

The Jew-Made Soviet Union In a Secret Agreement

Gerald K. Smith

The Jew-Made Soviet Union In a Secret Agreement

A Letter

June 17, 1967

Dear Friend,

The Jew-made Soviet Union in a secret agreement with the international Jews double-crossed the Arabs and has now joined a conspiracy with manipulators In Washington, Moscow. New York City and Haifa to enslave the impoverished Arabs whether they be Christian or Moslem and enthrone the Jews in Jerusalem.

The birthplace of Jesus, His burial place, the Nazareth of New Testament tradition and all the other holy places are now open for the blasphemy, the desecration and the abuse which the Christ-hating Jews are prepared to heap upon these holy shrines.

The Jordan river will be dammed up and the place of Christ's baptism will be destroyed The Sea of Galilee will be desecrated and its waters siphoned out to satisfy the greed of the tyrannical Jews. By deliberation they will attempt to destroy everything that reminds the world of the life and labours of our Lord and Saviour Jesus Christ whom they are now crucifying anew.

The poor Arabs, through centuries of abuse and starvation, are a backward people, and in the presence of sophisticated military equipment furnished, the Jews by the U.S.A. as well as France and England, they are as helpless as the impoverished Mexicans would be in the presence of the American Army.

The Jews who have been screaming to high heaven in their campaign to undermine our military resistance to Communism in the Far East are now committing all the atrocities which they heretofore condemned and for which they falsely accused our American Armed Forces. They have slaughtered civilians. They have captured territory which did not belong to them by military force. They have crossed lines into other nations,

The Jew-made Soviet Union In a Secret Agreement

killing the innocent and enslaving the helpless. Sophisticated observers are convinced that the Israeli army was virtually a unit of the United States armed forces. They operated with maps found in the hands of captured prisoners which could only have been prepared by reconnaissance planes operated by the U. S, Government,

Lying diplomats in Washington professed neutrality while our secret agents were advising and reassuring the Jews.

The deceived and seduced Arabs moved with some degree of courage believing that they were backed up by the Russians who, indeed, double-crossed them in collaboration with the Jew manipulators of New York and the Zionists themselves.

They have captured Jerusalem and boast that they will keep it regardless of treaty, international law or the moral code. This lays the foundation for fulfilling the promise of Ben-Gurion who campaigned for office under the hammer and sickle-that the day would come when Jerusalem would be the headquarters of a World Government with America and other nations disarmed, and with an international police force in control of everything.

While the White House was professing neutrality, Johnson was assuring the Jews that they had nothing to fear. Secret agents of the U.S.A. have been assuring the Jews for many months that they were wasting their money by increasing their armaments, because the Sixth Fleet was there to back up the secret agreements which had been made.

Some years ago, Jews disguised as Arabs blew up the American Embassy in Cairo hoping to incite an attack by the USA., but they were caught and exposed.

As this was written, the Jews had just blown up an American naval ship killing thirty-three men and wounding 100. They, too, had hoped that this could be blamed on the Arabs, thus stimulating the slaughter campaign which they want carried out by the American armies against the poor Arabs. The one and one-half million (1,500,000) Arabs who were driven out of their homes in Palestine into the desert to starve and die are now

the slaves of the Jews. Don't forget that many of these Arabs had lived in beautiful homes and possessed vineyards and citrus groves. Their place of abode since they were driven out some years ago could well be referred to as the world's most pitiful slum. Poor creatures!

In the territory which has been occupied by the Jews until this moment of expansion they made it unlawful to preach the Gospel of Christ in public meetings. Now it is reasonable to believe that they will outlaw the preaching of the Gospel and the adoration of Christ even in Jerusalem -- if we are spineless enough to permit it.

Don't forget that we are fighting a half-hearted war in Vietnam just as we did in Korea when General MacArthur was fired by wanting to win it. If the Jews have their way, we will work out 'Korean-type surrender' so that our troops will be available to enforce the will of the arrogant Jew in Palestine. Don't forget that you are getting no balanced truth from the news agencies concerning what is going on. All the radio networks are controlled by Jews. The wire services are positively manipulated, and even the local newspapers, daily and weekly, are in most instances prostituted by the Jewish department store advertisers.

Jew lobbyists and Jew-paid lobbyists have descended upon Washington like hornets, bumble bees and blackbirds. They are nagging and coercing the members of Congress for money and military strength with which to establish themselves completely in their new empire with the Arabs as their pawns.

The million lies which they have told about the German race originated in their barbaric Christ-hating hearts, and you can rest assured that they will now practice upon their captives, both Christian and Moslem, the atrocities which they have advertised to the world as having been inflicted upon themselves.

The Jews have been howling for the right of dissent and their leaders have been defending draft-card burners, flag burners and campus mobs who have refused to serve their country in relation to the oriental crisis. Now watch the Jews. They will want men like myself and others smeared,

The Jew-made Soviet Union In a Secret Agreement

imprisoned and liquidated by whatever method they can get by with because of the sort of truth I have written in this letter.

They have now begun to siphon millions, if not billions of dollars out of the United States. These international money-changers are rich beyond imagination. I was in Tulsa, Oklahoma this week when at one meeting of approximately 500 Jews they took up in cash and commitments something like two million dollars. This was 'peanuts' compared to what has been done in New York, Miami and Los Angeles.

