jews had forced England into the war' (The Forrestal Diaries, 1951, Viking).

The Supreme Court unanimously ruled FDR's National Recovery Administration unconstitutional [Schechter Poultry vs US, 295 US 495 (1935)]. And again the following year the Supreme Court ruled FDR's Agricultural Adjustment Act unconstitutional [Butler vs US, 297 US (1936)], stating that the AAA was a central government exercising uncontrolled police power in every state of the union.' This was the ludicrous, insane program that had farmers slaughter millions of their animals and needlessly plow under their crops. Production was so drastically cut that the US had to import produce from abroad. Importing America's major foodstuffs is a practice that today has become the norm.

While FDR's Communist programs were helping those in the upper Jewish circles worldwide, the mass majority of the American public were suffering in abject poverty. Life in the city had become so bad that many people who could, because of ties with friends or relatives, left the cities, some literally starving, and returned to the countryside where there were potential sources of food. In the 1930's, many people still lived and worked family farms.

Great numbers of these people had no money at all; their livelihood was from the land itself and their existence did not depend completely on the almighty dollar. If it had not been for the farmers and backwoods country

folks, God only knows what would have become of those helpless victims of the FDR era of Communist rule. Today, the effects would no doubt increase a hundred fold.

The criminal mind of FDR did not stop at this point. In the mid 1930's, Roosevelt wanted an established policy that the Russians could build armaments in the USA and vowed that if he couldn't give direct assistance, then he was going to funnel support to his comrades through England or elsewhere in Europe.

Jewish war profiteers loomed on the horizon, foaming at the mouth. In the 1940 election campaign FDR promised over and over to keep the country out of war while he was doing absolutely everything in his power to involve America in a war. The honorable Congressman Hamilton Fish gave a radio address on the NBC network on April 5, 1939, in which he stated:

If Hitler and the Nazi government regain Memel or Danzig, taken away from Germany by the Versailles Treaty, and where the population is ninety percent German, why is it necessary to issue threats and denunciations and incite our people to war? We repudiated the Versailles Treaty because it was based on [Jewish] greed and hatred, and as long as its inequalities exist there are bound to be wars of liberation.

The sooner certain provisions of the Versailles Treaty are scrapped the better for the peace of the world I believe that if the areas that are distinctly German in population are restored to Germany, except Alsace-Lorraine and the Tyrol, there will be no war in Western Europe. There may be a war between the Nazis and the Communists, but if there is, that is not our war or that of Great Britain or France or any of the democracies New Deal spokesmen have stirred up war hysteria into a veritable frenzy.

The New Deal propaganda machine is working overtime to prepare the minds of our people for war, who are already suffering from a bad case of war jitters President Roosevelt is the number one warmonger in America, and is largely responsible for the fear that pervades the nation I accuse the Administration of instigating war propaganda and hysteria to

cover up the failure and collapse of the New Deal policies, with 12 million unemployed and business confidence destroyed.

The war profiteers, munitions makers and international bankers [Jews] are all set up for our participation in a new world war I believe we have far more to fear from our enemies from within [Jews] than we have from without. All the Communists [Jews] are united in urging us to go to war against Germany and Japan for the benefit of Soviet Russia' (Congressional Record Appendix, Washington, Vol. 84, Part 12, pgs. 1342-43). (Bracketed words have been added by the author.)

The Jewish community had a man they could count on and they were trying to make sort of a cult leader out of FDR. They withheld information from the public at large concerning the real FDR, things they were afraid for the people to know, because they were afraid or knew people might react negatively. A perfect example of this was how they did not want the masses to know FDR was in a wheelchair. Many people even during WW 2 never knew he was a cripple. In 1944, FDR had a heart attack. The physicians told him it would kill him if he got over exerted and that he was not to work or be active over four hours a day. Almost unbelievably, it was still decided for Roosevelt to go on for a fourth term.

Now, might I take a moment to remind you that by this time the country was right in the middle of a war. In 1944, FDR spent approximately two thirds of the year either in rest, medical treatment, or travel to get medical treatment. With no commander at the helm, the Jews had free reign to do whatever they pleased [not that FDR would have made any difference, being one of them].

Nevertheless, FDR's health was an issue that the American people had a right to know about. For many months before the election, FDR had been utterly unfit physically to fulfill the duties of his office. With millions of lives hanging in the balance, to continue on with this man as President was nothing short of irresponsible.

So you tell me, How would you think a reasonable person would have felt if he knew the facts? Give them Bob Hope and a few go-go dancers and

the stupid goy will never know the difference Germany was thirty or forty years ahead of the rest of the world technologically speaking, and the Jew coveted Germany's achievements. FDR hated white men and he hated the concept of white civilization for any white people. No doubt Communism had suffered a loss in Germany when Chancellor Hitler was elected. Mr. Hitler stepped up to the plate and put it out of the park.

Mr. Hitler did more in two years for his people than FDR ever accomplished throughout his whole entire Jew Deal or in his whole life, for that matter. But then, Mr. Hitler was working for the German people to rid his nation of the international parasite, the Jew Communist, and to truly work on behalf of the good interests of the German people. This cannot be said of Roosevelt. According to Roosevelt's own personal papers, this infuriated him to no end. Once, when aviation hero Charles Lindbergh came back from a visit to Germany and spread around a few compliments, Roosevelt became so enraged that he did everything he could to get Colonel Lindbergh, a national hero, stripped of his rank and thrown in jail. Roosevelt hated Lucky Lindy, and no doubt Lindy knew the truth.

The pressure for war is high and mounting. The people are opposed to it, but the Administration seems to have the bit in its teeth' and hell-bent on its way to war. Most of the Jewish interests in the country are behind war, and they control a huge part of our press and radio and most of our motion pictures the international financial interests, and many others' (The Wartime Journals of Charles A. Lindbergh, Charles Lindbergh, May 1, 1941, Harcourt Brace, 1970, pg. 481).

All this, but when FDR spoke to his top aids concerning Russia, FDR made it clear when he said, 'We can let them have almost everything they want.' And, in fact, he did, because it was FDR who set-up his friends, the red bastards in Russia, with all the supplies and information they needed to build the bomb'. In this sense, he was responsible for the creation of the whole crazy Jewish Cold War as well. (See Hearings Regarding Shipment of Atomic Material to the Soviet Union During World War II', Eighty-first Congress, House of Representatives, Second

Session, Committee on Un-American Activities, United States Government Printing Office, Washington, 1950.)

