OCTOBER SAW ONE CATASTROPHE AFTER ANOTHER. They have continued through Nov., to a lesser degree, yet the U.S. is still trying to make a pact with the World Order. This program seems to be right on track, in fact some people are suggesting that we borrow Billions of dollars in an attempt to SAVE the Soviet Union until she does not have to cut her defence budget although of course in the process America is to cut our defence spending.

Jim Taylor (U.S. Naval Reserve Officer) has been touring the U.S. trying to outline facts for our people. He is telling his audiences that when the new President of Iran, Rafsanjani decided to arrange the release of the American Hostage, Terry Anderson, who had been held the longest in an attempt to gain a better understanding with the U.S. Government the Israeli government went into high action. The Zionist leaders were seething with rage, this must not be allowed to happen.

Why? It might lessen the bitter hatred so carefully built up in America against Iran and the Arab world. The Zionist have a confidential saying that any act that helps anyone else, including their benefactor the U.S.A. automatically harms Israeli. It is thus the duty of all Israeli's to make certain that turmoil and bitterness continues in payments to Israeli. American hostages, or lives are of no consequences, the Status Quo must be maintained unabated. Bitterness and hatred must remain in American hearts against everyone in the Mid-east except Israeli.

In other words as long as American hostages are held, more billions can be extorted from the American tax payer. The Israeli officials now publicly admit that their kidnapping of Obeid would place the American hostages at risk, Rev. Jacobsen said his sources told him that the kidnapping of Obeid did not only prevent the release of Terry Anderson, but also triggered the hanging of Lt. Col. William Higgins. Everyone in Lebanon knew that Col. Higgins was a trained agent for the Israelis, this was the

reason for his fate. It is also known that the Israeli's have been training hit squads for the infamous Medellin Cartel of Drug runners of Columbia. When some were caught they were called by both Washington and Israeli Press as Mercenaries acting solely on their own, but the Israeli's not only trained them but taught them to kill Columbian Judges and anyone who advocates stopping the Illegal drug traffic.

These Israeli officers in Columbia have not been identified on Israeli TV, but the U.S. Media, also tightly controlled tries to suppress their names as well and the depth of their involvement. The latest victim of Israeli torture was only 14 years old. His name is Hussein Jibril. His parents took him back to their native Palestine and the West Bank for a visit, and he and they were all U.S. Citizens.

After a prayer meeting, young Hussein and several Palestine youths about his age were arrested and beaten and carried away in an Israeli army jeep. when he failed to come home the mother went to the Israeli occupation headquarters to inquire for her missing son. She was told that because her son was an American citizen with a valid American passport, he had been released without charges. She did not believe them and went to the American Embassy and there was told he was never arrested.

A reporter for the New York Times was told that the boys body was found in a ditch by his cousin, a U.S. Vietnam Veteran, many of the boys teeth had been pulled out and some of his fingernails. His skull was mashed, and his body covered with cigarette burns and marks of electrical shock torture. His left eye had been removed surgically, while he was still alive. This an autopsy showed.

The British Reuters News Agency said the boys death was probably by Palestinians trying to incite anti-Israeli feelings in the U.S. In America it is a vicious crime if an Arab or Iranian kills an American. But if an Israeli tortures an American citizen it goes under the label of patriotism, of protection of Israel. Col. Taylor tells us that at Universities he has been ridiculed for telling the truth. Both the controlled U.S. News Media, and the controlled government have played the Anti-Arab mind game until the murders of Americans by Israelis is overlooked without a murmur.

The National Sales Tax bill known as the ' Deficit and Debt Reduction Act' of 1989 is quietly introduced by Senator Ernest F. Hollings, on Feb. 23, 1989 yet you have not seen it spoken of on TV. or in the Financial Press as yet. This National Sales Tax Bill however is quietly moving through the Congress, and they expect it to be passed if not this fall then next year. It would raise 60 to 80 Billion dollars per year. Would it be used to re- tire the Budget Deficit? Don't count on it.

