**The Comforter - Bible Study**

**Nevertheless, I tell you the truth; it is expedient for you that I go away, for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you. (John 15:26)**

**C**HRIST IS HERE SPEAKING TO HIS DISCIPLES AND HE ALSO SAID: “But when the Comforter is come whom I will send unto you from the Father (Spirit), even the spirit of truth, which proceedeth from the Father, He shall testify of Me.” (John 16:26)

Then again: “And I will pray the Father and He shall give you another Comforter, and He may abide with you forever, even the spirit of truth, whom the world cannot receive, because it seeth Him not, neither knoweth Him; but ye know Him; for He dwelleth with you, and shall be in you. I will not leave you Comfortless; I will come to you, yet a little while and

the world order seeth Me no more; but ye shall see Me, because I live, ye shall live also.” (John 14:16-19)

Alright, the Comforter sent another Comforter to some people who were not of the World Order.

In the ‘Old Book’, ‘Palmoni’, by M. Mahan D.D., 1863, we find the author calling his work a ‘free inquiry.’ He was trying to find a connection between the application of numbers of the scriptures as a key to sacred dates of Scripture. This author calls to your attention that all of nature is actually a mystery. Why do things in nature happen as they do? Who designed the flowers for instance, if things just happened as the Evolutionists think? After all, there are Sermons in stone such as the Great Pyramid, and Stonehenge, and books in running brooks. (This is referring to the books in the brooks in South America as told in the book ‘In Search of the White God.’) Since this is all true, then our author suggests that we might expect to find even in the arithmetic of the scriptures more things than are dreamed of, in our limited philosophy, especially outside of this idea that you live your life and expect to go to heaven or hell when you die. Is that then all the story of our scriptures?

As we thought about this Comforter, this spirit of truth which YAHWEH sends to His people here to build His Kingdom, this is a great gift, is it not? This give called a Comforter. Our author then suggests that this gift is not stated as being ONLY IN RELIGION. And thinking about this, of course, that is true, and we now can see the discoveries of the Sciences of our times, the uncovering of much truth by those Archaeologists of our race, and the wondrous and ever growing command of the elements of nature, as well as the startling revelations of the HIDDEN SECRETS of the past, by this Spirit of truth.

Alright, is this not what we have been trying to do for a long time, if not finding the Hidden Secrets of the past? In the Geneva Bible, printed in 1560, in Geneva, Switzerland, Genesis 2:7 says: “The LORD God ALSO made the man of the dust of the ground, and breathed in his face the breath of life, and the man as made a living soul.” In the King James Bible, in Genesis 2:7, the adverb ‘also’ has been dropped as the fourth word.

According to Noah Webster's 1828 Dictionary, the word 'also' meant likewise or in like manner. In the American Heritage Dictionary of 1976, the word 'also' means besides; or in addition to; likewise; too. In Noah Webster's Dictionary (1876), the word 'and' means a word or part of a sentence is to be added to what precedes. In the American Heritage Dictionary of 1976, the word 'and' means a conjunction, together with or along with, also; in addition as well as. (Thanks to M.M. for conformation that the man Adam was different from the male of Genesis 1.)

Since the beginning of time with Adam, we through the ancient Secrets, discover that a great technology came with this race and it developed a Golden Age, for the world order to see. But because of many circumstances this age was lost and after the Resurrection of YAHSHUA the pressure and persecution became great to destroy this race and its abilities. However today, we are once more reaching out into space and to probe the Universe and we are learning more and more. For instance, we are now determine that the atmosphere on the planet Mars is much more clear that had been thought. Now we see an ice cap indicating that there has been water there at one time at least.

Thus we ask, what is this knowledge we are supposed to find, which has been HIDDEN SECRETS FOR SO LONG. Jesus spoke of things that we as a race should understand which the world order would not understand. The New Testament is full of these 'Hidden Secrets' when you reach for the interpretation of our Book. We believe this is the confirmation of who we are, as a race, why we are hear, and where we came from.

Through the ages, we have had many indications of the presence of spirit with HIS gifts. And I am afraid that we have become more smug, and perhaps take credit for the inventions of this race, and the technology which produced them, for ourselves instead of giving the Glory that is due to God alone.

In understanding scriptures, again we say, that you must understand a bit about symbols to begin to unravel the message portrayed. In Numerology of Scripture even the numbers have a message and are also symbols. For instance number 7 is Adam's number. The physical body formed for Adam

was the 6th race put on earth. But when the spirit came into Adam, then his number became 7. And number 7 is also the symbol of 'Rest in Christ.' It is also a Sabbatical number. As the Sons of Seth, the son of Adam, moved out in their migrations from the Tarim Basin, they began to call themselves the sons of YAHWEH. And the inhabitants of that land called them Hu-man or spirit man from the Celestial mountains.

As Adamites increased in earth, they spread out over the earth. And by the time of the man called Enoch, a man who is said to have walked with YAHWEH there came this 'Golden Age', because of his understanding and his teachings. He outlined the Star Bible and set it in place. And he and others of that time of the race produced a great age of 'building' leaving symbols of the Kingdom for those Adamites to study who came after them.

In summary, here we are in the year 1995, and America is at the 'crossroads.' Do we continue on this same old road we have been going down since 1963, after we took God out of the classroom, or do we turn back to our only method of survival which is to turn back to our God, and His program of building the Kingdom?

Where did we get off the path? Why do we not understand the Mysteries of the Kingdom? Why is America at the 'crossroads?' Who did Jesus say could not understand the Mysteries of the Kingdom? And yet organized religion brought in those who could not understand to translate the meaning of the scriptures. No wonder that blindness in part has happened to Israel. But hopefully, the time has come for some of that blindness to lift so that America chooses the 'right road' here at the Crossroads.

For instance, look America. Who is it that does not like your symbols? At Boise, Idaho, a large Cross stood on private property for many, many years. Now it has become a controversy.

A sixty foot Cross looking over the city, has stood there for almost half of a century. It had been erected in 1955. Twenty years ago, the J.C.'s of the city bought the land so as to maintain the Cross. Now, the ACLU is creating trouble. They want this land taken from the J.C.'s so that they

can take the Cross down. They are threatening to take the case to the Federal Court after they lost in the State Court.

Why does America put up with this drive to destroy the symbols of our faith? Armageddon and World War III are synonymous. They are this final battle between Christ and the Anti-Christ. America at the Crossroads is not battling to take back our nation. Wake up, America, and see what is going on. Call on the Comforter to bring back the things that are these 'Ancient Secrets.' Things that are the memories of your people which are also with you, if you will search, and then get out of the wagon and help bring our nation back to its only method of Survival, a return to our GOD.

**Until next time,  
May YAHWEH BLESS.**
