Bible Study - Genesis 2

IN GENESIS I., WE LEARNED THAT THERE WAS A GREAT FLOOD ALL OVER THE EARTH AND THAT THE "WORLD THAT WAS" UNDOUBTEDLY WAS DESTROYED BY WATER. Then a restoration of the earth occurred, and everything again restored, even people, both male and female were put back and then we see that everything restored once more looked good.

We also learned that the title "God" includes both YAHWEH and His household, the Elohim as this restoration was performed. Then there must have been a long, long period of time, and the Darkness of Satan and his household came into earth after being run out of the heavens, and we have to go to the real old books and traditions as well as the Bible to get a glimpse of the catastrophes which occurred as Satan used the Negroes in

a mongrelisation program to try to set himself up as master of this world. Confined here in earth we see lots of catastrophes took place such as continents sank, and mountains rose, all this over 11,000 years ago where there is still no trace of Adam until much later.

The Bible does carry some of the story as to the oppressors plans and archaeology discloses what must have taken place, but as to how many thousands of years between the first chapter of Genesis, where we find that Moses was just giving us bare statistics, and the second chapter of Genesis we do not know.

Now; you realize just why we say the Bible is not just to be read, it is a library of books for study.

CHAPTER 2

Vs:1 "Thus the heavens and the earth were finished and all the hosts of them." The conformation of this is in the New Testament: II Peter 3:7-8; "But the heavens and the earth which are now, by the same WORD are kept in store (or treasured up) reserved unto Fire (Shekinah Glory) against the day of judgment and perdition of ungodly men. But Beloved be not ignorant of this one thing, (or do not let this thing be hidden from you) that one day is with the LORD as a thousand years, and a thousand years as one day."

Vs:2 "And on the 7th., day (or in the 7th era) God (YAHWEH and the Elohim) ended their work which they had done and rested on the 7th., day from all the work of recreation, or restoration."

Vs:3 "And God (YAHWEH-Elohim) blessed the 7th., day and sanctified it; because in it they had rested from their work, which they had made and created."

Vs:4 "These are the generations (family history) of the heavens and the earth when they were created in the day when the Lord God made the heavens and the earth."

Vs:5 "And every plant of the field before it grew in the earth, and every herb of the field before it grew (remember the chicken came before the egg?) for the LORD God had not caused it to rain upon the earth and there was not a man to till the ground."

There was not at that time then a man as yet with the knowledge of Agriculture, or who knew how to till the ground and make it produce and feed himself and his family. Now; since the other people had been created and restored after the earth was put back in place then who would come to fulfil this job? It would only be Adam of course, and later Christ is called the second Adam so how do you explain that?

Vs:6 "But there went up a mist from the earth and watered the whole face of the ground."

Vs:7 "And the LORD God formed man of the dust of the ground and breathed into his nostril's the breath of life, and man became a living soul."

This is the first use of the Hebrew Adam for man, and Enosh for others. See Appendix 14. Ishah is feminine or woman, and Ish is male or husband. And this is a great man in contrast with ordinary men, and in speaking of this then YAHWEH-YAHSHUA is the greater for He is married to Israel. He was the husband, or the Great One in contrast to Adamic men, and when God is thus spoken, the word is Ish. The children of Adam are called the children of Ish, whereas the Enosh are spoken of as in a bad sense, like physically weak, no light, and morally bad and so forth. There is always a marked difference between the two.

Now; in Appendix 16., we read of this 'Breath of Life' and this is the first time this is spoken of, it was only male and female in Genesis I., but from on in Scripture when referring to Adam-man you will see this phrase 'breath of life'.

The word 'Soul', see Appendix 13, the Hebrew word for soul in the Old Testament is used in many different places and meaning different degrees of mental ability, from the lower animals to this Adam-man who is termed A LIVING SOUL. That is the key here, making Adam-man different, for

Adam became a 'living soul'. The word 'living' is the key showing he had a different beginning, since God breathed into this form prepared for Adam. Remember that there was also a body prepared for YAHSHUA so that He could come into the flesh.

Vs:8, "And God planted a garden eastward in Eden, and there He put the man He had formed."

