**A**S SOME OF YOU KNOW, A DISK IN MY BACK SHATTERED AND CAUSED THE VERTEBRA TO COLLAPSE, this happened July 17th and a month of misery resulted, with a few days in the hospital to break a cycle of pain, and put me on my feet again. I am doing pretty good again, and the Dr. has turned me loose to do anything I can without aggravating the spot in my back, between the shoulder blades. Kathy put out the last months material as it was mostly ready. I am now back at the word processor, many interesting things are happening in the world.

### TITBITS

For my Birthday (79 years) a package arrived early from J.P. of Wichita, Kans. Allie brought the package to the Bedroom where I was lying down and opened the package, and needless to say I sat up in bed rather quickly. Here was a picture of the Heads of a Lion and a Unicorn very close together. I turned then to the book of "Symbols of our Celtic-Saxon Heritage", by W.H. Bennett and found this story:

'A Horn from a large animal about 20" in length, slightly curved, and increasing from the tip to about five or six inches in diameter at the base and around the base there was a carving depicting a **VINE** and two figures, a Lion and Unicorn, was given by a Nobleman in Britain, marking a gift of property to a York Minister. It seems that his ancestors had brought this horn from Ancient Persia, however this was considered to have marked the transfer of the Throne which was in Judah to the west, finally to England.

This Horn was said to have been filled with wine (the fruit of the Vine) when presented to the York Minister. It was deposited in this church for safe keeping when times were troubled, since it was considered an object of great value, an Ancient and Sacred relic of the race. The Lion which

was carved on the base of the Horn had two wings, thus we would say that the Great Wings of the Eagle symbolized the transfer of the Throne, as well as Israelites westward as Col. Totten traced for us long ago. As you find these symbols of the Unicorn and the Lion in other nations of Israel in the West we are to realize that these people understood this symbolism.

In September, on the tenth of the month, Mercury (USA) and Jupiter (**YAHSHUA**), will be in very close conjunction, and Regulus shines just below them both. Uranus (money) and Neptune are in Sagittarius, only 4 degrees apart. Saturn is in Capricornia, fading out of the picture for a time.

Patrick Henry so famous for his vow of 'Give me liberty, or give me death' is also famous for his saying: 'It cannot be emphasized too strongly or too often that this great nation was founded not by religions, **BUT BY THE GOSPEL OF JESUS CHRIST.**'

George Washington was quoted as saying: 'Do not let anyone claim to be a true American if they attempt to remove the Christian religion from Politics.'

John Quincy Adams, the 6th., President of the U.S., was a diplomat to the Court of Catherine the Great of Russia at the age of 14 years, then became President of the U.S., at age of 57 years. He is quoted as saying: 'The highest glory of the American revolution was that it connected into **ONE INDISSOLUBLE BOND** the principals of Christianity, and the principals of Civil Government, **NEVER TO BE SEPARATED.** Benjamin Franklin said: 'Biblical principals to public policy, **WILL CHANGE THE FACE OF THE WORLD.**

Why is Space Science getting such a short shift in our school curriculum since Astronomy is actually the perfect gateway to all sciences, for it incorporates all of them in some way? After all, whether we like it or not, a person who will remain ignorant of science in general, and space science in particular is someone who is not truly educated. What lies above our head will increasingly become the arena of current events.

Nelson Mandela says that the ANC will only go along with the Communist Party until the overthrow of the South African Government, then the ANC will go its own way. We think he does not understand the power of those who have used Communism as a tool.

There are rumours that Castro is laying plans for a retreat into Exile before he faces a military coup, or a revolution supported by wealthy Cubans in exile, who are tired of waiting for his overthrow, which they have been looking forward to for the past year. Some rumours say that Spain has agreed on his exile in the Canary Islands. It is said that he has already relocated funds, and family members there.

USSR Military and Secret Police who visited Cuba recently say they have no intention of giving up its military bases in Cuba, irrespective of what western leaders may want or say.

**CISPES:** this organization in the U.S. is the political arm of the Farabundo Martin National Liberation Front (FMLM), the Communist terrorist organization that is trying to overthrow the Democratically elected government of El Salvador.

**CISPES** was founded in 1980 as a joint venture of the Salvadoran Communist Party and the Communist Party of the U.S., with tactical Intelligence service. It is now a carefully camouflaged umbrella group which includes church workers, and students deceived into working for the imposition of a Marxist-Leninist Government in El Salvador. The odd thing here is that the Homosexuals have almost taken over this CISPES organization.

This happened at their conference in Chicago as men exchanged 'open mouthed' kisses with other men, and women hugged and fondled one another in front of several hundred onlookers. This take over shows the increasing control that Homosexuals exert over our far left political groups, and the ability of militants to direct organizational energies to issues far removed from groups stated political goals. Through noisy demonstrations and the implicit threat of physical violence. Militant Homosexuals force organizations to give their views preferential

treatment. However this may also destroy **CISPES** because most Latin Americans abhor Homosexuals.

### **Human Events:**

Operating in utmost secrecy the President of the U.S. authorized a massive 'arms for hostages' swap with the government of Iran. The deal went contrary to stated U.S. policy, on arms embargo on Iran, and the official cover story still promoted by the Media. However this failed to get the Hostages out although some were released in piece meal fashion through other methods. While required by law to report such manoeuvres to Congress, the President on three occasions in his complex dealings with Iran declined to do so for a period of months. The head of the CIA explained that when a 'life threatening mission' was under way the tightest possible security had to prevail.

