- 1. The unknown Evangelists Vision**
- 2. Timothy and Titus**

After reading Dr. Coleman's report on South America I thought of something I had read in a book entitled WWIII, by Charles Taylor. He is a minister in California who writes of prophecy and tries to predict when the rapture will take place. In this book he carried a report of 'The Jesuit Subversion in Central America.' I thought I would share this vision by this unknown Evangelist with you, and see if it does not make more sense with this report that it did to me as Dr. Taylor tried to tie it to the rapture some years ago.

Now; this Evangelist went up to the 86th floor of the Empire State building, and went out on the terrace to look through the telescope, then he had this vision and he heard a voice, several times. This is what he said

he saw and heard: (Quote) Suddenly I heard a voice which said: 'The eyes of the LORD run to and fro through out the whole earth to shew himself strong in the behalf of them whose hearts are perfect toward HIM. Herein thou hast done foolishly therefore from henceforth thou shalt have wars.' (Unquote) This is a direct quote from II Chronicles 16:9.

(Quote) I realized I was not looking at Manhattan Island but upon all of the North American continent spread out before me as though a map on a great table. I saw the Pacific and Atlantic oceans and instead of the Statute of Liberty standing here in the bay on her tiny Island, I saw her standing far out in the Gulf of Mexico, between me and the United States. (He must have standing looking north from South America). There before me lay all of North America and with her great cities, the Great Lakes, New York on the East and Seattle on the west and further south Portland, then San Francisco and Los Angeles. In the foreground lay New Orleans at the centre of the Gulf Coast area. I could see the towering ranges of the Rocky Mountains and the Continental Divide.

Suddenly I saw a giant hand reaching down from the sky toward the Statute of Liberty. In a moment her gleaming torch was torn from her hand, and in it immediately was placed a cup. And I saw that from that cup protruded a gleaming edge of a dangerous sword which seemed to threaten the whole world. As the cup was placed in the hands of the Statute of Liberty I heard these words: 'Thus saith the LORD of Hosts, drink ye and be drunken, spew and fall, and rise no more because of the sword which I will send.' I was amazed to hear the Statute of Liberty saying: 'I will not drink'. Then as though a voice of thunder the voice said: 'Thus saith the LORD of Hosts, ye shall surely drink.' (This is taken from Jeremiah 25)

Suddenly the giant hand forced the cup to the lips of the Statute of Liberty, and she became powerless to resist. The Mighty hand of God forced her to drink every drop of the cup. As she drank the bitter dredges of the cup I heard these words: should ye be utterly punished? Ye shall not be unpunished for I will call for a sword upon all inhabitants of the earth saith the Lord of Hosts. When the cup was withdrawn from the lips of the Statute of Liberty I noticed the sword was missing from the cup. Then as

though one drunken or having taken to much wine, I saw the Statute of Liberty become unsteady on her feet, and she began to stagger and to lose her balance. I saw her splashing in the Gulf of Mexico trying to regain her balance. I saw her stagger again and again and then fall to her knees. As she struggled I heard these words: 'Ye shall drink and be drunken, and spew and fall, and rise no more because of the sword that I shall send among you.'

As I watched she staggered to her feet and again stood swaying drunkenly. Suddenly another amazing thing then caught my eye, far to the northwest over Alaska a huge black cloud was arising. It was black as night, it seemed to be in the shape of a mans head. Then I saw two gaping holes and I realized that the black cloud was a skull. Then the shoulders began to appear, and on either side where long black arms.

This cloud seemed to be arising from behind the table where the entire continent of the U.S. was spread out. As the skeleton like cloud rose it was visible down to the waist, and it seemed to bend toward the U.S. one hand toward New York, one hand toward Seattle, overlooking Canada for now. As I watched the black cloud stopped just above the Great Lakes. Then out of the horrible gaping mouth began to appear wisps of white vapour like smoke. These whitish vapours were blown toward New York city, and the smoke spread until it covered the eastern parts of the U.S.

Then the skeleton turned to the west, and the smoke covered the west coast area. Then toward the centre came a third great puff and as I watched St. Louis, and Kansas City were enveloped in this white vapour, and on it came into the Gulf of Mexico where the Statute of Liberty still staggered. She took one puff and then began to cough as though to rid her lungs of the horrible vapours she had inhaled. As I looked I heard the voice again as He spoke: 'Behold the LORD maketh the earth empty, and maketh it waste and turneth it upside down and scattereth abroad the inhabitants thereof.

