**QUESTION:** 'Wherefore remember, that ye in times past being Gentiles in the flesh, who are called un-circumcision by that which is called the circumcision in the flesh made by hands. That at the time ye were without Christ being aliens from the commonwealth of Israel, and strangers from the covenants of promise, having no hope, and without God, in the world; but now in Christ Jesus ye who are sometimes far off are made nigh by the blood of Christ.' Ephesians 2:11-13. What does this mean?

**ANSWER:** The Apostle Paul in writing to these Israelites who have been gone from the centre at Old Jerusalem for many years is here calling attention to who they are. There is some problems in the Epistles with translation because the Ecclesiastical world tried to embrace doctrines

which the Apostle Paul was not teaching. In Rome the Catholics and then later Protestants in theology were trying to establish that all people were capable of Evangelization for Administration of the kingdom. And they were simplifying their translations so as to classify people as Jews or non-Jews with the non-Jews being classified as Gentiles.

This again is one of the many problems you face in any of the Epistles of the Apostle Paul you find here in our King James Version. But since you now know the outline of this Book you should have no trouble in understanding what the Apostle Paul is telling these Israelites. 'Wherefore ye being in times past Ethene, or nations in the flesh who were called uncircumcision by those who are circumcised in the flesh or made by hands', Remember that the ten northern tribes of Israel and even many of the Judah kingdom did not continue the practice of circumcision after they went into captivity.

And they were thus called aliens from the commonwealth of Israel. Thus the Apostle Paul said they were considered 'Strangers from the covenants, of the promise having no hope without God, in the world.' So here is Lost Israel and that is as far as the Ecclesiastism went, but the Apostle Paul in his Epistle to the Romans remember has already gone much further. Actually he recorded the grafting back of the Wild Olive branches to their own Olive Tree. This was the actual bringing back into the fold of all of Lost Israel. This grafting back into their own family tree results in 'All Israel shall be saved'. How? By bringing them back into the Sheepfold. Yes, blindness in part was to hinder as they were to be blind to their identity but still the purpose of HIS plan is fulfilled. 'For by Grace are ye saved, through Faith, and that not of yourself. It is the gift of YAHWEH not of works, lest any man should boast. For we are His workmanship, brought together through the work of YAHSHUA, Messiah, Redeemer, who is YAHWEH in the flesh, for HE has ordained that we (Israel) shall walk in this manner.' Verse 8-10.

The word Gentile is nations, and all nations of Israel as all awaken to their Identity, then ALL Israel is saved, for they are all in the Sheepfold under their Shepherd. Remember that out of Zion, the kingdom was to come a

deliverer who was YAHSHUA, 'and He shall take away the ungodliness of Jacob, for this is my covenant with them, I shall take away their sins.' The Apostle Paul explains thoroughly that if some of Israel were cut out of the Olive Tree, this would be those called Lost Israel. These tribes through the years were referred to as Wild Olive branches as they went through their migrations westward. But now if they were grafted back into a good Olive Tree which symbolized the true centre, with the Priesthood and the Administration of the kingdom, 'How much more shall these natural branches, those of old Judah kingdom, be grafted back on to their own Olive Tree.'

Now; you understand that there were branches of the House of Israel that went out from the center of worship which was at old Jerusalem. Yet they could be gathered back because they were still Olives in symbolism, they were not oranges or figs they were still Olives, and they could be grafted back on to their original family tree. And since this grafting back of the Olives is these 'Ethene' translated Gentiles then this fits the picture of 'All Israel shall be saved as it is written.'

In the original passages in Ephesians as well as in Galatians it was quite clear that we are not only 'Tekon', offspring, of YAHWEH, but also the Elect according to His foreknowledge. Thus in this classification then all Israelites whether aliens according to their captivity will still be grafted back on to their own tree. Even though they called strangers still they are to be brought back under the covenant, for this is all according to the absoluteness of the Law. Under no circumstance can their be anyone accepted for this purpose who is not a son or daughter. This is Sonship, you had to belong to this specific line. Thus the Apostle Paul identifies Israelites whether Greek, the Ethene or Romans who ever he writes to in his Epistles, he always identifies them as Israelites.

Now; again the commonwealth of Israel as it was established in the earth, as the kingdom, centred around the acceptance of the authority of government which was centred in old Jerusalem. So as the northern tribes went into captivity they were thus in rebellion against the House of Judah and Benjamin. the moment they split out of the true centre they automatically were considered outcasts, or Ethene, translated Gentiles,

meaning nations. But don't forget that way back there in Israel's history that as this split occurred YAHWEH said this was from HIM, for he was moving His people westward.

Then as the Jews begin their take over of control in Jerusalem they tried to keep a permanent split with the tribes of Israel outside of Jerusalem. Oh they encouraged the bringing of Israel back to the temple, but in the time of YAHSHUA it was this pagan High Priesthood that said they must kill YAHSHUA before He gathered the children of Israel scattered abroad or they would lose control of that nation.

In the Epistles of Paul the translation was then changed so that it confuses what Paul taught, and they could keep building on the doctrine added to the last of the Book of Mark where whole passages were added to gain this idea of 'Go into all the world and preach the Gospel', thus making it possible to bring in people who had no part nor lot in the kingdom administration. In fact this is changing the plan and purpose, the covenants, and promises of YAHWEH, OUR Father.

The Apostle Paul then goes on in his Epistle here telling Israelites that now through the work of YAHSHUA, all Israel is brought together again, for HE had broken down this which split the kingdom apart. He has nailed the ordinances of the law to His Cross, and now Israel is joined together once more. Those Israelites called of the circumcision were those of old Judah kingdom who still held to that ritual, and those called uncircumcision were Lost Israel for they had gotten away from the old customs, and now they are all one body for YAHSHUA who was YAHWEH in the flesh has accomplished this by His atonement.

Now all Israel has access through YAHSHUA to the ONE Spirit, and Lost Israel is no more strangers or foreigners but now fellow citizens of the kingdom with the Saints, the believing offspring of this household of the MOST HIGH. Further more this household is built upon the foundation of what the Apostles and Prophets have told us, for YAHSHUA Himself is the Chief Cornerstone. These then in symbolism are of the Pyramid shape for that is the only type of a building which grows fitly framed together into a Holy Temple with one head YAHSHUA being the Chief

Cornerstone. Thus in this symbolism the people are those of the kingdom building for a habitation with YAHWEH-YAHSHUA through guidance of His Spirit.

