Calling The True Israel Peoples

Editorial

Dear Reader,

Zionism and the Race War

(A Speech Delivered to the Assembly in Milwaukee, WI, on September 3, 2011, Protesting the Anti-White Flash Mobs That Ruthlessly Attacked Defenceless Whites During the Wisconsin State Fair.)

"When a government becomes powerful, it is destructive, extravagant and violent; it is an usurer which takes bread from innocent mouths and deprives honourable men of their substance for votes with which to perpetuate itself." - Cicero, 54 BC.

As George Santayana once said, *"Those who refuse to learn from history are condemned to repeat it."* And repeating it we are. Because the educational system has dumbed us down to the point where we can barely read; and we certainly don't want to be confronted with unpopular facts, not to mention our own faults and our own gullibility. It's much easier to point at a minority group, such as White Patriots, and blame us for all of your problems.

What is happening in America today happened in Spain, during the Marrano period, when the Jews took over the Catholic Church then by pretending to be Catholics. It happened during the French Revolution when the Jews subverted France with their secret societies, the Jacobins,

the Freemasons and the Illuminati. It happened in Russia when the Jewish Bolsheviks took over that country by stealth and then by force, murdering 66 million Christians in the process. It happened in Weimar Germany, when the Zionists at the Versailles Conference demanded that Germany be stripped of its wealth in order to pay for WWI. Then the Jewish moneychangers impoverished the German people by creating a hyperinflation, which was not alleviated until Hitler instituted a new financial system, based on the Lincoln Greenback. That is **government money**, not private banker money. Until Hitler did this, Germany was at the mercy of the ruthless international banksters. And because Hitler solved Germany's financial crisis by throwing out the Jewish moneychangers, world Jewry declared economic war against Germany in 1933, with Samuel Untermyer being their spokesman. The American people, who were still in the midst of the Great Depression, could not be allowed to know that government money can create prosperity, while banker currency always causes instability and chaos.

Here are some quotations by and about the Jews, who were thenceforth engaged in a global boycott of German goods:

"Judea Declares War on Germany! Jews of all the World Unite! Boycott of German Goods! Mass Demonstrations!" - These were all

headlines in the London Daily Express on March 24, 1933.

"The Israeli people around the world declare economic and financial war against Germany. Fourteen million Jews stand together as one man, to declare war against Germany. The Jewish wholesaler will forsake his firm, the banker his stock exchange, the merchant his commerce and the pauper his pitiful shed in order to join together in a holy war against Hitler's people." - Daily Express, March 24, 1933.

"Each of you, Jew and Gentile alike, who has not already enlisted in this sacred war should do so now and here. It is not sufficient that you should buy no goods made in Germany. You must refuse to deal with any merchant or shopkeeper who sells any German-made goods or who patronises German ships or shipping.... we will undermine the Hitler regime and bring the German people to their senses by destroying their export trade on which their very existence depends." - Samuel Untermyer, in a Radio Broadcast on WABC, New York, August 6, 1933. Reported in the New York Times, August 7, 1933.

Joining with Samuel Untermyer (left) in calling for a war against Germany, Bernard Baruch, at the same time, was promoting preparations for war against Germany. "I emphasized that the

defeat of Germany and Japan and their elimination from world trade would give Britain a tremendous opportunity to swell her foreign commerce in both volume and profit." - **Baruch, The Public Years**, by Bernard M. Baruch, p.347 (New York: Holt, Rinehart and Winston, 1960).

Samuel Untermyer was a Jewish leader and close friend of presidents Wilson and Roosevelt. Bernard Baruch was a presidential adviser to Wilson, Roosevelt and Truman.

"War in Europe in 1934 was inevitable." - H. Morgenthau, Secretary of the U.S. Treasury,

quoted in "The Palestine Plot" by B. Jenson, p. 11 (printed by John McKinley, 11-15 King Street, Perth, Scotland).

"For months now the struggle against Germany is waged by each Jewish community, at each conference, in all our syndicates, and by each Jew all over the world. There is reason to believe that our part in this struggle has general value. We will trigger a spiritual and material war of all the world against Germany's ambitions to become once again a great nation, to recover lost territories and colonies. But our Jewish interests demand the complete destruction of Germany. Collectively and individually, the German nation is a threat to us Jews." - Vladimir Jabotinsky (founder of the Jewish terrorist group, Irgun Zvai Leumi) in Mascha Rjetsch, January, 1934 (also quoted in "**Histoire de l'Armée Allemande**" by Jacques Benoist-Mechin, Vol. IV, p. 303).

"Hitler will have no war [does not want war], but we will force it on him, not this year, but soon." - Emil Ludwig Cohn in **Les Annales**, June, 1934 (also quoted in his book "**The New Holy Alliance**").

"We Jews are going to bring a war on Germany." - David A. Brown, National Chairman, United Jewish Campaign, 1934 (quoted in "I Testify Against The Jews" by Robert Edward Edmondson, page 188 and "**The Jewish War of Survival**" by Arnold Leese, page 52).

"We want to bring about a deep hatred for the Germans, for German soldiers, sailors, and airmen. We must hate until we win." - Lord Beaverbrook, quoted in **Niemals!** by Heinrich Goitsch.

"There is only one power which really counts. The power of political pressure. We Jews are the most powerful people on earth, because we have this power, and we know how to apply it." Vladimir Jabotinsky, **Jewish Daily Bulletin**, July 27, 1935.

"Before the end of the year, an economic bloc of England, Russia, France and the U.S.A will be formed to bring the German and Italian economic systems to their knees." - Paul Dreyfus, "**La Vie de Tanger**" May 15, 1938.

As happened during the Weimar Republic, the same type of financial chaos is happening today in America, where the Jews of the Federal Reserve Bank and their monopolistic corporations have taken total control of America's economy, along with control of our domestic and foreign policies.

The reason why the Jews have been expelled from virtually every country they have inhabited is because they always take control of that nation's finances and impoverish the native people.

America, you have been royally brainwashed by organized Jewry, and by organized Jewry, I mean the Anti-Defamation League, the American Israel Public Affairs Committee, The Southern Poverty Law Centre, the American Jewish Committee, the American Jewish Congress, the World Jewish Congress, and hundreds of other lesser Jewish groups, all of which use their money, power and influence to turn the nations in which they live into Jewish proxies.

"Today the Jews rule this world by proxy. They get others to fight and die for them." Prime Minister of Malaysia, Mahathir Mohamad, October 17, 2003.

Benjamin Franklin called it "*The state within the state,*" as he was personally familiar with how the Bank of England was controlling George III.

America, you need to know who your real enemy is. We have only one enemy. It is organized Jewry, the people who are the very descendants of the Pharisees, who executed Jesus Christ. John 7:1 states that Jesus would NOT walk among the Jews, "*because the Jews sought to kill Him.*" And they are still killing Christians and people of all other faiths and nationalities with their international finance and their staged wars. The House of Rothschild has been staging wars in this fashion since 1815, when Wellington defeated Napoleon at Waterloo.

With their control of the press, you hear constantly about how evil their enemies are, but the voices of those who are oppressed by them can barely be heard beneath the din of Jewish propaganda.

You have heard it said by a combination of liberals, Jews and communists, and lately by the Judeo-Christian churches, that White racism is the greatest of all evils, that strife between nations is caused by White racism, and that Whites oppress non-Whites. None of these accusations are true, because there is a far greater evil in the world today; and that is the world Jewish economic system. It is called Mystery Babylon in chapters 17 & 18 of the Book of Revelation, which describes their world empire of merchandise.

Here are some verses from Chapter 18: "*For all nations (the United Nations, that is) have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven saying, Come out of her, my people, that you be not partakers of her sins, and that you receive not of her plagues.*"

Those plagues of Mystery Babylon are here, folks: financial ruin, homosexuality, lost jobs, lost homes, kidnapped and molested children, the breakdown of marriage, the breakdown of morality, honesty, modesty, etc. All these corruptions have increased in amplitude since the Rothschilds, the world's premier banking family, established the United Nations Organization, by which their global corporations of banking and commerce dictate terms to us, their victims. The UN Charter was written by a committee headed by Nelson Rockefeller, an international capitalist and Alger Hiss, an international communist. It was the UNO, a global corporation, which created the Israeli State, on May 15, 1948.

The Jews and their monopolistic corporations have lived deliciously ever since they were let out of the ghettos by Napoleon's armies. It was the Rothschilds who financed Wellington's army. After Napoleon's defeat at Waterloo, they made their first attempt to set up a world government. It was called the Congress of Vienna, in 1815. Since then, the House of Rothschild has increased its behind-the-scenes dominance over the nations, by a process of economic control, staging wars, financing communism, racketeering, demoralization, and otherwise destroying every semblance of White and Christian civilization in favour of the culture of money lending.

You Christians ought to recall that the first thing that Jesus did, when He entered the city of Jerusalem was to fashion a whip with His own hands, and he used that whip to drive the moneychangers out of the Temple. Unfortunately, the Christian world has let the moneychangers back into the throne of government and into the temple of the church, with their 501(c)3 tax exempt status preventing them from criticizing particular groups, such as Jews and homosexuals; and now these moneychangers have taken total control of the world's commerce of goods and ideas. Everything that comes from the mainstream media is carefully censored by Zionist editors, who work for one or more Jewish-owned media conglomerates. You will never get the truth from these people, as they are all Zionists and communists to the core.

If you take a look at our movement, the White Nationalist Movement, which is a racial segregation movement, not a supremacist movement, you will see that we are not nearly as powerful as the "*vast right-wing conspiracy*" that Hilary Clinton dreamed up. The real supremacists are these globalist, elitist Jews, oligarchs they are called in Russia. You will see that all we want is to be left alone, so that we can live our lives without Jewish interference, just as Germany tried to exist without Jewish interference, but the Jews would not leave Germany alone. Now, the Jews won't leave us alone. The Jews demand that we live according to their Talmudic dictates of high finance and political subversion. The moneychangers are always raising our taxes to support liberals, gays, welfare recipients and other special interests. At the same time, they say that we're evil because

we object to confiscatory taxation and unconstitutional money; and the Federal Reserve Bank is unconstitutional because Congress is supposed issue and regulate our currency; but the Federal Reserve Bank is a private corporation, and it is run purely for the profit of its stockholders, which are all Jewish or elite corporations.

Here is a list of the owners of this private corporation, the Federal Reserve Bank, as of 1913:

The Rothschilds, who also own and control the Bank of England.

J. Henry Schroeder Banking Corporation

Lazard Brothers

J P Morgan

Warburg Brothers

Kuhn Loeb Company, which was run by Jacob Schiff, the personal agent of NM Rothschild

Lehman Brothers

Chase National Bank (Rockefellers)

Hanover National Bank

(Proving that these modern finance capitalists are not at all averse to communism, in May of 1973, Chase Manhattan Bank (chairman, David Rockefeller) opened its Moscow office at 1 Karl Marx Square, Moscow. The New York office is at 1 Chase Manhattan Plaza.)

Race In The Creation Story Of Genesis

By:

Arnold Kennedy

IN GENESIS chapters one and two we have 'Adam mentioned in the Masoretic Text, but not in the Greek Septuagint of Genesis One. Scholars may not agree but early t r a n s l a t o r s ,

including the KJV, indicate plural in Genesis chapter one and chapter 5:2, but singular in chapter two. Even ignoring this, we have a man and a woman ['them'] being created [bara '] in Gen.1 before the 'Adam [singular] who was formed [yatsar] in Gen.2. "Created" and "formed" have differing meanings. We cannot remain honest if we try to say that "created" = bara ' is the same as "formed" = yatsar. [The same goes for plasso and ktizo in the New Testament].

From the sequence alone there is no way Genesis 2 could be a re-run of Genesis 1. On a weight of evidence basis, there is more to say that Adam [as we use the word] was the first spiritual man, but not the first biological man. In other words, God took one man from Genesis 1 and breathed into him the breath of life. "And man became a living soul"-[Genesis 2:7]. The word "became" is consistently used in a manner showing the subject became something that it had not been before. Eve was the "mother of all living" with God's breath, not of the others. This indicates that there are those with the Spirit, and those "having not the Spirit"-[Jude v19]. The latter is the "natural man" who "cannot receive the things of God"-[1 Cor.2:14], but he may become very religious. What we believe about these issues in Genesis conditions what we believe right through the Bible. From this we can see that there is no problem about where Cain found a wife; it was from amongst those who were not 'living souls'.

Because trees as trees cannot have the knowledge of good and evil, the trees in the Garden of Eden are shown to represent human

family trees. We can see this through Scripture in such places as Ezekiel 31, "Behold the Assyrian was a cedar in Lebanon.....". Then it talks about, "All the trees of Eden that were in the garden of God envied him", thus relating this back to the Garden of Eden. These were the nations in the garden that the Adam who had become a 'living soul' was to cultivate or supervise. Without discussing what "Satan" as the "Enchanter" or "Serpent" means, we can see a seduction of Adam, through Eve, to divert to another purpose instead. We are not discussing here if Cain was a sexual product of this seduction. We find both "the seed of the woman" and "the seed of the serpent", and as it was then, so it is today, with one seed hating the other and in no way have they now become the same. That is why Jesus could say of the Edomite leaders of the Judean nation, "Ye are of your father the devil". Adam comes from a root word meaning "showing red in the face" or "of a ruddy complexion", a description of part of the white race. Even today the serpent is attempting to reduce this seed by racial intermarriage, and to eliminate it by other means. The Churches have been seduced into believing that all races are the same in God's sight.

In the genealogy of Jesus the Christ, we find from Luke 3:38 , "Which was the son of Enos, which was the son of Seth, which was the son of Adam, which was the son of God". We are told in Genesis 5:3 that it was not until 130 years later that Adam begat a son called Seth "in his own likeness and after his image". Neither Cain or Abel or any until Seth, the sixth from Adam, are said to be begotten by Adam, and they do not feature in the genealogy. Thus we have to question whether or not Cain and Abel's descendants, and any between Cain and Seth, are in that image and likeness either. If not then we have another division between the races.

CULTURE

Anthropologists and other social scientists make the claim that 'culture' is learned behaviour acquired by individuals, but go further in saying that an individual is encultured at birth, the culture being transmitted from one generation to

another. There is a degree where a child brought up in an alien culture will adapt to the new environment, but the pull of “roots” never disappears. When a person from a ‘non-Christian’ culture is “converted” to Christianity under the popular “born again” terminology, it is not hard to observe that all things do not become new. When such a person is removed from the Christian cultural area and placed back among the original culture, that person will again manifest conformity with the original culture. When traversing between cultures, such a person can be observed doing something like singing “How great Thou art” and then immediately afterwards praying to the spirits of the dead! Ba’al remains underneath and there is the worship of God and Ba’al at the same time. The consequence of racial mixture is a hybrid worship, and this God does not accept.