Believe it or not, but yet it is true, Investment firms have refinanced 4.8 Billion dollars in Israeli securities at low interest rates. And these securities are Guaranteed by the U.S. Treasury. These firms using the U.S. Treasury to loan money to Israel on which they will collect interest are: Shearson Lehman and Co. Inc. Chaste Manhattan Capital Markets corp. Merrill Lynch capital markets, Salmon Brothers Inc. among others.

So the Japanese are buying Hollywood, so what, considering who owns it now. The Japanese bought Rockefeller Square, at least controlling interest. But behind the scenes the International One Worlders have targeted Japan with the BLESSING of a multiracial society as they have already accomplish- ed in America.

Miss Kitty, Amanda Blake of Gun smoke fame died of Aids. And since Aids does not seem to be killing big numbers of the right kind of people New York's Mayor Ed Koch's plan for solving the Aids crisis in New York is to move those Aids victims to low profile areas of Middle America. Some sect- ions have already been selected for this program and an area stretching from Greenville South Carolina, to Ashville North Carolina, and west to Waynesville North Carolina then South to Clayton Georgia has been selected to start with.

Most of those Aids patients being transferred are either homosexuals or Negro drug addicts. This makes the election of the New Mayor of New York all the more interesting since Ed Koch and Governor Como were pushing his candidacy and were so happy when the black man won. This is Biological warfare on the part of your enemy, has been from the beginning because 'Aids' is a man made disease as we told you some time ago, and now have it confirmed once more.

Ted Turner the TV. mogul says he does not even need Jesus the Christ, he has become a millionaire and has had several girl friends thus he does not need anyone to die for him. Well, we tell you he may have amassed a fortune and had his many girl friends, but I know who is going to win this challenge.

The Berlin Wall, is coming down??? Remember that the enemy always takes two steps forward then if necessary one step back, thus you see that they always win. The One World Government of Europe makes this move necessary. As you watch and listen to the World Order (TV.) you see brought back on the scene the old so called Liberal, Intellectual crowd of the Kennedy days, who see this as a wonderful development. Jimmy Carter was also hosted and toasted in Washington D.C. and there also the new winners of Tues. election were in the limelight. When asked if he were still President what would he do about racism in America today, Mr. Carter replied:-

'If I were still President today there would be no Racism in America. Perhaps you should re-read Washington's Vision to see what is building up for this struggle in the U.S.A. Also be sure to read the results of that Struggle, for we believe that you are seeing prophecy fulfilled, which also brings us closer to the day when 'The kingdom of Darkness becomes the property of Our Saviour and His Saints. This is all a part of the fall of Great Babylon although the enemy has not as yet given up, and is not expected to give up at this point. At the same time, in the Pacific, the Soviet Ships are shooting Laser Beams at American pilots and blinding them although they do wear protective covering for this has gone on for some time.

From Will Loy letter: Remember when Mr. Loy gave the vision (June 88) of the large Bear and the Eagle sitting at either end of a table. The Eagle was sceptical about walking down the new road of Peace together with the Bear, so the Bear offered to go first? As the Eagle followed it noticed a large Zipper down the back of the big Red Bear and when the Zipper is pulled there is another bear inside that is totally different. This Bear is half red and half blue. Mr. Loy now thinks this vision is coming to pass. The Soviet Leaders now think they are very clever in deceiving the U.S. into

taking this new road, but they have no intention of changing from furthering their own goals of World Conquest. However Mr. Loy believes that after the next turn in the road the Soviet Union will never be the same again.

I believe that since he wrote that letter that the break through the Berlin Wall was that next turn in the road and I believe that the Almighty had a hand in this because the time of that captivity ended. However the Soviet Union and even China although they are in for changes still they cannot stop their march for One World domination, only the Almighty will stop that, they will try to consolidate in the Pacific area and will still be fighting to change the Faith of the Christian west up until the time when Great Babylon is totally fallen.

Until next time, May YAHWEH Bless.

PS. We wish you happy Holidays. We have many things to be thankful for and yes we believe that we need to keep the spirit of Christmas alive even though this is not Christ's Birthday. We need to keep His Name before the world lest people forget even more.