And it shall be as with the people, so with the priest, as with the servant, so with his master; and as with the maid, so with her mistress, as with the buyer so with the seller, as with the lender so with the borrower; as with

the taker of usury so with the giver of usury to him. The land shall be utterly emptied, and utterly spoiled for the LORD hath spoken this word. The earth mourneth and fadeth away, the world languisheth and fadeth away, the haughty people of earth do languish. The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant. Therefore hath the curse devoured the earth, and they that dwell therein are desolate; therefore the inhabitants of the earth are burned, and few men left.' (This is from Isaiah 24:1-6)

As I watched the coughing grew worse, and the Statute of Liberty was in mortal agony. There in the Gulf of Mexico she fell to her knees, made a desperate effort to rise and fell forward into the waters of the Gulf and lay still as death. Only the lapping waves broke the stillness as the waves splashed over her body partly under the water and partly out of the water. Suddenly the silence was shattered by the screaming of sirens, never had I heard such screaming sirens.

They seemed to be everywhere and I saw people running but not far until they would fall. I saw the Statute of Liberty try to rise then fall back face downward. I saw people screaming and I heard these words: 'A noise shall come unto the ends of the earth; for the LORD hath a controversy with the nations, he will plead with all flesh, he will give them that are wicked to the sword saith the LORD. Thus saith the LORD of Hosts, behold evil shall go forth from nation to nation and a great whirlwind shall be raised from the coasts of the earth.'

(This is from Jeremiah 25:31-33) And I heard the voice say: 'And the slain of the LORD shall be at that day from one end of the earth even unto the other end of the earth; they shall not be lamented, neither gathered, nor buried, they shall be dung upon the ground.'

Then suddenly I saw from the Atlantic and the Pacific and yes from the Gulf, rocket like objects that seemed to come out of the water like fish, all heading toward the U.S. And on the ground from different places in the U.S. came the interceptor rockets, but they did not seem to reach their targets and fell back to the U.S. and I watched these rockets which had

leaped out of the water like fish all explode at once into a huge ball of fire. Then as the noise subsided came the voice again: 'Blow ye the trumpet in Zion, and sound an alarm in My Holy Mountain; let all the inhabitants of the land tremble, for the Day of the LORD cometh, for it is nigh at hand; a day of darkness and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountain; a great people and a strong; there hath not been ever the like, neither shall be anymore after it, even to the years of many generation. A fire devoureth before them, and behind them a desolate wilderness; and nothing shall escape them.

The appearance of them is as the appearance of horses; and as horsemen shall they run. Like the noise of chariots on the tops of mountains shall they leap like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array. Before their face the people shall be much pained. All faces shall gather blackness. They shall run like mighty men, they shall climb the wall like men of war; and they shall march every one in his ways, and they shall not break their ranks; neither shall they fall upon the sword, they shall not be wounded. They shall run to and from the city, they shall run upon the wall, they shall climb up upon the houses; they shall enter in at the windows like a thief. The earth shall quake before them, the heavens shall tremble, and the sun and the moon shall be dark and the stars shall withdraw their shining.' (This is from Joel 2:1-10)

As the voice became silent, the earth to was silent and to my ears came another sound, as though of distant singing. It was the sweetest sound I ever heard. I had never heard such singing and joyful shouting, and sounds of laughter. Immediately I knew it was the rejoicing of the Saints of God. I looked high in the heavens and I saw a huge Mountain. It seemed to be a solid rock and I knew it was the Mountain of God. Here was where the singing was coming from, high upon the side of the rock Mountain. It was the Saints of God who were rejoicing. It was God's own people singing for joy, safe from all harm which has come upon the earth for they were hidden away in the cleft of the rock, protected by the giant hand of God reaching out shutting them in until the storm had passed.