Hypocritically, the Rosenbergs, a Jewish couple who attempted to give atomic secrets to the Communists in Russia, were convicted in 1951 and executed in Sing Sing shortly thereafter after several appeals. Were these Jews chosen as martyrs to cover-up FDR's treasonous activities? Perhaps this is a question that remains to be answered.

The Swedish explorer Sven Hedin expressed an insightful and sound perspective regarding Roosevelt's role in initiating World War II:

The question of the way it came to a new world war is not only to be explained because of the foundation laid by the peace treaties of 1919, or in the suppression of Germany and her allies after the First World War, or on the continuation of the ancient policies of Great Britain and France. The decisive push came from the other side of the Atlantic.

Roosevelt speaks of democracy and destroys it incessantly. He slanders as undemocratic and un-American those who admonish him in the name of peace and the preservation of the American way of life. He talks about freedom of speech and silences those who don't hold his opinion. He talks about freedom of religion and makes an alliance with Bolshevism. He talks about freedom from want, but cannot provide ten million of his own people with work, bread or shelter.

He talks about freedom from fear of war while working for war, not only for his own people, but for the world, by inciting his country against the Axis powers when it might have united with them, and he thereby drove millions to their deaths. This war will go down in history as the war of President Roosevelt' (*Amerika im Kampf der Kontinente*, Brockhaus, Leipzig, 1943).

FDR wanted war, but not in just any way. He wanted to wage his war on Germany. October 8, 1941: Franklin Delano Roosevelt orders US vessels to fire upon German vessels on sight. Roosevelt blatantly lied to Congress and the American public on numerous occasions to try and get them to declare war on Germany.

They didn't buy FDR's nonsense and it only further destroyed his already shaky credibility with the public in general, and Congress as well. Remember, more than 75% of the American people were against getting involved in Roosevelt's Communist aggression against Germany. At this point he was even more angered and purposeful in throwing the USA into war against Mr. Hitler, the man he had without provocation grown to hate so much, and ironically of whom he was incredibly envious.

Within a week of his inauguration as President, Franklin D. Roosevelt invokes emergency war powers that effectively suspend the Constitution. Gold is confiscated from private citizens and the new currency is backed by a lien on all property, public and private, in the United States. (remember the land banks?)

Even a hasty perusal of this factual document convinces one as to the President's Jewish ancestry. From the viewpoint of eugenics, it explains his natural bent toward radicalism.

It shows why he has given hundreds of so-called Liberals, Socialists and Communists powerful positions in the national government. It reveals the origin of the sinister spirit which today animates the White House. It proves unmistakably, that the Roosevelt Administration offers a biological, as well as a political problem.

The New York Times of March 14, 1935, quotes the President as saying: AIn the distant past my ancestors may have been Jews. All I know about the origin of the Roosevelt family is that they are apparently descended from Claes Martenszen van Roosevelt, who came from Holland.

Additional information regarding the nationality of the Roosevelt family, was given by Chase S. Osborn, early in 1934, at St. Petersburg, Florida. Mr. Osborn was formerly Governor of Michigan. The leading newspaper of the city (The Times) carried the following report after the interview:

Although a Republican, the former Governor has a sincere regard for President Roosevelt and his policies. He referred to the Jewish ancestry' of the President, explaining how he is a descendant of the Rossocampo family expelled from Spain in 1620. Seeking safety in German, Holland and other countries, members of the family, he said, changed their name to Rosenberg, Rosenbaum, Rosenblum, Rosenvelt and Rosenthal.

The Roosevelts in North Holland finally became Roosevelt, soon becoming apostates with the first generation and others following suit until, the fourth generation, a little storekeeper by the name of Jacobus Roosevelt was the only one who remained true to His Jewish Faith. It is because of this Jewish ancestry, former Governor Osborn said, that President Roosevelt has the trend of economic safety (?) In his veins.

Roosevelt inevitably draws upon his Jewish ancestry. It is, therefore, as natural for him to be a radical, as it is for others to be true Americans. This is why he can boast of flouting conventionalities, and publicly gloat over destroying those traditions which are fundamental to our national character. **HE IS NOT ONE OF US!** This may also explain why he attaches so little importance to his word of honour, and has no hesitation in breaking his promises.

It is to be doubted if he, himself, understands the inner forces that surge through his being, driving him further and further toward the Left! It's in his blood. Meanwhile, the result of 160 years' constructive effort on the part of Christian patriots threatens to be swept away.

For this reason, one of his first official acts after becoming President, was to invite Finklestein alias Litvinoff, to the White House for the purpose of establishing diplomatic relations with the Jewish dictatorship of Moscow. For this reason, he has appointed Jewish Ambassadors to such strategic diplomatic posts as Paris, Stockholm and Moscow. For this reason, Bernard Baruch has lately been called the unofficial President of the United States.

For this reason a super-cabinet, known as the ABrain Trust an organization of appointees denominated by powerful Jewish intellectuals, has been set up to usurp constitutional powers of our duly elected lawmakers.

We do not condemn Roosevelt for coming from Jewish stock. We condemn him for being a leader in the international radical movement which is throwing Gentile governments, the world over, into convulsions. In like manner, the Jewish mind is incapable of assimilating the Christian and American viewpoints sufficiently, to risk placing the destiny of 120,000,000 human beings in the hands of a few members of their people.

Confirmation From Other Sources: In the 1938 AWorld Almanac under the heading ABiographies of U.S. Presidents and their wives, page 237, appears:

Franklin Delano Roosevelt was the son of James Roosevelt, a direct descendant of Claes Martenzen van Rosenvelt, who arrived in New Amsterdam in 1649 and married Jannetje Samuels.

The following is from *The House of Roosevelt* by Paul Haber, 1936 edition: Claes Rosenvelt entered the cloth business in New York, and was married in 1682. He accumulated a fortune. He then changed his name to Nicholas Roosevelt. Of his four sons, Isaac died young. Nicholas married

Sarah Solomons. Jacobus married Catherina Hardenburg. The Roosevelts were not a fighting but a peace-loving people, devoted to trade. Isaac became a capitalist. He founded the Bank of New York in 1790.

