**CAN THE SOVIETS BE TRUSTED TO REALLY LEAVE AFGHANISTAN?** Soviet Eduard M. Rosenthal let the cat out of the bag at a news conference as he said: 'To withdraw troops does not mean we leave a country in the lurch. There are many cultural and economic faculties in that nation, and the Soviet Union would not abandon anyone. (Unquote) Did you really think the Soviet Union would give up its foothold close to the warm waters of the Indian Ocean??

The President of Pakistan, a friend of the U.S, and the rebels fighting the Soviets in Afghanistan was killed along with two Americans, strange, but that plane blew up just like the fire in the oil platform in the North Sea. Big accidents have taken place in several nations. The American Government is aware of Post Nuclear devices. Electromagnetic devices and the Tussian Woodpecker.

Did you notice that Jimmy Carter and wife met with the PLO? Remembering that Carter is a Rockefeller stooge, this is interesting news. Remember that the U.S. Government forbids the U.S. Officials to meet with the PLO because Israeli forbids it. Wonder if the unseen government is trying to upset and undermine the unstable condition in the Mid-east?

Will Loy thinks that although there is a cease-fire in the Mid-east that the Iran and Iraq conflict, that there will never be an end to that war because to many do not want Peace in that area. Mr. Loy had this to say about the Presidential election: (Quote) If you have not made up your mind as to who to vote for then consider his vision: 'It is in the dark of nite but with a big moon. Also there is an unusually big Star in the heavens. Then a Shaft of Light comes down from this Star and falls on one or two voting booths. Most voters appear not to notice that Shaft of Light, or the big Star overhead'. Mr. Loy believes that the moon of the vision signifies that about a month before election there will be a 'Divine Sign', but most people will not see it. However some time during October some kind of sign will

indicate which of the two candidates would be best to vote for. However this sign will not be evident to those who are not keeping a sharp lookout. For most Spiritual signs go unnoticed and ignored. But if you are on the lookout there will be a few small items here and there with a glimpse of the real world showing through. To me there is a big sign in this situation.

So you acknowledge the work of Christ on the Cross, on Sunday and then shut your eyes and vote for a man who denies him, on the following Tuesday? I noticed that overseas they understand this and wonder about the blindness of Americans. Dukakis is for total Sanctions against South Africa until the Soviets have come up with the idea to try to force P.W. Botha of South Africa to levy sanctions against the Atlantic powers in retaliation, and in exchange for the Soviet pull-out of Angola.

This would prove a fatal blow to the west, and yet Dukakis is for this process. Both he and Jesse Jackson are meddling in the process which in the end would finish the U.S. as a power such as it is today. The Israeli's are helping the Blacks in Mozambique against South Africa which will help to finish their nation as well, probably bring home Aids as has Cuba from Angola.

Wonder what there was about young Dan Quayle that worried the Press for they sure tried to bring him down. We never heard that J.F.K. was to young to be President, with the same experience in Congress before seeking office. Just remember that we are still witnessing the attempted take over of the Presidency. They must have total control before One World Government will work.

Evans and Novak have exposed the names of three Senators and three Congressmen as key figures in the manipulation of the program to betray Latin America into the communist camp. Their names: Senator Dodd of Connecticut (always has been far left), Senator Kerry of Massachusetts (far left), and Senator Harkin of Iowa (don't know him). Congressman George Miller of California, Bonior of Michigan, and now former Congressman Michael Barnes. A Secret Communist Document reveals Barnes and his co-harts 'Friends of our Revolution'. It shows how these six men have effectively blocked, or at least thrown up obstacles to wreck the President's policy in Central America.

More trouble in the Schools, Ken Roberts is a fifth grade teacher at a public school in Lakewood, Colorado (a Denver suburb). He has been a teacher for 18 years. He started a classroom library from which everyone was to read a, freely selected books, in a wide variety of subjects. As the students read their daily schedule, then Ken used to keep a Bible on his desk from another Library and he used to read from the Book of Proverbs to himself, did not ever read from the Bible to the students. But some parents complained to the Principal saying there was two books in the Library as well as the Bible on Ken's desk they objected to.

The two books in the Library are: 'The Bible in Pictures' and 'The Story of Jesus'. The Principal, Kathy Madigan in writing ordered Ken to remove the two books from the classroom Library as well as the Bible from his desk. Also he was to remove a poster of a Colorado Mountain scene with the caption; 'You have only to open your eyes to see the hand of God' and yes this poster must also be removed from the classroom. The Principal wrote: 'The law is very clear that religion must not be taught in the public school. To avoid the appearance of teaching religion I have given you a directive.

Failure to comply with this directive will be considered insubordination and could result in disciplinary action. This happened in September of 1987 and this teacher is still trying to prove that he was not teaching religion, that the books were only there as literature which is permissible according to the law. This is just one instance which shows that if you give an inch in the observance of your Faith the enemy will try to take a mile.

When will the Christians realize who it is that hates our God and Saviour so bad that they want his name and picture removed, in every way from the culture and life in America while they teach evolution and such crud in the classrooms? Every month the lives of 125,000 children are ended before they have a chance to leave their mother's womb. An estimated 10,000 Americans are engaged in homosexual relationships. We look at these statistics as a tragedy for people are experiencing the consequences of refusal to follow God's plan for the family. **WAKE UP AMERICA!!!**

From Pastor George Udvary: It seems that Pete Peters and Earl Jones are creating quite a controversy among Israel Identity people. They are opposed to the Doctrine of 'Two seed Lines'. They do not believe in the existence of a personal devil or his seed.