**QUESTION:** 'If ye have heard of the dispensation of the Grace of God which is given to me, for you; how that by revelation he made known unto me the mystery?' Ephesians 3:3. What is that Mystery?

**ANSWER:** The Apostle Paul is talking about his journey into the planes of spirit. How YAHWEH there revealed many things to him, and he has told you of this before. But here Paul says that because of what he learned in the heavens now Lost Israel is to be told things which before was only revealed to the Holy Apostles and Prophets, by the Spirit. This being that Lost Israelites now called Gentiles should be fellow heirs of this same family who are the body of Christ in the world.

They also are partakers of the promises fulfilled by YAHSHUA. Paul said that he was made a minister according to the gifts of the Grace of YAHSHUA as HE used His power to turn this young Israelite around in his thinking. (vs 7) Thus unto the Apostle Paul who was given this commission to preach among the Lost of Israel, preach the unsearchable riches of YAHSHUA - YAHWEH in the flesh. (vs 8) 'To make all Israel see what is this fellowship of this mystery which from the beginning of the world has been hid in YAHWEH, although HE created all things by His embodiment as YAHSHUA, who after all is YAHWEH (spirit) in the flesh.' (vs 9) For this purpose, that now unto the spiritual centre of the kingdom called the church, these secret things were to be made known.

According to the Eternal purpose the plan of the ages, all things YAHWEH purposed to do as HE came embodied as YAHSHUA-Messiah to complete the Atonement. (vs 11) Thus don't feel bad because of the tribulations, the persecution that I, Paul, faced as I deliver this message to you which is for your Glory, 'For this cause I bow my knees unto the Father (spirit) of this embodiment, for YAHSHUA is YAHWEH in the flesh.' In other words Paul said: I bow my knees unto this spiritual Deity who is my Father, who has revealed Himself as the power of His Spirit has formed for us again this body of YAHSHUA which is YAHWEH in the flesh. Or

I bow my knees before Agra Pneumas, the great creative spirit (father) or YAHSHUA (Christ) of whom the whole family both in heaven and earth are named. (vs 15).

You say, the whole family are called Christians, but no it goes further back than that, the name is ISRAEL, Princely Issue ruling with HIM. The word EL is the world for Deity, though YAHWEH is His Name. And He hath placed His name upon His people, Israel. Today they are called Christians as they are followers of YAHSHUA (Christ), but the whole family in heaven and in earth are a constant part of his expanding kingdom. Alright: His family, some may say it does not make any difference who you are. But that is because they do not understand that you started with the father; are a part of the posterity He begat. That you were born by the Will of the Spirit (father) and when came into earth through the Adamic race, the real you was thus twice born. You now dwell in earth in this physical body but it is His Spirit in you which is Eternal, and it does make a difference who you are because you have a certain destiny.

Here in the Book of Ephesians we hear much about the mysteries of this family of YAHWEH. About the knowledge of things known before the foundation of the world. With His Spirit in you then you are Saints, meaning believing offspring able to comprehend this tremendous mystery of the family of YAHWEH (God). You are able to understand the love He has for His family, and why He came as MESSIAH to Redeem us.

**QUESTION:** 'One LORD, One Faith, One Baptism, One God and father of all, who is above all, and through all, and in you all.' Ephesians 4:5-6

**ANSWER:** The Apostle Paul is simply telling these Israelites that all Israel is the family of God. This is what we have been telling you, that because you are who you are it was necessary for Almighty YAHWEH to come down out of the plane of Spirit and dwell in this physical body. Then after the Crucifixion He descended into the Nethermost realm and released every soul consciousness imprisoned there of this Adamic race, His family. And He then took everyone of their spirits back into the heavens with HIM. In verse 10., the Apostle Paul records that He who

descended is the same that also ascended up into the heavens that He might fulfil all things He purposed to do.

In other words: YAHSUA who is YAHWEH in the flesh is not divided into three parts as translators would like to have you think. He is ONE, spirit ,soul, and body. He is the head of His Household in earth, and in heaven. There is one, only ONE Supreme God of the Universe. His name is YAHWEH, and when HE came embodied as YAHSUA He is then our Saviour. He was fulfilling His promise to His family made so long ago when we were with HIM in spirit. He finished the Atonement and took Him many children out of their captivity in the Netherworld and took them home into the planes of Spirit. From then on as a physical body dies of an offspring, their spirits return to the Father, there is no more captivity for them.

The Apostle Paul then said that to deliver this wondrous message to Israel that YAHWEH sent Apostles, Evangelists, Pastors, and Teachers who are working for the perfection of knowledge to the children (Saints). The work of this Ministry then was for the deifying of the body of Christ which is the physical bodies of all the people of our race, until we all come into the unity of Faith, and of the knowledge of the incarnation of YAHWEH. Until we all come into a perfected condition and measure up to the stature of the fullness of YAHSUA. (vs 13)

This is your destiny, but just think of what this statement is telling you, the Apostle Paul then goes on to say that no longer are we to be tossed to and fro with every doctrine that men can think up to deceive us. now you know of the work of YAHSUA and you can grow into your destiny which is to be joined together into this Living Temple, the kingdom headed by our Father who is YAHSUA-YAHWEH in the flesh. So don't walk you lost Israelites with a closed mind for now you can know these truths as to who you are, and what you are here for. Instead of walking in blindness be renewed in your mind as the spirit reveals things to you, if you will search. Then the more you search the more you learn, and you become a new person because of this knowledge. Before this YAHWEH taught men directly such as the Patriarchs or through such men as Enoch and Job. He instructed such men as Moses and talked through such

Prophets as Isaiah and Jeremiah. He taught them these great basic doctrines. He confirmed them as He dwelt embodied as YAHSHUA (Christ) and then He inspired the Apostle Paul, takes him into the heavens and reveals these mysteries, and these doctrines that are the great basic doctrines of Scriptures which you must understand before you can comprehend what Scripture is telling you.