The American Freedom Magazine of Los Angeles, Calif., April, 1938, issue, reproduced the quotation below:

In an address to the National Convention of the D.A.R., President F.D. Roosevelt said that he too was of revolutionary ancestry. **BUT NOT A ROOSEVELT WAS IN THE AMERICAN ARMY.** They were Tories, busy entertaining British officers. The first Roosevelt came to America in 1649. His name was Claes Rosenfelt. He was Jew. Nicholas the son of Claes, was the ancestor of both Franklin and Theodore. He married a Jewish girl named Kunst in 1682. Nicholas had a son named Jacobus Rosenfelt. In the family tree there are 351 persons bearing biblical names of the tribe of Israel. (From the Corvallis Gazette-Times, of Corvallis, Oregon).

FDR's Distinguished service to Jewry New York Jews having designed and struck off a medal with the head of Roosevelt on one side and the six point Solomon Star, synagogue symbol of possession and world power, on the other, with a mystical so-called Good Luck idiom in the centre of the star, the undersigned and his associates investigated to ascertain the significance, if any, and report the implications: Good Luck and Wisdom to Franklin D. Roosevelt, our Modern Moses, Leading Jewry in The Promised Land' (America) under the Seal of Solomon.'

The following New York item was published from Coast to Coast under an Associated Press date line of May 8, 1937:

President Roosevelt will receive the tenth award of the Gottheil Medal for Distinguished services to Jewry.'

Another such Jewish medal was given him December 22, 1938, according to the New York Herald-Tribune of December 23, 1938.

What distinguished services has Roosevelt rendered to Jewry?

Professor H.J. Laski, Jewish Socialist of England, was quoted in the London AFascist of January 1935, thus:

If the experiment for which Roosevelt is responsible, should in any serious degree break down, as a result of the association with it of a number of eminent Jews, there would be an outbreak of Anti-Semitism in the U.S. more profound than anything Anglo-Saxon Civilization has so far known.

The National Elections of 1938 show the Roosevelt experiment is breaking down; and New York City is Pogrom-Conscious!

The Delanos Jewish Also: Writing in the Hadendrezubanner of May 14, 1939, Professor Dr. Johann van Leers of Berlin-Dahlem, Germany, publishes an exhaustive analysis of Roosevelt's ancestry. While it is apparent that the authorities quoted are not convinced regarding the authenticity of the Holland Rossocampo-Roosevelt Jewish genealogy, a new discover is quoted to show that President Franklin Delano Roosevelt's mother; Sarah Delano, is from a Jewish-blood family.

At once the veil falls comments Dr. von Leers:

The President's father married Sarah Delano; and it become clear. Schmalix (genealogist) writes: In the seventh generation we see the mother of Franklin Delano Roosevelt as being of Jewish descent. The Delanos are descendants of Italian or Spanish Jewish family; Dilano, Dilan, Dillano. The Jew Delano drafted an agreement with the West Indies Co., in 1657 regarding the colonization of the island of Curacao. About this the directors of the West Indies Co., had correspondence with the Governor of New Holland.

In 1624 numerous Jews had settled in North Brazil, which was under Dutch Dominion. The old German traveller Uienoff, who was in Brazil between 1640 and 1649, reports: Among the Jewish settlers the greatest number had emigrated from Holland. The reputation of the Jews was so bad that the Dutch Governor Stuyvesant (1655) demanded that their immigration be prohibited in the newly founded colony of New Amsterdam (the New York of today). It would be interesting to investigate

whether the Family Delano belonged to these Jews whom the Dutch Governor did not want. It is known that the Sephardic Jewish families which came from Spain and Portugal always inter-married; and the assumption exists that the Family Delano, despite Christian-confession, remained purely Jewish so far as religion is concerned.'

Jewish Mothers Bear Heredity:

What results? The mother of President Roosevelt was a Delano. According to Jewish Law (Schulchan Aruk, Ebenaezer IV) the woman is the bearer of the heredity. That means: children of a full-blooded Jewess and a Christian are, according to Jewish Law, Jews. It is probable that the Family Delano kept the Jewish blood clean, and that President Roosevelt, according to Jewish Law, is a blooded Jew even if one assumes that the father of the President was Aryan.

We can understand why Jewish associations call him the New Moses; why he gets Jewish medals; highest orders of the Jewish people. For every Jew who is acquainted with the law, he is evidently one of them. The secret surrounding President Roosevelt solves itself through the assiduous investigations of Schmalix.' In this connection it is noteworthy that Who's Who in American Jewry lists the New York Brentanos as Jewish; Sephardics from Italy or Spain. Delano and Brentano end with o. Jews expelled from Brazil settled in the U.S. Genealogist Schmalix is quoted in the article mentioned as saying: When the Delanos changed to the Christian religion can only be ascertained by further investigations in America.

With this alleged Jewish Delano descent added to the other records herein the fact that New York Jews on the East Side constantly refer to the President proudly as Rosenvelt, it would seem that Dr. von Leers, in his letter of May 14, 1939, to the undersigned, transmitting his latest discoveries, is justified in exclaiming: It being true that the Delanos are well-known Jews from the Netherlands, President Roosevelt is, from the standpoint of Jewish Heredity Law, as good Jew as Bernard M. Baruch. Baruch is a Sephardic Jew, whose family is reported to have come from Europe via Brazil to North America. Signed Robert Edward Edmonton.

So this explains why Roosevelt, coming from a prominent and wealthy family, moved America into the direct path toward Communism. The Jewish name's in FDR's family stand out; Samuels, Schaak, and Jacobus. Since Jews frequently intermarry with their relatives, Roosevelt's wife was a distant cousin and a niece of former President Theodore Roosevelt.

The Universal Jewish Dictionary of 1943 states:

Sara Delano Roosevelt, born 1855 and died 1941, was often the guest and advisor to Jewish institutions. After her death, the Roosevelt New York City home was bought by the B'nai B'rith Hillel Foundation and converted into the Sara Delano Roosevelt Interfaith House for students of Hunter College.