This ended the Evangelists vision, so what does this mean to you? I always remember that the ending seems to help in deciding what it is all about. I

learned that from Christine. So in Allegory then what this man was seeing was the great Stone Kingdom protected through this final battle. The Saints or believing offspring saw it all happen, and then were rejoicing because now the kingdom of YAHWEH takes over as Great Babylon, Lucifer's kingdom falls. This is the same promise as always, and as to the Statute of Liberty in the Gulf of Mexico, we as a nation lost the symbolism of the Statute of Liberty when we allowed a woman not of our race to have that inscription put on it, for we were not as the Last Great Nation of His Kingdom to take in the riffraff of the world and integrate them among our people.

In the planning of the One Worlder's then Central America is to doom the United States, as they use that situation to try to draw the U.S. financially, and by infiltration into that death trap. For instance see what came in from the South under the Carter Administration. Thus in this picture the Statute of Liberty as she was taken over should be down in the Gulf. She is also literally without her torch today as she sits in the east, here in 1984.

As to the cup put in her hand, then read Jeremiah 25, for this is the cup of wrath of YAHWEH, it is a judgment on the world order, it is the sword of truth, and in this final battle of Armageddon, in this 'Great and Terrible Day of the LORD' then Lucifer and His hosts are finally and completely whipped and their version of the Statute of Liberty is no more. But the Saints and the kingdom people are protected by Our Father, and we will come through this battle and then rejoice.

Joel 2:1-10; in also 'The Day of the LORD', the power of Zionism is finished and the world order under Satanic control is finished as the kingdom rises. This vision then to me goes along with the prophecy of the Scripture, could it be that as the enemy tries to finish the Sovereignty of the U.S. with Central America that this will be their Waterloo instead of ours? Time will tell, but a false Statute of Liberty falling there would be very logical.

Now; the Epistle of Paul to Timothy: You know that Timothy was not literally Paul's son, just a close relative. You find the same translation when talking about Titus, although they do add: 'After the common faith'.

There are things in the Book of Timothy that Dr. Swift thinks that Paul never wrote for there is a trend today to depict Christ and Paul as one against another. This is an entire design Satanically to down grade Paul. Anytime you find this then analyse because the Apostle Paul in anything YAHWEH-YAHSHUA inspired him to say is accurate. Anytime you find Paul seeming to say anything not in compliance with the plan of YAHWEH then go back to the concordance and find where someone has applied the change because it is there.

Paul at times said: 'I am now speaking or thinking as a man,' but even anyone with Paul's experiences would be worth listening to. However at times a certain human factor would rise up and Paul would acknowledge this. But the fantastic superficial additives which have been made, have been made to stand out so distinctly against the great pattern of truth that Paul was in no contest with The Christ. Paul was given that great spiritual, physical, and transitory force into the children of the kingdom. The children were to be transformed in their consciousness, their thinking, their attitudes, not because they earned it but because He bestowed it upon them.

QUESTION: I Timothy 1-3. What other Gospel is it talking about?

ANSWER: Any other than the Gospel of the kingdom which Paul and the other disciples delivered. Some wanted to teach only the law which of course was good, but now they were to go forward under the new covenant with the Gospel of the kingdom, for the atonement and resurrection is over with. Of course the law is good if a man use it lawfully. (Vs 8) But the law is also not made for the righteous man, or one totally walking in the Faith, in the plan and purpose of YAHWEH. The law is for those who are disobedient (vs 9-10).

The Apostle Paul then says: I thank YAHSHUA, who is YAHWEH in the flesh, for HE hath enabled me to come into this ministry (of the Gospel of the kingdom) although I was before a blasphemer, a persecutor, and I injured many. But I obtained His mercy because I did all this in ignorance, in unbelief. (vs 12-13). The Apostle Paul is encouraging Timothy to remember the Faith delivered by the Apostles and to let nothing turn him

aside from this Faith, this Gospel of the kingdom that YAHSHUA preached, even though some have now turned away. Some have turned down some side path. (vs 19-20).

Paul is talking about those who were teaching different doctrines. Here they were saying that now that the resurrection is over with, and that is all the resurrection there will ever be. In other words they did not understand the plan and purpose of the atonement, or even the resurrection, and certainly not the Gospel of the kingdom. This is also found today as they deny there is a difference in people in their destiny, and their place in YAHWEH'S program.

