The Light of Christmas

HERE IN DECEMBER OF 1993 WE FIND THAT THE ENEMY IS STILL TRYING TO TAKE OUR HOLIDAY AWAY FROM US, and they have been working toward that goal for years.

No matter that December 25., is not the birth date of our Saviour, and we do not believe that it is, yet still that is the day that the Christians chose on which to celebrate the birth of our Redeemer and Saviour, therefore do not let the enemy take this celebration away from you as they have other items of your inheritance. We believe as did Dr. Swift and other ministers, that the Christ Child was not born December 25., although his conception date was probably in the latter part of December, and in olden times this date was counted as the birthday of the child. We realize that

many necessary things have been added to our Christmas celebration of our race, by keeping CHRIST IN CHRISTMAS, this is a family Holiday for our race.

Today we find the Jews celebrating a holiday known as Hanukkah, but you must remember where this Celebration came from. In the time period between the Old and New Testament, we find that it was the Maccabees, Judahites who were carrying the load of trying to hold the Israelite control of Judea, and especially Jerusalem. After winning a decisive battle against the Edomite Jews, the people of Israel celebrated victory with their "Feast of Lights".

Later as the Edomites were able to take control from the Israelites in Jerusalem, then the Maccabees who were left alive finally migrated to the west following in the footsteps of those of their people who had gone before. They showed their lineage by settling in Germany for this had been established long ago, with Judah on the east of the western Kingdom outline. Thus actually today then Hanukkah is a German celebration taken over and claimed by the Jews who are not of Judah, or any other tribe of Israel. You cannot take one child out of a family of 12 sons and make him a Jew by claiming some of his inheritance. Once more we call attention to the Candelabra of the Israelites, and of the Jewish celebration.

Here in December of 1993., we find that World Brotherhood has not been able to set in place this so called "world government" program which they have pushed all these years in their secret meetings of those organizations such as CFR, the Trilateral Commission, the Builderbergers, and so forth. These organizations of International wealthy people thinking they know best how to govern all people of the world have failed to bring to a climax their goal of a One World Government.

Therefore here in December of 1993., we see their plan to merge the U.S. of A. with the Soviet Union which they created, is still alive because, now on the scene comes the Big Sisters and here a group of feminist determined to show Big Brother how to accomplish that goal, are going to put the program in place and rule the world. With Big Sister now in the drivers seat and setting her group of feminist in control of the U.S. we find most

of the Big Brothers falling all over themselves to get behind her as she plans to crack the whip and accomplish that goal.

Some of the Big Sisters now in powerful posts in our government are: Madam Madeleine Albright, the U.S. Ambassador to the United Nations. She is a member of both the CFR and the Trilateral Commission. Donna Shalala, Secretary of Health and Human Services, and influential member of the CFR, and the Trilateral Commission. Shalala chaired the CFR Committee which set the New World Agenda for Africa. Laura Tyson, Chairperson of the Council of Economic Advisors is a member of the CFR and a devoted fan of Joseph Stalin's Communist Economic Policy.

Alice Rivin, Deputy Budget Director is a part of the inner sanctum of both the CFR and the Trilateral Commission.

Susan Thomases, is reported to be an insider of the Kissinger- Rockefeller Cabal. No one gets in to see either Bill Clinton or Hillary without her permission.

Other feminist talent brought in by Hillary Clinton is Janet Reno, Joycelyn Elders, Roberta Achenberg, and then Ruth Bader Ginsburg. The inaugural poet, Maya Angelow, her books are New Age best sellers. She is, according to different sources, a former stripper, prostitute, and madam. Why then does a Southern Baptist University make her a full Professor for life? And why is that University paying her \$100,000.00 per year, although she teaches no classes, and has only an office the size of a broom closet???

These feminists now in positions of power in Washington D.C., are Militant feminists, not ladies of the United States as our organizations which have been seeking to build their idea of a One World Government which they would control, and thinking to accomplish by merging the U.S. and the Soviet Union which they created.

