**QUESTION:** What is the 28th., chapter of Ezekiel talking about?

**ANSWER:** Lucifer.

*"The word of the lord came again unto me saying, son of man say unto the Prince of Tyrus, thus saith the Lord God; because thine heart is lifted up and thou hast said: I am a God, I sit in the seat of God in the midst of the seas, yet thou art a man and not God, thou hast set thine heart as the heart of God, behold thou art wiser than Daniel, there is no secret that can be hid from me."*

These words come when Tyre is a very wicked city and the king of Tyre is Lucifer. In other words, Lucifer is here incarnate at this time. Now Lucifer can be incarnate in many ways, and he was embodied in various periods of time. Here he was as the King of Tyre, and so Ezekiel was told to say to Lucifer the above things, then also to say:-

*"With thy great wisdom and with thine understanding thou hast gotten thee riches, and has gotten gold and silver into thy treasures, by the greatness of thy wisdom and thy traffic, thou hast increased thy riches and thine heart is lifted up because of thy riches."*

*"Therefore thus saith the Lord God; Because thou hast set thy heart as the heart of God therefore I will bring strangers upon thee, the terrible of the nations and they shall draw their swords against the beauty of thy wisdom and they shall defile thy brightness. They shall bring thee down to the pit and there thou shalt die the death of them that are slain in the*

*midst of the sea. Wilt thou yet say, before him that slayeth thee I am God? Thou art but a man and not a god, in the hand of him that slayeth thee."*

Of course Lucifer was still claiming that he was divine and as he ruled in Tyre he was worshiped as divine. But actually in this instance Ezekiel was to say to Lucifer; "*Thou sealest up the sum, full of wisdom and perfect in beauty. Thou hast been in Eden, in the garden of God; every precious stone was thy covering, the ruby, topaz, and the diamond, the chrysolite, and the onyx, and the jasper, the sapphire and the emerald, and the carbuncle, and gold, the workmanship of thy tablets and thy pipes was prepared in thee in the day that thou was CREATED."*

So you see that Lucifer was 'created' so he was not a normal individual since he had not come by the route of birth, instead he was thus embodied. And God said he was going to kill this body Lucifer was now dwelling in.

**Verse 14,** "*Thou art the anointed cherub that covereth; and I have set thee as such; thou was upon the Holy Mountain of God, thou hast walked up and down in the midst of the stones of fire. Thou was perfect in thy ways from the day that thou wast created, till iniquity was found in thee. By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned; Therefore I will cast thee as profane out of the Mountain of God; and I will destroy thee O covering cherub, from the midst of the stones of fire."*

In this instance God did destroy this body which was the King of Tyre in which Lucifer dwelled, this king was strangled to death. But then again this is Lucifer and he was embodied in this man, but this man in whom he dwelled did die, but still Lucifer is the Eternal Cherub, and he did not die, only the body of the man in whom he dwelt was killed. Now this does not imply that this is still to happen, this was fulfilled, it did happen.

The greatest work that Lucifer does is that he gathers the hoards of the fallen angel's and those of earth and hurl's them against the Kingdom of

God, and of course against the woman that brought forth the man-child, and she is Israel, the Bride of God. In this instance this is where Lucifer was defeated. In this 28th., chapter of Ezekiel, this is prophecy of what would happen and it did happen to Lucifer.

**QUESTION:** This then is the same one as him in the Garden of Eden? He was a man and was beautiful in appearance?

**ANSWER:** That is right, there is no question about that. He had all the abilities to seduce Eve. Don't get this wrong, the body of the King of Tyre was not in the Garden, but Lucifer in the body of a man was in the Garden, he was the Morning Star. There is no question about this, Lucifer was in the Garden in the body of a man. There is no question about the seduction of Eve and the consequences of that.

*"All they that know thee among the people shall be astonished at thee; thou shalt be a terror and never shalt thou be anymore."* Now, the King of Tyre was strangled, and that was the end of his throne, but not the end of Lucifer.