Now there are places where the doctrines of YAHWEH (God) may disagree with a verse of Scripture because the verse may never have come from YAHWEH at all, but was changed and adjusted to satisfy some individual church. Or it may have been the influence of some Ecclesiastical authority trying to shape a doctrine to suit themselves. We do not say that these men might not have believed in the errors of their changes, and justified their changes because it taught the thing they at that time believed were true. But there was error involved in this for instance one I would classify as first in this area is this doctrine of hell, purgatory and limbo. This is totally fraudulent because these areas of error did not exist in any of the original texts what so ever.

Now; once again in this third chapter of Ephesians the Apostle Paul makes it quite clear that he is talking about the family of YAHWEH, about this family both in the heavens and in earth. These are a specific people, but this does not involve all the people on the face of the earth. No one has anything to do with the pattern of their birth. A Chinaman cannot help being born a Chinaman.

A Negro cannot help being born a Negro, these are just a matter of fact. But because they are part of a race which YAHWEH originally created has nothing to do with a household, a race which YAHWEH brought forth who are His own family who exist in heaven and in earth. There is no reason why He cannot have a creation as well as a family. For anyone to say that YAHWEH can't have a family is rather narrow minded. You can't tell the creator of the Universe what He can or cannot do for He will have what He wants. Secondly if anyone should be happy about it then it should be the people who belong to the family. Instead of fighting about it, instead of resisting it they should discover their responsibilities as to why they are here. And if a part of this family then they should lift up the honor of

the family and serve YAHWEH as their Father to the best of their ability to hold up both the honour of the family name and the family attainment for which they were placed here.

For a confirmation of this doctrine of the family of YAHWEH then turn over to the Old testament to Isaiah 45., where through Isaiah then YAHWEH said: 'Ask me concerning my sons.' This is in the vulgate version, the Douay Version and the King James Version, so there is no division here between any branches of the church, Protestant or Catholic in their text. There is however a vast difference between what the Clergymen may know, for the average Protestant or Catholic clergy are totally unfamiliar with the content of the Scriptures. They are very familiar with the doctrines they must teach, and familiar with a few passages which support this doctrine. But most of the time they just go around in a circle repeating rituals and doctrines, creeds and dogma, but do not discover what it is that YAHWEH by His Spirit inspired Holy men to write such as the Patriarchs and authors of our race.

We are far more interested in knowing what was on the mind of YAHWEH, what HE wanted His Household to know than we are of the Ecclesiastical dogmas, doctrines, and rituals in churches. For many of them are just ghosted up to leave a total pattern of some truth. If you have just a little corner of something you may say, this is true, but if it is out of its context, and out of balance with everything else which is true, if it does not fit into the Mosaic then it is just hiding the truth.

**QUESTION:** 'For it is a shame even to speak of those things which are done by them in secret. But all things that are reprov'd are made manifest by the light.' Ephesians 5:12-13.

**ANSWER:** The Apostle Paul is still telling the Israelites not to let men deceive them. Don't partake of the practices of the children of darkness. You now know who you are and why you are here so don't let the children of darkness, Lucifer's household fool you with false gods and false words. Light is Spiritual perception, and lots of things are made known because of Light. For it is a shame to speak of those things done in secret, what things? Well what about ritual murder? Read excerpts from the Talmud

and you will learn many things. Remember how the pagans used to throw their first born into the fire to Molech? YAHWEH never told any of His creation to do that so did you ever wonder who did? Human sacrifice has been a practice of pagan religions back through the years, but who instituted that? Not YAHWEH! Who set up the Temples of India to Kali, Shiva and Vishnu with their vestal virgins and the Thuggee, or the assassin groups?

I suggest that you read the booklet entitled 'Ritual Murder' by Arnold Leese if you are interested in tracing that practice and see why Christian blood was used in that practice. Also have you ever read the book 'Isabella the Crusader', of Spain? At this date in time this is still a very controversial subject just as it has been back through history but there is also much documented evidence of that practice through out history.

**QUESTION:** 'For this is a great mystery. I speak concerning Christ and his church. For we are members of His body, of His flesh and of His bones'. Ephesians 5:32.

**ANSWER:** This is a statement Paul made to the Israelites as he is unveiling the great mystery of Israel. To some of you this will seem repetitious but in viewing the Word of YAHWEH, and then the existence of the white race we recognize that YAHWEH has very clearly stated certain things that are undeniable in HIS Word. Among those things declared was that He ordained that HIS household be established in earth to build His kingdom and to put the earth back in order.

The event which preceded this made this move necessary being the Luciferian rebellion, and in the course of the defeat of Lucifer by Michael the Archangel, the vastness of time and space, the coverage of planets and conditions is without question a tremendous development. But in that hour of defeat by Michael he would have accomplished an area of devastating victory, but YAHWEH intervened saying He would deal with His fallen Archangel, in HIS own time, and it would serve the program of THE MOST HIGH. Thus the patterns of Scripture bring out this, and even the Jews refer to how the Archangel Michael was stayed in his power even to denounce the program of Lucifer. As these events moved forward then

the children of YAHWEH'S household came into earth through the Adamic bodies until the time came for the fulfilment of the Messianic mystery of Godliness in which YAHWEH was begotten in the flesh, and was justified, believed on by men, then received back into the dimensions of Spirit. In this area of mystery we are told that YAHSHUA, this YAHWEH in the flesh, was the 'second Adam' proving that Adam was an Issue that came forth from YAHWEH.

In defining this further we find that which is a part, and comes forth from YAHWEH, that which is a part, and comes forth is Holy. Webster's dictionary used to refer to those who came forth from YAHWEH as the children of THE MOST HIGH, supposedly a begotten society. Then Webster had his dictionary abridged, somewhat, but it still says that which proceeds forth out of God is Holy.

In the Book of Deuteronomy the Scripture is talking about this race, the people of YAHWEH'S kingdom and therefore makes a significant statement. 'Thou are a Holy people unto YAHWEH thy God. YAHWEH hath chosen thee to be a special people unto himself, above all the people on the face of the earth.' And the areas of civilization and of culture that have existed upon the face of the earth following their generations, their blood lines, their kings, have been through the ages of time leaving their artefacts and their records in the dust of the earth. We can prove through those records that there has been at least years when men have been living on this earth, but there is no trace of the white man, the Adamic man until a little over 7400 years ago.