Where we find racial mixture, the culture remains within the heathen portion. It can be readily observed even where the heathen portion is very small, that person will more easily identify with the heathen culture or race rather than with the majority portion. This is particularly obvious amongst the males, and it is also visible that those continuing to profess ‘Christianity’ in a mixed race situation are almost totally women.

It is popular today to say that all cultures are God given and thus that God can be worshipped within any cultural form. But, in the Bible, God’s

people are instructed, “Learn not the way of the heathen”. The word ‘way’ is given by Strong as “a course of life or mode of action”. This then is a matter of culture that God’s people are not to learn. There are many examples in Scripture about Israel practicing the ways and culture of the heathen following association with them, “according to the abominations of the heathen which the Lord cast out from before the Children of Israel”-[2 Kings 16:3 and 17:8]. As it is the Lord who did the ‘casting out’, there is no excuse for any re-association with either the people or the culture. Further on in 2 Kings 17:15, this is connected with rejecting the covenant made with “the fathers”. Rejection of the covenant means being cut off from the covenant. Esau did the same thing, and we are warned in the New Testament, “Lest there be any fornicator, or profane person as Esau”-[Heb12:16]. The profanity is crossing a threshold or doorway according to Strong. It is popular doctrine today to open such a door and to encourage God’s people to go through it. It is not difficult to follow the pattern of God’s judgment following racial mixture through Scripture, but this is encouraged both within and without the ‘Church’. Thus it can be seen that any apparent break-through following years of faithful missionary activity is only an apparent breakthrough. The valid missionary activity is teaching the laws of God and bringing the other peoples into subjection.

The End OS17800

Misconceptions About Josephus, The Judean Or, How To Tell the Difference Between a Jew and an Israelite! By Pastor Eli James

TO MY FAMILY AND FRIENDS IN CHRISTIAN ISRAEL: I wish to posthumously dedicate this article to my ebuddy and colleague, Arnold

couple of years ago. He made it as far west as Cincinnati and I made it as far east as Toledo (from Chicago); but we just couldn’t find the time for a face to face meeting. One thing we had in common was our belief in the Exclusiveness of True Israel, namely that the Anglo-Saxon/Caucasian peoples are the True Descendants of the Twelve Tribes of Israel, although Arnold was reluctant to call himself a 2-Seedliner.

Kennedy, who was taken from us December 28, 2006. Arnold and I almost had personal contact when he visited the Eastern United States a

Some of you may have followed our ongoing dispute as to whether ANY JEW can count as an Israelite or a Judahite. Arnold felt that the Bible

could be understood even if we accept that some Jews were Judahites. I have taken the opposite point of view, saying that, under no circumstances, can any Jew be counted as an Israelite or as a Judahite. This article, in fact, was composed with Arnold's perspective in mind. I'm sure that Yahweh – a name which Arnold also did not accept as the Name of Our Creator (one of our other disputes) -- will arrange for him to read this article from some place in heaven.

In my last email to Arnold, I told him that every boxer needs a good sparring partner to practice against. He accepted the statement as a compliment, which is how it was intended. Arnold forced me to sharpen my arguments, so that we were not just arguing semantics but legitimate cultural differences between Jews and Israelites.

Aside from our Scriptural dispute, Arnold had given me, and us, every reason to believe that his surgery was a success, his health was improving and that he would be back with us at full strength. That was not to be, however. Despite our disagreements over Scriptural interpretation, I have only one thing to say: Arnold, you are a very gracious person in addition to being a gentleman and a scholar. See you in the Kingdom. – Eli

Children of Israel, as we Anglo-Saxons come back into remembrance of our True Heritage as Israelites and Judahites, we must get an accurate perspective of our historical roots. Our modern Identity Crisis strikes at the very heart of yesterday's false genealogy, which states that the Jews are of Shemitic descent. While this false Jewish genealogy has received world-wide recognition, OUR True ancestry as the Children of Israel has been deliberately obscured by the Kosher establishment. The Great Impersonation of Judah and Israel by the Jewish people is the root cause of the chaos in this world, as the unending violence of the Israeli State attests. By claiming to be "God's Chosen," the Serpent Seed are able to commit murder and treachery on a monumental scale. The Destroyer pretends to be an angel of light. The Accuser blames all others who are innocent; and the world courtesies in ignorance before the Wolf in Sheep's Clothing. Little Red Riding Hood doesn't know any better. Furthermore, she has been purposefully given an image of low self-esteem, thanks to a barrage of constant criticism and even cat-calls.

Little Red Riding Hood needs some encouragement!

We are now called upon to clarify and defend our historical roots. As I have been trying to explain to those who yet fail to grasp reality, our historical roots cannot be separated from our genetic heritage, our unique, Spirit-enabled, Yahweh-formed Genetic Code. We have been divinely ordained and blueprinted by our Father in heaven with specific DNA; but an enemy has been trying to steal from us the very genetic integrity that makes us who we are. That enemy goes by various names: Nachash, Cain, Kenite, Canaanite, Edomite, Idumean, Pharisee, rebbe, Zionist, Jew. The enmity between Anglo-Saxon Israel and the Jewish Serpent Seed was prophesied according to Gen. 3:15.

As a historian, I see so clearly how the Anglo-Saxon, Celtic and Caucasian peoples have created civilization as we know it, and how the Jewish people have perverted, subverted and destroyed everything we have ever built. This history has been repeated so often as to be a series of re-runs on the boob tube; but the electromagnetic effect of the waves emanating from the television screen only serve to deaden one's senses and one's intellect, such that it either puts you to sleep through boredom or it succeeds in arousing your earthly lusts. In today's commercial reality, there is no room for Spirit, no room for Truth, no room for Dissent, no room for the Ten Commandments in the courthouse, no room for unwanted babies, no room for baby Jesus at the inn...and no longer any room for Christ in the Christmas Season. Human experience, thanks to the Babylonian Talmud, has become theatre, par excellence.

Until True Israel awakens to her Identity as Yahweh's Chosen People, the chaos of this world will only deepen. It will become so deep and terrifying that only the most spiritually, physically and mentally girded warriors will be able to survive the Holocaust that looms on the horizon. In the final analysis, WE, the Anglo-Saxon, Celtic and Caucasian peoples are the only Biblical descendants of the Nation of Israel, and, furthermore, we are NOT to be confused with the weavers of that tangled web of confusion called Talmudism, spun by the Jews. They should NEVER be confused with Moses and the prophets. We have been victimized by a 2,000 year-old game of identity theft. It's about time we awaken from our present amnesia and get to work on the Kingdom.

From this perspective, it is important to realize that Our Literature, from the ancient past up to this moment, spanning the gamut from the ancient bards of Britain, the Brahmins of India, the Hebrew prophets, through Plato and Socrates, Copernicus, Galileo, Newton, and poets such as Shelley, Keats, Byron, and Goethe, and composers such as Beethoven, Mozart, Wagner and Bach, reveals our True Spirit. No other Race has the genetic capacity to produce such works of profound and sublime imagination. Yet, the liberals and Jews among us say that we should just throw this all away and race-mix ourselves out of existence!!!!

The Great Impersonation

When others impersonate us, or when we are forced to behave against our genetic code, we lose our sense of Identity and fall into perdition, which is where our enemy wants us to go. It is absolutely vital for all White/Adamic/Hebrew Israelites to understand that we have a Doppelganger, an Impersonator, who perpetually seeks to rule over us by pretending to be us. This master manipulator is known as the Jew. The Jew is the world's most intelligent chameleon. He makes his living by taking on the colours of the host nation, mimicking the host population, and then subverting and destroying the host at the first opportunity.

In the words of Samuel Roth, a remonstrant Jew, "Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labour and the good nature of the rest of the world." – **Jews Must Live**, p. 18. From the Jewish perspective, Samuel Roth is a stool pigeon, spilling his guts about the hypocrisy and evil that saturates the Jewish environment. Rare

is the Jew who reveals Jewish trade secrets, especially rabbinical trade secrets, but Roth does exactly this.

The VERY FIRST LESSON we (Christian Israel) must learn is to not trust the Jewish version of our own history. The Jewish version of history, the Hoaxacaust included, is replete with diabolical deceptions and rabbinical fabrications, all cleverly designed to get us to believe that they are the ones favoured by Yahweh. The Jew does not always LIE. Rather, he always plots to DECEIVE. In order to be a good liar, you have to start by making a certain number of either true or plausible statements in order to gain your victim's interest and confidence. And, as members of the world's OLDEST PROFESSIONAL LIAR'S CLUB, all rabbis are highly skilled professionals, with 2,150 years of accumulated doctrine (most of it very secret, such as the so-called "Oral Law"!) at their disposal, specializing in psycho-manipulative techniques that have been successfully employed in suppressing all manner of cohesive thought, especially with regard to history and the relationship between Judaism and Christianity.

Few Christians understand that "Judeo-Christianity" is a very recent phenomenon. Jewish mastery of theatre has painted a false history, stating that Judaism and Christianity have something in common, when even a cursory reading of the Bible explains that the early Christians were constantly being persecuted by the Jews. There was NO SUCH THING as a "Jewish Christian" in those days. You were either one or the other. Yes, there were Judahites who became Christians. But, no! Jews did not become Christians. That is an oxymoron, because the Jews of that day were Edomites, not

Judahites; but this is exactly the point of confusion that the rabbis perpetuate, i.e., the confusion of Idumeans with Judahites. The Jews had their own religion, Babylonian paganism, also known as Pharisaism, and none of these became Christians. Jews PRETEND to convert, but they never do.

Paul himself, a Judean Judahite from the tribe of Benjamin, was so deluded by rabbinical thought control techniques that he actually participated in the executions of his own people while working for the Pharisees. So, how did these diametrically opposed doctrines (Judaism versus Christianity) get blended into one? This was accomplished only recently through the medium of the "image of the beast": the "boob tube," television, in the 1960's, with the advent of the televangelists, White traitors who are employed by the anti-Christ to deceive their own people into following the Jews into perdition.

In the 1950's and early 1960's, before commercial television became thoroughly Judaized, race-mixing was a Universal Taboo. Until this time, Jews and Christians, historically, had NOTHING IN COMMON. They lived in separate Universes and they only came in contact with one another at the bank or the market place. To paraphrase Rudyard Kipling: Jews were Jews and Christians were Christians and ne'er the twain would meet. In fact, the rabbis of Judaism INVENTED the ghetto, in order to keep their flocks of Jews contained and within their grasp. Since the Jews would not and could not assimilate into Christian culture, the ghetto was mutually agreed upon arrangement. And since the Jews rejected Christ, Christians would have nothing to do with them. Amazingly, the modern Judeo-Christians are utterly ignorant of such historical facts. Because their pulpit masters completely avoid preaching historically truthful sermons, they actually believe that Judaism and Christianity have had some mutual regard for the last two thousand years! On the contrary, the host people (always Christians) were to be found in their churches. The parasites (always Jews) were in their separate synagogues...no dialogue, no conferences between Christians and Jews, no "Jews for Jesus," nothing in common whatsoever. All of these ecumenical movements are of very recent invention, deliberately designed to deprive Christians of their true religion and their true heritage. Spiritually, Christianity and Judaism are like heaven and hell, because Christianity has always preached that we should be truthful,

but Jews are taught that it is legitimate to lie on behalf of their own people and culture. All Jews are taught this and far too many act accordingly. As Samuel Roth proves in his exposures of Jewish life, the temptation to cheat and deceive is too great given the fact that their priesthood demands it as part of their Talmudic teachings.

With television and the other entertainment media, operated and financed by the anti-Christ Jews and Zionists, truth has been thrown out the window, and the blatant propaganda coming from the Judeo-Christian pulpits has jaundiced even the most sensitive Christians, turning them into rabid Zionists, calling for the blood of all the Jews' "enemies." Judeo-Christianity, a hybrid religion created by massive application of Twentieth Century propaganda techniques, has become the mindset of the Christian West. It is a rabid (rabbinical) cancer of the brain. Brain surgery is required to cure the patient.

To get a grasp of the intellectual disconnect these people have in their brain circuitry, one minute they teach that "God loves everybody," the next minute they teach that "All Muslims must die to make way for the Jews." And we're the ones who get accused of "hate." But, no one said that religion has to be a rational exercise.

Techniques of Rabbinical Deceit

The essence of rabbinical deceit is to contrive a series of true statements which, nevertheless, are calculated to lead us to a false conclusion and, therefore, to a false view of reality. In addition, they are masters of intermingling fundamental truths with diabolically clever half-truths. These half-truths seem very innocent to the unwary; but acceptance of these half-truths, over time, enables the parasite to infest the host and drives the process of disease unto death.

Their masquerade as Israel and Judah is nothing short of an all-out assault on the fabric of history. For them, literary intrigues are child's play. That's what makes Jews such good comedians.

Deceit and comedy are very close relatives; but one is deadly, the other is not. But even comedy, as practiced by Jews, has the effect of portraying the parasite as a harmless dolt, thus causing us to drop our guard. The decades of moral relativism and perversion are no joke, however. Realize that before we accept perversion, we first laugh at it. Then, lacking the resolve to refute it, we laugh with it.

Jewry has a number of literary tricks up their collective sleeves. It is important that we review some of the more important ones so that we can understand just how we are currently being brainwashed.

1. Word Manipulation and Semantic Engineering

A. The utilization of addendums and interpolations, thus inventing fictitious definitions that were never intended by the original authors. A careful study of Strong's Concordance reveals numerous examples of words whose definitions have been changed gradually over the centuries or added to suit the Jewish/Zionist agenda.

B. Insertion of modern concepts and ambiguous vocabulary into ancient history, thus falsifying history. Example: Replacing the word 'Judah' with the word 'Jew.'

C. Control of dialogue and debate by setting up "experts" in presumably opposing camps, while freezing out real opposing opinions.

2. Constructing Fiction from Fact

3. Setting themselves up as the "final authority" of Scriptural debate, even though they deny the Torah with their Talmud!!!! Thus, ancient Truth becomes modern Pharisaism, and nobody seems to notice or care!

4. A deep satisfaction derived from deceiving non-Jews. This is an especially sinister quality of the rabbinate that they never fail to transmit to their flocks of goats. This is a genetic endowment and it goes all the way back to Nachash and Cain in the Garden of Eden.