FDR was extremely pro-Zionist from the very beginning of his political career and was often honoured by Jews. Henry Morgenthau, Jr.; Bernard Baruch and Samuel Rosenman were among the Jews who influenced his twelve years of office. Thus you can see how Jewish Communism penetrated so deeply into the American government, in spite of the warnings from early American leaders, such as Benjamin Franklin, who warned that this would happen.

The American Jewish Congress, led by Rabbi Stephen Wise and Samuel Untermyer, join the war movement, calling on all Jews to unite in a Holy War' against Nazism. In a speech given on 11 February 1933, Henry Morgenthau states: The U.S. has entered the phase of a second war.' Other Jewish leaders join in the chorus. This is six years before the start' of World War II with the German invasion of Poland (formerly East Prussia), and almost nine years before Pearl Harbour.

Total membership of the Communist Party in America is estimated by Earl Browder at 1,200,000. There are over 600 Jewish radical and Communist newspapers and Jewish periodicals being published in the U.S.

For their own purposes, men make various classifications of things and of people. But usually, the conclusion they wish to reach dictates the

classification which will best support it, wishful thinking vitiates the result. On the other hand, Yahweh, who views all eternity with a single glance, has His other truths revealed to man, so we must look to the Bible. There we will find that indiscriminately under one term, man. Yahweh distinguishes between them by using distinctive names for the different kinds of beings. Let's examine them and see if the different words used have any significance as to the kind of people they denote, the level of character and spiritual understanding to be found in the different kinds of beings identified by their different names.

Several different Hebrew words have all been indiscriminately translated man or men in the King James Bible, although some very important differences of meaning show clearly on the face of these words. First, let us consider the word which denotes our White Race. The Hebrew word Awdawm, called Adam in your Bible, is from the root word meaning, **TO BE OF A RUDDY COMPLEXION, TO SHOW BLOOD N THE FACE**, something obviously not applicable to Negroes or Mongolians, but **ONLY TO THE WHITE RACE**. When used to denote the first White Man Adam, the Hebrew always says the Awdawm. When used of his descendants, the Hebrew just says Awdawm, the King James Bible translates it man.

Another word used in contrast to Awdawm is **ENOSH**, which is always used in a derogatory sense. Its root meaning is mortal and implies weakness, physically or morally, wretchedness. It is applied to **NON-ADAMIC** races, which are of course all **PRE-ADAMIC**. It should be noted the pre-Adamic races are not limited geographically to just certain parts of the earth, but some of them are found mingled among the Adamites.

A third Hebrew word translated man is Aish (eash), literally, it means a male person or a husband. It is used for mankind in general and can be applied to either an Adamite or a pre-Adamite. The feminine form is Aisha (eesh-shaw), the plural of which is naw-sheem. This is so similar to the plural of Enosh, Anashim, they have often been confused, leading to many mistakes in translation. There are three other closely related words, Agheh-ber, Agheb-ar, and Aghib-bawr, which are all derived from a root meaning to be strong. These are usually translated mighty man or warrior, these last three can cause no confusion, so they need not concern us further.

Now, let's note a few examples of the use of these words in the Bible, in the place of the English word man, we will use the Hebrew word used in the original. Ezekiel 34:31 records,

And ye my flock, the flock of my pasture, are Awdawm, and I am your God, saith Yahweh.

Psalm 115:116 states,

The heaven, even the heavens, are Yahweh's but the earth hath He given to the children of Awdawm.

Note how Yahweh uses Awdawm and Enosh in contrast. Take Psalm 90:93 for example,

Thou turnest Enosh to destruction; and sayest, return ye children of Awdawm.

While destruction is visited upon the pre-Adamite Enosh for their persistent wickedness, Yahweh leads the children of Awdawm back to Himself in repentance.

Yahweh distinguishes between Awdawm and Enosh in many places. For example Psalm 8:4,

What is Enosh, that thou are mindful of him? And son of Awdawm, that thou visitest him?

Note that while Yahweh is **MINDFUL** of what the Enosh do, it was the sons of Awdawm Yahshua visited when Yahshua came to earth. Both racial groups must be disciplined, but the distinction is kept clear even there. Isaiah 2:11 records,

The lofty looks of Awdawm shall be humbled and the haughtiness of Enosh shall be bowed down and Yahweh alone shall be exalted in that day. In 2 Samuel 7:14 we read; I will be his father and he shall be my son. If he commits iniquity, I will chasten him with the rod of Enosh, and with the stripes of the children of Awdawm.

If these were not distinctly different races, there would be no point in using the different words.

The Enosh were wicked and are so spoke of. Deuteronomy 13:13 warns,

Certain Enosh, the children of Belial, are gone out from among you and have withdrawn the inhabitants of their city, saying, Let us go and worship other gods, which ye have not known.

When they gain power, they are brutal oppressors.

"The Jews were now free to indulge in their most fervent fantasies of mass murder of helpless victims. Christians were dragged from their beds, tortured and killed. Some were actually sliced to pieces, bit by bit, while others were branded with hot irons, their eyes poked out to induce unbearable pain. Others were placed in boxes with only their heads, hands and legs sticking out. Then hungry rats were placed in the boxes to gnaw upon their bodies.

Some were nailed to the ceiling by their fingers or by their feet, and left hanging until they died of exhaustion. Others were chained to the floor and left hanging until they died of exhaustion. Others were chained to the floor and hot lead poured into their mouths. Many were tied to horses and dragged through the streets of the city, while Jewish mobs attacked them with rocks and kicked them to death.

Christian mothers were taken to the public square and their babies snatched from their arms. A red Jewish terrorist would take the baby, hold it by the feet, head downward and demand that the Christian mother deny Christ. If she would not, he would toss the baby into the air, and another member of the mob would rush forward and catch it on the tip of his bayonet.

Pregnant Christian women were chained to trees and their babies cut out of their bodies. There were many places of public execution in Russia during the days of the revolution, one of which was described by the American Rohrbach Commission: 'The whole cement floor of the execution hall of the Jewish Cheka of Kiev was flooded with blood; it

formed a level of several inches. It was a horrible mixture of blood, brains and pieces of skull. All the walls were bespattered with blood. Pieces of brains and of scalps were sticking to them. A gutter of 25 centimetres wide by 25 centimetres deep and about 10 meters long was along its length full to the top with blood.

