### THE CONTROLLED AND MANIPULATED BRITISH

Long ago it was realised that if any group could control the mass communications media that group could control most minds in a country. Numerous well informed people have unanimously declared that all of the media, TV, radio, newspapers, advertising, book publishers etc has long been firmly under the ruthless control of one minority group: International Jewry headed by a few super-rich billionaires at the pinnacle of which sit the Rothschilds and Rockefellers. In his book *The Hoax of the Twentieth Century* - an in depth exposure of the 6 million fraud - Prof. Arthur Butz described all of the media in the West as "**a Lie Machine**".

Money rules this world. The people who create and control money **Control Everything**, politics and politicians, secret societies, the police, the judiciary, education, the military, the church ad infinitum. The puppet politicians at Westminster have long represented **Banking and Moneyed Interests**, not the interests of the British people. Bankers look after their lackeys and creatures well. For services rendered, lucrative positions, handsome directorships and fame and fortune while the British people rot and their country is given away.

The controlled media has long been pumping out misinformation, distortions, downright lies and masses of trivia to keep the public occupied and amused with sweet nothing. Now, in more recent years, a deluge of rampant degeneracy, obscenity, blasphemy and violence to undermine and destroy all morality. As people see, hear and read, **so They** (Politicians of all parties) are guilty of the **Greatest Treason in All of Our History**. They have flooded our tiny Island home with millions of the coloured

racism and implemented oppressive and evil Race Laws to force the British to submit to this policy.

Living in their affluent city apartments or on their country estates they are far removed from the consequences of such policy. They are never likely to be mugged or their daughters gang raped and their children won't be sent to a multiracial school where English children are outnumbered by coloureds.

A lady living in Lancashire wrote recently "Every time I venture into my neighbouring towns the growth of Pakistani immigrants is overwhelming, suffocating and disorientating and my despair, anxiety and anger at successive governments for their criminal betrayal and abuse of my country, my people and the birthright and heritage of our children causes me acute physical and mental torment and I am made severely depressed and ill".

When a government can be clearly seen to be promoting the destruction of its own kind and handing their country over to foreigners, its people have no obligation under ancient English Law to obey or regard any laws enacted by such a government. Indeed, they have a solemn duty to oppose and bring about the demise of such a government by every means in their power. This is clearly stated in **Magna Carta**, the most important, legal document in English history:

“..but that it is also their right, and then primary and paramount duty, to judge of the justice of the law, and to hold all laws invalid, that are, in their opinion, unjust or oppressive, and all persons guiltless in violating, or resisting the execution of, such laws.”

This is supposedly still a Christian country although only about 5% go to church. When a government passes laws contrary to the laws of God, Christians have no obligation whatsoever to regard the dictates of such a government. Recent governments

have 1. Legalised sodomy which is an abomination in the sight of God. 2. Condoned the murder of the weakest and most vulnerable (abortion) exactly according to the teaching of the Luciferian Babylonian Talmud. "Christian birthrate must be diminished materially". Zohar (11.646) "The seed (child) of a Christian is valued as the seed of a beast". Kethuboth (3b). 3. Spat on the memory of millions who sacrificed their young lives to keep Britain British and preserve our ancient freedoms by instigating a massive campaign to destroy Britain racially which is an affront to God who created race to be preserved not mongrelized. Make no mistake about it, Race Mixing comes straight out of Illuminism/Satanism. 4. Worked feverishly to destroy our sovereignty and independence and make us subject to a faceless bureaucracy in Rome, Brussels and the U.N.

The British mugs who vote for our degenerate puppet Parliament (not a few politicians are, in fact, sodomites) vote for their policies i.e., abortion, sodomy, race mixing and the absorption of Britain into the Luciferian New World Order. Their vote is a vote for Satanism and all its consequences i.e., rampant degeneracy, escalating violence, increasing bureaucratic tyranny, increasing taxation, a mongrelized and crime ridden society and the corruption and destruction of the young etc etc.

It is time the British woke up to what is happening and involved themselves in the fight to save their country. For the hour is now late.

## **A Nation of Incredible Mugs: The British Homes of British Ransacked Because They Oppose Coloured Immigration**

**R**ECENTLY A MR JOHN HILL, a severely war disabled veteran of the 1939-45 war had his home invaded and ransacked on three separate occasions by the Sussex Police. He had committed no crime whatsoever. The police stormed his house merely to confiscate literature which formed part of a collection criticising Government in relation to their Afro-Asian invasion of Britain.

A local busybody and informer Peter Linfield had reported John Hill and a P. C. Philip John Mears viciously led a combined ten officers on two of the ransackings. As a result of the Police State behaviour John Hill is to stand trial simply for having literature in his home critical of the coloured invasion of Britain.

Fifty years ago Hill risked his life in the name of freedom - prepared to die in the event of a supposed German invasion and was awarded four medals. Now 50 years later he and other veterans are being prosecuted for holding literature that speaks against a very real invasion that the Government has instigated and backed. The literature is referred to as "inflammatory material likely to stir up racial hate".

The third player in this police state behaviour is the Public Prosecutor holding the Jewish held name of Harman and has ordered the prosecution seeking imprisonment for John Hill. In 1939 this veteran and others were called heroes and patriots now they are referred to as hate mongers and criminals of the worst order. Today, in the nineties, the British police are increasingly taking on the role of the former Soviet K. G. B. **Thought Police**. This bodes ill for the future.

How ridiculous the wartime slogan "**Freedom Is in Peril Defend It with All Your Might**" now seems. When loyal British people have had the police tramping all over their homes, going through all their personal

belongings and threatening them with fines and prison merely because they believe in keeping Anglo-Saxon Britain a White country. Is this the "Freedom" that countless Britons supposedly fought and died for in Two World Wars? If the police were men of integrity and honour they would have nothing to do with these despicable searches.

Just a few weeks after the police invaded the home of an old disabled British soldier their brave colleagues were in action again in Acton, West London. The victim this time was Lady Jane Birdwood - a frail old lady over eighty years of age. Just over a year ago she was mugged for the second time - by a coloured man on a mountain bike and suffered multiple injuries from which she has not yet fully recovered. The police ransacked her personal papers and took some away with them.

This brave and courageous lady has fought against multiracialism and immigration for years and regularly publishes an independent newspaper giving the real truth about the betrayal of Britain. (*Choice*, available from 31 Eastvale, Acton Vale, London W3).

## **Britain's New Privileged Class**

Compare the above with the action or rather inaction of the British Police when dealing with ethnic minorities. Recently, hundreds of Asians rioted on the streets of a north of England town, turned over and torched motor cars, smashed in shop windows (White shop owners only) and violently demonstrated outside a police station.

The police didn't bring a single charge against any of those involved. Since the massive race riots in Brixton in the seventies the government has pumped in well over a hundred million pounds in aid but this hasn't stopped more recent riots.

## **Government Guilty of Treason**

It is clear that the police now operate a two tier system of law enforcement in Britain today. One for the native British who are likely to have their belongings turned upside down merely for possessing literature critical of

coloured immigration and one for coloured immigrants who can get away with riot, criminal damage and even arson. Indeed, as can be seen in the case of Brixton **the Government Rewards Such Action**. These are the people the British mugs vote for. They vote for their own executioners. The destroyers of their own country.

Because the massive coloured invasion since the end of WWII has taken place with the sanction and approval of our degenerate and traitorous governments it is no less an invasion. Successive governments have imported all of these coloured aliens into our tiny Island home **without Any Mandate whatsoever from the British People**. They know, and we all know, that if the British had been invited to vote on the matter in a Referendum they would have voted overwhelmingly against coloured immigration, multiracialism and mongrelisation. Britain is supposed to be a democracy meaning that the wishes of the majority are paramount. Therefore, the so called government at Westminster has acted illegally and in a manner which can only be described as treasonable against the rightful inhabitants of these Islands.

NB. one can deny the obvious that, carried to finality, coloured immigration and mongrelisation can destroy white Britain permanently and forever with greater certainty than the H Bomb. We will prove that this is exactly the plan.

In view of this every post war British government has been a party to the wilful and deliberate **Genocide of the British People**. With a few notable exceptions, all of the parties and every MP in them are guilty of Treason against the British people. Treason unmatched in our history.