They were thus leading some of Israel down a wrong side path. Paul wants Timothy to be on guard against this for there is a straight and narrow path sort of like a long tunnel which has lots of little side tunnels. We find this even in the Identity movement as all start with the awakening face that the Adamic race are the Israel of the Scripture. Some even want to forget everything before Abraham and start there, then they go down some side tunnel, when not understanding the program of YAHWEH, and the why??? of Adam and Eve.

Perhaps ego gets in the way of some, perhaps money or various other things come up, and some of the people even in the Identity movement will come so far then at some side tunnel they go another way thinking they have the whole story. They seem to not realize that this is a continuous fight generation after generation with the Serpent seed, as you try to hold on to all the facets of this story, of the Faith delivered by YAHSHUA to the Apostles and they to Israel. We have seen one Identity minister decide the resurrection occurred in 70 A.D. and that was all of it even though he seemed to know many things at the beginning of his ministry. He then went down a side tunnel and it effected his thinking from then on.

Thus you see that even back in the days of the Apostle Paul men were already finding these side tunnels and Paul was warning Timothy to beware of anything which would side track him from this glorious message of atonement, restoration or resurrection which was to see the redemption of the body. You find this in the theme of Paul's Epistle to Timothy, stay

on this path for there is light at the end of the tunnel of this Satanic harassment, this is the only true light which is Shekinah Light.

QUESTION: 'Who will have all men to be saved, and come to the knowledge of all truth'. I Timothy 2:4.

ANSWER: The men here are Israelites for the Apostle Paul was an Apostle to Lost Israel. The word men then is Adamites, someone different who have the Spirit of YAHWEH. Thus YAHWEH will have all Israelites to come to the knowledge of the truth. 'For there is one YAHSHUA, one Mediator between YAHWEH, and this race. This is YAHSHUA, the embodiment of YAHWEH. And he gave himself a ransom for all to be testified in due time.' (vs 5-6)

Remember the testimony the Apostle Paul has always carried. After all he knew where the Adamic race came from, knew the purpose for which they came into the flesh. Paul knew Adam was the first of the Adamic race formed, and that Adam was not deceived as he knew better when he violated Divine Law. (vs 13-14) Knew that Eve was deceived, but she is restored for she is the Mother of the Race. The woman is the child bearer and only if she continues in the Faith can she bring forth the generations of the kingdom.

This program of the family, the wife protected, provided for as the husband is head of the family is YAHWEH'S program. It is also the program which made America great, thus the enemy moved in to corrupt this program. The enemy went after the education system, so that young men would not be equipped to fulfil their responsibilities as head of the home. The tax system was put in place so as to force the wife outside the home to help provide for the family, this has caused casualties in the family situation. But we are in this time of the great Apostasy, this falling away from the Faith, and Paul was warning Timothy who was of the Next Generation to be sure and stay on that straight path so that the next generation after him would have true story, and could stay on that path down the tunnel toward that Shekinah Light.

In Chapter three the Apostle Paul is outlining the importance of the work of the Bishops so that knowledge shall be passed on to the next generation.

Here he is also stressing the importance of the family unit, the mans responsibilities as head of the family which in symbolism reached back to YAHWEH, His race, His family with ONE at the head of the household Our High Priest YAHSHUA, YAHWEH, in the flesh.

QUESTION: What is the meaning of Godliness? (vs 16)

ANSWER: This is God Likeness, another facet of this Mystery of the family of YAHWEH. Paul then said: 'YAHWEH was manifest in the flesh, justified in the spirit, seen of Angels, preached unto the nations (gentiles), believed on in the world, received up into Glory.' These are just some of the great truths delivered to Israel, that YAHWEH came in the flesh, he walked embodied as YAHSHUA, and as Messiah He redeemed His people, showed the power of the Spirit as He rescued His children from the Netherworld, then raised HIS physical body from the tomb. He was seen of Angels, by the Saints (believing offspring) and He taught Lost Israel leaving these truths with the Apostles, was believed on in the earth by His race, then went back into the planes of Spirit and raised up the Sceptre hand of authority from that position once more.

