The Apostle Paul is still talking about immortality. He had said that he did not want to die, he just wanted to put on his Light and Glory which he knew belonged to him since his trip into the heavens. He knew however that if his physical body did wear out that he had a Celestial house in the planes of Spirit. It was eternal and consisted of Light.

Thus the Apostle Paul said he did not want to die, but he did want to get into that Light. Just wanted that Light to envelope his physical body so that this mortal will be swallowed up with immortality and live forever. This means, restored to immortality.

This is why the Apostle Paul talked about the fact that there is only one thing we wait for which is the redemption of our bodies. We already have Eternal Life, we are living souls assured of Eternal Life. We are waiting to see Death stopped, for mortal to put on immortality.

This process is already at work in us, and at the time YAHSHUA returns, it has not only been promised but has been generally accepted by the whole structure of Christianity that no area of interpretation or mistranslation could make you miss this, that there will be a perpetual immortality. That you are in the image of YAHWEH, you are spirit, soul, and body and you will become indestructible. That you will no longer die, no longer will your physical body be subject to death.

All transgression which brings the price of death has been paid for, has been lifted off of you by the atoning work of YAHSHUA-YAHWEH in the flesh. The last enemy put down physically in this world would be at the moment of His return, this enemy is called death. No longer will death have any power over the children of the kingdom. In the moment when He returns the last barrier to immortality is removed. The Apostle Paul now understood this, and he said that he comprehended this mystery but he had not learned how to apply it. He understood what YAHWEH had promised but he did not know how to apply it so that there would be no disintegration of the body.

His eyes were getting weak, he was having to write in larger letters than ever before. But as long as the Apostle Paul held to the fact that he was indestructible because he was YAHSHUA'S messenger, because the spirit in him was part of YAHSHUA, that His Spirit could quicken our mortal bodies, as long as he remembered this Paul could stand anything.

He wrote remember to the Romans: 'The Spirit of Life in YAHSHUA has made me free of the law of sin and death.' As far as his spirit and soul was concerned this was true. As far as his physical body was concerned it was as to his incomprehension. But you know that he was always under pressure, he was being put in prison and always pushed around because he proclaimed YAHSHUA was YAHWEH in the flesh. The Apostle Paul was always spreading the message, carrying this to Lost Israel and

fulfilling Destiny. Then one day he became despondent as though he felt his work was done and he wrote a letter saying: 'after I am gone, tell our people', and as soon as he resigned himself to death he was gone. But every since his heavenly trip the Apostle knew that absent from this body was to be present with YAHSHUA. He didn't want to taste death but he was told by YAHSHUA that every spirit of His Household who had never raised their physical bodies would return component parts reassembled, and their bodies thus raise. Although it might be scattered still YAHWEH has the power to assemble these elements out of the Universe and to give them physical resurrection and surround them with Light and Glory.

Now; it says: 'The LORD shall descend from heaven with a shout.' This signifies that He is going to make His presence known. It always bugs the devil when someone tells him off and he is going to shake when YAHSHUA comes for he will know it. When YAHSHUA stormed the Netherworld after the crucifixion He said: 'Open up ye gates for the King of Glory shall come in', right away Beelzebub the devil in charge said: 'Who is this King of Glory?' And the answer came: 'I am YAHSHUA of Nazareth, YAHWEH in the flesh, strong and mighty and all the Princes of the Netherworld quivered.' They remembered how at one time they had held Lazarus. Then YAHSHUA came to Bethany and said to Mary: 'Don't you think that I can bring Lazarus back? And then He walked over to the tomb and said: 'Lazarus come forth.' In the Netherworld the spirit and soul consciousness of Lazarus gave a mighty shake and laughing at the devil rejoined his decaying body and brought it out of the tomb.

The devil and his people don't like this shout of God, because then things are going to happen. The Apostle Paul records that a trumpet is blown thus you will hear a great and mighty noise, a great challenge is coming forth. YAHSHUA is coming into the affairs of earth, in a noticeable way. He then brings the spirits of His children with Him, and they reassemble and raise their physical bodies. Remember also that the Apostle Paul has recorded time after time that He is ONE, spirit, soul, and body, that HE who came as Saviour, Redeemer, thus YAHSHUA, was YAHWEH in the flesh. He let His physical body die by removing the spirit (Light) from it, then raised it before it saw corruption. With Lazarus He let the body start to decay then came and brought forth Lazarus. Did this as an example for

His children to show them what would be done. Yes, He has the power. He can appear in any plane or dimension anywhere in the Universe. He can travel through space with out the great crafts. He can arrive as a Celestial consciousness, step up the acceleration of the elements and be visible. He can transport His body in ships or walk through walls by stepping up the electrons around the protons of the body. He can take it completely out of the areas of synchronization of those elements, and matter and walk right through it like a bolt of lightening. This is HIS capacity, this is the capacity of the Divine household when you know how to do it, and you will.

In this hour when His household assembles to HIM this is not necessarily just individually, this is the nations of the kingdom as they rally around YAHSHUA. He is not going to spend much time at the Mount of Olives, His feet just brush that Mountain for judgment on that area. His kingdom is in the Western Christian nations. But as he sweeps in to bring judgment great events will be already taking place. Great battles will be going on all over the earth and the earth will be shaking because of these events, but not hurting the kingdom itself.

Now; since Absent from the Body is to be present with the Lord, there is no long waiting for judgments, the trumpet sounds, you are Celestial beings for you came down out of Celestial realms and you can go back into them. The Apostle Paul said when he was carried away that he could not tell whether he was in the spirit or the body so there is not all that much difference in the two planes, and you can dwell in both. In the hour when total immortality is restored it will be impossible for death to effect this body. The elements of Light will surround every element and protect the body until it cannot be destroyed.

This is what the Adamic transgression lost as Eve cohabited with Lucifer and Adam partook of the violation with Lilith. The children of Light could not cohabit with the darkness thus the physical body would be the only thing which could be a part of this cohabitation. And the aura of spirit went off of Adam and Eve, and now they lived in dying bodies without the sustaining force, this Light of Spirit which keeps the physical body safe. Now the physical substance could deteriorate like anything else that oxidizes in this physical world.