Solomon in all his wisdom wrote of the plan of YAHWEH. Proverbs 8:22-30. saying that He is our dwelling place, and David also recorded this in the Psalms, and as we come on down to our day we can outline back through history the progress of our race, the regathering of the branches of the House of Israel in these United States into 'Novus Ordo Seclorum', a new order of the age. We can trace this backward through Scripture to Adam and then on back into the heavens. This does not make us egotistical as you understand this mystery, it only makes us feel humble and yet so proud to be a part of this family. Now; lots of times people try to justify YAHWEH because they find things which cause displeasure in

the modern reader. We however are not even going to try to justify what YAHWEH has proclaimed, we only tell you what HE has said in these Scriptures you profess to believe. He set the pattern of segregation for His household because when that program is not followed by the race there are many casualties.

The overwhelming multitude of the world order population not being able to think as you are to think tend to lead Israel astray. The history of Race is the flow of blood carrying culture, but mutate that blood and the culture becomes indistinct. In the patterns of your remembrance you have stored up all the things you have heard, experienced as you listened to the things that have helped frame the background of your thinking. As the tiny electrons revolve around some of the tiny nerves in your brain, as you listen, even now they are forming the words spoken into images in your brain. These are stored and later when the same subject comes up then here are these thoughts of things heard before. You thus inherit from generation to generation the thoughts of your ancestors back to the point of their birth. You inherit their background, their concepts, their chromosome, their genes, their knowledge, and their experiences. This forms a culture and when preserved this culture tends to help you understand who you are, and why you are here.

After the Apostle Paul returned from his heavenly experiences he wrote all things he had learned in a Book called 'The Apocalypse of Paul'. This was given to the spiritual centre of the kingdom now called the church. Of course this was too much knowledge for the existing hierarchy of the church to release so they tried to suppress the Book, then finally rewrote it. But still the truth comes out for in the Epistle Paul wrote of these mysteries and truths contained in his Book which he was told that he must teach to Israel.

Thus the Apostle Paul refers to an incorruptible seed. He tells Israel they have been blessed in all spiritual blessings in heavenly places, that you were begotten in a special way. He reminds us that YAHWEH chose us, in HIM before the foundation of the earth so that eventually we would be Holy and without blame, and in LOVE. The Apostle Paul had the privilege of seeing that YAHWEH conversed with His Household, realized that

they were of His incorruptible seed, begotten of His Spirit in Celestial realms, and there we find the pattern of our existence. The Apostle Paul was able to see how the entire creation was held together by the forms of the spirit. That the spirit is the Father of matter, and holds everything together. There is then this plane of spirit and we have this passage of Scripture: 'They that worship YAHWEH must worship HIM in spirit and in truth', because you see, He is Spirit. The body then of YAHSHUA was the image of the Invisible YAHWEH, and to be complete YAHSHUA-YAHWEH in the flesh was thus Spirit, soul, and body, or if you will spirit, mind and body if that is more understandable. The mind of YAHWEH carries clearly the functioning process of the Holy Spirit therefore YAHWEH and YAHSHUA must be ONE. But we remember that Isaiah made this clear as he recorded: 'I YAHWEH am thy YAHSHUA, thy Saviour.'

Scripture then makes it very clear that the pattern of the spirit is the great activating force of the Universe. The Spirit of YAHWEH imparts motion to the surface of the deep, and imparts force to the creative powers of the Universe. Genesis 1. Thus there is here within the structure of the earth a people who possess the spirit of the Living YAHWEH and they had to come out of the heavens into bodies of the Adamic race in a long pattern of continuity. Therefore this Adamic household is set apart because they have a capacity that no other people possess. We are not boasting or claiming credit for this, but we will acknowledge OUR FATHER.

Now; in the Old Testament the spiritual centre for worship of YAHWEH was the Kehilla, the called out centre of the kingdom. Today the Kahilla is the visible organization of world Jewry. The enemy just took this word and changed the spelling, but the Kehilla in Hebrew was the assembly of YAHWEH'S people, and today we call this a church. He then established a called out Priesthood, out of the House of Levi, to bring to the attention of His people things He wanted them to know of the things He had declared He was going to do. In the New Testament this assembly was expanded but is still called, a 'called out people', a spiritual centre of the kingdom, and is still referred to as HIS church. Where ever the word Ecclesia appears in its position in the New Testament then it is translated Church. This is the pattern brought out by the Apostle Paul that

YAHSHUA will present Himself a glorious church, 'thus a called out people'. That He is head of this church, and He is the Saviour of this body of 'called out people' in the world today, and when He says He is married to Israel, it is the synthesis of spirit and substance He is talking about. And as He says: Husbands love your wives as Christ loved the church then remember that YAHSHUA gave Himself for the church, for these 'called out people' so that He might set this church apart and cleanse it with the washing of water, by the WORD. Water is the symbol of the flow of Spirit of Life. Remember YAHSHUA said: I am the water of life, if any man drinks of this he lives. This water of Life, then what does it cleanse???

Well, anything that needs cleansing. Anytime you cleanse a man with spiritual truth you will have to cleanse him where he thinks. So the consciousness of a man is cleansed from his error where he thinks, from his superstitions and his darkness. The outside, water of Baptism is the acceptance symbol of all of this.

Now; since YAHSHUA is head of this 'called out people' or church then He is going to cleanse these people by His WORD, by the flowing of His Spirit so that He may present them to Himself. In this pattern this called out centre not only will activate the nations of the kingdom, but will be with out spot or wrinkle, and in other words even the people of great age will not have a spot or a wrinkle as they conform to the spirit which is perfect.

These people are His Household, and as they advance in knowledge will flow forth as a creative force which will restore them to HIM who is our Father, for since we emerged out of HIM, then of course we are restored to HIM.

Once again hear the Apostle Paul: 'For this is a great mystery, I speak concerning Christ and His Church, for we are members of His body, of His flesh and His bones.' And yes, this Adamic race, this House of Israel are Issue ruling with HIM, a chosen people, a selected nation, a Holy people above everybody on the face of the earth, and flowing through the background capacity of this race, in the intellect of where they think is the capacity to study, to realize as the spirit of YAHWEH unveils things,

bringing your cognition to certain facts. Anything in the cognition of YAHWEH you have the affinity to reach for or ask a question about or try to think upon. Thus it is that we are to discover that in presenting the great and vital institution of HIS Church, that He will take it out of its partial area of knowledge and bring it into fruitful places where it shall understand and know. I shall realize that it must proclaim to the nations of Israel: 'thus saith YAHWEH'.