The key to understanding this process of using word manipulation to distort history and Scripture is that the originator of the deceptive statement has a far different definition of certain key words and concepts than you do; but, of course, you don't know this. A modern and well-known example of this technique can easily be demon-

strated by the use of the seemingly innocent word 'peace.' This word is used very frequently by both Jews, communists and pulpit masters. (Pardon the redundancy. Even though there are non-Jewish communists, they have always been and are the total dupes of the Jewish communist leaders at all times.) The gullible will read the works of communists and actually believe that the communists employ the same definition of "peace" as most God-fearing people do. But no, the real meaning that the communists keep to themselves is "the dictatorship of the proletariat," which is nothing other than the imperialism of the Bolshevik commissars, rule by terror. There can be no "peace" that is enforced by the point of a bayonet. But to the communist mentality, that is what they mean by "peace." To the pulpit master, "peace" is what happens when Zionism has achieved total dictatorship of the planet.

In the same vein, liberals always claim to be motivated by "compassion." This kind of compassion is responsible for the extermination of 60 million innocent children who were yet in the womb. Instead of calling it "killing," it is called

"choice." Liberalism is responsible for the censorship phenomenon that is called "Political Correctness." It is responsible for the "free love" era of booming sexually transmitted diseases. This is what they call "compassion." The communist term of "choice" is "liquidation."

A more recent example is the word 'neo-con.' Everybody assumes that it is short for 'neo-conservative,' or "new conservative." But the fact is that there is NOTHING CONSERVATIVE ABOUT THE NEO-CONS. They are actually Jewish Marxists who adopted the strategy of the Marxist Professor Leo Strauss of the University of Chicago. Strauss' strategy was for his Marxist students to infiltrate the Republican Party while pretending to be "conservatives." He instructed them to play conservative while redirecting the Republican Party towards Zionism. Strauss had students such as Paul Wolfowitz and Richard Perle. These are the men who have shaped the policies of the Bush Adminis-

tration. They are Marxist-Zionist Jews who masquerade as "conservatives." Here is a link to a brief article on Leo Strauss and his version of communism that Americans believe to be "conservatism":

<http://www.alternet.org/story/15935>

Fair-minded Christians cannot conceive of such mass-scale, well-orchestrated campaigns of deception. Since Christians are basically honest – and they assume that Jews are as well – they assume that a "Neo-Con" is some sort of a Conservative.

George Orwell tried to enlighten us about this stratagem in his book, **1984**. The slogan "War is

Peace" conveyed both the irony and the subterfuge from the regime of Big Brother. Today, it is called "The War Against Terror." The only problem is that it is the Terrorists themselves who invented that slogan. Since George Orwell already used "War is Peace," they had to come up with a new one.

Judaism is itself replete with such deceptively used words, 'Israel,' 'Gentile,' 'Judah,' 'Jew,' 'Diaspora,' 'Torah,' 'Neo-Con,' and 'Shalom' included.

To be continued

The Mistaken J (Part 3) Yahweh's Assembly In Yahsuha

IN MAKING the Greek translation, the copyists inserted the four characters of the Tetragrammaton in gold letters of the Hebrew, namely hwhy, wherever the name Yahweh was to appear. However, the pronunciation was pointed with the vowels of Adonai. After the death and resurrection of the

Messiah, there arose a demand for a Latin version of the Hebrew Old Testament by the expanding church. These early translators were not skilled in the Hebrew language, and actually detested the Jews and refused to learn the Aramaic or Hebrew tongue. They were ignorant of Hebrew and were often ridiculed by the Jews for their ludicrous pronunciation of Hebrew. (See this booklet's section, "Why the Terms 'God' and 'Lord'?" on page 26).

And What About 'Jehovah'?

Scholars know that Jehovah could never be the name of the Heavenly Father. Aside from the error with the letter **J**, this word has other problems. Even the Catholics, who have been given the distinction of inventing the word "Jehovah," know it is not the Father's Name.

Note what the **New Catholic Encyclopedia** (1967) says under "Yahweh": "Judging from Greek transcriptions of the sacred name, YHWH ought to be pronounced Yahweh. The pronunciation Jehovah was unknown in ancient Jewish circles, and is based upon a later misunderstanding of the scribal practice of using the vowels of the word Adonai with the consonants of YHWH," p. 1065

In the preface to the Revised Standard Version of the Bible is the following: "The form Jehovah is of late medieval origin; it is a combination of the consonants of the Divine Name and the vowels attached to it by the Masoretes but belonging to an entirely different word. The sound of **Y** is represented by **J** and the sound of **W** by **V**, as in Latin. The word 'Jehovah' does not accurately represent any form of the Name ever used in Hebrew," pp. 6-7.

In the introduction to **The Emphasized Bible**, editor Joseph Rotherham writes, "The pronunciation *Jehovah* was unknown until 1520, when it was introduced by Galatinus; but was contested by Le Mercier, J. Drusius, against grammatical and historical propriety." Rotherham continues his analysis of this ghost word, "Erroneously written and pronounced *Jehovah*, which is merely a combination of the sacred Tetragrammaton and the vowel in the Hebrew word for Lord, substituted by the Jews for YHWH, because they shrank from

pronouncing The Name...To give the name YHWH the vowels of the word for Lord (Heb. Adonai) and pronounce it *Jehovah*, is about as hybrid a combination as it would be to spell the name *Germany* with the vowels in the name *Portugal* –viz., *Gormuna*” (pp.24-25).

Perhaps the best explanation of how the word *Jehovah* came about is made in the prestigious **Oxford English Dictionary**. A photocopy of its entry on “*Jehovah*” is shown at the top of the page.

The sacred Name was deemed too holy to pronounce. Either because of this fact or because its four letters are also employed as vowels, the Masoretes did not vowel point the Tetragrammaton. Instead, the vowel points for “Adonai” were inserted, alerting the reader to say “Adonai” rather than blurting out the sacred Name Yahweh. Along came Christian scholars in late medieval times who didn’t realize what had been done. Not skilled in Hebrew, they mistakenly combined these added vowels with the Tetragrammaton and the result was the hybrid combination “*Jehovah*.”

The Jewish Encyclopaedia

says about the name *Jehovah*, “This name is commonly represented in modern translations by the form ‘*Jehovah*,’ which, however, is a p h i l o l o g i c a l impossibility... This

form has arisen through attempting to pronounce the consonants of the name with the vowels of Adonai...” (p.160).

The *Jehovah’s Witnesses* themselves admit that “*Jehovah*” is inferior to “Yahweh.” In their book, ***Let Your Name Be Sanctified*** (p.16), they quote the Roman Catholic translator of The Westminster Version of the Sacred Scriptures, saying, “I should have preferred to write ‘Yahweh,’ in which, although not certain, is admittedly superior to ‘*Jehovah*,”

On page 17 of this same book the *Jehovah’s Witnesses* write, “In harmony with the practice that had developed among the superstitious, the vowel signs for Elohim or for Adonay were

inserted at the accustomed places in the text to warn the Hebrew reader to say those words instead of the divine name. By combining those warning vowel signs with the Tetragrammaton the pronunciation Yahowih and Yehowah were formed.”

Then on page 20 they quote the **Lexicon for the Books of the Old Testament**, by Koehler and Baumgartner, under the Tetragrammaton: “‘The wrong spelling *Jehovah* (Revised Version: The LORD) occurs since about 1100,’ and then it offers its arguments in favor of Yahweh as ‘the correct and original pronunciation.’”

In the foreword of their Bible, ***The New World Translation of the Christian Greek Scriptures*** (published by the *Jehovah’s Witness Watchtower Bible and Tract Society*), they say on page 25:

“While inclining to view the pronunciation ‘Yahweh’ as the more correct way, we have retained the form ‘*Jehovah*’ because of people’s familiarity with it since the 14th century.

In our search for truth we must retrace our steps and boldly proclaim His true Name, and not follow tradition or erroneous understanding.

Biblical Names Reveal the Person

Our culture today looks on names as little more than labels, although we still talk about having a “good name” and speak of being “true to one’s name.” These expressions are carryovers from a time when a name expressed and conveyed a person’s attributes and character.

In the Hebrew, Bible names all have meaning. At times Yahweh or Yahshua (or sometimes parents) changed the name of individuals, giving them a special name that had new meaning. For example, Abram means exalted father; later his name was changed to Abraham, which means “father of a multitude.” Isaac means “laughter” (because his mother laughed when promised a son in her old age). Jacob (Yacob) means “heel-grabber” or “supplanter,” because he supplanted his firstborn brother Esau. His name was changed to Israel, meaning “contender” or “perseveres with El,” when he wrestled with the angel in Genesis 32

An eye-opening study of the names of the 12 tribes of Israel appears in Genesis chapter 29-30. Situations surrounding the birth of each of these sons is reflected in their individual names. The Hebrew Dictionary found at the back of **Strong's Exhaustive Concordance** provides a fascinating exercise in the meaning of names.

In his book, **Our Father Abraham, Jewish Roots of the Christian Faith**, Marvin R. Wilson writes: "In Hebrew thought, the name of an individual was considered to be more than a title or a label for identification. Rather, a name was believed to reveal the essence, character, reputation, or destiny of the one to whom it was given. This is why the moral law of Moses forbids defamation of another's name by false witness (Ex. 20:16). Thus the name of every Hebrew sent out some sort of message with it."

The message of Yahweh's Name throughout Scripture is that it is sacred, and one either accepts it or finds oneself in opposition to Him. The *Eerdmans Bible Dictionary* explains: "[Yahweh's] name reveals his character and salvation in which

people may take refuge (Ps. 20:1; cf. Isa. 25:1, 56:6); to treat [Yahweh's] name as empty is to despise his person (Ex. 20:7)," p. 747.

Yahweh: The Most Sacred of All Names

Yahweh's Name is high on a level all its own. No name is more important than the personal Name of the One we worship. Not only is this true because names have great significance in Hebrew, but also because Yahweh Himself tells us to revere His Name and not to bring it to obscurity through substitution and disuse, Exodus 20:7. The word "vain" in the Third Commandment – "*Thou shalt not take the Name of Yahweh thy Elohim in vain*" – is the Hebrew *shoaw*, meaning to rush over, bring to devastation, uselessness, ruin, and by implication, neglect.

The one attribute describing Yahweh's Name more than any other is its holiness. His Name is not to be blasphemed (Lev. 24:16) or desecrated. It is to be treated with reverential awe, because it expresses the essence of Yahweh Himself.

We can bring His Name to ruin by falsifying it. If you remove an author's name from the books he wrote and reprint them with another name in them you falsify his works. The same is true when translators take His Name from the Scriptures and insert generic titles in its place.

How can we presume to call upon Yahweh and His Son Yahshua with titles like "god" and "lord" that are used in the worship of other deities? Elijah (EliYah, "my El is Yah") was calling the people's attention to the same issue in 1 Kings 18 – demonstrating that the True Heavenly Father has a personal Name and that they in their ignorance were calling on titles of Baal ("Baal Gad" = Lord God) in their worship (see **Harper Collins Study Bible** note on Hosea 2:16). Baal was the chief "deity" of the Canaanites.

Yahweh charged that they had forgotten His Name for Baal, Jeremiah 23:26-27. If Yahweh was displeased with the substitution "Baal," why would He not be just as provoked with today's substitution of an equivalent word, "Lord"?

Yahweh's Name is so central to salvation that the Savior's Name bears it as well. He is the Son, and the salvation Yahweh sent. You could say "Yah" is the family Name of the Heavenly Majesty.

Author Wilson notes,

"The fact that Jesus was a Jew by birth is crucial for understanding the nature and person of Jesus as presented in the Gospels. Jesus was given the Hebrew name Yeshua. ('Jesus' is the Latin form of 'Iesous,' the Greek transliteration of Yeshua.) The name Yeshua, derived from the Hebrew verb *yashua*, revealed the destiny he was to fulfill in his life and ministry on this earth" (**Our Father Abraham, Jewish Roots of the Christian Faith**).

All religions generally are known by the one they worship or give homage to. Anciently the god of the Akkadians was Marduk; the god of the Ammonites was Moloch; the god of the Greeks was Zeus; the god of the Romans was Jupiter; the god of the Moabites was Baal-peor; the god

of the Hebrews was...God?! Using an all-inclusive, indefinite, impersonal title simply does not identify the One you worship! Capitalizing that title doesn't help, either, no more than the title "mr." suddenly becomes a name if we make it "Mr."

Strange, isn't it, that all the pagan "deities" have their own special names, yet we are expected to believe that the TRUE Mighty One of the Bible goes by general terms that can apply to any "deity"?

In fact, the Name Yahweh appears 6,823 times in the Old Testament Hebrew Scriptures, from which we ultimately derive all versions of the Old Testament. It should have appeared 100 times in the New Testament. But rarely does one hear the Name used or even mentioned in churches that supposedly honour those same Scriptures.

The majority of Bible versions have changed the holy Name to the titles God and Lord. You can restore it when you read the Scripture, however. In many King James Bibles, whenever you see the words LORD or LORD GOD in capital letters in the Old Testament, the Masoretic Hebrew Script has the Hebrew characters for Yahweh, hwhy. (To help when you read your Bible, request the bookmark, *Correcting the Name in Your Bible.*)

Yahshua: A Name Given in Hebrew to a Hebrew

Because there is no J sound in the Hebrew, the prefix "Je" does not exist in Hebrew. The combination word "Jesus" is not Greek, it's not Hebrew. In fact, it is completely without philological meaning in any language. Yet, Gabriel told Mary and Joseph that the Messiah's Name, being given from the very highest Authority in the heavens, was special. It had a

specific connotation, a precise and very important MEANING. The angel said He would be given this Name because "He shall save His people from their sins." Scholars acknowledge that the name given through Gabriel was the Hebrew Yahshua. (See any good study Bible with marginal notes on Matt. 1:21 and Luke 1:31, as well as the Biblical sources listed here.) "Yahshua" means "Yahweh is salvation."

It must be noted that whenever a message was given from on high, it was to those who understood Hebrew, which is called by some the "heavenly language." Thus, when the angel told Joseph, a Hebrew, that the Savior would be born of Mary, also a Hebrew, that he was to call the baby a specific name, this name would hardly have been a Latin-Greek name such as Jesus! How His name came to us as Jesus in our English Bible such as the King James instead of Yahshua is interesting.

The Savior's true Name in Hebrew letters look like this: ucwhy. Read from right to left, as in all Semitic languages, His Name begins with a (y) (known in English Bibles as "jot," Mat. 5:18, but in the Hebrew is the *yothe* or *yod*).