This was made necessary the keeping of the covenant to keep alive His sons and daughters of the kingdom. This relationship to this balance of the Celestial to surround the physical was broken by violation of law, and our race has not had this enveloping Light since then, but will have as Immortality is restored to the children of the kingdom. HE paid the price for this restoration. He pre-determined that we shall conform to His image, and this will be consummated in a moment at His return to earth.

The Apostle Paul was telling us that these children coming back to earth with HIM are not going to stay up in the clouds, these multitudes coming with HIM are a triumphant army composed of His children who died in the flesh after the enemy threw everything possible at them. No wonder the earth will shake, think of the gathering of all these elements, the synthesizing of their bodies out of earth, this restoration of bodies will have a tremendous effect. Talk about an excited people, death is over, the power of darkness is over. And the Light of YAHSHUA is here, HIS power is here and we meet HIM in these air breathing bodies, right here in earth for this great transition.

Now; my friends do you still want to dream on waiting for a rapture, or do you want to see our Father fulfil all promises and set the kingdom administration in earth where every knee is going to bow and every tongue will proclaim that this YAHSHUA is YAHWEH in the flesh and we are His children, HIS Israel, ruling with HIM.

There is today available a system so that the image of the Beast (world order) speaks all over the world, this is through TV networks world wide. They will be able to record for you great earthquakes, nuclear bombs falling, and hoards of Africa and Asia to come against the Western world. It will seem as though the whole world is breaking into flames.

When you see the intensity of that come to pass, then within three months we will need a lot of help for Israel soldiers who will be fighting on every front. This is something you go through not around, but we will also win this final battle because the promise is that every knee shall bow. This time however He comes as King of Kings triumphant and the world will know who HE is, and who you are.

How do we know these things? Well if the spirit of YAHSHUA which raised His body from the tomb dwells in you then it will quicken your mortal body. It does not have to quicken it much until you put on immortality, and you will start to glow, the aura starts to show. This power of the spirit which dwells in you is all powerful.

Electrons are going to revolve around the nucleus and every element which belonged to the physical body of one of His children comes together, and that body will be raised again. Lucifer thus will not be allowed to triumph over even the flesh of a son or daughter of YAHWEH. Thus those who have suffered death go through their transition first, then those who are alive at HIS coming are restored. And yes, this transition will be visible on earth when He is ready to reveal it. There are some spiritual factors that can only be beheld by the spirit thus something will not be seen, or understood by the world order, but they will know something tremendous is going on.

Now; there were many Martyrs in the days of the Apostles, has been before and since that time. But when YAHSHUA comes we are going to put on our heavenly house and yet will be in physical air breathing bodies, only now surrounded by our Light of Spirit.

Here in this Epistle it was translated as to make it seem as though this takes place in space, thus hiding the setting up of the kingdom rule on earth. But the Marriage Supper of the Lamb which they tie into their story is a symbolic pattern of YAHWEH-YAHSHUA in earth with His people supplying them with all good things. It is not necessarily a feast day for in Revelation it is in symbolism.

This transition of verse 17 is Shekinah Glory, the work of the effulgent Glory of Spirit which will surround you until you will be like Moses as he came off the Mountain after being in the presence of YAHWEH. This is effulgent Light which belongs to the children of the MOST HIGH, and when you put back on your Celestial house you will have that Light again. This is normal. it is natural for you, this is the transition that will take place. This is just a statement of fact which the Apostle Paul records. For He comes with the fleets of heaven, with Michael in charge, He comes to

defeat the enemy and His mortal children put on immortality. We aren't going anywhere else, why should we? The bodies to be raised are here in earth, and we are locked in the last battle with the enemy here in earth and He comes to help us hold the line. The outcome is that every sword, every spear of the enemy will be broken right here in earth. Thus this being caught up to meet Him in the air is translated fantasy.

Volume after volume has been written on this translated fantasy, but the Apostle Paul was outlining facts, Mysteries in his Epistles not fantasy. He recorded that 'absent from the body is to be present with YAHSHUA.' In other words if this physical body crumbles, disintegrates then the Celestial body is not gone, the soul consciousness still resides in it because that body is an Eternal connect- ion. If the physical body disintegrates the soul is no longer hampered by the limitations of the electronic memory, or the patterns of retention when the veil was pulled down. For a resident in a physical body that soul is instantly thinking in the dimensions of spirit. At this moment your soul is capable of thinking in the dimension of spirit, because now the spirit gives it all its inspiration, and vision, all its extra sensory perception. All this moves out of the areas of spirit thus this is where you will be getting knowledge, wisdom, and inspiration until you think as He thinks.

Now; what is soul development? This is ego, what does it do? Where does it come from? It is the sum total of all your experiences, what you have seen, this is what you are and you are an entity made up of the sum total of your experiences shaped in the process by the thinking of these experiences. The spirit always thinks right, it does not view things as you view them in the flesh, as it moves through your soul environment, thus the soul is the thinking you, and the soul thinks as the spirit thinks then you have made a great transition when this is true. In other words the soul conscious resident in a physical body is the resident thinking you, resides in a spiritual body as well, and when you say I, this is a personal ego, so how far can a soul go? Well, until it thinks with the synchronized perfection of the spirit which is already perfect.

QUESTION: 'For when they shall say Peace and safety then sudden destruction comes upon them as travail upon a woman with child, and they shall not escape.' I Thessalonians 5:3.

ANSWER: .Paul is still thinking about this great and terrible day of the LORD as it is described in other places. He is reminding these Israelites and you that they have been taught that they are the children of the kingdom, and they know that the day of the LORD comes quietly, like a thief in the night. But the world order is still trying to lull you to sleep with claims of peace and safety when destruction comes upon Lucifer's kingdom.

Like a woman with child when the time is right the child comes forth, in this same way comes destruction upon the enemy, this Great Babylon. But the Israelites are children of Light, and you do not need to be surprised, for you will know the time and the seasons and be expecting the coming of YAHSHUA as KING OF KINGS. (v 4) Therefore let us not walk as though asleep as others do. Let us watch events taking place, and be alert as to their measures of time, 'For YAHWEH hath not appointed us to judgment but to salvation through His work in the flesh as YAHSHUA-Messiah.' (vs 9)

HE does not judge His children as He does those of the world order or those of the Luciferian kingdom. For you the judgment seat is in the inner Holy of Holies of your own being because Israelites, you His children stand here a Christed individual embodied in flesh, a physical temple, thus the Day of the LORD is not for you, but Salvation is.