As this was mailed out they were calling in their puppets from all over the Nation, including their high-paid movie stars to support a money-raising rally in Madison Square Garden with other millions and millions and millions committed to this campaign to establish a Jew-controlled World Government in Jerusalem -- and please don't forget that even in the United Nations Building the name of Christ has been outlawed, What do you think would happen if they converted the United Nations to a World Government and transplanted it to Jerusalem under Jewish control?

Don't let anybody sell you the idea that Arabs are Communists. It is even against the law to hold a Communist meeting in Egypt, By cutting off the Arabs and because of the great double-cross they received from us when the Jews took Palestine, the Arabs were forced to turn to others. Traditionally they loved America, but our Jew-controlled politicians and diplomats 'kicked them in the teeth'. The poor things couldn't realize that the Jews inside the Soviet Union had made a sneaky deal with the Jews inside the U.S.A. Government to do just what they have done; namely, stand back while the Palestine Jews moved in for the kill using instruments and materials which our Jew-controlled and prostituted manipulators had put into their hands.

President Johnson was scheduled to make a speech in New York to a money-raising dinner where the price of the tickets was \$1000.00 each. The tickets weren't selling and the Jews were staying away in droves until word was passed down the line from Washington that regardless of any public statements which had been made in the White House, Johnson was behind the Jews in Palestine and would not permit them to lose. The banquet overflowed. and the Jew money rolled In,

The Jew-made Soviet Union In a Secret Agreement

Don't forget that the chief manipulator inside the White House is the Jew Supreme Court Justice Abe Fortas, and the chief manipulator in foreign affairs is Walt Whitman Rostow. He Is, for all practical purposes, the Secretary of State who manipulates the round-faced puppet Dean Rusk. a stooge of the Rockefeller dynasty, Sitting on the throne of manipulation, of course. is the Zionist Jew Ambassador Arthur Goldberg,

This is more than a letter. It is a manuscript, and all who fill out the enclosed coupon will receive one to five additional copies, according to your request, providing you will assure us that the copies of this deadly letter will only go into the hands of people with enough courage and intelligence to recognize and accept truth when they read it. but I believe that the people who respond to this letter will respond because of the challenge of its contents, rather than to be rewarded by a premium. Even so, all who answer will receive the sensational reproduction of the dispatch having to do with a secret deal between the Russians and the Communists in Israel.

Deep in the hearts of the American people is the determination that we are not going to slaughter our sons to enthrone the Jews. We are not going to surrender our sovereignty to a World Government in Jerusalem. We are not going to stand idly by and permit the shrines and the holy places to be desecrated, and we are not going to permit our Congressmen to vote millions of dollars for these greedy Jews. Twenty years of subsidy by the German people has run out, and in the name of this crisis the Jews will now try to persuade America to take up where the coerced Germans left off. They have never produced a balanced economy. The only reason that they have been able to create a front of prosperity is because they were subsidized by the German treasury in the name of reparations.

God only knows what tomorrow will bring, but you and I can determine within our hearts that we are going to remain loyal to Christ and loyal to America,

As I told you in my last letter, we have contacts which we cannot publish. We can bring pressures where they will count, We believe that American public sentiment will not support this Jewish campaign, but we must take nothing for granted.

The Jew-made Soviet Union In a Secret Agreement

We who stand in the front line and risk prison, death and smear for saying what I have said in this letter cannot carry on without your prayers and without your money. For God's sake, don't desert us, and in the name of all that is good and noble, give to the limit of your ability, and then give some more,

If this Crusade could have one-fourth as much money for the whole year as that handful of Jews gave in one night in Tulsa, we could enlighten the key people of America to the point where victory for our Cause would be inevitable.

Why should I be too bashful to ask you for all the money you can give, or all the money you can loan, when these Jews are giving millions and billions to enthrone the antichrist at the very place where Christ was born,

Please fill out the enclosed coupon and insert it in the self-addressed envelope which requires no postage on your part.

**Sincerely yours for Christ and America,
Gerald K, Smith**

PS.In the last letter I promised that if you gave, I would send you a manuscript dealing with the Middle East. Consider this letter as that manuscript, and if you know a preacher, or a public official with enough courage to write what I have written without fear, please give me his name. Those of us with the fearless courage to say these things please give me his name. Those of us with the fearless courage to say these things are a handful, and sometimes I think less than a handful. If you fail to support this , and sometimes I think less than a handful. If you fail to support this Cause it could doom America,

PSS. Just as I completed this letter a document came to my desk almost too sensational to believe, but which cannot be doubted. It exposes a secret agreement between the Communists in Russia and the Communists in Israel to the effect that an agreement had been reached and that the USSR (Soviet Union) could be counted on never to support Nasser in a war on the Jewish state. The story appeared in the South African Jewish Times.

The Jew-made Soviet Union In a Secret Agreement

I have reproduced it in photostatic form and will send it to all who respond to this letter.

PSS. Sensational and Super-Sensational: just after I had finished dictating the above letter a dispatch came through to the effect that the Jews had fired on our Navy vessel killing thirty-three men and wounding 100. not by accident but by orders from their superiors, because our ship had on it radar and telegraphic evidence proving that the Jews started the war,