Yothe carries the sound of *i* as in machine. This "ee" sound is then followed by an *a*, which is much like an "ah" sound. This diphthong is pronounced "ee-ah" or "Yah," which is the short form of the Heavenly Father's name "Yah-weh." We see it in the suffix "halleluYah" and in the names of many people of Scripture (IsaYah, JeremiYah, ObadiYah, ZechariYah, ZephaniYah, etc.).

Add the suffix "shua" (meaning "salvation") and we have Yahshua, the "Salvation of Yah."

That the language spoken was Hebrew is clear from Matthew 1:23, where the Savior is referred to as *Emmanuel*, a purely Hebrew word meaning "El with us," and is so transliterated for us in that passage.

You can see for yourself that the name of your Savior was Yahshua by referring to **Strong's Concordance Greek Dictionary**. Look up the name "Jesus" in **Strong's**, which shows that it first appears in Matthew 1:1, with the reference No. 2424. Turn to the Greek Dictionary in the back of **Strong's** (Greek, because it is in the New Testament) and note the following entry:

‘Ihsous Iesous, ee-ay-sooce’; of Hebrew origin [No.3091]; *Jesus* (i.e. *Jehoshua*), the name of our Lord and two (three) other Israelites:- Jesus.

We learn the Savior’s name is of Hebrew origin from No. 3091. In the Hebrew section of **Strong’s**, No. 3091 has the Hebrew characters that are transliterated into English as follows:

uwcwhy Yehowshuwa’, *yeh-ho-shoo’-ah*: or ucwhy Yehowshu’a, *ye-ho-shoo’-ah* from No. 3068 and No. 3467; *Jehovah-saved*; *Jehoshua* (i.e. Joshua), the Jewish leader: -Jehoshua, Jehoshuah, Joshua. Compare Nos. 1954, 3442.

By the time of Yahshua’s birth, the accepted form among the Jews was not Yahoshua, but the shortened form Yahshua. In the Old Testament this name is spelled Joshua and is found in Numbers 13:16 of the King James text where Moses changed the name of the Israelite general from Oshea (or Hosea) to Yahshua. That is, from salvat ion or saviour to “Salvation of Yah.”

Most reference works agree with **Kittel’s** (left) **Theological Dictionary of the New Testament** statement on page 284, which states that the name Yahoshua was shortened after the exile to the short form Yahshua.

The fact that the Greek Dictionary (No. 2424) refers the reader back to the Hebrew section of **Strong’s Concordance** clearly shows that the name Jesus stems from the Hebrew *Yahshua*.

It is rather doubtful the derivation of *Jesus* is from the pagan deity “Zeus” of the Greeks. However, some draw a relationship to the “salvation” or “healing” of *Ea-Zeus*. According to the **Dictionary of Comparative Religion** (p.622), “The Greeks generally identified the chief god of other peoples with Zeus (e.g. Amun, Hadad, Yahweh).” From Bux and Schone, **Worterbuch der Antika**, under “Jesus,” we find: “Jesus: really adapted from the Greek, possibly from the name of the Greek healing goddess Ieso (*Iaso*).”

Although some evidence could support a conclusion for a Greek deity connection, it is more likely that “Jesus” resulted from a crude attempt to transliterate (bring over the sound) from Hebrew to Greek to Latin and then to English, losing the true vocalization with each step.

Young’s Analytical Concordance has one line for Jesus which reads:

JE’-SUS, **‘Ihsous**, from Heb. uwcy saviour.

As already noted, the early Christians were ignorant of Hebrew and cared less for the language of “those detestable Jews.” Therefore, they relied upon the Greek Septuagint (**LXX**) Old Testament as their source instead of going directly to the Hebrew texts.

We are not free to reject the Name Yahshua, the very Name sent directly from Yahweh through the archangel Gabriel. Nor are we absolved to call Him by the man-made, Greco-Latin *Jesus*.

We trust you will prayerfully act on this vital truth and prove to yourself that His true Name as given to mankind from the Highest Authority in the universe is **Yahshua**, “Yah’s salvation.” Realize that when you call on the Name Yahshua you are invoking the Father’s Name as well, and petitioning the only One who can give salvation.

‘Adonai’ Replaces Sacred Name

The early translators who gave us the English version of the Bible were not Hebrew scholars. They based their understanding mostly on the Greek texts, the Septuagint for the Old Testament and the extant Greek texts for the New Testament. Generally they were ignorant of Hebrew and sometimes lacked in their knowledge of Hebrew grammar, syntax, and vocabulary.

Because of the animosity between the Jews and their Roman rulers, it was a common practice for Roman soldiers to search for and destroy any religious Hebrew texts of the Jews and Messianic believers alike. Initially, the Romans made no distinction between Jews and converts of the early Assembly, for their worship appeared basically the same. Both worshiped on the weekly Saturday Sabbath and observed the annual festivals, both read from the same Old

Testament Hebrew scrolls in their study and worship. It was not until the third century that a distinction was made between traditional Jewish worship and those who had gone on to accept Yahshua as the Messiah.

The admitted ignorance of the early Christian scholars of the Hebrew language lies at the root of the misspelling and variations of the sacred Name. The Jews often ridiculed and derided these Christians who claimed to be scholars, but stumbled in their efforts to pronounce Hebrew words.

By the time of the Messiah the custom of not pronouncing the sacred Name in public by the Jews became mandatory. This practice had apparently developed from the warning in Leviticus 24:16, *“And he that blasphemeth the name of Yahweh shall surely be put to death, and all the congregation shall certainly stone him: as well as the stranger, as he that is born in the land, when he blasphemeth the name of Yahweh shall be put to death.”* By not using the Sacred Name, one could not blaspheme it, and so it was not invoked except by the high priest on the Day of Atonement.

Thus came about the custom in the synagogue of reading “adonai” instead of the Sacred Name when the Tetragrammaton (hwwhy) appeared in the texts. The logic being, by calling upon a substitute instead of invoking the Name, the Name could not be blasphemed.

In Jeremiah 44:26 we read another verse that stifled any public utterance of the Sacred Name, especially during the captivity. *“Therefore hear you the word of Yahweh, all Judah that dwell in the land of Egypt; behold, I have sworn by My great name says Yahweh, that My name shall no more be names in the mouth of any man of Judah in all the land of Egypt, saying, ‘Yahweh Elohim lives.’”*

This became especially critical when the remaining Judahites were taken captive to Babylon. Psalm 137 relates that they refused to sing the songs of Zion (using Yahweh’s Name) in a strange land lest the Name and worship be subject to ridicule by the gentiles. Thus the ban on uttering the sacred Name became firmly entrenched and was the general practice by the time the Savior came to earth.

While the Jewish zealots would not invoke (vocalize) the sacred Name, it was their custom to write it in the sacred texts, carefully placing the vowels of Adonai over the Tetragrammaton to warn the reader not to utter the sacred Name, but to use “adonai.” The scribes did, however, place the Hebrew Tetragrammaton in the Greek Septuagint translation. Christian scholars did not understand these sacred four Hebrew letters (hwwhy) and translated them into the Greek as pipi, thinking it was the doubling of two Greek letters – pi (pipi) --- read left to right rather than from right to left as in Hebrew. When the proper pronunciation was pointed out to them they

Harold Stough Notes

Portal Dolmen - County Louth, Ireland

THE element of daring embodied in the construction of a dolmen is nowhere displayed more finely than in the superb example at Ballymascanlon in the County of Louth. If the primitive type reminded the builders of a house, and by thinking backward of a cave, design has here progressed some way towards an artist’s dream of a cathedral. Grenville A. J. Cole, F.R.S., Ireland the Outpost, 1921. Of course, Grenville Cole was unaware of our Hebrew heritage and that many of the so called dolmens

were in fact an altar made from unhewn stone to sacrifice to the living God in accordance to the Scriptures. This is another reminder of who we are.

The following is a description of the magnificent Louth megaliths amongst the many papers collected by the Late Harold Stough. Ed.

The Proleek Dolmen (portal tomb) and its neighbouring wedge tomb may be unique in Ireland as the only pair of megalithic monuments likely

to hide a golf ball hit into the rough. They are situated just off the sixth hole at the Ballymascanlon House Hotel golf course. A paved path leads to the monuments from the hotel's parking area, but they can also be reached by a shorter footpath from outside the hotel grounds.

The outlandish size of the portal tomb's nearly 40-ton capstone, its top four meters (13 feet) off the ground, may have been responsible for one of its traditional names, the "Giant's Load." Writing in 1897, William Borlase noted that:-

"...on entering the field from the river side, it presents the exact picture of a man in grey, walking away from you, and stooping beneath the weight of a bulky sack of the same colour, which he bears on his shoulders."

The Proleek Dolmen, dating from c. 3000 BCE, was used for interments in which the cremated remains were placed in the tomb, often accompanied by grave goods, including implements, beads and fragments of pottery. Some have theorized that the tomb may have been aligned so that its portal points toward Slieve Gullion and the setting sun of the summer solstice.

In addition to the three natural pillar stones, the 3.8 x 3.2 meter (12.5 x 10.5 feet) capstone now has additional support provided by an unsightly bracing of stone and concrete. Just 91 meters (100 yards) to the SE is a wedge grave with a 6.7 meter (22 feet) gallery. The two monuments are twinned both in location and in legend.

The translation of the name of the monument is unclear, with linguists suggesting that it may be "the Death Stones," or the "Dinner Stones."⁶ These monuments are located on the fabled Cooley Peninsula, the site of some of the most spectacular battles of the legendary Cattle Raid of Cooley, known in Irish as the Táin Bó Cuailgne, or simply the Táin. A writer in 1908

described the dolmen as "the grave of some fallen chieftain from a battle in the Tain." But local lore contributes a much more specific tale.

The story asserts that the dolmen was deposited here "by Fionn Mac Cumhaill and Para buidhe mór Mhac Seoidin,"⁸ and recounts the battle that then ensued between the two giants, one an invader from Scotland, the other the local hero. This battle resulted in the death of the foreigner, supposedly interred in the wedge grave. In fact, a 1758 report describes "several Bones of a monstrous Size they affirm to have been dug up here."

According to the Co. Louth Ordnance Survey Letters in 1836,

They say it is the grave of Para buidhe mór Mhac Seoidin, a Scotch giant, who came to challenge Fin Mac Coole... Para buidhe mór asked Fin's wife where he (Fin) used to eat, Fin, she told him, when he was hungry would kill one of those bullocks (pointing to them), roast him and eat him. Para went and did the same; the spot on which he killed, roasted, and ate the bullock, is pointed out yet... When he had eaten he went to the river which runs near the spot, to satisfy his thirst; but Fin threw poison into the river, by which means he dispatched him.

Greatly exaggerated Proleek Dolmen, by Robert O'Callaghan Newenham, Picturesque Views of the Antiquities of Ireland, 1830.

The other bit of folklore concerning the Proleek Dolmen, still honored by many of its scores of visitors each day, says that if you are successful in tossing three consecutive pebbles up to the top of the capstone, without any rolling off, you will get a wish. Another version of the legend states that whoever manages the feat will be married within the year.

The small stones on the top of the Ballymascanlon cromlech near Dundalk, locally known as the "Pulleek Stone," are thrown by the credulous, who believe that if one rests there the thrower will be married before the expiration of the year...

The role of these pebbles in the folklore of this sepulchral monument may be a remnant of an ancient practice. In 1888 W. G. Wood-Martin recorded that such pebbles were often found in old tombs being excavated. He wrote that it was common for the workmen doing the digging, when coming upon such pebbles, to shout out, "Here are the two stones! — now we will get the bones."

The Proleek Dolmen holds a special place for us among the hundreds of ancient Irish monuments we've visited, as it was the first one we encoun-

tered. In April of 1968, while motorcycling around the east coast of Ireland during a holiday from our studies in England, we followed a signpost which led us to walk up a rough path through a field, across a stream and into a wood. It then opened up to a broad meadow, where the Proleek Dolmen appeared in front of us. It was still the dismal end of winter in Ireland, cold and wet. So there was no one else around as we reached out and touched these stones, forging a link between ourselves and those who erected the monument five thousand years earlier. It was only after our next visit, a decade afterwards, that we discovered that the broad meadow at the end of the path was actually the fairway of the Ballymascanlon House Hotel.

The End OS21656

The Consolation Of Israel

John Trotter - Winmalee, Australia

the context of Luke 2:25 it is referring to "the Lord's Christ". In a broader sense it is seen in the comfort of the Scriptures and promises which provide hope for the future as expressed in Romans 15:4. In Acts 26:6 and 28:20 we have the word "hope" mentioned in the context of Israel. So this word "consolation" is not just a reference to Christ but is to be seen in the context of what Christ has done and is about to do for Israel.

Throughout the Bible there are many themes, at times even mysteries, that are hard to understand, even to the dedicated Bible student. One of these themes centers around the Consolation of Israel. It is difficult to comprehend God's persistence with a nation that from the very beginning complained, sinned in all aspects and even requested to be taken back to Egypt rather than die of thirst in the desert (Exodus 16:3).

The Scripture is not only full of Israel's disobedience but on a number of occasions God was on the verge of destroying His own chosen Servant (Exodus 32:7-14). On one occasion God's Servant and Watchmen were described as being deaf, blind and dumb as dogs (Isaiah 42:18-19, 56:10). The question needs to be asked: Why couldn't God start afresh? The answer is read in Hebrews 6:13-14 where it partly says; "For when God made promise to Abraham, because He could swear by no greater,

THE following few verses are provided to help in understanding this subject: Isaiah 40:1, 66:5-14; Luke 1: 67-80, 2:25-38; Acts 28:20; Romans 15:4; Hebrews 6:11-20.

The word "consolation" will now be defined. The best synonyms are "comfort or solace". In

He swore by Himself". This portion is quoted from Genesis 22:15-19.

This covenant was unconditional, so no matter what Israel did as a nation, this covenant could not be broken. The spiritualizing of the word Israel to that of the word church has destroyed the correct meaning of this Unconditional Covenant. Herein lies our hope and consolation, just because God swore by Himself. Whereas the covenants relate to the nation as a whole the saving grace of Jesus Christ applies to each of us as individuals. To understand the Kingdom message it is still required for each of us to accept Christ as our personal Saviour and nationally as our Redeemer. This total message is not taught in the churches. In light of the above thoughts, I ask the following question: "If Israel has become the body of Christ, then how can Christ marry God at the marriage service, which is yet to take place?"