Some bodies were disembowelled, others had limbs chopped off, some were literally hacked to pieces. Some had their eyes put out, the head, face and neck and trunk were covered with deep wounds. Further on, we found a corpse with a wedge driven into its chest. Some had no tongues. In a corner we discovered a quantity of dismembered arms and legs belonging to no bodies that we could locate." (Defender Magazine, October 1933).

"The Red Terror became so wide-spread that it is impossible to give here all the details of the principal means employed by the [Jewish] Cheka(s) to master resistance; one of the most important is that of hostages, taken among all social classes. These are held responsible for any anti-Bolshevist movements (revolts, the White Army, strikes, refusal of a village to give its harvest etc.) and are immediately executed.

Thus, for the assassination of the Jew Ouritzky, member of the Extraordinary Commission of Petrograd, several thousands of them were put to death, and many of these unfortunate men and women suffered before death various tortures inflicted by cold-blooded cruelty in the prisons of the Cheka.

I have in front of me photographs taken at Kharkoff, in the presence of the Allied Missions, immediately after the Reds had abandoned the town; they consist of a series of ghastly reproductions such as: Bodies of three workmen taken as hostages from a factory which went on strike. One had his eyes burnt, his lips and nose cut off; the other two had their hands cut off.

The bodies of hostages, S. Afaniasouk and P. Prokpovitch, small landed proprietors, who were scalped by their executioners; S. Afaniasouk shows numerous burns caused by a white hot sword blade. The body of M. Bobroff, a former officer, who had his tongue and one hand cut off and the skin torn off from his left leg.

Human skin torn from the hands of several victims by means of a metallic comb. This sinister find was the result of a careful inspection of the cellar of the Extraordinary Commission of Kharkoff. The retired general Pontiafa, a hostage who had the skin of his right hand torn off and the genital parts mutilated.

Mutilated bodies of women hostages: S. Ivanovna, owner of a drapery business, Mme. A.L. Carolshaja, wife of a colonel, Mmo. Khlopova, a property owner. They had their breasts slit and emptied and the genital parts burnt and having trace of coal.

Bodies of four peasant hostages, Bondarenko, Pookhikle, Sevenetry, and Sidorfheuk, with atrociously mutilated faces, the genital parts having been operated upon by Chinese torturers in a manner unknown to European doctors in whose opinion the agony caused to the victims must have been dreadful.

It is impossible to enumerate all the forms of savagery which the Red Terror took. A volume would not contain them. The Cheka of Kharkoff, for example, in which Saenko operated, had the specialty of scalping victims and taking off the skin of their hands as one takes off a glove...

At Voronege the victims were shut up naked in a barrel studded with nails which was then rolled about. Their foreheads were branded with a red hot iron **FIVE POINTED STAR**. At Tsaritsin and at Kamishin their bones were sawed...At Keif the victim was shut up in a chest containing decomposing corpses; after firing shots above his head his torturers told him that he would be buried alive. The chest was buried and opened again half an hour later when the interrogation of the victim was proceeded with. The scene was repeated several times over. It is not surprising that many victims went mad." (S.P. Melgounov, p. 164-166; The Secret Powers Behind Revolution, by Vicomte Leon De Poncins, p. 151-153).

Psalm 10:17-18 tells us, Yahweh thou hast heard the desire of the humble: Thou wilt prepare their hearts, Thou wilt cause Thine ear to hear: to judge the fatherless and the oppressed, that the Enosh of the earth may no more oppress.

The Enosh have no spiritual understanding, that is the reason for their continual wickedness.

Proverbs 28:5 says,

Evil Enosh understand not judgment: but they that seek Yahweh understand all things.

This distinction is still in effect today. Daniel 12:10, speaking of the time of the end which appears to be our own times states,

None of the wicked shall understand; but the wise shall understand.

This is not all, some races Yahweh classifies as **ANIMALS**, their nations are symbolized as **BEASTS** in numerous prophecies. Do you say that this isn't what you have been taught to believe? Then let's look into this a bit and learn what the Bible actually says about it. When Jonah finally went to Nineveh with his prophecy that Yahweh intended to destroy the city for its people's wickedness, they believed him. This is not as surprising as it may seem for the people of Nineveh worshiped Dagon, the fish god. Since they had heard that a great fish had delivered Jonah on the shore, they thought he must be a prophet sent from Dagon and they were ready to believe him. Jonah chapter 3 says that the king was worried;

And he caused it to be proclaimed and published through Nineveh by decree of the king and his nobles, saying, Let **NEITHER MAN NOR BEAST**, herd nor flock taste anything: let them not feed, nor drink water: but let **MAN AND BEAST BE COVERED WITH SACKCLOTH AND CRY MIGHTILY UNTO YAHWEH; YEA LET THEM TURN EVERY ONE FROM HIS EVIL WAY** and from the violence that is in their hands. And Yahweh said of their works, that they turned from their evil way and Yahweh repented of the calamity that He said that He would do to them and He did it not. (Jonah 3:7-10)

Now what kind of **BEASTS** were these, who put on sack-cloth, cried to Yahweh, and turned from their evil ways? It says this was the command for **MAN** and **BEAST** and that they did so. Is your dog that well trained, then who was the Bible calling **BEASTS**?

Let's look into this a bit further. In Genesis chapter 9, Yahweh promises Noah and his family protection. In the 5th verse Yahweh says,

And surely your blood of your lives will I require; at the **HAND OF EVERY BEAST** will I require it and at the hand of man.

THESE BEASTS HAVE HANDS LIKE A MAN! But, there were no monkeys in that region, so these beasts with hands must have been men.

In Exodus 19:12-13, when the people of Israel were gathered at the foot of Mt. Sinai while Moses climbed the mountain to receive the ten commandments from Yahweh, Yahweh warned him,

And thou shalt set bounds unto the people round about, saying, Take heed to yourselves, that ye go not up into the mount, or touch the border of it: whosoever toucheth the mount shall surely be put to death. There shall not a hand touch it, but he shall surely be stoned or shot through; **WHETHER IT BE BEAST OR MAN**, it shall not live.

We find, whether it be beast or man, it must not touch the mountain with a hand; and once again the question arises: What beast is it that has hands?

