

Our National and Racial Destruction The Cause

Author Unknown

Our National and Racial Destruction

The Cause

THOSE OF US WHO HAVE LIVED BEFORE THE LAST WAR have witnessed the continuous degeneration of our nation with filth and debauchery and race mixing being peddled on the television screen. We have witnessed lies and deception being relegated to us by the National press especially with regards to white settlers in East and Southern Africa. We have witnessed the land for which we fought being filled with Negroes and Asiatics and other people of vastly different cultures and genetic background to our own. We have been subjected to laws concocted by aliens to make us second class citizens in our own country. We hear daily of older women, who in their younger days toiled in munitions and clothing factories to keep our fighting soldiers supplied being mugged by Negroes and raped and having to pay heavy rents to Asian landlords. We have addled pated persons peddling left wing rubbish from their pulpits and teachers indoctrinated with alien ideologies infesting the minds of our children with gibberish. We ask ourselves why? Why are we, a nation that has done more for the development in backward races, than any other people, so afflicted?

Our nation has been lied to and betrayed

The elected lenders of the nation are the betrayers and behind them are a comparatively small group of men whose objective is to enslave the whole world of humanity in a one world government. This small group of men have gained into their hands the currency of the nations. Our elected leaders and administrators have been enmeshed with promises of riches and power or have been intimidated with their indiscretions and threatened with blackmail. To understand the conspiracy which is destroying our nation and the white western world, we must go back to the second half of the 18th century.

Adam Weishaupt, a Jesuit trained professor of Canon Law of the Ingolstadt University left Christianity to embrace the Luciferian conspiracy. He was commissioned by a secret chapter of the Lodge Theodore of

Munich to revive and reorganize the ancient order of the Illuminati. This secret chapter was an inner ring of masons belonging to the Strict Observance rite of the Knights Templar. However the real inspirers of the Illuminati, were Jews. Bernard Lazare, an associate of Weishaupt, and a Jewish writer wrote:- "There were Jews, Kabbalistic Jews around Weishaupt", and the publication '*La Veille France*' designated these Jews as Moses Mendelssohn, Naphtali Wenseley, Daniel Itzig, Friedlander and Mayer Amschal. Le Forestier in '*Les Illuminer de Bnvarle et La Franc Maconerie Allemande*' page 654 writes: "Behind Moses Mendelssohn was the Jewish International World Government". Others mentioned in the formation of the Illuminati are Mirabeau, Anarchis Cloutz, Diderot, Voltaire, Rousseau, Benjamin Goldsmid, Joseph Balsamo, Cagliostro and Falk, some of these were Ba'al Shems, Kabbalistic Jews who, using the Kabala, the Talmud and the Sepher Ha Zohar or '*Book of Deified Man*' were said to practice black magic.

In the 7th century A.D. Bhulan, Kagan or King of the Khazars, a Mohgol-Turkish nation decided to abolish phallic worship and the religion of the Shamans (Wizards) and converted his people by decree to Phariseism (Judaism). He imported rabbis from Babylonia to teach his people, had the Khazar language put into Hebrew characters to form the basis of Yiddish, and adopted the Babylonian Talmud as their holy book, and claimed that he had made his own covenant with the Almighty and that his people were the chosen race destined to conquer and enslave the rest of mankind. Their god is Lucifer and they are the chosen race of Lucifer. (See Rev. 2:9 and 3:9).

The Khazar, Harold Wallace Rosenthal, senior Administrative assistant to Senator Jacob Javits, told Walter White of the Western Front who put it on a tape:- "We are god's chosen people, most Jews don't like to admit it but our god is Lucifer - so I wasn't lying and we ore HIS chosen people. (Western Front, Box 17854 CA 90027). Refer also to "*Facts Are Facts*" by Benjamin Freedman and "*The Thirteenth Tribe*" by Arthur Koestler).

The Khazars remained a closely knit community with a politico-religious organization. By hard work and tremendous energy they accumulated enormous wealth and became money lenders to the small German prince-

doms. With their wealth they have enabled members of their nation to attain positions of power in high places especially in the Nordic nations of Western Europe who are the inventors of modern technology and create real wealth from raw materials. Here with the use of usury they have manipulated the currency to their favour.

Hayyim Samuel Falk (1708-1782) while in Westphalia was sentenced to be burnt as a sorcerer, but he fled to England where he lived in splendour with enormous wealth. He was a high initiate and a concealed superior of the secret societies and had a direct contact with the leaders of these secret societies of the 18th century. Lessing, a German writer stated that Falk was initiated into the highest degrees of freemasonry and had, possibly, introduced high Cabalistic degrees into the Craft.

Falk, the supreme materialist, taught the doctrine of the ant-heap and the bee-hive, that mankind should go back to a simple living in peace and tranquility of a mythical past, living and working like bees in a hive. However this teaching was only meant to be propagated among the Goyim, the people of the earth the people of Falk's own tribe were to live as the kings of the earth in splendour served by the rest of slave humanity. The Cabalists, the Gnostics and the secret societies of the 18th century sapped at the foundations of Christianity in a continuous plot against the Christian Faith. Weishaupt also taught the application of the bee-hive and ant-heap to human life and endeavour and these were the ideas of the hidden inner Masonic circle. Weishaupt had been initiated into an eastern cult by one Kolmer or Calmer and had learnt the oriental methods of organization and controlling a secret society.

Weishaupt completed his task on May Day, 1st of May 1776; and this day is still seriously celebrated by left wing organizations under the guidance of their Illuminated controllers. He began to put his plan into operation. It required the destruction of all existing religions, governments and culture, the complete destruction of western Christendom. The objective was to be reached by dividing the people into ever increasing opposing camps by creating divisions over economic, social and other issues to cause the people of the nations to fight among themselves and weaken themselves.

Weishaupt reduced an organization in operation centuries earlier into a working system to destroy western Christendom and this has been carried out by world revolutionaries and the financial masters up to the present day. The Illuminati is not an organization but a system working behind organizations and secret societies, working in the dark, operated by Illumines in every section of society.

THE AIMS OF THE ILLUMINATI

1. To use money and sex bribes to obtain control of men already in high places at all levels of government and other fields of endeavour; hold them in bondage by the application of political and other forms of blackmail, financial ruin, bodily harm or even death. In these present times many officials in top positions in government controlled by the Illuminati; homosexual activities have a top priority for blackmail.

2. To place Illuminati in colleges and schools who were to recruit students with special ability from well bred families who have international leanings. They were to be provided with scholarships (Rhodes Scholarships) and to be indoctrinated into accepting one world government and to encourage wars and revolutions. All such scholars were to be persuaded that those who have talents and Intelligence had the right to impose their rule over the less gifted.