They cannot accept the idea of the Jews being blamed for the murder of Righteous Abel, thus identifying them with Cain as did Jesus. Now; I knew that Pete Peters was not interested in learning anymore about Israel Identity than he absorbed at 'America's Promise'. But if there is no devil, no two seed lines, if the devil is only the carnal mind then we say **YAHSHUA** came in vain, there is no salvation, no plot against Christianity. Pastor Udvary tells us that Pete Peters and Mr. Jones are going out on a Crusade to remove the 'Two seed line Doctrine' from Israel Identity.

We would think that Pete has joined the betrayer of 'America's Promise' organization, whether he knows it or not. He would have done better to have just stayed with the main line church doctrine that he once held. Pastor Udvary visited Pete Peters and Earl Jones and he asked: why are sermons being made available as an 8 week set, pledging the destruction of the 'Seedline teachings', done with maliciousness, arrogance and disregard, if they are interested in the spiritual welfare of all Israel Brethren? And he learned then of their crusade.

Now; secular Humanism would like us to believe that they are broadminded while it is the so called 'religious right' which is seeking to impose their morality on society. All laws are an imposition on someone's morality. We just happen to think God's laws are best for all Americans. Humanism has imposed its own brand of morality on the American public. It does this through the media, the schools and the courts.

There is a clear intent to keep Christian thinking out of the mainstream of the Media, and the nations political life. That is the reason we believe this election is so very important. Shall we go all the way left, put the cork in the bottle so to speak, or choose the other route where we continue the struggle to come out of this Humanist Laodicean bottle back to our beginnings which made this a great nation? Martin Luther said: (Quote)

I am much afraid that schools will prove to be great gates of hell unless they diligently labour in explaining the Holy Scriptures, engraving them in the hearts of youth. I advise no one to place his child where the Scriptures do not reign paramount. Every institution which is increasingly occupied with the Word of God will not become Corrupt. (Unquote)

My. My how far we have fallen when even a poster calling attention to the fact that there is a God, must be removed from a school. Don't be fooled, every law imposes some form of morality on society. Abortionists impose their morality on the unborn. Homosexuals want their view flaunted in the public class rooms. Atheists want religions influence excluded from public life. Some Politicians say they want to remain neutral Oh! they would never try to impose their values on society.

The question here is whose morality will be legislated. When ERA was narrowly defeated I felt Politicians helped America turn to the right path. Being a woman that may seem a strange statement, but actually ERA wanted to destroy the institution of marriage, the family, the very foundation of America in God's plan for this earth. Sheila Cronam writes: marriage constitutes slavery for women, children should be reared in Day Care Centres, around the clock.7 days a week. My friends you cannot disregard the distinction between men and women as outlined by the program of **YAHWEH** (God) or you invite the disintegration of America. Go back through the history of Our Race, and you can say: 'Thank God, for the Israel women knew who they were, and they pulled their fair share of the family load as this race struggled forward in their destiny.'

In the early days of America, Christians took leadership in government without wondering whether Christianity and Politics should mix. Today in Politics we can only go with those candidates who come the closest to the ideals we hold of nation, family and God. And in our schools the students are learning that they are free to read books containing verbally pornographic material, but it is wrong to read their Bibles.

Did you notice that in the new Trade Bill being pushed with so much force that the use of the Metric System will be compulsory in the U.S. They

never give up on that even though the American people have said no, time after time.

Later, the Will Loy newsletter just came in, so will share it with you: He is stressing the results of this years Presidential election so much and now says that: 'The fate of the world now rests in the hands of a few American voters, the election will be very, very close, and an awful lot depends on the choice of a very few people. Next month (About October 15th., when I receive it) He is going to share two visions, something that he has never done before, about politics, but he is going to share two visions, each one foretells what will happen if Bush or Dukakis wins. He says he has never experienced this type of absolute information before.

It will be interesting to see what he has to say. Christine and I have wondered about him lots of times, but he does say some interesting things, so maybe after that we can get a better idea. He also predicts that Reagan and Gorbachev will receive the Nobel Peace Prize and says that Congress has destroyed the CIA (central intelligence) in this country. Russia and China are to get together again soon. That Reagan and Gorbachev will meet soon in a surprise summit. That more than half of the 50,000 Cuban Troops fighting in Angola are believed to be infected with Aids. Castro will have to bring them back to Cuba when there is a cease fire.

### **ABOUT ALLIE.**

Now; the Cobalt treatments are over, and the last week was rough and was very tired, and sort of discouraged. But he is in the second week now after they are over with and will soon be bouncing back, for that is his nature. He has some rough times ahead yet but, **YAHWEH** willing, he is going to come back. Allie was so discouraged last Sunday morning Sept 11th., he looked out the window and the Golden Eagle Weathervane which he had installed out at the edge of the lawn was gone. A young man had helped him install it and they were both so proud of it, and the kids coming back to school were looking at it, and Allie was looking forward to being able to sit on the porch with the dogs as soon as he was able and then this was the new thing he and the kids would talk about. But someone, or several were able to get up the pole and remove the Eagle and the Arrow

off the top of the pole. We had the Weathervane on top of the Garage for years but Allie is not able to get up there to tighten the bolts every so often so he and this young man who started hanging around here decided to put it on a pole out there in the yard. And the young man works at a blacksmith shop and he built the little house for under it and helped Allie put it up. It was attracting attention out there as the Eagle moved in the wind. Why some people do not like to leave things alone I will never know. Now Allie has a simple round piece of wood, with metal tip on each end and they set it up there to turn in the wind until we find something else.

## Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers.

His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.”

Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching these truths

to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.