In time all flesh is to be saved, and when some say they sing and pray all the time but are disturbed when they hear that 'All Flesh' is to be saved, then we suggest they stop praying and singing and STUDY, learn the program laid out by Our Father for it is restoration of all that has been destroyed by the rebellion of Lucifer.

II THESSALONIANS:

Here in second Thessalonians the Apostle Paul is going to be reminding us of things which are to happen before this day he revealed in I Thessalonians 15:17. He also reminds us that when YAHSHUA comes to be glorified in His believing offspring this will be because in the day that the Gospel of the Kingdom was delivered to Lost Israel, then Israel

believed it. (1:10) Paul then goes ahead to remind us that the Day of YAHSHUA coming as King of the Kingdom is not right away because many years will pass, and many things have to happen first. This event that marks His coming will be the great 'Falling Away', from the faith until the man of sin is revealed. There is this one termed 'The man of sin' or son of Perdition who will exalt himself above all that are the called out worshipers of YAHSHUA, this God of the Universe worshiped by Israel. This One will claim to sit in the temple of YAHSHUA and claim he is the Almighty. (2:1-4)

Now; first this falling away, this departing from the great truths delivered by the Apostles. Even in the days of the Apostle Paul it was already happening. It was a falling away from the Divine instructions. We find that leadership is covetous of power, or they would not make these strange alliances we see over the years which is wrenching our nation today as well. This reaches into the hierarchies of religion as both the Apostle Paul and John record. Both had visions that in the Ecclesiastical field we would find this battle against the true foundations of the principals of YAHWEH'S kingdom.

The Apostle Paul has been bringing forth these great truths to Israel so you are not so easily carried away by error. All false instructions in the areas of Ecclesiastical power are referred to as Harlot daughter of this mother of all false religions, Great Babylon, with her false prophets and Ecclesiastical power. In order to accomplish its objective against the Christian church an invasion of Satan's children took place in the largest denominations, and the largest churches on earth.

This is the visible part of the church, and they penetrated Rome early to try to make changes in its theology and doctrine. Then penetrated Protestantism to carry on these errors of the Ecclesiastical hierarchies which are carrying out the work of the enemy. They who are supposed to be building and spreading the programs of YAHWEH'S kingdom in the institutions of His kingdom have become the harlot daughters of Babylon. Actually the men who set such institutions as the National Council of Churches in place had this in mind. We should point out that Ecclesiasticism is now creating the climactic end of the many

denominations which is also prophetic. Actually YAHWEH never established the Methodist church, or the Baptist church or any of these many denominations of Protestantism. He never established the Roman Catholic church either. But He did establish, and the Apostles delivered, ONE Faith, ONE Baptism, ONE YAHSHUA } Saviour who is YAHWEH in the Flesh which shows all the standards of the kingdom. That is the great Living Christian Church which shall make its appearance as the end of the Great Apostasy comes.

If you think these statements cannot be substantiated then we will show you that even the Apostle Paul warned us that these days would come. Warned that these perilous times would come because of this turning away from the proper instructions, and not carrying out the blue-print of the program of the kingdom. That the failure came first from the religious hierarchies as strangers to our Faith took possession of the visible church and then departed from the instructions as outlined by YAHSHUA and delivered by the Apostles. This is what we call the Great Apostasy as the visible church lost the vision that was so essential in being transplanted into government into the building of the structure of government for the nations of His kingdom.

This Oracle of Truth, or 'Thus saith YAHWEH' was to come through the spiritual centre of His kingdom, to prepare the blueprint and foundation of a civilization and a society for His kingdom, which was to occupy and bless the earth. There has been no change in this program from the earliest perception of the Adamic Race. This was their understanding, they were to move from the stasis of families into cities, into states, into nations of YAHWEH'S kingdom. This knowledge is the foundation of the covenants and the blueprints of the whole world.

This was known and understood in the days of the Messiah as He was recognized as embodied YAHWEH in the flesh, that His kingdom was tangible and real. This kingdom as then to spread, first by the dynamic awakening of the children of the kingdom as the Apostles carried the message to LOST Israel that Messiah had come and 'ye are redeemed'. The Holy Spirit was quickened to help them to understand and when He called the Sheep answered. The message then was that the nations of the

kingdom would now emerge and the struggle against the forces of darkness would begin in earnest. At no time has the program of YAHWEH'S kingdom been a pacifist movement. At no time has the kingdom had an easy time, and not been faced with enemies. The powers of darkness have always used violence against His kingdom. The Apostles, disciples and early followers of YAHSHUA experienced this violence.

Now; the greatest thing to happen will be this coming into human affairs by YAHSHUA but as Paul records, this will not happen until this falling away from the Faith comes which will reveal who the 'man of sin' really is. This will be Lucifer himself embodied in flesh once more leading his kingdom hoards. Thus this son of perdition is to be ruling in earth embodied. This 'son of perdition' is also a progeny of Lucifer and the world is plural. Thus all offspring of Lucifer and the fallen Angels are devils, there are many devils then in the world today, and have been since long before Adam. The word for 'man of sin' actually is either singular or plural. In some translations is referred to as the Forces of Evil directed by the embodiment of Lucifer. But in the King James Version it is rendered as 'son of perdition' in that translation.

Now; the Apostle Paul understood that the earth was under bondage to a Satanic force, but that the kingdom of YAHWEH consisted of the Adamic household, and this is the message he is bringing to his Epistles. That YAHSHUA pointed out that none of His Household were lost, only this 'man of sin' who has no place or lot with his family. Paul records that 'we are not of THEY who can fall into perdition.' Thus we are not of this Luciferian household who still fall away even after the resurrection of YAHSHUA. Still those of this Luciferian go into the Netherworld like Judas of Iscariot did who hanged himself to get back to his own place, or where he came out of.