As these mysteries are revealed to us the Apostle Paul using the symbolism of real families says that since the church is subject to YAHSHUA then let the wife (Israel) be subject to her husband (YAHSHUA) in every way. Thus Israel should see that she prefers her husband for in the Old Testament as well YAHWEH is recorded as being married to Israel. Literally if husbands and wives of Israel loved each other as YAHSHUA loved this spiritual centre of His Kingdom then the program of the kingdom would move forward to completion, to perfection. For Israel, the wife, and YAHSHUA, who is YAHWEH in the flesh as husband in symbolism are One flesh, they are thus flesh of His flesh, and bone of His bone, this is the mystery.

**QUESTION:** Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle against not only flesh and blood, but against principalities, against powers of darkness, against rulers of darkness of this world, and against spiritual wickedness in high places. Ephesians 6:11-12

**ANSWER:** The whole Armour is all the knowledge and understanding of this program of the kingdom, and purposes of YAHWEH which you can acquire. This way you will be more able to stand against all the error, the falsehoods, the devil and his people throw against the kingdom. For we wrestle not against just those here in the physical world, but against Satan and his kingdom in areas of their spiritual habitation of darkness, even against their work in high places of government, economics and religion. We thus battle the enemy on all fronts and you need all the knowledge there is to be gained to stand against this Satanic enemy. Otherwise out people have a tendency to fall for the words thrown at them, and appeals to their humanity, and thus they join the enemy bringing

chastisement on themselves and on our nation as a whole. As we come to this understanding we see that in our world today there is still working this Priesthood of darkness and it manipulates the areas of our society. They are of Lucifer's family just as we are of YAHWEH'S family and this is the same old struggle.

This Luciferian family moved always to control all pagan religions, in fact set them in place. They manipulate the economy of the western world because they know that by this method they can control food, and its production which is the lifeline of mankind's civilization, and they do this through the use of money. History reveals that this has always been their method of attack. Did you really think the Kansas farmer controls the price of the wheat he grows to sell?? Of course not, only two or three big grain companies owned by our enemy controls that price. They also try to gain political control in all nations so as to inflict their will on the world. Even in the areas of religion they work their way by the power of the purse along with their words such as brotherhood, Judeo, Christian and such.

Now; in this Book of Ephesians remember that Barnabas travelled with the Apostle Paul, and I was reading some of the writings of the early fathers of what is termed the Christian age, then following the modern translators of the work of Barnabas or Clemens of Rome, and I find how they worked so hard in 1968 to try to change what those writers, those men who were there in the early days of persecution witnessed. As to Clemens they tell you that his writings differ widely from our English Bible so he must have quoted from some lost Apocalypse because Clemens said that YAHWEH when He divided the nations, that the portion reserved to Himself was Jacob-Israel. The translators say that Clemens says children of Israel, and makes you think this must be the Gentiles for instance when all the time we know that God reserved the Jews for Himself, and under His protection. How about that? Wonder why He did not protect them from Hitler? Wonder who these translators are who make all the footnotes?

In the Epistle to Barnabas the translators in their explanations think that Barnabas who remember accompanied the Apostle Paul was so totally mixed up, because Barnabas flatly denies that there is any historical link

at all times between Judaism and the Gospel of Christ. Barnabas said that all the rituals and ceremonies of the law had been intended of YAHWEH as mystical pointers to Christ, that the Ancient Hebrew institutions prefigured their spiritual counterpart in the Christian dispensation, and how the Cross of The Christ had been foreshadowed from the beginning. Therefore the modern day translators say this caused the early church much perplexity, in their program of the relationship of Christianity to Judaism, the new and the old inheritors of the same Divine Covenant.

The translators say Barnabas quotes from not reliable memory or the exact Scriptural text. Again remember that the Apostle Paul and Barnabas travelled together, and then the translators add: that the early church at all events, held the Epistle of Barnabas in the highest regard, and reckoned it as only coming short of the authority of HOLY Scripture itself. So you do gain some know- ledge even from their translations.

And as you read the Epistle of Barnabas about the ordinance of sacrifice, about fasting and so forth you realize that the Epistle contains what you would expect out of a disciple in those early days. Of course the modern translators would not agree as Barnabas says: 'thus my brothers, patiently looking ahead to the day when a people prepared as His beloved should hold forth in its perfect purity.' HE made all things clear beforehand for us so that we would not be wrecked on the reefs of adherence to 'Their Law'. What law but that put forth by Judaism? Barnabas also tells these Israelites, 'All our past years of faith will be no good to us now in these lawless times, in the face of the many trials to offer such resistance as becomes YAHWEH'S children to the insidious infiltration of the dark one. He is talking about the devil and his children, about the devils kingdom, which we must resist.' Thus ends the Epistle to the Ephesians, and the Apostle Paul will go deeper into these mysteries that he is bringing forth to Israel as he writes his other Epistles.

## **THE EPISTLE TO THE GALATIANS:**

**QUESTION:** 'I marvel that ye are so soon removed from him that called you unto the Grace of Christ into another gospel; which is not another; but there are some that trouble you and would pervert the Gospel of YAHSHUA.' Galatians 1:6-7.

**ANSWER:** Notice that already some were trying to change the Gospel delivered to Lost Israel by the Apostles. Even though the Apostles were taught by YAHSHUA Himself, some always think they know more. Besides Satan's children were trying to join the group to change the Faith. Now; Galacia was an Island in the Aegean Sea, and there was a strong and active group there who were followers of YAHSHUA.

These were Israelites of the tribes of Dan and Naphtali as were most of the people of Greece. Paul an Apostle not of men neither by man, but of YAHSHUA, who was YAHWEH in the flesh, who raised His physical body from the tomb. And the brethren who are with me, to the called out ones of Galacia. The word brethren applies only to Israel, just as does the word 'Saints' which means believing offspring. Thus Paul was writing to the Ethenes, the Greek word for nations of Israel.