3. Influential people were to be trapped into coming under the control of the Illuminati special educational and training and to be used as agents, experts and specialists in the seats of all governments and to ensure that top administrators carried out the plans which would serve the Interests of the Illuminati. The main aim was to bring about the destruction of government.

4. To obtain the absolute control of the press (at that time the press was the only mass communications media). They now

control the television screen, a Zionist and member of the Board of Deputies of Jews has recently been appointed chairman of the BBC. The Hollywood movie lots are owned by the Jewish firms Kuhn Loeb & Co. and Goldman Sachs. Advertising is also controlled by the modern Illuminati.

METHODS OF THE ILLUMINATI

Weishaupt's methods were those of the ancient Babylonian mystery religions. To enquirers and initiates they would pose as good Christians, men with sound Christian values. Those selected for advancement were mentally manipulated through various grades to accept agnosticism, then atheism and those for further advancement were indoctrinated and inducted into the worship of Lucifer, the bearer of the light and the motto "Do what thou wilt shall be the whole of the Law".

Students at universities were selected and approached with promises of rewards, of scholarships of worldly advancement of success and riches provided they used their talents for the aims of the Illuminati. Many were placed in situations where they could be blackmailed; Anthony Blunt, Kim Philby.

Adam Weishaupt studied the organization of the Freemasons and ordered his adepts to infiltrate into Blue Masonry and to organize secret societies within all secret societies and to illuminate members. Only those who proved themselves internationalists or who had defected from belief in God were to be initiated. They were to don the cloak of respectability, philanthropy, and humanitarianism to conceal their revolutionary and subversive activities.

They were to establish a secret society within a secret society, an illuminated elite which would secretly scrutinize and select those who might be suitable. The selected candidate would be initiated into higher degrees. The candidate would learn a little more of the Illuminati's evil designs. If at any stage a candidate showed signs of shock or revulsion he was never advanced beyond that stage which meant that only the ruthless and irreligious rose to the highest levels of the Illuminati and were shown

the true purpose of the Illuminati. So we have a secret society working within a secret society and even the high degree Blue Masons do not know what is being carried out within their lodges.

Weishaupt's lodges developed into the Grand Orient Masonry, anti-monarchical, anti-religious, republican and revolutionary. The Illuminati attempted many times to gain control of the English lodges without success, however illuminated masons have been able to become freemasons of the English Lodges.

Weishaupt had prepared a revised version of the age old conspiracy of the Elders of Zion based on the Talmud and the Kabala and had set up a movement to gain control of all international organizations and groups and to infiltrate his agents into executive positions at the top. The Talmud teaches the hatred of Jesus Christ and of Christians and the enslavement of other races to the Jewish people.

In 1848 Louis Blanc wrote in "*History of the French Revolution*" that "the project of Adam Weishaupt, founder of the order of the Illuminati, together with five Jews: Moses Mendelssohn, Wesseley and the bankers Itzig, Friedlander and Meyer Amschal (Rothschild) was by the sole attraction of mystery by the sole power of association, to subject to the same will, to animate with the same breath thousands of men in every country in the world—to make new beings of those men by means of slow gradual education to render them, even, to the point of frenzy or death obedient to invisible and unknown chiefs; with such a legion to directly—surround sovereigns, unbeknown to governments, and to lead Europe to that point where—all monarchies are brought down, all privileges of birth are declared unjust, the right even to property abolished".

Such was the gigantic plan of Illuminism. Those who failed or who were disloyal were murdered: John Kennedy, Martin Luther King. Those who stood in their way were assassinated: Vervoed, Abraham Lincoln and the attempted assassination of Ronald Reagan and Pope John Paul II.

THE CONGRESS OF WILHELMSBAD, JULY 16th, 1782

At this time the numbers of members of Masonic Lodges and secret societies was estimated to be in the region of 3,000,000. Weishaupt called this congress for the 16th of July, 1782 to explain the real object of his order of the Illuminati. Masonic delegates and secret society representatives from all over the world attended. Weishaupt himself did not attend and he was represented by Baron Von Knigge who explained the origin of the Illuminati and its real object. This question had been presented by the Grand Master of the Templars, i.e. The Strict Observance. The higher degree delegates approved of Weishaupt's plan and continental Freemasonry became illuminated , masonry of the Grand Orient.

HEADQUARTERS OF THE ILLUMINATI MOVE TO FRANKFURT

In 1791 Weishaupt decided to move his headquarters from Munich to Frankfurt which was the stronghold of Jewish finance controlled by Meyer Amschel who had changed his family name to Rothschild from the red shield on the door of his house. Also at Frankfurt were the families of the Oppenheimers, Wertheimer, Schuster, Speyer, Stern and others. Here the gigantic plan for world revolution was put into motion financed by the bankers. Weishaupt was financed by Meyer Rothschild to recruit 2,000 paid followers, most intelligent men in the fields of administration, letters, education, science, finance and industry. By them were thought out the plans to destroy the systems of weights and measures and the currency and to introduce by force or guile the metric and the decimal system.

THE ILLUMINATI EXPOSED

On 10th of July, 1785 a messenger of Weishaupt's named Lanze, a Protestant preacher, was struck down by lightning in Ratisbon. Lanze was carrying orders to Robespierre whom Weishaupt had delegated the task of fomenting the French Revolution. These orders had been put into book form by a German writer named Zwack. The book fell into the hands

of the Bavarian Government which outlawed the Illuminati and ordered the police to raid and close their lodges. In these raids much further information of the plans of the Illuminati was obtained.

In 1876 the Bavarian Government published the details of the conspiracy in a book, "Original Writings of the Order of the Illuminati" and sent a copy to the heads of all governments but no action was taken. In 1799 the British Government did pass a law against unauthorized assemblies and it was the violation of this law which caused the Tolpuddle Martyrs to be sent to Australia.

To infiltrate the Grand Lodge of England Weishaupt invited Dr. John Robison, a high degree mason to visit him. Robison did not fall for the ideas of the Illuminati but kept his opinions to himself so well that he was given a copy of Weishaupt's revised plans. Dr. Robison on his return to England wrote a book "***Proofs of a Conspiracy to Destroy all Governments and Religions***". The Illuminati in the Grand Orient Lodges precipitated the French Revolution.

THE RISE OF THE MONEY POWER

During the French Revolution and the Napoleonic Wars masterminded by the Illuminati, Rothschild (Meyer Amschel) became the banker to the French State and under Napoleon his five sons established Rothschild banks in all the capitals of Europe. (Read: "***The Rothschilds***" by Frederic Morton). One branch off the Rothschilds financed Napoleon, the other financed Britain, Germany and Austria. Nathaniel Rothschild gained control of the money system of England by clever business practices during the Battle of Waterloo.