Thus Judas of Iscariot was the 'man of sin' at that time, and he fell from something he could not totally embrace because it was not a part of him. He came into the presence of YAHSHUA and then went out again because he was not a part of Him, but we cannot do this because we are spirit of His Spirit, life of His Life. The translation may be poor, but we have this declaration: 'He who is born of YAHWEH cannot sin.' Oh, you say how

can this be for we haven't seen a man who hasn't made mistakes? But we tell you that the real you, the spirit which YAHWEH begat can never transgress. This is why His Sheep can hear His voice. It is because of this that His Spirit can unveil the knowledge of the Father. It is because of this that you and I, and all our race were sent to build a kingdom in earth. And you will build this kingdom even in this time when this great 'falling away' is taking place so that those included in this rendering of 'the son of perdition' can be revealed.

The Apostle Paul thus tells of this Satanic invasion of Lucifer's household, embodied, that come against YAHWEH'S kingdom. They make their major drive on the visible church to destroy if possible all that would make the kingdom strong. They would especially like to remove from America the Cross and the Flag, for they realize that America is the last resistance centre they must conquer.

Paul tells us that this 'falling away' from the high principals of the kingdom comes when actually religion is going at full speed. But there is a vast difference between religion and the Faith delivered by the Apostles. This Mystery of Iniquity is working however long before YAHSHUA comes for this great victory. And He who leteth will turn Lucifer and his kingdom loose to see what they can do. To prove once and for all times that they cannot win.

The Apostle Paul tells us that these powers of darkness will oppose and exalt themselves above all that is called God, and they will virtually seek to be worshiped in the temples of God, as tho they were God.

Now; to understand this remember your body is the Temple of YAHWEH because His Spirit dwells in you. And these forces of darkness will seek to be worshiped by the children of YAHWEH'S kingdom s though they were Messiah Himself. In case you don't think this has been going on I suggest you acquire and read, 'The Miracle of the Passover' by Zola Levitt., copyright 1977 and this can be purchased in any brotherhood book store. He is supposed to be a converted Jew and talks much about Jesus but never that He is YAHWEH in the flesh. Tells you that you must bring the Jews into your Christian churches so that you can understand your Bible for it

is all Jewish. Talks much about the Jewish Passover Supper, but does not tell you that it is different from the Communion Supper that YAHSHUA set in place. Read also 'Satan in the Sanctuary' by Thomas S. McCall and Zola Levitt published by the Moody Bible Institute in 1973, and maybe you will understand better what I am talking about.

Now; remembering that the Apostle Paul makes it quite clear that the powers of darkness, the forces of evil are the children of Lucifer, the children of Perdition, and that YAHSHUA pointed this out as well, then remember that transgression does not make a man a son of perdition, no, a son of perdition is progeny by seed.

The only thing which was restraining this Mystery of Iniquity in the days of the Apostle Paul, restraining it from wiping out the 'called out people' completely, these called the church, was the Sovereignty of YAHWEH who worketh the council of HIS own WILL. Ephesians 1:11. But there would come a time when this hindering would be removed, and then would come an acceleration of the work of iniquity.

Back in the days of the Apostle Paul you find that this Lucifer and his kingdom people were working hard to stop this truth that YAHSHUA was YAHWEH in the flesh, and had redeemed His people. They worked for His crucifixion which finished the atonement, thus was allowed, and for a moment they thought they had won. Then when they saw the Faith of the Apostles and disciples and how Lost Israel responded, they reacted with vengeance.

They move in one the theology, to divide and conquer, created heirarc which was to have all authority, and used fear to erect a God of fear. But it is one thing to fear violations of Divine Law, and another to fear YAHWEH Himself. Fear is the same word as LOVE for you of His kingdom, but the enemy may fear HIM. With their control of theology then came the concept that Lucifer is winning and YAHWEH is losing in their great checker game. So for Peace in the world, the church design must be a compromise between good and evil. Make all people the same, and destroy the concept that 'the tares' are a separate and distinct seed, planted to choke out truth.

Remember the iron and clay of the feet of the Great Image of Nebuchadnezzar's time, symbolizing a kingdom with a mixture of good and evil ruled over by the sons of Lucifer? This is their dream of a one world government they are their own Messiah. In their great one world organization there would be only an Apostate church called the Laodicean church, half way between good and evil or as translated 'neither hot nor cold'.

The visible church then under these men set in place hierarchies and tried to deny the idea of a Great Archangel becoming a devil, that Lucifer has a counterfeit for most every symbol of YAHWEH and His kingdom. Always through out history we find that the Yehudin have grabbed the Mosaic pattern and then warped it, and adopted the promises promised to you, and then set Satan as god while they tear down areas of truth.

The Mystery of Iniquity then is the Luciferian design to violate the laws of YAHWEH as to form and to type. The Mystery of Iniquity is mutation of race, of the laws of YAHWEH, and since restraint was to be removed so as Lucifer could see if he could totally take over these children of the kingdom, then the children of His Spirit were to expect this attack to come on the visible church which is all they can enter, as well as on every facet of our individual and national life.

Always we get this question, that if we are the children of spirit why do the wicked prosper, and not us? The Psalmist asked this as well as Jeremiah and the answer given was that YAHWEH'S instructions to His race were not always carried out totally. Sometimes Israel did not obey all, sometimes part way was all the compliance and this brought chastisement on herself, for her own good, for her education. Today in this time of all out attack with no restraint we seem to be doing just opposite of our instructions.

We joined the World organization, the United Nations, and if it were not for the plan which says that YAHWEH set in place this stone kingdom as outlined by Daniel and that this kingdom was to eventually destroy Great Babylon with its feet of iron and clay, then we might have seen a more disastrous result. There is also this built in knowledge which many of the

race carry. When you know you are an Israelite then you know this secret place of THE MOST HIGH which is this spirit in you with the capacity to believe YAHWEH, and that YAHSHUA was YAHWEH in the flesh, and we are His embodied offspring. This is also a built in hindrance for He did not totally abandon His children. The story of Job remember is symbolic of Israel being tested but not necessarily abandoned.

