

The Passing Richard Kelly Hoskins 1928-2022

LET US ALL THANK GOD FOR WORKING IN AND THROUGH HIM GREATLY. A great life witness for the true Israel message of the Kingdom. He was a great inspiration for all true Americans, and there should be an enduring legacy. He is in several YouTube videos alongside my former head Pastor together at America's Promise.

A Great Virginian

I have Great Grandparents also buried in Virginia, who I had visited there, and toured the historical sites. The man was a walking legend, may we keep his memory alive as he joins the forces of heaven, the church Triumphant.

You can comment on his legacy page [HERE](#) to honour his memory there for the public.

And his legacy does continue on, as his books and his iconic "*Hoskins Reports*" are all available on the Web for example, *Our Nordic Race* or use Google and type "archive.org" and "hoskins report", these can be taken article by article within them, and most are very edifying for today. (Ed. Many of his books can be found on the New Ensign Library [HERE](#))

When I spoke to him by phone about 1 year ago he said everything they're doing today is nothing new, this is what they've always been doing. He said don't talk about what Satan's people doing, but talk about what His people are required to do. He really wanted us to focus on what the word says.

He said just quote the word, as any time when you use the word for your reasons of doing anything the enemies of Christ don't want to tangle and will let you alone. He said we all need to get on the same page, and should be sharing out the truths, for example easy to understand guides, and it's up to us to share such materials out with our friends, edifying one another. At 92 years old that's still quite a strong witness!