At the end of the Napoleonic Wars the crowned heads of Europe were heavily in debt to the Rothschilds, indeed even today the French Government and the British Government are still paying interest to the Rothschilds on money borrowed to fight each other in the Napoleonic Wars. There were however two nations over which the Rothschilds did not have full financial control: Russia and the new United States of America. The Rothschilds now set about to get this control.

In the late 1700's the headquarters of the Illuminati was in Frankfurt where the Jewish bankers were concentrated. In 1786 they moved to Switzerland, then to London. Since World War II and since the death of Jacob Schiff, Rothschild's envoy in the United States the Headquarters has been at the Harold Pratt Building, New York.

Since its inception the Illuminati has been working away in secret under various names and guises in the background. Today it is the Council for Foreign Relations in the U.S.A. and The Imperial Institute for International Affairs (Chatham House) in the United Kingdom. Chevrier de Malet wrote in "*Recherches Politique et Historique*", "The authors of the revolution are not more French than German, Italian, English, etc. They form a particular nation which took birth and has grown in the darkness in the midst of all civilized nations with the object of subjecting them to its domination".

NINETEENTH CENTURY REVOLUTIONS

After its exposure and suppression by the Government of Bavaria the Illuminati went underground and continued its operations through such organizations as the Alta Vendita, the Haute Vente Romaine and the Carbonari. In 1834 the Italian revolutionary leader of the Carbonari, Guiseppe Mazzini was selected by the Illuminati to direct the revolutionary programme throughout the world. During the French Revolution the Illuminati had shown their hatred of the Christian church by torturing and murdering priests, monks and nuns and destroying the churches. The same practice was carried out in the Russian Revolution and the Spanish Revolution.

During the French Revolution, Meyer Amschel Rothschild and his five sons gained control of the finances of Europe, and the bankers and Illuminati revolutionaries began working in conjunction. The Jew, Rene Gros, wrote in "*Le Nouveau Mercurie*", Paris 1927:- "The two internationals of Finance and Revolution work with ardour, they are the two fronts of the Jewish international... there is a Jewish conspiracy against all other nations". In 1829 attempts were made to amalgamate atheists, anarchists and nihilists into a body secretly called the Communists.

In 1847 Karl Marx (Moses Mordecai Levi) reorganized the Communist League and in 1848 the League of Twelve Just Men of the Illuminati commissioned Karl Marx to write The Communist Manifesto. In that same year revolutions broke out all over Europe and beyond. Benjamin Disraeli wrote in his book "*Life of Lord George Bentinck*", 1852:- "The influence of the Jews may be traced in the last outbreak of the destructive principle in Europe--the abrogation of property are proclaimed by the secret societies which form the provisional governments and men of Jewish race are found at the head of every one of them".

Gougenot des Mousseaux wrote in "*Le Juif, le Judaïsme et la Judaisation des peuples Chretiens*", 1866:- "Since the revolutionary recrudescence of 1845, I have had relations with a Jew who, from vanity, betrayed the secret of the secret societies with which he had been associated, and who warned me eight or ten days before the outbreak of all the revolutions (1848) which were about to break out at any point of Europe. I owe him the unshakable conviction that all these movements of 'oppressed people' are devised by half a dozen individuals who give their orders to the secret societies of all Europe. The ground is absolutely mined beneath our feet and the Jews provide a large contingent of these miners--The Jewish bankers will soon be through their prodigious fortunes, our Lords and masters--All the great radical newspapers of Germany are in the hands of the Jews".

While Marx was writing the Communist Manifesto, Professor Karl Ritter in another section of the Illuminati was writing the antithesis. The idea was that those who direct the overall conspiracy would use the differences in these two ideologies to divide the human race into warring factions (Protocols of Zion, XII, 'Control of the Press') to be brainwashed and would destroy each other; to destroy all possible political and religious institutions. The work of Ritter was continued after his death by Wilhelm Nietzsche. Nietzscheism later developed into Nazism and Fascism and was used to foment World Wars I and II.

As I have written before, in 1834 the Italian revolutionary Guiseppe Mazzini was selected to direct the revolutionary movement throughout the world. Mazzini enticed an American general, Albert Pike, into the

Illuminati. Pike was fascinated by the idea of a one world government and became the head of a secret organization within Freemasonry from 1859 to 1871.

Pike worked out a blueprint for three world wars and various revolutions which would forward the conspiracy to its final stage in the 20th century. Pike did not aim for immediate success, the Illuminati work on a long term basis. When Mazzini became discredited as a revolutionary Pike established three supreme Masonic councils, one in Rome, another in Berlin and one in Charleston, South Carolina. The Charleston council became the headquarters for world revolution. Mazzini established another twenty evolutionary centres throughout the world. Pike called for Communism, Zionism and other revolutionary movements to foment global world wars and a least two major revolutions. These were Pike's aims:-

- 1.To destroy Tzarism in Russia, to transform Russia into a stronghold for atheistic communism. Friction between the British and German governments was to be used to foment this war.

- 2.When and if necessary World War II was to be stirred up using the controversies between political Zionism and Nietzscheism (National Socialism). During World War II International Communism was to be built up so that it would equal the power of united Christendom and then kept in check ready for the final cataclysm.

- 3.World War III was to be fomented by agents of the Illuminati between political Zionism and the Moslem world so that both would destroy each other. The other nations caught up in this issue would be forced to fight themselves into a state of complete exhaustion, physically, spiritually and economically. Then the Illuminati would take over control of a completely exhausted world. Pike worked for a complete social cataclysm which would show the world the horrors of

complete atheism, without spiritual leadership the world would seek the light of the doctrines of Lucifer.

On the 15th of August, 1871 Pike wrote a letter to Mazzini (now in the archives of the British Museum Library): "We shall unleash the nihilists, atheists and anarchists to promote a great social cataclysm of such horror as will show clearly to all nations the effect of absolute atheism and savagery and most bloody turmoil where the people everywhere, forced to defend themselves against the minority of world revolutionaries, will exterminate these destroyers of civilization and, disillusioned with Christianity whose deistic spirits from that moment on without direction, and anxious for an ideal where to send its adoration but without knowledge or leadership will receive the true light, the manifestation of the pure doctrines of Lucifer finally brought out into public view, a manifestation which will result from a general reactionary movement which will follow the destruction of Christianity and atheism, both conquered at the same time".