Remember the prophecy 'A nation to be born in a day', which is subject to many meanings. There will be in this climactic time small groups all over our nation who will know what is going on. And when the proper time comes leadership will rise up and a nation will be born in a day. No more will people set in church and listen to their minister, and never think for them selves, for they will begin to see, and to hear.

All those with His Spirit will be stirred like Abraham who saw that this New Jerusalem was people, out of his loins, and he thanked YAHWEH for letting him understand and believe. This belief was then counted to him as righteousness, and is the possession of every one of His children when you reach it. When you believe and when this Faith is real to you then no longer will you need the Laodicean church which goes retrograde and joins the world order. Then all Israel will see that the whole theme of the Bible is the establishment of the kingdom of YAHWEH in earth as it is in heaven, and the historical genealogy and background from the Adamic birth unto his hour of a race of people who YAHWEH intended should bring this kingdom into being.

This is the story the Apostle Paul has been outlining as he records that Israelites are strangers and Pilgrims in earth. That this great falling away would come until the visible church actually supports and subsidizes communism, until the enemy has actually changed the Shekinah Glory to hell, perdition, and the visible church has even condoned this. If you don't think the church is subsidizing communism then check where the money given to the N. C. churches and the World Council of Churches really goes.

Thus the Apostle Paul points out that errors of the visible church came because some of the leadership wanted the Scriptures to conform to their leadership not to YAHWEH'S leadership.

And the Scripture has told us of this catastrophe introduced by Satan's offspring. This word 'wicked' translated from the Hebrew is referring directly to a seed, a posterity, and the posterity of a nation which is under control of Lucifer is referred to as ungodly. But the people who were descendants of fallen Angels and the areas of that violation of law were referred to in the Hebrew and translated into the English as 'the wicked'.

Most Clergy being blind because of Laodicean church doctrine do not wish to discuss such things even though YAHSHUA, Paul, and Peter pointed them out as those who seek to do only evil, and called them 'the wicked'. They are then a progeny of Great Darkness which holds the world in bondage, you can quickly point out to blind Clergy that it is from Africa, India, and Asia where the very gods they worship are dragons and serpents. Then we have the archaeological evidence and historical patterns of race to show that the emblems and standards identify them with Lucifer. Thus we have proof even outside the perimeter of the content of the Scripture for what we are saying.

In the British Museum are the records of Summerian theology and background. They refer to the Mighty God of Outer space as YAH, and they talk of Tiamat the Chaos monster. They say that the serpent was the god of this world, and they must serve him for he was their first leader out of the sky.

These pre-Adamic people thus worshiped an Archangel who is his rebellion became a devil. Science in its continuing process, and in its archaeological research thus established that violation of Divine Law came about because this Archangel, now a devil, sought to upset the calmness of Peace of the Universe. Sought to change the thinking of men, changed responsibility to depravity and degeneracy. Sought to violate the principal of law, mongrelize the races, and even the creatures of creation. Thus this fallen Archangel now a devil took over the earth, and became a god of this world long before Adam, and those races are still trapped in that situation and they admit they still worship the dragon-god, the great serpent.

With the coming of the Adamic race these children of Adam worshiped YAHWEH and the two kingdoms thus collide on every level. We then

find the archaeological and historical patterns of race, the emblems and standards which identify both kingdoms.

The Luciferian forces know who they are, know more about themselves than most people realize. We point this out because if you have the 'wicked' in your Bible you will get a strange interpretation. Thus another reason the wicked prosper is because they have learned to control peoples minds, and they then take from blinded people all they possess. After all they are parasites, could not exist if you did not support them.

There is no doubt that we have the wicked prospering in America today, in fact there is tremendous Satanic power in the United States today as well as in the Soviet Union. The Hammer and the Sickle is a symbol of this Satanic power, the earth thus to be beaten down and reaped. This is the symbol of the Soviet Union which also shows their Red Star. And they do prosper because in the U.S. today we have not obeyed our Father, and have let the enemy come in to live among us. They do prosper because the people of YAHWEH'S kingdom seem to be fast asleep.

Listen: this conflict between the two kingdoms does have an end, the transgressors shall be destroyed, and the end of the wicked shall be cut off. But the Salvation of YAHWEH is your strength in time of trouble. You have arrived at this time when all restraint was to be removed until Lucifer will think that he can win. This brings things to a climax, and is called the time of Jacobs trouble. We have been in this time of trouble for some time, this time also of the 'great falling away' for some time, but the Biblical answer of 'why do the wicked prosper' is because you let the wicked come in and operate the kingdom for you, and don't look after your own affairs.

The pattern today is that the true church is a powerful influence inside of the nations of YAHWEH'S kingdom. It is battling the powers of Anti-Christ while false clergy come in and set up the hierarchies to try to remove the influence of truth. We know however we are going to win, in fact have already won, for we have Eternal Life and this body is going to come back if necessary to participate in putting down the last enemy. So even in this area we are not defeated. In fact we believe that the enemy

will not be successful in removing all the children of the kingdom from the earth for some will be alive at HIS coming. The enemy may laugh at us for believing this but we know that our Father will quicken our consciousness until His children are capable of thinking as He thinks.

We see HIM as stepping in to overthrow the world order even though they imagine a vain thing, thinking they are going to win. But YAHWEH will triumph and we will go through this difficult time, and the kingdom administration will be set in place. Remember they beat the Apostle Paul, they threw him out of a city thinking he was dead, but whether YAHSHUA raised him up or just what happened, he came back to denounce the Yehudin-Jews.

Here in his Epistle to the Thessalonians he is still reminding you that there are these rascals. They could not stop the Apostle Paul for he was to enlighten the House of Lost Israel that YAHWEH had come in the flesh, and as YAHSHUA Messiah had completed His work.

Back there in the days of this Apostle the enemy was trying to move into the visible church to twist the message about YAHSHUA, twist it into socialism and Marxism. Today our people have become blind as to what the Bible does contain, and if you quote the Apostle Paul as saying the Yehudin are against God and contrary to all men they will turn and say: that cannot be true because the Apostle Paul was a Jew, and so was Jesus.

When the church says that anything which disagrees with the doctrine of their hierarchial even though their footnote tells you this was not in the original Scripture, isn't it strange to think there would be any value in these false passages, and that they would become church doctrine above the teaching of YAHSHUA and His Apostles.

