For surely it is extraordinary that Blair, a man abhorred by millions of the British, like the anti war and pro-hunt camp should have been re-elected. There is something very fishy about it all.

We have come a long way since it was realized that whoever controls the media in any country controls most minds in that country. Today, TV the most powerful mass drug in history exerts more power and influence over the mass mind than any king or despot in history. Its long arm reaches into almost every home in the land and people spend hours every day of every year glued to the little screen.

By a process of gradualism people have been led to accept sodomy, lesbianism, miscegenation, sadism, gratuitous violence, profanity and perversion by the bucket full. Screaming, yelling and gyrating goons with about as much musical talent as monkeys in a cage, entertain and captivate most of the younger generation. While their parents watch the latest saga of Eastenders or Emmerdale with everyone jumping in and out of bed with everyone else. While Sky promotes scantily clad tarts, trolls and strumpets who wriggle around to the requests of viewers.

Sky History is even more entertaining with regular 'Hitler bashing programmes' demonstrating to us all that Hitler was a sadistic sexual deviant, a megalomaniac, a power crazed monster bent on conquering the world. Sky's version of history, especially the history of WW2 is a fallacious fabrication --- more fiction than fact. All of this and more is transparently clear to any thinking person with a modicum of sense.

In 1985 Jack Bernstein, an Ashkenazi Jew born in America who immigrated to Israel in 1969 wrote in his little book *'The life of an American Jew in Racist Marxist Israel'*

**“The Jewish population (The Zionists) have gained a position of political and economic dominance in the USA. Communist policies come not from Moscow, but from New York City. What is important is the fact that there is a close tie between the Zionist Bolshevik Jews**

**in New York and the Zionist Jews in Moscow, and extending to include the Zionist Bolshevik Jews who dominate Israel's government.**

**Communism would not have gotten started and most problems faced by Americans would not have developed if the news media had kept American people informed of the actions of the Zionist/Bolsheviks. However, before they began their acts of subversion in America, they gained control of the major Newspapers and especially the News Services that supply National and International News to the smaller Daily Newspapers. Since they controlled, and still control, the major News Media outlets, including Radio and Television, they have been able to distort or omit the truth about their subversive acts.”**

Informed people also know that subliminal messages and images --- especially in material originating in Hollywood have also been used to help fashion and shape the mindset and thinking of the masses to alter behaviour in the direction that the manipulators want. These subliminal messages at 1/25th a second exposure were flashed onto the screen in cinemas and the TV tube. These images do not register on the conscious brain, but the subconscious sees it very well. To the mind controllers the great drawback to this method was it could be detected by playing the film at a very slow speed. Or in the case of subliminal messages in pop music, playing the audio tape in reverse. Now all this has changed....

According to material now going out on the Internet they have perfected a highly sophisticated and extremely potent form of mind control using the big and little screens which is undetectable. Apparently these are low light subliminal messages which fall just below the threshold of normal vision. This new ‘low light’ method represents a new break through giving the insiders enormous leverage over the thinking, attitudes and actions of the populace. Exhaustive trials prove that even using the most advanced ultraviolet analysis the low light images could not be detected at all, because they were comprised of exactly the same colour spectrum as the film itself.

According to this material the Australian Prime Minister John Howard was re-elected to office because Australians were bombarded with low light subliminals presenting him as the 'Great Leader.' Although their conscious mind told them that he was 'an arrogant fool, and a traitor under Australian Federal Law' they succumbed to the high intensity campaign, that he was, as one Australian called him, 'the best man for the job.' Perhaps 'bloody bastard barrister Blair' was elected using the same method? For surely it is extraordinary that Blair, a man abhorred by millions of the British, like the anti war and pro-hunt camp should have been re-elected. There is something very fishy about it all. The British will accept --- that elections in other countries and even America can be rigged but not in Britain. Well they may certainly be wrong on that score.

Zbigniew Brzezinski, National Security Advisor to Jimmy Carter has let the cat out of the bag on several crucial issues like their power to control the weather. On the ability of a chosen elite to influence and control the mindset of the masses he wrote '*In the technotronic society the trend would seem to be towards the aggregation of the individual support of millions of uncoordinated citizens, easily within the reach of magnetic and attractive personalities effectively exploiting the latest communications techniques to manipulate emotions and control reason.*'

Notice the key words '**MANIPULATE EMOTIONS AND CONTROL REASON.**'

It seems that they have now achieved the means to control the unthinking sheep who spend hours in front of the little flickering screen. With low light electronic impulses flashed through their focused pupils onto their retina and deep into their inner psyche, they can now tell people that black is white and white is black, that noise is music, filth is enlightenment, multiracialism is wonderful, drugs are fun, degeneracy is liberty and they will believe it.