Mazzini died in 1872 and was followed in the revolutionary world leadership by Adriano Lemmi (1822-1896), then by Vladimir Lenin, Leon Trotsky and Joseph Stalin. The revolutionary activities of these men was financed by British, French, German and American bankers and financiers dominated by the House of Rothschild. The Communist Party was created by the masterminds who control the great conspiracy, the Rothschilds, Warburgs, Schiffs and the rest, all capitalists who were responsible for financing the entire Russian revolution. Communism is not a movement of the workers but a device to ensnare the workers. International Liberals operating through the international banking houses have financed every war and revolution since 1776.

Marcus Eli Ravage, a Jew, wrote in *"The Century Magazine"* January 1928: "You have not begun to appreciate the depths of our guilt. We are intruders we are subverters, we have taken your natural world, your ideals, your destiny and played havoc with' them. We have been at the bottom, not merely of the latest great war (1914-1918) but of nearly all your wars and not only of the- Russian Revolution but of every other revolution in your history. We have brought discord and confusion and frustration into

your personal and public life. We are still doing it, no one can tell how long we shall go on doing it".

In early 1850 a secret meeting of the Illuminati was held in New York and was addressed by an English Illuminatus named Wright. Those present were told that there was a move to unite all nihilists, anarchists and revolutionaries into a movement to be called Communism. This was meant to be a scare word to drive the world into the hands of the Illuminati one world government. The Communists were to be used to enable the Illuminati to foment future wars and revolutions. Quentin Roosevelt ancestor of Franklin D. Roosevelt and two other newspaper owners of that time were appointed to raise funds for this new venture. Communism is not an ideology but a secret weapon, a bogeyman to serve the purposes of the Illuminati.

In 1864 the Internationale was founded and Marx and Engels took it over. It was filled with illuminated masons. World revolution became an engine of warfare against civilization and the objectives of Weishaupt became its policy. The Internationale carried on the work of the revolution in the full light of day. In the Paris magazine '*Peuple Juif*' February 9th 1913 we will read: "The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people".

The Jew, Blumenthal, editor of "Judisk Tidskrift", Sweden, wrote in issue No. 57, 1919: "Only recently our race has given the world a new prophet but he has two faces and therefore bears two names; on the one side his name is Rothschild, the leader of all the capitalists, and on the other side Karl Marx, the apostle of those who want to destroy the others".

THE BUILD UP OF THE WORLD SUPER GOVERNMENT

Nesta Webster writes on page 300 of her "*World Revolution*": "Thus from 1776 onwards the plans we now know as Communism has existed and throughout 191 years successive groups of adepts have been perfecting a method for achieving power over the whole human race. To regard World

Revolution therefore as merely a Jewish conspiracy seems contrary to the facts of history. We cannot possibly suppose the Jewish race as a whole to be concerned in it, the great mass of Jews probably know nothing about it— Pan Germanism has now been crushed but Illuminism lives on as a hidden power behind the scenes of the world, no longer probably led by Germans but in the form of an absolutely international body of super men such as the Chevalier de Malet describes in 1817: "The authors of the Revolution are not more French than German, Italian, English, etc. They form a particular nation which took birth and has grown in the darkness, in the midst of all civilized nations, with the object of subjecting them to its domination".

Paul Johnson wrote concerning the government class in the Soviet Union in the Daily Telegraph on 5th April 1982: "In all essentials it is an elite of greater Russians, a dominant **RACIAL GROUP**, encompassing a privileged white class, drawn from a very narrow social base. Racially it is a more exclusive and homogenous group than would be possible in any other country".

Frank Capell wrote in the American paper "Herald of Freedom", "The fortunes of the Men of the West are in decline because they refuse to come to terms with reality; reality finds that an unassimilable minority of an eastern European Cult, masquerading behind a Jewish facade, has seized control of our nation". This unassimilable minority of an eastern European Cult are the Khazar, Ashkanazira 'Jews'.

To carry out their plans for internationalism and world government the Illuminati began to use an international, exclusive and self centred race, the Jews. "Jewish Currents" May 1975, New York, quoted what Moses Hess wrote in "Rome and Jerusalem" 1862: "We shall always be strangers among the nations".

B. Feltz wrote in "The London Jewish Chronicle" December 9th, 1911: "Jews whom pretend that they can be patriotic Englishmen and good Jews are simply telling lies".

"The Israel Messenger", Shanghai, February 7th 1930: "Judaism and Jewish nationality go hand in hand. Jews have always been a nation, even

when dispersed from their ancestral home. The Jewish race is a pure race. Jews have always considered themselves as members of Jewish nationality".

Chaim Weizman in "*World Conquerors*", page 227: "We are one people despite the ostensible rifts, cracks and differences between American and Soviet democracies. We are one people and it is not in our interests that the West should liberate the East, for in doing this and in liberating the enslaved nations, the West would inevitably deprive Jewry of the eastern half of world power". Chaim Weizman also wrote in "Great Britain, Palestine and the Jews": "We are Jews and nothing else; a nation within a nation".

Ludwig Lewisham in "Israeli" 1926 wrote: "A Jew remains a Jew, assimilation is impossible because a Jew cannot change his national character and remain a Jew. The majority has discovered this fact, but too late. Both believed that there was an issue, there is none. (According to rabbinical law only a full blooded Jew is a Jew; the rest are Mamzers - Mongrels).

Maurice Samuel wrote in "You Gentiles" 1924: "Repudiation of the Jewish religion does not alter the Jew—you must learn to dislike and fear the modern and 'assimilated' Jew more than the old Jew. He is more dangerous to you - his enmity to your way of life was tacit before; now it is active. We are destroyers—the Jews will remain destroyers forever; nothing you will do will meet our demands".

The world authority of Judaism attempts to exert control over world Jewry but with a highly undisciplined race or nation this can only be done by fear of the other races. By far the greater amount of anti-Semitism is perpetuated by the Jews themselves.

ZIONISTS GAIN CONTROL OF WORLD JEWRY AND AIM FOR WORLD POWER

In 1843 was founded in New York the B'nai B'rith of Sons of the Covenant. The chief aim of this secret society was to establish the supremacy of German Jews in all world affairs through the channel of internationalism.

They attained supremacy in the Jewish world by absorbing national "Zionism" and submitting it to their international policy. In October 1928 the B'nai B'rith created the Jewish Agency which directed the Irgun Zvai Leumi of Menachem Wolfvovitch Begin and the Stern Gang in murdering British troops and Policemen and driving the Arabs out of Palestine with bloodshed and terror. The supreme council of the B'nai B'rith shapes and directs behind the scenes for their own ends, the Grand Lodge of England, the Grand Orient, the Ordo Templi Orientis and the Scottish Rite. The high degree masons of the Blue Lodges do not know what is going on in their Lodges.

This sect has its members swarming among all the nations and has become a sovereign power ruling by influence all councils of all nations and governing their policies, economic, religious and educational. The Grand Master of the B'nai B'rith in Russia in 1917 was Sliosberg, the inspirer of Aaron Kirbitz (Kerensky) who handed Russia over to the Bolsheviks.