You should understand that as the Apostle Paul wrote his Epistles that any time he talks about the sons of YAHWEH, the Saints of YAHWEH that he selects the very words used in their Greek form, or in their Latin form as he wrote to the Romans, and he selects the very words to carry through the conscious realization that this was an offspring biologically and spiritually. An offspring not a process of the transformation of an idea, but a process of begetting out of the consciousness of the Father.

The Apostle Paul then is warning these Israelites that there is no other Gospel than the one which the Apostles delivered to them, thus the Gospel of the Kingdom. Many Israelites were influenced by the Jewish religion which had spread among them until they did not quite see the influence it was having on the Faith of the Israelites. Paul was warning them not to follow rituals or religion of men because The Faith was delivered to them not of man, but it was taught to the Apostles by the revealing of the work of YAHSHUA. (vs 12)

Paul recalls for them that in the past he preached the religion of the Jews and persecuted the followers of YAHSHUA beyond measure. That he profited in the Jewish religion above many of his own nation being zealous of what was called 'the tradition of the elders'. But it had become so corrupted and Israelites did not notice as this corruption came into their

life. But when it pleased YAHSHUA he appeared to Paul, and Paul was trained not by flesh, and blood men but by YAHSHUA HIMSELF. (vs 16) Paul is reminiscing as to what happened to him as he was changed in his thinking, as he made a complete turn around.

**QUESTION:** 'But when they saw that the Gospel of uncircumcision was committed to me as the Gospel of circumcision was unto Peter', what is this talking about? Galatians 2:7.

**ANSWER:** You remember the arguments between the Apostles to the Old Judah Kingdom and those Apostles sent to the Lost Sheep of Israel about the ritual of circumcision which was still kept by the Judah kingdom? But the same YAHSHUA taught both the Apostle Paul, and Peter. Sent the Apostle Paul to the Lost Sheep of Israel and sent Peter first to the Sheep in Judea. The word Jew here in translation is used incorrectly for the Judah Kingdom. These were all Israelites, some had come out of the Old Judah Kingdom, and some out of the Lost House of Israel.

The Judean Israelites had a problem in dropping the rituals and curses of the law which were nailed to the Cross with YAHSHUA, and they thought they knew more about the Gospel than their brethren who had been gone a long time from old Judea which was the centre of the kingdom in the past. Finally Peter and Paul met and Paul said to Peter: 'if thou being an Israelite of the old Judah kingdom, and yet you live after the manner of Lost Israelites why do you try to compel Lost Israelites to live as did those of the Old Judah Kingdom?' (vs 14)

Now; when we say the old Judah Kingdom that is exactly what we mean, for this old Judah Kingdom is no more. Now that the Atonement has been made all Israel is back on their own Olive Tree, and this division in thinking is to stop. They are to think as one and concentrate on YAHSHUA and the Atonement.

Another thing to remember here is that the Apostle Paul is not saying that the law was done away with by YAHSHUA. In comparing other translations this law should be rituals because the law was given to Israel for their way of life, which is good for them.

The Apostle Paul then said: 'We know that a man is not made righteous by the ritualism of the law. It is only through Faith in YAHSHUA that he is made righteous.' We believe in YAHSHUA that we may become righteous by our Faith in HIM, and not by rituals of the law by which no person ever becomes righteous. 'But if in our desire to become righteous in YAHSHUA we find ourselves sinners, would YAHSHUA then be a minister of sin? Never! For if I reconstruct what I had just pulled down I would only prove myself foolish. For through a ritual of a law, is doe to that law ritual so that I might live with YAHSHUA. Thus I am crucified with YAHSHUA, nevertheless I live; yet not I but YAHSHUA liveth in me, and the life which I now live in the flesh, I live by faith in YAHSHUA who loved me, and gage himself for me. I do not set aside this gift from YAHSHUA. For if righteousness came through a ritual of law then YAHSHUA died to no purpose.' (vs 21)

In chapter three the Apostle Paul continues with this same theme: Oh, you foolish Galatians who has bewitched you that you should not obey the truth, for YAHSHUA was crucified for you. Which then do you follow the works, the rituals of the law, or by the hearing of our faith? Are you foolish having begun in spirit, are ye now made perfect by the flesh?

In other words since you began in the spirit as sons and daughters of YAHWEH and since you dwell now embodied in the flesh are you then made perfect by the rituals of the law for you are here in the flesh? Actually if you had been able to keep the law given to Israel perfectly then you would not have sins, these violations of law, which made it necessary for a pardon. It would not then have been necessary for YAHSHUA to have made the atonement for us.

Now; the law, the rituals of the law was not of faith, it was the task master to bring Israel to YAHSHUA. And the rituals of the law were nailed to His Cross. These curses which came because Israel was not able to keep the law perfectly were nailed to His Cross. Thus YAHSHUA redeemed us from the curse of the law, because He became the curse for us as it is written: 'Cursed is everyone that hangeth on a tree.' Deuteronomy 21-23. So that the blessings of Abraham might come on down through the nations of Israel, through YAHSHUA that we might receive the promise of the Holy Spirit through Faith. (vs 14)

Brethren, Israelites I speak after the manner of men, although it be Abrahams Covenant yet it is confirmed by YAHWEH, so that no man can disannul it or add to it. (vs 15) Now; to Abraham and to this seed line were the promises made. He did not say to many seeds, but as to one which was through Isaac. This seed line then and no other was capable of bringing forth a spiritual seed line, and it was through that seed line that YAHSHUA came who was YAHWEH in the flesh. Remember again that this is a mystery that the Apostle Paul touches on through out his Epistles. That Israel began in the spirit, that a Celestial consciousness dwells in our race, which emerges out of a spiritual seed. This mystery, this spiritual seed is a mystery contact with the realm of Spirit.

Now it was to Abraham, and his seed through Isaac and Jacob, where the promises were made. The general recognition is that this seed line out of Abraham is Israel, rulers with YAHWEH. The word Israel however preceded Abraham because it is tied in with the concept of Issue, this covenant and promise then is the basic pattern of the fulfilled events, and the inherited events of the Scripture.