**QUESTION:** Luke 17:22-24?

**ANSWER:** *"And he said unto the disciples, the day will come, when ye shall desire to see one of the days of the Son of Man, and ye shall not see it, and they shall say to you; See here! the Son of Man, or, see there!, but go not after nor follow them. For as lightening that lighteneth out of the heavens, shineth unto the other part under heaven, so also shall the Son of Man be in his day."* This is about the same thing that you find in Matthew, it may be a little different in translation but it is the same thing.

*"First must he suffer many things and be rejected by this generation."* This is the Christ referring to His own crucifixion, and He was speaking of the mobs who followed the High Priest's and the Scribe's, that generation

would reject Him. *"As it was in the days of Noah, so shall it be also in the days of the Son of Man. They did eat and drink and marry until the flood came and destroyed them all."*

In the days of Noah the satanic forces came into the household of God and they mongrelised and integrated as they seized these women. After the Luciferian had intermingled with the Enosh and the people of the upper Tarim Basin there were giants and monsters and they were using all kinds of violence in that Basin and this was what Jesus was referring to here in Luke 17.

Now, today we still have the sons of Lucifer, we have these Jews and all these others who have come into our midst and they are eating and drinking and marrying and mongrelising. So this fits our age as well, and as the flood came in the days of Noah, so destruction will come for them at the end of this age. This time the destruction will be disintegration in the fire (Shekinah Light).

Also remember the days of Lot at that time, and in that city they did eat and drink and marry and so forth, but the day Lot left the city it was destroyed with fire and brimstone from heaven, and all the city and its people were destroyed as well as Gomorrah. Sodom and Gomorrah were inhabited by these same kinds of demon's and devil's.

Lot did not know this when he settled in Sodom but he soon found out what kind of people were there. In fact they even took some of his daughters. So we see that when Lot went out of the city then God destroyed both Sodom and Gomorrah.

Jesus said that here in the days of the Son of Man this same people and conditions existed. This does not effect the cities of the Kingdom or our race, but it will apply at the end of this age to those who are the mongrelizers and destroyers that brought this situation to pass and those who mongrelise.

**QUESTION:** The Woman in Revelation 12., how does she relate to Eve?

**ANSWER:** Here God speaks of the Woman clothed with the Sun and the Moon under her feet, and a crown of 12 stars upon her head. This is of course the symbol of Israel, this is Israel. And God is married in this sense to His race, and the race brings forth His many sons. The sons grow up and they become Israel, again, even tho they are individual sons and daughters in their own rights. In Isaiah and chapter 54., God said:-

*"Thy maker is thy husband. The Lord of Hosts is his name. Thy redeemer, the Holy one of Israel. The Lord of the whole earth shall he be called, the Lord hath called thee as a woman forsaken and grieved, a wife of youth, when thou was refused, saith thy God. For a small moment have I forsaken thee but with great mercies will I gather thee. In a little wrath I had my face from thee for a moment, but with everlasting kindness will I have mercy on thee, saith the Lord thy Redeemer."*

Now; this is in a sense the hole area of the New Order of the Ages, the entirety of the New Order is sealed up in this woman clothed with the sun. For in the days of the creation, He had created the heavens and the earth for the Woman, and He had created the earth and illuminated her and put the moon at her feet for this was the place where God was going to embody His family from heaven to earth, and here it was that they would shine forth in their greatness.

And so in this also would come His own completion of the Messiah, for out of the Woman (Israel) would come One whom we would select of course, who would represent all the House of Israel. And then Mary tho she was a Virgin still represented, the Woman and it was said that she being with child would come to birth and be delivered.

*"A virgin shall conceive and be with child and then deliver a son and call his name Emmanuel, this is God saving his people."*

In the day when He put Adam and Eve in the Garden, He and the Elohim made a physical body for Adam and Eve to dwell in, and He told them to partake of the trees, but not to partake of the Tree of Good and Evil. This was a racial tree that had fallen under Lucifer. Eve was taken out of Adam so that they were one flesh. It was Eve who was seduced because Lucifer said that God did not mean what He said, and Eve believed Lucifer, and then Adam fell after that.