In her audio tapes 'Conquering Confusion' Lorraine Day, MD declared '*Everything on television is a lie, except the weather forecast and even that is a lie because they control the weather now.*' She cured herself of terminal cancer by a complete change of diet and prayer.

Anyone who bothers to research the subject will discover that the version of all the major events reported by the mass media are blatant and incorrigible lies. This includes the Kennedy assassination and the plane crash which killed his son (a bomb was placed on board, Read Charles Weisman's book on the subject), the Diana 'accident.' The Lockerby plane crash, the murder of Yvonne Fletcher outside the Lybian Embassy. Oklahoma bombing, 9/11, Arafat's death, Ryongchon (North Korean blast), Bomb blast in Spain, Beslan school outrage, Iranian earthquake and train blast, Asian Tsunami (a H. Bomb placed in the Sumatran deep-sea Trench.) the murder of kidnapped hostages in Iraq, the London bombings of the 7th of July The list is endless. Very often if you take the opposite of the official account you will be nearer the truth. Always remember it is a very old trick to commit some outrage --- the more horrendous the better --- and saddle your enemy with the blame to discredit him. The Mossad and CIA both controlled by the same kind of people are experts at this game.

Onetime News Reader and Reporter Angela Rippon described herself and others of her ilk as '*highly paid parrots.*' The only real qualification needed by the potential News Reader is a reading age of 12 for everything they are expected to say is flashed onto a screen in front of them, out of sight of the viewer, and they merely read the message. For the sheer delight of honouring us with their images Trevor McDonald of ITV News is paid £600,000 a year, George Alagiah of the BBC £175,000, Jon Snow of Degeneracy Channel 4 News £350,000. The Money Changers always pay their creatures whether politicians or media hacks handsomely.

People buy newspapers thinking that they are independent and they are being informed on important issues. It is a complete delusion. They are there to form, shape and mould public opinion. Their function is to lie, twist and distort the news, to overwhelm people with masses of trivia and sweet nothingness. Recently that paragon of misinformation, tripe, trite and trivia The Daily Mail published a long article (Aquaholics) knocking bottled water and exhorting its readers that tap water is so much safer. Twice I wrote to the paper pointing out that since parliament voted the Water Bill into Law all our water now contains the deadly rat poison sodium fluoride so it is, contrary to being safe, highly toxic. Note:

Recently, declassified documents from America prove conclusively that damaging facts against fluoride were deliberately suppressed by those responsible for the atomic bomb project. A Manhattan Project Memorandum of 29th April 1944 states 'Clinical evidence suggests that uranium hexafluoride may have a rather marked central nervous system effect ...It seems most likely that the F (code for fluoride) component rather than the T (code for uranium) is the causative factor.'

Studies undertaken by Dr Phyllis Mullenix former head of toxicology at Forsyth Dental Centre in Boston and her fellow co-workers at Forsyth revealed some interesting facts about fluoride. The studies carried out in the early 1990's showed that FLUORIDE WAS A POWERFUL CENTRAL NERVOUS SYSTEM TOXIN AND ADVERSELY AFFECTED HUMAN BRAIN FUNCTIONING EVEN AT LOW DOSES. New epidemiological evidence supports this finding proving that there is a correlation BETWEEN LOW-DOSE FLUORIDE EXPOSURE AND DIMINISHED IQ IN CHILDREN.

NaF is a powerful brain block and lowers intelligence in children. It is a powerful tool in the hands of despotic government to dumb down whole populations and make them more easy to control. Your Red Labour Government has now forced fluoridation on the whole country. This at a time when most of continental Europe has outlawed it.

Famous in-between wars correspondent of The Times Douglas Reed gave us the truth about the bought press years ago "Opinion today is a manufactured product and can be shaped in any form desired" and "The newspapers are under occult control" i.e. Jewish Zionist control as is made clear in his book The Controversy of Zion.

***"The media in the western democracies is exposed as constituting a lie machine of greater extent than many more of the independently minded have perceived"*** Professor Arthur Butz --- The Hoax of the 20th century. An in-depth study of the alleged Jewish holocaust.