On the other hand the Mosaic Covenant is conditional and it is here that the confusion begins. This confusion is seen in the commonly held views that because Israel had continually sinned she therefore was destroyed as a nation and forever scattered amongst the nations. Also due to race mixing it is the view of most that Israel can never be seen as a nation again. This commonly held view only shows that God's promise to keep a remnant separate for Himself has been completely overlooked and misunderstood. This remnant is to be saved from the wrath that is yet to descend upon this earth. Just like Noah and the ark both went through the destructive flood but God provided special protection. As Psalm 121:4 says, "Behold, he that keepeth Israel shall neither slumber nor sleep"

In Luke 2:25 we read that Simeon was waiting for the consolation of Israel. Luke 1:67-75 provides a similar desire for the consoling for Israel. In verse 73 we have the connection back to the Oath with Abraham. The prophets continually referred to the consolation of Israel. Isaiah 66, the very last chapter, expresses this

hope but in a very metaphorical manner. Isaiah saw Israel's condition like that of a woman in pain whilst giving birth.

This is what we are going through due to our disobedience. Yet God is patient in His election process of acquiring a remnant who will rule with Him on the earth during the millennium. Jerusalem will become a city of peace, but only after it has been cleansed of the tares who have tried to take the Kingdom by force. As it says in Esdras (Apocrypha), "Esau is the end of this age, but Jacob is the beginning of the one to follow". Jerusalem will be cleansed and her milk will be seen as a delight and a consolation (Isaiah 66:11). There will also be a renewing within Jacob for his name was also changed from "supplanter" to "princes ruling with God".

The hope of consolation is also seen in the promise of a "new heaven and new earth" and your seed and name shall remain (Isaiah 66:22). All this will occur not because of any righteousness within ourselves, for we are as filthy rags in comparison to the holiness of God, but because of God's Oath with Abraham. What a mystery!

Romans 15:4 says: "For whatsoever things were written afore time were written for our learning, that we through patience and comfort of the scriptures, might have hope". The patience of the saints will be rewarded. For those who have been elected by God for service in His Kingdom will be comforted. The New Covenant with both Houses of Israel, will bring into being an earthly Kingdom that has been promised from the time of the Fall in Eden. We must remember at this point that the "ecclesia" at this time only had the Old Testament books. They had to rely very much on the promises that the prophets made concerning Israel.

The consolation of Israel is very much a part of the promise by God that He will deal with Israel's enemies. The last verse of Isaiah provides a graphic picture of what God will do to those who have transgressed. The fourth and third last verse of Revelation also have a warning for those who tamper with His word. For God to give us a "new heaven and new earth" we must expect a cleansing of all aspects of His creation. Jesus, when He returns, is not coming back as a baby, but as a King and High Priest. Mercy will be given to those who deserve mercy, but to

those who are to be cast of the Kingdom there will be little forgiveness.

Before all this occurs the Western Nations are to experience further pain due to their disobedience. There has to be more separation of the tin from the dross (Isaiah 1:25). It is my view we are going to find ourselves in the same position as Israel found herself before God with His mighty wind provided a way through the waters. With Pharaoh's army in the rear, only a miracle could save the day. The future consolation of Israel will be seen in the story of Gideon and his 300. The pride of Israel will be destroyed when one day we will see God saving Jacob from his troubles (Jeremiah 30:7).

The hope and consolation of Israel is fully expressed in Hebrews 6:11-20 where we read that Jesus Christ has become the High Priest after the Order of Melchisedec. These verses are to be

read within the context of the Unconditional Covenant with Abraham. The crowning moment is that the Old Covenant is replaced by the New Covenant which is with the 2 Houses of Israel and no other people. Again the mystery revolves around the mystery of Israel being God's wife (Isaiah 54:5, Jeremiah 3:14).

This husband/wife relationship is absolutely necessary in the consolation of Israel. It is not just a personal relationship with Christ but is a national issue. Not only will we be saved from our enemies, but God will show mercy as promised to our Fathers and finally the Oath that was sworn to Abraham will be finalised. As for Christ He will be a light to the Nations and a Glory to thy people Israel. Like Simeon, we wait for the promised consolation of Israel. May that day come quickly.

The End OS21657

We Are Israel **From Bernard Franklin** **(Editor of The Flame Magazine - See Advert Page 38)**

WE will have our own characteristics or traits. We will be separated from other nations, or races of people. We will be Yahweh's exclusive property. We will be of a very select circle. We will belong to Yahweh and no others. We will be of superior quality, superb, majestic and splendid. We will be giving out or reflecting brilliant light. We will have the preeminence.

Yahweh has made an oath, a promise to you of this, which you have just read, if you keep His commandments and to walk in His ways.

Deut. 28:10; All the people, all the other races of people of the earth shall see that you are called, that you are designated and affirmed, to

declare positively, to have the name of Yahweh and all of the other races shall be afraid of you.

What is the name of Yahweh? Israel. Remember, Yahweh changed the name of Jacob to Israel. So, the White race are called, Israelites.

Now, you have been lied. to, deceived, mislead and tricked into believing that the Jews are Yahweh's chosen people. NOT SO!!! Here's proof.

In the 1980 Jewish Almanac, first chapter entitled "Identity Crisis," begins with the following admission: "Strictly speaking, it is incorrect to call an ancient Israelite a 'Jew' or to call a contemporary Jew an 'Israelite' or a 'Hebrew.'

You might be wondering, why? Well, simply because the people or race known as 'Jews' are not the chosen people or race of Yahweh as we have been led to believe. The modern Jews as they trace their lineage back thru' the Khazar kingdom, are the people or race identified in *The Encyclopaedia Judaica* as the Edomites. So, rather than being Jacob/Israel's descendants, they are Esau/Edom's descendants.

What you are about to read came out of a book entitled, "*The Hidden Tyranny.*" It contains an interview with Harold Rosenthal, a Jew. He was interviewed by Walter White.

Mr. White asks the question to Rosenthal. Are you God's chosen people? Rosenthal replies. "We are god's chosen people. Most Jews do not like to admit it, but our god is Lucifer, so I wasn't lying and we are his chosen people. Lucifer is very much alive.

Now to back this statement up with Scriptures

John 8:39. The Jews said to Yahshua. Abraham is our father. Yahshua said to the Jews. If you were Abraham's children, you would do the works of Abraham.

John 8:44. Yahshua tells the Jews. You are of your father the devil and the lusts or the desires of your father you will do. The devil was a murderer from the beginning and abode or lived not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own, for he is a liar and the father of lies.

Now for more proof of the Jews being a child of the devil. Murderer.

This is from a speech by Rabbi Rabinovich in 1952 in Budapest, Hungary. This is the master plan that is outlined in the "*Protocols Of The Elders Of Zion*".

"We may have to repeat the grim days of WW II, when we were forced to let the Hilterite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure that you will need little preparation for such a duty, for sacrifice has always been the watchword of our people and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

Did you read that? A few thousand Jews were sacrificed, not 6,000,000 as we have been led to believe.

Now about Hilter. His parents were Jews and Hilter converted to Catholicism. The Swastika is the Catholic Jesuit Nazi emblem. Nazism was a political party and not all Germans were Nazis just the same as all Americans are not Democrats.

Hilter attended school at his Catholic monastery under the director Catholic Bernhard Groner. Hilter admired and later used the Swastika for his Catholic Nazi Party and the SS. Do you know that the White race are the Jews most hated enemy?

Back to the speech by Rabbi Rabinovich

"I can state with assurance that the last generation of White children are now being born. Our Control Commissions will forbid the Whites to mate with Whites. The White women must cohabit with members of the dark races, the White men with dark women. Thus

the White race will disappear, for mixing the dark with the White, means the end of the White man and our most dangerous enemy will become only a memory."

With all of this documentation, you see that the Jews belong to Satan and the White race belong to Yahweh.

So, why are Pat Robertson, Benny Hinn, Jack Van Impe, Jerry Falwell and other Christians well known trying to put Israelites together with your most hated enemy, the Jews? Money and prestige and the recognition of power.

Here, is more startling facts concerning Jews against Israelites. Remember, Yahshua told the Jews that their father was a liar, so they will lie also.

This is what the Jew, Rosenthal said. "On the first and fundamental lie, the purpose of which is to make people believe that we are not a nation, or race, but a religion, other lies are

subsequently based. Our greatest fear is that this falsehood will be discovered, for we will be stamped out the moment the general public comes into possession of the truth and acts upon it."

The American people have been easily ruled thru' our propaganda that the pen is mightier than the sword. We virtually get away with murder. We are safe to continually exploit, intimidate and disenfranchise the White American. Which means this. The Jews work to deprive the White Americans of privileges or rights. The Jews will do this as long as the White Americans are preoccupied with the illusion of educating the masses thru' printed material."

Religion, too, must be taught and thru' this necessity we have laboured. With our control of the text book, industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis now hold professorships in supposed Christian theological seminaries. We are amazed by the Christians' stupidity in receiving our teachings as their own."

This is one of the main reasons for the power and the control Jews have attained over White nations, the adopting of Jewish ways. As Henry Ford stated, "The Christian cannot read his Bible, except thru' Jewish spectacles and therefore reads it wrong." (The International Jew, Vol. IV, p. 238). As a result, Christians don't have Yahweh's word on a certain matter, they have the Jew's word.

"Judaism is not only the teachings of the synagogue, but also the doctrine of every Christian Church in America. Thru' our propaganda the Church has become our most avid supporter. This has even given us a place in society, their believing a lie that we are the 'chosen people' and they, gentiles."

These deluded children of the Church defend us to the point of destroying their own culture. This truth is evident even to the dullard, or stupid person, when one views history and sees that all wars have been white fighting white in order that we maintain our control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during WW 1 and II. Thru' our influence of religion we are able to involve the ignorant White Christian in war against themselves which always impoverished both sides while we reaped a financial and political harvest. Anytime truth comes forth which exposes us, we simply rally our forces, the ignorant Christians. They attack the crusaders even if they are members of their own family."

"Thru' religion we have gained complete control of society, government and economics. No law is ever passed except its merits have previously been taught from the pulpits. An example of this race equality which led to intergration and ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that we are a special, chosen people, while in another breath proclaim all races are the same. Their inconsistency is never discovered. So we Jews enjoy a special place in society while all other races are reduced to common equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level."

Well I have given to you enough of documented facts to prove to you who the Jews are and who the 'White Christians, Israelites are. Now back to Deut. 28.

Deut. 28:11..Yahweh shall make you plenteous or rich in goods, in the fruit of your body and in the fruit of your cattle and in the fruit of your ground, in the land which Yahweh sware, or promised to your fathers to give you.

Yahweh shall make you to be sufficient for every purpose. You will have an abundant supply of provisions. You will have tremendous benefits,

advantages, gain, blessing, virtue, prosperity, profits and welfare. You will be blessed with good health. The cattle that you have will increase in number. The crops that you plant will yield abundantly over and above all that you can use. Actually, it will overflow so you can give to others that are in need and in turn it will make them happy.

Deut. 28:12; Yahweh shall open to you his good treasure, the heaven to give the rain to your land in its season and to bless all the work of your hands and you shall lend to other nations, or to other races and you shall not borrow.

Why are you told in Yahweh's word not to borrow? Proverbs 22:7. The borrower is servant, or will be the slave to the lender.

Yahweh promised if we obeyed His law, He would bring incredible blessings upon us and the unlawful inhabitants of the land would become very few in number. Ex. 34:10,11; Deut. 33:17; Isa, 1:28. This occurred as we obeyed Yahweh's laws in the early days of America, but, as we have turned from Yahweh's ways, the unlawful inhabitants have multiplied like rabbits and mutated like some out of control cancer. Yahweh also declared that if we forsook His law, tremendous curses would befall us, our enemies who live among us would become the head and we would become the tail. Most every terrible thing which is happening to us here in America, is a result of our sin and is predicted in Scripture. Lev. 26; Deut. 28.

Further, America, the Kingdom of Heaven, does suffer violence by all those third-world peoples who are entering her by force and demanding to live here, be supported by and be given equal status with true Americans. America shall soon collapse under the burden of these people as we have forsaken Yahweh's ways, made treaties with them and allowed them to bring their pagan gods and evil ways with them into our land. Matt. 11:12; John 10:1; Rev. 18:2,3.

As in all Bible history, Yahweh will once again use our very enemies to chasten us to repentance until we turn back to Yahweh and His laws

When America was formed, the Articles of the Confederation were ratified in 1781 declaring that this new land was formed to glorify Yahweh

and to advance the Kingdom of Yahshua, The Christ.

One of the foremost symbols of the U.S., the Liberty Bell, bears the inscription, "Proclaim Liberty thru' out the Land." Lev. 25:10.

The Pilgrims who came to America referred to this new land as The Wilderness and New Canaan-land and they referred to themselves as the children of Abraham, Isaac and Jacob/Israel. When the early colonists arrived here in America, they first built a church in the community, before they built their own houses. The 10 Commandments and the Laws of the Bible were the first and only law of the early colonies and all laws which were later created were based upon the Bible. In the early U.S. (up until recent times) in order to hold public office, a man had to be a Christian who professed Jesus Christ and whose life was blameless. This foundation upon the Word of Yahweh was the cause of America's greatness and has so been noted by many famous people. It is the departure from Yahweh's Laws which is the cause of America's decline and demoralization. If one reads the Constitution with understanding, it is beyond dispute that the Constitution does not extend the freedom of religion to any but Christianity.

CLAIM YOUR INHERITANCE

Please don't be like Esau, who despised his birthright and inheritance, only to regret it later and find no place of repentance, who, further, became the very enemy of Yahweh and His people.

Don't reject the truth just because it is not held by the majority. the majority cannot Overrule Yahweh, rather, they will one day answer for their offences against Yahweh and His people.

There is no safety in the opinion of the majority. There is only safety in complete obedience to Yahweh Almighty. He who dwells in the secret place of the Most High, shall abide under the shadow of the Almighty (and nothing shall harm him) Because thou hast made Yahweh, thy habitation there shall no evil befall you. Psa. 91.

The great thinker, political leader and writer Thomas Paine rejected the Bible as a fable, because he seriously studied the Bible, but saw that none of the prophecies of the Bible were ever fulfilled by the Jews. The sad thing is that he was in spiritual blindness, as most people are today. It is a shame when people refuse to forsake falsehood and embrace the truth once it is clearly presented to them. Paine did not see the whole of Scripture and prophecy which shows that Israel would have a new name and a new land. He did not see that he was one of the very people of Israel in whom all the great prophecies he had studied were actually fulfilled and how many people have been turned away from the Bible and Yahshua, The Christ, because they - believed the lies they had been told. the

majority of the people today have never studied the matter for themselves.