The instance of this again is that God walks in the Garden and He puts Adam and Eve outside the Garden and separates them from the Tree of Lucifer. He made skins and covered them but He does not disavow Israel and He maintains this all the way through the scriptures. Then out of Adam and Eve He brought forth Seth and started the race with Seth. For Seth was the seventh from Adam and then the race was cleansed, and thus down from Seth came Noah, and then Shem, and then on down.

But through it all God is married to Israel. Then there appears in the heavens a wonder, a great Red Dragon having seven heads and ten horn's and 7 crown's upon his head, and his tail drew the third part of the stars of heaven and cast them to earth, and the Dragon stood before the Woman which was ready to be delivered for to devour her child as soon as it was born.

So--Herod was a symbol of the Dragon and here was Lucifer again in the body of Herod, and he was seeking to devour Mary's child, the Redeemer of Israel. You go to the seventh verse and you see that there was a war in the heavens and Michael and his Angel's fought against the Dragon and the Dragon fought with his Angel's.

This was way back in the beginning and as this war was fought then the Dragon did not win, and there was no place then found for him in the heavens, and the Great Dragon was cast out. Who was this Dragon? That old Serpent called the Devil, and Satan which deceiveth the whole world, he was cast into the earth and his Angel's were cast out with him. Now;

we still have the God of Israel, and He is still the hovering God who was with the Children of Israel for 40 years in the wilderness as He brought them out of Egypt, and then built them into a force of people to carry forward His program. And He said in the wilderness that 'I am still here, for I am married to Israel,' and of Israel He said 'this is my wife, the LORD GOD IS THY HUSBAND.'

Now; in this instance, turn to the 21st., chapter of Revelation's. "*And I John saw the Holy City, New Jerusalem, coming down from God out of the heavens, prepared as a bride for her husband.*" Here again Israel is the Bride of God, meaning here is the Eternal descending race of Adam and Eve, and continued as it multiplied and is today a great nation and a company of nation's. And God called this race, New Jerusalem, His New Order, His heavenly city. Also the bride prepared for her husband.

*"And I heard a great voice out of the heavens saying, behold, God tabernacled (embodied) is with men and he will dwell with them, and they shall be his people and God shall be with them and be their God, and shall wipe away all tears from their eyes, and there shall be no more crying, and no more death, neither shall there be sorrow, nor crying, nor pain, for the former things are wiped away and he that sat upon the throne said: behold I make all things new. And he said to me (John) write; for these words are true and faithful. And he said to me (John) It is done, I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst, of the fountain of the water of life freely."*

So, now John says in verse 9., there came unto me one of the seven Angel's which had the seven vial's full of the seven last plagues and talked with me saying, 'Come hither, and I will show thee the bride, The Lamb's wife.'

Now; John had just been shown the New Jerusalem, or the New World Order. Some people think this is a literal city that will float down from heaven some way, but this is just the coming or lowering of the House-

hold of God, their spirit's occupying their physical bodies prepared through the race of Adam, and their multiplying and growing and increasing, are His Kingdom. Now there is never to be an end to His Kingdom, thus under this direction, then came this Angel and said: 'I will show you the bride of the Lamb, or the Lamb's wife.'

And he carried me away in spirit to a great and high mountain, and showed me this great city, the Holy Jerusalem, or the bride, and in this instance the bride of the New Order of the Ages, Having Glory from Good, and her Light was like a stone most precious, and the wall was great and high and the names on the 12 gates of that city were the twelve tribes of Israel.

Thus the way of entrance into the New World Order, and into the administering program of God for the world is BY BIRTH. It comes by birth and the way through the gates is by natural birth into the Household of God. This literally fulfils the fact that the Woman clothed by the sun is Israel.