The Daily Telegraph 19th January 1972 stated that: "The Zionist Congress is the head of the world political movement".

The Editor of "World Works" referring to Zionist and the Kahal, printed: "This world organization has a highly centralized form of government. This consists of an international committee Including representatives from all countries that have a local organization; but the real control is vested in what is known as The Inner Actions Council. This is a compact body of only seven men and it is dominated by the Jews of Europe".

Henry Klein, a Jewish Lawyer in New York wrote in "Zionism Rules the World" 1948: "The United Nations is Zionism. It is the super government mentioned many times in the Protocols of The Elders of Zion, promulgated between 1897 and 1[^]05". It must be mentioned here that there are many Jews who want to get out of the clutches of the Kahal and lead normal lives.

ILLUMINATI ARE CONTROLLED BY INTERNATIONAL KHAZAR JEW BANKERS

Walter Rathenau, a Jewish, banker and an insider of the Illuminati wrote in "Weiner Frei Presse" December 24th, 1912: "Three hundred men each of whom knows all the others, governs the fate of European continent and they elect their successors from their entourage".

Jean Izoulet, a member of the secret society "Alliance Israelite Universelle" wrote in "Paris, La Capitale Des Religiones" 1972: "The meaning of the history of the last century is that today 300 Jewish bankers, all masters of lodges, rule the world".

On the BBC. 'Twenty Four Hours' 14th April 1972 it was stated: "Three hundred men control world industry".

Benjamin Disraeli wrote in "Coningsby" 1840, describing how 'Sidonia (Lionel de Rothschild) meets Jews in key positions in every court he visits: "So you see my dear Coningsby that the world is governed by very different personages from what is imagined by those who are not behind the scenes".

James P. Warburg, a member of an influential Jewish banking family arrogantly declared to the United States Senate on 17th February 1950: "We will have world government whether or not we like it, the only question is whether world government will be achieved by conquest or consent".

Frank Capell in "The Herald of Freedom" wrote: "The involvement of the international bankers in the Communist take over of Russia is well known today. Today the activities of international bankers and financiers, the international gangsters and international communists are so intertwined that one could hardly exist without the other".

THE AIMS OF WORLD JEWRY

A Neo-Zionist named Baruch Levy wrote to Karl Marx as follows: "The Jewish people, taken collectively, will be its own messiah. His reign over the universe will be obtained by the unification of the other human races, the suppression of frontiers and the establishment of the 'Universal Republic'—In this new organization of humanity, the sons of Israel-will become with its opposition the directing element everywhere, above all they will succeed in forcing on the working masses the stable control of certain among them. The government of the nations forming the Universal Republic will all pass, without effort, into Israelite hands, by favour of the victory of the proletariat. Individual ownership will then be suppressed by the governors of the Jewish race, who will administer in all places the public wealth. Thus will be realized the promise of the Talmud that, when the Times of the Messiah are come, the Jews will, hold under their keys the properties of all the people of the world".

Kauffman Koehler wrote in "Systematic Theology of Judaism": "The title of Messiah is henceforth conferred on the people of Israel Itself. In the end, Israel, the suffering messias, will become the peoples' messias, victorious and crowned".

Dr. Joseph Klausner wrote in "The Messianic Idea in Israel" New York, 1955 "Thus the whole people Israel in the form of the elect of nations, gradually became the messias of the world, the redeemer of mankind". (See 2. Thess. 2:3 and following).

The Jewish World 1883: "The dispersion of the Jews had rendered them a cosmopolitan people. They are the only cosmopolitan people, and in this capacity must act and in acting, as a solvent of national and racial differences. The great ideal of Judaism is not that the Jews shall be allowed-to flock together one day in some hole-and-corner for, if not tribal, at any rate separatist objects; but that the whole world shall • be imbued with Jewish teachings, and that in a universal brotherhood of nations - a greater Judaism in fact - all the separate races and religions shall disappear. As a cosmopolitan people the Jews have already outgrown the stage of social life represented by the national form of 'separatism'. They can never

return to it. They have made the whole world their home and they are now holding forth their hands to other nations of the earth to follow their example. They are now doing more. By their activity in literature and sciences, by their commanding positions in every walk of life, they are gradually moulding non-Jewish thought and non-Jewish systems in Jewish moulds, and all that we have heard of Jewish influence in the past only represents the accomplished stages in the practical working out of the Jewish mission".

Major R. W. Williams wrote in "E. E. C. and the Minority Machine": "To rule all the people it is necessary to bring them together into a world federation or world government which is the avowed aim of Communism and Zionism".

The Jew, Sir Max Wächter, a Freemason, in a lecture to the London Institute in 1909 said: "All the states should meet and draw up a constitution of the federation (European) on the basis of one tariff, one coinage and one language".

"The Great Idea of Judaism--is that the world shall be imbued with Jewish teachings and that a universal brotherhood of nations, a greater Judaism - in fact - all the separate nations' races and nations shall disappear". They have certainly attempted to make the Lebanese disappear but not in the spirit of universal brotherhood.

At the end of their days two well known socialists and Marxists realized their mistakes. Bertrand Russell in "*The Practice and Theory of Bolshevism*" London 1920:"As a result of their rule, Russia, the Soviet Union, is a closed tyrannical bureaucracy with a spy system more elaborate than that of the Czars and an aristocracy as insolent and unfeeling composed of **AMERICAN JEWS**".

Bernard Shaw in "The London Morning Post" 3rd December 1925: "This is the real enemy, the invader from the East, the Druze, the Oriental Parasite, in a word, the Jew".

SECRET SOCIETIES AND SUBVERSIVE MOVEMENTS

The breakdown in Christendom caused by the false and unscientific theory of evolution set people seeking for other spiritual guidance. The Illuminati bought up the first 1,500 copies of a book by an unknown author, Charles Darwin as an advertising stunt. The powers behind Illuminism set the illuminated freemasons establishing a number of secret societies presenting a Christian facade to the seekers after Truth. They all, such as the Theosophical Society of Helena Petrovna Blavatsky and a member of Mazzini's Carbonari, acknowledged some mysterious Masters such as the Great White Lodge of highest initiates. These were the controlling power behind all Illuminism. There were the Narodna Odbrana, The Golden Dawn, The Stella Matutina, Ordo Templi Orientis and so on. (See: "*Occult Theocracy*", by Lady Queensborough and "*Secret Societies and Subversive Movements*" by Nesta Webster).