Today it seems that these old organizations of International Brotherhood have been taken over by Big Sisters who aim to complete the goal of this International One World Government, with them in control, which the

make members were not able to do. Their goal is to ultimately end the American Sovereignty and bring about a global communist paradise which they envision. They plan to re-educate the people, using the media, the churches, and the schools, so that their slaves will be happy with their slavery. This goal was not accomplished in the Soviet Union and they believe that is where Communism failed.

In Adam Huxley's novel which the first lady says effected her thinking is this statement, "A really efficient totalitarian state would be one in which the all powerful executives of political bosses, and their armies of managers control a population of slaves who do not have to be pacified because they love their servitude. To make them love this servitude is the task assigned, in present day totalitarian states, to ministers of propaganda, newspaper editors, and school teachers."

In George Orwell's 1984, the masses were supposed to be conditioned to love their big brothers, will they also love Big Sisters??

Over the years as we have studied this program developed for the Kingdom of Darkness in their drive for control we realized that they must by all means put out the Light of The Christ in the Western World before they could reach that goal. We have seen many politicians and leaders sucked into these organizations as they also were seeking power. Today from the news media, TV, and other sources one would think that this Kingdom of Darkness has been victorious.

There is however another side to this story, and Big Brother was not God, and Big Sister definitely is not. Therefore we turn to the right for the other picture as we see these two kingdoms here at the end of the age seeking control of earth and its people. Going back in time we find this other program, which is God's program, and it is totally different, totally opposite than that now of Big Sister.

Going back in time to the days of Enoch this Aryan who walked so perfectly with God, we find that he outlined a program for earth which YAHWEH, Himself, had set in place eons ago, and outlined it in the heavens and thus gave the understanding of it to His household as He sent

them into earth in physical bodies to build His Kingdom. Enoch being given the understanding of this program recorded for those in earth this message which became known as "The Gospel of the Stars".

We have outlined this program for you and touched on it many times as it starts with the Woman (Virgo) who brings forth the Man-child (Rev:12:1-2) and you then realize the same symbolic message is found in the scriptures. YAHWEH laid out the constellations and gave the understanding of that symbolism to Enoch so that he might give it to His race now in physical earth, and today we find most every country has their Zodiac, although not all understand the meaning thereof.

"The Heavens declare the Glory of God, and the firmament sheweth his handiwork. Day unto Day uttereth speech, and night after night sheweth knowledge. There is no speech, nor language where their voice is not heard. Their line is gone out through all the earth and their words to the end of the world. In them He hath set a tabernacle for the sun which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race. His going forth is from the ends of the heavens, and his circuit unto the ends of the earth, and there is nothing hid from the heat thereof.". (19th., Psalm)

Enoch was told that in this Zodiac set in the heavens there was a message, a promise for his race now in earth. He was told that Saturn was a symbol of Lucifer moving among the constellations, but also moving in earth as well. That Jupiter was a symbol of God and that Wise men in earth should watch for the conjunctions of these two planets, for three times these two would come together and the 3rd., time would signal the birth of Messiah in earth. He was told that there would be a burst of light that would also come to earth as the star came into a certain position in their observatories.

In this Adamic race, wise men who understood the science of Astronomy were the Magi and were called Wise men because of their understanding of many of the mysteries surrounding their race. These men acquired great wealth and were thus able to follow their given field of knowledge. Thus we find that YAHWEH provided for and kept this Light of Knowledge in His household through the Magi at that time.

Generation after generation these men watched the heavens for a sign. They taught each generation of their children as to what to watch the heavens for, and why. In that observatory high up in the Himalaya Mountains they also watched and kept in touch with the other Magi's in those observatories in Persia and in England. What were they looking for? Just a star, but a certain star which was to come into a certain position in the heavens, and as all things revolved then it would also reach the head of Virgo.