Now; Israel was condensed for a moment into the Virgin Mary because the Messiah came forth out of her, and yet He came forth as the Everlasting Father, and under the declaration of the Virgin Mary; He shall save His people from their sins, as YAHSHUA. In this instance He said; 'I give Egypt for thy Ransom, and Africa and Sheba for thee, for I have set you above every people upon the face of the earth.'

Now; in this sense this is a very racial message because as He speaks to the Woman clothed by the sun, and when He refers to her as the descending city, the New World Order, then He says that He is married to this race. So under this sense the program is going to be some what different than many preachers think. For they seem to think that all the people of the world will be included in this Bride of Christ, but they are not, because Christ is the embodiment of the fullness of God, in the heavens, and yet He is still married to this same Bride which is Israel.

**QUESTION:** Psalm 114., Israel His dominion and Judah was His sanctuary?

**ANSWER:** This is true because the House of Judah was given the sanctuary, this was the area of Jerusalem proper, and then Benjamin was loaned to Judah and thus became those two tribes and the House of Judah. The other ten tribes were the House of Israel.

*"Now the sea saw it and fled, Jordan was driven back. The mountains skipped like rams and the little hills like lambs." The mountains were of course great nations, and the little hills are smaller nations, and these great and small nations will move before Israel.*

*"What ailed thee o thou sea that thou fleddest? Thou Jordan that thou wast driven back? Ye mountains that skipped like rams and ye little hills like lambs? Tremble thou earth, at the presence of the Lord, at the presence of the God of Jacob; which turned the rock into standing water, and flint into the fountain of water."*

This was alluding to the miracle of the time He brought forth water out of the Rock when Moses smote the rock in the wilderness. This Psalm is just a Psalm about the greatness of God, and in his portrait in this Psalm he is sounding forth the message of how Jacob went out of Egypt from among a people of strange languages who came to the forefront when they knew not Joseph, and here He is telling that Judah is the Sanctuary and then Israel His dominion. When Sennacherib captured the ten tribes then Judah was still at that time the Sanctuary. Then Nebuchadnezzar came and took the sanctuary and then the green tree was transferred over to the House of Israel, and still today is the dominion.

**QUESTION:** I'm looking for the scripture about the 'rapture', since so many people say not to worry about Communism because we will be raptured out before there is any great danger?

**ANSWER:** There is not going to be any rapture, but the passage they choose to interpret this way is in I Thessalonians 4. The whole rapture doctrine is based on two verses which are taken out of their normal position and put into a position not intended. Back up from verse 17., to verse 14., and here it says: 'If we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with Him.' Now; those who have died, will God bring with Him. In other words, those of the Elect who are absent from the body and present with the Lord. All the people who have died and gone back into heaven, He is going to bring them back.

**QUESTION:** Do you believe that?

**ANSWER:** Yes, I believe that. He is going to raise their physical bodies in atmospheric breathing bodies. Now what this passage contains in its original text was: He is going to raise them in atmosphere breathing bodies and we who are alive and remain are going to meet Him, though we shall be changed as we put on immortality and Light and Glory as they shall have, and yet that shall be in air breathing bodies. So we shall all be with the Lord in these elemental bodies. And these bodies will be elemental and they can still be touched and handled. (Like Jesus as He came to the disciples after his resurrection). This is what it is talking about and this idea that they are to be snatched up into the air and then the Anti-Christ is going to conquer the earth. Well, there is no place in the scripture other than this passage that gives grounds for the rapture.

Now I wish to say this again: "We who are alive and remain unto the coming of the Lord". There is not two comings of Jesus the Christ, **not two second comings**. There will be one second coming and He shall come with a triumphant shout. He comes with the fleets of Michael and the hosts of Michael. He comes to defeat the enemy.

And at that time we will be fighting the enemy in the earth. This is the thing that is going to happen. We are going to be fighting him at home

and on the far flung fields of battle. Now; if the church was to be caught up into the sky and translated, and stayed there for 3 1/2 years or 7 years which ever they want to claim, then who would be fighting the enemy? Surely those down here who are running out on Him aren't going to fight the enemy. The only people who are going to be fighting the enemy are those of the Kingdom of God who see the righteousness of all this. Now the church has never figured this out.