However this could not happen unless YAHWEH'S people were confused in their minds in this battle with Satan. It is a great mystery as to how Israel can be so blind concerning their identity in these days of the great falling away until Christendom acknowledges these people, and says they are the 'chosen'. They even seek to rebuke Jesus who said the Yehudin were of their father the devil. They talk of the rapture so that they can take

over the world and the children of the kingdom will not resist, will not fight for their faith or their land.

Back through our history we find that time after time as the restraining hand lifted for a time, then always the Yehudin found a force to finance and throw at the Christian West. Today we see this on every front, but especially through the hierarchical of the visible church. The Apostle Paul thus warned us they will even sit in the visible church and tell Israel what they are to believe for they are the 'chosen' and that is where our Christian Faith came from, their Judaism. We see this in full bloom today here in 1984, and the program calls for a great drive this fall through TV to bring this all about so as there will never be any doubt in your minds.

Now; whether the enemy knows this or not this hindering influence of Lucifer is lifted so that YAHWEH may bring everything to a climax. Lucifer is permitted to turn loose all he has to try to take the kingdom. But YAHWEH also has the power and will adjust the power of His kingdom to combat this evil for the course of the program of YAHWEH for this earth is to destroy this Satanic power, this Mystery of Iniquity and all the sons of Perdition as well.

Satan's household has called for the closing of the ring around the kingdom of YAHWEH, calls for the destruction of everything YAHWEH has declared such as this recognition that He is our Father, that this seed must not be cut off for it is building the kingdom. And since America under the family system was bringing to fruition a great nation then the enemy moved to bring about a moral breakdown in this nation to reduce it because they must rule America first, then the other white nations will be easy as they take over with their One World Government. To tear down the Faith of America they would move to destroy our economic system as well until people would lose Faith in this type of Government. Social revolution instead of military invasion would be the proceed used although always they would hold the threat of military invasion over our heads.

Yes, scoffers have come into our culture and they say: did you think that things would always continue as they have in the past? America must change, Caucasian citizens must bow to the wishes of their minorities or

there will be revolution in the streets. Speak out against communism and you are a hater according to those who control the World Council of Churches.

Yes, the workers of Iniquity looked at this great nation of these United States and they saw this great civilization founded on this Bible, they saw that our founding fathers moved by inspiration had established this great nation. That even in the churches sermon after sermon was preached by our early church fathers lifting up the standards of the kingdom, these were the guiding influence of the nation.

And the Devil being a clever fellow knew that the way to capture men was to capture their minds. So that was the way chosen to change your thinking, and using this method they have gradually accomplished their goal. Lucifer knew that if the children of Iniquity could join the visible Christian church they could be more successful in blocking the operation of YAHWEH'S kingdom. This is not something new, it is only something which has intensified in this time of 'the falling away'. Before the fire in 1672 or 82, the British Museum had in their possession thousands of manuscripts showing this work of the infiltration of the visible church, so they were burned, but they are still available in scroll and text in different places, and many have been reprinted, and they are not noticeably tampered with. Every so often someone is bold enough to print them and these manuscripts go way back.

Now; the Scripture does outline for us this catastrophe introduced by Satan's offspring. Tells how they seek always to bring about their One world government. Seeks to mix and subordinate the great nations of YAHWEH'S kingdom, these nations called His Sheep nations. The enemy seeks to bring the Sheep nations to slavery and tie them up with the world order taking away their privileges and their strength. This battle of the mind is thus very important. The devils bring very devious ideas, have people even thinking that if you start searching for truth that you may even be doing yourself harm.

You aren't a satisfied person, or you would not be searching so look to them for instruction, only they can satisfy your curiosity as to what is to

happen for they understand the Scriptures. But we tell you that they are a part of this great 'falling away' in that they take advantage of the blindness of Israel.

We point out to you that we are seeing prophecy fulfilled. The structure of the physical church with its so called authority, and its instillation of the N.C. of churches, and the N.C. of churches, to its ecumenical conferences with the Catholic Church spreading out with a so called Evangelism of its own, is the church of Apostasy. Why do we say this? Because it became the church of Apostasy as the Church of Jesus Christ starts to announce to the world as it did in 1960 that it no longer believes that Jesus

The Christ is the image of the invisible God, or that all things were made by HIM, and for HIM. That He is the Sovereign YAHWEH God. When they say He was just a good man even tho a great teacher they made God a liar. They say this YAHSHUA (Christ) lied as He said: 'He who hath seen me hath seen the father.' They say, oh, he was just a man, he was deceived, he was emotionally disturbed.

They let the man who wrote 'The Passover Plot' make a basic contribution to the translation of the Scriptures, allowed him to defame the Name of YAHSHUA (Christ). Thus this Apostate church listens to men like this one and he confuses people. In fact my friends the literature of today which is put out as the high work of theology is being distributed today in Bible book stores over the nation, and the world with the approval of the National and World Council of Churches, and even now is appearing in Catholic book stores, these are volumes of Apostasy. Dr. Swift reported this back in 1965.

This then has been going on for some time while seminaries have been infiltrated and devout men have gone into those schools anxious to study the Gospel of The Christ but they find that He was just a man, and they are trained to be social workers, to try to help people with their problems. These could be referred to as theological seminaries not training men for the work of YAHWEH and His kingdom but for burying their Faith. Also for burying our people who have become casualties in this fight. This is

the great Apostasy and it brings troubles, problems, taxation, mongrelisation, integration upon you and your nation more than has ever descended upon a nation of the House of God in many generations. They are reaching out to analyze the people, helping them with all social problem, saying all men are the same irrespective of their religion. They are saying reach out to engulf the people of Buddhism, and Hinduism, all people although they are devil worshipers, bring them altogether because God is Love, we are all one household, all brothers. We even hear that Jesus was not so well educated, He was confused at times and we understand things better today.

The Apostle Paul here in II Thessalonians is warning you of these things that we have not seen come to pass. In verse 11., we read: 'and for this cause God shall send them a strong delusion that they should believe a lie.' We want you to know that YAHWEH never deceived His children or anyone and this god is not YAHWEH, this is BAAL, translated as God. Lucifer tells his people that he is god and they are the 'chosen' and they believe it because it gives them pleasure to move in unrighteousness. Verse 13.