ROTHSCHILD CAMPAIGN FOR CONTROL OF THE UNITED STATES

The war of American Independence had given the American nation control over their own currency. It had been fought on the theme 'No taxation without representation'. By the Constitution of the United States the Senate was authorized to issue the currency of the Nation free of interest as a service to the nation for the purpose of goods and services based on the ability of the nation to create wealth. This was a threat to the operation of the International bankers who wished to gain the power of issuing the currency as an interest bearing debt, to them. Meyer Amschel Rothschild had said: "Give me the power to issue the currency of the nation and I care not who makes the laws".

The new United States was prosperous with cotton, tobacco and other plantation crops in the South and developing industry in the North. It had its own currency based on gold and silver coins and its own banking system. In 1857 the money power of Europe was centered in the House of Rothschild. Their representatives were Benjamin Disraeli in England, Napoleon III of France, Bismarck in Germany and Mazzini in Italy. (See:

"The Rothschilds, the Financial Rulers of Nations" by John Reeves). The Rothschilds met in London in 1857 and established a plan for dividing the United States and financially conquering it. The North was to become a British colony and annexed to Canada. The South would come under the rule of Napoleon III. The Rothschilds sent their agent Judah P. Benjamin to the United States and he became the adviser to the President of the Southern Confederacy, Jefferson Davis. Benjamin and his supporters stirred up the people for the disastrous civil war supposedly on the issue of slavery, yet the bankers of New York had made their money on slavery and selling 'fire water' to the Indians. The English, French and Spanish troops were landed in Vera Cruz in 1862.

The Czar of Russia, Alexander II gained knowledge of the Rothschild's plans from his embassies in London and Paris and on September 8th 1863 he dispatches a fleet to San Francisco and a squadron to New York with orders to be ready to fight any power and to take orders only from President Abraham Lincoln. This stalled the Rothschilds in their take over of the United States and they were determined to destroy the Czar. On September 19th 1861 the Czar Alexander II, by imperial decree emancipated over 47 million Russian serfs and divided up the imperial lands to give them their own farms.

The industrial North won (the American Civil War) and the break up of the United States was prevented but terrible retribution was taken on the South by the bankers' agents was prevented but terrible retribution was by the bankers' agents the carpet baggers and the Negroes with mass rape and burning. This led to the establishment of the Ku Klux Klan to protect the families in the South.

Owing to the war, Lincoln's government was heavily in debt. He refused to borrow from the bankers and on the 25th February 1864 and following Congress passed bills whereby the Government could issue 500 million dollars as full legal tender to pay the nation's war debts redeemable in gold and silver coins from the banks. These dollars were known as 'Green Backs'. The Rothschilds were furious and issued the 'Hazard Circular' which read: "Slavery is likely to be abolished by the war power and chattel slavery destroyed. This, I and my European friends are glad for slavery is

but the owning of labour and carries with it the care of the labourers, while the European plan led by England, is that capital shall control labour. This can be done by controlling money. The great debt, that the capitalists will see to it is made out of the war, must be used as a means to control the volume of money. To accomplish this, the bonds must be used as a banking basis. We are now waiting for the Secretary of the Treasury to make his recommendations to Congress. It will not do to allow the 'Greenbacks', as it is called, to circulate as money for any length of time, as we cannot control that".

Abraham Lincoln's offence was that he stood in the way of the International Bankers by issuing the nation's currency interest free as a service to the nation, as laid down in the Constitution. Even enemy economists have stated that if this practice had continued the United States would become prosperous beyond the wildest dreams.

The Rothschild agent Judah P. Benjamin hired an actor, John Wilkes Booth, to assassinate Lincoln and this was carried out on April 4th 1865. The Illuminati also organized the assassination of the Czar Alexander II and this was carried out by a Jewess Ilesia Helfman on the Instructions of her secret lodge. She put a bomb under his carriage.

However the Rothschilds were still not in full control of the United States currency and so they sent to America as their agent, Jacob H. Schiff, the son of a rabbi who had been brought up in one of the Rothschild houses in Frankfurt and trained in their London bank. He was Instructed to buy into a banking house in the United States and to use it as a spring board to gain control of the money system of the nation.

Schiff was given five assignments:

1. Acquire control of the United States money system.
2. Find desirable men who, for a price, would be willing to serve the Illuminati and promote them into high places in the Federal Congress, Government, Federal Supreme Court and Federal agencies.

3. Create minority group strife particularly between the Negroes and the whites.
4. Create a movement to destroy religion in the United States; Christianity to be the chief target.
5. Get control of the mass media.

Schiff had to buy into a banking house that he could control. He bought a partnership in the firm Kuhn & Loeb. These were Jewish immigrants from the German ghettos. In 1840 they were itinerant pack peddlers. They later set up in business in Lafayette supplying goods to the wagon settlers moving West. In the years that followed they added pawn broking and finally became a well known banking firm. Schiff married Loeb's daughter and bought out Kuhn's interest in the firm. He set up business in New York as Kuhn, Loeb & Co. Jacob Schiff, Rothschilds agent, was not ostensibly the sole owner and as a cover he pretended to be a philanthropist and humanitarian.

Schiff had now to get the full co-operation of the then big bankers of America. Wall St root was the heart of the American money market and was in the hands of the Morgans. Schiff offered stock and bond issues in Europe to the Morgans. At this time there were new industrial prospects after the Civil War which called for vast financing. This financing had to come from overseas; the House of Rothschild. Schiff became the patron of John D. Rockefeller, Edward Harriman and Andrew Carnegie. He financed the oil industry for Rockefeller, the railways for Harriman and the steel industry for Carnegie. To Morgan, Biddle and others, branches in London and Paris were offered always in partnerships with the Rothschild subordinates on the understanding that Jacob Schiff was in charge. Schiff now controlled the banking fraternity of Wall Street. At the turn of the century, Lehman Bros. Goldman Sachs and other bankers were included. Later Rockefeller, the progeny of Schiff's took over the manipulation of the finances in America for the Illuminati.

In 1908 Colonel Mandel House, courier for Jacob Schiff, Bernard Baruch, Herbert Lehman, J. P. Morgan, John D. Rockefeller, Vanderlip, Seligman,

Myers, all international bankers in America and members of the hierarchy of the Illuminati met at the Jeckell Island Hunt Club to discuss the setting up of a Federal Reserve Bank system.

WORLD WAR ONE AND THE RUSSIAN REVOLUTION

The international banking houses of Rothschild and Rockefeller planned World War I but they had to wait until they gained control of the finances of the United States through the Federal Reserve Act of 1913. We are reminded of what Disraeli wrote in 1840: "So you see my dear Coningsby that the world is governed by very different personages from what is imagined by those who are not behind the scenes".