We know this from bits and pieces of information from a former National Security official, a one time top official of Iran, and some mysterious and possibly unreliable arms dealing middlemen who say they transported weapons to Iran from Israeli, on the Presidents command. There is a great deal that we do not know about this whole affair which obviously calls for a Congressional investigation. No such investigation was ever started at that time since the President was **JIMMY CARTER**. The CIA director was Stansfield Turner, and the National Security official who spilled some of the beans was **GARY SICK** who now days is trying to change his story and say this all happened in the Reagan camp which was not in power at that time.

The Congress is now starting an investigation which we think will soon be buried, since the evidence is overwhelming that Carter offered a straight out arms for hostage deal to Iran, that he sought to consummate the deal before election day 1980, and this deal was covered up at that time, and is still being covered up. The official inquiry announced by Senate Majority Leader George Mitchell and House Speaker Tom Foley is focused only on what might have been done by the Reagan Campaign team which was not in power at the time, thus studiously trying to cover up the wheeling and dealing of the Carter Administration.

As the Bank of Credit and Commerce International (BCCI) scandal heats up, leading democrats are likely to be signed, among them former President Carter whose personal Charity, 'GLOBAL 2000' received 8 million dollars from BCCI founder Agha Hasan Abedi, and 2.5 million from Abu Dhabi Investment authority which controls BCCI. The Carter centre at Emory University got another \$800,000.00 from Abedi and we now know who has been paying the bill for Jimmy and Roseland to travel the world, for it was the BCCI which was paying that bill when I thought it must be David Rockefeller, who so far has not surfaced as being in the BCCI scandal.

Andrew Young, Jimmy Carters ambassador to the United Nations was on a \$50,000.00 retainer for the BCCI, per year. In Miami prosecutors are looking into BCCI ties to 'Centrust Savings and Loan' whose collapse cost taxpayers two Billion dollars. Centrust owner, David Paul, raised big bucks for democrats, including Sen. John Kerry the lead Senator in investigating BCCI. Clark Clifford, leading democrat layer-fixer has resigned his position at 'First American Bank Shares' and pleads ignorance of the BCCI buying the Bank run by him and Robert Altman. We suggest that the BCCI will be the Mother of all banking scandals of the so called 'New World Order'.

### **Big business and abortion - by Jack Fowler**

J.J. Heinz Co., American Express Co., and Cargill Incorporated., General Mills., The New York Times., State Farm Mutual and many, many more organizations, companies, and even Banks donate millions of dollars to the coffers of abortion performing and advocacy organizations. Some two million goes into the countries leading Abortion Clinic operator the **'PLANNED PARENTHOOD FEDERATION OF AMERICA AND ITS AFFILIATES.'**

The Christian Right has been leading these appeals to these corporations to stop making annual contributions to this pro-abortion Monolith. To date the biggest fish to stop this subsidizing this, Planned Parenthood, was Ma

Bell and the A T & T Foundation., which for 25 years gave \$50,000.00 per annum in Corporate Charity to Planned Parenthood of America. Now this has stopped and other big business corporations are now targeted. So far 17 have stopped their contributions, to these corporations where many employees and shareholders disagree with their contributions.

Well! Remember how when the State of Kansas tried to stop their funding of 'Planned Parenthood'? There was a great outcry.

### **Education Reporter:.**

The N.E.A. demands control of Sex Education, they do not want the Parents to have anything to do with what is taught to their children. The NEA asserts that the Public School must assume an increasingly important role in providing 'sex education' and that teachers must be legally protected from censorship and lawsuits.

At their Miami Beach convention in July of 1991., they demanded that every school child must be taught by NEA members about contraceptives, homosexuality, incest, and sexual deviations without parental interference or censorship. Alabama parents thought this was going too far in many ways and they defeated the Compulsory Kindergarten package they were trying to pass in Alabama. They also turned down the compulsory targeted Home Schooling which the NEA is determined to stop. Another resolution commits the NEA to put on 'Awareness' training workshops for gay-lesbian issues in schools.

As Communism falls in the East guess we will have to work harder on it here in the U.S

Do not be fooled by all the Media reaction to the events in the Soviet Union. Communism has been merely a front for the Unseen rulers, and no where in this coup that took place did you see the name of Viktor Alksnis surface. This is the Dark Colonel which I told you about before. His unseen backers hold the trump cards, and if Yeltsin stumbles then you will quickly see another coup and these old boys will crack down on the people as they think they are working toward their freedom. They have

the money, and they also control the military and the stored works of war, and who knows maybe also the Nuclear bomb, which Gorbachev at this time says he controls. The good news is that most of this is located in the Russian Republic, and maybe thus easier to contain. Time will tell, and sending more grain, and money, to the East at this time will not help the people, it will not get to them, thus this is a very uncertain time, and a time for the U.S. and the Western World to be cautious, and see what does turn up. Remember who the President sent to Moscow as Ambassador, that shows the 'Yoke' the West works under.

## Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers.

His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.”

Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching these truths

to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.