The second chapter of Genesis tells us Yahweh is looking for a suitable wife for Adam and brings in review before him what the King James Bible calls every **BEAST OF THE FIELD**, to see if a good wife for Adam could be found among them. Do you really think that an all wise Yahweh had to carefully look over a female scorpion, female toad, female giraffe, female horse (mare), or a female elephant, to decide whether one of these would be a suitable wife for Adam? Of course not, Moses didn't write any such foolishness when he wrote the book of Genesis, this is purely the work of translators. In the original Hebrew, the account makes good sense and tells us much about the other races.

There are two closely related Hebrew words used here, Akhah-ee and Akhaw-yaw, each of which means a living creature. The meaning is far too broad to be translated merely beast or animal, for it includes all living creatures, from microbes to men. Where the King James Bible says beast

of the field, the word is always either Akhah-ee or Akhaw-yah. So a correct translation would be **THE LIVING BEINGS IN THE COUNTRY**. That these living beings include men is clear from the same word being applied to Adam, read Genesis 2:7;

And Yahweh formed man of the dust of the ground and breathed into his nostrils the breath of life; and man became a **LIVING SOUL**.

In the Hebrew it reads,

Then Yahweh God formed the Awdawm out of the dust of the ground and breathed in his nostrils breath of life; and the Awdawm became nephesh khaw-yah (a breathing creature having life).

So the beast of the field, the Akaw-kaw-yah of the field, or more correctly, the living beings in the countryside, actually included the pre-Adamic races.

All this is in the first Chapter of Genesis with Pre-Adamic male and female created on the sixth day (era). On the seventh day (era) God rests and finds that there is no agriculture, no civilization, no progress; these creatures are still living exactly as they did the day God made them.

A higher intelligence containing God's Spirit is needed to bring forth His Kingdom here on earth. He begins to place His own children here by forming Adam and breathing His Living Spirit into him, then makes a help-mate for him, Eve. The previously created females were not suitable because they were of a different seed. Adam and Eve have only their own seed within themselves, so can only produce their own kind. Yet we are asked by intellectual prostitutes to believe that all races came from Adam and Eve. To produce another race or species, another seed would be necessary.

Genesis 2:18-20 now makes sense. Yahweh saw that Adam needed a wife and, not condemning anybody without a fair chance to make good, Yahweh carefully looked over the pre-Adamic races (African and Asiatic) to see if one of them could be found who was suitable to be Adam's wife

and the mother of the new race but, He couldn't find one. In the Hebrew this reads,

And Yahweh said, Not good for the Awdawm to be alone. I shall make him a helper, **AS HIS COUNTERPART**. And Yahweh formed from the ground every living being of the fields and every fowl of the heavens and bringeth in unto the Awdawm to see what he doth call it; and whatever the Awdawm calleth a Anephesh kahw-yaw, (a breathing creature having life), that is its name. And the Awdawm calleth names to all the cattle and to the fowl of the heavens and to every **LIVING BEING OF THE FIELDS**; and to him hath not been found an helper **AS HIS COUNTERPART**.

Yahweh recognized Adam's wife must be his counterpart, having the same qualities of spiritual understanding, to be able to transmit to her descendants the same qualities for which Yahweh specially placed Adam in the world. But Yahweh could not find even one out of these pre-Adamic peoples who was Adam's counterpart, having these necessary qualities.

When different races mix, they do not bring forth their own kind; their offspring are mongrels or hybrids. This is a transgression against Divine Law, upsetting Nature's delicate balance and producing **THAT WHICH IS NOT GOOD**. Little wonder that, so often in the past, God has destroyed His own children for mongrelizing, and, you can be sure, He will again.

Deuteronomy 7:6: "For thou art an holy people unto the Lord thy God: the Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

The Adamic Race is to have dominion over every form of life previously created. This includes not only the four legged beasts, but the two legged as well. The Negro is an articulate member of this Beast Creation. For proof that they are beasts, and God calls them exactly that.

Exodus 23:10-11: "And six years thou shalt sow thy land, and shalt gather in the fruits thereof: But the seventh year thou shalt let it rest and lie still;

that the poor of thy people may eat: and what they leave the beasts of the field shall eat. In like manner thou shalt deal with thy vineyard, and with thy olive yard."

If wild or even domesticated animals were beasts of the field, just picture what would happen to your gardens and vineyards. Note the distinction God makes here between the "poor of thy people" and the "beasts of the field" the poor of thy people shall eat first.

Exodus 9:9:

"And it shall become small dust in all the land of Egypt, and shall be a boil breaking forth with blains upon man, and upon beast, throughout all the land of Egypt."

You can be sure God was not punishing four legged beasts by afflicting them with boils.

Leviticus 20:15-16:

"And if a man lie with a beast, he shall surely be put to death: and ye shall slay the beast. And if a woman approach unto any beast, and lie down thereto, thou shalt kill the woman, and the beast: they shall surely be put to death; their blood shall be upon them."

Before someone gets the idea that we hate other races, let's look at this thing a little closer. The black race has been on earth at least 40,000 years, for identifiable Negroid skeletons have been discovered which can be scientifically dated as that old. Yet in all those 40,000 years there has never been a Negro civilization.

Yes, there have been a few Negro tribal chiefs that have conquered other tribes and built themselves up a larger kingdom. But, it takes more than the brutal tyranny of a successful war chief to make a civilization and that was all they had. Don't speak of Egypt, Egypt was in Africa but never Negroid. The beautiful portrait sculptures left by the ancient Egyptians show them to have been clearly a pure white people. In the days of Egypt's

greatness, any Negro found north of the first cataract of the Nile river was summarily killed on sight to protect the racial purity of the Egyptians.

While not hating Negroes, we want them to be well fed, well clothed, comfortably housed and in no danger of being eaten by other Negroes, something they have never had except in a civilization created and maintained by white men. Despite all the propaganda, every Negro in the United States is far better off than those in Africa. Just try to find any who want to go back to any black nation in Africa. But neither Negroes nor whites will have the blessings of civilization in a nation reduce to black standards of thinking. If the Negroes were capable of producing a civilization at all, 40,000 years is long enough to do it.

Yes, it is true, that in Asia 2,300 years ago, Confucius taught some high ethical principles, but without a word of religion in them. The Ming Dynasty saw the production of some nice pieces of porcelain, but what did either of these do for the Asiatic people? They did these things because of the influx of some from the White Race who had migrated into China; but through race mixing the Chinese were never able to produce enough food to fill those porcelain bowls.