When you come right down to it, which religion on the face of the earth does the Yehudin move against? Christianity of course, for they hate YAHSHUA, they hate the purposes of His program.

Now we do not want you to ever get the idea that the Anti-Christ's are going to take over the kingdom completely. It is the world order they rule over. They have fifth columned the Christian nations but that will come to an end. The Pyramid has always been the symbol of the Messianic Destiny of His Kingdom and the message that it portrays is that YAHSHUA comes to take the throne of His kingdom and to rule forever and forever. This Mystery of iniquity works until that time which is set for it to fall, and the Shekinah Light then destroys it for no error can live in the Shekinah Light.

The Apostle Paul then tells you that you are called by this Gospel of the Kingdom, to the Glory of YAHSHUA who is YAHWEH in the flesh (vs 14). Therefore stand fast, hold the word and traditions you have been

taught for by the Grave of our Father who loves us, all things will work for our good. Pray also that the Apostles and disciples be delivered from Wicked men for all men have not our Faith. (3:2)

And do not leave this Faith delivered to you, remember we command when with you that if some will not work neither shall they eat. (vs 10) The Apostle Paul is talking about working for the kingdom, and the bread of the kingdom.

Some of our race will be busybodies pretending to be working for God but actually they are not. (Could this be such as the ministers who in June 1984 went to the Soviet Union and came home and were praising the Soviet churches and their type of religion as did Billy Graham?), those will not understand the Gospel of the Kingdom.

You are to have no company with them yet if they are Israelites then count on him not as an enemy but admonish him as a brother, (vs 15) or it is YAHSHUA Himself who gives you the understanding, always, by all means. The Grace of YAHSHUA be with you all, thus Paul ends his Epistle to the Thessalonians.

In the Epistle to the Thessalonians the Apostle Paul has revealed many things as to what is to happen as YAHSHUA steps back literally into men's affairs. His message in II Thessalonians was about this great falling away from the Faith, even while religion is going great speed. Also comes the revealing of the 'man of sin', this son of perdition as translated marks this force. This seems a good time to answer questions with a sermon. Ha. We find that this is a great Satanic force led by Lucifer the Great Archangel who is now a devil in nature.

This is a family tree of darkness totally opposite from the family tree of YAHWEH'S kingdom. We find that these Satanic forces are reincarnationist and Lucifer can be embodied as he has been many times in the past. He and his fallen Angel hosts embodied produced progeny in earth who are termed Serpent or Dragon seed, they are thus the family tree of good and evil. This falling away from the Faith has been effected by this Satanic force and is a part of the Mystery of the Gospel of the kingdom which you are given to know.

These Ancient symbols of the Dragon and the Serpent have marked earth dynasties back through pre-Adamic history. To understand YAHWEH'S word you also have to identify who the children of the Dragon of symbolism are, and what Serpent seed really is, and why that symbolism is used.

Back through the history of the Adamic race we see historical incidents each seemingly a duplication of the one before showing the battle between the two kingdoms. As it effects our Adamic race we find the stories of the battle are between Adam Cadman and the Dragon which was an historic struggle between light and darkness. In the Dead Sea Scrolls this is symbolized as the battle between the Sons of Light and the Sons of Darkness.

Back in the background of the concept of the Dragon it must be remembered that this symbol of the Serpent was the symbol of Mystery Wisdom, but not necessarily of the Eternal YAHWEH. The Pre-Adamics considered the symbol of the Serpent as a symbol of wisdom, although that wisdom was not necessarily all good for it could be in error as well. Thus in the writings of Moses the story of the seduction of Eve was this symbolism of 'the tree of good and evil'.

This Serpent was only the symbol of the wisdom Lucifer in rebellion carried, this would be where the Dragon of the heavens got his wisdom as he fell, then this turned around. There are many great truths in the Book of Genesis that are hidden in symbolism because it was not written for the general knowledge of the World Order, but for the children of YAHWEH'S kingdom, and for these things to be understood they were interpreted by the Great Mystery Schools of His Kingdom and by the schools of the Prophets, by the Levites and later given to you by HIS Messiahship to lead you to all truth.

In the Book of Revelation there is much symbolism historic and Ancient, more than any writings which relates to our Christianity. We find that John also was given the symbols which reach back into the Millenniums of time, through the history of our race in the heavens, and then in earth. In this revelation given to John you find the relationship to Divine

Knowledge, and the relationship to the Adamic race of certain symbols of wisdom which YAHWEH had used to keep knowledge from fallen forces.

Today perhaps we do not have the approach which the Apostles had to this symbolism which is a work of prophecy, but there were mysteries of wisdom given to the Patriarchs from Adam to Seth, Enoch and Job, and so forth. And Enoch and Job these two Masters of knowledge walked with YAHWEH, they built the Pyramid, measured the sun, moon and stars showing that this was what YAHWEH intended to do.

This gift of prophecy has never departed from the children of the kingdom except certain times when trodden down by the pagans. YAHWEH kept a Prophet in Israel right up to the time when He came as Prophet, Priest, and King in His Messiahship of His Kingdom, and fulfilled the Atonement for His own race according to His plan. He gave a ministry in which the wisdom in almost everything He spoke was in allegory or it related to things He intended to do. And He intended the meanings for His people, but never intended that those of the Yehudin, Lucifer's kingdom were to understand HIM. He never went out of His way to explain it to the Yehudin who after all had no capacity to understand.

Since this 'man of sin', Lucifer and his kingdom people are to be revealed then we should find out as much as we can about them so as to recognize them today. In fact since all restraint is removed for Lucifer to see once and for all times that he cannot win then we need to recognize this force. Why? What is the reason he cannot win? Well, it is this built in radar system in you which our Father can activate, this spirit which is of His Spirit.