In the Mystery of God Likeness this is the Likeness YAHWEH passes on to His children. In the hour when Godlikeness reaches its fullness then His Spirit within His people will bring out the true heart of investigation in our race which will reach out to put down even the last enemy which is death of this physical body. We have been assured that children of His Spirit will arise, with Light enveloping Glory. You will do this by Celestial Light Energy which will balance every atom of your tissue, and put it back in perfect norm because the book keeping quality of the knowledge element which holds it all together knows how it should be, and can adjust it with Light and Power.

Yes, we have this Mysterious Godlikeness, God existence as well as other Mysteries such as Christ and His Church, but perhaps the most important Mystery is the secret of the connection of the MOST HIGH to our race. Behind this is the reason for segregation, for the 'calling' of a special people. Behind it is the Mystery of the synthesis of the Universe as well as the Mystery of you and me, of YAHWEH'S Israel, Issue ruling with HIM.

Remember that the Apostle Paul said: I do not speak only wisdom of the things of earth, but I speak wisdom among those which are perfect. Here he was referring to the spirit in you which was born of incorruptible seed which lives and abides forever. Paul was speaking to the children of spirit resident in physical bodies. Remember Mysteries were unveiled to the Apostle Paul as to the origin of his race. Unveiled to him in the third and fourth heavens. He said they were secrets but today knowledge is increasing because of the time in which we live, and since YAHSHUA said: 'Unto you is given to know the Gospel of the kingdom', then every secret thing you shall be made known.

Now; there are those who have a form of Godliness but they deny the power thereof., from this they turn away. They profess different objectives but they do not have the courage to admit they are for many of the things they believe. You find many people who are afraid to acknowledge what they believe because they would be considered anti-social. To be pro-social is to get along with the whole world. But if you are going to get along with the whole world you can't take a stand for YAHSHUA (God). These people give lip service to YAHWEH who ordained you to take a stand, and they then only look forward to defeat, they plan for it, work for it to get out of this world.

We can assure you of this that Almighty YAHWEH set up a blueprint when He sent His kingdom people into the world to transfer 'power' from heaven to earth. Transfer it upon those who have the capacity to receive because their Celestial natures and consciousness were in complete harmony with HIM. His children are to be transformed in their consciousness, their thinking, their attitudes, not because they earned it, but because He bestows it upon them.

QUESTION: 'Forbidding to marry, commanding to abstain from meats which God hath created to be received with thanks giving of them which believe and know the truth.' I Timothy 4:3; please explain?

ANSWER: In this fourth chapter of I Timothy the Apostle Paul is still warning about how some people will depart from the Faith, giving heed to seducing spirits, and doctrines of devils, speaking lies in hypocrisy,

having their conscience seared with a hot iron, forbidding even their Priests not to marry, and commanding people to abstain from certain meats and things like that. The Apostle Paul is just warning that many new restrictions will arise, such as forbidding Priests to marry, eat fish on Friday, and many man made restrictions imposed by hierarchies. These were not from YAHSHUA, not from the Apostles for it was not a sin to marry as the Apostle Paul tells us in I Corinthians 7:28.

All these restrictions then of robes, collars on backward, and such, are from the Ecclesiastical hierarchies with the idea to hold their people and impress them with the supposed superiority of the hierarchies. The Apostle Paul is impressing on Timothy that everything will be tried so as to tear down this Faith, this Gospel of the Kingdom, this witness, the understanding of the Mysteries delivered by the Apostles. Therefore Paul tells Timothy to be an example to the Israelites, and remember that he has been given the gift of understanding this fulfilling of prophecy which has taken place such as the crucifixion, the resurrection and so forth. (vs 14)

Timothy is told to continue in his teaching so that those who hear may understand for in doing this thou shalt save both yourself and those that hear thee. (vs 16) In other words Timothy will then be doing what he is supposed to do in that Salvation to Israel is the returning to YAHSHUA who is YAHWEH in the flesh. Timothy understanding this can point out 'the way' for others of Israel to follow.

The Apostle as he ends his first Epistle to Timothy says: Oh, Timothy keep that which is committed to thy trust avoiding profane and vain babblings, and oppositions of science falsely so called which some professing have erred concerning the Faith.' I Timothy 6:20-21.