They merely take at face value what others have told them without making any attempt to verify if what they have been told was indeed the truth. Intelligent people today check most everything out before they will believe something that is important to their lives or concerning the lives of others. Who ever checks to see if what they have been taught in school or church is actually true or correct. We need to do what the Christians in Berea did. Acts 17:11. Paul and Silas was preaching and these people were more highly intelligent than those of Thessalonica. Why? They received the word with readiness of mind and they searched the Scriptures daily, whether these things be so. The people in Thessalonica did not search the Scriptures daily to see what they were being taught was really true. So goes the church of today. They are too lazy to study the Scriptures for themselves, so they go deeper and deeper into deception and error.

The End OS21658

Letters & Views

Lincoln Mosque Demonstration Jan 2014

Sir,—For those interested there are some photos from the demonstration in Lincoln on Saturday on our website www.lincolnshireblog.com in which around 200 patriots took part. Thanks to all those who came (some from afar) and from all different organisations to gather in unity against the anti-british establishment who are promoting mosque building here.

We have been battling this ongoing saga in Lincoln for about 8 years now and whilst this has not been built yet, as it stands the Islamic Association have planning permission for their

purpose built mosque. This is on the site of a former dairy (with the latter being deliberately closed down due to importing milk etc). There is also a planning application in for a similar mosque in Grantham. Both have been aided and abetted by anti-British communist councillors, unions and councils, not to mention the complete and utter gutter press.

It was particularly pleasing to hear the speakers talking about our English history, the cathedral and reference being made to the 1215 Magna Carta (copy in Lincoln) and the **Freemen of England**. This, as was mentioned, is still current law because the treaty can never be repealed by crooked politicians, it can only be done by the people, so if anyone tells you that it has been repealed, tell them where to go. I am sure we are going to have to fight once again to restore that freedom. The great Thomas Jefferson foresaw this when he helped with the American constitution and their right to bear arms to protect the people from tyrants.

After leaving the demonstration some of us drove by Boutham only to find a lovely old English pub (formerly the Parklands) had been

completely knocked down, even after a recent refurbishment, no doubt to make way for more houses - perhaps for new arrivals. The whole area that was once a close knit English parish is changing fast due to Communist Transformation which is all deliberate. The High Street that only 10-15 years ago had lovely English cafes is now about 90% foreign and is beginning to resemble the entrance to the ghetto that used to be known as Leicester! If you drive from Lincoln into Leicester you will know what I mean.

I will mention the Police State again as prior to the march we were in a good old English pub having a couple of English pints, with an atmosphere like every pub had years ago. Obviously the riot vans, undercover cars etc were all over the place, including Nottinghamshire Police just outside the pub. In walked what can only be described as 4 storm-troopers in full body armour to see what we were doing - this is totalitarian Britain today. I am more worried about these than anything else (following orders.....). A friend was nearly arrested by 6 storm-troopers for failing to answer their questions and reveal his papers (stasi? gestapo?) who stood up for your rights even under threat of arrest - need a 10,000 more like that. The Police pulled 2 car loads over and detained them (including some event speakers) and if it hadn't been for us arguing on the phone they would not have been allowed even into Lincoln! Roadblocks and curfews will be next I'm sure. Whilst I do not normally look at the communist press, please take time to look at this link <http://www.lincolnshireecho.co.uk/Lincoln-Racism-Fascism-Rally-8220-Lincoln-fascist/story-20463393-detail/story.html> and see what we are up against. Nick Parker (not sure what sex the thing is - see image attached with his 5 star pentacle tattoo) is a member of the Socialist Worker Party, his father Rob Parker (lab), John Sharman (Unison) & Gavyn Graham

(Unison) are all communists and Lincolnshire Echo are engaged with the subversive and communist charity Common Purpose (as are the Police who work in partnership with the communist councils). Note: The county council used to host Common Purpose meetings where the old tosspot Bishop of Lincoln used to chair them. They are all in this like a spiders web.

I would like to end with 2 enriching examples for you from patriots I spoke to, the first was a couple from Nottingham who had to move out of the area due to the mass influx of Asians and mosques, just as Enoch Powell wrote in 1968. They came to Lincoln to support us because they have seen what happens when the area really starts changing (take note do-gooders). Whilst telling a Boston patriot that Portland Street is now known as little Poland he said let me show you some Anglo/polish relations - he then rolled his trouser up to show a massive scar/bruising to his shin. He said he was jumped by 2 polish thugs in an alley trying to steal his wallet and when he was on the floor they stamped on his leg to try and break it. The Police didn't want him to make a statement - no doubt because crime is going down. Obviously this is racist and all lies.

The good news is more demonstrations are planned soon all over the UK and people from Lincoln will go and support other areas. I suggest you all start teaming up and come to them too. No matter what group you belong to, if you are a patriot you will be welcome. UNITY!
Regards Mike

PS: 1 million "British" school children have now had their biometric finger prints taken, with up to half without parental knowledge

**A Letter to, Sir Bernard Hogan-Howe
Commissioner of Police
New Scotland Yard**

**Ref Dispensations for penalties for IRA
crimes.**

Sir,—I would draw your attention to the ruling in Thomas Vs. Sorrel 1674 on the dispensing power of the King to dispense with a penalty for a crime, given by Chief Justice Vaughn of the Common Pleas.

"The King cannot grant a dispensation from a penalty for a Common Law offence. He can grant a dispensation for a statute offence, but he cannot grant a dispensation for all statute offences he may grant a dispensation if he is the only victim of the offence. But if a third party is effected the King may not grant a dispensation for that would remove the victims right to sue for compensation."

Murder is an offence at common law, and treason by making war on Her Majesty's subjects within the realm by its very definition involves third party victims.

The Bill of Rights 1689 which incorporates the 1689 Declaration of Rights a major Constitutional Law so major in fact it laid down the inheritance of the Crown, outlaws for all time the granting of dispensations for penalties for crimes.

The granting by Anthony Lynton Blair one time Prime Minister of the United Kingdom of an immunity from prosecuting members of the Irish Republican Army is a dispensation contrary to the ruling of Chief Justice Vaughn and is contrary to the 1689 Bill of Rights.

I wish to submit an allegation of perverting the course of justice and aiding and abetting Her Majesty's enemy's within the Realm. By issuing letters stating the members of the IRA who had committed murder and other atrocities would not be prosecuted Anthony Lynton Blair has exceeded his authority to claim powers under the law which the very law itself refuses to Her Majesty the supreme governor of England.

Anthony Lynton Blair one time Prime Minister of the United Kingdom by assuming an authority refused him by law has perverted the course

of justice at common law and aided and abetted those who have made war on Her Majesty's subjects within the realm he has by so doing encouraged acts of terrorism and for those members of the IRA who are British Nationals acts of treason contrary to the 1351 Treason Act.
Respectfully submitted, - Albert Burgess

Parking Tickets

Sir,—My younger half-brother joined the Metropolitan police about 1960. He told me that responsibility for parking had been taken from the police and given to a new force of parking attendants. He agreed with this policy, but I was not so sure, especially when I learned that the parking attendants received the same wage as a police constable on duty at all times and occasions in risk of their lives as my brother once was.

A pop song appeared: "**Pretty Rita Meter Maid**", which I thought would cut no ice with any driver.

25 years ago I was living in Tower Hamlets and had nothing to do with parking tickets – I have a bicycle the fastest road transport in London. Visiting friends in Nottinghill I did the 10.7 mile journey door-to-door in 42 – 43 minutes that is three minutes faster than the tube. I was passing mile after mile of traffic no vehicle ever caught up with me.

Bearing in mind that China is now the largest industrial country in the world, I was amused to see recently a photograph in the press of the traffic on a major road in Peking, no cars! So all units of personnel there will arrive at their destination quicker than those in London, preventing "global warming" by pollution. In London the traffic flows slower than in the days of horse and carriage. Perhaps "*on yer bike*" should be this strategic traffic policy in London.

I first became aware of the parking ticket problem when I had my telephone landline connected. When the engineer called his first words was a question about parking tickets. "You need not be worried about parking Gestapo, I've seen none here in the East End, outraged East Enders would beat them up"! (The authorities appear to treat heart genuine East Enders with kid gloves.)

When we had a proper postal service, all first-class, had seven deliveries daily, Notting Hill only six as displayed by the obsolete notice on the post-boxes. Shortly before I moved from the East End, for strange reasons, I saw several times the solitary female Gestapo units of personnel. They are trying it on as they know that genuine East Enders are gentlemen (nothing like that stupid TV soap) and will not assault a woman.

While the engineer was working he was telling me the problem that BT have with the parking Gestapo. BT officers have filmed the Gestapo actually targeting their vehicles for they know they will be paid. And the situation in Westminster was so bad that BT approached the council offering to pay a lump sum each year and avoid a great deal of admin work. The council demanded £6 million so the project was dropped. My landline was fitted about eight years ago.

Sometime later my eldest son telephoned me great excitement. He had just found the People's United Community on the Internet. And had discovered what a parking ticket is **in law**. It is only a contract being offered and should not be accepted for there is no benefit to the driver. This puts a question over the whole legal profession. They do not speak English English, but legalese a dialect of swindlers, to baffle the layman as shown in their legal dictionaries. Thus they can all see what a parking ticket is, but how many tell their clients? They appeared to be in collusion (as a body) with the politicians and are tricksters too.

My son phoned me weekly and on the next occasion he told me that he had 12 parking tickets, "that's a nice collection son," I said, "no dad there is a man on the Internet with 153!"

Next week he told me that the local con party chairperson had told him to pay his parking tickets. He refused. How did this con party chairman know? It is obvious that we are being watched and I got the announcements that the next week – my lad has been thrown out of the con party for not accepting offered contracts!

Your readers Sir, have to be warned that if they are members of any political party and stop paying parking tickets they may be expelled. This applies to all parties including the BNP also, as I have evidence that they are penetrated by

MI5 agents, who get chairperson post right at the top, the enemy is very sly.

With this knowledge of parking tickets I decided to write to the boss of BT, Mr Livingstone so that he could save this organisation considerable payments and admin costs. I heard no more.

Livingstone then, is one of them working as an unpaid council tax collector, causing considerable distress to the staff and certainly making no effort to keep down the cost of telephone calls. Very un-British, but it's nice to identify enemy units of personnel!

I also decided to "pass the message" and make a little notice of "important email addresses" with the web addresses of The People's United Community and others. My photocopy artists, Ian Taylor, Commercial Road, reproduced on 12 sheets of A4, so I had several hundred slips to give to interested people.

This will prove Westminster an undisciplined and blighted city there is one unit of Gestapo personnel of every 50 m of road, so the parking tickets fall like confetti on the window screens of cars. I consider this an excellent opportunity to start the **Lawful Rebellion!** (Regarding parking tickets) --in the capital city and accordingly designed a leaflet for my photocopy artists to print. These were put under the parking tickets taking care that the Gestapo did not see me.

Dear Sir or Madam,

In law a parking ticket is only a contract being affected and should not be accepted, for there is no benefit to you whatsoever. And the parking authorities cannot take you to court to make you pay. For further information contact People's United Community. They also have other money solving programs which have already saved me over £1000 so far. Yours sincerely, AM

I thought of getting more printed. Unfortunately, this did not come into being. I was being persecuted in London. Papers, books and other property were being stolen with no sign of entry.

Unlike the normal criminal classes, letters to my eldest son did not arrive and strange things happen to my telephone. I could only conclude it was MI5, as only they can steal mail at the post office. I twice wrote the Prime Minister but got no reply. The final episode was an assault which broke 2 or three of my ribs when I returned to my flat at 10:15 PM on the first Tuesday of July 2011, so I left London and now resides up North.

I have been quite quiet since then, until I saw an item published in the Daily Mail of a barbershop in Liskeard owned by a Mr. Andy Blackwell where the Gestapo had been targeting all his customers. I therefore wrote to Mr Blackwell with the facts. His reply was splendid. He is an old seafarer like myself and ended his letter "here endeth my rant Ha ha ha." This made me realise that my chronicles are a rant too - outrage that the wicked world.

Andy has paid me a high honour, he has laminated my letter to show to all his customers. This is better than any honour that a politician can bestow. **Your truly, An Ancient Mariner.**

The Circle

STEP 1: Sometime in remote antiquity, somewhere in the Middle East, someone devised a method for dealing with circles: He said there are 360 degrees, 21,600 minutes, 1,296,000 seconds in a circle. This rule is true regardless of the size of the circle: one inch diameter or a million miles. As such it has no mathematical dimension.

STEP 2: Expressed mathematically, and true for all circles, the Circumference is equal to 2 Pi times the Radius, $C = 2 \text{ Pi } R$, or, exchanging symbols, $R = C/2 \text{ Pi}$. If we divide this last number, 1,296,000, by 2 Pi, 6.28318531 . . . , we

get a statement about the property of the radius of the circle: The radius in length is 206,264.806 . . . Units.

STEP 3: The number 206,265 is used by astronomers to estimate celestial objects that are at great distances. For example One Parsec is equal to 206,265 AU, where AU is the distance from the sun to the earth. However, our interest is terrestrial, not celestial. We can take the number of units in the radius of a circle and massage it into a form that is much easier to manipulate. We do this by reducing the size of the number. We can divide this number by 10,000. The number 10,000 would not occur naturally, by itself. It is a number devised by intelligent mind.

STEP 4: The fact that 10,000 is so neatly suited to our goal makes it outstanding as an intelligent step in our process. We get 20.626,480+ units. This number is purely intellectual. It has no basis in the literal world. It is defined mathematically. We should remember that this number is defined as a distance along the radius of the circle which constitutes our intellectual framework. I shall now show why this is such a startling number.

STEP 5: 20.626+ is the length of a Royal Egyptian Cubit in English inches, now accepted in the scholarly world. Within our ability to measure, the two numbers are identical, one an intellectual creation from long in the past, the other a measured length. How could this be? Such a coincidence can come about only if some created intellect put his finger into the mix many millennia ago. In other words, some superior intelligence in remote antiquity caused it to appear in this identity. It did not come about accidentally, strictly of its own ability. He defined the Egyptian royal cubit to be equal to this special length.

Note that this equality is recognizable only when defined by the English inch. (We also defined the radius of the earth by English inches. See Table at the bottom of this Paper.)

Editor: This a foretaste of a future article that will appear in a future edition of the New Ensign.