The Treason of handing our Island home over to millions of Negroes, Asians and Chinese and persecuting and harassing those loyal Britons opposed to their Treason. (Dictionary. Treason. "Violation of allegiance toward one's sovereign or country" and includes "stirring up a foreign invasion". For centuries under our law the penalty for Treason has always been death.

Another offence akin to treason is Misprision of Treason which means that if a subject knows that Treason has been committed and fails to make it known he is guilty of the above and the penalty is death. Therefore, the

author of this pamphlet is fulfilling his public duty under ancient English Law by drawing attention to Treason in high places. "**Treason Doth Never Prosper for When It Prospers None Dare Call It Treason**".

## **The Proven Results of Race Mixing**

It is an incontrovertible fact of history that race mixing and mongrelisation always leads to a **Torpid, Stagnant Society Full of Crime and Degeneracy**. This simple fact was even stated by the International Court of Justice, The Hague on June 23rd 1965. At this session Prof. Van den Haag of New York University stated unequivocally before the Court that unregulated contact between ethnic groups resulted in social disorganisation and an increase in the crime rate.

There is, in fact, evidence from history that the introduction and mixing of alien ethnic groups with an established pure bred and homogeneous population was the principal cause of the destruction of all the great empires and nations of history.

The most recent example (now expunged from history books) being that of Portugal. In the 15th and 16th centuries Portugal was one of the greatest and wealthiest nations in Europe. They were a race of navigators, explorers, adventurers and discoverers. However in 1641, after the voyages of discovery down the coast of Africa, the: first Negro slaves were introduced into Portugal and within a hundred years ten per cent of the population was Black.

The 1911 edition of the *Encyclopaedia Britannia* (before the liars of history got to work) has the following entry. "The Portuguese intermarried freely with their slaves and this infusion of alien blood profoundly modified the character and physique of the nation. It may be said without exaggeration that the Portuguese of the 17th and later centuries **Were Two Different Races**". The Portugal of today is poor, backward and impoverished. It is an indelible warning of exactly what happens to a White nation that mixes its people with the blood of Africa.

The famous American author Jack London after conducting breeding experiments with animals wrote "War is a divine beneficence compared

with mixed breeding". "Find me one race that has retained its power of civilisation, culture and creativeness, after it mongrelised itself". *Book of Jack London*. Century Book Co. 1921.

In London alone during the first half of 1995 recorded muggings reached the record level of 20,000 which even the politically appointed Masonic Chief Commissioner Paul Condon publicly admitted were almost entirely committed by Blacks. Since the fifties several hundred thousand mainly elderly British people have been mugged and robbed by Black assailants in our cities. Mugging was once an almost unknown crime in Britain now it is commonplace and it is largely a crime committed by **Blacks on Whites** as police figures prove conclusively.

It is an indisputable fact that Blacks the world over commit a whole disproportionate number of crimes of violence, rape and murder. The politicians you voted for must ultimately bear the responsibility for all of these vicious crimes on mainly defenceless elderly people. They are the people who have created the multiracial night mare we now see in our cities.

In Jamaica the crime rate is thirty times higher than in Britain, while in America with a 10-15 per cent Negro population about 80 per cent of all violent crime, including most of the 20,000 murders a year, are committed by this same minority group.

Unless the British mugs stop believing media lies and compel their treasonable governments to stop coloured immigration and start repatriation, British cities will continue to degenerate into veritable hell-holes of murder and mayhem. Vast numbers of native Londoners disgusted at what the politicians have done to **Their City** have moved out Into the country. To protect themselves and especially their children, other British should follow their example.

## **Vastly Overcrowded Britain**

With well over 600 people per square mile England and Wales are more densely populated than India, Africa or China. Already our tiny Island

home is **Grossly Overpopulated** and this is the **Root Cause** of many of our problems like traffic congestion and coastal pollution. We do not have enough space for our own people. Last year some 600,000 families were experiencing difficulties with their mortgage repayments and many will lose their homes.

Scores of thousands of British young people have never had a job since leaving school and many never will have a job. It is now not uncommon for an employer to receive over a hundred applications for a single job vacancy. Make no mistake about it **Coloured Immigrants Take Jobs and Houses from the British**. Especially is this true as our degenerate government and its various departments have long operated a system of **Inverse Racism** giving priority to ethnic minorities applying for certain jobs. It is a sick nation that puts foreigners before its own people but this is what the **Scoundrels and Braggarts** you elect to Parliament have been doing for years.

## **TAKING SOME OF CHINA'S SURPLUS POPULATION**

Recently, John Major (real name Ball) told the 3½ million Chinese in Hong Kong (some say it could be as high as 8 million) that they are welcome to come to Britain without ever the formality of obtaining a passport. Supposing Neville Chamberlain in 1939 had told millions of Germans and Italians that they could settle in Britain with generous state handouts he would have been lynched when he got home. But the present generation of TV drugged, emasculated and sport mad British hardly raised a whimper of protest.

Indeed, when an election comes round many of the British mugs will vote for the very man and his party who has invited millions of Mongols into Britain.

China has an estimated population of one billion six hundred million (1,600,000,000) and it is well known that vast numbers of Chinese regularly pass over the border from mainland China into Hong Kong. How delighted the Chinese leaders must be that the British mugs have

agreed to take some of their surplus population. It happens to be a fact of history that nations bent on conquest and invasion settle large numbers of their own people in the targeted area first.

The Chinese have scant regard for human life as can now be seen in Tibet where the Chinese invaders seem to be exterminating the native people. There can be no doubt that if all of these coloured hordes had arrived with drawn swords the British would have used force to repel them. But kept occupied with "bread and circuses" like the Roman mot anciently and anaesthetised and intoxicated by propaganda the British sit on their backsides and do **NOTHING** while their country and their children's heritage is taken from them.

Someone said recently that if they filled a sack with excrement and put a Tory label on it the British would vote for it. While someone wrote to me saying that the **British Are Collectively Stupid**. One thing is certain the British are going to pay in blood and tears for what **They Have Allowed to Happen to Their Country** as Enoch Powell predicted years ago. "I see the Tiber flowing in blood" and "Whom the gods wish to destroy they first make mad".

## The Police State

George Orwell's Big Brother Police State is just about here already. If you walk along the high street, enter a shop or drive along a road you are being taped and observed or video. Identity Cards are about to be introduced and the British have been asked to pay for them and, no doubt, some of the mugs will. Although we still have Freedom in Britain Freedom to act and say what the **Politico-media-establishment Allows**. The truth is many of our God given freedoms have been stolen from us and British Free Speech and the Right of Assembly are dead.

In 1965 the Jewish Home Secretary Sir Frank Soskice an immigrant from Communist Russia introduced the first Race Relations Bill. Another Race Relations Act in 1976 continued the attack on free speech and made it illegal to put your own kind first in your own country. In 1986 the Lithuanian Jewish Home Secretary Leon Brittan(isky) now a European

Commissioner further eroded the ancient right of English Free Speech making it illegal to possess literature which might be considered offensive to ethnic minorities with a view to passing it on. In 1994 the Criminal Justice and Public Order Act sponsored by the Conservatives made it legal to arrest anyone seen distributing anything deemed to be critical of immigrants.

The Labour Shadow Home Secretary, Jack Straw, another Jew has promised the Jewish Board of Deputies that labour will further strengthen laws against "Racism" (meaning Patriotism, love of one's own country and people).

Powerful Jewish elements are already at work in Britain trying to make it a criminal offence (as it is already in Germany and Canada) to deny the Holocaust. Even though numerous authorities, including the famous English historian David Irving now believe the story to be **Wartime Propaganda Fiction**.

The consequences of this are enormous. It means that we are fast moving in a direction where those in power **Want to Control Even Your Very Beliefs (Your Thoughts)**. If this happens it will be a return to the Dark Ages in Britain. Incredible as it may seem to the brainwashed and controlled British proles, the Jews in America have succeeded in getting the Jewish Noahide Laws made part of American Law.

These Laws, if ever acted upon, would effectively sentence all Christian Americans to death. Now if this sounds far-fetched we have only to consider the estimated 66 million (according to Solzhenitsyn) many of them Christians murdered by Jewish Communism in Russia since 1917.

For even Winston Churchill identified Communism as being entirely Jewish and wrote of it "**the Principal Inspiration and Driving Power Comes from the Jewish Leaders**". The Illustrated Sunday Herald 8th Feb. 1920. While an Official British White Paper - hastily withdrawn and suppressed stated "**Bolshevism Is Organised and Worked by Jews Who Have No Nationality, and Whose One Object Is to Destroy for Their Own Ends the Existing Order of Things**". The complete statement can be found in *Secret Societies* by Nesta Webster.