I want to tell you this, the Anti-Christ is not going to take over the Kingdom. He has taken over the World Order and he is gathering areas of power, and he is moving to take over the Kingdom. He will thus lay siege to those LANDS reserved for the Kingdom. It is not known how far they will get with this literal attack on the U.S., but they are going to be destroyed. The 38th., chapter of Ezekiel tells of this victory, **'but in That Hour, Michael the Prince of the Hosts of Heaven and Those with Him Are Going to Be Fighting.'**

The Book of Revelation's shows us that Yahweh Himself in a great flagship is right at the head of this battle, and He then joins with His people. Then when He polarizes His Kingdom, and is at the centre of its power then they will be gathered by the thousands around Him.

However, every eye over the whole world will see Him. Every TV set in the world is going to lock onto this coming. Now they have Satellites to carry the TV signals all over the world, but they won't need them, it will be relayed by a ray that they won't be able to blot out. You couldn't see Him on the other side of the world except that it be televised, so by that way every eye will see HIM. In fact we live in the day when the image of the beast speaks, and it talks from the T.V. screen, and once in a while we see the image of the Kingdom, but in that day all the world will see and know.

It will be at the Climatic part of this last battle that Christ will come into the earth. Michael and those hosts in their great fleets will be here, and

will be battling the enemy. Then we are told that every weapon will be cast down, and EVERY KNEE WILL BOW

Now; they always run into complications when they try to come along with this translation of the church. There is no word in the Bible about 'translation'. There is no word in the Bible about the Church going up into the sky. In this passage, this is not what the Apostle Paul said: he just said that we are going to meet him in atmospheric breathing bodies, and that the dead in Christ are coming with Him, and we who are still alive at that time will be changed in the twinkling of an eye, that is the story. In other words, mortal is going to put on immortality, and when He arrives He galvanizes instantly an action that works in the bodies of His sons and His daughters, because His Spirit is in complete and perfect harmony with them.

Here is an instance, when you take a magnet, a piece of iron, then file off a little piece of that metal, then hit this iron with a mallet and it will magnetize, and if you turn this iron toward those particles you filed off then it will pick them up, but if you turn to particles from another piece of iron it will repulse them. So when the Christ comes, then we who are out of Him are drawn to Him and transformed in the twinkling of an eye. But others not out of him are not. This is the law of magnetism, but it is similar to what happens when Christ returns. The Hosts of Heaven are symbolized as being gathered to Him. There will be some people who before this even happens and even now are some who are putting on immortality, but all Israel will put on Immortality as He comes. This passage: *"The Lord from heaven shall descend with a shout and the voice of an archangel and the trumpet of God, and the dead in Christ shall rise first."*

Now; when He descends from heaven to earth we who are alive and remain are also therefore changed and transformed into these atmospheric breathing bodies, and so are we ever with the Lord. Right here in earth, and not up somewhere in the sky. You know if someone is coming in on a train to see you that you go to the depot to meet them, you don't go off up in the mountains to meet them.

He is coming to earth to RULE, and we shall meet Him, in immortal bodies transformed and quickened, then no more sorrow and no more death. There is not any area in the scriptures that depends on just one verse for its meaning, they overlap and overlap.

**QUESTION:** Well, with one verse could you take just one verse and build a whole new doctrine on that?

**ANSWER:** Well, they did just that with the King James Version and then others just went along with the rapture idea.

**QUESTION:** Leviticus 25. Seven Sabbath's of years, what does that mean?

**ANSWER:** *"And thou shall number 7 Sabbaths of years unto thee. Seven times seven years and the space of seven Sabbaths of years shall be unto thee 49 years."* Alright, here you are taking this out of context. There is to this meaning more verses. The next verse says: 'then shalt thou cause the trumpet of the Jubilee to sound, on the tenth day of the seventh month in the day of atonement shall ye make the trumpet to sound throughout the whole land, and ye shall hallow the 50th., year and so forth.