Thus the Apostle Paul recorded for us, 'To Abraham and his seed were the promises made,' but were not made to seeds as many. They were only made to the seed line which was spiritually capable of carrying out the destiny of the promise. This was the only seed line through which YAHWEH would emerge as YAHSHUA, Savior of His race, Messiah. The older translations out of the Alexandrian text stressed that only through that one seed line, through Isaac would YAHSHUA come. The translation here in the King James Version is rather garbled and leaves out Isaac, but it is through this embodied seed line that the kingdom of YAHWEH comes.

This is the incorruptible pattern of seed, and since YAHWEH said to Abraham: 'out of thy seed', then the promises and covenant moved with this seed line. And this covenant YAHWEH made before unto Abraham, He covenanted with YAHSHUA. Meaning it took His embodiment to fulfil this covenant, to remove the curse off His sons and daughters by His Atonement. But the law given to Israel through Moses 430 years later could not make his promise to Abraham of no effect.

Now; the promises of the law were the introduction into a complete understanding of how men should live in relationship to every phase of life, for that period of time. The conditions of creation, and many patterns of this law hold even for time, but nothing could set aside what YAHWEH already promised, for this was an everlasting covenant and He was going to make it come to pass. (vs 18)

Today we find many blind leaders talk about the program of God, His plan, His purposes, and His Holy Word and they don't believe any of it. They talk about the Bible yet say the promises don't count anymore. They talk about a Christians responsibilities and then eliminate the promises, the glory, the services, Sonship, so what do you have left but a social gospel for the world order?

The Apostle Paul was warning the Israelites that they served the rituals of the law which were added because of transgression, UNTIL YAHSHUA CAME, still the promise to Abraham still stands. That the rituals of the law were added as a schoolmaster to bring us to YAHSHUA so that we might be justified by FAITH. And since Faith hath come then we are no longer under the schoolmaster. We are now under Faith in YAHSHUA and His Atonement, and not under the rituals of the law.

Now; the law was and is for the benefit of the children of the Kingdom, but the rituals of the law were nailed to His Cross. So if you are trying to hang on to something that was a ritual, and let it stand in your way of coming to the knowledge of why YAHSHUA came then you are not as well informed as you should be.

Again and again the Apostle Paul confirms that we are the children of YAHWEH and by Faith we believe that He came as YAHSHUA, Saviour, Messiah, and that He Redeemed us. (vs 26) The Apostle Paul was not only talking to the Galatians who were Israelites but to us of this day as well. Paul goes on to say that since all this is true then there is no difference in the Israelites of the old Judah Kingdom, or the Greek Israelites of Lost Israel. There is no difference in Israelites for all are ONE in YAHSHUA. (vs 28) And if you belong to YAHSHUA, if you are His children then you are Abraham's Seed, and also heirs according to the promise. Then going

further Paul said: If you are children of His Spirit, if you belong in the Spirit as well as the flesh, then you are redeemed by YAHSHUA, and this makes you Abraham's seed through Isaac, and also heirs of the kingdom according to the promise.

**QUESTION:** 'Now I say that the heir as long as he is a child differeth nothing from a servant though he be Lord of all.' Galatians 4:1.

**ANSWER:** As you start this fourth chapter of the Epistle to the Galatians you now know many of the mysteries of our Bible. You know that you are sons and daughters of YAHWEH, and here the word child is talking about a child of a family who arrives at the position of Sonship. This word is not used for slaves, it is heirs of a family. 'And when the fullness of time was come YAHWEH sent His own embodied incarnation, made of woman under the law.'

Alright, Only Israel was under the law. This is actually the incarnation of YAHWEH through the Virgin Mary to redeem us who are under the law, so that we might receive the placement as sons and daughters. The word adoption used here is the Greek word Etheusia or positioning of the timing of births because ye are sons and daughters of YAHWEH. And HE hath sent forth the spirit of His own embodiment (translated son, meaning Issue) into your heart. But not to make you sons for you are already sons and daughters. Some Bibles will note that this word sons is offspring. Thus 'because ye are sons, God hath sent forth the spirit of His embodiment into your hearts so that you might say: OUR FATHER. Therefore you are no longer a servant, but a son, a child of a family who assumes his authority as a son, and is no longer treated as a servant who has to obey an observer. But if you are a son you are an heir of YAHWEH through His work as Redeemer.

The translation in the King James Version has suffered violence, but the older texts understood it with theological persuasion, and with commentaries, and they went into who areas of discussion of this text. They understood the concept that 'Because ye are offspring He sends the cognition, the perception, and the spirit into your being, embodying it in you as He was embodied. In other words you are sons and daughters of

YAHWEH embodied in physical bodies, as He was embodied for He took the same route, birth, to arrive here.

Now; the fact remains that we are still children of YAHWEH even when in bondage to the world. But an heir who is a child differeth not from a servant tho he be Lord of all. This heir even though an offspring still while a child must learn to obey even as a servant, no matter if he is an heir to the kingdom. He is under instructions, he is under tutors, governors until the time appointed of the Father. And we as children in bondage under the elements of the world, are still heirs, offspring, and when the fullness of time came then YAHWEH was embodied, made of a woman under the law, to redeem those under the law so that they might receive the positioning of sons. Why? Because 'Ye are sons' and YAHWEH sent forth the spirit of His own incarnation into your hearts so you could say, Our Father. Then when a son is grown up he is ready to assume responsibilities in the kingdom and to take his rightful place as an heir.

Now; in the codex, in the translation Mark had in Alexandria, Egypt there was not all this double talk which gives our people so much trouble. It had language just as though you and I were talking about it, that was it. The word son covered all the children of YAHWEH it was not a matter of gender necessarily. When it referred to YAHSHUA himself it was, that this was the only begotten issue (son) out of the race which came forth from HIM.

Adam thus was the issue of YAHWEH. But YAHWEH did not bring the body for YAHWEH to dwell in. So we are the first begotten of the Father, the first formed of the spirit, but YAHSHUA, this translation of Jesus Christ, was the first begotten of the spirit. Agra-Pneumas is the spirit, or the Father of substance, and is one being spirit, soul and body. But He then projected His body through the Holy Spirit consummating the energy of His own Spirit being, HIS WILL, consummating in the Virgin Mary, in the womb, this body for YAHWEH to dwell in, was brought forth and grew up. And the reason He came embodied was to Redeem His children, thus you were children before He came embodied or you would not have the wave length of consciousness to have taken the impact of what this word, Spirit, means.