In Second Timothy the Apostle Paul has been instructing Timothy and telling him of some of the situation he will find, how some will fall into temptation because of the 'love of money'. (vs 10) How because of that they will fall from the Faith. How because of this love of money they will try to gain more than is necessary for a good life while carrying forward the Faith. Thus Timothy is to stress to Israel Brethren that they put their trust in the 'Living YAHSHUA' who giveth us all things and leads us into Eternal Life. (vs 19)

QUESTION: 'I know whom I have believed and I am persuaded that he is able to keep that which I have committed unto HIM against that day.' (II Timothy 1:12)

ANSWER: The Apostle Paul has just finished telling Timothy not to be ashamed of the Testimony of YAHSHUA nor of Paul who is a servant of YAHSHUA delivering this Gospel of the Kingdom to Lost Israel. After all YAHSHUA has saved His people, calling some not according to their work, but according to His purpose. And YAHWEH has through His work as YAHSHUA abolished death and brought life and immortality to Light through this Gospel. Since Paul was thus appointed an Apostle to Lost Israel then he said he now knew who he believed, and that he was now persuaded that YAHSHUA was able to keep his Spirit which He had committed to him, until his work here in the flesh was finished, until he could step back into the plane he came out of.

QUESTION: 'Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth.' II Timothy 2:15.

ANSWER: The Apostle Paul is still instructing Timothy, so that he will be a good witness, a good soldier for YAHSHUA. He must also be careful to study and to remember the word of truth for there will be some who will drift into error, and Timothy will have to be careful not to follow those errors. Some were even back then saying that the resurrection was already past, there would be no other resurrection, and this is error, and was overthrowing the Faith of some (vs 18). These were those who did not understand the program of YAHWEH for this earth. They would not understand why the crucifixion was necessary, or that the resurrection showed His children the way, thus the resurrection is the Arch and Keystone of the Christian Faith.

The Apostle Paul made this statement to Timothy, this young minister: 'Know that in the last days perilous times shall come. (vs 1) People will be lovers of themselves, who will be covetous, boasters, proud, blasphemers, disobedient to parents, thankful for nothing and unholy.' 'And since they do not have natural affection they will be truce breakers,

false accusers, traitors, and despisers of those who do good. And they will have a form of Godliness but will deny the power thereof, and from such, turn away.'

Now; in the instance of this remember how the Apostle Paul was carried into the heavens, and there he was given the vision of what was to occur in the last days, and he wrote of these things for our enlightenment as well. He not only wrote of things to come to pass, but told us why they would come to pass, why they would happen. Look around today as you see the traitors in High Places, as you see those who are convectors of power and of wealth. They would make a covenant with the devil and all of his forces if they thought it would give them this force of power which would build for them a power dynasty.

Thus there are those who have a form of Godliness, but deny the power thereof, from this they turn away. They do not have the courage to carry out the objective of the things they admit they are for. Lots of people are like that, they feel this is the way of truth, but they are not quite sure they want to acknowledge that they believe these things lest they be called anti-social. Many are afraid of being wiped out economically or socially so don't take any stand against anything. Here in this great Christian Nation we see leadership over the years has selected as advisors who are enemies of YAHSHUA, who are working behind the scene for the destruction of this as a Christian nation. And we understand that leadership has been covetous of power or it would not have made such strange alliances for power. There is no question but that this reaches into the areas of religion as well.

Yes, Paul was given this vision of things to come to pass in the end of this time, when the Anti-Christ would be waging this final battle against God's kingdom. The Apostle John also would warn of these perilous times, and would find that even in the Ecclesiastical areas there would be this battle against the true foundation of and the principals of YAHWEH'S kingdom. All patterns of false instructions in the areas of Ecclesiastical power are referred to as Harlotry daughters of Babylon. Thus Babylon is the symbol of false prophets, false Ecclesiastical power as well. In order to accomplish its objective against the Christian Church an invasion of Satan's children

took place in the denominations and especially in the largest churches. In our day the penetration has been great in the areas of the Ecclesiastical hierarchies. We find today that the so called Christian hierarchies are waging war against the institutions of the kingdom.

The perils of our times come because of the falling away from the proper instructions, and the carrying out of the blueprint of God's kingdom. This falling away from the Faith, is a falling away from the instructions and it brought a loss of vision which is so essential in being translated into government, so as to build a government for this great nation of His Kingdom.