Shouldn't 2,300 years with the inbreeding of some of the White Race and of Confucian philosophy be enough to develop something more than poverty, disease and misery? Again, the Asiatic mind lacks the true spiritual understanding which Yahweh saw was needed. Aren't the Asiatics who live in the United States better off than those who live in Red China, Korea or Southeast Asia? We don't hate them but, we don't want them to reduce us to their level. This is what Yahweh was talking about in the Genesis chapter two, when He said that the other beings living in the country round about could not produce a suitable wife for Adam, AS HIS COUNTERPART.

Because of the spiritual understanding which Yahweh put in the Awdawm, today the white race has the highest civilization, greatest freedom, and the highest standard of living in the world. They are the so called have nations. We have not hated the other races, we have tried to help them, to show them our ways, in spite of all this, all of them have hated us. In the

centuries when we were very few against their many, they repeatedly tried to conquer and destroy us. Yahweh's watchful care over His people didn't allow this to happen, although several times they came dangerously close to success.

In lands rich with minerals, they sit in wretchedness and poverty, too lacking in enterprise to mine the enormous wealth beneath their feet. In lands where the fertile soil and ample rainfall cover the land with lush growth, they live in perpetual hunger because they are too dull to clear the land and plant it to food crops.

Even when the United States sent over thousands of men and women in the so-called peace core, and furnished them with tractors, ploughs, equipment and people to train them how to use them; built houses; dug water wells and put pumps on them. Yet they could not use them or would not; and so left the tractors to sit and rust never once having turned a parcel of land, unless a white man was doing the plowing. When the leathers on the wells went bad after awhile as they will do, the blacks and other races merely moved on, not having the ability nor the will to replace the parts that wore out.

If we provide the capital to pay them for clearing their land for planting and harvesting useful crops, or for digging and refining the minerals in their soil, they curse us for exploiting them. But if we don't, they curse us for being indifferent to their misery. Now, through the United Nations where they outnumber and out vote us, they through the instigation of the Jews, they plan to rule, plunder, enslave and reduce us to their level. Well did Yahweh classify them as Enosh, lacking utterly in the spiritual understanding necessary to follow Yahweh's ways.

Perhaps you may say, all these were quoted from the Old Testament, but in the New Testament, Yahweh changed His mind and changed all this. Let's see what the New Testament says about them. In his epistle to Titus recorded in Titus 1:12 Paul says,

One of themselves, even a prophet of their own said, The Cretans are always liars, **EVIL BEASTS**.

The word beast here is the Greek word therion, meaning a dangerous animal. Jude chapter 10 states,

But these speak evil of those things they know not: but they know naturally, as **BRUTE BEASTS**, in those things they corrupt themselves.

2 Peter 2:12 continues,

But these, as **NATURAL BRUTE BEASTS, MADE TO BE DESTROYED**, speak evil of the things they understand not, and shall utterly perish in their own corruption.

These Enosh were commonly called dogs, both in the Old and New Testaments. For example, Psalm chapter 22 is recognized by all Bible scholars as prophetic of Yahshua's first coming and crucifixion. In the 16th verse it states,

For **DOGS** have compassed me: the assembly of the wicked have enclosed me; they pierced my hands and my feet.

Yahweh is certainly not complaining that some four footed dogs barked at Him, there is no record that any ever did. He is speaking of those who delivered Him up to be crucified the use of this word is common in the New Testament. In Philippians 3:2 Paul says,

Beware of **DOGS**, beware of evil workers.

The four footed dogs are no more evil workers than cats and cows. Paul and those to whom he wrote, knew these dogs were the two footed kind.

If you say, this is discrimination between the races, you are exactly right. Has someone told you that monstrous falsehood that, it isn't Christian to discriminate between races? Let's see what Yahshua did. In Mark 7:25-29 we read,

For a certain woman, whose young daughter had an unclean spirit, heard of Him and came and fell at His feet: the woman was a Greek, a

Syrophoenician by nation; and she besought Him that He would cast forth the devil out of her daughters. But Yahshua said unto her, Let the children first be filled: for it is not right to take the children's bread and to cast it unto **DOGS**. And she answered and said unto Him, Yea master, yet the **DOGS** under the table eat of the children's crumbs. And He said unto her, **FOR THIS SAYING**, go thy way: the devil is gone out of thy daughter.

Yahshua certainly did discriminate, not until the woman recognized the righteousness of the discrimination did He help her.

She had first asked help of Him on the same basis as the Israelites, true Awdawm, on that basis she was not entitled to it. Yahshua told her, ALet the children first be filled with the bread of life. Then they will establish the kingdom of Yahweh on earth and from this Yahweh's blessings will be extended to such others as can understand and receive them in the proper spirit. Meanwhile, Yahshua did not hesitate to openly call the Enosh dogs. When the woman indicated that she understood the blessings would come to others out of the abundance which Yahweh gave to His own children, then He told her that for this saying, her daughter had been healed.

Yahshua carefully warned His disciples never to make the mistake of failing to discriminate, never to try to bring the Enosh who lack understanding, into the kingdom of Yahweh on the same terms as the Awdawm. In Matthew 7:6 He warned them,

Give not that which is holy unto the **DOGS**, neither cast ye your pearls before **SWINE**, lest they trample them under their feet and turn again and rend you.

Strong words yes, but the direct command of Yahshua. **WE HAVE DISOBEYED HIM SO NOW WE ARE FACING THE TRAGIC PENALTY**. We have tried to treat the other races as equals. We have expected them to learn the same lessons from our religion that we do, we have expected them to behave with some self restraint when they find power in their hands. But this is exactly what Yahshua warned us not to do, Lest they trample our pearls under their feet and turn again and rend

us. Of our advanced technology, they want only to learn how to make weapons to use against us. In fact, they are even using the very food we send them as a weapon against us, for the surplus food will allow them to take more men off the farms and put them into armies and weapon factories. To thus strengthen our enemies is only a fool's method of suicide.

To His disciples Yahshua said in John 14:16-17,

And I will pray the Father and He shall give you another Comforter, that He may abide with you forever; even **THE SPIRIT OF TRUTH, WHOM THE WORLD CANNOT RECEIVE**, because it seeth Him not, neither knoweth Him: but ye know Him; for He dwelleth with you and shall be in you.