There one of the great inheritances of the sons and daughters of YAHWEH is that they have inherited this rich relationship with the Father, by birth, for there is no other way to receive it. Only the sons and daughters have inherited the family name, the intellect which is received only from the Father. This is a Celestial, spiritual intellect, the capacity for coordination of every conscious area of understanding by this spiritual force that can synchronize mind, soul, and Celestial spirit.

Our inheritance then as sons and daughters relates to the purposes of our Father, and we have inherited our part in the Fathers kingdom because we are heirs, by Sonship. Through out the Old Testament and the New He tells us clearly as to what and who the kingdom is made up of. We are told that eventually all the nations of the earth will come under the administration of His kingdom which will see His heirs as rulers of this kingdom which will never be destroyed, never left to other people.

The Apostle Paul then goes on to tell these Israelites that when they knew not YAHSHUA they did service to gods that were no gods, but now after you have known YAHSHUA then why turn again to things that are not good for you. (vs 16) That verse is also very much true today, for if you tell people there is a kingdom administration for this earth by the sons and daughters of the Adamic race, then Blind Israel will turn on you.

The Apostle Paul then says: 'Ye that desire to be under the ritual of the law do ye not hear the law? (vs 21) For it is written that Abraham had two sons, the one by a bondmaid, the other by the FREE woman. He who was of the bonds woman was born of the flesh; but the one born of the free woman was by promise.' (vs 22-23)

Once again: Abraham had a son by Hagar the bondwoman, this was Ishmael a child of the flesh, and from him came the Arabs. But Sarah was the free woman, she portrayed Israel of her time, set free by her redeemer, and Sarah was the one who was promised that she would have a son and that son was Isaac, and from him through Jacob would come the children of the kingdom for this end of the age. Next the Apostle Paul tells us that there are two Jerusalems, there is this old Jerusalem, and then there is a New Jerusalem. The old Jerusalem is finished, but the New Jerusalem

which is from above is the mother of us all. Now; how could this be? Remember John tells us this as well, for he saw this New Jerusalem coming down which was the Adamic race, these Israelites then of the 12 tribes, and he understood that these were the sons and daughters of YAHWEH coming into bodies of flesh through the Adamic race. Coming to build His Kingdom in earth, and in the days of the Apostle Paul then old Jerusalem as the seat of the kingdom is finished, for New Jerusalem moves with the race, westward. In fact most of the New Jerusalem along with the throne had moved west long before YAHSHUA came to finish the Atonement. 'For it is written, rejoice thou barren that beareth not; break forth and cry, thou that travailest not; for the desolate hath more children than she which hath an husband.' (vs 27)

This is the same message as Isaiah 54:1, and Isaiah was talking about the desolate one which was Lost Israel of the northern kingdom. The old Judah kingdom was still married to YAHWEH for it maintained the seat of the kingdom until all that prophecy was fulfilled. But both Lost Israel and the old Judah kingdom people are the children of promise through Isaac. And you are to remember that those born of the flesh always persecute those born of spirit, because Satan's children are included in this, and they always try to lead in that respect. Remember also that the son of the bondwoman, have their place. This included the children of Keturah and Abraham for they would also play their part in this drama of enriching earth, but only the son of Sarah, Isaac would produce the spiritual seed line. And talking to Israelites then Paul said: We are not children of the bondwoman, but children of the free.

Remember John (8:36) told us that the free children are those who belong to YAHSHUA, the spirit children through the seed line called Israel. Then the Apostle Paul in his Epistle to the Galatians warns them to hold fast to the Atonement for YAHSHUA has set them free from the curses of the law. So don't let yourself be entangled with the old rituals of the law until you put yourself in bondage once again.

If you have a Ferrah Fenton Bible read verses 2-4 of chapter five. Listen to what I (Paul) tell you, that if you be circumcised Christ profits you nothing. And I assert again to every circumcised man that he then is bound

to practice the whole ritual. Whosoever of you are made righteous by a ritual are detached from YAHSHUA, you are fallen from the gift. For we receive hope of righteousness from the spirit of Faith, for in YAHSHUA neither circumcision, nor uncircumcision strengthens, but Faith emerges energized by Love. You were running well (vs 7) who tripped you into not going true? That signal was not given from your leader. Remember a little ferment ferments the whole mass. But I trust to you in YAHSHUA that you do not intend to do differently, only your disturber shall be punished for his fault, whosoever he may be. And I brethren, if I yet preach circumcision then who do I suffer persecution? Has the offence of the Cross ceased? (vs 11)

Good question: if the Apostle Paul was only preaching circumcision and the rituals of the law then why was he so persecuted? But Paul had quit preaching the rituals of the law, and started preaching that YAHSHUA was YAHWEH in the flesh, that He had made the Atonement, and His children, Israel were redeemed, that the rituals of the law were no longer necessary. And when Paul started preaching that message then the persecution started on him with a vengeance. But who was it that did not want this message carried to Lost Israel?

Now; the law for the kingdom is fulfilled in these words: 'thou shall love thy neighbour as thyself'. The word is that Israel was to dwell alone, and then her neighbours are always another Israelite. And to the brethren of the kingdom were to love one another, and always remember who they are. Today we have gone almost full circle trying to change this law so that we love everyone we should not call a neighbour, in this sense, and we even place them above us. Israel does many things in blindness trying to love the world order, and we have fulfilled prophecy for we are no longer the head, we train most any of the world order and put them over us in authority.

Now the Apostle Paul is still talking about the ritual of the law which was nailed to His Cross. 'If ye be led of the spirit ye are not under the ritual of the law.' (vs 18) Remember it is the ritual of the law, not the law itself which is for the kingdom administration that was done away with. And you are not to follow these works of the people born of the flesh, for if

Israelites do these things, listen in verses 18-21, then they will not even to be able to attain positions of leadership in the kingdom. But all Israel shall be restored (saved), but the rulership positions will not be given to those who live like the world order does.

The children of the spirit are to lift the standards of the kingdom. You are to act like sons and daughters, and the fruit of the spirit is then love, joy, peace, faith, meekness, temperance, for against such as these there is no law. And if you live in the spirit and walk in the spirit, then you think with the spirit, and you will then live as you should and help one another to bear their burden. **(Continued on tape 27)**