In every generation you find this same battle between the children of darkness and the children of Light. However here in this time of the great 'falling away' from the Faith is allowed to throw everything, Satan can conjure up, throw it at the kingdom to prove to Satan once and for all times, that he cannot destroy the kingdom of YAHWEH.

In chapter four, Paul is still talking about this Great Falling Away from the Faith. He also records that YAHSHUA will judge the 'quick' and the dead at his appearing, when the Kingdom is revealed. (vs 1) Thus he judges between the children of the kingdom (translated quick) and the world order under Lucifer. The time comes when Satan's ministers will not endure sound doctrine, but after their own lusts shall they heap to themselves teachers having itching ears and they shall turn away from the truth unto fables.

Actually in our time we have seen Christian ministers in blindness talked over our education and publications, and influencing our government until we support the Anti-Christ, these programs which are destroying our nation. In fact the program is not new, it has always called for the changing of the Christian nations into a One World Order.

This is what the symbol of the Dragon and the Serpent are all about. This is what we are talking about as we say the Asiatic dragon comes against the Christian west and brings all the dark serpent seed to throw against the woman-Israel, or YAHWEH'S Kingdom People. We have surely come

to the overlapping of 'tare time' and the 'day of the LORD', thus we should not be surprised at the developments today if you have any understanding of the program laid out in the Scriptures. The Apostle Paul was telling Timothy that his time here in earth is almost over and he wants Timothy to carry on for his generation. Then Paul said: I am ready to be offered, the time of my departure is at hand. I have fought a good fight, I have finished my course. I have kept the Faith. Vs 6-7.

The Apostle Paul is realizing his work in the flesh was about finished, he is ready to die a martyrs death, and what the enemy then did to his physical body showed their hatred of YAHSHUA, for the Apostle Paul's testimony was that YAHSHUA was YAHWEH in the flesh, and this they did not want to hear. We know that those from the 'Palace of the Britons' there in Rome rescued the mangled body of this Great Apostle to Lost Israel after the enemy had shown their hatred.

Don't you think it is time we in this Great nation of YAHWEH'S kingdom say enough of this helping people who hate our Saviour, time to say enough for those who hold leadership positions in our nation, and control our economy, and tell us what we should believe. We think we should remember that YAHWEH never asked His people to resign from this fight. In face He talks about the climax of this age, and move forward in a new Age of Light and Glory where there is no defeat. This comes remember right in the midst of all the attempts of the forces of anti-Christ to destroy us.

Thus we do not want you to ever get the idea that the Anti-Christ is going to take over the kingdom. It is the world order which Lucifer rules not the kingdom. Oh, he has bombarded the kingdom with all the filth he can muster. He has fifth columned the kingdom as well, but the Christian nations in their hour are going to awaken and eliminate the Anti-Christ from their society for this is our destiny.

The Epistle Paul to Titus: In this letter to Titus again the Apostle

Paul reminds you that he is an Apostle of YAHSHUA according to the Faith of YAHWEH'S elect, or his children, and that YAHWEH has

promised his children Eternal Life before this world was framed. Paul is reminding Titus that He has been taught the great truths of the Faith so hang on to those truths for there are many unruly and vain talkers, deceivers, especially they of the circumcision who teach things they ought not to teach. (Vs 10-11) As you read through verse 14., you find that these are those teaching Jewish fables, and commandments of men and they turn people from the truth. So back in those days they also had the same problems for those who were not Israel had taken over areas of religion, and were professing that they knew YAHSHUA but in works they deny HIM, being abominable and disobedient, and every good work they do is opposite from the truth. Vs 16.

QUESTION: 'Who gave himself for us, that He might redeem us from all iniquity and purify unto himself a peculiar people, zealous of good works.' Titus 2:14.

ANSWER: Again we see this word peculiar people, meaning a special or One's own. The same story, as laid out through the Scriptures. The Apostle Paul goes on saying that we (Israel) were foolish, disobedient, deceived, serving pleasures, doing things we should not do but our Saviour came and saved us by renewing the connection of the Holy Spirit. That we are justified by His Grace, and we are thus heirs according to this hope of Eternal Life, which we have had since before the world was framed.

There is nothing new in the Epistle to Titus only a reaffirming of the Faith, the great truths delivered by the Apostles after they were instructed by YAHSHUA.