## **A Nation of Spies and Informers: The British**

Many telephones are now tapped and a spy circuit has been incorporated into some mobile phones. Now huge posters and notices in government buildings are encouraging the British mugs to spy and inform on their neighbours and employers if they think they may be cheating the system i.e., evading taxes or receiving too much in benefits.

The fact that **the System Is, Itself, as Corrupt as Hell** and the Financial and Moneyed Order represent: **Absolute and Undiluted Evil** as we shall prove totally escapes the British.

Of course, getting everyone to spy and inform on each other is nothing new. This is the system which operated in Communist Russia for over 70 years. An informer was likely to get his victim sent to a Siberian slave camp or a firing squad. It hasn't reached that far in Britain **yet**, just give it a little more time. We are moving in the right direction fast.

In 1897, a document called the *Protocols of the Learned Elders of Zion* first appeared in Russia and was brought to Britain by Victor Marsden - Moscow correspondent of the *The Morning Post*. It was the blueprint or Plan for the destruction of Christian Civilisation. The document proved to be prophetic and as ninety-five per cent of it has now been meticulously fulfilled there can be no doubt that whoever wrote it has controlled the history of this twentieth century.

The famous American industrialist Henry Ford, New York Jewish Lawyer Henry Klein (murdered) Lord Northcliffe onetime owner of The Times (murdered) and Lord Sydenham a foremost authority of the day and owner of *The Morning Post* (forced out of business) are just few of the people who believed the Protocols to be entirely "true and authentic".

The system whereby everyone spies on each other is clearly stated in this document. "Under our system one third of the population will keep the rest under surveillance out of sense of duty to the state". If you want to understand the real meaning of events during this century, get hold of a copy and read it. In Soviet Russia, just possessing a cop was a capital

crime immediately punishable by death. No one can really understand Twentieth Century History without reference to the Protocols.

## **Exactly Who Creates Our Money and Are the Real Beneficiaries of Taxation**

The British have been repeatedly told that the unemployed and those on benefits are supported by the taxation of those in work. Incredible as it may seem the real beneficiaries of taxation are **Not** the people at the bottom of the social scale, namely the unemployed and those on Income Support but the people at it's very pinnacle, namely a few super-rich (Jewish Billionaire Bankers. These people have long enjoyed the most opulent and luxurious life style on the planet. Oil sheiks are paupers in comparison. Recently, one of them, Amschel Rothschild was found dead in his **800 Pounds a Night Hotel Room**.

## **Jews Found the Bank of England**

To understand the present **SCAM** we must go back to its very beginning. In 1694 a group of unidentified **Jewish Financiers** offered to lend King William III gold and silver coins valued at £1,200,000 at 8% interest, **Provided He Gave His Royal Permission to Print for Themselves Paper Banknotes to the Same Value and Set up a Bank of England Which They Would Control**.

The king gave them a National Debt Certificate for £1,200,000 at 8% interest but actually paid them 108% by allowing them to print banknotes. Thus in 1694, the king and his government surrendered the nation's sovereign prerogative to create and control its own money into the hands of Jew Financiers. (See *The Jews And Modern Capitalism*. Colliers Books).

The Bankers Front Man and outward founder of the misnamed Bank of England stated openly "**the Bank Hath Benefit of Interest on All Moneys Which It Creates Out of Nothing**". At this time in 1694 which must be the most crucial in our history the government saddled the people with a National Debt to be paid for out of taxation. Since this calamitous

date successive British governments have borrowed money from the Bank of "England" (sic) at interest to run the country and fight its wars. **Money Which the Bank Creates Out of Nothing.** All unpaid loans since 1694 plus accumulated interest forms the National Debt, now amounting to something like a trillion pounds which, of course, can never be repaid. But the British people are taxed up to the hilt in an effort just to meet the interest requirements on this absurd debt.

The British government is still paying interest to the Bankers on money borrowed to fight the Napoleonic Wars. Yes, your income tax does not support the unemployed it services the National Debt. In other words, your hard earned money, paid in taxes, goes straight into the coffers of the super wealthy who constitute the "Hidden Beneficiaries" of taxation (Henry Kirby MP).

All this may sound incredible to the brainwashed British mugs but it happens to be one hundred per cent accurate and true. The Inland Revenue is merely a government organised service whereby the public is forced to pay interest to service the National Debt. The distinguished title given to tax collectors "Her Majesty's Inspector of Taxes" is a falsehood and lie because the control of money is NOT vested in the Crown, **not** vested in Parliament whose powers regarding money are "**Non-existent**".

The truth is it is a service operating entirely on behalf of the **Jewish Money Power** who long ago usurped control over Britain's affairs. Therefore, loyal Britons have a solemn duty to do everything in their power to avoid paying taxes to these the **Greatest Spongers, Parasites and Cheats** of all history.

## **Why the Government Is Really Short of Money**

Everyone knows that the government is desperately short of money but few understand why. In consequence they are under funding the NHS, defence, industry, education, local government and all the rest. Because they refuse to create their own money interest and debt free as a service to the nation but instead borrow it at interest from the Bankers.

These same Bankers have conducted the greatest rip off in history; They haven't just robbed a bank of a few million **They Own the Banks**. They have stolen the nation's right to coin its own money and control the value thereof. The true wealth of a nation is the capacity of its people to produce goods and services.

There has always been a surplus of those in Britain which could have given its people the highest living standard in the world. But a deliberate shortage of spending power (money, the means of exchange) **Created Poverty in the Midst of Plenty**. Especially was this true during the Victorian and Edwardian eras and in the twenties and thirties when whole families were starving and the children were dressed in rags.

Although food was available in plenty and farmers could have produced much more and the shops and warehouses were full of clothes. To demonstrate the truth of this we have only to consider that as soon as WWI and WWII were declared the Jewish Bankers immediately made available astronomical sums of money for aero-planes, guns and warships for Christian nations to slaughter each other. Why couldn't they have made similar sums of money available for food, clothes and housing for Britain's multitudes of poor and downtrodden?

Make no mistake about it the government is only short of money because it is the bond slave of Jewish Finance.

## **Our High St. Banks Create Money Out of Thin Air and Charge You Exorbitant Interest to Borrow It**

Our High St. Banks have lied to and conned and deceived their customers for years. Do you know the following facts about Barclays, Lloyds and all the rest? When a Bank grants a loan or allows you to run up an overdraft it doesn't part with single penny of the money deposited with it.

“Banks lend by creating credit. They create the means of payment **Out of Nothing**.” Encyclopaedia Britannica.

The Banks are High St. Temples of Mammon that **Create and Destroy Money**. When they make a loan they create the money out of nothing (by punching a few keys on a computer file), when it is repaid they destroy it.

Every year they are forced to write off millions in debt owed by borrowers who cannot pay their loans plus interest. The Banks then have a legal right under our present laws to make good their "loss" by seizing the property and assets of the defaulting borrower.

So here we have institutions which manufacture money out of nothing, charge high interest borrow it and when the borrower cannot repay **steal** everything he has. Think about it. It means that the people who operate this racket eventually end up owning just about everything.

During a period of just a few years well over a hundred thousand businesses have been liquidated by the Banks because they defaulted on the money they borrowed. Now if they had repaid this money plus interest the Banks would have destroyed it. It naturally follows that the Banks could have **Cancelled the Debts and Lost Nothing**. Thus keeping millions who lost their jobs in work. Think about it.

As Banks have the power to create money all their supplementary charges Are Totally Unnecessary i.e., as much as £5 to cash a cheque and £10 when they condescend to write you a letter.

Up to 1844, numerous country Banks had the power to print their own banknotes. But this power was curbed by Act of Parliament which gave a monopoly to the Rothschild controlled Bank of ‘England’ (sic) on the issue of banknotes.

The smaller banks circumvented the Bank of England's monopoly to print money by introducing the cheque which caused the commonly accepted legal tender to shrink in importance as a medium of exchange. The Banks

plan to **Abolish Cash Money**. This is why they have been encouraging people to shop without cash money for years by using Credit Cards. Most peoples' salaries and wages are now automatically credited to their Bank accounts and major bills deducted without money changing hands. Over ninety per cent of financial transactions are now by cheque and debit.