Now; Eden, in the Hebrew, and in the Septuagint this place is Paradise, and this Companion Bible says this may have been a special planting and was lost track of when Eden became lost.

There are three gardens in the Bible: Eden where habitation was lost because of sin (breaking of the law not to mix with another race) and Gethsemane where death was the price for sin, and then the sepulchre which signified Death to Sin.

Eastward in Eden in the early cuneiform texts showed Eden as 'a fertile plain' which you would expect for a garden. And if Eden was Paradise then it was eastward of this Paradise where this garden was planted into which Adam was placed.

Now; I can tell you this from the Swift Ministry and the old books that high in the Himalayan Mountains in Asia to the west, northwest of the Tarim Basin are the Tien Shin Mountains, and in the old books they were called the Celestial Mountains because those people bearing knowledge from God were said to have come out of those mountains and into the Tarim Basin. They were called Manu, Hu-man, or spirit man. It is said in tradition that this couple could come and go from the Garden out through the opening into inner earth and that they were covered with a brilliant light.

Lucifer and his people were interested in these people but this light was a great distress to them. Lucifer, remember, was once a Great Archangel before his rebellion but still retained a great knowledge even though he was confined now this Solar system. But here on this earth YAHWEH would make this the theatre of the universe for here YAHWEH as

YAHSHUA would crush the head of the Serpent and once and for all times bring this rebellion to an end.

You have noticed in Genesis I., that the "World that was" had to be destroyed, by water, and still after that restoration the Serpent had not learned that he would not be allowed to take YAHWEH'S place here in earth.

He was jealous of the children of spirit and would therefore not serve YAHWEH and His household as he had done in the beginning. In other words, Lucifer was now in deep rebellion, nothing would stop him now but the coming into flesh of YAHWEH as YAHSHUA, Saviour to rescue His children also here in the flesh.

In his rebellion then Lucifer would try to change everything that YAHWEH had placed on this earth, and he would do this by mongrelizing everything that had been created and made.

Then into this picture comes the Adamic Race to try to show their power and try to stop what they had watched happen from the heavens.

Vs:9; "And out of the ground made the Lord God to grow every tree that is pleasant to the sight, and good for food, and 'THE TREE OF LIFE' and the 'TREE OF THE KNOWLEDGE OF GOOD AND EVIL.'

Alright, have any of you been interested in tracing your family tree? Here we have two family trees. Remember that Adam and Eve received the Living Soul (mind consciousness of YAHWEH). Thus here is the 'Tree of Life' in the Garden but also here is this other tree of 'the knowledge of good and evil'. What can it be but the Tree or Household of Satan? And as you noticed this tree, or family, is also right there in the Garden, with this start of the Adamic Race. Remember also that all the other races created on earth had fallen under the wrong teaching of the Satanic household. Now we are to see if Yahweh's children now out from under their supervision of the Holy Spirit, can stand against this rebellious Archangel as they thought they could before they started this trip into earth.

This Tree (race) which will be supporting and continuing the LIFE which had been imparted having been told they will fall, and will later have to be redeemed are now on their own here in the garden, here also with this tree (race) which has the knowledge (perception) of both good and evil.

Vs:10, "And a river went out of Eden to water the Garden and from thence it was parted and became 4 heads."

What are you talking about here? People have been looking for these 4 rivers on the map of the world, but remember we are dealing with symbolism here.

And these rivers went out from Eden, and rivers are also in symbolism people, streams of people, thus the race of this "Tree of Life" comes out of Eden with the program of YAHWEH and they are to make the garden grow, and later they will be parted into four heads. We tell you that these are people after the son of Adam and Eve named Seth is born. They will go out as sons of Seth and as they leave this ancient area they will go down into the Mesopotamia areas and they will thus make this race from the Garden grow.

Vs:11 "The name of the first river is Pison, that is it which compasseth the whole land of Havelan, where there is gold."

Vs:12 "And the gold of that land is good, there is bdellium and the Onyx stone."

Here you have symbolism that is to help you figure out just where these people went and who they are.

Vs:13 "And the name of the second river is Gihon, the same is that which compasseth the whole land of Ethiopia."

Here you are told that this is the Acadian land of Cush, not the African Cush or Ethiopian Cush. And it is true that there was an Arcadian Cush, but Ethiopia also figures in the land which is another story of the Queen of Sheba and King Solomon.