The only excuse for world war is that it would supposedly drive the people to call for peace. Only a frightful war would drive the people to seek a peace. Wars destroy the economy, lives and property, however the bankers make money lending for reconstruction. After the Japanese government had signified their desire to surrender, the United States, on the Instructions of the Illuminati dropped the atomic bombs' on Hiroshima and Nagasaki to frighten the nations and show the power of atomic weapons. A universal desire for peace would enable the Illuminati to establish their one world government through fear.

In 1914 the Illuminati decided to unleash war in Europe for this purpose and to gain the gold in the Imperial Russian banks and to gain control of Palestine. The periodical "Jewish World", London 1919, printed: "International Judaism forced Europe to war, not only to seize a large part of the gold (in the Imperial Russian Banks) but also to start a new Jewish world by the help of gold".

At Sarajevo in June 1914, Franz Joseph, the Archduke of Austria, was assassinated by a Jew, Gabriel Prinzip, on the instructions of his Narodna Odbrana lodge, who were instructed by the Illuminati. This planning came into the open at his trial in 1916. On the 15th of September 1912, "La Revue Des Societies Secretes" published the following: "Possibly some day we will understand the remark made by the Swiss about the Archduke,

the heir to the Austrian throne. 'He is all right; it is a pity that he has been condemned. He will die on the steps to the throne'. Franz Joseph was in favour of autonomy to the Serbians.

At this time there were rivalries between Great Britain and Germany over trade and overseas territory; a pact of mutual assistance had been made between Russia and France against any attack by Germany which became the Triple Alliance with the attachment of Great Britain which was diplomatic rather than military. In 1839 Great Britain had guaranteed the neutrality of Belgium to which treaty Germany was a signatory. Austria, encouraged by Germany presented an ultimatum to Serbia and then declared war. Russia mobilized her array to protect Serbia and Germany declared war on Russia.

To get at France, Russia's ally, Germany marched through Belgium having been told that Britain would not act. However, Britain declared war on Germany. Lying stories were put out by the Illuminati controlled British press about Belgian babies on the point of German bayonets to stir up the war fever in Britain. Arthur Ponsonby wrote in "Falsehood in Wartime": "There must have been more lying in the world from 1914 to 1918 than at any other period". (Surpassed by the propaganda of World War II).

THE ENEMY WITHIN THE NATION

Dr. Ellis Powell, Editor of London '*Financial News*' was in 1917 a persistent agitator for a full investigation of the **HIDDEN HAND** which seemed to be at work against national interest in the middle of the Great War. As an editor of one of Britain's most influential financial newspapers he said in the course of an address to a meeting held in the Queen's Hall London, March 4th 1914: "In this supreme crisis in our history an Englishman is not permitted to speak to fellow countrymen and women without the ever present risk of naturalized Germans presenting writs.

Lawyers employed by a dozen wealthy pro-Germans will scan every word I utter to see if by some technicality, some legal trickery, they can either shut my mouth while trickery is consummated, or at least crush me by the aid of pro-German influence in eminent legal circles. (These days they

use wild mobs of half-castes, hither asiatics and blacks). What Dr. Powell did not know and what we know now is that these people to whom he refers were not Germans at all; they were German speaking Khazar 'Jews' called by the Sephardim, the Ashkenazim.

Andre Sheradame wrote in "*La Mystification Des Peuples Allies*": "For some years a group of financiers whose families are for the most part German/Jewish origin have assumed the control of political power and exerts a predominant influence over Lloyd George (the British Prime Minister), the Monds, Rufus Isaacs, Sassoons, those known as the representatives of international banking interests, dominates Old England, owns its newspapers and control elections".

THE RUSSIAN REVOLUTION

William Fishman in his book "*East; End Radicals*" (Reviewed by the Sunday Telegraph, 9/3/75, wrote: "But the Jewish Illuminati, the descendants of the 18th century radical; of various strains, the anarchists, social revolutionaries and Marxists carried on the class warfare and the fight against autocracy from the heart of the East End ghetto. They were of the same breed as the Jewish idealists who helped to make the Russian Revolution".

Jacob Schiff, head of the banking House of Kuhn Loeb & Co. of New York sent a telegram to a Communist gathering in the Carnegie Hall, New York on March 23rd 1917: "Will you say for me to those present at tonight's meeting how deeply I regret my inabilities to celebrate with the friends of Russian freedom (the Khazar freedom from the rule of the Czar) the actual reward of what we hoped for and have striven for these ionic years". Signed, JACOB SCHIFF. This telegram was printed the next morning in the New York Times.

Cholly Knickerbocker, a New York columnist, wrote in the "New York Journal American" February 3rd, 1949: "Today it is estimated even by Jacob's grandson, John Schiff, a prominent member of New York society, that the old man sank about 20 million dollar; for the final triumph of Bolshevism in Russia".

The Illuminati had made no headway in Imperial Russia, there was a sound money system and the international financiers could not infiltrate the banking system. The Czar would never consider one world government nor a foreign control over his country. The plan was to destroy the Czar and all possible heirs to the throne, to take over the gold in the Imperial banks.

The leaders selected for the Revolution were Vladimir Lenin, Leon Trotsky and Joseph Stalin.

Lenin had taken up residence in Switzerland which was his haven, Trotsky was in the Lower East side of New York, largely the habitation of Russian refugees. These Russia! refugees were undergoing some training process which was shrouded in mystery at Trotsky's headquarters.

Jacob Schiff was financing all of Trotsky's activities. In March 1917 Trotsky with 275 Jewish thugs sailed in a Schiff chartered ship, the Christiana for Europe supplied with funds by the bankers. In anticipation of Trotsky's arrival Lenin prepared a party at his Swiss hideaway at which the guests were Colonel Mandel House, Schiff's confidential agent and adviser to President Wilson. The Warburgs of a German financial house who were financing the Kaiser and one of who had been appoint Chief of Police by the Kaiser, the Rothschilds of London and Paris, Litvinov Stalin, who then was a leader of a gang of train robbers and bandits known in America as the Jessie James of the Urals, and Kaganovitch. England and France at this time had been three years at war with Germany. On February 3rd 1917 President Woodrow Wilson had broken off relations with Germany and so these supposedly enemies could meet on neutral ground in Switzerland.

The party was nearly wrecked for the S. S. Christiana was taken into custody by a British warship and taken to Halifax, Nova Scotia. There Trotsky and his cut-throats were put in prison. The Canadian government were not going to allow Trotsky to proceed since Trotsky had made it plain that he would terminate the war with Germany. Canadian troops were fighting in Europe, and were not going to allow the Germans to move forces from the Eastern Front to the Western Front to kill Canadians. Schiff

quickly put pressure on President Wilson to cause the British to release Trotsky, he warned that should the British refuse to release the ship, the U.S.A. would not enter the war as he had promised in 1916. The Illuminati in Britain and the U.S.A. put pressure on the Canadian government through Col. Mandel House and Sir William Wiseman, an important go-between in the British Embassy in Washington and a partner in Kuhn Loeb & Co. Trotsky and his men were released and sailed on their way with American passports.