Eventually it is planned to turn people into Walking Credit Cards by laser tattooing a Bar Code onto the back of their hand or forehead as foretold in the Bible. (Rev.- 3:16-18). Without "the mark" no one will be able to "buy or sell" or engage in any business so will effectively be sentenced to death. At the push of a few keys on a computer, a complete video "read out" will be available on everyone. Those who accept the mark will be slaves of the Money Changers.

## **Bankers Own the Earth and Control Everything of Consequence**

Obviously the people that can create limitless amounts of money out of nothing control governments, education, the police, the courts and, in fact, everything of any consequence on the planet. For years they have controlled the government you elect to office at Westminster. They represent Banking and Moneyed interests not the interests of the British people. They virtually own the Press, TV, radio and book publishers and the film and video industry. They control public opinion through the flood of lying propaganda they let loose on the people and form, shape and mould your thinking for you.

Fantastic as it may seem many of the beliefs held by the majority are not really their own at all. They have been funnelled into their heads from the time they could first understand a few words through school (described as "incubators of degeneracy" and "centres of propaganda and indoctrination") to their adult life.

Harold Wallace Rosenthal an American Jew put it very brutally but accurately in his Confessions and was murdered by the **Mossad**. **"The People Are Only Stupid Pigs That Grunt and Squeal the Chants We Give Them Whether It Be Truth or Lies. The Majority Are Asses,**

**Horses Asses. We Control Your Thinking".** Douglas Reed, onetime brilliant Foreign Correspondent of The Times expressed it differently. "Opinion today is a manufactured product and can be shaped in any form desired" and "The newspapers are under occult control" meaning Jewish Zionist control as made clear in his book *The Controversy of Zion*. Whether you read the quality Moron Press, like The Times or the Sun described as "a pornographic comic strip for unthinking people" and both owned by the Jew Rupert Murdoch they are all under **Exactly the Same Financial Control**. "Through the Press we can influence while remaining ourselves in the shade". "All come to see things through the rose-tinted spectacles **We Place Astride Their Noses**". The Protocols.

## **A Racial Programme for the Twentieth Century**

The above is the title of a book written by the Communist Israel Cohen and published in America in 1912. It has proven to be prophetic and explains much that is happening in the field of race relations today. "We must realise that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to our program.

The terms 'colonialism' and 'imperialism' must be featured in our propaganda. In America we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavour to instil in the Whites a guilt complex for exploiting the Negroes. **We Will Aid the Negroes to Rise to Prominence in Every Walk of Life, in the Professions and in the World of Sport and Entertainment. With This Prestige, the Negroes Will Be Able to Intermarry with the Whites and Begin a Process Which Will Deliver America (and Britain) to Our Cause**".

## **Racial Equality – a Damnable Lie**

Only this morning (5/9/96) on the idiot box it was stated that "Afro-Caribbean children" are not doing very well in British schools. They are not doing very well because the Negro race is not so intelligent as the White race or even the Asian and Chinese races but they will not have

that. Negroes score about fifteen points lower in Intelligence Tests than Whites. See the book, *The Bell Curve*.

The fact of history is the Negro race has never produced one great scientist, discoverer, explorer or composer. They never invented the wheel, the plough, the sail or a written language of their own. They have helped to destroy every civilisation they have come into contact with as they are now destroying Britain. Our enemies know this so have imported vast numbers of them into all the countries they plan to destroy.

### **The Ultra Secret Society Which Controls the Planet**

The plan to mix up the races and promote miscegenation/mongrelisation is the programme of the Illuminati On May 1st 1776, a Jewish Professor of Cannon Law, Adam Weishaupt who had been a Jesuit priest finished his reorganisation of the ultra secret society called the Illuminati. Founder members included a number of Jewish Money Lenders, most notable of whom was Meyer Amschel Baer, founder of the House of Rothschild (Red Shield).

The organisation took its name from Lucifer the Devil who before his fall had been "the covering cherub" or "angel of light". Its members were secret devil worshippers and were totally committed to establishing the rule of Satan on earth in opposition to God. It planned the destruction of Christian Civilisation and the setting up of World Government of absolute despotism under a World Dictator from amongst its own number. It never worked for immediate success, all its aims were long term. Its diabolical plans became known in 1785 as a result of a bizarre "accident".

A courier of the Illuminati named Lanze was struck dead by lightening. Its secret plans including the French Revolution fell into the hands of the Bavarian Government who also raided the headquarters and sent copies to all the leading nations of Europe but for some inexplicable reason they paid no heed. A few years later Prof. John Robinson pretended to be one of them and successfully infiltrated the organisation and later exposed its secrets in a book published in 1797, *Proofs Of A Conspiracy Against All The Religions And Governments Of Europe*.

The aims of the Illuminati may be summarized as follows:

1. Abolition of all ordered governments.
2. Abolition of all religion.
3. Abolition of patriotism.
4. Abolition of all morality, marriage and the family and the proper education of children.
5. Abolition of all private property.
6. Abolition of inheritance.
7. During the final stage, the mixing of all the races and the promotion of mongrelisation.
8. The destruction of nation states and the creation of World Government.

Only a dimwit could fail to see that these are exactly the policies being pursued at this present time. Numerous, students of secret societies have stated that the Illuminati has been the secret power behind all the wars and revolutions since 1776 and is, today, entirely responsible for massive coloured immigration into all the countries of the once Christian West and the demonic drive to promote miscegenation.

## **The Destruction of Celtic-Anglo-Saxon Britain**

In the early days of Jewish controlled Hollywood, Negroes were presented as house boys and nannies. Now they are presented as brain surgeons, chiefs of police and space commanders. Even the story of Robin Hood has been bowdlerized by Hollywood to introduce a Negro into the story and make him the real hero in the pornographic film The Prince of Thieves (the Sheriff of Nottingham tries to copulate with Maid Marion during a marriage service). In the recent film Independence Day, a Jewish

computer buff and a Negro fighter pilot save the whole world from annihilation at the hands of aliens from outer space. Yet still most of the befuddled British cannot recognise all of this trash for what it really is.

An exercise in propaganda to promote the Negro exactly according to the declared policy of International Jewry as expounded in Israel Cohen's book of 1912. Standards have been lowered in an effort to recruit more Negroes into professions like the police and quotas have been set to ensure that Negroes get into certain jobs i.e., professional football. This is Britain an overwhelmingly White country. Thank God.

Yet we have Negro and Asian newsreaders, interviewers and entertainers and a Negro is mightily promoted as "Mr Motivator" to encourage the British to exercise. When what they really need is to exercise their brains. Only a dimwit would deny that Israel Cohen's programme has now become reality.

The real aim of massive coloured immigration into all of the White countries was put very succinctly by Rabbi Rabinovitch at a secret meeting of European rabbis held in 1956 in Budapest, Hungary. But the speech was leaked and translated from Yiddish into English by Henry Klein, New York Jewish Lawyer for which he was murdered.

**"Mixing the Dark with the White Means an End of the White Man and Our Most Dangerous Enemy Will Become Only a Memory".**

This speech detailed their plans to precipitate WW III during the height of the so called Cold War in the fifties but its widespread circulation in America saved the world from the horrors of nuclear war at that time. Complete speech in *Pawns In The-Game*. Commd. William G. Carr. *History of the Jews*. Eustace Mullins.

Both Karl Marx (real name Moses Mordecai Levi) and Lenin (real name Hiam Goldman alias Oulianov) declared. **"the British Are Too Stupid to Cause Their Own Revolution We Will Have to Import One for Them"**. Wing Commd. Leonard Young in his book *Deadlier Than The*

*H Bomb* and Major Robert Williams of U.S. Counter Intelligence in his book *The Ultimate World Order* state that **the Anglo Saxon Nations Were Being Made to Breed with the Dark Races to Weaken and Destroy Them**. Rabbi Abraham Feinberg revealed the ultimate goal when he declared. "**One World. One Race. The Deliberate Encouragement of Inter-racial Marriage**". The plan is to destroy the God given entity of race and create a world of mix breeds, apart from the Chosen Rulers who will be very careful to avoid this themselves. The Plan is anti God and anti Christ to the core and is, in every respect, **satanic**.

At a conference on Global Deception held at Wembley in 1993 it was stated that Nazi Germany developed anti-gravity flying machines and landed on the moon in 1939 and that a German manned space vehicle crash-landed on Mars in 1945. All of this advanced technology was captured by the Americans at the end of WW2.