We thought we should look at these great battles of the past and see that this Dragon or Serpent is in all of these struggles even before Adam. But with the coming into flesh of Adam and Eve with their Shekinah Light, this light bothered those of the kingdom of darkness, thus the struggle between the kingdom of Light, and the kingdom of Darkness began in earnest as is the story of our Scriptures which you should understand. Always this Luciferian force tries to copy the symbols of YAHWEH and

His kingdom. Sometimes they are only similar for the Yehudin do not understand the symbolism of the Light Kingdom. For instance in the writings of Seth and of Enoch, the Throne of YAHWEH had 33 steps but on either side of the steps were Cherubim and Seraphim. Lucifer as he copied this throne for his in Ancient China used the 33 steps but on either side of the steps were two dragons, and always there were the serpents all around.

Archaeology has uncovered much of these Ancient temples scattered through out Asia and always the Dragon and the Serpent symbols are seen. Lucifer is trying to capture the symbol of Light so he used fire to impress people, but fire does not have the same radiance as the Shekinah Light.

Now; Seraphim were created heavenly beings, and those who rebelled with Lucifer were then called Serabs. They did not keep their first estate, became embodied and looked like men, but were devils. There is then those little Salamanders which can bury themselves into the ground and survive a forest fire, these are the symbols of the fallen Seraphim.

In the Hindu religion they serve the Salamander for they say they can walk through the flames, and not be burned, because the Serabs control the flames. When Israelites were told not to put their children through the test of passing through the fire this was one of the meanings of that Scripture, they were being warned for this is Satanic power that controls that flame.

Now; the first battle between the Kingdom of Light and the Kingdom of Darkness was between Adam Cadman or YAHWEH'S man, uncontaminated, Master builder, and Lucifer and his kingdom embodied.

We have told you before how Adam and Eve lost their Light, and how YAHWEH had to set them on the right road so the kingdom would continue. Well the Ancient people also knew that the name 'Cain' meant serpent or serpent god. Those people also knew that Seraphim and Cherubs were Divine dwellers in the flames of Light until they followed Lucifer in rebellion and became Serabs. Thus this name Salamander came from this old Aramaic word Serab. And the Serabs looked like men embodied but they are the children of darkness, and the Apostle Paul tells us that they are progeny, the children of the kingdom of darkness. They have our

supreme leader who is Lucifer and he has been embodied many times, has lots of progeny as does the fallen Angel hosts who rebelled with him. Lucifer was known then as the god of this world, the god of fire, and he has a counterfeit for most every symbol of YAHWEH'S kingdom.

In the Egyptian Book of the Dead we find another of this Adamic race described as one who battles the Dragon, the old serpent of the heavens. In that Book there is a story of Hermes who we say is Enoch, and we are told that he had a great staff, and on that staff was the symbol of completion. This was a cup held by the two wings of a great Eagle whose tail and head were hanging downward, and in each talon of the Eagle was a serpent with the heads of the serpents downward, as they entwined around the staff. This was also the symbol of the supremacy of the Eagle Kingdom over the serpent kingdom and his kingdom that eternal enemy of the Saints. When this symbolism is understood this is also the story of the Bible.

In the Egyptian history at this time Enoch and Job went into Egypt for the building of the Pyramid and their other work they found the Satanic forces were led by Sette and Soth. They had an old reptile confined to a cave and he was called a dragon, and was used to scare the people and keep them in line. Well, Hermes who was Enoch did not scare and Hermes with this great staff overthrew this dragon and was known thereafter as the Dragon Killer.

The Egyptians recorded that the serpent was Dragonis from the sides of the north, in the heavens to begin with. And Hermes or Enoch is pictured as holding in hand the Book of Life which was a green colour, and in the other hand he held this great staff with the cup, the Great Eagle and the serpents hanging head downward and his foot was on the head of the dragon he had killed, thus he was described as the Dragon Killer.

Always we keep getting this question as to where did the doctors get their symbol, the two serpents on the staff and the wings, the Cadussa? This is a hold-over from tradition although the heads of the serpents are now up instead of down. The tradition which came down through our race was the serpent on the staff, and was the destruction of the serpent which brings

healing to the earth. This symbol portrayed always by the Adamic race was to show the fulfilment of YAHWEH'S work in earth. The Doctors met many years ago in Venice for a conference and they were searching for a symbol of the healing practice of all doctors and they finally adopted this symbol of the two serpents with heads up instead of down, and the wings of an Eagle. They don't really know or even like to talk about it but the symbolism leads back to Hermes the Dragon Killer event though they have forgotten the meaning of symbolism.

There were two great Wisdom Schools set in place in Egypt and they carried all these symbol's of YAHWEH'S Kingdom. These two schools were portrayed down through Israel's history as two Pillars of Wisdom and you find this symbolism many places in our history. These two Pillars: The Jerusalem Pillar of Word, and the Universal Pillar, or Word. The Jerusalem Word, this school of spiritual wisdom was established by Enoch. And this taught many things of spirit.

The name first given to this mystery school was 'The Master of the Rose Cross', PHO-HANOCK, or sons of Enoch. In this school, men were taught the power of Spiritual Light. They knew of the power of the Great Disc of polished brass with the Eye of YAHWEH in the centre which reflected a blinding light when turned into the sun. Another symbol they carried was the 'Winged Orb'. And this you see even today in many Israel Nations.

The Masters of the Rose Cross taught that Spiritual Wisdom was a symbol of the family centre, the spiritual centre of the Kingdom, New Jerusalem, the race with the Spirit of YAHWEH. They drew their symbol from the Crux of the Southern Cross of the heavens. Enoch knew that under Divine direction, this spiritual wisdom could be applied to men's philosophy, their thinking, while the knowledge of science would come to all areas and aspects of earth as it related to Justice and Righteousness.

The Universal Word or system portrays the idea of the Grand Master of the Universe the symbol of the Ultimate attainment, Adam Cadman, YAHWEH'S Master Builders in earth building a temple unto YAHWEH. This the Priesthood of the Universe, Mason, and this an old word derived from Master Builders. This Mystery School was established by Job. And

here the law of the Fulcrum existed and all patterns of the science and law for use by these Master Builders now in earth. These two Mystery Schools came on down through Israel's History. Always you find the Yehudim trying to penetrate these Mystery Schools to counterfeit their symbols and their wisdom. The whole strategy of course was to mutate the areas of the symbolism and to seal off these areas of information.