This was the law of the Sabbath, every Sabbath they fallowed the ground and rested it, and ate of the volunteer grain, and so every 50th., year was also another Sabbath to them. If a man had borrowed on his land and then lost it, yet it always went back to the family. You could not take a man's land, it was to pass down through the family from generation to generation. Our tax law was set up on the system of transfer from father to son, in the beginning but has been changed until in this day of taxation that is harder and harder to do.

This was the way it worked when Israel was moving forward in the Kingdom way. There will come a day in this great nation and company

of nations, when the 50th., year, the Jubilee year will be reinstated. The Jubilee year will be a great year anyway, and that the defeat of the enemy will be at that time.

**QUESTION:** When will that be?

**ANSWER:** Actually nobody knows, some say it will be this time and some say another time, but no one knows.

**QUESTION:** Will the babies be killed the day Christ comes?

**ANSWER:** I don't quite understand your question. The babies were killed by Herod when he was trying to kill the baby Jesus. However people have been put to death for following the Christ and that is still going on today. Communism would put to death all Christians if they could. The wars took a lot of men but we are a large nation, and we kill more by traffic and airplanes than we do in war. I'm not a pacifist but I believe in hitting the enemy with everything we have and I believe that the Lord is a man of war, and if there are casualties, so what. We came into this world to establish His Kingdom and we have to fight to do that and besides we will make it one way or another, so we are happy warriors. My son went to Korea, and came back and other sons have gone and come back, so I tell you this, in this congregation in WWII, and in Korea, we never lost a boy.

**QUESTION:** That remark of yours about not losing a boy in your congregation reminds me of the story about the English Battalion who repeated the 91st., Psalm every day and that they came out of the war without losing a man, can you tell me more about that?

**ANSWER:** All we have is that there was a regiment of men and that from their Commanding Officers on down they were all believers and every day when they got up they repeated the 91st., Psalm, and they came how without losing a man.

So it works. then here is this, earthquakes, troubles of all kinds will not stop you before your time.

**QUESTION:** Is David going to be a ruler in the Kingdom of God when it comes, I'm referring to Ezekiel 34:23?

**ANSWER:** .I would say that after the millennium, or maybe before that in symbolism, because the twelve tribes of Israel are to be Judges and the Apostles are going to be the Supreme Court, so there would be a Templar ruler. Now Christ is over all the world, and David is ruling over Israel, for the throne of David has no end. And after the Millennium then David may be the ruler of the whole earth, and the things that go on under that New World Order, and the starting up again of the creations, things that are planned and prepared reach out into the tomorrow's and into the heavens. Now we know that this experience, here in earth that we have gone through that we will never have to go through again, for we will never again have to be collected, for the family of God will never fall again. So in this sense David will be resurrected of course and will be returned as King over all the earth.

**QUESTION:** But it says that the Messiah will take the throne of his father David?

**ANSWER:** Yes, in a sense, for the miracle that is true, but David also called the Messiah, LORD. And God in the earth is above David.

**QUESTION:** I don't understand why the Archangel Michael wouldn't be above David? He was in the heavens wasn't he?

**ANSWER:** O Yes. Michael commands a specific fleet, but Yahweh, the Christ, comes at the head of His Elect. And Yahweh commands Michael who is at the head of the heavenly fleet, but the heavenly hosts are Yahweh's family, the mighty sons of Yahweh.

**QUESTION:** How do you explain about the rib from Adam?

**ANSWER:** Well, God brought forth Adam as His Issue and then He took Eve, the female part out of Audaum so that the two might be one flesh, and then the spirit of Eve entered that body. There is nothing in the Bible to be translated, rib. He removed the female portion from His issue called Audaum, who in the beginning was both male and female. Someone just added that bit about the rib. Eve was an individual entity and so are all women, and so are all men. After this separation of Adam then from then on individuals and then the spirits of the family of God entered into them.