They have been experimenting and improving on it ever since and have now produced extremely sophisticated anti-gravity space vehicles. To throw the multitudes off the scent they initiated the UFO alien invasion mythology. One speaker stated that all of this super-advanced technology is in the hands of the secret World Rulers who may use it to **Deceive the Masses** by faking an alien invasion from outer space. With the purpose of getting the divided nations of the world to unite to resist this "invasion" and form World Government under the control of the Real Movers and Pushers. Films like Independence Day would appear to be conditioning the proles for such an event.

## **Banks: The Real Thieves**

The Banks have been in the business of bankrupting and dispossessing people for years. They loan people huge sums of money at high interest which they **Create Out of Nothing** and when they default on the repayments they seize all their assets and property. Someone has written, quite correctly, that virtually the streets of the whole earth are mortgaged to the Banks. Through massive Death Duties the landed gentry have been systematically robbed of their property for years. If you doubt that the Banks have long been destroying people and businesses, you should read

about what happened to John D. Pett, Farmer, engineer and inventor. Lloyds Bank deliberately destroyed his engineering business immediately after he got a £500,000 order for irrigation equipment from Saudi Arabia and later they tried to destroy his farm as well. In his fight against the Banks, he founded **the National Society for Victims of Banking Fraud and Malpractice**. He has documented **many** cases of Banks destroying perfectly sound businesses. Be warned. Never, ever, trust any Bank Manager, like politicians, **They Are the Scum of the Earth**.

## **The Coming Depression**

According to well informed sources, the International Jewish Financiers who control the misnamed Bank of England and the Federal Reserve in America plan another "Great Depression" which will make that of the twenties and thirties look like a picnic in comparison.

On the 13th of January 1932, Louis T. McFadden, Chairman of the Finance and Currency Committee of the U.S. House of Representatives exposed the Money Changers and explained how they **Created the Depression** then ravaging America from coast to coast. By the simple expedient of withdrawing 8 million dollars in banknotes from circulation and reducing credits by 33 million dollars they brought about the Depression which was the cause of so much misery.

He said that if all this money was channelled back into circulation the Depression would disappear like a bad dream. After several attempts on his life McFadden was finally murdered and his words were never put to the test.

Numerous people in America have stockpiled huge amounts of food and bottled water for what they believe to be inevitable. **Total Financial Collapse**. The dollar will become worthless, quickly followed by the pound. Savings, Bank Balances, Pensions, Life Insurance and Investments will be wiped out. It could be a grievous mistake to think that this couldn't happen to you. For it has already happened to millions during this century. In August 1921 it took 300 Marks to buy one Pound Sterling and by January 1923 it took 80,000 Marks to buy one British Pound and

by the end of the same year it took 20 Billion to buy one Pound. In the early fifties, a British postage stamp cost about 2½d, now it is 26p this represents a 25 fold increase and a fish and chip dinner 10d, now it is £3 or more, this represents a 72 fold increase. In America, in less than forty years, the purchasing power of the dollar has sunk by about 90 per cent. According to Des Griffin in his book, ***Fourth Reich Of The Rich***, every single nation that has used paper money has experienced massive inflation leading to total collapse of the money. So, if you have money, you want to put it to good use now for it is very soon going to be **Worthless**.

## **Freemasonry and the Illuminati**

The Illuminati long ago infiltrated and took over Freemasonry at the top. Long ago, Albert Pike, grand pontiff of universal Freemasonry declared that the ultimate secret revealed only to top degree Masons is that "Lucifer is God". Lady Queensborough in her book ***Occult Theocracy*** confirms that the secret revealed to 32nd, 31st and 30th degree Masons is exactly as above.

Numerous authorities have confirmed that the God Masons worship and serve is Lucifer the Devil. The latest in the book ***The Brotherhood***, chapter The Devil In Disguise by Stephen Knight. Masons form the lower echelon of the Illuminati, the power that has long controlled Britain from behind the scenes. In Britain today, we virtually have a Masonic Police Force, Masonic Judiciary, Masonic Parliament, Masonic Civil Service, Masonic Local Government, Masonic Education System and Masonic Media.

Masonry ensures that only people who will faithfully serve the hidden masters of Illuminism and their goals get all the most lucrative and influential jobs in society. **"beyond the Masons and Unknown to Them Lay the Deadly Secret Conclave (the Illuminati) Which Directs Masons for the Ruin of the World and Their Own Selves"** ***Grand Orient Freemasonry Unmasked As The Secret Power Behind Communism*** by Dr. G. Dillon. Incredible as it may seem Freemasons (one in fifty of British males) are feverishly working for the destruction of their own race and nation and even themselves and the establishment of World Govern-

ment. When the Jewish. Bolsheviks came to power in Russia they ruthlessly hunted down and exterminated all Masons. They had helped the Revolution along and were no longer needed and some of them knew too much.

## **Screaming Cacophony of Rock & Pop: A Tool of Mind Control**

Jerry Rubin wrote in the book *Do It*. "We will combine youth, music, sex and drugs with rebellion and treason - that's a combination hard to beat". Every channel into the human mind has been utilized to further the aims of the Illuminati and brainwash the masses. The beat of modern music (thump, thump, thump) is slightly faster than the human heart beat and the natural rhythm of the body.

It can seriously affect the emotions, disorganise and scramble the brain, leading to disorganised, abnormal and aberrant behaviour. The high decibel sound often combined with flashing lights, cannot only permanently damage the hearing, but acts as a powerful tool of **Mind Control and Conditioning**. Like hypnosis, this leaves the mind wide open to the often very suggestive lyrics.

It is well known that many **Noise and Degeneracy Groups**, like the Rolling Stones, have experimented with drugs but it is less well known than many groups have dabbled with the occult and are **Satanists**. Much of the noise they produce, can by no stretch of the imagination be called music, it is unadulterated **Satanism**. But one of the most dangerous and insidious aspects of jungle noise is the use of a technique called **Backtracking**. Hidden messages are introduced into the recordings in reverse.

These are just noise to the conscious brain but they are de-scrambled by the subconscious and can alter and shape behaviour and promote destructive habits - often **Unknown to the Listener**. Here are some examples taken from pop records.

"Let's smoke marijuana". "Satan, I promise I will take the mark". "Kill kids, kill kids. Kill losers", (could this be related to crimes like Dun-

blane)? “My sweet Satan, I’ve seen Sabbath”. “Turn me on dead man”. (Christ).

## **Hidden Propaganda on the Little Screen**

Subliminal brainwashing - messages and pictures flashed onto the screen for a fraction of a second have been used for several years now to insinuate into our minds attitudes and behaviour which the Illuminati want us to adopt. Long before the regular use of Negroes on TV in positions of authority over Whites and giving orders to Whites and long before Negroes were shown with White women the ground was carefully prepared by **Subliminal Propaganda**.

Thus natural barriers separating the races have been gradually eroded so that the Illuminati can now more vigorously promote its policy of **Racial Genocide for the British**. This is only **one** area where this powerful tool has been used to **Control and Manipulate the British**.

## **Rock and Roll: A Form of Voodoo**

In 1951, a young Black singer from the Mid-West of the USA, Little Richard, modified the beat and rhythm of Rhythm and Blues music of the Black population of the Southern States. In 1954, the film Blackboard Jungle brought to the attention of the public a song called Rock Around the Clock, written by Bill Haley. Alan Freed, a disc-jockey in Cleveland, Ohio, invented and popularised the name Rock and Roll, indicating as with the word Jazz - sexual intercourse.

Starting from soft rock we come to hard rock and then to acid rock, based on the drug culture and punk rock - musical trash. Rhythm and Blues from which all this developed was entirely Negro - jungle noise - entirely different to any European music. The “blue devils” according to their beliefs are demonic spirits responsible for depression. Rhythms were invented by Shamans to-scare away these devils.

All this was part of the. African-Caribbean religion of Voodoo. This Black religion described as ”an animistic cult of an orgiastic and violent

nature where invocations accompanied by obsessive rhythmic drumming are made to a demon inviting him to take possession of a participant and make itself present through him during dances often lasting many hours thanks to the effects of stimulant drugs” - Four factors are always present in Voodoo: rhythm, drugs, sex and magic these four factors are found in rock music.