Vs:14 "And the name of the 3rd., river is Hiddekel, that is it which goest toward the east of Assyria, and the 4th., river is Euphrates."

The Euphrates is termed the Great River, and there was a river in this story called the Euphrates which is a certain area which saw this 'Stream of Life' people come into and pass through more than once. Remember here also your symbolism of numbers, 1-2-3-4 and you realize this is just a description of the coming of this 'Stream of Life' out of the 'Tree of Life' as they multiplied and came out of that high mountain on their march of Destiny. We think these verses are here out of sequence, perhaps so that you would not realize the drift of this story. But going back to the placing of Au-daum (Adam) in the Garden we then read: .

Vs:15, "And the Lord God took the man and put him into the Garden of Eden to dress it, and to keep it."

Vs:16 "And the LORD GOD (remember this is YAHWEH and the Elohim) commanded the man saying, of every tree of the Garden (fruit trees) thou mayest eat freely."

Vs:17 "but of the 'Tree of the knowledge of good and evil' thou shalt not eat (partake) of it; for in the day that thou eatest thereof; thou shalt surely die."

Now; this was the warning given to Adam the man who was to keep everything in the garden safe. Eve had not come on the scene as yet, but the apostles would tell you much later, that the 'Woman was deceived', but the man (Adam) knew better because he 'walked with God'.

Thus the warning was that the day Adam did this (mixed with this Satanic race that, he would surely die. And you will notice later that Adam died before the 1000 years were up, for with YAHWEH, a thousand years were as a day. And we also remember that Adam was told that this would happen, long before it did come to pass.

Here also you now know that the mixing with this 'Tree of the knowledge of good and evil' would bring on the work of the CROSS for Adam's

redemption and thus showing the difference between the program of YAHWEH as Saviour and Satan's program for the earth.

Vs:18 "And the Lord God said, It is not good for the man to be alone, I will make a helpmate (his counterpart) for him."

Vs:19 "And out of the ground the LORD God had formed every beast of the field, and fowl of the air and brought them to Adam to see what he would call them; and whatsoever Adam called every living creature that was there a name thereof."

Vs:20 "And Adam gave names to all cattle and to all the fowls of the air, and to every 'Beast of the field', but for Adam there was no helpmate. (Female)

Vs:21 "And the Lord God caused a deep sleep to come upon Adam and he slept; and he took one of his ribs, and closed up the flesh thereof."

Vs:22 "And the rib which the LORD God had taken from the man made He a woman and brought her to the man. (Adam)

Vs:23 "And Adam said; This is now bone of my bones and flesh of my flesh; she shall be called woman, because she was taken out of man."

Now; you understand that this body (Audaum) formed for the entrance of the 'spirit children' into earth was both male and female, and it is explained this way in symbolism so later you will understand that you also as spirit children came from YAHWEH, and in earth were also called; 'Bone of his bone, and flesh of his flesh.'

Adam and Eve were by this process, and explanation, were thus One Race, same type of spirit to start with, and will thus be able to produce the Kingdom of God in the earth. The instruction to Adam goes on:

Vs:24 "Therefore shall a man leave his father and his mother and shall cleave unto his wife; and they shall be one flesh." (Always the idea, they were to be one flesh, one race, to build this kingdom.)

Vs:25 "And they were both naked, the man and his wife. And they were not ashamed.'

Here this word 'naked' means that they had not as yet sinned, they still retained this Light of Spirit on the outside of the body, which was a covering for the body. But it was this Light which bothered Satan's Household, which was also there in the garden.

Now this Light is like an aura around the body, a soft covering which is just like clothing, and they needed no other covering, but as sin occurred you will see that this Light covering will disappear, it goes inside the body, so it is still there but no longer visible to other people, and even to themselves.

Now; we do not know how long this situation in the Garden existed with this 'Tree of Life' and the 'Tree of the knowledge of good and evil' here side by side, we from old books get a glimpse of this story here but always it is a story of temptation that was to stop beginning of the Kingdom of God in earth. After all, if this program is not stopped, then Satan will lose his control here on earth and people will not follow him any longer.