And at that point all the Magi's were highly excited, for the day had come when the Star was in place, and then it reached the head of Virgo and they were ready for their journey which would take them into Egypt at the great observatory at the Temple of On, where they had gathered certain times to discuss this coming event.

Here in Egypt were the great monuments built by the Master Builders of the race long ago, and the Magi understood their meaning. The Great Pyramid of Giza is understood by many today as to be the Bible in Stone and it became one of the Seven Wonders of the World. The Sphinx, a symbolic monument was also near the Great Temple of On with its Zodiac on the inside dome of the Temple.

Now; we find the Magi gathering at the Temple of On, coming from the other countries, in expectation of travelling together to Judea for the birth of the expected Messiah. Was he not to be born a babe in the city of Bethlehem as their ancient records stated? The promise of the coming of Messiah as a Savior to redeem His people would soon be realized. Much mystery still remained for these Wise men but they believed that YAHWEH would fulfil His promise. They were Master Builders and also Masters of the Rose Cross, thus they watched and as this star moved into the area of the Womb of Virgo of the Heavens they were thrilled and excited.

Then a great Light from the heavens approached the spot where they were waiting, for the fourth Wise man to arrive, and there in ancient Egypt this Light circled the great Pyramid several times then moved over the Sphinx, then came to the Temple and stood over their group, and then moved away.

As they watched in awe., this light came back to the Temple and then moved away again as though saying: Follow me".

The Wise men decided not to wait for the fourth Wiseman to arrive, but left him a note and began their journey to Judea. Now; those great stars of the heavens do not come to earth and run around, for they are much bigger than our earth, no, this must have been a great spaceship like that which came to Mount Sinai when the law was delivered to Israel. After all, since this plan of the Almighty Father has time periods, time measures, direct dates, and so forth, then why doubt that a great Ship with its Great Light would lead these men to the place where the Christ Child lay?

And it did just that, for it lead these Wise men to the manger and to Mary and Joseph, and the babe in the Manger. King Herod, King of the Jews, now in Jerusalem would try to hinder but the Wise men delivered their gifts to the Babe, and also a warning as they pondered the King now in Jerusalem. They sensed a danger for the child but their faith was strong, surely YAHWEH had prepared for that danger as well. After all, did not all that He had promised occur always on time, thus this situation in Jerusalem would be solved. So they returned another way into their own countries so were not there as Herod's soldiers came to Bethlehem. The fourth Wise man arrived for that event, but that also is another story.

In the Book of Daniel certain things were explained to Daniel, and certain measures were recorded and things always came to pass. In the Book of Isaiah we read: "For unto us (Israel) a child is born, unto us a son is given, and the government shall be upon his shoulders, and his name shall be called, Wonderful, the Everlasting Father, the Mighty God, Councillor, the Prince of Peace." (Isaiah 9;6)

Now; the Magi had seen this come true, for they had bowed before the "babe" in the manger. The time periods, the mysteries, the secrets for a race had been set in the heavens long before the Adamic race were put into physical earth, and now part of the race had experienced the mystery of God, "born as a babe, in earth" and they expected HIM to grow into manhood and walk the earth as the fullness of God. The Apostle Paul would say: "God was manifest in the flesh, justified in the Spirit, seen of

Angels, preached unto the Gentiles (nations of Israel), believed on in earth (by his household) then received up into Glory." (I Timothy 3:16)

All of this happened ON TIME, AND LONG AGO, therefore we are much closer to other fulfilment of this program, thus we do not as a people let the enemy take our Christmas celebration from us. Keep Christ in Christmas for it is your celebration, make it a family celebration with more meaning than just decorations and presents. Let this be a Christmas where we rejoice, and Praise our Heavenly Father for all our blessings, asking for strength to bear what is ahead of us as HE straightens out our earthly problems. Let His Light shine through you so that the other people of the world will long for a Merry Christmas.
