

Winston Churchill Was Bankers' Puppet

**By
John Stokes**

Preface

The late T. Stokes was a veteran of British Intelligence who interviewed people close to Churchill. Winston Churchill was a Satanist, homosexual and alcoholic who took bribes and sold out his country to advance Rothschild's Masonic Jewish world tyranny.

COMMENT FROM BRIAN M

My father knew Trevor Stokes well He said he was a renegade who would not work within the rules, he was only tolerated as he got the job done, he would use the enemies methods back on them, he made many personal enemies, only Arthur Martin and Peter Wright supported him, but rule breakers never prosper. He is now remembered as the man who said all along Philby was guilty, and when Philby Burgess Mclean wanted to come home, it was Rothschild who blocked it, same as he blocked the Rusian royals from coming to the UK He was perhaps the first who fingered Rothschild, after a long argument with Peter Wright. But he had very close links to Churchill and knew what Churchill was. These rebel types are no longer tolerated in the Intelligence world and maybe that's a good thing.

Winston Churchill Was Bankers' Puppet

John Stokes

THIS VERSION OF THE "V" SALUTE IS A GREETING BY RABBIS IN THE HEBREW TRADITION. The hand split down the centre represents the 2 fingers on each side of the "V" in deVil, as the initials DE and IL represent the fingers." See also Leonard Nimoy's Vulcan sign is Invocation of the Devil

Winston Churchill who led Britain into two world wars with his famous "victory" salute is still revered by many people. In a recent rigged newspaper poll, he was voted Britain's greatest Englishman.

Churchill was a long-term Zionist puppet and served their interest before that of Britain. He was a Druid priest, a 33rd degree Mason and member of the Golden Dawn. Masonry is a secret elitist anti-democratic anti-Christian satanic cult.

His "V" salute is a recognized greeting of the horned god, the symbol of the Devil worshipping Illuminati. The initial "V" is the 22nd letter in the alphabet, a sacred number in Hebrew numerology, and corresponds in the tarot pack to the major arcana.

Winston changed sides in his political career four times. His skills were on offer on several more occasions for the right price. He was known in the House of Commons as 'The Shithouse' from his initials WC.

He accepted £150,000 from the Rothschild's bankers to bring Britain into WWII against Germany, and to drag in the USA.

Archbishop Lang, the Church of England expert on occult subjects, prior to WWII was privy to Churchill's putting together the "Black Team." These were wartime astrologers, dowzers and ritual magicians, under the stewardship of Louis de Whol.

Dennis Wheatley, Dion Fortune, Dr. Alexander Cannon and Ian Fleming all claimed that Churchill had wartime dealings with Aleister Crowley, and the famous East End spirit medium Joe Benjamin, who was often advertised in the sixties as, Winston's favourite medium.

SATANIC RITUALS

(left. Devil's Chimney, scene of satanic rituals.)

Sefton Delmer the black propaganda and psyops chief, confirmed that 33rd degree Masons Churchill and Aleister Crowley were involved in satanic ritual sacrifices at the Devils Chimney in Gloucestershire.

Churchill wanted occult advice on all wartime events and insisted on fake astrological and other hate propaganda leaflets being dropped from British

aircraft over Germany. (See, Dennis Wheatley Dr Alexander Cannon and Dion Fortunes books)

The Rothschild operative and general toe-rag, Sir Anthony Blunt has said Hitler was negotiating for peace right through the war and sent his deputy Rudolph Hess to Britain to pursue an honourable peace. Churchill executed the Rothschild agenda for the total destruction of Germany as seen in his needless firebombing of German dormitory cities. This was the typical "Satanic Sacrifice" as recorded in the Old Testament as a "burnt offering " and in the biblical burning of witches.

Genesis; 22.1-2: 'God said unto Abraham take your only son Isaac whom you love, and go to the land of Moriah, and offer him there as a burnt offering'

BENGAL FAMINE, BRIBE-TAKER

Sir Anthony Blunt expressed his distaste at Churchill's support of the Soviet rape squads that defiled the women and children in the last days of the Third Reich. The firebombing of German cities was only equalled by Churchill's refusal to help India in the 1943 famine disasters. Meanwhile, Churchill sent food and arms to Russia. Surely this is Satanism at its worst.

Patrick Kinna [Churchill's private secretary] tells us we were reading the German Enigma codes so knew which ships would be sunk. We sent out decoy ships to keep the U Boats away from those ships we wanted kept safe. We knew the town of Coventry would be bombed but Churchill did not evacuate and left the people to their fate.

Britain's intelligence services had saturation coverage of the Third Reich up to and through WWII and told us the Germans were a threat to Russia, - not Britain.

Churchill formed his own people in the S.O.E who were recruited from leftie rabble-rousers and socialist sympathizers, and were told to; "set Europe ablaze." The purpose was to sacrifice Europe and to ensure

Germany would clamp down on resistance, which was exactly what happened.

(Curiously, Spock makes the same Rabbinical sign)

It was suggested to me some years ago, that Churchill was blackmailed by the Jews over a homosexual affair with his secretary. Compare with the Prime Minister Edward Heath's "sailor boy" activities, and the Tony Blair-Lord Levy "Miranda" revelations." Churchill's biographer Sir Martin Gilbert discussed with several people Churchill many visits to the dens of teenage male

prostitution in Morocco.

Soviet spy Eugene Ivanov was just one who documented Churchill's alcoholism and mental instability, all now in G.R.U archives.

Churchill accepted secret bribes in W W I under the name of Colonel Arden, and one of his bank accounts in W W II is alleged to be in the name of A Connolly.

WAR MONGER

Britain in the thirties had a posture that assisted Germany in its anti-Russia stance, yet Churchill turned the tables and decided Germany was the enemy and took us to war.

Hitler had a thing about the Anglo Saxon race, (Germany, Britain and the U.S.A) and did not want war with us.

If we had listened to our intelligence services, we would have let Russia and Germany fight it out, and we could have easily dealt with the weakened winner, and the Cold war would never have happened.

But Churchill had Vernon Kell [founder of MI-5], reputedly the world's best intelligence chief, retired off and murdered. Naval Intelligence head Admiral Sir Barry Domville was incarcerated for the duration of the war for his opposition to Rothschild's plans.

Churchill sold himself to the bankers against the welfare of his own nation, in the manner of a modern Judas.

Churchill took us into WWII because the bankers wanted to subdue Germany. All wars are fought for the goals of the bankers.