Rock and Roll is the Voodoo of the twentieth century and many of the performers are Satanists and have dedicated their lives and music to Lucifer. John Todd, the owner of several record companies said recently. "Witchcraft has always been practised to the sound of beat, which is identical to Voodoo cults and Rock music.

It is impossible to practise witchcraft without accompaniment. The Illuminati controlled the then Zodiac Productions which is now known as Atlantic Productions. It is known that David Crosby, Nathan Young, Graham Nash, **All the Big Producers of Rock and Roll Are Members of a Satanic Church and That a Great Many of the Rock Groups Are Followers of One or Other Luciferian Religion**".

When they make new tracks they ask their Satanic priests to bless it and invite demons to go with every recording. It follows that when you buy this trash you also get the demons tied to it. So said John Todd. No wonder a madness now grips many young people and vast numbers are on drugs. This is all the work of the Illuminati to enslave and destroy the young and prepare them like unthinking drones for "The New World Order". "So, today, the goyim youths are beginning to turn away from Christianity and to follow our lead. **and Our Lead Is toward Their Ultimate Destruction**". (Rabbi Cohen).

Laurence Hoins of Australia proves in his book The Coming Crash that the American Government and CIA at the highest level is involved in importing drugs into America. The evil powers behind the scenes have made sure that drugs in plenty are available to the young plus the incitement to use them by Voodoo Rock and Roll and Backtracking Indoctrination. Unless the police stop pussy-footing around and tackle the growing drug problem at its **roots** they are wasting their time.

Taken from, *Hell To Play Subliminal Music And The Subversion Of The Christian World*, from a lecture given by Sandro Sorrano, secretary of the Rome based organisation Reconquista.

## **A Secret Lecture Leaked to the Public Reveals All**

In a secret Yeshivah Lecture given by Rabbi Cohen to his students and translated from tapes in Hebrew by David Goldstein the extent of the control they exercise over the masses is clearly stated: "Remember that all of the Media of the United States (and Britain) are owned and controlled by Jews.

We control all newspapers, magazines, wire services. TV broadcasters, most radio shows, the entire entertainment industry of Hollywood and elsewhere. So we are free to make the goyim (human cattle) **Think What We Want the I\* to Think. And as They Think so Will They Do. All of Them Watch Our TV Programs and Read Our Newspapers and Believe Our Propaganda ... We Have Already Enslaved Their Minds Bui They Are Unaware of It.** And I warn you, they must forever remain ignorant of these facts... We have our media present in every household.

You will see how we can destroy our enemies by pointing our holy fingers at them. Our TV and newspapers will lead the assault **against Their Tiny Brains**, with gossip presented as fact, with allegations, with false assumptions, innuendo, outraged moral posturing, false accusations, lies and. all the methods at our command. **If the Real Truth Gets Out It Will Be Heaped with Ridicule. We Will Engulf Them with Deceit".**

## **Oklahoma and Trade Centre Bombings to Discredit Opponents**

Just to indicate the extent that the thinking of the masses is controlled here are a few more quotations from the above article: "The patriots, the Republican Party and the Christians are getting too close to the truth ... And so we have ordered the Mossad to blow up something. We are going to stab America in the heart and lay the blame on our enemies so I warn all of you to avoid Oklahoma City in April ... I assure you we will not

make the same mistake that we made with Lee Harvey Oswald. This time there will be **No Clues of a Conspiracy**. All clues will point to the scapegoat—the neo-Nazis, the Conservative Christians, the Muslims, the militia groups, the various anti-Semites and the Republican Party"——

"And the Clinton goy will force our anti-terrorism bill through Congress. They will give us not only gun control but they will allow the police force the CIA and the FBI that are now under our command to raid the strongholds of our enemies——We have it all planned out. They will all be destroyed. And within four years, predict that we can begin filling the prisons with the patriots and Christians and Muslims, all who oppose us".

**Note.** Brigadier Gen. Benton K. Partin, formerly one of the top explosives experts in the USAF and who appears to have some grasp of what is really going on stated the following in a letter to Sen. Trent Lott, United States Senate, Washington D.C. "Observations in Oklahoma City. The photos present irrefutable evidence that at least four demolition charges were set off at four critical columns of the reinforced concrete structure at the floor level of the third floor. Oklahoma **was not caused solely by the truck bomb.**

Both Oklahoma and the Trade Center in New York show evidence of a counter-terrorism sting gone wrong". In his address Rabbi Cohen said that they also planned to blow up the N.Y. Trade Center to discredit the Muslims and that they planned to use all of the Blacks, Browns and Yellows they had brought into America to wage war against the Whites in a Race War.

## **Exactly Who Really Controls America?**

Colonel John Beaty who was Intelligence Officer to the White House during WWII stated in his book ***[Iron Curtain Over America](#)*** that Khazar Jews, exactly the same people who had usurped control over Russia, had infiltrated the American Government and Administration and were the real rulers of America. That they controlled the American Media were undermining the Constitution and destroying America from within and that they were the makers of American Foreign Policy. Major Robert

Williams of American Counter Intelligence confirmed all of the above and wrote "Unless the American people recapture their government and smash the Zionist machine the insane elements in that machine may wipe out mankind".

Rabbi Cohen stated in his lecture "The Wilson goy (President Woodrow Wilson in 1913) signed the Federal Reserve Act and **Gave Us Total Financial Power over the United States.** As the sole proprietors of the FED, we control all of American commerce and pull the strings of government. Although we Jews make up only four per cent of the U.S. population, over sixty per cent of the Clinton goy's political appointments have gone to Jews. As Supreme court judges, foreign ambassadors, FBI and CIA positions and Democratic Party officers. **We as a Tiny Minority Now Have 80 per Cent Control of the U.S. Government.** And so **We Shall Have Our Revenge ... Every Man, Woman and Child of the Goyim Must Be Destroyed without Mercy**".

American patriots now refer to their government as **ZOG** (Zionist Occupation Government). They have formed armed groups right across America, many led by retired army officers. They know that before the traitors in government can introduce the New World Order they will have to defeat them. According to Lt. Col. Jack Mohr thousands of foreign troops have been imported into America (mainly Russian) and these will be used against the civilian population to enforce the New World Order.

## **American Government Murders Its Own People**

In The Final Secret of Pearl Harbour by Rear Admiral Robert Theobald and Incredible Infamy by Col. Curtis B. Dali, son-in-law of Franklin D. Roosevelt it is made abundantly clear that the American Government **murdered over 3,000** of its own military personnel at Pearl Harbour.

The Japanese desperately wanted peace with America and the West and used every diplomatic means open to them to achieve this goal and accommodate America. But the U.S. Government deliberately provoked and insulted the Japanese and imposed impossible conditions on them so that they had no recourse but to fight. The American Pacific Fleet was

spread out like so many sitting ducks (but the carriers which would be needed later were removed) and the Japs were allowed to bomb them out of the water.

The Americans had cracked the Japanese secret code and **Knew Exactly When the Attack Was Coming but the Information Was Kept from the Hawaiian Commanders.** Japan and Germany had a treaty which meant that war with either country meant war with the other. The plan was to so outrage public opinion that they would clamour for war and it was entirely successful. The Jewish Bankers who controlled America were determined to save their creation - **Communism** - which Hitler would have destroyed.

### **Stalin Planned the Invasion of Britain**

According to Russian Military Historian Viktor Surorov in his book *Icebreaker*, Stalin had assembled a massive Soviet military machine **to Invade the Whole of Europe.** This included a million paratroopers with vast numbers of C-47 (Dakota) heavy transport planes built under licence to capture the RAF aerodromes in southern England and ten different multi-seat glider designs.

Two weeks before their plans were finalised and when they were at their most vulnerable with all their troops and equipment massed at the border Hitler ordered operation Barbarossa - the invasion of Russia. The Soviet Union possessed thirty separate armies - the largest military force the world had ever seen. Caught in transit or crammed together in start off positions whole Soviet armies were annihilated.

Most of their vast air force was destroyed on the ground. So it would seem that Hitler, the most hated man of the Twentieth Century, saved Western Europe and Britain from Russian invasion and the Bolshevik system of torture chambers and death pits which killed millions in the East. "The Nazi command succeeded in forestalling our troops literally two weeks before the war began". General S. P. Ivanov, Chief of the General Staff Academy of the Armed Forces of the USSR. 1974. Read *Stuka Pilot* by Hans Ulrich Rudel, he alone destroyed over 500 Soviet

tanks and a battleship the Marat. Taken from 14 Days That Saved The World by Paul Ballard.