Therefore, it was logical to speak of those whose minds lacked the spiritual understanding as beasts, because of their nature.

In the Book of Daniel, the prophet traces the rise and fall of four great world empires ruled by these people. First he interprets Nebuchadnezzar's dream of the great image, whose head was of gold, his breast and arms of silver, his belly and thighs of brass, his legs of iron, as prophesying the successive dominance of four great empires. Nebuchadnezzar's Babylon was the first of these, the golden head and the others being Medo-Persia, Alexander's and Rome.

In Daniel 7, Daniel had a vision of four remarkable beasts, rising one after the other out of the sea. We know that in prophecy, the sea is symbolic of mankind in general, all people, the great majority of whom are the Enosh, the pre-Adamic races. Out of them came the four **BEASTS**. The first a lion symbolized Babylon, like the golden head of the image, the second a bear, symbolized the great empires of Media and Persia. The third a leopard, for the swift striking empire of Alexander the Great, and the fourth a very terrible beast with iron teeth, ten horns and great strength, symbolized Rome. This was exactly the same series, in the same order as the image of Nebuchadnezzar's dream. Its repetition was to confirm the first one as true prophecy.

As further confirmation, in the book of Revelation we again find a **BEAST**, representing these world empires, rising out of the sea. In Revelation chapter 13, we are told this strange beast had the mouth of a lion, the feet of a bear, yet was otherwise like a leopard, but it had ten horns, like the fourth **BEAST** which Daniel saw. The fact that the qualities of all four are now combined in one **BEAST** is to show that the four great world empires were all of one origin, all manifestations of satanic power, all arising out of the sea of non-Adamic races.

They came to power in succession, each gained enormous power over the people who lived in great areas. The rule of each was harsh, tyrannical, brutal, each one more so than those before it. Man's planning, man's skill in putting his plans into effect, man's ability to judge what was needed in ruling an empire, these they had. But the spiritual understanding, the capacity to receive the thoughts of Yahweh, the capacity to organize and rule a nation under Yahweh's laws, this they lacked.

Revelation chapter 13 shows this composite **BEAST** gained its power from the dragon, Satan. Surely, these empires demonstrated their satanic character. Finally, to make sure that the symbolism of the vision would not be misunderstood, Revelation 13:18 concludes,

Here is wisdom. Let him that hath understanding count the number of the **BEAST**: for it is the number of a **MAN**.

If these beasts were nations of men, why symbolize them as beasts? We have seen that Yahweh's prophesy and even Yahshua, bluntly called certain races beasts. A nation made up of Chinese people must be a Chinese nation, a nation made up of Negroes must be a Negro nation. Then a nation made up of those who the Bible calls beasts, must be a beast nation and it is so stated.

The fall of the Roman empire ended only the vast extent of power in the hands of those who served Satan. It has not ended their desire to regain that power, nor their struggle for it. So the book of Revelation shows a continuation of the struggle for power, carried on by a new beast, right down to the time of the second coming of Yahshua, the beast makes war

against Him, but is conquered by Yahshua. We see this struggle for power going on in the world today; a struggle that began in Genesis 3:15. The non-Adamic people, now organized into many nations so as to multiply their voting power in the United Nations, where just the cannibal tribes of Africa alone are recognized as about 30 nations, having 30 votes to our one.

There is not one of them that stands reliably on our side. Once in a while, they find it to their advantage to seek something which we also want to accomplish and on that one issue they vote with us. But the next day, they either proclaim their neutrality in our struggle for the survival of the free world, with which they have no sympathy, or they actively support the other antichrist nations against us.

It is inevitable that those who are of the same race, in the same origin, having the same qualities, the same ambitions and ideals, should align themselves together, working for their common purpose. In the great world empires of the past, Babylon, Medo-Persia, Alexander's short lived empire and finally Rome, they had what they wanted, **A SYSTEM WHICH EXPRESSED THEIR OWN TRUE CHARACTER.** They want to restore this system and the United Nations os made to order for their purpose, as Yahweh prophesied. In Revelation 13:14 we are told that the new beast,

Deceiveth them that dwell on the earth by means of the miracles which he had power to do in the sight of the beast; **SAYING TO THEM THAT DWELL ON THE EARTH THAT THEY SHOULD MAKE AN IMAGE OF THE BEAT WHICH HAS THE WOUND BY THE SWORD AND DID LIVE.**

They seek to make the United Nations a worldwide empire, like that of Babylon and Rome, only greater. An empire which crushes and dominates all nations, enforcing its will by bestially brutal forces, as we have seen in the Congo, the Balkans, and now in Palestine with the antichrist Jews. An empire which repudiates the one true God, where the name of Yahshua cannot even e mentioned because it offends those who hate Him and where the only reference to any divinity is the statue of the pagan god Zeus, in the lobby of the United Nations building.

An empire ruled by those whom the Bible calls beasts, for they now outnumber the whole white race by 8 to 1 in voting strength. Though we have 1/6th of the world's population, by this juggling of voting power we are reduced to 1/9th of its voting strength. When we see their plans for world rule developing, as we do today under the name of New World Order, we can now understand the dreadful prophecy of the coming day when no man might buy or sell, save he that has the mark or the name of the **BEAST**.

Nevertheless, the return of Yahshua will overthrow their plans, their power will be destroyed and they will be put in their proper place, and the Jews, those who foster most of the worlds wars from behind the scenes will be totally destroyed. This place emphatically does not include the rule over the nations, that has brought too many thousands of years of misery and sorrow. In the final end, when Yahweh's New Jerusalem is set up on earth, we are told in Revelation 22:14-15,

Blessed are they that do His commandments, that they may have the right to the tree of life and may enter in through the gates into the city, **FOR WITHOUT ARE DOGS.**

This doesn't mean you can have your pussycat, canary and goldfish but faithful fido is excluded, these dogs Yahshua names are humans.

Discrimination you say? Yes, in deed! But from start to finish, from Genesis 3:15 to Revelation, **YAHWEH HAS COMMANDED DISCRIMINATION.** I wouldn't oppose it if I could. (Taken, in part, from a study entitled Man and Beast, by Bertrand L. Compert)