The End OS21662

The Rockefeller Family Secret!

By Russell Harold Kelley

GO to this very Jewish website

<http://www.avotaynu.com/>

and go to the bottom of the page and you can search for family surnames: **ENTER ROCKEFELLER** and **SEE**: They are to

be found under **THREE** database categories of Jewish Ancestry Research – J – K- & T

ROCKEFELLER can be found in these databases of JEWISH FAMILY NAMES:

J. Jewish Gen Family Finder (97,391 surnames). Surnames being researched by some 60,000 Jewish genealogists worldwide. An on-going project—continuously updated. Online database

K. Family Tree of the Jewish People (184,237 surnames). 2,000,000 persons who appear on family trees being researched by Jewish genealogists. An on-going project—continuously updated. Online database

T. First American Jewish Families (4,758 surnames). 50,000 descendants of Jewish-American families who arrived in America in the period 1654-1838. (Out of print) Book

Some say the real name of the Rockefellers was originally Rockenfelder – and there appears to have been a village of Rockenfeld

Rockefeller Name Meaning and History: From <http://www.ancestry.com/facts/rockefeller-family-history.ashx> German: habitational name for someone from the village of Rockenfeld near Neuwied, Rhineland, named in Middle High German with rocke 'rye' (Old High German rocko) + feld 'open country'. [Should really be 'Offenfelder' to mean directly 'open fields' - or 'Offenlands' to mean directly 'open lands or country' ?]

BUT try entering **REICHENFELDER** WHICH in German translates into **RICH FIELDS** as in **“RICH OIL FIELDS”** perhaps???:-D

Reichenfelder/Reichenfeld is still found quite abundantly on Avotaynu as a Jewish surname(s) under these surname databases: G-J-K-N-U-W.

If it had been originally Reichenfelder that would translate roughly into “RICH FELLER” which is very closely sounding like “RICH FELLOW”~!!! And the Rockefellers are certainly rich fellows~!!!

http://www.fourwinds10.com/siterun_data/history/zionism/news.php?q=1230428291

A book overlooked by most people and published for sale mainly within the Jewish community states that the Rockefellers are Jews of Sephardic descent (meaning Spanish and Portuguese Jews). The book is entitled “The Grandees – America’s Sephardic Elite.” The author is Stephen Birmingham, who is recognized by the Jewish community as an expert on Jewish history.

<http://books.google.com/books?id=q2lCAAAAIAAJ&dq=The+Grandees&q=Rockefeller&pgis=1>

The publisher of “*The Grandees*” is the Jewish owned publishing firm of “Harper and Row” of New York City. Mr. Birmingham also wrote the book “Our Crowd” about the family background of America’s wealthiest and most successful Jews. Both books have been hailed by Jewish publications as first class works in the documentation of Jewish history.

In “*The Grandees*” Stephen Birmingham reveals the existence of a very rare book which was published only for Jews some years ago. The work was compiled by the Jewish historian Malcolm H. Stern and entitled “Americans of Jewish Decent.” That book weighed 10 pounds and gave the history of 25,000 Jewish individuals in America. It is extremely interesting to note that only 550 copies of the book were printed and each copy was consecutively numbered. The book was delivered to the top Jewish community leaders in America for their personal reference files in dealing with and contacting Jews who are “Marranos” (those Jews who “**Pretend**” to be Christians in their community but secretly hold to their Jewish faith and race when among their own kind).

Mr. Birmingham in "The Grandees" reports: "Who would expect to find the Rockefellers in the book." Stern's work traces what he calls the "Nobility of Jewry – the Sephardim who lived in Spain and Portugal as princes of the land." Many centuries ago the Jews flooded into Spain in great numbers and through usury and stealth became vast land owners. The Jews controlled both Spain and Portugal through their monopoly over the finances of the country.

It was in 1492 that King Ferdinand and Queen Isabella of Spain expelled the Jews from their country and confiscated their ill-gotten wealth. It was during this period that the Rockefeller family moved to the Turkish Empire which welcomed the Jews at that time, believing them to be a "poor persecuted people."

The grandfather of our former Vice-President Nelson Rockefeller, admitted that his family once moved from Turkey to France. It was from France that they moved to America. John D. Rockefeller, Sr., was a wealthy man even before he took over Standard Oil Co., which made their

family one of the richest in the world. No one has ever explained how this family came into such wealth as soon as they arrived in America from France.

There is no known information on how the Rockefellers came into huge amounts of money in France. Some think they got their money from the Rothschilds and were originally their agents in buying up Christian businesses in America. "Marranos" are Jews who "**Pretend**" to convert to Christianity so as to deceive Christians in their business dealings, but secretly continued to practice Judaism in private rituals. For this reason, a Marrano family like the Rockefellers would make the perfect tool for the Rothschilds of France who have for centuries used secret agents to carry on their work.

"The Thunderbolt" was the first publication to bring Vice-President Nelson Rockefeller's Jewish ancestry to public attention. This information finally explains why he has always been able to work so closely with Jewish

interests and why his administration as governor of New York was loaded down with Jews from top to bottom. His political campaigns of the past were always directed by Jews and he was always the support of the Jewish community in all of his political races.

Normally the Jews would not support a Christian multi-millionaire for political office because they would be afraid they could not control him after the election. **The fact that Jewish community leaders have long known that the Rockefellers were fellow Jews goes a long way in explaining why the organized Jewish community has always supported the Rockefeller's political ambitions.** Now we can see why Nelson and David Rockefeller boosted his fellow Jew Henry Kissinger into the Nixon administration and Kissinger in turn has used his position to bring his fellow Jew Rockefeller into power.

The Rockefellers also married into relatives of the Rothschilds, a Gantz.

The Rockefellers are in fact, Jewish, they head up world wide Sephardic, Jewry. They are deep crypto Jews. One only need look at the photos of the Rokerfeller Clan to see they are Sephardic Jews and hang out with Sephardic Jews, guys like Nick Rockefeller, Neva Goodwin Rockefeller, Jay Rockefeller, etc. Bill Clinton is the illegitimate son of Winthrop Rockefeller and the Bush family real name is possibly Scherf – (Scherf could still be a Jewish name under the search as found on Avotaynu Scherf is found: **Scherf** under these surname databases: A-B-G-H-J-K-N-P).

However Bush is a frequently used Jewish name found in the earliest records of America

Search BUSH on <http://www.avotaynu.com/> and you will see they are found in these MANY Jewish family surname databases: A-B-C-D-E-J-K-O-Q-R-T-G-P .

Remember T is the

(T.) First American Jewish Families (4,758 surnames). 50,000 descendants of Jewish-American families who arrived in America in the period 1654-1838. (Out of print) Book],

(continuing)..they are German Jews, and former Nazis. Prescott Bush and adopted into the bush family and given a phoney identity, along with his sons.

The Bushes as Jewish and Foreign born presidents go is nothing unusual at all (like

Obama possibly born in Kenya? But Obama is also quite Jewish).

SEE Obama's Jewish Grandfather by Henry Makow, Ph.D. (Makow is Jewish)
http://www.savethemales.ca/is_obama_literally_americas_fi.html Though Obama's maternal side being Jewish is pretty well settled among those who know these 'Jewish' things (his real father may still be in question – SEE: <http://www.fireflyfans.net/mthread.asp?b=18&t=40344>

(Obama's maternal Jewish grandfather) Stanley Dunham's mother Ruth (a common Jewish name) Lucille Armour committed suicide when Stanley was eight-years-old. His father abandoned him and his brother to their grandparents. What would cause a mother of two boys to commit suicide?

Obama's mother, "Stanley Anne", became a Communist and fought the "Establishment" not realising the Communists ARE the Establishment. She allowed a Communist degenerate Frank Davis to take pornographic pictures of her, which are on the Internet. (Google Images) Davis boasted of bedding white women and some believe Davis is Obama's real father. Certainly Barack Obama Sr. didn't waste any time abandoning mother and son.)

SEE: Is The Commie Frank Marshall Davis Obama's Daddy??

<http://www.sodahead.com/living/is-the-commie-frank-marshall-davis-obamas-daddy/blog-274149/> Is it possible that all that our supposedly 'illegally' sitting POTUS is really hiding is that his daddy was a really Commie SOB?

Undoing the Kenyan possibility is the high likelihood that the "marriage" between Barack Sr. and Ann Dunham was a sham. Frank Marshall Davis having taken pornographic pictures of Obama's mother lends credence to the very real possibility that he bedded and impregnated her with our present POTUS. Maybe the shame is more in the Communist background than in the out of wedlock origination which would of course make Obama 'legitimately' an illegitimate child i.e. a bastard! (Are there any real doubts? That he's a real bastard I mean ;-D)

When Barack Sr. left Hawaii a year after Obama's birth, Ann's father Stanley was there to see him off with smiles. He would always speak well of the black man who knocked up his

daughter and then abandoned wife and child — mighty unusual behaviour from a father-in-law.

* There was a marriage license from another county, Maui — a classic way to avoid local notification — and a divorce, but if there was a wedding, then no one attended it. There was no ring, no photos, no leis. (But somebody surely must have 'laid' Obama's mom!;-D)

Ann Dunham (left) met Barack Sr. in Russian class. (In 1960, people like Lee Harvey Oswald took Russian classes.) The possibility that the Dunhams recruited Barack Sr. to front for a less savory impregnation of Ann

by a black man makes more sense than the fabled romance. Obama looks nothing like Barack Sr.

* No, there is absolutely no reason to believe that the father was Malcolm X.

(But Obama sure looks like Frank Marshall Davis!)

SEE: President Frank Marshall Davis Obama!! <http://www.reformation.org/frank-marshall-davis-obama.html>

And more reasons for Obama to be embarrassed over his real father being Frank Davis and coming to light:

http://www.nationalenquirer.com/obama_sex_perv_scandal/celebrity/65575

On a side note: Obama's mom had something for Oil men it seems:

Stanley Ann Dunham Obama Dunham met her second husband, Lolo Sotoero, at the East West Centre on the University of Hawaii Campus. Ann Dunham had met her son's father, Barack Obama, Sr., on the same campus years earlier, that time in a Russian language class. She seems to have had a thing for men who work for oil companies, too, since ObaOne worked for Shell and Lolo worked for Mobil. And this led to a rather interesting relationship to the Geithner & Rockefeller families and the CIA: <http://a-albionic.com/topic/196/t/Geithner-Obama-s-Mom-and-the-Rockefeller-CIA.html>

Even stranger yet is this possibility which seems to agree in regards to many thinking

that Obama was cloned from the DNA of the Pharoahs – Is this just to throw us off of the Jewish connections?:

SEE:<http://thefreemanperspective.blogspot.com/2009/02/barackhnaten-and-renaissance-tiye.html> – Freeman has openly admitted that his father was a Grand Master of a Freemason Lodge and Freeman is one of the 13 major bloodline families of the Illuminati

SEE:http://s13.invisionfree.com/THE_UNHIVED_MIND/ar/t40108.htm for a lively discussion)

Could it be that: BHO was likely born of the seed of **Michael Rockefeller** and DNA extracted from the sarcophagus of Cleopatra, former two-time Queen of Egypt.

There is overwhelming evidence that the technologies to create such a creature existed in Austria as far back as 1926, and was accomplished by 1952. Rockefeller's faked disappearance in 1961, the alleged year that BHO was born, itself, a sequence of implausible events and cover ups, was designed to prevent anyone from ever learning the truth about available technologies and how those technologies were being used.

The Nazis, the Soviets and others, on behalf of the Illuminati, worked together to accomplish their goal: the creation of a New World Order, founded on a hybrid personality programmed to do their bidding. The above referenced articles specifically reveal faked photographs and video productions, and the trail to how BHO was created. My conclusions are born out of the previously undisclosed facts about Rockefeller's 'disappearance' and the ever-present involvement of the Rockefeller-created "Dunham" clan, Obama's supposed family— all Rockefeller agents.

The following are deductions and conclusions, both before and after research:

SEE:

<http://proliberty.com/observer//20100405.htm>

Then we have the strange case of Eisenhower:

http://web.me.com/donnicoloff/directlightproductions.com/Articles/Entries/2010/4/28_Teenage_Mutant_Ninja_Birth_Certificates.html

After it was revealed that former U.S. President Dwight D. Eisenhower was not born in Denison, Texas in 1890, nor anywhere else in the United States, a flurry of 'Eisenhower' articles appeared on the Internet as an

ineffectually feeble, psychological counterbalance to the revelation that Eisenhower (aka David Dwight Eisenhower) was not a natural-born U.S. citizen. It so happens that he real name was "Johann Adolf Eisenhauer," and his lineage was traced to Solka, Bukovina, Austria-Hungary.

To the uninformed, the U.S. Constitution disqualifies anyone not born on American soil from becoming the president of the United States, though research proves that Johann Adolf Eisenhauer, George H. Scherff, Jr. (aka George Herbert Walker Bush), and Barry Rockefeller (aka Barack Hussein Obama, Jr./Barry Soetoro) accomplished the feat. The Constitution is quite definitive on the issue, yet three separate congressional conventions aided and abetted in the subterfuge of the American government.

The revelations you are about to read will not only expose the fraud committed to further Dwight D. Eisenhower's own political ambitions, they will expose a massive, international plot to derail the U.S. Constitution, turning its principles over to a gang of organized Zionist, Fascist and Communist thugs intent on destroying America from within. What you are about to read will require us to rewrite history. Let that process begin here.

AND WHO DID ALL THIS RESEARCH?

About Obama Pharoah Clone & Eisenhower & also on the Bush/Scherf connections??? One in depth researcher who covered these topics is Don Nicoloff:

Don Nicoloff has specialized in genealogical research uncovering the true families and histories of previous U.S. Presidents, contenders for the presidency and other hidden information, bringing readers to the destiny the elite has planned for us. The Idaho Observer printed many of his earlier exposes, including "Deathbed Confessions: Photos support claims that George H. Scherff, Jr. was the 41st president" (April – June 2008), "The Three Stooges go to Washington – Parts 1-7" (2008 – 2009) and "Following the money backwards leads to President Reagan, Russian rubles and

Ambassador Leo Wanta” (Jan. 2007). A couple of these articles were tightened due to space constrictions. His latest research on Dwight D. “Ike” Eisenhower also not having a real birth certificate from Texas is memorialized in “Eisenhower 1952 Birth-Certificate Fraud Revealed” and much more about “Eisenhauer” in “Teenage Mutant Ninja Eisenhauers – Parts 1 and 2” and was not printed in The I.O. due to space (the entire three part epic is over 20,000 words plus pictures.) We encourage all readers who have access to the internet to read Don Nicoloff’s articles at his website (see ad on next page.) His most recent research ties in “Wanta-gate” with “Eisenhauer”. Believe me, this is HUGE regarding the absolute control the banksters have over us, and how their plan has been in place and moving forward for centuries. Download it while you can and make copies for both your files and sharing.