## **Wars Created to Cull the Best Blood**

In "*The Protocol of 1869*" by Rabbi Reichhorn over the tomb of Simon-ben-Ihuda published by Radcliffe is the following: "We shall force Christians into wars by exploiting their pride and their stupidity. They will massacre each other and so clear the ground for us to put our own people into".

"*The Protocols of the Learned Elders of Zion*" which, according to the renegade Jew, Henry Klien, came out of the first Zionist Congress held in Basle Switzerland in 1897 states: "The Goyim are a flock of sheep, and we are their wolves".

"We are interested in just the opposite - in the diminution, **the Killing of the Goyim**".

The Protocols state that if any nation dared oppose the Jews they would crush it by involving that nation in a war with its neighbours and if this was not successful they would provoke "a universal war" - that is a World War.

The disclosures of the Jew Harold Wallace Rosenthal is in complete accord with other revelations and findings: "These deluded children of the Church defend us to the point of destroying their own culture. This truth is evident even to the dullard when one views history and sees that all wars have been white fighting white in order that we maintain our control.

We controlled England during the Revolutionary War, the North during the Civil War and England and America during World War I and II. Through our influence of religion we were able to involve the ignorant white Christians in wars against themselves which always impoverished both sides so that Jews could maintain their control and we reaped a financial and material harvest".

This is the teaching of the Jewish Talmud. "Take away the lives of non-Jews kill them" (Sofer Israel 177b). "Even the best of the goyim should be killed" (Abhoda Zara 26f Tosfath). For confirmation consult books listed under The Longest Hatred.

## **America Helped the Communist Mao Tse Tung to Power in China**

The late Capt. Ken McKilliam, secretary of ABEX (Association of British Ex-servicemen the best informed and most knowledgeable man I have ever met told me that the real reason for WWI and WWII was to get Christian nations to destroy each other and to cull the best blood to further the plans of the secret world rulers. Lt. Col. Jack Mohr veteran of WWII and Korea has stated much the same.

Korea and Vietnam were "**No Win Wars**". General Douglas McArthur was sacked because he wanted to win the Korean war. In fact, Chiang Kai-Shek leader of the Chinese Nationalist Forces pleaded with the American Government to be allowed to use his forces in Korea against the Chinese Communists and was blocked.

It was only because Chiang was betrayed by the U.S. Government who stopped all funds and materials for his army that Mao Tse-tung and the Communists triumphed in China and the Nationalists were forced out onto the Island of Formosa. Chiang said "We have learned never to trust America for more than eighteen months at a time between elections".

*The Controversy of Zion*. Douglas Reed. Incredible as it may seem Communism took over Russia, Eastern Europe and China only because the Jewish Bankers of New York planned it so. They are to blame for the hundred million murdered in Russia and China.

## **America and Russia Controlled by Exactly the Same People**

John Stockwell of the CIA broke his secrecy oath to reveal in his book *In Search of Enemies* that America and Russia are not enemies but loyal

allies pursuing the same goal: i.e. One World Socialist Communist Dictatorship. Henry Kissinger, Secretary of State to six US. presidents is a top notch in the International Jewish Conspiracy and has worked tirelessly to promote Communist and anti American causes. Read Henry Kissinger. Soviet Agent by Frank Capell. In his book *National Suicide: Military Aid To The Soviet Union*, Professor Anthony Sutton proves conclusively with masses of examples that the Soviet military machine is almost entirely the creation of the West, notably America. *Major Jordan's Diaries* (New York 1951) revealed that America delivered to the Soviets, “**Tons of Material for the Manufacture of Atomic Bombs**”. Russia was made in America.

Louis Marshalko, on page 227 of his book *World Conquerors* (meaning the Jews) quotes Chaim Lierzmann, leader of World Jewry for the first half of the 20th Century as saying that America and the West and the "Soviet democracies" are just the two halves of the Jewish World Empire. The American and British military apparatus is now so **Totally under Jewish Control** they should pull down the Stars and Stripes and the Union Jack and raise the blue and white flags of the UN and Israeli State.

## **Un - World Government of the Super Rich**

The UN Constitution was copied almost word for word from the Soviet Constitution by Gromyko, Soviet Foreign Secretary and Alger Hiss U.S. Soviet spy and the land on which the UN building stands was granted by David Rockefeller.

Henry Klein stated. "**the UN Is Zionism It Is the Super Government Mentioned Many Times in the Protocols**". While Harold Wallace Rosenthal declared "**the UN Is Nothing but a Trap Door to the Red World's Immense Concentration Camp. We Pretty Much Control the UN**".

Rabbi Cohen stated "We will replace the US Constitution with UN mandates. The New World Order is a certainty". The UN forms the framework of the Illuminati Satanic World Government. Very soon now the World dictator or Antichrist will be placed at its head forming the

most ruthless tyranny in the history of mankind. Duped British and American military personnel who serve under the UN flag are serving the worst enemies of their own race and nation in all of history - in enemy pledged to destroy them and their families.

## **Wars Don't Just Happen. They Are Made**

Henry Ford wrote in his own newspaper *The Dearborn Independent* and later re-published in his book *The International Jew* that several wealthy Jews boasted and bragged to him about how they had started WWI. How they had cornered all the materials needed to fight the war and how it would only come to an end when they said it would.

He said that they talked so long and so convincingly that they persuaded him. He later wrote: "I am convinced that nearly all wars are caused so that someone will profit and those who profited and those who are profiting now are the International Financiers, the Jews. Gather together the fifty most wealthy Jewish Financiers, the men who create wars for their own profit, control them and you will put an end to it all."

It is not generally known that the British and Germans were ready to end WWI in 1916, when the Zionist organisation intervened. They told Britain that if they got the Promise of Palestine they would railroad the U.S. into the war on the side of the allies. Thus the war dragged on with the loss of millions of lives and as a direct result Jewish Bolshevism triumphed in Russia and Germany was split into two by the Polish Corridor at Versailles which was the root cause of WWII. Consult *The Hidden Tyranny* by Ben. Freedman.

In his book *Pawns In The Game* Commd. William G. Carr stated "Both Captain Ramsay (MP) and Admiral Domville (a former Director of Naval Intelligence) tried from 1936 to 1939 to prevent Britain becoming engaged in war with Germany because they considered International Jewry intended to arrange a war in which the German and British Empires would destroy each other". Commander Carr stated that Captain Ramsay had impressed Neville Chamberlain sufficiently so that when he went to Munich he compromised with Hitler and returned with the agreement

"Guaranteeing Peace In Our Time". But the Jewish Money Barons were determined upon war so they started a vicious hate campaign against Chamberlain in the "British" press which they controlled. They wanted Chamberlain out of the way to be replaced by someone they could influence and control to carry out their designs.

He writes "In March, 1939 they (the international bankers) had tricked Mr Chamberlain into signing a guarantee to protect Poland from German aggression by presenting him with a false report to the effect that a 48 hour ultimatum had been delivered by Germany to the Poles. The facts are that the German government did not issue any 48 hour ultimatum."

The total pretence of declaring war on Germany over Poland was demonstrated when, just a few weeks later, the Russians invaded Poland from the East and we did not immediately declare war on her. Again, Britain supposedly went to war to defend Poland's independence. yet at the end of the war when an estimated 265,000 had been killed fighting for this objective, Poland and the whole of Eastern Europe was handed over to the Soviets who had been allowed to rape, plunder and murder their way into the heart of Europe.

### **Numerous Attempts to End War and save Eastern Europe from the Reds Rejected**

Before the war turned against Germany a small group of influential Germans secretly approached the British Government with a view to ending the conflict. They declared that they would topple Hitler if Britain would grant them an honourable peace.

The British Government replied that only unconditional surrender and a return of financial control in Germany to the former bankers (the Jews) would be acceptable to them. In the Spring of 1943 Admiral Wilhelm Canaris met Commander George Earl who had been appointed as Roosevelt's personal naval attache in Istanbul, Turkey. Canaris told Earl that there were many Germans who disliked Hitler and felt that he was leading Germany down the pathway to destruction. The unconditional surrender policy of Britain and America was unacceptable to the German generals.

However, if the Americans would accept an honourable surrender from the German army tendered to the American forces such an event could be arranged. He said that the real enemy of Western civilisation was the Soviets and the German army if so directed would move to the Eastern Front to protect the West against the approaching Red Army.