Lenin was financed through the German Imperial Bank and in April 1917 Alexander Israel Lazarevitch alias Alexander Helphand, alias Parvus, together with Warburg, German Chief of Police and with the approval of the German High Command were mainly responsible for organizing Lenin's famous return to Russia through Germany in a sealed train to join Trotsky. With him went Olaf Ashberg, the banker's representative with 5 million dollars worth of gold. Lenin (Oulianoff) and Trotsky (Bronstein) took over the government from Aaron Kirbitz (Kerensky) in the name of the Bolshevik Party. Then the terror and slaughter began and the Czar and his family were murdered at Ekaterinburg. The revolution put Russia into the hands of the Khazar 'Jew' Kahal and they remain in command. One-time leader of Russia, Yuri Andropov spoke Yiddish, a Khazar Jew, a bloodthirsty murderer, and ex-head of the KGB.

Bolshevik is a purely Russian name and would not be acceptable to any but the Russian people and so in April 1918, Jacob Schiff sent Col. House with orders to Lenin and Trotsky to change the name to the Communist Party and to adopt the Karl Marx Manifesto. They obeyed.

Long before 1917 Jacob Schiff had it all planned to bring the United States into the war. When Woodrow Wilson was campaigning for re-election to the presidency in 1916 he stated that he would keep the United States out of the war, yet in the same year he had secretly promised that he would get the United States involved. He was reelected.

In 1915 the armed merchant cruiser SS Lusitania was torpedoed in the Irish Sea. She was carrying arms and explosives for the allies. The German High Command had warned in advertisements in the United States press

.that they would sink her. Notwithstanding the American authorities allowed her to sail carrying United States citizens as passengers. Before she entered the Irish Sea the First Lord of the Admiralty, Churchill, ordered the two destroyers accompanying her to be withdrawn without informing her captain. That she was an armed merchantman carrying explosives was proved by an underwater investigation of the wreck. (See The Times of 8th August 1982).

The Zionists were determined to get Palestine, then under Turkish rule, as a home for the Jews. Turkey was an ally of Germany. The Zionists had hoped that a German victory would give them Palestine but they moved their headquarters from Germany to London and began ceaseless pressure to get the British government to support Zionism. They began to press for the war to be extended to Palestine. Asquith, the British Prime Minister and Lord Kitchener were against this and wished to give all their support to their ally Russia. Asquith sent Lord Kitchener who was a much loved figure in Britain at the time, in HMS Hampshire to meet with the Russian High Command in June 1916. The Hampshire blew up at sea together with Kitchener and those who would gain from this were the Zionists for Kitchener would have forestalled the progress of Zionism and the creation of Bolshevik Russia.

The Russian Revolution took Russia out of the war and the Germans moved their troops from the Eastern Front to the Western Front. Britain and France were left fighting Germany alone. There was a danger of the allies losing the war. The Zionists promised that they would bring the United States into the war if the British would promise them Palestine as a home for the Jews after the war. An understanding between the British Government and the Zionists was made. The British sent troops to Egypt and Col. T. E. Lawrence was sent to obtain the help of the Arabs to drive out the Turks from Palestine, on the understanding that the Arabs would be given self government in Palestine after the war. The Jewish population in the country was minimal at that time.

In 1917 the Illuminati controlled press of the United States published that the S.S. Sussex carrying United States passengers had been sunk by a German U-Boat giving the names and places of residence of the passengers

who were lost at sea. This was a lie for the S.S. Sussex was safely tied up at her berth in the Thames estuary. President Woodrow Wilson knew that this was a lie and that the newspaper report was a cruel hoax. Yet despite this the American Congress at President Wilson's request declared war on Germany on April 7th 1918.

The Zionists had manipulated the American people to get the United States into war and the British government issued the Balfour declaration. Britain was completely under the control of the Illuminati. Col. T. E. Lawrence was embittered and discredited and was finally murdered. According to Desmond Hansen, he (Lawrence) wheeled out his massive Brough Superior motorcycle for the last time and rode down to Bovington camp to send a telegram in reply to a letter received that morning from Henry Williamson, proposing the vital meeting with Adolf Hitler. The telegram of agreement was dispatched and then on the way back the accident happened. He was just 200 yards from the cottage. At least four witnesses saw it: two delivery boys on bicycles, an army corporal walking in the field by the road and the occupants of a black van heading towards Lawrence. After the crash the black van raced off down the road and the corporal ran over to the injured man who lay on the road with his face covered in blood. Almost immediately an army truck came along and Lawrence was put inside and taken to the camp hospital where a top security guard was imposed. Special 'D1' notices were put on all newspapers and the War Office took charge of all communications. Police from Special Branch sat by the bedside and guarded the door. No visitors were allowed. The cottage was raided and 'turned over' - many books and private papers were confiscated. Army intelligence interrogated the two boys for several hours. The corporal was instructed not to mention the van as being involved in the accident. Six days later Lawrence died and two days later an inquest was held under top security which lasted only 2 hours. The boys denied ever seeing a black van which contradicted the statement by the army corporal who was principal witness. But no attempts were made to trace the vehicle and the jury gave a verdict of "accidental death". He was buried that same afternoon and only private mourners were allowed to be present.

RACIAL DESTRUCTION

In every Anglo-Saxon-Celtic nation, there is a flowing in of Negroes and asiatics sponsored by those we elect to protect our interests. They are under the control of the Illuminati and many of those in seats of power are not of our blood stock but are aliens from Eastern Europe, many of whom have changed their names to deceive us. Once these alien people have established themselves, they will demand that they be treated as separate peoples in a separate state.

The Muslims have already demanded separate schools and separate legal system, likewise the Sikhs. They have been quite unable to provide our standards of civilization in their own countries, now they have thrown us out, they have not the intelligence nor the skills nor the moral integrity. They have created a voting problem in our country making the political parties vie for the coloured vote. We have noted the power being used in government circles to prevent any return of these people to their own countries. Lord Justice Salmon, a Zionist Jew, delivering the first George Bean lecture to the Association of Jewish Ex-Servicemen (Daily Telegraph, 8/11/1976) expressed total opposition to any policy for the repatriation of coloured immigrants and a strong support for the government's legislation on race relations. He was against any form of what he called "bribing them to leave".

CALLING THE PEOPLE OF BRITAIN

At last the bible makes sense!

At last we know its meaning.

Its the book of the RACE