**QUESTION:** Then is the male and female entity important any place but on this earth?

**ANSWER:** I would not say that because apparently there is still male and female in the heavens. You see the pluralities of life are positive and negative and the expansion of life forms the cosmic waves of begetting so as in the human bodies we find positive and negative expressions have been put in the flesh.

**QUESTION:** Isn't there a difference in an Angel and a Cherubim?

**ANSWER:** Yes, there are many Angelic orders. There are anointed Cherubim's that cover. There are administering Spirits also, but at the same time we were not of an Angelic order because, "to which of the Angel's did He ever say, thou art My son, this day I have begotten thee."

So there are Angel's who fly and Angel's that don't fly and warrior Angel's. But the Cherub that Covereth, who was Lucifer, he didn't keep his first estate, he could go through the intermingling, he could change and he could appear in any form because he had built up the sum of his wisdom. This was one of the mysteries that he understood. But he lost some of this wisdom because he could not re-ascend back into the

heavens after he got thrown out. But he could approach one of the given thrones on which YAHWEH sits, in a very different situation than many people realize.

You see, God circles the earth. There is an asteroid that circles the earth at the Equator, and this is a huge asteroid. This is also a throne of God, because God talks about how He sits upon the circle of the earth. He comes and goes and He looks down upon the earth and at man as tho they were the size grasshoppers. Now the far off different planets and those Clusters of the Pleiades, and our whole Universe slowly moves around them. As to the sun, its position is the hub of our solar system. But God does circle the earth, and He refers to this.

Now; in this instance remember when Lucifer came before God as he was listening to the Angel's as they came and went, and then came Lucifer and he says: "You have a man down there by the name of Job. He isn't serving you for naught." So you see, God had to be on the circle of the earth throne, because here was Lucifer who came to Him, and Lucifer could not get out into space after he was thrown out of space by Michael.

**QUESTION:** Is this where he was trying to pass himself off as the son of God, and why did he do that?

**ANSWER:** No, now he is not a son of God. You are thinking of the passage, 'the sons of God saw that the women of the earth were fair.' This is a misinterpretation, but here Lucifer came to God as he had access to this whole solar system, and here God said to Lucifer concerning Job, I will make a wager with you, I will take my protection away from Job, but you are not to touch his body. So Lucifer went down and he pours out all kind of catastrophes on Job, and still Job would not swear at God, and then Lucifer comes back to God and he whines and complains so God said; 'O.K. then you can touch his body, but you cannot take his life.' So Lucifer came down and he put all kinds of sicknesses on Job's body and he put boils there as that is a disease of the Blood, and still Job did not

curse God. Job still said that he knew that His Redeemer would stand upon the earth in the latter days and though the worms consumed his body, and his eyes dried up in their socket's, and though his body lay in the grave, still Job said: "In this body will I stand upon this earth and I will see my Redeemer." So Lucifer lost that battle, also as more than he had at first was restored to Job and of course Job is a symbol of Israel.

**QUESTION:** These administering spirits, is there difference in their heights and in the heights of the Cherub's?

**ANSWER:** Well, remember that these Angelic beings were 16 or 16 feet tall. They were like the Angel's of Munz. They were like those mighty warrior's beheld by Elijah. this is the reason why these who it says in Genesis, "The sons of God saw the daughters of men and they were fair." These were not 'sons' of God, they were Nephelim. Tho they had taken a body comparable in size to the women of the earth still when the embryo emerged it kept growing and growing until it obtained a comparable height to the father and that was why there were giant's in those days. There were generations of these giants but most of them were drowned in the flood. Some of them did escape, or were other places because there was of course Goliath, but remember people outside of the Tarim Basin were not drowned in the flood unless they were along the rivers as the water ran out of the Basin. But it destroyed the giants that it was supposed to destroy.

Remember here that Tidal was King of the land that went down beneath the waters (Atlantis), and the words that we have today of tideland and tides comes from 'Tidal', it means he was master of the lands beneath the waters. But also notice he was not listed in the genealogy of Adam and neither was Sodom, there were all Pre-Adamic.

Now; before you start another question it is ten o'clock, so that is enough for tonight.