He said the Soviets were deceiving the American people about their intentions and that they intended to make themselves the supreme power in Europe. Short! after this meeting Earl; who was recognized as Roosevelt's personal emissary in Turkey, Emir Fritz von Papen, the German Ambassador who was extremely anti Hitler and he confirmed also that Canaris had said. Becoming further informed about the hidden aims of the Russians, Earl sent a coded message to Roosevelt in Washington. Canaris and von Papen requested a prompt reply. There was no reply only silence. The evil powers that ruled in Washington and London had no desire to shorten the war and save millions of lives.

## **The Normandy Invasion of France Unnecessary**

After the successful allied invasion of Italy and the fall of Rome when the German army under Marshall Kesselring was in disarray, General Mark Clark was staggered that his Fifth Army was prevented from continuing its victorious march into the Balkans and the heart of the German Reich. Troops were withdrawn from Italy and Field Marshal Alexander forces which had become "a tremendous fighting machine with horizons unlimited" was dismantled and weakened.

Writing in 1950 General Mark Clark wrote: "As a result of order received from the highest level our team was soon broken up and the Fifth Army was sapped of a great deal of its strength. A campaign that might have changed the whole history of relations between the Western World and Soviet Russia was permitted to fade away. Their were decisions made at high level and for reasons beyond my field and my knowledge . Not only in my opinion, but in the opinion of a number of experts who were close to the problem, the weakening of the campaign in Italy in order to invade Southern France instead of pushing on into the Balkans was one of the outstanding political mistakes of the war".

The allied generals were prevented by decisions at the highest level from destroying Kesselring's army and pushing on to victory across the Adriatic into Yugoslavia and beyond into Hungary, Czechoslovakia, Austria and Germany. Obviously the real power behind the scenes (the International Bankers led by the Rothschilds and Rockefellers) had other war aims in mind to those given to the brainwashed British and American masses.

In *Stuka Pilot* by Hans Ulrich Rudel, one of Germany's top flying aces he relates how Hitler told him that he had repeatedly tried to end the war with the West but they always insisted on unconditional surrender. He added "Naturally my life is of no consequence but anyone in his right mind must see that I could not accept unconditional surrender for the German people".

As is well known, Rudolf Hess, Hitler's deputy flew over to Britain at great risk to his own life to try and end the war and save lives but he was locked in the tower of London like a criminal and later imprisoned at Spandau for over forty years and finally murdered by the SAS - our degenerate government's bully boys and hit squad.

Montgomery wanted to push straight on for Berlin to stop the Soviets taking Eastern Germany but was prevented. The allied armies were deliberately held up at the Elbe to enable the Soviets to grab the whole of Eastern Europe. General George Patton - America's famous general - stated in North Africa that America was fighting on the wrong side in the war and the real enemy was Communist Russia. See the writings of Major Jack Mohr - the first American to be wounded and decorated in Korea. Patton spoke out repeatedly about the appalling treatment meted out to Germans after the war and he eventually died in a motor 'accident' but there are those who believe he was murdered.

## **Real Aims of WWII**

**I.** To ensure that Jewish Banker created Communist Russia extended its empire half way across Europe. This is why the allied armies were prevented on several occasions from liberating Eastern Europe before the Soviets.

**II.** To ensure that Russia became the dominant power in Europe at the end of hostilities. Before, during, and after WWII America was pouring war materials of every description into Red Russia, even giving the Soviets priority over its own troops.

**III.** To extend the war by several years to ensure that Britain and America borrowed astronomical sums of money from the Jewish Bankers. The enormous debt would make them more subservient to the Bankers and give them greater leverage to push forward their own plans for a mixed breed society and World Government.

**IV.** To so weaken and demoralize the British (and Germans) so that they would dumbly accept a massive influx of coloured aliens into their countries without complaint.

**V.** The formation of a Jewish Israeli State in Palestine. To create such animosity, tension and friction between Jewish Israel and the Arab Moslem World that they could use this, if necessary, to foment another World War to bring to a conclusion their plans to establish a totalitarian World Government under their chosen leader.

**VI.** To ensure that the maximum possible number of Anglo-Saxon-Celtic-Germanic-Nordics were killed in the struggle according to the Talmudic teaching. "Take away the lives of non-Jews, kill them". "Extermination of Christians is a necessary sacrifice".

To further weaken the Christian nations and deprive them of some of their most gifted sons so that they could place their own people and stooges (like Freemasons and Liberals) in all the key positions at the end of the war. The loss of so many of the educated and professional classes in the war would ensure far less opposition to their plans to bring in millions of Afro-Asians and to promote the final and complete destruction of the Christian nations by race mixing, miscegenation and mongrelisation.

## Three World Wars Planned Years in Advance

If you are one of those people who think everything happens by chance consider the following carefully. In August 1871, top Freemason, Albert Pike sent a letter to Mazzini, the Italian revolutionary leader stating that the Illuminati planned Three World Wars and finally World Revolution. This letter was originally housed in the Library of the British Museum. The following is taken from Des Griffin's book *Descent Into Slavery*, page 38.

"Having consolidated their financial grip on most of the European nations by the middle of the last century, the International Bankers worked feverishly to extend their sphere of influence to the ends of the earth in preparation for, their final assault on the .United States - a nation which, through its unique Constitution, remained free.

"In the decades that followed it became apparent that, in order to achieve their goal of world dominion, they would have to instigate a series of world wars which would result in the levelling of the old world order in preparation for the construction of the New World Order. This plan was outlined in graphic detail by Albert Pike, The Sovereign Grand Commander of the Ancient Scottish Rite of Freemasonry and the top Illuminist in America in a letter to Giuseppe Mazzini dated August 15, 1871.

Pike stated that the first world war was to be fomented in order to destroy Czarist Russia, and to place that vast land under the direct control of Illuminist agents. Russia was then to be used as a bogeyman to further the aims of the Illuminati world wide.

"World War II was to be fomented through manipulation of the differences that exist between the German Nationalists and the Political Zionists. This was to result in an expansion of Russian influence and the establishment of a state of Israel in Palestine.

"The Third World War was planned to result from the differences stirred up by Illuminât agents between the Zionists and the Arabs. The conflict was planned to spread worl wide". The letter then went on to outline the

destruction of Christianity, and its replacement by the "pure doctrine of Lucifer".

The Australian Christian leader Frank Dowsett commenting on this incredible prediction wrote. "**Remember friends, this was written in 1871.** Isn't this the most amazing 'accidental' series of events of which you have ever heard? When you get a written forecast of an event 63 years prior to it actually happening, and a second forecast of another event some 67 years prior to it happening, and then see the forecast of the third event happening 126 years later right before your eyes, then you can forget all about coincidences. It has most definitely been planned that way".

### **Different Layers of Control in the World Conspiracy**

Winston Churchill wrote in an article in the *Illustrated Sunday Herald* 8th February 1922, these words:- "This worldwide conspiracy for the overthrow of civilization and the reconstruction of society on the basis of arrested development, and of impossible equality, has been steadily growing". We must try and identify the different layers of the conspiracy. The bottom layer comprises politicians, who seek fame, money and the trappings of power, the layer above the politicians is big business, which is built up manipulated and controlled (and also, when occasionally appropriate, destroyed) by the banking system which is in turn controlled by international, mainly Jewish financiers.

The next layer consists of the leaders of the secret societies, who want absolute power, the power to re-mould the world. These leaders of the secret societies must be carefully distinguished from the countless other members of the secret societies, because, like the hierarchy, that is being examined, all secret societies have layers or grades, usually known as degrees. It is characteristic of the degree system again as of the hierarchy, that person of one degree is kept entirely ignorant of the aims and activities, and often of the membership, of the degrees above him.

In many instances he is kept in ignorance even of the very existence of the degreed above him. We have now reached the top layer of the

pyramid. It consists of one secret society which secretly controls all the rest of the secret societies and can alone see the whole picture. It is this secret society, which in addition to being at the top of the pyramid of secret societies also sits at the summit of the hierarchy of politicians, big-business corporations, banks and international financiers, that I have termed "The Leaders of the Secret Societies". They sit at the top of the pyramid of occult or hidden power. However right at the apex of this pyramid is Satan known as Lucifer. He is worshipped by the leaders of the Secret Societies who pay him homage with religious rituals dedicated to him. (War: Part 1: *Introduction to the Sect* by N. M. Gwynne).