<http://directlightproductions.com/>

http://web.mac.com/donnicoloff/directlightproductions.com/Breaking_Stories.html

So it’s all in the family, so to speak. For now they have grafted in a few non-Jews to give world Jewish government or world Zionist

government some ‘cover’, but these people will be disposed of. I urge you to research the Rockefeller family, they are **CLEARLY SEPHARDIC JEWS**, and the 2nd richest Jewish family in the world after the Rothschilds. Al gore married his daughter in the Schiff banking family. Jenna Bush married a Hagar and this family are crypto Jews. Hagars brother married into a prominent Jewish family, who owned a large part of HBO.

This New World Order is so Jewish, it looks like the last supper, especially the Rockefellers.

It should be renamed the JWO for Jew World Order! In addition, I knew a Rockefeller who admitted to me the family was Jewish and who would not go by the name Rockefeller and he married a Jewish woman in the Presbyterian church, like the Rockefellers do typically these days.

The End OS21654

Muslim Inbreeding From Our USA Correspondent

DURING the pilot transition program with the KV-107 and C-130 with Lockheed, we found that most Saudi pilot trainees had very limited night vision, even on the brightest of moon lit nights. Their training retention rate was minimal including maintenance personnel. Some had dim memories and had to be constantly reminded of things that were told to them the day before. Needless to say, an American, British or any other western instructor gets burned out pretty quick. It actually took Muslim C-130 pilots years before

they could fly in the dark safely and then would be reluctant to leave the lights of a city. Ask any Marine, Air Force or Army guy who’s been trying to train Iraqis, and especially Afghans Islam is not only a religion, it’s a way of life all the way around. Yet another set of revealing facts about Muslim beliefs and traditions and ways of life.

"1400 years of inbreeding: A huge Muslim problem

Nikolai Sennels is a Danish psychologist who has done extensive research into a little-known problem in the Muslim world: the disastrous results of Muslim inbreeding brought about by the marriage of first-cousins. This practice, which has been prohibited in the Judeo-Christian tradition since the days of Moses, was sanctioned by Muhammad and has been going on now for 50 generations (1,400 years) in the Muslim world. This practice of inbreeding will never go away in the Muslim world, since Muhammad is

the ultimate example and authority on all matters, including marriage.

The massive inbreeding in Muslim culture may well have done virtually irreversible damage to the Muslim gene pool, including extensive damage to its intelligence, sanity, and health. According to Sennels, close to half of all Muslims in the world are inbred. In Pakistan, the numbers approach 70%. Even in England, more than half of Pakistani immigrants are married to their first cousins, and in Denmark the number of inbred Pakistani immigrants is around 40%. The numbers are equally devastating in other important Muslim countries: 67% in Saudi Arabia, 64% in Jordan, and Kuwait, 63% in Sudan, 60% in Iraq, and 54% in the United Arab Emirates and Qatar. According to the BBC, this Pakistani, Muslim-inspired inbreeding is thought to explain the probability that a British Pakistani family is more than 13 times as likely to have children with recessive genetic disorders.. While Pakistanis are responsible for three percent of the births in the UK, they account for 33% of children with genetic birth defects. "

The risks of what are called autosomal recessive disorders such as cystic fibrosis and spinal muscular atrophy is 18 times higher and the risk of death due to malformations is 10 times higher. Other negative consequences of inbreeding include a 100 percent increase in the risk of still births and a 50% increase in the possibility that a child will die during labour.

Lowered intellectual capacity is another devastating consequence of Muslim marriage patterns. According to Sennels, research shows that children of consanguineous marriages lose

10-16 points off their IQ and that social abilities develop much slower in inbred babies. The risk of having an IQ lower than 70, the official demarcation for being classified as "retarded," increases by an astonishing 400 percent among children of cousin marriages. (Similar effects were seen in the Pharaonic dynasties in ancient Egypt and in the British royal family, where inbreeding was the norm for a significant period of time.)

In Denmark, non-Western immigrants are more than 300 percent more likely to fail the intelligence test required for entrance into the Danish army. Sennels says that "the ability to enjoy and produce knowledge and abstract thinking is simply lower in the Islamic world." He points out that the Arab world translates just 330 books every year, about 20% of what Greece alone does. In the last 1,200 years of Islam, just 100,000 books have been translated into Arabic, about what Spain does in a single year. Seven out of 10 Turks have never even read a book. Sennels points out the difficulties this creates for Muslims seeking to succeed in the West. "A lower IQ, together with a religion that denounces critical thinking, surely makes it harder for many Muslims to have success in our high-tech knowledge societies."

Only nine Muslims have ever won the Nobel Prize, and five of those were for the "Peace Prize." According to Nature magazine, Muslim countries produce just 10 percent of the world average when it comes to scientific research measured by articles per million inhabitants.

In Denmark, Sennels' native country, Muslim children are grossly over represented among children with special needs. One-third of the budget for Danish schools is consumed by special education, and anywhere from 51% to 70% of retarded children with physical handicaps in Copenhagen have an immigrant background. Learning ability is severely affected as well. Studies indicated that 64% of school children with Arabic parents are still illiterate after 10 years in the Danish school system. The immigrant drop-out rate in Danish high schools is twice that of the native-born.

Mental illness is also a product. The closer the blood relative, the higher the risk of schizophrenic illness. The increased risk of insanity may explain why more than 40% of

patients in Denmark's biggest ward for clinically insane criminals have an immigrant background. The U.S. is not immune. According to Sennels, "One study based on 300,000 Americans shows that the majority of Muslims in the USA have a lower income, are less educated, and have worse jobs than the population as a whole."

Sennels concludes: There is no doubt that the wide spread tradition of first cousin marriages among Muslims has harmed the gene pool among Muslims. Because Muslims' religious beliefs prohibit marrying non-Muslims and thus prevents them from adding fresh genetic material to their population, the genetic damage done to their gene pool since their prophet allowed first cousin marriages 1,400 years ago are most likely massive. This has produced overwhelming direct and indirect human and societal consequences.

Bottom line: Islam is not simply a benign and morally equivalent alternative to the Judeo-Christian tradition. As Sennels points out, the first and biggest victims of Islam are Muslims. Simple Judeo-Christian compassion for Muslims and a common-sense desire to protect Western civilization from the ravages of Islam dictate a vigorous opposition to the spread of this dark and dangerous religion. These stark realities must be taken into account when we establish public policies dealing with immigration from Muslim countries and the building of mosques in the U.S. Let's hope the civilized West and the North Americans wake up before a blind naiveté about the reality of Islam destroys what remains of our Judeo-Christian culture and our domestic tranquillity.

The End OS21612

Government Study Finds Toxic Roundup Herbicide In 75 Percent Of Air, Rain Samples

Jonathan Benson - Natural News

YOU might not want to hold your tongue out to catch that enticing drop the next time it rains -- you could end up inadvertently taking a swig of Monsanto's Roundup herbicide. New research published in the journal *Environmental Toxicology and Chemistry* reveals that

both air and rain are contaminated with Roundup and other toxic agricultural chemicals **more than 75 percent of the time** in some areas, exposing potentially hundreds of millions of people to small and perpetual doses of hidden chemical poisons.

For this research, a team of scientists from the U.S. Geological Survey (USGS) collected air and rain samples weekly for 12 years during each growing season in the Mississippi Delta agricultural region, testing for glyphosate, the primary active ingredient in Roundup; atrazine; metolachlor; propanil, and a host of other pesticides and herbicides in common use between

the years of 1995 and 2007 -- the first genetically modified organisms (GMOs) were introduced in the U.S. in 1995.

Based on an analysis of the data collected over the years, the team identified detectable concentrations of at least seven agricultural chemicals, including atrazine, metolachlor and propanil, in more than 50 percent of air and rain samples collected throughout the region. And the percentages for glyphosate and its degradation product aminomethylphosphonic acid (AMPA) were found to be even higher, showing detectable concentrations in more than 75 percent of air and rain samples.

"A variety of current-use pesticides were determined in weekly-composite air and [rain samples](#) collected during the 1995 and 2007 growing seasons in the Mississippi Delta agricultural region," wrote the authors in their abstract. "Decreased overall pesticide use in 2007 relative to 1995 generally resulted in decreased detection frequencies in air and rain... [but total] [herbicide](#) flux in 2007 was slightly greater than in 1995, and was dominated by glyphosate."

Roundup usage spiked more than 800 percent since early 1990's

So while the presence of a number of other agricultural chemicals has gradually decreased over the years, according to the study, more Roundup than ever is polluting our air, resulting in untold amounts of this brain-damaging chemical continually raining down upon our soils, our lawns and even our water supplies.

"The good news was that the overall pesticide content of the samples from 2007 [was] lower than [that] in 1995," writes Case Adams for *RealNatural.org*. "But the types of pesticides have changed, as certain pesticides were not being used as much in 1995 as they were in 2007. Glyphosate application jumped from 11,000 tons in 1992 to 88,000 tons in 2007. By 2011 that use has jumped to over 90,000 tons."

If you have been following the medical literature recently, you probably recognize that the public health ramifications of this are highly

disconcerting. One recent [study](#) verified that glyphosate obstructs the normal expression of cytochrome P450 (CYP) enzymes, for instance, which are critical for detoxification and the proper biosynthesis of nutrients.

The consequences of this inhibition -- a number of other studies have linked [Roundup](#) exposure to similar health outcomes -- run the gamut of modern, mostly Western chronic illnesses, and include gastrointestinal disorders, diabetes, heart disease, autism, obesity, infertility and cancer.

"We explain the documented effects of [glyphosate](#) and its ability to induce disease," concluded the authors of the aforementioned study, which was published in the peer-reviewed journal *Entropy*. "[W]e show that glyphosate is the 'textbook example' of exogenous semiotic entropy: the disruption of homeostasis by environmental toxins."

The End OS21666

Some More Of The Ancient Standing Stones That Point To Our Hebrew Heritage

The Labby Dolmen

The Labby Dolmen is located in county Ballindoon, Lough Arrow, Sligo, Ireland. It is also called the Carrickglass Dolmen and is about 2 km north of Arrowrock Lodge.

To get there you drive (or walk) about 2 to 3 minutes to the nearby Cromleach Lodge Hotel car park. The Labby Rock is about 10 minutes walk along the sign posted historical trail.

Labby Rock is Ireland's second biggest portal tomb or dolmen, with a 70 ton capstone. It was

built some 5000 years ago during the neolithic period which spans between 4000 to 2500 BC.

Labby Rock is so named after the Irish word for bed "leaba" and features in both local folklore and Celtic Mythology.

According to Folklore Labby Rock is the place where Dairmuid and Grainne slept when fleeing the wrath of Fionn MacCumhaill. Grainne had been promised in marriage to the much older Fionn MacCumhaill by her father, the High King. Grainne fell in love with Dairmuid and so the couple eloped.

They were chased throughout the land but in time the quest for vengeance was called off. All was well for some time but Diarmuid was eventually killed in a hunting "accident" near Belbulbin in north Sligo.

Local tradition also claims that if an engaged couple should lie on top of the Labby Rock before they are married they are sure to have many children.

The Labby Rock also features in Celtic Mythology, and like many local sites, features

in the stories surrounding the Second Battle of Moytura.

These stories claim that the Labby Rock is the burial place of Nuada of the Silver Arm, King of Tuatha de Danann, who was killed at the battle of Moytura by Balor of the Evil Eye the leader of the Formorians. The Tuatha de Danann, were Hebrews from the tribe of Dan.

Men-an-Tol Megalithic Stone, Cornwall, England

Located near Penzance in the west Cornish moors is the unique and enigmatic Men-an-Tol stone. Archaeologists suggest the three stones that comprise the Men-an-Tol are the remains of a Neolithic tomb because various types of holed stones have been found near the entrances of different ancient burial chambers. Ancient folklore of the surrounding region, however, explains that the centre stone has fertilizing and energizing properties capable of curing almost any ailment when crawled through towards the sun. Young children were passed three times, naked, through the hole and then dragged through the grass three times toward the east, in order to cure rickets or tuberculosis. Adults, seeking relief from rheumatism or spinal problems, crawled nine times through the hole in a sun rise direction.

The Men-an-Tol is also thought to be an instrument for measuring the May-August sunrise line, and in reverse direction, the February-November sunset. Some visitors after climbing through the hole report feelings of euphoria and well being. Contemporary medical theory speaks of psychosomatic illness and the mind-body connection. Perhaps much disease is simply dis-ease of the spirit and psyche, and thereby the ease and happiness visitors experience at the Men-an-Tol may have been the cause of the physical healings of ancient people.

The Rollright Stones

Located off the A34 500m west along a B road at Great Rollright The Rollright Stones is a well-preserved stone circle, originally in private ownership, but since purchased by the Friends Of The Rollright Stones. The stones are limestone, so they have been weathered into fantastic gnarled shapes by the passage of Time. As well as the stone circle itself, there is an outlier, The King Stone, which is also a finely weathered limestone monolith, though sadly surrounded by some singularly ugly iron railings... A few hundred metres east of the circle is the Whispering Knights dolmen, another good collection of limestone monoliths.

Legend

The name comes from a local legend; the large outlier is the King turned to stone, the Whispering Knights his men. They were calcified, so rumour has it, by a local witch when travelling over her land.

The Witch cackled "Go forward"
Seven long strides shalt thou take
If Long Compton thou canst see
King of England thou shalt be

Long Compton is a local village which would normally be seen from the King Stone, were it not for a natural mound blocking the view. The king went forward expecting triumph, but the witch had the last laugh -

"As Long Compton thou canst not see
King of England thou shalt not be
Rise up stick, and stand still, stone,
for King of England thou shalt be none.
Thou and thy men hoar stones shall be
and I myself an elder tree

The End

IF THE TRUTH BE KNOWN

CD 127 minutes [\[Listen to audio clip\]](#) \$16.00

Here you will find the ignored story of the massive deportations of the German peoples from Eastern Germany, Poland, the Baltic States, and the Sudetenland and its attendant horrors.

The entire library of many more audio programs is available as a bundle. All told, this is nearly 14 hours of great historical commentary! Plus, you realize a savings of \$20 dollars. For full details and to purchase go to the website:—
